As Falazure begins his rampage, Berek and Melora discovered that the original Orb of Falazure was created from Turanians's prayers for Obad-Hai, and that she had to prove her worth to the deity of nature to gain another. With a new Orb in her possession, Melora rallied her surviving fellow mages to combat the dragon god while Berek set out for Damodar both to cure her and ensuring her success. Knowing that the tide has turned against him, coupled with Klaxx denounced his service and left, Damodar attempted to leave the scene only to be intercepted by the vengeful Lux who sought to avenge her comrades. Fortunately, Berek managed to calm Lux down and the two proceed to coerce Damodar to break the curse she put on Melora. Reluctantly giving in to their demands, Damodar reluctantly lifted the curse, but reassured Berek that he is currently delaying the worst. With maladies Damodar put on her completely undone, Melora swiftly turned the tide of her fight against Falazure and imprisoned him deep within a lake not far from his original prison.

Transcendent Undead Dragon Physiology: As the Dragon Deity of Energy Draining, Undeath, Decay, and Exhaustion, Faluzure takes the form of a massive undead dragon with immense powers.

Flight: Exclusive to film incarnation, Faluzure can fly with use of his wings.

Immortality: Being the god-like undead dragon himself, Faluzure can live forever.

Absolute Invulnerability: There is nothing that can destroy Faluzure thanks to his divine nature, and that the only way to stop him is by imprisoning him.

Fire Breath: Like common mortal dragons, Faluzure can breathes fire, though in his case, he projected the flames in form of expanding fireballs.

Magic: Faluzure possesses immense mystical powers where most of them involves manipulation of forces of death. His powers can be crippled with aid of other divine beings such as Obad-Hai however, and the extent of his powers only hinted through Damodar's use of Orb of Faluzure.

Absolute Necromancy: True to his title, Faluzure possesses a vast amount of power over the force of death.

Death Beam: Faluzure can project a destructive beam of death energy at will, which can kill mortals struck by it. The beam is depicted as silverish white in the film.

Death Empowerment: Faluzure can gain strength from death of others. In fact, he relies on death to maintain his perfect form.

Curse Breaking: Faluzure himself can also break a powerful curse on a whim.

When we were done they were shocked!

Kitt Won: My god! Word has no idea the hell he has just unleashed!

Nico: No kidding.

Eli: But I fought him gods VS god.

Nico: It's true.

Me: This is one misdeed that Word is going to regret. Faluzure is not to be taken lightly. His power is that immense.

Eli: It's true.

Nico: Where is he right now?!

Moordryd: Over in those mountains there.

He pointed to the mountains 500 klicks to the west.

Me: We got to get over there and fast!

Kai: Let's get a move on then!

Nico: You don't need to tell me twice!

Artha: Lets go Beau!

Beau roared and we were off!

We were flying to the mountains.

Me: (To Vince on the radio) This is J.D. Knudson encoding transmission M-Cipher.

Vince: (On radio) Scramblers on. Go ahead partner.

Me: Vince this is a Class 8 Emergency Situation. Word Paynn is about to unleash a superior force that we all fought before a while back. We're heading over to stop him but we may not be enough. Put yourselves on standby and be ready for anything and prepare ship defenses for a full scale assault.

Vince: Roger that. All hands go to red alert and man your battlestations!

The alarms sounded and the city and the ship was surrounded by a shield and force field.

Artha: So how did Word get ahold of Faluzure?

Me: I think after we defeated him before instead of banishing him to the Warp we banished him to another planet without his powers.

Nico: Oh boy. That is one mistake we are not going to let haunt us again.

Lola: No way.

Me: Somehow Word found a way to summon him and now he might have him.

Artha: And if he does?

Me: Then God help us all.

We got to the edge of the mountains and then we saw a figure flying at us and it was FALUZURE THE NIGHT DRAGON! And on his back was none other than WORD PAIN HIMSELF AS DRAKKUS!

Nico: There he is!

Eli: By the Code of Primus!

Lincoln: Not good!

Me: Faluzure!

Artha: And Word Paynn!

Word Paynn: (LAUGHING MALEVOLENTLY)

Vince and everyone saw Faluzure on the screens!

Vince: Oh shit on a stick!

Qin: That's Faluzure!

Xenia: Not good!

Leina: How did he get here!?

Vince: No idea! Prepare for battle!

They got ready.

Vince: Charge all weapons to full power!

They did so.

We flew up to him.

Word Paynn: Team Loud Phoenix Storm! Stand aside so I may destroy Draconis!

Me: Not going to happen!

Nico: Dude, we really do plan to send you to the Warp on the big day. So, just get off the killer dragon and back away slowly!

Moordryd: Father you have to stop this now.

Word Paynn: I'm sorry son but I won't.

Faluzure: You will pay for defeating me last time.

Eli: Oh we're going to do more than defeat you this time.

Artha: (to Word Paynn) It's me you want, Word! I'll agree to surrender myself to you if you leave Draconis alone!

Bad Juju: Nico, what teams have you made this time?

Nico: Cap's team will include Hannah Montgomery, Gaku Hoshikawa, Terramar, Queen Serenity and Sailor Io. Chris' team will include Miku Hatsune, Sheriff Skyfire, Universe 666 Midnight Sour Sweet, Agent of Creation - Venus and Master Hyperion

Nico: Awesome choices.

Qin: I agree there.

Silverstream: Terramar will love being in a group.

Me: And the Universe 666 version of Midnight Sour Sweet is an excellent idea.

Camie: Yeah.

Sheriff Skyfire: And I just joined the team and I'm already in a group. That is awesome.

The previous group came.

Mumbo: Can me, Electrocutioner, Knightbrace, Fixer, Femme Fatale, Gentleman Ghost, Titanium Toenail, Speed Demon, Brass Knuckles, and Angel go with you guys?

Sheep Mage: Me, Evil Plug Man, Garigari, Evil Spring Man, Fairy Tail Angel, Evil Crash Man, Rambling Ghost, Pericles, Evil Flare Woman, and Reverse Flash will come as well.

Nico: Yes you all can come with. In fact we're here already.

King Kai: (Telepathically) Nico, everyone, can you hear me?

Nico: Loud and-

Vice: Shh!

Evil Plug Man: Vice, what are you up-

Vice: I said shh!

King Kai: (confused) Um… everyone, why did you suddenly go silent on me? Sorry, I can contact you later if now is a bad-

Vice then burped over the telepathic link and then started laughing.

Vice: (laughing) Oh man! You should've seen your face!

Goku: Did he just-?

Vegeta: Yes, Kakarot. He did

King Kai (annoyed): Ha ha. Very funny! You know what? I was gonna warn you guys about the scumbags about to appear later. But now, forget it! (hangs up)

Vice continued laughing.

Electrocutioner: (sarcastically) Oh, that's real mature, Vice!

Me: Vice is a prankster. Sorry King Kai go ahead.

King Kai: No worries J.D.

Nico: Anyway we hear you loud and clear, King Kai, what's the emergency?

King Kai: (Telepathically) You're not going to like it, Randy Cunningham's old enemy, The Sorcerer, has returned, and he wants revenge on all of you for destroying him.

We gasped.

Randy Cunningham: So, that's the reason for that strange feeling I had yesterday. The Sorcerer's come back for Round 2.

Me: He's in for one nasty surprise.

Lincoln: Yeah, we're not the same as we were back then, and this time, we're so going to banish his butt to The Black Gates for good.

Nico: Yeah, we'll make sure that black-magic using Sorcerer dies for

good.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Livvura, another member of The Extraterrestrial Order of The Planets of Holy Ghidorah, and he's coming here to kill us all for ruining their plans. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Livvura of The Extraterrestrial Order of The Planets of Holy Ghidorah on the move?

Lincoln: You guessed it, Rayman, and he's coming here to kill us all for ruining their plans.

Nico: Just as we expected, but we're more than ready for Livvura, right, Valencia?

Valencia Volcania: Right, and just like what happened, he's going to transform by drinking that potion with 2018 King Ghidorah's blood, so Lincoln will separate his King Ghidorah Hybrid Monster form from his real form and absorb the King Ghidorah Hybrid Monster form while we destroy Livvura and give him The Black Gates.

Lincoln: Those deranged fanatics have really been playing with fire when they created that potion, don't they have any idea of what that stuff will do to them should they dare to consume it.

Nico: Unfortunately not. Alright, gang, let's go, time to put an end to The Sorcerer once and for all.

Lincoln: The Sorcerer has caused enough trouble to Randy and his friends for the final time, and now, we're going to end him once and for all, and once we get done destroying The Sorcerer, you better be ready to die, Livvura.

Valencia Volcania: You better be ready to die, Livvura, because you're about to feel the true power and fiery wrath of the volcano.

Me: We're already here.

Coconuts: Nico, which Gene Slammers do you think you'll meet next?

Nico: Castform and Kecleon next.

Me: Ooh the Weather Pokemon. That will be interesting to see.

Xenia: Yeah. Especially because it has 4 forms.

Me: Nico I'm willing to bet that the Castform Gene-slammer is 4 girls and they each govern the elemental forces of nature as well as the 4 seasons and the Weather for Sunny, Rainy, Snowy and Windy.

Nico: I have that same feeling too.

Ravager: King Kai, we are extremely sorry about Vice's joke. He and the rest just joined us yesterday.

King Kai: Oh no worries. But you got to admit he is funny.

Me: He sure is. He's like the Revice's version of Deadpool.

Deadpool: Hey he sure is like me!

Me: No doubt on that Wade.

Qin: Yeah.

Camie: But anyway who is the Sorcerer?

Me: Randy's most evil archnemesis.

I went over his history.

---

The Sorcerer is the main antagonist of the Disney animated series of Randy Cunningham: 9th Grade Ninja. He is The Norseville Ninja's (specifically the First Ninja and later the other ninjas) arch-nemesis.

He was originally voiced by Tim Curry, who also played Hexxus in 20th Century Fox's FernGully: The Last Rainforest, Ben Ravencroft in Scooby-Doo and the Witch's Ghost, Big Bayou in the Courage the Cowardly Dog series, Belial in The Legend of Atlantis by Golden Films, Evil Manta in Disney's The Little Mermaid animated series, Maestro Forte in Disney's Beauty and the Beast: The Enchanted Christmas, Kilokahn in Superhuman Samurai Sybersquad, Drake in Don Bluth's The Pebble and the Penguin by MGM, Dr. Frank-N-Furter in The Rocky Picture Horror Show, Pennywise/IT in Stephen King's IT and Darth Sidious in Clone Wars. He was later voiced by the late Ben Cross in season 2, who also played Prince Malagant in First Knight.

As revealed in "Julian's Birthday Surprise", in ancient times (specifically over 800 years ago) the man who became the Sorcerer was turned out a poor and lowly peddler. One day, this peddler found one of the Chaos Pearls inside the pond while wandering, and, out of curiosity, took it with him. However, as he did, dark powers within the Pearl were eventually unleashed and corrupted him. Weak-willed and tempted by the power in front of him, he allowed himself to be consumed by the darkness, thus the Sorcerer was born and the man he used to be was destroyed.

How this happened (judging from how Randy successfully exorcised Julian from one of the orb's influence by having the manifestation of Julian's dark side and the orb banished to the Land of Shadows) was shown that the power within the Chaos Pearl that corrupted the peddler magically bonded with the peddler's darker side while at the same time, the process also causes his body corrupted to the point that his appearance became reminiscent with human-lizard hybrid. Once the corruption process is completed, the Sorcerer proceeds to extract the good side of his soul from his already corrupted soul and banish it to the Land of the Shadows.

Afterwards, the Sorcerer hunted down and gathered more Chaos Pearls to increase his power further. While terrorizing and corrupting unfortunate people into monsters, he met and join forces with the Sorceress and together tried to conquer the world with their almighty magical powers. The Ninja at the time battled him to a stalemate, as he was too powerful to destroyed. This prompts him to imprison the

Sorcerer deep underground after banishing the Sorceress, where the location would eventually be built into a school Randy attended several thousand years later.

From there, he plots his escape by using his infamous dark powers called Stank. This power manifests as fog (often green ones) that enables him to manipulate the vulnerable victims, possessing both victims and what they hold dearest (anything that involved with suffered breakdown that made them vulnerable with stank), and using this to turn them into his puppets, as well as altering their physical forms into those of monsters. He then proceed to feeds of both negative emotions and chaos from his creations cause. He did it not only to fuel his power further, as when induced chaos intensified to a certain point, his powers will amplifies several times until he both strong enough to escape from his prison and enslave the world. He is the Ninja's greatest opponent aside Sorceress, as Ninja since then has to prevent his escape. In the modern day world, he has made an alliance with other villains, started from the billionaire philanthropist Hannibal McFist.

In the season finale, Randy and Howard unintentionally interfere the First Ninja's attempt to seal the Sorcerer. This causes him to free and steal the First Ninja's Eye of Eternity. The First Ninja, depressed over his failure, forced Randy and Howard to stop the Sorcerer by themselves. However during the battle, the Tengu that is sealed within the Eye was released by accident and possessed Howard, giving the Sorcerer advantage. Before the final blow was sent, the First Ninja interferes and the three worked together to seal him, fix Norseville's history and future once more. Afterwards, when both Randy and Howard returned to present, the present back to the way it was as if it never happened.

Despite their effort to fix the present successful, Randy and Howard also caused four of the Sorcerer's Chaos Pearls scattered, enabling the Sorcerer to use his scattered Pearls to causes chaos outside the school as well as bring more villains to his side, first starting Catfish Booray.

In Season Two, he still attempt to liberate himself by stanking everyone in regular basis until he briefly make an alliance with Evil Julian. Unfortunately, Evil Julian, whom wanted power for himself, betrayed him by draining the power of the Sorcerer's own remaining Chaos Pearls that he brought within his prison. As Evil Julian is too powerful to be dealed with, Randy, whom previously freed his human self in the Land of Shadows, resorts to make a short alliance with the Sorcerer. Once depowered Evil Julian, the Sorcerer turned against Randy and conjured a sword out of stank. Randy briefly gained an upper hand in the battle, only for The Sorcerer later break his sword. Before he had a chance to delivered a final blow, Howard and Julian fell onto him, where Julian's presence caused Evil Julian unwillingly merges back into the latter's psyche. With the combined effort with Howard, Randy defeats The Sorcerer by took his pearls away and tossed it into his prison and locked it.

As the Sorcerer laments over his defeat, his human self, who was previously freed by Randy, returned to Earth and comfort him. They later merged into a singular entity where they were initially. With his psyche restored, the peddler then thanked Randy before disappeared into glowing light, finally died in peace as their soul goes the afterlife.

When I was finished everyone that hadn't heard about it was shocked!

Camie: WHOA MAN!

Leeli: This guy is bad news!

Fiona Hernandez: No kidding there!

Knightbrace: His magic isn't the worst part.

Garigari: No, the worst part is he turns people into monsters by Stanking them!

Me: Anyone that emitted the slightest trace of negative emotions was vulnerable.

Marinette: It was like how Hawk Moth was Akumatizing people.

Me: Exactly.

Nico: Yeah.

Magmon: (to Gabriel) You at least had a good reason for causing chaos as Hawk Moth. The Sorcerer is simply doing what he does for evil.

Gabriel: That's right. My reason was just to bring back my wife Emile.

Me: That is true. Lily did that and saved you from yourself. And we're proud of her greatly for that.

Leeli: Wow that is awesome.

Lily: It sure is.

Me: It was very similar to what happened with Mr. Freeze and Nora.

Nico: Yep and like what happened to the Tarrick and Santaura.

Xenia: Yep.

Fixer: First, we need to find the Milotic Gene Slammer.

Evil Spring Man: Any bodies of water here?

Randy: The swimming pool here at the school.

Nico: Good place to look.

We went to the school.

Merrick: She has to be here somewhere, right?

We arrived at the pool and we saw a Milotic!

Qin: Wow!

Me: There it is!

Lola: Amazing!

Femme Fetale: Hi there. We need your help.

Evil Flare Woman: I hope you know what's going on outside.

Milotic: (In a girls voice) I sure do. And the Sorcerer is back and he wants revenge.

Qin: Wait. That voice.

Nico: Alisandra Lamhing!?

Milotic: In the Pokemon Flesh.

She jumped out and reverted back. She was a girl with magenta color hair and had blue shorts and a pink crop top.

Alisandra Lamhing: Ahh. That was awesome.

Arixam: Are you a fellow swimmer like me and Maria?

Alisandra Lamhing: Yes I sure am and I'm also a wrestler and I am known for using the deadly move The Toxic Shock.

Nico: Deadly too.

Xenia: Yeah.

Lola: That is awesome! Meg's aunt know that move too.

Gentleman Ghost: Remind me which Meg we're talking about?

Me: Meg Griffin.

Gentleman Ghost: Ah.

Pericles: (German Accent) And what's your favorite memory of Nico?

Alisandra: My favorite is when I used the Toxic Shock on a bully and crushed his voice box.

Qin: I remember that. That was crazy.

Me: Yep.

Nico and Alisandra hugged.

Nico: I've missed you.

Alisandra: Me too Nico. Me too.

Chaor: (sees the water bubbling) Get down!

Chaor tackled Alisandra to the ground… and just in time for a Stanked Sharpedo to emerge from the water.

Me: A Stanked Sharpedo!

Qin: Not this again!

Me: I got this!

I fired a blast of light and banished the dark magic to the Black Gates and then Alisandra threw a Pokeball and caught it.

Me: Whoa! That was crazy. Better than having me endure one of the Mascots episodes about Blood and Honey. (GASP)

Poromon: J.D., relax. We're saving that for the big missions.

Poliwag: And maybe if Drakus still suggests to put them in the Masters of Evil.

Me: Oh good.

Qin: That's a relief.

Nico: Yeah.

Horsea: Wasn't expecting that Stanked Sharpedo though.

Me: Me neither.

Qin: Yeah no kidding.

Lola: But that's another awesome Pokemon for us.

Titanium Toenail: Randy, you've learned lots of new ninja tricks since the first time we took down the Sorcerer.

Rambling Ghost: Like using shuriken.

Me: And many techniques and powers.

Lola: He has no idea that we got stronger and more powerful.

Xenia: We sure have.

Lana: And he will pay for his crimes too.

Camie: He sure will.

RD Lori: But we still literally need to find him.

Nico: And we will.

Qin: I hope he isn't in his old lair.

Me: Hmm.

I looked the sun on the floor in the middle of the school. It was intact.

Me: Hmm.

Speed Demon: Let me and Reverse Flash find him.

Reverse Flash: We can do it in seconds.

Me: Go for it.

ZOOOM!

They were off.

Me: Let me see here.

I sat in the middle of the sun and looked through it and saw in his lair was THE SORCERER!

Me: Guys. He's right in there.

Chow: I knew he couldn't hide forever!

Me: He was right under us. And in the same spot we faced him in before.

Xenia: Weird.

Me: Watch this.

I put by butt on the hole to his lair. Then…

LOUD MASSIVE EXPLOSIVE FIERY FART!

Nico: (HOLDS IN HIS LAUGHTER)

Evil Crash Man: That should distract him!

Brass Knuckles: So we can give him a beatdown!

Me: Yeah!

Eli: This is gonna be good.

Angel: Did you like the fart?

Fairy Tail Angel: Because that's the least of your problems!

Sorcerer: Oh you will not think twice when I destroy you all!

Qin: We'll see about that!

Nico: You've cheated death for far too long.

Lola: Time to die!

Me: Yeah no kidding.

Blizzard: (to Nico) We heard you went to Paleozoic World.

Nico: We sure did.

Harpymon: See any good dinosaurs there?

Nico: All kinds.

Me: Yep.

Lizwizard then came.

Me: Lizwizard. Back for another round?

Lizwizard: You bet I am.

Me: Cool cool.

MetalSeadramon: (to Noah) I heard you guys met the Avatar of Earthbound Immortal Ccarayhua. What's her name?

Noah: Her name is Maria Tredwell and she is Misty and Toby's sister.

MetalSeadramon: Oh wow! That's right I heard we were going to meet the relatives of the Dark Signers that are also some of Lincoln's Guardian Angels.

Noah: That's right and she is the Avatar of the Lizard and has the powers of all the cards that Misty has.

Rarity: She sure does and like her sister Maria is also an amazing fashionista like me.

Sweetie Belle: The clothes she made with Leni are absolutely amazing and their story is cool too.

---

Nico: Yep. So, Maria, Hikenmon, do you have any stories on what any of Lincoln's enemies or what his five mean sisters did?

Hikenmon: Uh oh, I was hoping you'd ask that, and it revolves around my hatred towards Lori for her heartless behavior towards Lincoln. One day, Lincoln and I were at the park and we were eating some really hot chili peppers that we got from Gina Angellus, and thanks to both my training and the help of The El Paso Diablo Pepper of Fury, Lincoln's able to eat some of the hottest peppers ever. But, our little lunch got rudely interrupted when we heard a loud shriek in the air, and we saw who it was that made that shriek: it was Lori, and she was out to kill Lincoln again, and she wanted his head for what happened to her phone. As if, Lincoln wasn't even at the house earlier since he met with me hours earlier, but she wanted him dead, but we weren't going to let her. Because of those spicy peppers we ate, we then fired blasts of fire from our mouths and they hit her face first and burned her eyebrows off and sent her crashing into a tree, and Linky tied her up with red energy ropes. Luna showed up and dragged Lori back to the house, where she got grounded for ten weeks and put into a metal cage for what she did, and we found out Lori accidentally dropped her phone when she chased Luan out of her room for another prank she did.

Nico: Should've known and Lori really needs to keep her phone in a safer place.

Maria Tredwell: Indeed, and I've got a story for you, and it also reflects on why I hated Lori. One day, Lincoln and I were with Leni in her room, and we were busy designing some new clothes for Lincoln to model as part of our joint male fashion line: the theme for this is for The Elements, namely Earth, Water, Fire, and Wind. But, we suddenly heard a loud shriek of fury, and we saw who it was: Lori, and she was out to kill Lincoln yet again for being in her room. She tried to tear the clothes of our Elements Fashion Line to shreds for her cruel amusement, but Lincoln fired a blast of fire at her and it hit her and sent her crashing into a wall, and she was promptly tied up by Lincoln firing red energy ropes. Luna then dragged Lori and when Luna told the parents of what Lori tried to do, they grounded her for nine weeks and Luna dragged Lori to a metal cage in the basement and threw her inside it. With Lori detained, we succeeded in creating the clothes for the Elements fashion line. Take a look.

Maria Tredwell put up a slideshow, and we saw Lincoln modeling the clothes for their Element fashion line for males: for Fire, Lincoln was wearing a red shirt with flames on the sleeves and bottom of the shirt, and the top three buttons were unbuttoned exposing part of his chest and abs, black pants with flames on the legs, and black dress shoes, for Water, Lincoln was wearing an aqua blue shirt with ocean waves on the sleeves and bottom of the shirt, and the top three buttons were unbuttoned exposing part of his chest and abs, marine blue pants with ocean waves on the legs, and black dress shoes, for Wind, Lincoln was wearing a sky blue shirt with winds on the sleeves and bottom of the shirt, and the top three buttons were unbuttoned exposing part of his chest and abs, blue pants with winds on the legs, and black dress shoes, and for Earth, Lincoln was wearing a green shirt with leaves and rocks on the sleeves and bottom of the shirt, and the top three buttons were unbuttoned exposing part of his chest and abs, blue pants with leaves and plants on the legs, and black dress shoes.

When the video was finished, we were amazed, including Rarity.

Rarity: My goodness, that was truly an amazing fashion line you and Leni developed, and Linky was indeed a perfect model for them.

Me: You said it, my favorite one was the Fire clothes you designed, that one was really awesome.

Lily: Mine was Water.

Laney: Mine was Earth.

Lana: And mine was Wind, and I can't believe that Lori tried to destroy them for her sick cruelty and amusement, that's why I was glad she got grounded for her attempted stunt and trying to kill Lincoln again.

Lincoln: Lori knew we were busy with doing this fashion line, and she should've respected that, but no, she wanted her own way and wanted me dead yet again, so I had to teach her a lesson before she tried her dumb stunts again.

FLASHBACK ENDS

MetalSeadramon: Wow that is amazing! So Maria is a supermodel and fashionista just like her sister. I'm impressed. And Hikenmon is one of Ranamon's sisters. That is cool.

?: I will make every last one of you pay for what you did in destroying our Lord Ghidorah, Team Loud Phoenix Storm!

Yuko: I knew there was no mistaking that voice from anywhere, you can come out now, Livvura.

A figure came out, and it was none other than Livvura of The Extraterrestrial Order of The Planets of Holy Ghidorah.

Yuko: Livvura, I should've known you'd show up here, and we already knew of the Order's arrival days ago, so we're prepared to destroy you all. We will never let you destroy the Earth ever!

Livvura: You fools will pay dearly for this, Lord Ghidorah will rise again and the entire Earth will be destroyed!

Valencia Volcania: The only one who deserves to be destroyed is you.

Suddenly, Valencia Volcania's orange eyes turned neon orange and she was surrounded by a neon orange energy aura with lava, flames, magma, dragons, phoenixes, and fire angels, she unholstered her massive Volcano Hellion-themed greatsword from her back, and as she approached Livvura, she left neon orange energy, lava, flames, magma, dragons, phoenixes, and fire angels with every step.

Valencia Volcania: I will never ever forgive you for what you and the rest of the Order have tried to do 20,000 years from now, Livvura: wanting King Ghidorah to destroy our world and every last living thing on it, that's one thing I will never allow, and for that, I hope you're ready to be incinerated into ashes for your crimes against mankind and the universe!

Suddenly, Valencia Volcania was surrounded by a massive vortex of neon orange energy with lava, flames, and magma surrounding it, there are dragons, phoenixes, and fire angels and Volcano Hellion flying around the vortex, and in the vortex is an orange phoenix with red eyes glaring at Livvura: the red eyes of death. Then, as the vortex faded, Valencia Volcania emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Valencia Volcania grew to 7'4" in height, she has the body of a goddess, she has yellow highlights in the bangs of her long light orange hair, she has neon red eyes and a neon orange energy aura with lava, flames, magma, dragons, phoenixes, and fire angels surrounding her, she has Volcano Hellion emblazoned on her forehead and Third Eye with orange iris, she has on dragon earrings with orange gems for eyes and holding the Magma, Lava, Fire, and Eternity Kanjis in its claws, she also has Volcano Hellion with orange gems for eyes and holding the Magma, Lava, Fire, and Eternity Kanjis in its hands on the bottom of her orange phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Dragon Necklace of Eternal Love necklace with orange crystal links from her merged Crystal Necklace of the Buddha and orange gems on the gold flame links. Valencia Volcania has on a sleeveless orange blouse, sleeveless orange striped top, black and orange skirt, orange bellbottom pants, black and orange sneakers, and long sleeveless white trenchcoat with lava, flames, magma, dragons, phoenixes, and fire angels on the coattails, and on the back is Volcano Hellion surrounded by lava and magma. Suddenly, Valencia Volcania felt a sharp pain on her back, and then, her massive orange angel wings with neon orange tips on the large orange feathers, grew much bigger for her new body and she now has eleven massive and long orange wolf tails. Valencia Volcania has on her Ring of the Phoenix with large orange gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Valencia Volcania's massive Volcano Hellion-themed greatsword and all the greatswords she'd gotten began merging together and they're suddenly surrounded by a kaleidoscope of neon orange energy, lava, flames, magma, dragons, phoenixes, and fire angels, and when it emerged, it transformed into Volcano Hellion's Volcanic Pyroclastic Draconic Phoenix Inferno Greatsword of Volcanic Justice, it's a brand-new massive greatsword with embedded neon orange gems and Volcano Hellion etched on the 7'0" massive, wide, double-edged orange blade, large orange dragon heads for the crossguard, large neon orange gem embedded in the rainguard, longer midnight black handle, four large orange phoenix heads with yellow gems for eyes and large neon orange gem on the bottom of the orange phoenix heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with neon orange gems on her wrists, her large gold Belt of Elemental Bravery with a gold version of Volcano Hellion's head with neon orange gems for eyes and a large neon orange gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's an orange kanji below Inferno Hellion that said, "Valencia Volcania, Gene-Slammer of Volcano Hellion, Elemental Angel of The Volcano, Loving Youngest Sister of Varie Volcania, Valerie Volcania, Vixen Volcania, and Vivian Volcania, Future Wife of Nico Chan, Archenemy of Greasepit and Dr. Karbunkle, Destroyer of Livvura of The Extraterrestrial Order of The Planets of Holy Ghidorah, Slayer of

Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Lava, Volcanoes, Dragons, and Phoenixes"

Valencia Volcania has transformed into SUPER ANGEL-VOLCANO HELLION-DRAGON-PHOENIX-HARMONY CELESTIAL ETERNAL XELNAGA DRACONIC PHOENIX PYROCLASTIC VOLCANIC INFERNO ANGEL OF DIVINE VOLCANIC FIRESTORM VOLCANO HELLION JUSTICE AND DIVINE VOLCANIC FIRESTORM VOLCANO HELLION LOVE!

We were amazed by Valencia Volcania's Super Angel-Volcano Hellion-Dragon-Phoenix-Harmony Celestial Eternal Xelnaga transformation, and when Nico saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Livvura saw it, he fell into an infernal rage and he got out his blaster to blast her, but Valencia Volcania fired a powerful neon orange energy blast with lava, magma, fire, dragons, phoenixes, and fire angels at Livvura, which hit him and pushed him back and he also got burned, but this really pissed him off now.

Varie Volcania: Wow, now Valencia's transformed, awesome!

Vivian Volcania: That's really incredible, and she really burned Livvura badly.

Nico: And she's really got him pissed off now big time.

Valencia Volcania: (Divine Echoing Cosmic Voice of The Pyroclastic Volcano Firestorm Draconic Phoenix Volcano Hellion Fire Angel and Divine Draconic Phoenix Volcano Hellion Inferno Love) And now, a fiery fate awaits you, Livvura.

Nico: Let's get him, Valencia, this bastard doesn't deserve to live any longer.

Nico transformed into Super Saiyan Rainbow Infinity and unholsters his massive Nico's Universal Elemental Greatsword of Saiyan Pride and Phoenix Justice from his wider and muscular back and joined Valencia Volcania.

Nico: (Divine Echoing Voice of Rainbow Redemption) Alright, you fanatical clod, it's time for you to pay for your crimes with your blood!

Valencia Volcania and Nico went after Livvura who's now gone even more full-blown ballistic, and they fired extremely powerful blasts of rainbow energy, neon orange energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Livvura and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him.

Nico turned his fingernails into claws and he slashed at Livvura, drawing more blood and leaving more scars on him, and he was being driven even more ballistic. Suddenly, Livvura took out the vial of red liquid with a drop of 2018 King Ghidorah's blood, then he drank it. Suddenly, Livvura began changing as massive wings like King Ghidorah's grew and sprouted out from his back, his skin was covered in gold scales, and he'd grown King Ghidorah's tails.

Me: Watch it, you guys, now Livvura has transformed into his King Ghidorah Hybrid Monster form.

Livvura fired a Gravity Lightning blast at Valencia Volcania and Nico who dodged it.

Lincoln: Valencia, Nico, hang on!

Lincoln fired a rainbow energy blast which separated Livvura from his King Ghidorah Hybrid Monster form, and then, Lincoln went at King Ghidorah Hybrid Monster Livvura and he stabbed him in his chest with one of his eleven massive and long white wolf tails paralyzing him so he couldn't try to escape, and then, Lincoln began absorbing King Ghidorah Hybrid Monster Livvura's bio-energy and assimilated his powers and abilities until nothing was left of it.

Nico: (Divine Echoing Voice of Rainbow Redemption) Thanks for the save, Lincoln. Now, Valencia, let's end this bastard for good.

Valencia Volcania: (Divine Echoing Cosmic Voice of The Pyroclastic Volcano Firestorm Draconic Phoenix Volcano Hellion Fire Angel and Divine Draconic Phoenix Volcano Hellion Inferno Love) You got it, Nico.

Valencia Volcania and Nico sent Livvura flying into the air, and then, they prepared their combo to put an end to Livvura.

Valencia Volcania and Nico: VOLCANIC DRACONIC PHOENIX VOLCANO HELLION KAMEHAMEHA!

Valencia Volcania and Nico fired two massive neon orange energy Kamehameha waves with lava, flames, magma, dragons, phoenixes, and fire angels which hit Livvura, and they explode with incredible power as they hit him, and he was obliterated. Then, when his spirit appeared, Valencia Volcania and Nico drew the Judgement Kanji on his forehead, and he was erased by The Black Gates for her crimes. We cheered as Valencia Volcania and Nico holster their massive greatswords on their backs and powered down, and Valencia Volcania's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long orange wolf tails, and massive orange angel wings are permanent.

Valencia Volcania: That's one member of The Extraterrestrial Order of The Planets of Holy Ghidorah down and thirty members to go. Thanks for helping me destroy Livvura once and for all, Nico.

Nico: (Smiles Warmly) You're welcome, Valencia.

Suddenly, Valencia Volcania wrapped her arms around Nico's wider and muscular back, as her chest pressed against Nico's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Nico's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to their faces. Then, as Nico leaned down to Valencia Volcania's face, they kissed passionately as she moved her arms and placed her hands on Nico's massive pecs, and behind them was a Dragon, Phoenix, Angel, and Volcano Hellion flying in the air, and we saw many animals running across the field, along with elemental forces and volcanoes erupting behind them and we cheered wildly. Then, Nico and Valencia Volcania absorbed the lava and they came back to us as the display and Volcano Hellion vanished.

Me: Whoa, now that's what I call another cult fanatic put down for good, nice job, Nico and Valencia.

Nico: Thanks, J.D., and like Lincoln said, those potions the members of The Extraterrestrial Order of the Planets of Holy Ghidorah have allow them to transform into King Ghidorah Hybrid Monsters and they also acquire his powers as well.

Lincoln: But, they only use it when they've really been pushed too far. However, one rainbow energy blast separates them from their King Ghidorah Hybrid Monster form.

Nico: And they wind up becoming your next meal for you to absorb, Lincoln, and for tomorrow, the next member is Gintrrea, which means you're up next, Fiona.

Fiona Guntherton: Yeah, we'll make Gintrrea pay.

Nico: We sure will. So, who's the next Dark Signer Monsters Fusion Gene-Slammer we'll be meeting tomorrow on your rescue, Lincoln?

Black Manta: The Sorcerer won't Stank anyone again.

Whirlin: Even if McFist somehow returns in the future.

And we're going to meet the next Fusion Gene-Slammer of The Dark Signers' Monsters, this time, it's a Fusion Gene-Slammer for Infernity Archer, Infernity Archfiend, Infernity Avenger, Infernity Beast, Infernity Beetle, Infernity Conjurer, Infernity Destroyer, Infernity Doom Archfiend, Infernity Doom Dragon, Infernity Dwarf, Infernity General, Infernity Guardian, Infernity Knight, Infernity Mirage, Infernity Necromancer, Infernity Patriarch, Infernity Pawn, Infernity Randomizer, Infernity Sage, Infernity Wildcat, Infernity Doom Slinger, Hundred Eyes Dragon, and Earthbound Immortal Ccapac Apu named Kiara Kessler, she's Lincoln's Guardian Angel from Domino City and classmate in Gym, and she's known as The Infernity Dark Giant Queen, because she, just like Kalin Kessler, Dark Signer of The Giant Earthbound Immortal Ccapac Apu, uses an Infernity Deck, and spearheading the deck is Earthbound Immortal Ccapac Apu. She was also born with immense superhuman strength, and that made her the physically strongest of Lincoln's Guardian Angels, and she's also someone who enjoys going to the gym. She really trained Lincoln hard in the Gym, and thanks to all of the constant training she and the other Guardian Angels put him through, along our training and the combinations of his genes and hyperpuberty, that's how he became the really tall, imposing, handsome, and really beefed-up muscular man that he is now. Kiara also got Lincoln into bodybuilding as well, and she really trained him hard for that sport. Lincoln made Kiara Kessler an awesome black and blue sleeveless crop top with blue flames on the bottom with the Giant Nazca Line imprinted on it and matching black gym shorts, along with blue gem earrings and blue gem necklace, and to show thanks, she kissed Lincoln on the lips while they were working out in the Gym. She's also the sister of Kalin Kessler, and she hates Lynn with a blazing passion because of what she'd put her own brother through.

We're going back to Yokai Academy and we're going to battle the Fangs of Aerwier and we're going to make all those overgrown lizards pay. We're going to make all those lizards pay.

Me: Boy we need to start going to Yokai Academy more often.

Qin: I agree there. It's so fun.

Leeli: It sure is a creepy place.

Nico: Well it's more than that Leeli. It's a school for all kinds of monsters that want to be like us.

Me: Monsters from Myths, Legends and Folklore from all over the world come here to learn how to be like us and it's so awesome.

Eli: It sure is.

Brittney: And it's good we're here. I got a message from the spirits of the Netherworld that the brainwashing of Kuyo never faded away completely when he died. He still influences people even though he is in the Black Gates.

Nico: That's impossible. He should have been destroyed forever.

Eli: I was thinking the exact same thing.

Varie: Same here.

Sam S.L.: That is true.

Nico: Sam, I want to thank you, the Springfield Bullies, and your teams for coming.

Sam S.L.: No problem Nico. It's gonna be so awesome to help you all out.

Autumn Blaze: You got that right. It's going to be so much fun.

Nico: Autumn, what do you like to do in your free time?

Autumn Blaze: I like doing jokes at the comedy club that Luan works at and my jokes are a riot. I also sing at the karaoke club. It's good money.

Me: Her jokes are always a really funny riot. Remember when we first met Autumn and how she told us about the Kirin and the Nirik and how they were awesome.

Nico: Right I remember that. That was an awesome friendship problem.

Applejack: Boy howdy it sure was.

Me: And we found out that when the Kirin get mad they burst into flames and become Nirik. Talk about having an explosive temper.

Nico: Literally.

Me: But yeah she and Luan and Eddy do a great trio group and do all kinds of really funny jokes.

Qin: (LAUGHS) They are so funny!

Nico: Yeah.

Nico: Are you going to do any pranks on April Fools' Day?

Autumn Blaze: No I just mostly do funny jokes in comedy shows.

Me: That's fair.

Autumn Blaze: I heard all about the jokes that Luan and Connor did and also how they were nightmares on April Fools Day but no I won't do those.

Me: That's a relief.

Xenia: Yeah we don't want all that happening again.

Nico: No fucking lie there.

Leeli: What kind of jokes did Luan and Connor do?

Lincoln: They were the kinds of jokes that people would consider things that the Joker would do.

Eli: It's true.

We told her everything and it was awful. We told her what happened with Luan in chapters 12, 18 and 39 and it was horrible.

Leeli: WHOA MAN! That is awful!

Me: Thank goodness Luan isn't like that anymore. Nico's brother Connor did jokes like that too.

Nico: No kidding there.

Anna Anyanova: No kidding! That was awful seeing those pranks that Luan did.

Fiona Hernandez: I remember all those pranks Connor did. Me and my sisters had to step in front of many of them too.

Me: Geez girls that is awful!

Qin: No kidding.

Me: Boy yesterday was awesome and we had a lot of unfinished business.

Nico: Yesterday, we took down the Sorcerer for good.

Qin: We sure did. Thank goodness.

Me: And it was awesome doing so.

Laney: Yeah no kidding. That monster had it coming.

Leeli: He sure was a creepy guy.

Me: Well he was over 800 years old. He was a man that was around ever since the 13th Century.

Xenia: Yeah that was amazing he lived for so long.

Nico: No kidding.

Lola: But he is gone forever now.

Nico: But not before he Stanked a Sharpedo!

Me: That was a freaky one.

Qin: Yeah no kidding. A Stanked Sharpedo is new.

Xenia: Yeah.

Nico: No kidding there.

Varie: But at least he will never stank anymore people.

Nico: Yeah no kidding there.

Xenia: Yeah.

Nico: Norrisville is a lot more safer now.

Me: All that's left is Hannibal McFist.

Qin: Yep. And if he comes back everyone will be ready for him.

Me: After all the shady activity was revealed to everyone they are never going to trust him ever again.

Nico: That's for sure.

Lola: Yeah no kidding there.

Leeli: What a monster.

Me: No kidding there.

We continued walking and got to the academy.

Nico: Hopefully, things aren't that bad, right?

Me: One can hope.

Nico: But stay alert everyone.

We nodded.

We walked and then a girl came out. She was a girl with black clothes and she had teal green hair and blue eyes.

Girl: (Australian Accent) Well this is quite a surprise here.

Me: Oh and you are?

Sheila Eingana: Name's Sheila Eingana.

Me: Pleasure to meet one of our many friends from Australia.

Sheila Eingana: Likewise. I'm afraid this is as far as you will go mates.

Nico: Be ready for anything!

Me: We'll see about that. So you are one of the people that Kuyo hired.

Sheila Eingana: That's right mate. And here is me.

She then turned her legs into those of a snake and she turned into A FULL FLEDGE SNAKE! She was a teal green snake with rainbow scales!

Me: WHOA! You're really Eingana! The Dreamtime Snake of Aboriginal Myth!

Nico: WHOA! This is gonna be interesting!

Leeli: Wow! She is beautiful!

Sheila Eingana: Why thank you.

Me: I've read a lot about the legendary snake of Eingana. Legends say that Eingana was who made the Earth.

Sheila Eingana: That's right.

Lincoln: You would get along great with my Guardian Angel, Bella Huffington. She is the gene-slammer for the Duel Monster Rainbow Snake Eingana and she is from Australia too.

Sheila Eingana: Nice to see that you know a fellow member of Australia.

Me: Yep. But you don't have to work for Kuyo anymore.

Nico: Kuyo's gone for good. But tell you what? I'll pay you double what he paid you if you stop this.

Sheila Eingana: He is… (GROANS) I CAN'T FIGHT IT!

I teleported and put my hand on her head and a glowing light appeared and removed Kuyo's influence and destroyed it.

Sheila reverted back and I put a blanket on her.

Me: Fashion Brigade!

Rarity and the Fashion Brigade came and gave her teal green clothes and she was back to human.

Sheila Eingana: (GROAN) What a headache. Crikey! I feel like I got hit by a stampede of emus.

Me: You're gonna have a nasty headache for a while. But you are free.

Nico: Looks like Kuyo literally influenced her.

Me: Yeah. But she is free.

Then a girl with black hair and purple eyes and purple clothes came.

Girl: (German Accent) Ach you freed her from Kuyo's influence ja.

Me: One of our friends from Germany here.

Heidi Schnizelbacher: Guten tag J.D. I'm Heidi Schnizelbacher und it's a pleasure to meet you.

Me: Same here to you. Hunter and our teammates from Germany would love getting along with you too.

Heidi Schnizelbacher: Ja they would und I'm sorry but I'm afraid I cannot let you free anymore of us.

She then turned into A SKELETON CREATURE! SHE WAS A WIEDERGÄNGER!

Me: (GASP) You're a Wiedergänger!

Brittney: The Skeletal Zombies of German Myth. Legends say that they are made to return to the land of the living to avenge the injustice they were given.

Leeli: Wow that is amazing!

Qin: Scary too! Perfect for Halloween.

Me: Or in Germany's case, Walpurgisnacht.

Qin: That works.

Nico: Okay. What's the best way to deal with skeletons?

Brittney: I got this.

She chanted a powerful incantation and the brainwashing was removed and destroyed and the Fashion brigade gave her new black clothes.

Heidi Schnizelbacher: (GROANS) Mein cranium. Ein feel like I got hit by a flock of sheep.

Me: You are free though.

We put her with Sheila Eingana.

Nico: I don't know how much of these we can take.

Me: Come on Nico hold it together.

Nico: Okay then.

Another girl came. She was a girl with blond hair and had black clothes.

Girl: (Speaking in Russian) Извините, но я боюсь, что вы должны быть остановлены здесь. (Sorry but I'm afraid you must be stopped here.)

Me: One of our friends from Russia. (Speaking in Russian) Боюсь, мы нужны здесь, чтобы возместить ущерб, нанесенный кем-то злым (I'm afraid we are needed here to undo the damage done by someone evil.)

Sonnya Rusalkalova: Я понимаю. Меня зовут Соня Русалкалова, я буду служить Куйо и следить за тем, чтобы тебя остановили. (I see. My name is Sonnya Rusalkalova and I am to serve Kuyo and make sure you are stopped.

She turned revealed that she was a RUSALKA, THE MALICIOUS WATER UNDEAD SPIRITS OF SLAVIC FOLKLORE!

Brittney: (GASP) She's a Rusalka!

Laney: What's a Rusalka?

Brittney: They are the Malicious Undead Water Spirits of Slavic Folklore. They are the Russian versions of mermaids.

Nico: Wow!

Eli: Wow this is interesting!

Nico: Eli, can you sense for Swartz's creations?

Eli: On it!

Leeli: I got this one!

(YURGEN'S TUNE PLAYS)

Leeli: (SINGING DIVINELY)

Leeli: (SINGING DIVINELY)

O holoré lay thee low

Holoél dark in the Deep.

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Spring abundant holoél

She sang amazingly and then Sonnya clutched her head and then a blob of darkness came out of her and then we felt a rumble and then to our shock and amazement we saw the entire Yokai Realm burst with incredible life as darkness was expelled from the land.

Then Kuyo was banished completely to the Black Gates!

Qin: WHOA!

Nico: That was incredible!

We purified all of the Yokai Realm and saved it from a terrible darkness.

Me: Wow!

We brought Sonnya over and the Fashion Brigade gave her yellow and blue clothes.

Me: That was amazing! Well done Leeli!

Shanan: Yeah well done!

Brittney: Leeli's song really did us an amazing favor.

Nico: Thank God! Clearing Kuyo's influence out would've taken the whole damn day!

Me: No kidding there.

Brittney: It's over guys. The spirits said that Kuyo's influence has been forever purged from the world of the Yokai forever.

Nico: Good riddance.

Eli: I found them. They are Another Mizore and Another Springfield Bullies.

We gasped!

Me: This will be interesting to see though.

Nico: It sure will.

Qin: Yeah.

Nico: Who's up first?

Me: I haven't had a shot yet. So I'll face her.

Nico: Okay.

Xenia: Go for it.

Me: I still can't believe that the gym teacher was molesting Mizore like that. (GROWLS IN RAGE!) That makes me so angry!

Maria: Imagine if there was Another Me!

Me: That would be shocking!

Nico: No shit!

Qin: Oh boy.

Eli: Yeah.

Me: I hope the Another Mizore isn't Okuto Kotsubo.

Eli: No it isn't.

Me: (Sighs in relief) Good.

Nico: Sis, I think you might have jinxed us.

Maria: What? (Shocked) Oh shit on me and fuck me sideways!

Nico: Oh boy.

Camie: Uh oh.

Me: (GULPS)

Qin: Oh boy.

Nico: We'll worry about that tomorrow. There's Another Mizore.

We saw a figure and it was a dark version of Mizore Shirayuki! It was ANOTHER MIZORE!

Me: Boy this one is cold.

Lola: Yep.

Eli: And I sense that the Another Springfield Bullies are friendly. There's three of them.

Qin: Whoa.

Another Mizore: Hope I'm not interrupting anything.

Me: That voice.

She reverted back and it was a small fairy this time. It was a fairy with ice blue butterfly wings and she had blue hair and had blue clothes.

Me: (GASP) Sarria Yuki.

Nico: A small Snow Fairy this time? Wow this is a first.

Qin: Wow that is so cool.

Me: Its been a long time Sarria. Haven't seen you since I was in Ireland helping to end the war with Fairies and Leprechauns.

Sarria: It has been a while.

Nico: It's gonna be hard to fight you at that size.

Sarria: I know. But that's why I can do this.

She used her magic and turned into human size.

Nico: That's more like it.

Sarria: I have the power to change my size.

Qin: That is awesome.

Sarria: It sure is. I heard you guys have Count Grogan in your frenemies the Masters of Evil.

Edyn: You heard right. He is my archenemy.

Me: Yep.

Sarria: That is cool.

Eli: Yeah. Wait scratch that about three of them. There's 4 of them actually. All friendly.

Nico: Oh.

Me: Sorry we have to fight like this Sarria. But it's to save you from this.

Sarria: I know and you will be in for a surprise on the 4 Another Springfield Bullies.

Me: I have a feeling I will.

Kearney: 4? Me Jimbo, and Dolph are a trio

Me: Well you guys did have Nelson with you many times before.

Kearney: Oh right. I forgot about that.

Nico: So Another Nelson is included too? Wow.

Sam S.L.: But this will be interesting to see.

Me: It sure will.

Sarria turned into Another Mizore.

I fired blasts of fire and blasted her down and I picked up the Wonder Ride Book and it was called LEGEND OF THE MOUNT FUJI SNOW WOMAN.

I picked up Sarria and she was just tired. I had her in my hands.

Me: You'll be okay.

I put her on my shoulder and I gave her a small block of ice for her head.

Maria: Better call in backup.

She got out the M.O.E. Cannon.

Maria: (TURNS DIAL) VAMPIRE FURY 6!

She summoned Count Nocturne, Evil Bubble Man, Rat Fangire, Count Duckula, Lillith the Lilysha and Billiard Shadow Along with Issa Shuzen, Evil Shade Man and Dark Necrobat.

Nico: Now, we wait

Me: We're not going to have to wait long! Look!

We saw 4 figures and they were dark versions of the Springfield Builles! They were ANOTHER JIMBO, DOLPH, KEARNEY AND NELSON!

Jimbo: WHOA! Another Versions of Us!

Dolph: Boy this is gonna be a really awesome one!

Kearney: You got that right!

Me: Nelson is gonna flip when he hears about this.

Nico: No shit!

Another Jimbo: (In a girls voice) But man this is gonna be awesome.

Me: Wait I know that voice.

They reverted back and they were 4 girl! Another Jimbo was a girl with black hair and had red eyes and dark clothes with skulls on them, Another Dolph was a blue hair girl with Fish Skeletons on her shirt and had blue clothes, Another Kearney was a red hair girl and she had blue eyes and had a scar in the shape of a lightning bolt on her right cheek and she had red fire on her clothes and Another Nelson was a girl with yellow hair and had a Skull and Crescent Moon Tattoo on her forehead and she had yellow and black clothes.

Me: (GASP) The Cavvingyama Quadruplets!

Nico: WHOA! You know them?

Me: Yep they are 4 bullies that I saved from themselves because their so-called father was a heartless murderer and an alcoholic. He beat them on a regular basis and hurt them really bad and they took out their rage against him on others.

WE GASPED!

Me: Guys the black hair girl is Eva, The Blue Hair girl is Marina, The Red Hair girl is Volcanna and the Blond girl is Luna.

Luna Cavvingyama: Awesome to meet you guys.

Eva Cavvingyama: Sorry about dropping in like this.

Volcanna Cavvingyama: Yeah we were trying to find you guys.

Maria: No worries. What happened to their dad?

Me: Executed for capital murder and assault.

Maria: Good riddance.

Nico: No kidding.

Kaito: (gets out Boukenger gear) Did Swartz promise you anything?

Zocks: ( gets out Magiranger gear) Because we can grant it instead.

Eva Cavvingyama: No he didn't promise us anything.

Marina Cavvingyama: We kicked him in the crotch before he could say anything.

Luna Cavvingyama: And we ran. But we were turned into the bullies of Springfield.

Me: He probably didn't like that.

Qin: Nope.

Camie: Yeah. He had it coming.

Me: We gave Swartz the Black Gates. So he is gone for good.

Volcanna Cavvingyama: Good riddance.

Qin: Yeah.

Kaito got an Operation Overdrive Staff and Zocks got a Magi Staff.

Me: Sorry we have to fight like this.

Sougo: (gets out Operation Overdrive Ridewatch) Another Nelson was an unexpected bonus.

Geiz: (gets out Mystic Force Ridewatch) But that just means another of Swartz's creations to cross off.

Sougo got OperationOverdriveRedArmor while Geiz got MysticForceRedArmor.

Me: Yep.

The Cavvingyama sisters turned into Another Springfield Bullies.

Me: This is gonna be good. If Bart were here he would be wanting some massive and powerful payback on them.

Jimbo: You got that right.

Dolph: We were horrible bullies to Bart and many of the nerds in Springfield.

Kearney: Yeah we sure were.

Nico: (gets out Springfield Bullies' Ridewatch) 4 can play at that game!

Nico activated it and fired waves of energy and blasted them all over.

Qin: YEAH! Take that.

Lola: That was fun!

Nico: Time for some ice cream. (ACTIVATES THE TECHNICOLOR PHANTOMS RIDEWATCH)

Nico fired waves of energy and ice cream and blasted them down.

May: (gets out Wuya's Ridewatch) Time for Heylin power!

May activated it and fired waves of darkness and smashed them down.

May: YEAH! Now for this. (ACTIVATES THE SUGAR RUSH TRIO'S RIDEWATCH)

She fired Cherry Bombs and blasted them down.

Me: BOOM!

Xenia: Yeah!

Maria: (gets out Lego Joker's Ridewatch) Let's put a smile on that face!

Maria fired waves of lightning and electrocuted them all over.

Qin: YEAH!

Maria: Now for this. (Activates Rugal Bernstein's ridewatch)

She fired waves of energy and smashed them down.

Then Pete and his team consisting of Chameleon (TUFF Puppy), Bun Bun, Universe 666 Captain Hook, One Eye (SPD) and Ghost of Amos Littlefield came.

Nico: Nice team, Pete!

Pete: Thanks Nico.

Me: Awesome and One Eye I remember you! You were sent by Morgana to fight the rangers. But they contained you.

One Eye: That's right. Good memory.

Me: Thanks.

Nico: Awesome.

Maria: Where's the next Gene Slammer?

Autumn Blaze: First this.

She activated her ridewatch for the Technicolor Phantoms and she fired waves of ice cream and blasted them down.

Qin: SWEET!

Then 4 Castforms came! They were normal, Rain, Sun and Ice.

Me: COOL! The 4 Castforms!

Xenia: Cool!

Sun Castform: (In a girls voice) Looks like the 4 Seasons and Elements have come.

Nico: The Weathera Sisters!

Qin: Hey wow! Winter Water, Spring Earth, Summer Fire and Autumn Wind! Great to see you girls again.

Me: That is cool! They are named after the 4 Seasons and the 4 Elemental Forces. That is cool!

Nico: It sure is.

They reverted back and they were girls that each had hair that matched the seasons and the elements. Spring Earth was a blue hair girl with blue clothes, Summer was a girl with red hair and red clothes, Autumn had green hair and green clothes and Winter had pink hair and green and blue clothes.

Spring Earth: Awesome to see you guys again.

Summer Fire: We got this.

They fired waves of the elements and smashed them down and I caught their ridewatches and I purified them. I brought the Cavvingyama sisters over.

Summer Fire: That was awesome.

Autumn Wind: It sure was.

Autumn Blaze: What are your favorite memories of Nico?

Spring Earth: We are Nico's friends from Meteorology.

Winter Water: We have many of them. But our favorite is when we built an amazing holographic weather simulator.

Me: Wow! I've heard about that. I didn't know that was you girls.

Eli: That is so cool!

Rainbow Dash: That is really awesome!

Autumn Fire: It sure is. We built it with every kind of weather event in history and showed the effects of all of the weather.

Laney: That is fancy.

Camie: It sure is.

Nico: No kidding.

Nico hugged all 4 of them.

Nico: I missed you girls.

Summer Fire: We missed you too Nico

Winter Water: We have so much to catch up on.

We later went back home.

Nico: Uh oh, I've got a feeling I'm not going to like hearing about this werewolf.

We gasped in horror.

Me: That heartless monstrous savage, he's going to pay for this.

Lincoln: And he will, with his own blood.

Lincoln let out a growl as white fur began growing on his massive and powerful muscular body and his abnormally massive and powerful upper and lower body muscles grew a little bit bigger, white fur also began growing on his massive and wide muscular pecs and eight pack abs, his nose changed to a wolf's nose and white wolf's muzzle, his deep sapphire blue eyes and the rainbow iris of his Third Eye remained the same, but his pupils turned into slits, along with the white wolf ears on his head, massive white angel wings with aurora and orange tips, his eleven massive and long and powerful white wolf tails with rainbow markings and rainbow tips and white rabbit's tail above his white wolf tails, and he let out a powerful howl. Lincoln has transformed into Lincoln The Nocturnal, Defender of The Night.

Lincoln: (Beastly Voice) Now, he's going to see what happens when he dares to piss me off by killing the parents of my Guardian Angels to slake his thirst for blood and hunger for flesh, and I want to thank you for joining us, Rui, Sirenmon, Athena, and Melody.

Melody: You're welcome, Lincoln.

Vinyl Scratch: We're so going to make that monster pay for what he's done.

Aquata: We sure will.

Suddenly, we saw Infernity Archer, Infernity Archfiend, Infernity Avenger, Infernity Beast, Infernity Beetle, Infernity Conjurer, Infernity Destroyer, Infernity Doom Archfiend, Infernity Doom Dragon, Infernity Dwarf, Infernity General, Infernity Guardian, Infernity Knight, Infernity Mirage, Infernity Necromancer, Infernity Patriarch, Infernity Pawn, Infernity Randomizer, Infernity Sage, Infernity Wildcat, Infernity Doom Slinger, Hundred Eyes Dragon, and Earthbound Immortal Ccapac Apu appear before us, along with Hoola, and with them are the nine girls.

Suddenly, we heard a loud roar, and we saw something heading our way: it was Alaric Aegenwulf, he was a massive 12'5" hulking brown-furred werewolf and he had red eyes full of anger and hunger.

Lincoln: (Beastly Voice) Alaric Aegenwulf, right on time, and I'm not that surprised to see you haven't changed in the slightest, but either way, I'm going to enjoy ripping you to shreds, you bloodthirsty monster from Hell! This is for what you did in murdering the parents of my Ghostrick Guardian Angels long ago! (WOLF ROAR)

Enraged, Alaric Aegenwulf sent armies of werewolves at Lincoln, but Lincoln ran at them as well, he plunged his hand in a werewolf's chest and ripped out his heart and ate it, he then grabbed another and lifts him up and after ripping his heart out and eating it, he ripped him in half spilling his guts everywhere, he jumped behind another and after ripping his heart out and eating it, he plunged his hand into his back and he ripped out his entire spinal column along with his skull and brain, he grabbed another and after ripping his heart out and eating it, he ripped his head clean off spilling his blood everywhere, he grabbed another and ripped his leg off and he ripped out his heart out and ate it, he grabbed another by his head and ripped his head off and tore out his spinal column as well, he'd grabbed another and plunged his hand in his chest and ripped out his beating heart and ate it, he grabs another werewolf on both sides of his head and RIPPED HIM IN HALF DOWN THE MIDDLE SPILLING HIS BLOOD AND GUTS EVERYWHERE! Lincoln grabbed another werewolf and stabbed his eyes out with his claws and he grabbed him by his mouth and ripped his face in half.

Then, Lincoln grabs Alaric Aegenwulf by his neck with one of his white wolf tails and lifted him up, and then, with his left hand, he plunged it into Alaric Aegenwulf's chest as he roared in pain, and then, Lincoln ripped out his beating heart and ate it right in front of him, and Alaric Aegenwulf died from severe blood loss, and Lincoln sent his soul and the souls of his werewolves to The Black Gates. The rest of us cheered as we holstered our weapons and powered down.

Lincoln: (Beastly Voice) You've claimed your last victim, Alaric Aegenwulf. (To the parents of Ursula Truaigheaingeal, Tiana Masina, Ramona Alucard, Claire Allaire, Sarah Dullahan, Aisha Arian, Winter Icyin, Ramona Qingzhao, Autumn Aluma, Mary Adelberte, Dina Malbrouk, Makoto Haruki, Morrigan Dabria, Lydia Anahita, Rachel Truaigheaingeal, Ellie Elsher, Emilia Frankenstein, Isabella Lupa, Alecto Shadowcall, Thera Amihan, and Miyuki Shirayuki) I hope you were watching the fight, Mr. and Mrs. Truaigheaingeal, along with the rest of my Ghostrick Guardian Angels' parents, I've killed the one who murdered you long ago.

Ursula Truaigheaingeal: (Scottish Accent) Mom… , Dad… , we finally did it.

Rachel Truaigheaingeal: (Scottish Accent) That monster's finally gone for good, and your deaths have finally been avenged.

Me: Man, that werewolf really left quite a stain on them.

Nico: He murdered and devoured their parents and right in front of them, and they were children. You showed that monster absolutely no mercy, Lincoln, that was awesome.

Lincoln: (Beastly Voice) Thanks, Nico. Now, to get myself clean.

Lincoln put himself in a water ball and washed him off, and the water ball turned red and he was clean. Then, Lincoln shook like a dog and he was dry.

Lincoln: (Beastly Voice) There, that's much better.

May: One day, we got to come up with a team name for me, Maria, J.D., and you whenever we turn into our werewolf forms.

Lincoln: (Beastly Voice) Good idea.

Lincoln the Nocturnal transformed back to Lincoln.

Lincoln: But, anyways, we're finally rid of Alaric Aegenwulf and he's paid the price for what he did so

long ago. (To Kiara Kessler and Kohamon) And it's so good to see you again, Kiara Kessler and Kohamon.

Kiara Kessler reverted back to normal, and she's a beautiful girl with short light blue hair, blue eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful midnight black angel wings with blue markings and she has the Giant Nazca Line on her right arm, she's dressed in a black sleeveless crop top with blue flames on the bottom with the Giant Nazca Line on it, black gym shorts, black sneakers, and long white long-sleeved trenchcoat with darkness, blue flames, and fiends on the coattails and on the back is Infernity Archer, Infernity Archfiend, Infernity Avenger, Infernity Beast, Infernity Beetle, Infernity Conjurer, Infernity Destroyer, Infernity Doom Archfiend, Infernity Doom Dragon, Infernity Dwarf, Infernity General, Infernity Guardian, Infernity Knight, Infernity Mirage, Infernity Necromancer, Infernity Patriarch, Infernity Pawn, Infernity Randomizer, Infernity Sage, Infernity Wildcat, Infernity Doom Slinger, Hundred Eyes Dragon, and Earthbound Immortal Ccapac Apu and holstered on her back is a massive Infernity Archer, Infernity Archfiend, Infernity Avenger, Infernity Beast, Infernity Beetle, Infernity Conjurer, Infernity

Destroyer, Infernity Doom Archfiend, Infernity Doom Dragon, Infernity Dwarf, Infernity General, Infernity Guardian, Infernity Knight, Infernity Mirage, Infernity Necromancer, Infernity Patriarch, Infernity Pawn, Infernity Randomizer, Infernity Sage, Infernity Wildcat, Infernity Doom Slinger, Hundred Eyes Dragon, and Earthbound Immortal Ccapac Apu-themed greatsword with embedded blue gems and the monsters of Kalin Kessler etched on the 7'0" massive, wide, double-edged midnight black blade, large Ccapac Apu heads for the crossguard, large green gem embedded in the hilt, longer midnight black handle, four large Hundred Eyes Dragon heads and large green gem on the bottom of the large Hundred Eyes Dragon heads for the pommel.

And Kohamon reverted back to normal, and she looks like Ranamon before she transformed into her Super Angel Celestial Eternal Xelnaga form, but the color schemes for her match the element that she uses: light, she was tall at 6'5" in height, she has the body of a goddess, she has massive and beautiful golden yellow angel wings, and she has a long white sleeveless trenchcoat with light, suns, and hula hoops on the coattails, and on the back is Hoola, and holstered on her back is a massive Hoola-themed greatsword with embedded golden yellow gems and Hoola etched on the 7'0" massive, wide, double-edged golden yellow blade, large Hoola heads for the crossguard, large golden yellow gem embedded in the hilt, longer midnight black handle, four large Hoola heads and large golden yellow gem on the bottom of the large Hoola heads for the pommel.

Kiara Kessler: You too, Lincoln.

Kohamon: I agree, it's been a very long time.

Lincoln went up to Kiara Kessler and Kohamon and he hugged them, and Kiara Kessler and Kohamon are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you since you were eleven, Kiara, and I haven't seen you since I was eight, Kohamon, and as you can see, I really grew a lot since then.

Kiara Kessler: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness.

Kohamon: You've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Whoa, Lincoln, you know these two girls?

Lincoln: Indeed I do, Nico. The Fusion Gene-Slammer of Infernity Archer, Infernity Archfiend, Infernity Avenger, Infernity Beast, Infernity Beetle, Infernity Conjurer, Infernity Destroyer, Infernity Doom Archfiend, Infernity Doom Dragon, Infernity Dwarf, Infernity General, Infernity Guardian, Infernity Knight, Infernity Mirage, Infernity Necromancer, Infernity Patriarch, Infernity Pawn, Infernity Randomizer, Infernity Sage, Infernity Wildcat, Infernity Doom Slinger, Hundred Eyes Dragon, and Earthbound Immortal Ccapac Apu named Kiara Kessler, she's my Guardian Angel from Domino

City and classmate in Gym, and she's known as The Infernity Dark Giant Queen, because she, just like Kalin Kessler, Dark Signer of The Giant Earthbound Immortal Ccapac Apu, uses an Infernity Deck, and spearheading the deck is Earthbound Immortal Ccapac Apu. She was also born with immense superhuman strength, and that made her the physically strongest of my Guardian Angels, and she's also someone who enjoys going to the gym. She really trained me hard in the Gym, and thanks to all of the constant training she and the other Guardian Angels put me through, along with all our training and the combinations of my genes and hyperpuberty, that's how I became the really tall, imposing, handsome, and really beefed-up muscular man you see me as now.

Me: Whoa, now that's really awesome.

Nicholette Torrington: And Kiara also got Lincoln into bodybuilding as well, and she really trained him hard for that sport. Lincoln made Kiara Kessler an awesome black and blue sleeveless crop top with blue flames on the bottom with the Giant Nazca Line imprinted on it and matching black gym shorts, along with blue gem earrings and blue gem necklace, and to show thanks, she kissed Lincoln on the lips while they were working out in the Gym. She's also the sister of Kalin Kessler, and she hates Lynn with a blazing passion because of what she'd put her own brother through.

We gasped in shock.

Me: I had absolutely no idea Kalin had a sister.

Misty Tredwell: Me neither. But, Kalin's in for a huge surprise when we get back, and you'll be happy to know that Kalin's already dating someone.

Kiara Kessler: Wait, what? My brother's got himself a lady friend?!

Lincoln: You'll have to wait 'til we head back home. And the Hoola Gene-Slammer is Kohamon, the second of Ranamon's Elemental Digi-Sisters. Kohamon is The Warrior of Light, and she and I actually meditated in the brightest light and she taught me how to create weapons out of light. Watch this.

Lincoln created a massive greatsword out of light, along with a spear, hammer, and so many other weapons.

Nico: That's so awesome.

Lincoln: And she even danced with me in the light, and to show thanks, I kissed Kohamon on the lips, and she hates Flip with a passion.

Me: Oh man, and Lincoln told us the whole story when we met Hikenmon yesterday.

Kohamon: I knew he and Ranamon would tell the story one day. (To Lincoln) Oh, Lincoln, there's something we also want to give you.

Lincoln: Let me guess, you and Kiara want to give me your blood, right?

Kiara Kessler: How'd you guess what we were about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Kohamon: Ooh, I knew it was a matter of time before you'd start marking your future wives.

Ranamon: He'd already marked me a year ago, and he marked Hikenmon yesterday.

Lincoln first went up to Kiara Kessler, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

And Lincoln then went up to Kohamon, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Kohamon: You're still just as gentle as ever when you feed on one of your Guardian Angels, Linky.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Kohamon and Kiara Kessler with blue and golden yellow gems on the gold lightning bolts and blue and golden yellow crystal links from their merged Crystal Necklaces of The Buddha along with two Elemental Thunderbird Chokers of Eternal Love on their necks.

Kiara Kessler: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Kiara Kessler and Kohamon.

Kiara Kessler and Kohamon had a smile on their faces and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around them, and he leans down to each of their face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the eight girls, and when Lincoln saw who they were, he immediately recognized them. The eight girls are Cathy, Nancy, Amy, and Donna from Scooby-Doo!, Rin, Buro, and Marija from Muse Dash, Juliet Persia from Boarding School Juliet, and Lacia from Beatless.

Thorn: (Gasps) Oh, no way, Cathy, Nancy, Amy, and Donna are among the group of girls that were in Domino City.

Lincoln: You, Dusk, and Luna know them, Thorn.

Dusk: They're a female gothic dinosaur-styled band, and they're also friends of Mystery Inc, which means, they're in for a big reunion when we head back, and those five other girls…

Lincoln: Are Rin, Buro, and Marija from Muse Dash, Juliet Persia from Boarding School Juliet, and Lacia from Beatless.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Cathy: We're still in one piece thanks to you for saving us from that werewolf.

Then, when Cathy and the other seven girls saw who it was that saved them from Alaric Aegenwulf, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, his own version of He-Man's chest harness with colored gems on the orange straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, Defender of His Many Guardian Angels, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

Cathy: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made seven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Juliet Persia: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Cathy, Nancy, Amy, Donna, Rin, Buro, Marija, Juliet Persia, and Lacia with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and they were shocked to find out the villain we went after was an old enemy of Lincoln's Ghostrick Guardian Angels, Ursula Truaigheaingeal, Tiana Masina, Ramona Alucard, Claire Allaire, Sarah Dullahan, Aisha Arian, Winter Icyin, Ramona Qingzhao, Autumn Aluma, Mary Adelberte, Dina Malbrouk, Makoto Haruki, Morrigan Dabria, Lydia Anahita, Rachel Truaigheaingeal, Ellie Elsher, Emilia Frankenstein, Isabella Lupa, Alecto Shadowcall, Thera Amihan, and Miyuki Shirayuki: Alaric Aegenwulf, he's a very dangerous werewolf and their big-time dangerous enemy of them, and they've hated this guy for years, and their hatred of him got even worse when he murdered their parents when they were little and he enjoyed killing their parents in cold blood, and he was sighted in Domino City, and he's on the rampage once again.

But, when Lincoln showed what happened such as all of us beating that werewolf down, and Lincoln as Lincoln the Nocturnal ripping out the hearts of Alaric Aegenwulf's werewolf minions and eating them and tearing them to shreds and leaving a bloody mess all over the place, and Lincoln finishing Alaric Aegenwulf off by ripping out his heart and eating it and sending them all to The Black Gates, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln, Kiara Kessler, and Kohamon have a lot of catching up to do, now that they're back in town.

Maria: Oh man, no wonder the Ghostrick Gene-Slammers were out for blood, that werewolf murdered and ate their parents when they were little. Damn, now that's just outright evil.

Lincoln: Alaric Aegenwulf was nothing more than an evil werewolf driven only by a hunger for human flesh and blood, but when he murdered and devoured the parents of Ursula and her friends, that was last straw, he had to be stopped or he was going to kill again.

Nico: Werewolves like him deserve to be destroyed for good.

Sunset Shimmer: You said it, and thanks to what you did, Linky, now the parents of your Guardian Angels can finally rest in peace.

Me: That's right.

Lincoln: Yeah.

---

After finally destroying Alaric Aegenwulf and avenging the parents of the Ghostrick Gene-Slammers, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Kiara Kessler and Kohamon saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Kiara Kessler: Whoa, I was right that Lincoln's really grown into a 17-year-old, 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Kohamon: He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Kohamon: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Kiara Kessler: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Kiara, Kohamon, do you have any stories on what Lynn and Flip did to earn your hate for them?

Kohamon: Uh oh, I was hoping you'd ask that. One day, Lincoln and I were at the park and we were having some fun, but then, we heard a loud bellow of rage and Lincoln caught the stench of some unwashed mutant cheapskate, and we knew only one person matched that description: Flip, and he was charging right at us with murder on his mind. But, Linky was so ready for him, he fired a blast of light which blinded Flip and he tripped him and sent him flying into the pond, and before he could get out, the cops already came, and Flip was handcuffed and sent back to prison where he got another Life sentence added to the multitude of Life sentences he'd accumulated.

Nico: Jeez, Flip is literally a glutton for punishment, and that was a slick move firing a blast of light at Flip to blind him and trip him sending him flying into the pond, Lincoln.

Lincoln: Flip should've known better than to mess with me, but he never learns.

Kiara Kessler: He never does, that's why a lot of us hate him even now, and I've got a story for you, and it also reflects on why I hated Lynn. One day, Lincoln and I were at our Gym and we were doing our workouts, and he was already lifting 900,000,000,000,000-lb barbells. The other Guardian Angels saw it for themselves, and they were blushing like mad. But, then our workout was rudely interrupted when we heard a loud belch in the air, and we knew who that was: Lynn. Suddenly, we saw the doors burst open, and we saw Lynn, she had a scowl on her face and her eyes were red with insanity and rage. We were absolutely so mad at her, we wanted to rip her in two as we put the weights down to deal with her, Lynn ran right at us on all fours like an animal, but Lincoln was ready for that gym bag, he grabbed her by the collar of her shirt and threw her onto an exercise mat with his superhuman strength, she got back up, but boy was she madder than ever. Then, I decided to step in and with one punch, I literally sent her flying out of the gym, and right into a cage

Luna had outside for her, and she and the Moon Goats dragged her back to The Loud House, where she got grounded for fifteen weeks.

Nico: Lynn was just on another rampage again?! Not again!

Me: Dark Lynn made her nothing more than a psychotic animal. By the way, Kiara, is it true that you got Lincoln into bodybuilding?

Kiara Kessler: You got that right. Take a look.

Kiara Kessler put up a slideshow, and we saw Lincoln doing some awesome bodybuilding poses, and he was in an orange speedo for that. When the slideshow ended, we were really impressed, and the girls in Lincoln's harem were already blushing like crazy.

Lily the Mermaid: Oh my. You're already an attractive male model for the clothes Maria Tredwell and Leni designed, and now to also find out you're also an attractive bodybuilder?! Just how many more surprises are we going to find out about you, Linky?!

Me: We've already found out way too many surprises about him from many of you, but I can say this, your future husband's literally a ladies man to the infinite power.

Nico: And combine that with his natural good looks, personality, and ripped body that he'd developed through all that hard working out and training, he has literally been attracting the attention of tons of girls and ladies left and right.

Luna: That's just what we're about to say!

Lori: But, they're right, Linky, you've had that natural charm and charisma, and you've really grown from that cute little boy we've known since the day you were born into a really handsome, big, strong, and caring man.

Lincoln was touched to hear that, as he put the 900,000,000,000-lb barbells down to head up to Lori and he hugged her, and she hugged him back.

Lincoln: Thanks, Lori.

Lori: You're welcome.

We got a shower, and then, Lincoln, Verosika Mayday, Oatmeal Gem, Lily the Witch, Katrina, Luna Carson, Luka Carson, and Maya are heading to Bubblaine.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Verosika Mayday, Oatmeal Gem, Lily the Witch, Katrina, Luna Carson, Luka Carson, and Maya were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Verosika Mayday, Oatmeal Gem, Lily the Witch, Katrina, Luna Carson, Luka Carson, and Maya had feelings for Lincoln when Akko introduced her friends to Lincoln and when Twilight and her friends introduced their friends to Lincoln, and he had the very same feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant.

Verosika Mayday: Wow, so this is Bubblaine, it sure is beautiful.

Lincoln: I've been here many times before, Verosika, and it really is beautiful, and it's perfect for our first date. Shall we?

Lincoln, Verosika Mayday, Oatmeal Gem, Lily the Witch, Katrina, Luna Carson, Luka Carson, and Maya dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Verosika Mayday, Oatmeal Gem, Lily the Witch, Katrina, Luna Carson, Luka Carson, and Maya got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Verosika Mayday, Oatmeal Gem, Lily the Witch, Katrina, Luna Carson, Luka Carson, and Maya, and they hugged the girls in their abnormally massive and powerful muscular arms, and Verosika Mayday, Oatmeal Gem, Lily the Witch, Katrina, Luna Carson, Luka Carson, and Maya placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Bubblaine, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Verosika Mayday, Oatmeal Gem, Lily the Witch, Katrina, Luna Carson, Luka Carson, and Maya with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Verosika Mayday, Oatmeal Gem, Lily the Witch, Katrina, Luna Carson, Luka Carson, and Maya are now part of your harem.

Verosika Mayday: That's right, and from what I heard from the other succubi in his harem was true, he also does have the powers of an Incubi, and he's indeed really really really strong.

Ursula Truaigheaingeal: (Scottish Accent) When he fed on the blood of the succubi in his harem, that allowed for him to acquire the powers of an Incubi, and Incubi Magic is also really really strong.

Nicole: (Gasps) Oh man, so it wasn't just Kurumu's Succubi Magic, but also, Lincoln's really strong Incubi Magic as well that caused my shield to fail last year?!

Lincoln: Oops, sorry about that, Nicole.

Nicole: That's alright, Lincoln. But, that was really something I needed to hear. See, Succubi Magic is really strong, but combine that with the really strong magic of an Incubi, and it bypassed the shields I put up when you have an intimate moment with your harem.

---

We were watching TV.

Eustace was reading the paper and Courage was on Muriel's lap.

Eustace: Stupid Dog! (GETS OUT UGLY MASK) OOOGA BOOGA BOOGA!

Courage: AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAHHHHHHHHHHHHHHH!

He scared Courage.

Eustace laughed. Then…

BLAM!

Eustace got hit on his head by Francesca and Muriel with a rolling pin!

Eustace: OW! WHAT DID I DO!?

And then we heard a piano playing.

(TOCATA EN FUGUE IN D-MINOR BY JOHANN SEBASTIAN BACH PLAYING)

Nico: Do you guys hear piano playing?

Me: Yeah and that is the Tocata En Fugue by Bach. Timeless classic.

We went to see and then we saw The Mascots Playing the Piano!

Qin: Wow!

Me: That was you guys doing that!?

Poromon: It sure was. What do you think?

Me: Awesome playing! May I try?

Poromon: Sure.

I got a Harpsichord.

Me: Here we go.

I played Symphony no. 94 by Franz Joseph Haydn.

Nico: Ooh love Haydn.

I played it well.

Rarity: Oh that was well done J.D. darling.

Me: Thanks. That was cool.

Nico: I didn't know you could play the Harpsichord, J.D.

Me: Hidden talent.

Diamond Tiara: That is a really awesome talent.

Lola: It sure is.

Me: When we were over in the Sydney Opera House on our worldwide vacation I played the largest organ and played some good songs there.

Nico: Oh right! I heard about that. That was cool!

Camie: Awesome!

Kurumu: Let me see you guys play the piano together?

Me: You got it.

The mascots were playing Beethoven's Pastorel song and it was awesome.

It was a really awesome song.

We cheered for them.

Brian Griffin: Hey J.D. play Morning Mood by Edvard Grieg.

Me: Ah that will be good.

I played it and it was awesome and beautiful.

It was a beautiful song.

When it was done everyone cheered for me.

Nico: That was cool.

Mizore: Play another song, mascots!

Poliwag: You got it.

They got to playing Hungarian Rhapsody N0. 2 by Franz Liszt and it was an icon Looney Tunes song.

It was awesome.

The Previous Group of the M.O.E. Came and were enjoying themselves.

Mumbo Jumbo: Wow that is really good!

Nico: Yeah it sure is.

When the mascots were done we cheered.

Breakdown: Encore! Encore!

Me: Bravo! Here's my favorite.

I played A Night On Bald Mountain by the great Modest Mussorgsky.

I was playing it perfectly and awesome.

When it was done everyone cheered.

Knightbrace: That was great!

Lola: Yeah!

Zarya: Awesome!

Electrocutioner: Play Peter Griffin.

Poromon: Ah now there is a challenge.

Poliwag: Here we go.

We then heard the Piano playing by itself.

DUN DUN DUN DUN DUDUDUDUDDUDUDUDUDUDUDUDDUD DUN!

UH OH!

Shaggy: ZOINKS!

Scooby: RIKES!

Qin: That's not a player piano is it!?

Me: No. Wait.

I turned on my infrared vision and I saw a Kecleon playing it.

Me: Hey a Kecleon is playing it.

Nico: A Kecleon? Cool.

It revealed itself.

Kecleon: (In a girls voice) That was a good entrance. Sorry about the scare.

Nico: Emily Lee!? Wow!

She reverted back and was a girl that had green hair and had green clothes and a Chameleon tattoo on her arm.

Emily Lee: That was awesome playing there by the way.

Poromon: Emily!

Emily Lee: (LAUGHS) (Hugs Poromon) Poromon. Awesome to see you.

Me: Aww so cute.

Emily Lee: And Poliwag awesome to see you too.

Poliwag: Same here Emily.

Me: What's your favorite memory of Nico?

May: Aw I wanted to say that.

Me: Sorry it was coming anyway.

Emily Lee: My favorite is when me and Nico were sitting on a beautiful hill in the Jungle of the Philippines and we watched the ocean and the sky and saw the clouds and we were looking at awesome shapes.

Shikamaru: Welcome to my world. That's what I would like to do. What a drag.

Me: Oh Shikamaru you think everything is a drag.

Nico: Yeah. But that was fun.

Nico and Emily hugged.

Nico: I've really missed you.

Emily Lee: Me too Nico. Me too.

Jindrax: Nico, which teams did you make today?

Nico: Dante Vale's team will include Konan, Ryu Tendo, Tomoko

Shiretoko, Star Man and Emma Gilbert. Jack Atlas' team will include Jeri Kamiya, Juran, Mai, Sara and Ryuzetsu.

Qin: Wow.

Me: Awesome ideas. And Sara of Rōran right?

Nico: Yep.

Me: I thought so. Man in 150,000 years we had a really awesome adventure. And I'll never forget the adventure I had with Ryuzetsu in that time.

Nico: With the Blood Prison right?

Me: Bingo. Naruto was framed for a crime he didn't commit and it was up to the Knights of the New Fire to help clean his name.

Nico: Wow. I'll have to hear about it later.

Me: But the rest are awesome choices.

Xenia: They sure are.

Chillyfish: It's obvious we're coming with you guys.

The Tiki Tak Tribe nodded at this.

Me: Yep.

Nico: And yes you all can come with. But glad you guys loved the show.

Qin: We all had fun

Barricade: Boss, which Gene Slammers do you think you'll meet next?

Nico: Banette, Dusclops and Tropius.

Me: Ooh this will be interesting. I have a strong feeling that one of them is going to be someone of incredibly strong power.

Nico: What makes you say that?

Me: Just a really strong feeling.

Laney: Oh.

King Kai: (Telepathically to us) Nico, Everyone can you hear me?

Nico: Loud and clear King Kai, what's the emergency?

King Kai: I'm afraid I got bad news. After you guys destroyed Gnag the Nameless on Aerwiar, his entire army of Fangs decided to march on the warpath and avenge him by destroying all life on the entire planet and get revenge for him.

We gasped!

Me: Those monster lizardheads!

Qin: Now that they are leaderless they are lost sheep.

Nico: The'll be after us now that we destroyed their leader.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Gintrrea, another member of The Extraterrestrial Order of The Planets of Holy Ghidorah, and he's coming here to kill us all for ruining their plans. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Gintrrea of The Extraterrestrial Order of The Planets of Holy Ghidorah on the move?

Lincoln: You guessed it, Rayman, and he's coming here to kill us all for ruining their plans.

Nico: Just as we expected, but we're more than ready for Gintrrea, right, Fiona?

Fiona Gunterton: Right, and just like what happened, he's going to transform by drinking that potion with 2018 King Ghidorah's blood, so Lincoln will separate his King Ghidorah Hybrid Monster form from his real form and absorb the King Ghidorah Hybrid Monster form while we destroy Livvura and give him The Black Gates.

Lincoln: Those deranged fanatics have really been playing with fire when they created that potion, don't they have any idea of what that stuff will do to them should they dare to consume it.

Nico: Unfortunately not. Alright, gang, let's head on over to Aerwiar and destroy all of Gnag's army and make them all pay for everything they did and are going to do. No way in hell are we going to let them live a second longer.

Lincoln: If they think they can get away with everything they did to Leeli and her family over the years, they've got another thing coming, and once we get through with destroying all of those freaks, you better be ready to die, Gintrrea.

Fiona Guntherton: You better be ready to die, Gintrrea, because you're about to face the full extent of the Elemental Incarnation of Fury.

Nico: Lets head out everyone.

We went to the ship and we were off to Aerwiar.

---

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 7343.7: The U.S.S. Valorous Phoenix is en route to the planet Aerwiar for number 2 of our adventures there. This time it's a battle with numerous Fangs that are after everyone to get revenge on us for killing Gnag the Nameless. Our mission is the Total Extinction of all The Fangs.

Me: This is gonna be awesome.

Dayu: We haven't met Leeli's parents, right?

Dahlia Hawthorne: No, we haven't.

Me: No it wasn't your turn back then. But you'll get the chance to now.

Girl Jordan: We have so much to tell Nia and uhh have we ever met their dad?

Me: No we haven't. From what I read in my books their dad Esben Wingfeather was killed in the great war when Janner was three, Tink was two and Leeli was a newborn.

Nico: (GASP) Oh man.

Leeli: I never knew my father. But he was a great man.

Eli: Oh man.

Dirt Boss: But at least no more losses won't happen.

Me: Not this time.

Nico: Nope.

Lana: Not gonna happen.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at Aerwiar.

Me: Here we are.

Nico: Lets land.

We got to landing the ship.

We landed and got out.

We arrived in Glipwood Township.

Me: Here we are.

Leeli: Awesome to be home.

Nico: It sure is.

We went to the Wingfeather house.

Me: The town is looking good. But any minute we'll have tons of Fangs coming.

Xenia: But we'll be ready for them.

Blizzard: Do you guys have any eagles among you guys?

Neopolitan Man: You must have, right?

Leeli: We never really looked.

Janner: But we might.

Blizzard: Okay,

Gilda: I actually feel right at home here.

Silverstream: Boy me too.

Gallus: All of us do.

Gabby (MLP): We sure do and it's so awesome.

Qin: I agree there.

We saw the Farmhouse.

Me: There it is.

We went up to the door and knocked on it and Nia came out.

Nia: (GASP) Leeli, Janner, Tink!

She went and hugged them.

Leeli: We're okay mom.

Nia: Is Gnag…

Me: Yes Gnag is dead. Gone forever.

Nico: We have so much to tell you.

A Fang tried to sneak up on us but Killer Croc grabbed him by the throat.

Ghost of Dr. Coffin: After Croc has his meal.

Killer Croc: I'm gonna enjoy feasting on your bones!

The last thing the Fang saw was Croc eating him alive.

Me: EW!

Nico: Lunch meat!

Me: Sorry you guys had to see that.

Nia: It's all right.

Nico: Everyone you stay out here and watch and protect the house. Me, J.D, Girl Jordan, Leeli, Janner, Tink and Lincoln will go inside and tell Nia what happened.

Eli: Right!

We went inside and everyone else was watching the house.

Skalor: How've you been?

Nia: Busy as ever.

Some of us were right outside the windows.

Me: That's awesome.

Girl Jordan: On one of Nico's rescues we discovered that I have a really powerful spiritual connection with Leeli. I got my powers from the Water Dragon of Ler, the God of the Seas in Irish Myth and Leeli sang a song that made that connection with me.

Nico: It's true.

Nia: Oh wow.

Me: We were literally amazed at how far your daughter has come in such a short amount of time Nia.

Nico: Yeah.

Whirlin: We even picked out an archenemy for her.

Evil Splash Woman: Wanna know who it is?

Nia: Who is it?

Me: They picked Icy Angel from Power Rangers Lost Galaxy.

Podu: That is amazing.

Me: It sure is.

Lincoln: And on Nico's rescue here as we were battling Fangs here Leeli transformed and it was awesome.

Nelson: And an Another Me was faced today.

Me: Not just that, but Leeli's song has done incredibly amazing magical deeds. She purged the brainwashing of an evil enemy that was faced a while back and purified the land and gave it new abundant and beautiful life.

Leeli: It's true.

Nia had tears of joy coming down her face.

Nia: Oh Leeli I'm so proud of you and your brothers. You all have come a long way.

Leeli: Thanks mom.

Janner: It is so fun helping out everyone.

Tink: Yeah and we have so many awesome and fun adventures.

Girl Jordan: Yeah. Also Leeli sang her song as a beautiful lullaby to Wallflower's baby girls and their power is amazingly strong at such a young age.

Nico: That's right.

Lincoln: Yeah.

Podu: Leeli is a true force.

Janner: My sister is amazing.

Tink: She sure is.

Leeli: Thanks guys.

Nia: Wow.

Fireor: Have the remaining Fangs been pestering you lately?

Ted Carson Firefly: Because that's why we're here.

Me: We got an emergency message from King Kai that all the Fangs are coming at you all on the warpath. After we destroyed Gnag they were made leaderless and are out to destroy you all. We're here to destroy them all and purge the land of them.

Nia: I see and yes they have but we were holding them off.

Me: Oh wow.

Barath Beyond: And have there been any casualties?

Nia: So far none. Everyone has been staying out of sight and indoors.

Me: That's good.

Girl Jordan: That will make our jobs easier.

Nico: It sure will.

Leeli: The Fangs are now lost without a leader.

Skeleton Man: It sure does.

Black Manta: I wonder if I can take some out underwater.

Nico: Not really sure if they can swim.

Leeli: But it's time for the Fangs to stop bullying everyone. Permanently.

Me: That is for sure.

Buffo: Buffo have worshippers ready to battle.

Nia: That is good.

Harpymon: I'll fly to see if I can find the rest of them.

Snow Ghost: Be careful.

She flew off.

Me: We'll be ready for the.

Leeli: Yeah we will.

Joi Reynard: Nico, I think you should know something.

Nico: Yes, Joi?

Joi Reynard: One of your old friends is an Acolyte like me, Faraji, Adam, and Tora. I can't remember her name. But she never made the cut against the fight against the Demon Shredder.

Marvel Loki: Hmm. Interesting.

Me: Hmm.

Qin: Interesting.

Harpymon came back.

Harpymon: Big time trouble! I see them.

Eli: More than that they are 25 klicks to the west and closing fast.

MetalSeadramon: (sees the Fangs heading away from us and laughs) Hey, guys! Those idiots don't even know where we are!

The Fangs heard this and headed in the right direction!

Yost Electro: OH, NICE GOING, METALSEADRAMON!

Nico: No matter. It's our mission. Prepare for battle!

Leeli: Mom you're going to see how strong we are.

Qin: Yep.

Jean Bison: We can still do our entrance even though they heard us, right?

Nico: Yes we can.

Jean Bison: Great.

Nico: Lets go.

We were off.

The Fangs got closer and closer. Then the spirits of all the birds from all over the world came. They swirled around the huge army of Fangs and then they converged and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off and formed into a huge fiery phoenix and a cry was heard and then we came out.

Me: Okay you lizard heads, time for you to be turned into lizard skinned accessories!

Beany the Braindead Bison: Stand back, I got a chainsaw! (He starts making chainsaw noises but the Fangs aren't fooled)

Bonz: Ok. Maybe we don't have chainsaws. But we do have pumpkin monsters!

Me: Yeah!

Bonz summoned Pumpking the King of All Ghosts!

Xenia: You guys are all dead meat.

Then Crimson Dynamo, Dr. Polaris, Turtle, Skalamander, Spot, Skalamander, Marluxia, Gator Ghoul, Leapfrog, David Cain, Seadramon, Evil Orbit Woman, Scirocco Mole, Yost Magneto, Weather Report, Bassoon Burns, Neopolitan, Yost Pyro, Glue Man, Lego Poison Ivy, and Big Lenny came.

Nico: Crimson Dynamo, Dr. Polaris, Turtle, Skalamander, Spot, Skalamander, Marluxia, Gator Ghoul, Leapfrog, David Cain, Seadramon, Evil Orbit Woman, Scirocco Mole, Yost Magneto, Weather Report, Bassoon Burns, Neopolitan, Yost Pyro, Glue Man, Lego Poison Ivy, and Big Lenny.

Crimson Dynamo: Nia's safe, right?

Maria: She is. The Fangs will never get to her.

Dr. Polaris: That's good.

Turtle: How about we keep it that way?

Me: Oh we will.

Skalamander: (to Nico) We heard you went to Yokai Academy.

Nico: We sure did.

Spot: I honestly didn't see Another Nelson coming either.

Me: Well it was to be excepted.

?: No kidding!

Then Trencher from Lost Galaxy Came. He was a sideline monster the rangers beat.

Leo: Trencher!

Trencher: Been a while rangers.

Me: I remember you! But your battle was on the sidelines.

Trencher: I never did get my own episode.

Me: What a ripoff.

William: A real shame. It would've made things a lot more longer.

Me: It sure would have been awesome.

Qin: Yeah.

We got the battles underway.

Akira Akatsuki, Twilight Sparkle, Starshine Sparkle, Magic Skylanders, Iron Man, Toxica and Jindrax VS Crimson Dynamo - Nico's Rescue at Yokai Academy and saving numerous girls from the Remnants of Kuyo's Evil Brainwashing

Crimson Dynamo was first.

Crimson Dynamo: (to Akira) Nico's Rescue was at Yokai Academy. He saved numerous girls from the Remnants of Kuyo's Evil Brainwashing

Akira: You have Leeli to thank for that one. Her song was so powerful that it completely rejuvenated the entire land and it completely purged all of Kuyo's evil brainwashing too.

Twilight Sparkle: That is one really amazing and magical song she has too.

Starshine Sparkle: It sure is. I think it's really awesome myself.

Spyro: I thought it was really awesome too.

Iron Man: We're proud of Leeli for that.

Crimson Dynamo: Wow! Kudos to Leeli for that. Lets do it!

IRON REPULSOR MAGISWORD!

Akira used his ridewatch and they fired waves of magic and energy and smashed him down.

## Hikaru Akatsuki, Rainbow Dash, Scootaloo, Air Skylanders, Thor, Barricade and Blackout VS Jai West A.K.A. Turtle (DC) - Battling Another Mizore and Another Springfield Bullies

Turtle was next.

Turtle: (to Hikaru) Nico, Sam's team, Springfield Bullies' team, and the others did good Battling Another Mizore. And Another Springfield Bullies too.

Hikaru: They sure did and they also faced Another Nelson Muntz too.

Turtle: That's right! Jimbo said that Nelson was part of Jimbo's gang back then.

Rainbow Dash: That's right and it was awesome.

Scootaloo: And it was fitting too because J.D. saved the 4 girls that were them from themselves too.

Whirlwind: Yeah no kidding. His heart showed them the good light.

Thor: It was a most amazing feat.

Turtle: It sure was. Lets do it!

LIGHTNING MJOLNIR MAGISWORD!

Hikaru used his ridewatch and they fired waves of lightning, wind and rainbows and smashed him down.

---

## Jessica Shannon, Fluttershy, Tornado Bolt, Seabreeze, Life Skylanders, Wasp, Windsweeper and Dirt Boss VS Neal Emerson A.K.A. Dr. Polaris - Lincoln's Rescue

---

Dr. Polaris was next.

## Ed Grant, Applejack, Apple Bloom, Earth Skylanders, Hulk, Gilda and Stygian VS Dr Jonathan Ohnn A.K.A. Spot (Marvel) - Meeting the Avatar of Ccapac Apu

---

Spot was next.

Spot: (to Ed Grant) I heard you guys met the Avatar of Ccapac Apu.

What's her name?

Ed Grant: Her name is Kiara Kessler and she is Kalin's little sister.

Spot: Wow! I didn't know about that. That is amazing.

Applejack: She is a fusion of all the monsters of Kalin and is also the Avatar of Ccapac Apu.

Apple Bloom: And she got Lincoln into bodybuilding. Her story is cool too.

---

Nico: Yep. So, Kiara, Kohamon, do you have any stories on what Lynn and Flip did to earn your hate for them?

Kohamon: Uh oh, I was hoping you'd ask that. One day, Lincoln and I were at the park and we were having some fun, but then, we heard a loud bellow of rage and Lincoln caught the stench of some unwashed mutant cheapskate, and we knew only one person matched that description: Flip, and he was charging right at us with murder on his mind. But, Linky was so ready for him, he fired a blast of light which blinded Flip and he tripped him and sent him flying into the pond, and before he could get out, the cops already came, and Flip was handcuffed and sent back to prison where he got another Life sentence added to the multitude of Life sentences he'd accumulated.

Nico: Jeez, Flip is literally a glutton for punishment, and that was a slick move firing a blast of light at Flip to blind him and trip him sending him flying into the pond, Lincoln.

Lincoln: Flip should've known better than to mess with me, but he never learns.

Kiara Kessler: He never does, that's why a lot of us hate him even now, and I've got a story for you, and it also reflects on why I hated Lynn. One day, Lincoln and I were at our Gym and we were doing our workouts, and he was already lifting 900,000,000,000,000-lb barbells. The other Guardian Angels saw it for themselves, and they were blushing like mad. But, then our workout was rudely interrupted when we heard a loud belch in the air, and we knew who that was: Lynn. Suddenly, we saw the doors burst open, and we saw Lynn, she had a scowl on her face and her eyes were red with insanity and rage. We were absolutely so mad at her, we wanted to rip her in two as we put the weights down to deal with her, Lynn ran right at us on all fours like an animal, but Lincoln was ready for that gym bag, he grabbed her by the collar of her shirt and threw her onto an exercise mat with his superhuman strength, she got back up, but boy was she madder than ever. Then, I decided to step in and with one punch, I literally sent her flying out of the gym, and right into a cage Luna had outside for her, and she and the Moon Goats dragged her back to The Loud House, where she got grounded for fifteen weeks.

Nico: Lynn was just on another rampage again?! Not again!

Me: Dark Lynn made her nothing more than a psychotic animal. By the way, Kiara, is it true that you got Lincoln into bodybuilding?

Kiara Kessler: You got that right. Take a look.

Kiara Kessler put up a slideshow, and we saw Lincoln doing some awesome bodybuilding poses, and he was in an orange speedo for that. When the slideshow ended, we were really impressed, and the girls in Lincoln's harem were already blushing like crazy.

Lily the Mermaid: Oh my. You're already an attractive male model for the clothes Maria Tredwell and Leni designed, and now to also find out you're also an attractive bodybuilder?! Just how many more surprises are we going to find out about you, Linky?!

Me: We've already found out way too many surprises about him from many of you, but I can say this, your future husband's literally a ladies man to the infinite power.

Nico: And combine that with his natural good looks, personality, and ripped body that he'd developed through all that hard working out and training, he has literally been attracting the attention of tons of girls and ladies left and right.

Luna: That's just what we're about to say!

Lori: But, they're right, Linky, you've had that natural charm and charisma, and you've really grown from that cute little boy we've known since the day you were born into a really handsome, big, strong, and caring man.

Lincoln was touched to hear that, as he put the 900,000,000,000-lb barbells down to head up to Lori and he hugged her, and she hugged him back.

Lincoln: Thanks, Lori.

Lori: You're welcome.

Fiona Guntherton.

Nico: (Divine Echoing Voice of Rainbow Redemption) Alright, you fanatical clod, it's time for you to pay for your crimes with your blood!

Fiona Guntherton and Nico went after Gintrrea who's now gone even more full-blown ballistic, and they fired extremely powerful blasts of rainbow energy, neon orange and red energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Gintrrea and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him.

Nico turned his fingernails into claws and he slashed at Gintrrea, drawing more blood and leaving more scars on him, and he was being driven even more ballistic. Suddenly, Gintrrea took out the vial of red liquid with a drop of 2018 King Ghidorah's blood, then he drank it. Suddenly, Gintrrea began changing as massive wings like King Ghidorah's grew and sprouted out from his back, his skin was covered in gold scales, and he'd grown King Ghidorah's tails.

Me: Watch it, you guys, now Gintrrea has transformed into his King Ghidorah Hybrid Monster form.

Gintrrea fired a Gravity Lightning blast at Fiona Guntherton and Nico who dodged it.

Lincoln: Fiona, Nico, hang on!

Lincoln fired a rainbow energy blast which separated Gintrrea from his King Ghidorah Hybrid Monster form, and then, Lincoln went at King Ghidorah Hybrid Monster Gintrrea and he stabbed him in his chest with one of his eleven massive and long white wolf tails paralyzing him so he couldn't try to escape, and then, Lincoln began absorbing King Ghidorah Hybrid Monster Gintrrea's bio-energy and assimilated his powers and abilities until nothing was left of it.

Nico: (Divine Echoing Voice of Rainbow Redemption) Thanks for the save, Lincoln. Now, Fiona, let's end this bastard for good.

Fiona Guntherton: (Divine Echoing Cosmic Voice of The Elemental Fury Firestorm Draconic Phoenix Fire Angel and Divine Draconic Phoenix Firestorm Fury Angel Inferno Love) You got it, Nico.

Fiona Guntherton and Nico sent Gintrrea flying into the air, and then, they prepared their combo to put an end to Gintrrea.

Fiona Guntherton and Nico: ELEMENTAL FURY DRACONIC PHOENIX FIRESTORM KAMEHAMEHA!

Fiona Guntherton and Nico fired two massive neon orange energy Kamehameha waves with flames, dragons, phoenixes, and fire angels which hit Gintrrea, and they explode with incredible power as they hit him, and he was obliterated. Then, when his spirit appeared, Fiona Guntherton and Nico drew the Judgement Kanji on his forehead, and he was erased by The Black Gates for her crimes. We cheered as Fiona Guntherton and Nico holster their massive greatswords on their backs and powered down, and Fiona Guntherton's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long orange wolf tails, and massive orange angel wings are permanent.

Fiona Guntherton: That's one member of The Extraterrestrial Order of The Planets of Holy Ghidorah down and twenty-nine members to go. Thanks for helping me destroy Gintrrea once and for all, Nico.

Nico: (Smiles Warmly) You're welcome, Fiona.

Suddenly, Fiona Guntherton wrapped her arms around Nico's wider and muscular back, as her chest pressed against Nico's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Nico's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to their faces. Then, as Nico leaned down to Fiona Guntherton's face, they kissed passionately as she moved her arms and placed her hands on Nico's massive pecs, and behind them was a Dragon, Phoenix, Angel, and Fury flying in the air, and we saw many animals running across the field, along with elemental forces and flames raging behind them and we cheered wildly. Then, Nico and Fiona Guntherton absorbed the fire and they came back to us as the display and Fire vanished.

Me: Whoa, now that's what I call another cult fanatic put down for good, nice job, Nico and Fiona.

Nico: Thanks, J.D., and like Lincoln said, those potions the members of The Extraterrestrial Order of the Planets of Holy Ghidorah have allow them to transform into King Ghidorah Hybrid Monsters and they also acquire his powers as well.

Lincoln: But, they only use it when they've really been pushed too far. However, one rainbow energy blast separates them from their King Ghidorah Hybrid Monster form.

Nico: And they wind up becoming your next meal for you to absorb, Lincoln, and for tomorrow, the next member is Hinnphes, which means you're up next, Saline.

Saline Guntherton: Yeah, we'll make Hinnphes pay.

Nico: We sure will. So, who's the next Dark Signer Monsters Fusion Gene-Slammer we'll be meeting tomorrow on your rescue, Lincoln?

Lincoln: We already have that one planned out, the next one for tomorrow will be The Fusion Gene-Slammer for Catoblepas and the Witch of Fate, Fortune Lady Dark, Fortune Lady Earth, Fortune Lady Every, Fortune Lady Fire, Fortune Lady Light, Fortune Lady Past, Fortune Lady Water, Fortune Lady Wind, Fortune Fairy Ann, Fortune Fairy Chee, Fortune Fairy En, Fortune Fairy Hikari, Fortune Fairy Hu, Fortune Fairy Swee, Fortune Lady Carminate, Supreme Fortune Lady Void, and Earthbound Immortal Aslla Piscu.

Misty Tredwell: Carly's monsters, no doubt.

Maria Tredwell: Carly's monsters consisted of the Fortune Fairies and Fortune Ladies since she has a Fortunetelling Deck, and spearheading her deck is Earthbound Immortal Aslla Piscu.

Marluxia: Looks like we got a lot of corpses to make into acessories. (to Gator Ghoul) No offense.

Gator Ghoul: None taken.

Leap Frog: Now, they'll never bother the Wingfeathers again.

David Cain: No, they won't.

Seadramon: And I got to kill a few of them.

Me: All of us did.

Qin: Yep. But they are all dead.

Nico: Good riddance. Great job everyone.

Maximum Ride: (To the viewers) Not even lizards are a match for the bird.

Me: That's right.

We went back home. Nia and her family and all of Glipwood Township was put under our protection on Earth. We enjoyed the rest of the day and went to sleep.

the next match-up in The War Against The Extraterrestrial Order of The Planets of Holy Ghidorah is Saline Guntherton, Gene-Slammer of Subtlety and Nico VS Hinnphes

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Domino City, and we're going to take down an old enemy of Lincoln's Guardian Angels, the bad news: they're none other than Marana DeRose, Adora Dunstan, Aviara Melaina, Verona Donovan, Ravana Duncan, Victoria Keiron, Winnie Varyona, and Monica Ceirin, the rotten sisters of Morgana DeRose, Adara Dunstan, Autumn Melaina, Victoria Donovan, Raven Duncan, Veronica Keiron, Winter Varyona, and Mara Ceirin, The Knightmare Coven of Justice. Unlike their older sisters, Marana DeRose, Adora Dunstan, Aviara Melaina, Verona Donovan, Ravana Duncan, Victoria Keiron, Winnie Varyona, and Monica Ceirin were normal girls, but they're eight of the most rotten, spoiled Queen Bees who terrorized the students and teachers of the Royal Woods school system, and they acted like they were superior to the other students, but they're really not, and their older sisters have had to put them back in their place many times by using their mastery over Darkness, The Dark Arts, The Occult, Necromancy, and Witchcraft. Marana and her friends hated their older sisters and tried to kill them and Lincoln numerous times, but Lincoln told them off by saying that they've been nothing more than a bunch of jealous, envy-driven, rotten, evil, spoiled Queen Bee monsters ever to be let into the school system, and it ended with Marana and her friends getting expelled by Lincoln, Morgana, and her coven, and Marana and her friends were also disowned by their parents and older sisters and were kicked out into the streets. Now, Marana and her friends have come back, and they were out for blood and revenge, but The Knightmare Coven of Justice isn't going to take that threat lying down, and neither is Lincoln. And we're going to meet the next Fusion Gene-Slammer of The Dark Signers' Monsters, this time, it's a Fusion Gene-Slammer for Catoblepas and the Witch of Fate, Fortune Lady Dark, Fortune Lady Earth, Fortune Lady Every, Fortune Lady Fire, Fortune Lady Light, Fortune Lady Past, Fortune Lady Water, Fortune Lady Wind, Fortune Fairy Ann, Fortune Fairy Chee, Fortune Fairy En, Fortune Fairy Hikari, Fortune Fairy Hu, Fortune Fairy Swee, Fortune Lady Carminate, Supreme Fortune Lady Void, and Earthbound Immortal Aslla Piscu named Carla Carmine, she's Lincoln's Guardian Angel

from Domino City and classmate in English and she's known as The Fortune Fairy Lady Dark Hummingbird Queen, because she, just like Carly Atlas, Dark Signer of The Hummingbird, uses a Fortunetelling Deck, and spearheading it is The Hummingbird Earthbound Immortal Aslla Piscu. Carla Carmine, like Anita Harper, has the powers of the Aurora Borealis and she also has the power to see into the future and has the power to see into the future as well as master the elemental forces of nature at an omnipotent level, and she really taught Lincoln how to master the elemental forces of nature, and she even gave him the powers of the Aurora Borealis. Lincoln made her a beautiful necklace with a hummingbird pendant, and to show thanks, Carla kissed Lincoln on the lips. She's also the sister of Carly Carmine now Carly Atlas, and like with Carly, Carla's one of Lincoln's strongest supporters, and she hates Lori with a blazing passion for all of the crap and hell she put her little brother through and always acting like she's better than him and everyone, and Carla's put Lori in her place more than once.

And I've got got something for all of you, I call these Destroyers of The Fangs, they're a collection of massive greatswords with embedded colored gems and the Anti-Fangs symbol etched on the 7'0" massive, wide, double-edged colored blades, large colored phoenix heads for the crossguards, large colored gems embedded in the rainguard, longer midnight black handles, four large colored phoenix heads and large colored gems on the bottom of the phoenix heads for the pommels, and there's also blasters and spellbooks included with the greatswords. Once in hand, you'll get a massive power and energy increase.

Get ready because we're heading to Yokai Academy again and we're going to get word that Tadashi Wanibuchi the Yokai Academy class president and his cronies who bullied and harassed Yukari Sendo are back for revenge on me for killing them and they mean business. And we're going to send them to the M.O.E. HQ.

see you next time.

Xenia: So we're back in Yokai Academy again.

Vapor Trail: Boy no kidding. This is gonna be so cool.

Qin: Yep.

Penny: To be honest I was hoping to be on a Diamond Treasure hunt.

Nicole: That would have been perfect for you too.

Camie: It sure would.

Nico: Penny, I want to thank you, Pete, and your teams for coming today.

Penny: It's no problem.

Pete: This is gonna be so fun and awesome.

Sunburst: And I'm honored to be with Starlight too. It'll be awesome for friendly bonding as well.

Starlight Glimmer: It sure will be fun.

Viper: I'm really excited for this too.

Nico: Viper, how did you get into the Furious 5?

Viper: Boy that is a story I haven't told in a long time. I might as well tell you everything that happened.

She went over her history. Dating back to her childhood and leading up to the events of Kung Fu Panda 3.

Viper was born as the beloved daughter of Great Master Viper, protector of the village where he relied on his venomous fangs to defeat his enemies. The Great Master hoped that she would carry on his legacy once she was born, however, she was born without fangs, and ceased to develop them as she grew older, much to the dismay of her father. To make her father smile, Viper took up ribbon dancing, blossoming into a very graceful dancer, though this only seemed to mildly please the old snake.

During the Moon Festival, Viper was too timid to attend the festival with her father, and instead stayed at home with her mother. But when her father was confronted by a gorilla bandit who attacked the village and used venom-proof armor to shatter the great master's poison fangs, Viper, hearing he was in trouble, raced to help him.

Though she was momentarily intimidated when hearing the bandit's remarks about her ribbon dancing, she mustered the courage she needed to outwit the gorilla by confusing him with her swift dancing skills and tying him up with her ribbon. With the bandit defeated, the weak Great Master Viper shared a fangless, genuine smile with his daughter, both of them overjoyed with her victory. Thus, her father's legacy was secure with his daughter becoming a mighty warrior on her own terms. Some time later, Viper put her fighting skills to use when she came to learn kung fu under Shifu, eventually achieving the rank of master and forming the Furious Five together with Tigress, Monkey, Mantis, and Crane.

Viper continued to ply her craft as a ribbon-dancer, before eventually being recruited by Tigress due to an accident involving a pair of scrolls. With her father's blessing she joined Tigress, Crane, and Monkey, and with the latter pair demonstrated to Tigress that there were many styles of Kung fu. However, the trio and Mantis were rejected by Shifu, who had sent Tigress to find four trained Kung fu masters, something she had failed to do because of the accident. However, as Oogway observed, "there are no accidents"-the new team of five proved to be just what was needed to defeat the villain Boar; an impressed Shifu then welcomed all five as his students and set about developing their unique talents.

Viper was first seen training with Master Shifu with the rest of the

Furious Five, where Shifu told her to improve on her "subtlety". Their training was cut short, however, when Master Oogway had a troubling vision: Tai Lung would return to the Valley of Peace. In response to this, the Dragon Warrior Tournament was instigated, in which each member of the Five participated in hopes of being selected as the Dragon Warrior, performing their skills to the masters and the entire Valley. During the tournament, Oogway suddenly sensed the presence of the Dragon Warrior. Viper and her comrades quickly gathered in a line for the choosing. As Oogway approached, it appeared as though his finger was moving towards Tigress, but then a portly panda named Po unexpectedly fell out of the sky right in front of her. Taking this as a sign from the universe, Oogway declared Po the Dragon Warrior, stunning Viper, the Five, Shifu, the villagers, and even Po himself.

After the tournament, the Five all headed over to the Training Hall to train, with Viper honing her flexibility and reflexes in the Field of Fiery Death. She and the others stopped training momentarily to watch Po spar with the Adversary. The sparring ended with Po being knocked into the training course, and his following ordeal ended in him being burned in the same course Viper was training in minutes earlier, much to her horror. That night, while traveling up to the student barracks, the Five mocked Po over his lack of ability to do kung fu. Though Viper laughed with the others, she was the only one who did not mock the panda, instead worrying how "the poor guy is just going to get himself killed." Neither she nor the others noticed Po had been listening in on them.

The next morning, it appeared as though Po had quit, but when Shifu and the Five enter the training courtyard, they were surprised to find that not only had Po not quit, he had arrived there first. Po's training began, with Viper being the first to spar with him. She asked if he was ready, and Po barely had time to confirm before she flung him into the air and slammed him down again, apologizing immediately afterwards, saying that she thought that Po was ready, only to be told by Po that the hit was "awesome". When Shifu sparred with Po himself, Viper watched nervously as he flung the panda around and eventually kicked him out of the Jade Palace and down the steps. Noticing Po's tenacity and gaining some respect for him, Viper silenced Mantis with a hiss when he commented on Po's "bouncing" down the stairs.

Once Po made his way back to the palace, Viper and Mantis attempted to help him recover through means of acupuncture. The three eventually started up a conversation, commenting on Shifu's harsh way of treating Po, with Viper trying to assure him with a smile after the panda commented on the possibility that Shifu was trying to get rid of him. Eventually, Tigress joined their conversation and told the story of Tai Lung while Viper and the others listened.

Later that night, Viper and the others all had dinner together in the barracks kitchen. Po served his noodle soup to the Five (Tigress not participating), and Viper complimented that it was amazing after tasting it. She also laughed along with the others (excluding Tigress) when Po did an impression of Master Shifu. But when the master himself showed up in the middle of Po's impression, Viper immediately stopped laughing. She was shocked with all the others upon hearing Shifu's announcement of Oogway's passing and Tai Lung's breakout. Later that night, after Shifu outlawed Tigress' request to fight Tai Lung with the rest of the Five, Viper and the others followed Tigress out of the palace, joining her effort to find and stop Tai Lung.

After days of traveling, Viper and the others finally located Tai Lung on the Thread of Hope. A long battle ensues, each of the Five using their combined prowess to fight the snow leopard. Viper assisted by using her skills to fight Tai Lung, wrapping around him and performing her Self-Punching Technique, but was soon caught by the throat. Monkey arrived to save her, after which they all attacked together, sending Tai Lung to a great fall. But when it seemed like they had won, Tai Lung reappeared again and performed a nerve attack on four of the Five (Viper included) - only sparing Crane so he would be able to carry the rest of them back to the palace in means of a message.

Shifu and Po had just finished another day's worth of extensive training when they finally returned, Crane exhausted and the others paralyzed. The Five each told about their grieving experience and defeat, which placed doubt into Po when he realized that not even his idols, five kung fu masters, could stop Tai Lung. However, Shifu still believed he could defeat him if Po was given the Dragon Scroll, and they all went to the Hall of Warriors in the Jade Palace to retrieve it for Po. Shifu, Viper, and the other Five watched as Po opened the scroll, and Viper appeared just as confused as everyone when he said it was blank. Believing nothing else could be done, Shifu offered to stay behind to hold back Tai Lung while his students and the rest of the Valley escaped. Viper and the others shared a final respectful bow to their master, knowing it could be their last, as he could well lose his life to Tai Lung.

While Po went to find his father, Viper and the other Five assisted in evacuating the Valley. Viper was tasked with gathering the southern farmers, to which she did so before moving out with the others. They were all just about out of the Valley when a large golden gust pulsed and blew past them. The Five and the other villagers returned to investigate and found Po victorious in his battle with Tai Lung. Marveling at the panda's skill that enabled him to do what they could not, Tigress led Viper and the rest of the Five, as well as the villagers, in a respectful bow to Po as a kung fu master.

After defeating several boar bandits, Viper (along with the rest of the Furious Five) was shocked to find out that Po was going to be hosting the formal Winter Feast dinner at the Jade Palace. The Five offered to help, but Po insisted he could do it himself. When he was later overwhelmed by the myriad of responsibilities, he finally decided to call upon the Five to assist him with the preparations. Viper performed her Stars of Destiny move to hold up the table lanterns that Tigress threw with her Tahlia Leap.

When all the tasks had been completed, Viper later sat at the table with all the other kung fu masters for the palace Winter Feast. However, the formal dinner was soon interrupted by Po himself, who explained to the masters the need to comply to his own family traditions, and thus excused himself to be at home with his father for the holiday. After Po left, Viper reminisced how she used to love cooking with her sisters. Viper and the rest of the Five understood Po's decision, and they all decided to join Po at the Noodle Shop. Later, Viper partook in a group portrait of the Furious Five, Po, Mr. Ping, Shifu, and Wo Hop.

In the chapter "The Art of Balance", Viper appeared at the start in Po's dream, facing a group of bandits alongside the other members of her team. Much to their chagrin, however, the panda suddenly dropped in out of and right on top of her and her team. After that, a battle ensued between the Furious Five and the bandits. Viper did not appear again after Po's dream ended.

In "The Dragon Chef", Viper and rest of the Furious Five helped out at the noodle restaurant for a day as Mr. Ping was suffering from the "goose flu". She helped by flattening out some dough, which made her feel "kinda dizzy". However they soon learned that kung fu was not the best tool for running a restaurant, and when things got out of hand, Mr. Ping made a return and impressed them all with his expert handling of the customers. Once everything had been sorted out, Viper, along with her friends, praised him as the "Dragon Chef".

In "Touch of Destiny", she is seen during a game of "Elimination Tag" when Crane sat down on a log. She jumped out of the log and tagged him, startling Crane in the process. She then went off and was surprised and tagged by Monkey, who in turn was soon tagged by Mantis. Later on, after Tigress tags Po and wins, Viper and the others return as Po asks the group if they'd like to participate in another game.

Brimming with cheeriness and positivity, Viper likes to make sure that everyone is happy - and if that means she has to battle a horde of rampaging rhinos using her lightning quick moves and strong as steel tail, she's happy to do so with a smile.

Viper appeared mainly as a background character for most of the show. However, she did play a larger role in "Ladies of the Shade" where she helped Po and Crane obtain an artifact back. Viper later had the lead role in the episode "Serpent's Tooth", where she discovered snakes once had a protector known as Fu-xi. When his true intentions were revealed, Viper helped to defeat him.

Viper and her friends were first seen in the Training Hall, staring in awe at Po as he performed the feat of stuffing as many bean buns in his mouth as he can fit. While the others cheer him on, Viper cringed in terror and actually fainted when Po succeeds in his stunt.

Viper was shown to be the most transparent in her feelings and the most openly compassionate. On the way to Gongmen City, she and her teammates overheard Po telling Tigress about his issues with his father, and she showed the most sympathy toward him. When the group hid inside a Chinese dragon costume and witnessed the wolves' brutal treatment of the city's residents, Viper's face was shown to be openly horrified.

Later, when the group was captured by Shen's wolves in a plan to get into the peacock's Tower, Viper used the end of her tail to pick the lock on Tigress' handcuffs. This allowed the rest of the group to be freed from their chains and to destroy the cannon in Shen's throne room. However, Po let Shen escape and they were all forced to flee the Tower when the peacock had the building destroyed. They went back to Gongmen Jail to hide, where they confronted Po about his failure to capture Shen. While her teammates were too afraid to stop Tigress from fighting with the panda, Viper tried to plead with her and warned Po to stay down when he was beaten. When Tigress made as though to attack Po, Viper called out for her to stop, only to watch in utter amazement as she hugged him instead.

Leaving the panda behind, the Furious Five set out to stop Shen's plans to conquer China without him. They decided to destroy his arsenal of cannons by blowing up the cannon foundry. However, Po unwittingly foiled the plan when he was spotted fighting with Shen inside the building. The group was forced to snuff out the explosives, and Shen's wolves were descend on them. As they fought, Viper told Tigress to go help Po while she and the others fought off the wolves. But Tigress was unable to reach him in time, and the Furious Five became Shen's captives again.

The night Shen set out to begin his invasion, Viper was chained up with her comrades on one of his many ships. The peacock planned to kill all of them when they reached the harbor, but to everyone's surprise Po appeared and came to their rescue. Once he freed them from their chains, the Five fought bravely against Shen's wolves. During the battle, Viper used a technique called "Puppet of Death", in which she used her snaky body to control the arms of an unconscious wolf while Tigress carried her.

They battled against Shen's army, and were soon joined by Master Shifu, who had arrived from the Valley of Peace, as well as Masters

Ox and Croc. Viper and the other kung fu masters almost won, but were blasted into the Gongmen Harbor by Shen's cannon, leaving them all badly injured. Viper watched, along with everybody else, watched in shock as Po stood on an upturned boat in the middle of the harbor, and deflected all of Shen's cannonballs.

By the time Shen was killed, Viper was up on dry land along with the rest of the Five. And when Po emerged out of the water, Viper then jumps to hug Po, along with Mantis and Monkey. Viper then happily watched the fireworks along with all of her friends.

In the Chinese trailer of the film, Viper was shown gathered with the rest of the Five, who all seemed alarmed. She and the rest of the team was also shown consulting a scroll with Shifu, and Viper was among some of the Five that were seen fighting statue-like warriors on the rooftops of a village.

In the English teaser trailer, Viper was shown partaking in an exercise with Po and the other members of the Five, contributing her skill to transport a cup of tea to Shifu through the obstacles in the Training Hall.

Viper's first appearance in the film is when Shifu announces his retirement as a kung fu teacher and hands over responsibilities to Po. This turns out to be very bad for the Five, who sustain numerous injuries thanks to a combination of Po's horrible teaching and the newly upgraded Training Hall; Viper is struck by Crane whilst navigating the Seven Talon Rings and is left wrapped around one of the wooden croc training dummies, though she still manages to gasp out words of encouragement to Po. When Kai later attacks the Jade Palace, Viper is forced to face Crane and Mantis, who have been turned into Jade Zombies by the yak. Unable to fight her friends, Viper is captured along with Monkey and Shifu and her chi is absorbed. Now transformed into a Jade Zombie, Viper is used to attack the Panda Village but is freed from Kai's control when Po destroys him in the Spirit Realm. She and the others then watch as Po returns as Master of Chi and bearing another gift from Oogway, the Yin-Yang staff.

When she was done we were amazed.

Laney: Wow! So you were born without fangs for venom and you ended up being an awesome member of Shifu's Furious 5.

Viper: That's right.

Nico: You should be proud

Viper: Oh I am. But I don't brag about it.

Qin: That's good.

Me: Laney learned so much under the training of Shifu and the Furious Five back then and it was so awesome.

Laney: It sure was. I learned so much about Kung Fu under Master Shifu and everyone and learned so many styles.

Xenia: We're really proud of you Laney.

Nico: Yeah we sure are.

Me: Yep. Yesterday's mission was really cool.

Girl Jordan: It sure was.

Nico: We killed so many Fangs

Me: And turned them all into reptilian skinned stuff.

Rarity: Oh we sure did darlings and they were made into really amazing fashion creations.

Qin: They sure were.

Me: They looked very similar to the Alligator People from the 1957 movie.

Nico: They sure did.

Qin: Yep.

Me: I counted 829,072 of them that we killed.

Camie: Wow you were keeping track.

Nico: Croc even ate one.

Me: He sure did.

Qin: Boy that was awesome.

Girl Jordan: And we told Nia and Podo about how far Leeli has come over the last few days since she and her brothers joined us.

Nico: That's right and that was so awesome.

Lola: Yep.

Nico: Nia and Podo are so proud of her.

Me: Yes they sure are.

Qin: And the best part is that the threat of Gnag the Nameless and his minions are now gone forever.

Varie: Good riddance.

Lola: Yep.

Nico: Thank goodness. So what is the sitch here?

Me: We first need to tell the headmaster of Yokai Academy about the terrible things that were happening here because of Kuyo and let him know about what he was doing.

Pete: Nico, what are you doing with those butterfly knives.

Nico: Oh, these aren't for me to use.

Pete: Oh.

We went into the headmaster's office and we met Tenmei Mikogami.

Tenmei: Ah Team Loud Phoenix Storm welcome.

Me: Hello sir.

Nico: Sorry to come in like this but we have some very interesting things you're going to want to hear about what has been going on here over the years.

Maria: It has something to do with an enemy we destroyed.

Me: You remember Kuyo?

Tenmei: Yes.

Me: Well…

We told him everything and it was a really horrible NUMBER of crimes he did. He did it all and brainwashed many of the students and staff and it was horrible!

When we were done he was shocked!

Tenmei: Oh my god.

Nico: We had to fight some of them,

Me: Yeah. I'm sure you remember me and Naruto doing all that right?

Tenmei: Yes I sure do. That was intense.

Nico: It was.

Me: But Kuyo is gone forever now and he will never terrorize the world again.

Tenmei: I'm glad he is. He has used fear on all of us.

Me: He was the Devil Incarnate.

Camie: But at least we got rid of him for good.

Nico: We knew that fighting all of them would take all day. So, Leeli took care of the rest.

Leeli: It's true. I used my song and purified the entire land.

Girl Jordan: That's right. She did a great deed.

Me: The whole area is now forever purged of the darkness of Kuyo.

Tenmei: I'm glad it is. Great job everyone. By the way how is Tsukune?

Me: He is doing good. We found out last year during my son's unfinished business with Moka's father that Tsukune was starting to go insane because of Moka biting him a lot. He was turning into a Ghoul and going out of his mind.

Nico: Long story on that. But he is cured now.

Tenmei: I'm glad he is. I'm glad.

Nico: However, if there's any other trouble here, you let us know immediately.

Tenmei: Of course.

Nico: Great. I'm glad we told you everything.

Qin: Same here.

Lola: Yeah.

Nico: But other then that, how's your day going today?

Tenmei: Better than ever. But also there have been reports of dark versions Maria, Pete and Kurumu here.

We gasped!

Me: Looks like we found Another Versions of Maria, Pete and Kurumu.

Camie: Oh boy.

Me: I knew it was time for Another Maria to come.

Maria: I had to open my big mouth, didn't I?

Me: Maria it was only a matter of time before another version of you came.

Then we heard screaming.

Me: Uh oh! It's coming from the pool.

Nico: Lets go!

We went to the swimming pool!

We arrived at the pool and saw a bunch of mermaids and they were fighting an invisible force.

Qin: What the?

Me: The foe is invisible?

Maria: Alright, show yourself!

A dark blob of water appeared and it was a dark version of Aquamaria! It was ANOTHER MARIA!

Nico: WHOA!

Me: Wow! A pitch black version of Aquamaria!

Maria: Wow! It's like I'm made entirely out of pure ink!

Nico: It sure looks that way.

?: Let me help too.

A girl in a black bikini with black hair and blue eyes came.

Cecilia: My name is Cecelia Agathangelou.

Me: Awesome to meet you.

Cecilia: Same here J.D. And here is who I am.

She turned into half octopus!

We gasped!

Me: Whoa! You're a Cecaelia, The Octopus Mermaids of Greek myth.

Eli: Wow that is cool.

Cecilia: It's true. But yeah.

Maria: But who's the Another Me?

Another Maria: J.D. knows me.

Me: (GASP) I knew it was you Denise Sparx.

Nico: You know her?

Me: She's one of my old fight club buddies. Years ago me and Denise were a deadly duo. She and I took on a rival fight club and we beat the living shit out of all of them. Sent many of them to the hospital with bad injuries. They challenged us and we beat them up really bad.

Nico: Wow that is REALLY brutal.

Me: Yep.

Another Maria: That was a fun time.

Nico: What made you two such a deadly duo?

Me: Me and Denise have one thing in common that we are very good at: Fighting Dirty.

Nico: Nice.

Me: Yeah that was awesome.

Nico: You know you're the Another Version of my sister, right?

Me: But this was her when she was mutated by the Quantum Vapor.

It turned her into pure water.

Maria: Thats right. I was Aquamaria in this form.

Another Maria: That right? Wow that is amazing.

Carol: It sure is and thanks to me helping Maria and her being blessed by the Water Stallion of Tefnut she got her humanity back.

Another Maria: That is amazing.

Cecilia: That is so awesome. You guys have a lot of experiences with stuff like this.

Me: We sure have.

Another Maria: Are you and Maria really sisters Nico?

Nico: Not by blood. We have had a very strong sibling bond.

Carol: Same with me and Maria.

Another Maria: That makes sense.

Nico: Alright, who's fighting her?

Lana: I will go.

Me: Go for it Lana.

?: Let us help.

We saw Sheila Eingana and another girl come. It was a girl with neon pink hair and a pink bikini.

Sheila Eingana: (Australian Accent) Glad to see ya again mates.

Rosa: (Brazilian Accent) It's a pleasure to meet you guys. I'm Rosa Encantado.

Me: Pleasure to meet you Rosa. And good to see you again Sheila.

Rosa: Let me help out too.

She then turned into a Boto River Dolphin!

Me: (GASP) You're a Boto Encantado, the Shapeshifting Boto River Dolphin from Amazon River Folklore!

Rosa: That's right.

Nico: That is cool!

Sheila Eingana: It sure is. Even though I can turn into a snake doesn't mean I have other powers too.

Lana: Lets get her.

Nico: Go get her.

Lana: Admittingly, we only faced one evil version of Maria.

Cecilia: That is interesting.

Another Maria: It sure is.

Lana, Cecilia, Rosa and Sheila fired waves of ice, lightning, lava and water and blasted her down and she was back to normal. I caught the Wonder Ride Book and it was called The Water Elemental Warrior.

I picked up Denise and she was a girl with blue hair and was in a blue one piece swimsuit.

Me: You'll be okay.

I brought her over.

Maria: I like wearing one piece swimsuits too.

Denise Sparx: (Groans) That is cool.

Eli: Up there! Look!

We saw a figure and it was a dark version of Kurumu!

Me: Whoa! Another Kurumu!

Xenia: This one is like Kurumu but with dark hair and dark clothes. But is just as beautiful and sexy.

Me: No kidding. I'll face her.

I flew up to her.

Nico: Who are you?

Me: I was just about to ask that.

Another Kurumu: Don't tell me you don't recognize Kurumu's twin sister J.D.

She then got close to me and rubbed her breasts on my chest.

Me: Whoa I knew it had to be you Alita Kuruno.

Nico: What!? Kurumu has a twin sister?

Lincoln: Wow that is awesome!

Nico: Wow!

Me: I met Alita when I helped save her from a ruthless gang of thugs. Turns out they were thug girls were really hired henchmen from Kuyo. They were an Ennedi Tiger from Chad Cryptozoology, A Kongamato from Zambia Cryptozoology, the legendary Mongolian Death Worm from the Gobi Desert and the Tatzelwurm from Switzerland Legend.

Nico: Wow! I know those creatures.

Laney: That is amazing that you fought those creatures.

Lana: I'll say!

Another Kurumu: Yeah.

Lincoln: Your sister Kurumu has really come a long way over the years.

Another Kurumu: I heard and I heard she is one of your future wives

Lincoln.

Lincoln: She sure is. And thanks to her she helped get a rebellion chip out of me.

Me: It's true there Alita. Very complex story.

Another Kurumu: I'll have to hear about all that later.

Nico: Have you seen the Another Pete?

Another Kurumu: As a matter of fact yes I have. She is a very deadly fighter and is a master of a lot of amazing fighting styles that I've never seen before. She's one of a group calling themselves the Ninja Acolytes.

We gasped!

Me: One of the Ninja Acolytes!?

Nico: Irene!

All of us: Irene?

Nico: Her name is Irene Prewitt. She is one of the Ninja Acolytes and she specializes in Butterfly Knives.

Me: Whoa! Did she fight the Demon Shredder?

Nico: No she was on another planet to help resolve a crisis there.

Me: Oh. But that is amazing that one of your friends is one of the Ninja Acolytes!

Another Kurumu: That is really interesting.

Me: It sure is and the Shredder has been widely known for being the Turtle brothers most dangerous enemy from over the years. Oruku Saki was his name and he was a really dangerous pure evil asshole piece of shit. You all would hate this guy to the Nth degree.

Cecilia: I've heard about him.

Rosa: Boy me too.

Sheila Eingana: Same with me mates. We even felt this massive surge of power.

Nico: That was J.D. unleashing his rage and fury on him.

Xenia: It's true. It was epic.

Me: Yeah. I hate the Shredder with every fiber of my being and what he did over the years really pisses me off.

Nico: Me too. He was awful.

Lola: Yeah.

Me: But that is cool that one of Nico's friends is one of the Ninja Acolytes.

Nico: I can't for you guys to meet her!

Me: We can't wait. What else can you tell us about her Alita?

Another Kurumu: She is also a gene-slammer for a Tropius.

We gasped.

Me: Wow! The fruit pokemon.

Xenia: This will be interesting.

Me: The Ninja Acolytes joined us when the team was having one of our disagreements with a certain incident that involved the mascots and Megan's older brother.

Another Kurumu: Ah the Party Permanent Stain Door Fiasco. I've heard about that. Kurumu called me earlier and told me.

Me: News sure gets around fast.

Nico: It sure does.

Me: That was a crazy time.

Nico: Let's get started.

Me: Gladly. Oh sorry if it's a mandatory question but is Irene friendly?

Another Kurumu: Friendly as you are probably aware.

Me: Good. Sorry mandatory question.

Another Kurumu: No worries.

I fired waves of lightning and blasted her down and I caught the Wonder Ride Book and Alita was a girl with neon blue hair and had dark clothes and had the same ample breast size as her sister.

The wonder Ride Book was called The Voluptuous Succubus of Lightning. I brought her over.

Maria: Time for backup!

Maria pulled out the M.O.E. Cannon.

Maria: STONE CASTLE FORCE 6!

She summoned Stonedozer, Mortimer Mouse, Smashstone, Garbage Mouth, Despair Rantaro Amami and Klaptrap along with Golem (Dark Cloud), Boomtower, Lythos, Evil Stone Man, Evil Ground Man and Evil Guts Man.

Me: This is gonna be good.

?: Let us help too.

We saw a girl with dark green hair and she had green clothes, another girl with blue hair and blue clothes and another girl with blond hair and German clothes.

Carla Santiago: (Spanish Accent) My name is Carla Santiago.

Carlotta San Juan: (Spanish Accent) I'm Carlotta San Juan.

Ellie Nurenberg: (German Accent) Guten tag. I'm Ellie Nurenberg.

Me: Pleasure to meet you girls.

Nico: Oh, and Ant Man's friends Dave, Kurt, and Luis along with Pinkie were involved with the party too.

Alita Kurono: (Groans) That stinks.

Me: Yeah.

Carla Santiago: We'll help too.

Carla revealed that she was a Chupacabra!

Me: (GASP) Whoa! The legendary Chupacabra!

Nico: The Goat Blood Sucker of South American Folklore!? Whoa!

Eli: Awesome!

Carlotta revealed that she was a mermaid.

Me: Whoa! You're an Iara, The Mother of the Waters from Brazilian Myth.

Carlotta: That's right.

Ellie Nurenberg: Und here is me.

She turned into a siren and she had white clothes and red hair.

Me: (GASP) The Lorelei! The Rhine River Siren of German Legend.

Nico: That is amazing!

Laney: Yeah.

Nico: And I also heard that Buzz wore eyeliner during the party.

Maria: Did he really?

Qin: Weird.

Me: I guess Megan's brother has a weird side to him.

Then we saw a figure come out and it was a dark version of Pete! It was ANOTHER PETE!

Me: Another Pete!

Qin: Boy this one is gonna be interesting.

Lola: It sure will be.

Another Pete: (In a girls voice) Been a long time Nico.

Nico: Irene? Is that really you?

Another Pete: It sure is. I was turned into this by Swartz.

Me: And I bet you were turned into a Tropius by Team Rocket too.

Another Pete: How did you know?

Me: Numerous encounters.

Nico: Yeah.

Kaito: (gets out Gaim gear) Did Swartz promise you anything?

Zocks: (gets out Wizard gear) Because we can grant it instead.

Another Pete: Just to destroy the Shredder.

Me: Well I'm afraid you're a little too late on that one. The Shredder is gone forever.

Nico: The Turtle Brothers and your fellow Ninja Acolytes destroyed him.

Eli: Yeah.

Me: But we'll get you back to normal. Sorry we have to fight like this.

Another Pete: No worries. Come at me and don't hold back.

Me: No problem.

Kaito got a Fruit Sword and Zocks got a Magic Wizard Sword.

Sougo: (gets out Gaim Ridewatch) The Demon Shredder hasn't gotten the Black Gates yet.

Rider Time! (Horns and traditional Japanese music) Soiya! Gaim~!

Geiz (gets out Beast Ridewatch): But Ch'Rell? Definitely!

Armor Time! (Drum roll) Open! Beast! (Lion roar)

Sougo got GaimArmor while Geiz got BeastArmor.

Me: Yes we destroyed the 2012 version of the Shredder and the Utrom Shredder but not Demon Shredder. But if we do meet him he is DEFINITELY getting the Black Gates.

Eli: There's also the Shredder from 1987 that is now in our frenemies.

Lola: Yep.

Another Pete: That is awesome.

Me: Yep.

Nico: (gets out Pete's Ridewatch) You remember Poliwag and Poromon, right?

Another Pete: How can I not.

Nico: Awesome.

Nico activated the ridewatch and fired waves of magic and energy and blasted her all over.

Me: We learned a massive plethora of ninja techniques too. Watch. WIND STYLE: RASENSHURIKEN!

I formed a Wind Style: Rasenshuriken and threw it and smashed her down in a huge and powerful explosion!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was knocked down and got back up.

Nico: (gets out Chameleon's Ridewatch) I'm just saying because on the day we met your fellow Acolytes, we learned they had a party along with some of our friends.

Me: It's true.

Another Pete: I know that. That was crazy.

Qin: Boy no kidding.

Nico activated it and he turned into Peter Griffin. Nico was dancing like Peter Griffin to Surfin Bird.

Qin: Okay that is funny!

Me: Yeah!

May: (gets out Bun Bun's Ridewatch) You can ask them for more info.

Another Pete: Okay.

May activated it and fired waves of energy and blasted her down.

Qin: Take that!

Me: Yeah!

May: (gets out Universe 666 Captain Hook's Ridewatch) Time to walk the plank!

She activated it and unsheathed a pirate sword.

Universe 666 Captain Hook: That was scary that ye met a Twisted Wendy that was out to kill you J.D.

Me: I know. And I felt really sorry for her. She lost everything. Including her life.

Nico: But Skyla did a great job getting through to her back then.

Xenia: She sure did.

May fired a blade of energy and smashed her down.

Me: I wish the same can be said for some of the other Twisted Princesses.

Lola: I know.

Maria: (gets out One Eye's Ridewatch) EYE see you!

She activated it and fired waves of energy from her eyes and they hit Another Pete and smashed her down.

Me: Nice shot!

Qin: Yeah!

Alita Kurono: That was so cool!

Qin: It sure was.

Sheila Eingana: Yeah mates!

Maria: (gets out Ghost of Amos Littlefield's Ridewatch) Now for this!

She activated it and fired waves of energy and smashed her down.

Qin: YEAH!

Viper: Time for the snake to strike! (ACTIVATES CHAMELEON'S RIDEWATCH)

She turned into a human version of herself! She had black hair, blue eyes, a pink fighting Kung Fu outfit on and had a snake tattoo on her arm. She jumped and danced and kicked and punched her down!

Me: Wow!

Qin: That was great!

Stratos, Trident, Bald Eagles, Universe 666 Mother Gothel, Brickleberry Ghost And Abnes then came.

Nico: Nice team, Stratos!

Stratos: Thanks Nico.

Me: Wait you're not the Mother Gothel we destroyed are you?

Universe 666 Mother Gothel: No I'm the one from Universe 666.

Me: Oh. That makes sense. And the Bald Eagles. Wow we meet Hero 108 in a few days.

Maria: Let's end this!

Girl Jordan: Leave this to me and Leeli.

Leeli: We got this guys.

Me: I have a feeling this will be awesome.

I put on my blind man glasses and Nico got out a leotard.

(YURGEN'S TUNE PLAYS)

Girl Jordan and Leeli held hands.

Girl Jordan and Leeli: (SINGING DIVINELY)

O holoré lay thee low

Holoél dark in the Deep.

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Spring abundant holoél

They glowed and the boys covered their eyes and the girls fired a beam of energy and it hit Another Pete and knocked her down and we saw that she was also a Tropius and I caught the ridewatch and purified it. Irene was a girl with red hair and blue eyes and Nico put on the leotard for her.

Irene: (GROANS) What a headache.

We brought her over.

Viper: What's your favorite memory of Nico?

Irene: Just when me and Nico kicked the asses of the Purple Dragons.

Nico: That was fun.

Me: The Purple Dragons are all dead. We killed them all and their leader Hun.

Xenia: Yeah that was awesome.

Lincoln: Good riddance.

Nico and Irene hugged.

Nico: I've really missed you.

Irene: Me too Nico. Me too.

We later went back home.

We arrived.

Irene: Wow! So this is your home.

Me: Yep.

Joi Reynard: Irene! You're alive!

Irene: Joi!

They hugged!

Joi Reynard: We all thought you were dead.

Irene: I wasn't.

Poromon: Irene!

Poromon and Poliwag hugged her.

Irene: Poromon, Poliwag!

Poliwag: Awesome to see you again.

We got Irene settled in.

Unlike their older sisters, Marana DeRose, Adora Dunstan, Aviara Melaina, Verona Donovan, Ravana Duncan, Victoria Keiron, Winnie Varyona, and Monica Ceirin were normal girls, but they're eight of the most rotten, spoiled Queen Bees who terrorized the students and teachers of the Royal Woods school system, and they acted like they were superior to the other students, but they're really not, and their older sisters have had to put them back in their place many times by using their mastery over Darkness, The Dark Arts, The Occult, Necromancy, and Witchcraft. Marana and her friends hated their older sisters and tried to kill them and Lincoln numerous times, but Lincoln told them off by saying that they've been nothing more than a bunch of jealous, envy-driven, rotten, evil, spoiled Queen Bee monsters ever to be let into the school system, and it ended with Marana and her friends getting expelled by Lincoln, Morgana, and her coven, and Marana and her friends were also disowned by their parents and older sisters and were kicked out into the streets. Now, Marana and her friends have come back, and they were out for blood and revenge, but The Knightmare Coven of Justice isn't going to take that threat lying down, and neither is Lincoln.

Lincoln: We're back here in Domino City, and I know what we're going to do here not only am I going to rescue the twenty three girls here, but Morgana, you and your coven aren't going to like who's causing trouble here: it's your former little sisters, Marana DeRose, Adora Dunstan, Aviara Melaina, Verona Donovan, Ravana Duncan, Victoria Keiron, Winnie Varyona, and Monica Ceirin.

Morgana DeRose and her friends gasped in shock.

Morgana DeRose: Oh no, not those eight again.

Winter Varyona: I should've known those eight would show up again, you think that after the lashing Lincoln gave them years ago for their rotten behavior would haunt them forever, they'd learn to take a hint, but no.

Eli: Oh boy, I'm not liking this one bit. Morgana, can you tell us who those eight are?

Morgana DeRose: Certainly. See, Marana DeRose, Adora Dunstan, Aviara Melaina, Verona Donovan, Ravana Duncan, Victoria Keiron, Winnie Varyona, and Monica Ceirin are our little sisters, but they're not like us. They're normal girls, but they're actually eight of the most rotten, spoiled Queen Bees who terrorized the students and teachers of the Royal Woods school system for years.

Nico: Queen Bees?! Oh boy, now we're really hating them already.

Lincoln: They acted like they were superior to the other students, but in reality, they're really not, and their older sisters have had to put them back in their place many times by using their mastery over Darkness, The Dark Arts, The Occult, Necromancy, and Witchcraft. Marana and her friends hated their older sisters and tried to kill them and me numerous times, but I told them off by saying that they're nothing more than a bunch of jealous, envy-driven, rotten, evil, spoiled Queen Bee monsters ever to be let into the school system.

Me: And I heard every single word he said to those bitches, and it was absolutely true.

Veronica Keiron: And it ended with Marana and her friends getting expelled by Lincoln, Morgana, and the rest of us, and our parents and all of us disowned Marana and her friends and they were kicked out into the streets. No one would ever be their friends or date them because of how rotten they all were.

Lincoln: Now, Marana and her friends have come back, and they were out for blood and revenge, like we're ever going to let those spoiled monsters have their way, and I want to thank you and your team for joining us, Jeri.

Jeri: You're welcome, Lincoln, and we'll also run into another of Ranamon's sisters.

Ranamon: We've already run into Hikenmon and Kohamon, ooh, I hope the next one that we run into is Rakuraimon.

Suddenly, we saw Catoblepas and the Witch of Fate, Fortune Lady Dark, Fortune Lady Earth, Fortune Lady Every, Fortune Lady Fire, Fortune Lady Light, Fortune Lady Past, Fortune Lady Water, Fortune Lady Wind, Fortune Fairy Ann, Fortune Fairy Chee, Fortune Fairy En, Fortune Fairy Hikari, Fortune Fairy Hu, Fortune Fairy Swee, Fortune Lady Carminate, Supreme Fortune Lady Void, and Earthbound Immortal Aslla Piscu, along with Jam Boree, appear before us, and with them are the twenty-three girls.

Nico: What in the? Catoblepas and the Witch of Fate, Fortune Lady Dark, Fortune Lady Earth, Fortune Lady Every, Fortune Lady Fire, Fortune Lady Light, Fortune Lady Past, Fortune Lady Water, Fortune Lady Wind, Fortune Fairy Ann, Fortune Fairy Chee, Fortune Fairy En, Fortune Fairy Hikari, Fortune Fairy Hu, Fortune Fairy Swee, Fortune Lady Carminate, Supreme Fortune Lady Void, and Earthbound Immortal Aslla Piscu, and Jam Boree from My Singing Monsters?

Jam Boree: (Girl's voice) (Southern Accent) Oops, sorry about the scare, y'all.

Catoblepas and the Witch of Fate, Fortune Lady Dark, Fortune Lady Earth, Fortune Lady Every, Fortune Lady Fire, Fortune Lady Light, Fortune Lady Past, Fortune Lady Water, Fortune Lady Wind, Fortune Fairy Ann, Fortune Fairy Chee, Fortune Fairy En, Fortune

Fairy Hikari, Fortune Fairy Hu, Fortune Fairy Swee, Fortune Lady Carminate, Supreme Fortune Lady Void, and Earthbound Immortal Aslla Piscu: (Girl's voice) But, we got the twenty-three girls away from the rotten little sisters of Morgana and her coven.

Lincoln: (Gasps) That voice from Catoblepas and the Witch of Fate, Fortune Lady Dark, Fortune Lady Earth, Fortune Lady Every, Fortune Lady Fire, Fortune Lady Light, Fortune Lady Past, Fortune Lady Water, Fortune Lady Wind, Fortune Fairy Ann, Fortune Fairy Chee, Fortune Fairy En, Fortune Fairy Hikari, Fortune Fairy Hu, Fortune Fairy Swee, Fortune Lady Carminate, Supreme Fortune Lady Void, and Earthbound Immortal Aslla Piscu, Carla Carmine, I knew it was you, and that voice from Jam Boree, I knew we'd run into you, Rakuraimon.

?: (Eight girls' voices) (Seriously Enraged) WE WILL KILL YOU EVERY LAST ONE OF YOU STUPID KNIGHTMARE COVEN WITCHES AND LINCOLN LOUD, IF IT'S THE LAST FUCKING THING WE EVER DO!

Suddenly, we heard eight angry enraged voices and we saw our targets: Marana DeRose, Adora Dunstan, Aviara Melaina, Verona Donovan, Ravana Duncan, Victoria Keiron, Winnie Varyona, and Monica Ceirin, the rotten sisters of Morgana DeRose, Adara Dunstan, Autumn Melaina, Victoria Donovan, Raven Duncan, Veronica Keiron, Winter Varyona, and Mara Ceirin. They may look like their older sisters, but they have red eyes of hatred and they're wearing tattered clothes.

Lincoln: Marana DeRose, Adora Dunstan, Aviara Melaina, Verona Donovan, Ravana Duncan, Victoria Keiron, Winnie Varyona, and Monica Ceirin, right on time.

Nico: Now, are you going to surrender easily, or are you bitches wanting to do this the hard way?!

Suddenly, we saw Angels of Paradiso appear alongside Marana and her friends.

Lincoln: Great, they want to do it the hard way, and it's really bad news if the Angels of Paradiso had arrived.

Lincoln summoned the Infernal Demons, Labolas, Gomorrah, Baal, Malphas, and Diomedes, who then proceeded to destroy and kill the Angels of Paradiso and Lincoln vacuumed up the Halos they dropped and then, Lincoln fired eight blasts of darkness and dark magic which hits Marana DeRose and her friends, and they were suddenly tied up in dark energy straitjackets and with a curse added onto the straitjackets, and then, he beamed them to The Charon Reform School. We cheered as we holstered our weapons and powered down.

Nico: That'll teach those eight queen bees what for. By the way, what kind of curse did you put on their straitjackets, Lincoln?

Lincoln: It's a dark magic spell I created and I based it on the Knightmare Monsters. Marana DeRose and her friends are being put in the more stricter course at The Charon Reform School, and if they try to escape and get revenge, the curse will have those eight put into crystal prisons and even more, they will be turned into gold statues because I also put in the King Midas' Golden Touch Vengeance Curse.

Me: A Double-Whammy?! That's perfect!

Lincoln: Appropriate since these are more of my Guardian Angels' enemies. (To Carla Carmine and Rakuraimon) And it's so good to see you again, Carla Carmine and Rakuraimon.

Carla Carmine reverted back to normal, and she's a beautiful girl with long black hair, blue eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful midnight black angel wings with orange markings and she has the Hummingbird Nazca Line on her right arm, she's dressed in an orange vest, orange crop top, orange skirt, black pants, orange legwarmers, orange sneakers, and long white long-sleeved trenchcoat with darkness, orange flames, fairies, and hummingbirds on the coattails and on the back is Catoblepas and the Witch of Fate, Fortune Lady Dark, Fortune Lady Earth, Fortune Lady Every, Fortune Lady Fire, Fortune Lady Light, Fortune Lady Past, Fortune Lady Water, Fortune Lady Wind, Fortune Fairy Ann, Fortune Fairy Chee, Fortune Fairy En, Fortune Fairy Hikari, Fortune Fairy Hu, Fortune Fairy Swee, Fortune Lady Carminate, Supreme Fortune Lady Void, and Earthbound Immortal Aslla Piscu and holstered on her back is a massive Catoblepas and the Witch of Fate, Fortune Lady Dark, Fortune Lady Earth, Fortune Lady Every, Fortune Lady

Fire, Fortune Lady Light, Fortune Lady Past, Fortune Lady Water, Fortune Lady Wind, Fortune Fairy Ann, Fortune Fairy Chee, Fortune Fairy En, Fortune Fairy Hikari, Fortune Fairy Hu, Fortune Fairy Swee, Fortune Lady Carminate, Supreme Fortune Lady Void, and Earthbound Immortal Aslla Piscu-themed greatsword with embedded orange gems and the monsters of Carly Atlas etched on the 7'0" massive, wide, double-edged midnight black blade, large Aslla Piscu heads for the crossguard, large orange gem embedded in the hilt, longer midnight black handle, four large Aslla Piscu heads and large orange gem on the bottom of the large Aslla Piscu heads for the pommel.

And Rakuraimon reverted back to normal, and she looks like Ranamon before she transformed into her Super Angel Celestial Eternal Xelnaga form, but the color schemes for her match the element that she uses: lightning, she was tall at 6'5" in height, she has the body of a goddess, she has massive and beautiful electric blue angel wings, and she has a long white sleeveless trenchcoat with lightning, lightning bolts, and cakes on the coattails, and on the back is Jam Boree, and holstered on her back is a massive Jam Boree-themed greatsword with embedded pink gems and Jam Boree etched on the 7'0" massive, wide, double-edged pink blade, large Jam Boree heads for the crossguard, large pink gem embedded in the hilt, longer midnight black handle, four large Jam Boree heads and large pink gem on the bottom of the large Jam Boree heads for the pommel.

Carla Carmine: You too, Lincoln.

Rakuraimon: I agree, it's been a very long time.

Lincoln went up to Carla Carmine and Rakuraimon and he hugged them, and Carla Carmine and Rakuraimon are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you since you were eleven, Carla, and I haven't seen you since I was eight, Rakuraimon, and as you can see, I really grew a lot since then.

Carla Carmine: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness.

Rakuraimon: You've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Whoa, Lincoln, you know these two girls?

Lincoln: Indeed I do, Nico. The Fusion Gene-Slammer of Catoblepas and the Witch of Fate, Fortune Lady Dark, Fortune Lady Earth, Fortune Lady Every, Fortune Lady Fire, Fortune Lady Light, Fortune Lady Past, Fortune Lady Water, Fortune Lady Wind, Fortune Fairy Ann, Fortune Fairy Chee, Fortune Fairy En, Fortune Fairy Hikari, Fortune Fairy Hu, Fortune Fairy Swee, Fortune Lady Carminate, Supreme Fortune Lady Void, and Earthbound Immortal Aslla Piscu is Carla Carmine, she's my Guardian Angel from Domino City and classmate in English and she's known as The Fortune Fairy Lady

Dark Hummingbird Queen, because she, just like Carly Atlas, Dark Signer of The Hummingbird, uses a Fortunetelling Deck, and spearheading it is The Hummingbird Earthbound Immortal Aslla Piscu. Plus, Carla Carmine, like Anita Harper, has the powers of the Aurora Borealis and she also has the power to see into the future and has the power to see into the future as well as master the elemental forces of nature at an omnipotent level, and she really taught me how to master the elemental forces of nature, and she even gave me the powers of the Aurora Borealis and to see the future.

Me: Whoa, now that's really awesome.

Nico: And that also explains how you can be able to see into the future, that's really cool.

Nicholette Torrington: And Lincoln made her a beautiful necklace with a hummingbird pendant, and to show thanks, Carla kissed Lincoln on the lips. She's also the sister of Carly Carmine now Carly Atlas, and like with Carly, Carla's one of Lincoln's strongest supporters, and she hates Lori with a blazing passion for all of the crap and hell she put her little brother through and always acting like she's better than him and everyone, and Carla's put Lori in her place more than once.

We gasped in shock.

Me: I had absolutely no idea Carly had a sister, and that she's one of Lincoln's strongest supporters just like Carly is Jack's strongest supporter.

Misty Tredwell: Me neither. But, Carly's in for a huge surprise when we get back, and you'll be happy to know that she and Jack are married and they now have kids.

Carla Carmine: I knew it, I knew Carly and Jack would one day get married.

Lincoln: They got married three years ago after we destroyed a huge asteroid heading right for Earth.

Me: It was a huge asteroid that was as big as Texas and it was going to destroy the entire planet.

Lincoln: Yep. And the Jam Boree Gene-Slammer is Rakuraimon, the third of Ranamon's Elemental Digi-Sisters and The Warrior of Thunder. She and I often danced within rumbling storm clouds, and we even hang-glided with gliders made of lightning bolts. Plus, she even helped me master my lightning powers, and to show thanks, I kissed Rakuraimon on the lips, and she hates Luan with a passion.

Me: Whoa, so she helped you master your lightning powers, that's really awesome.

Lincoln: And over time, I'd gained elemental powers thanks to feeding on the blood of my Guardian Angels whenever I get seriously injured thanks to Lori, Lynn, Lola, Lisa, Luan, or any of my enemies or whenever my Guardian Angels get seriously injured by any of them.

Nico: Cool, and Lincoln told us the whole story when we met your sister, Hikenmon.

Rakuraimon: I knew he and Ranamon would tell the story one day. (To Lincoln) Oh, Lincoln, there's something we also want to give you.

Lincoln: Let me guess, you and Carla want to give me your blood, right?

Carla Carmine: How'd you guess what we were about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Rakuraimon: Ooh, I knew it was a matter of time before you'd start marking your future wives.

Ranamon: He'd already marked me a year ago, and he marked Hikenmon and Kohamon.

Lincoln first went up to Carla Carmine, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

And Lincoln then went up to Rakuraimon, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Rakuraimon: You're still just as gentle as ever when you feed on one of your Guardian Angels, Linky.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Rakuraimon and Carla Carmine with orange and neon blue gems on the gold lightning bolts and orange and neon blue crystal links from their merged Crystal Necklaces of The Buddha along with two Elemental Thunderbird Chokers of Eternal Love on their necks.

Carla Carmine: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Carla Carmine and Rakuraimon.

Carla Carmine and Rakuraimon had a smile on their faces and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around them, and he leans down to each of their face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the twenty-four girls, and when Lincoln saw who they were, he immediately recognized them. The twenty-four girls are Bellena A.K.A. Oracl, Death Archer, Snow Queen, Prima Donna, Black Crow, Rose Knight, Incinerator, Scarlet Bolt, Berserker, Chronicler, Sand Sage, Petite Devil, Dream Witch, Storm Fox, Twilight Priestess, Ethereal Guide, Femme Fatale, Lightweaver, Lore Weaver, Shape Shifter, Snail Princess, Songstress of the Sea, and Cursed Hunter from Lord Mobile.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made twenty-two clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Bellena: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, twenty-four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Bellena A.K.A. Oracl, Death Archer, Snow Queen, Prima Donna, Black Crow, Rose Knight, Incinerator, Scarlet Bolt, Berserker, Chronicler, Sand Sage, Petite Devil, Dream Witch, Storm Fox, Twilight Priestess, Ethereal Guide, Femme Fatale, Lightweaver, Lore Weaver, Shape Shifter, Snail Princess, Songstress of the Sea, and Cursed Hunter with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and they were shocked to find out the villain we went after was another old enemy of Lincoln's Guardian Angels, Morgana DeRose, Adara Dunstan, Autumn Melaina, Victoria

Donovan, Raven Duncan, Veronica Keiron, Winter Varyona, and Mara Ceirin, The Knightmare Coven of Justice: their rotten little sisters, Marana DeRose, Adora Dunstan, Aviara Melaina, Verona Donovan, Ravana Duncan, Victoria Keiron, Winnie Varyona, and Monica Ceirin, eight normal girls, but they're eight of the most rotten, spoiled Queen Bees who terrorized the students and teachers of the Royal Woods school system for years, and they acted like they were superior to the other students, but they're really not, and their older sisters have had to put them back in their place many times by using their mastery over Darkness, The Dark Arts, The Occult, Necromancy, and Witchcraft, and Marana and her friends hated their older sisters and tried to kill them and Lincoln numerous times, but Lincoln told them off by saying that they've been nothing more than a bunch of jealous, envy-driven, rotten, evil, spoiled Queen Bee monsters ever to be let into the school system, and it ended with Marana and her friends getting expelled by Lincoln, Morgana, and her coven, and Marana and her friends were also disowned by their parents and older sisters and were kicked out into the streets. But, Marana and her friends came back, and they were out for blood and revenge.

But, when Lincoln showed what happened such as getting rid of The Angels of Paradiso who'd shown up to attack, and then, all of us beating those eight girls up and Lincoln firing blasts of dark energy and dark magic which tied them up and gave them a curse and beamed them to The Charon Reform School, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln, Carla Carmine, and Rakuraimon have a lot of catching up to do, now that they're back in town.

Maria: Sheesh, I never knew Morgana and her Coven have had to deal with their rotten younger sisters who are literal queen bee monsters and bullies.

Lincoln: They terrorized everyone in their path and believed they were superior when they're really not, and you know, I was so glad to tell those eight off, and I knew karma would come back to bite them on the butt.

Me: Big time, and they were asking for it.

Nico: Now, they're in the tougher course at the Charon Reform School, and if they dare to try and escape, Lincoln's curse will imprison them in colored crystal prisons and they'll be turned into gold statues.

Morgana DeRose: We'll be keeping a close eye on our former little sisters, and if they try anything to get revenge, we'll strike them down, and I'll enjoy dealing with Marana.

Winter Varyona: You bet we will, I've had it up to hear with Winnie's complaining and her queen bee bitch attitude.

Veronica Keiron: Same with Victoria and the others.

---

After taking down Marana DeRose, Adora Dunstan, Aviara Melaina, Verona Donovan, Ravana Duncan, Victoria Keiron, Winnie Varyona, and Monica Ceirin, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Carla Carmine and Rakuraimon saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Carla Carmine: Whoa, I was right that Lincoln's really grown into a 17-year-old, 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Rakuraimon: He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Rakuraimon: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Carla Carmine: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Carla, Rakuraimon, what's the stories you have on why you hate Lori and Luan with a burning passion?

Rakuraimon: Uh oh, I was hoping you'd ask that. One day, Lincoln and I were at the park and we were having fun especially on a stormy day, but then, we heard the sound of insane laughter in the air, and we knew who it was: it was Luan. Lincoln fired a lightning blast which hit a bush she was hiding inside, and it forced her out, and she was out to kill us. But, Lincoln and I took advantage of the stormy conditions and we attacked her with lightning blasts which shocked her badly and knocked her out and he tied her up with red energy blasts fired from his white angel wings. We flew back to The Loud House and after we told the parents of what Luan tried to do, she got grounded for nine weeks and she was put in a metal cage and she was still spasming from the lightning blasts we hit her with.

Nico: Sheesh, so Luan was out to kill again?! Man, Dark Luan was one homicidal nut-job.

Luna: Yeah, but Lincoln and Rakuraimon took her down easily, she messed with the Warriors of The Storm and look at what happened to her.

Carla Carmine: She was electrocuted and thrown in a cage. Alright, now for my story, I made it no surprise that I've hated Lori for all the crap and Hell she put Lincoln through and she always acted like she's better than him and everyone around her, and I've had to put her in her place more than once. One day, I was with Lincoln and we were doing some homework for Mrs. Johnson's class. But, then, Lincoln and I had gotten a vision, and it was Lori barging into his room and demanding that he be an ottoman so she can paint her raptor claws that we call her toenails and we had another vision of her killing him and saying that she's better than him and he'll always be a twerp who'll never be a success and she was just outright cruel to him. After our vision ended, we couldn't let Lori get away with it, so we went down to Mr. and Mrs. Loud and after we showed them our vision, they were really furious at Lori, and when Lori came back from golf practice, I grabbed Lori by the ear and dragged her to the couch and after the parents told her of the vision Lincoln and I had while we were doing our homework, she just lost it and she let out her true nature: an arrogant, two-faced, cold-hearted, unfeeling bitch who acts like she's better than Lincoln and everyone around her. But, that sealed her fate, she got grounded big time for eighteen weeks, and Lincoln threw her in a metal cage where she can't get out, and we also warned Lynn, Lola, Lisa, and Luan that if they dared to help Lori escape, Lincoln was going to punch Lynn hard in the nose, put Lisa in a makeshift jail, throw Lisa in a metal cage, and Luan in a makeshift padded room and tied up in a straitjacket.

Nico: Whoa, now those were some powerful visions. But, they warned you guys of what Lori was about to do, and you told Mr. Lynn and Ms. Rita of what you saw, and when you showed them Lori's attempt, they had to take action on her.

Me: They sure did, and Carla really put Lori in her place more than once, and it infuriated Lori badly, she wanted things to go her way or she was going to kill someone.

Lincoln: Which made her look like a monster in front of everyone, and we didn't tolerate her control freak attitude towards us. I warned her numerous times, but does she listen?

Nico: She doesn't, and it's because of Dark Lori.

Luna: I've taken Lori down more than once if she tried anything stupid with my little bro, and he's taken her down more than once. (Snickers) She really had a hard time going against a 7'5" imposing and extremely muscular man who's gone through a combination of intense and constant training, family genes, and hyperpuberty, along with constant and intense bodybuilding, and who can easily lift her up by the collar of her top with only one hand.

Laney: Same went with Lynn, Lola, Lisa, and Luan if they tried that schtick again.

We got a shower, and then, Clyde, Olivia Colomar A.K.A. Sombra, Twist, and Caramella Eclair are heading to Jolly Roger Bay.

Clyde snapped his fingers, and the 17-year-old, black-haired, 7'5", handsome and extremely muscular man was dressed in blue swim shorts with a phoenix and clock surrounded by clocks and stars on it with gray flames coming off the swim shorts, blue sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Olivia Colomar A.K.A. Sombra, Twist, and Caramella Eclair were dressed in two-piece colored bikinis, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Olivia Colomar A.K.A. Sombra, Twist, and Caramella Eclair had feelings for Clyde, and he also had feelings for them, and he also saved them from an ambush by a group of thugs Trina Riffins and Amy hired to kill them, and after he tied them up, he sent them to Lincoln who sucked out their blood and killed them, which made Trina Riffins and Amy go completely insane with anger, until Clyde fired energy blasts at them and more gold and jewels and treasures came out of those two bitches.

Sombra: (Spanish Accent) Whoa, so this is Jolly Roger Bay, awesome.

Clyde: Yep, and Lincoln's been here many times before, and it's our first time here, Olivia. Shall we?

Clyde, Olivia Colomar A.K.A. Sombra, Twist, and Caramella Eclair dived into the waters and they had fun swimming in the waters and they even met the sea life there, then, they went back to the beach for an awesome game of volleyball, and Olivia Colomar A.K.A. Sombra, Twist, and Caramella Eclair got a massive and extreme deep atomic red blush on their faces when they saw Clyde lift thirteen 900,000,000,000,000-lb barbells he summoned in his large and strong hands and thirteen massive and long black wolf tails, then they had some lunch, then, as the sun was about to set, Clyde made clones of himself and he and his clones went up to Olivia Colomar A.K.A. Sombra, Twist, and Caramella Eclair, and they hugged the girls in their abnormally massive and powerful muscular arms, Olivia Colomar A.K.A. Sombra, Twist, and Caramella Eclair placed their hands on the massive pecs of Clyde and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico, Lincoln, and I also saw Clyde had lipstick marks all over his face.

Nico: (Snickers) Looks like someone had an awesome time at Jolly Roger Bay, eh, Clyde?

Clyde: (In Heaven) It… was… so… awesome!

Lincoln: Clyde's harem is literally increasing by the day with the girls he's been meeting.

Ronnie Anne: Just like yours, Nico's, and J.D.'s, Lincoln.

Lincoln: You got me on that one, and it's the truth.

---

Later it was time for Trixie Lulamoon's final ambassador mission. The U.S.S. Valorous Phoenix was seen flying through space.

Nico: Captain's Log, Stardate 7346.8: The U.S.S. Valorous Phoenix is en route to the planet Draconis for the final Ambassador Mission of Trixie Lulamoon. We're going there to help Artha and friends take down one of their enemies before we see them again on April 21st.

Trixie Lulamoon: This is gonna be so awesome!

Me: It sure will be Trixie.

Luna: It sure will be dudes.

William: Anyone else want to go with Trixie? Besides Kouta and 2012 Leo?

Spyro: Me and the Skylanders will go. It'll be awesome to help out.

Me: Cool idea guys.

Nico: Yep.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We arrived at Draconis and engaged the landing. We landed next to the city and we got on our dragons and we flew out to meet Artha and friends.

We arrived.

Artha: Hey guys!

Me: Hey Artha, Kitt, Moordryd, Connor.

Trixie: Artha, this is 2012 Leo and Kouta Kazuraba

2012 Leo: Awesome to meet you. Leonardo, leader of the 2012 Ninja Turtles.

Kouta: And I'm Kouta Kazuraba, leader of the Gaim Kamen Riders team.

Connor Penn: Pleasure to meet you all.

Me: And these are the Skylanders.

They saw them all.

Artha: Holy cow that's a lot of them.

Me: I know. They come from a very distant planet and are the great champions of the world.

Spyro: We protect the lands from the very forces of evil on the world.

Whirlwind: Mostly the evil forces of Kaos.

Spotlight: It's true.

Artha: Wow that is amazing.

Nico: And Kouta, believe it or not, is a God.

Me: He's right on that. It's a really powerful and amazing story.

Artha: Wow! What happened?

Kouta: It's an amazing story.

He went over what happened which lead up to what happened to his transcendence and it was epic.

Kitt Won: Oh wow! That is amazing Lord Kouta!

Kouta: No need for formalities. Just call me Kouta.

Kitt Won: Sorry.

Me: The Gaim Team uses the Lockseeds we showed you all earlier and they come from an alien planet. They come from a forest called the Helheim Forest.

Nico: It might look like an ordinary forest. But it isn't.

Me: The Helheim Forest is a very dangerous place.

Laney: He's not kidding there. We went with the Gaim Team there and man was it incredible.

Me: The fruit there can turn anyone that eats it into terrible monsters called the Inves. Their fruit is that dangerous.

Kitt Won: Wow! That is horrible.

Nico: Yeah.

Eli: You wouldn't believe what we had to do to the very corporation that was going to use these fruits.

Me: We found out that it was an organization that was messing with extraterrestrial forces that we have no idea what they are capable of and they were going to tear the entire planet apart with them.

Nico: We dismantled them though.

Me: We sure did and we blew the entire corporation to kingdom come.

Moordryd: That's good you did.

Marianas: That was a terrible thing they were doing.

Lori: Cornelia's little sister Lillian was the ambassador for the Gaim team and that was literally a big day for her back then last year.

Me: It sure was.

Twilight Sparkle: We were amazed to see and hear about all that and it was incredible.

Me: Yeah. It was called the Yggdrasil Corporation.

Kitt Won: Yggdrasil?

Me: It means World Tree. It was a building that was about a fraction the size of the World Tree Estate we have and it was a building that looked like a tree.

I showed a picture of it.

Artha: Wow that does look like a tree.

Me: It sure does doesn't it.

Nico: And we took out a few enemies of ours. After they backstabbed each other.

Me: It was a really clever tactic.

Eli: Yep.

Artha: Wow that is so cool.

Trixie Lulamoon: It sure was.

Me: Yep.

Connor Penn: What does your World Tree Estate look like?

Me: You wouldn't believe it. It's a massive tree that's over 528,000 feet tall and it has a trunk that's 100 miles high, 100 miles wide and has foliage that is over 1,000 miles wide.

They gasped.

Artha: That is incredible!

Nico: It sure is and it has a tremendous view of much of the entire planet.

Artha: Wow!

Trixie: So, how have things been?

Artha: I'm afraid that our old enemy Armeggaddon is back.

Nico: Who is he?

Kitt Won: He is the enemy of the original Dragon Booster and he helped start the original Dragon-Human War back 3000 years ago.

We gasped!

Eli: Whoa man!

Me: I knew that was him watching us when we were here last time!

Nico: Me too.

Me: What can you tell us about him?

Artha: He is a monster.

He went over his history.

---

Armeggaddon is a character from 3000 years ago, and was likely an enemy to the original Dragon Booster considering he was one of the people who helped start the original Dragon-Human War. He was imprisoned in The Shadow Track by the original Shadow Booster until Artha Penn, Lance Penn and Moordryd Paynn broke the spell that encased riders and dragons inside the track during Episode 17: Faster Than Fear.

Armeggaddon chooses Moordryd to be "The One" to defeat the Dragon Booster, and presents him with a black draconium amulet, similar to the symbol of the Dragon Eye Crew. It is believed that he has possessed the amulet, since he speaks through it to Moordryd. Armeggaddon is similar to Mortis in that he teaches a Booster, in his case Moordryd the Shadow Booster, the ancient ways of power.

Armeggaddon was the Emperor or leader of the Black Draconium Empire 3000 years ago and intended to give that honour to his student Moordryd Paynn. At first, Armeggaddon was nothing more than shadow, and his fiery, non-human eyes were his only known physical form. His true form was revealed in Episode 33: The Defiants: wearing ancient warrior dragon armour, with long pointed head gear and large curved spikes coming from his back. His mouth is also visible, showing that he is human. He faces Drakkus in alone in battle at first, where Armeggaddon tells Drakkus (Word Paynn) his love for his son is his greatest weakness.

Moordryd betrays Armeggaddon when he joins Dragon Booster, Drakkus and Mortis (Connor Penn) to fight the eight pure black draconium dragons of Armeggaddon. After suffering betrayal from Shadow Booster, Armeggaddon realizes his mistake and prepares to resurrect the this League of Eight by finding the lost Bone-Marks of these eight dragons, unknown to him at this point that the Gold Draconium Dragon Priests have taken them from their original locations and hidden them elsewhere.

Armeggaddon, being from 3000 years ago, knows all of the possible Mag Claw moves, including Mag Fury, a "Mag Tornado" (it's real name is unknown), and many others. The only time any character has overwhelmed his power was by Parmon Sean in Episode 36: Professor Stubborn when Parmon used a combination of gear to redirect his Mag energy back toward him.

---

When he was done we were shocked and horrified!

Eli: He's pure evil!

Lincoln: We got to destroy him!

Me: Yep. Looks like he is the only villain here that is getting the Black Gates.

Nico: Where was he last seen?

Artha: In that volcano there.

He pointed to a volcano that was located 40 kilometers to the southwest.

Me: Boy that volcano looks scary.

Eli: Reminds me of Mount Doom from Lord of The Rings.

Laney: Wow scary.

Nico: Yeah. Lets head out!

We got on our dragons and headed out.

We arrived and we saw him: ARMEGGADDON!

Nico: There he is!

Me: Armeggaddon!

Eli: He is pure evil!

Nico: He doesn't see us yet.

Me: No but he will.

Nico: Yeah. J.D. hit him first.

Me: Right.

I fired a massive energy blast and it hit him square in the back and exploded!

MASSIVE FIERY EXPLOSION!

He winced and groaned in pain and he was really going to feel that!

Nico: Ouch.

Armeggaddon saw us!

Armeggaddon: I said that Word was an amateur in approaching things on how to kill you fools. Now, I'll show him how it's done while still leaving an intact planet to rule!

Me: We'll see about that. And for once you and I agree there. Word is a lowly amateur.

Armeggaddon: Glad we agree.

I then transformed into my Super Angel Wolf Moon Xelnaga form!

Me: (DIVINE WOLF MOON VOICE) You will face the power of the wolf.

I went at him and kicked him in his face and slashed him with my scythe and fired waves of blue fire and blasted him down.

Trixie fired waves of magic and blasted him all over.

I leg swept him and kicked him in the back and smashed him into a rock and he got up.

Armeggaddon: Any last words?

Kouta: Just one. Henshin!

He turned into his ORANGE ARMS FORM!

Nico: YEAH!

Laney, Lana, Lola and Lily fired waves of elements and blasted him all over.

Kouta: (gets out Facilier's Lockseed) I don't need my full power to send you to the Black Gates!

He activated it and fired waves of darkness and blasted him all over.

Me: This is for 3,000 years of justice!

I fired waves of fire and darkness and blasted him all over.

Nico: Take this! NUOVA STAR!

The 4-Star Dragonball on his bracelet glowed and he fired a ball of fire and it hit him and exploded!

He was enveloped in a massive pillar of fire.

2012 Leo: (gets out Dora Frankie's Lockseed) As Mikey would say: Booyakasha!

He activated it and fired waves of energy and blasted him all over.

Eli fired blasts of Force Lightning and Electrocuted him all over the place.

The Skylanders fired massive elemental and energy blasts and they hit him and exploded!

EXTREMELY MASSIVE AND POWERFUL EXPLOSION!

Nico: (Gets out Pete and Springfield Bullies' Ridewatches) It's pounding time!

Nico activated them and smashed and pulverized him all over.

Eli: Take that!

Beau ran at Armageddon.

He smashed him into the ground and then a Dusclops appeared and blasted Armeggaddon!

Nico: WHOA!

Me: A Dusclops! Awesome!

Dusclops: (In a girls voice) Take that you freak!

Nico: Bianca Reginald!? Whoa!

Dusclops reverted back and was a girl with black hair and black clothes and had purple eyes.

Bianca Reginald: That will teach him.

Me: Time to finish this!

I charged up a Kamehameha Wave!

Me: KAAAAAAAA MEEEEEEEE HAAAAAAAAA MEEEEEEEEE HAAAAAAAAAAAAAAAAAAAAAA!

I fired a powerful blue fire Kamehameha Wave and it enveloped him and he was completely obliterated by the blast and reduced to nothing! He was banished to the black gates forever!

2012 Leo: What's your favorite memory of Nico?

Bianca Reginald: My favorite is when me and Nico were at school and we found a secret room and it was an underground library. We found all sorts of books there and they were all books about history and more.

Nico: Yep.

Me: That is awesome.

Nico and Bianca hugged.

Nico: I've really missed you.

Bianca Reginald: Me too Nico. Me too.

Trixie Lulamoon: Another amazing victory for us and the Great and Powerful Trixie!

Artha: Trixie, ever since I met you, I've seen you as the big sister I've always wanted.

Trixie: Really? Oh Artha!

She hugged him.

Kitt Won: I guess that makes you my future sister in law.

Trixie: It sure does.

Artha and Kitt then surprised us by showing their true feelings by kissing.

Me: Aww.

Eli: So adorable.

All of us: AAAAWWW!

Nico: So cool.

We later got ready to head back.

Beau was sad, not wanting Trixie to go.

Trixie: I'm sorry, Beau. But the Great and Powerful Trixie must take her leave now.

Me: We'll be back guys. It's goodbye. But it's not forever. It's see ya later.

Beau was happy again.

We later went back to the ship.

We were heading back to Earth.

Me: Awesome!

Nico: Lewa, for your first mission, 4 Rabbids and Dudley Puppy should come with you.

Lewa: All right! About time I got a mission series.

Xenia: No kidding.

Me: Yeah.

Lola: This is gonna be fun.

---

We were then watching TV and we then saw Rarity come in and she was really upset and tears were streaming down her face.

Moka: Are you okay, Rarity?

Me: Uh oh. Rarity?

She then came over to me and then she bursted into tears as jets of tears exploded from her eyes and I opened an umbrella and she was bawling her eyes out and the tears hit the umbrella.

Rarity: (BAWLING HER EYES OUT HYSTERICALLY!)

She then hugged me and cried hard.

Me: Rarity it'll be okay. Who made you upset this time?

Rarity: (CRYING HYSTERICALLY) IT WAS FLIP! (CRYING HARD)

Yukari: That's it! Time to call in Grim's Cerberus!

Eli was enraged and he was BEYOND EXTREMELY PISSED!

Qin: Uhh Eli?

Rainbow Dash: Are you okay?

Eli then boiled like a thermometer dipped in the lava of the sun!

TOOOOOOOOOOTTTT!

HE TURNED INTO A STEAM HORN!

Eli: (SUPER INFERNALLY ENRAGED) THAT STUPID MOTHERFUCKING MUTANT FREAK! I WILL KILL HIM!

He rushed out of the estate and ran to Lynn's Table and then we heard the sounds of vicious fighting and impacts of punches and kicks!

ELI WAS REALLY TEARING FLIP APART AND HE WAS DISMEMBERING HIM AND BRUTALLY THRASHING HIM LIKE A VORACIOUS SWARM OF SUPER PIRANHAS!

Blackout: (to me and Lincoln) See, guys? THIS is something that's getting old.

Me: Normally yes but villains have to find some other way to hurt us. And it's with words.

Nico: Oh yeah I agree there. Words do hurt.

Lola: Yeah.

Bluestreak: True. But jerks have to make Rarity cry every time?!

Me: They will target ANYONE they can get their hands on.

Bluestreak: You're right on that.

Me: Like Crag said, heroes like us are invulnerable to physical attack and villains like Flip or anyone else have to find another way to hurt us. They have to hurt us with words and they do say that Words Hurt.

Bluestreak: Oh right. I remember hearing about that.

THE FIGHTING WAS STILL RAGING ON AND ELI WAS TEARING FLIP APART!

Nico: This is gonna take a while.

---

French Narrator: (French Accent) 2 Hours Later

---

The fighting stopped and Rarity calmed down. She was drinking water.

Eli came down and he was really panting hard and sweating like you wouldn't believe.

Nico: Did you see the next Gene Slammer on the way back here?

Eli then fainted.

FWOMP!

Me: Eli!

Varie looked him over.

Varie: He's just exhausted. But I think he has.

She pulled off a Banette that was on his back.

Me: Hey a Banette.

Banette: (In a girls voice) (Chinese Accent) I saw the whole fight with Flip and man did Eli rip that monster to pieces.

Flip was a brutally mangled up and bloody mess and he was disemboweled, butchered and mangled up. His intestines were ripped out of his stomach, his brain was ripped out of his skull and his eyeballs were pulled out of his face and his innards were splattered all over and his bones were all ripped apart into dust! FLIP WAS REALLY EVISCERATED AND MASSACRED!

Nico: Joy Li! Wow!

Me: Cool! Wait are you related to Jet Li?

Banette: (LAUGHS) No everyone says that but no.

She reverted back and was a girl with black hair and red eyes and had grey clothes.

Joy Li: Awesome to see you again Nico.

Nico: You too Joy.

May: What's your favorite memory of Nico?

Joy Li: My favorite was when Nico taught me all my favorite martial arts moves and he taught me an awesome Kamehameha Wave varient, the Cyclone Force Kamehameha.

Me: A Kamehameha Wave made of Wind? Wow! That is amazing!

Lola: That is cool!

May: It sure is.

Nico and Joy hugged.

Nico: I've missed you Joy.

Joy Li: Me too Nico. Me too.

Then the previous group came.

Crimson Dynamo: (Russian Accent) We heard what Flip did and man did we see what Eli did to him. He is dead meat.

Dr. Polaris: You couldn't believe what Eli did. It was brutal.

Me: We heard and Joy described what she saw in big detail.

Caitlyn: Nico, which teams have you made this time?

Nico: Zick's team will include Roshi, Wataru Kurenai, Laura Evans, Claire Allaire, and Dinosaur Story Rex. Ink Rose' team will include Suno, Yusuke Godai, Chomper, Jain - Lightsworn Paladin, and Celestia - Lightsworn Angel.

Me: Awesome ideas.

Lola: I agree there.

Camie: That's cool though.

Spot: Can me, Crimson Dynamo, Dr. Polaris, Turtle, Skalamander, Skalamander, Marluxia, Gator Ghoul, Leapfrog, David Cain, and Seadramon go with you guys?

Weather Report: Me, Evil Orbit Woman, Scirocco Mole, Yost Magneto, Bassoon Burns, Neopolitan, Yost Pyro, Glue Man, Lego Poison Ivy, and Big Lenny will come too.

Nico: Yes you all can come with us.

Qin: It'll be an awesome adventure.

Lola: Yep.

Bomb Man: Nico, which Gene Slammers do you think you'll meet next?

Nico: Chimecho and Absol next.

Me: Cool!

Qin: Awesome.

James: It'll be interesting to see one for Chimecho.

Nico: Yep.

Suddenly, Lincoln's deep sapphire eyes glowed and turned into rainbow colors, and he had a vision of what's happening: it appears that Yokai Academy class president, Tadashi Wanibuchi and his cronies who bullied and harassed Yukari Sendo are back, and they want revenge on me for killing them, and they mean business.

Kurumu: Linky, what's wrong?

Lincoln: Kurumu, where's Yukari?

Yukari Sendo came in.

Yukari: You called, Lincoln?

Nico: We saw your eyes turned into rainbow colors, Lincoln, what's wrong?

Lincoln: It's bad news, Nico: it appears that Yokai Academy "class president", Tadashi Wanibuchi and his cronies who bullied and harassed Yukari Sendo are back, and they want revenge on J.D. for killing them, and they mean business.

I gasped in shock.

Me: So, that douchebag lizardman and his lizardmen cronies are back! Been a long time since we faced him. If he thinks he can get away with coming back without any of us knowing it, that fucker's got another thing coming.

Lincoln: We'll get him, J.D., but instead of killing that freak and his cronies, we're going to send them to The Masters of Evil's HQ, but not before we beat the daylights out of them. They made a massive mistake in bullying and harassing one of my future wives, so I'm going to enjoy kicking their scaly hides all over the place.

Nico: That's a good idea, Lincoln, and I like the idea of you kicking their scaly hides all over the place.

Me: Save seconds for me, Linc, I've got a score to settle with that dumbass and his cronies.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Hinnphes, another member of The Extraterrestrial Order of The Planets of Holy Ghidorah, and he's coming here to kill us all for ruining their plans. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Hinnphes of The Extraterrestrial Order of The Planets of Holy Ghidorah on the move?

Lincoln: You guessed it, Rayman, and he's coming here to kill us all for ruining their plans.

Nico: Just as we expected, but we're more than ready for Hinnphes, right, Saline?

Saline Guntherton: Right, and just like what happened, he's going to transform by drinking that potion with 2018 King Ghidorah's blood, so Lincoln will separate his King Ghidorah Hybrid Monster form from his real form and absorb the King Ghidorah Hybrid Monster form while we destroy Hinnphes and give him The Black Gates.

Lincoln: Those deranged fanatics have really been playing with fire when they created that potion, don't they have any idea of what that stuff will do to them should they dare to consume it.

Nico: Unfortunately not. Alright, gang, let's head on over to Yokai Academy and teach those lizard-lipped bullies a lesson about bullying and harassing others.

Lincoln: If they think they can get away with bullying Yukari again, they've got another thing coming, and once we get through with teaching those bullies a lesson, you better be ready to die, Hinnphes.

Saline Guntherton: You better be ready to die, Hinnphes, because you're about to face the full extent of the Elemental Incarnation of

Subtlety.

Nico: Then lets go guys.

Evil Orbit Woman: Let's get over there!

Crimson Dynamo: Irene, when we get there, you can catch up with Poromon, Poliwag, Joi, and the rest.

Irene: Good idea.

Poromon: Yeah!

We were off to the Yokai Realm.

* * *

Paragus: Here we are.

Oceanus Shenron: Wow when you guys said that you made it beautiful you all weren't kidding.

Kurumu: Wow no kidding there. The Yokai Realm being purged of Kuyo's evil really made it completely different.

Moka: This is incredible.

Ruby Tojo: No kidding.

Me: Yep. Leeli did really amazing there.

Sheila Eingana: She sure did mates.

Cecilia: We all were amazed ourselves too.

Turtle: But it's still the same Yokai Realm.

Scirocco Mole: Including the school.

Me: That's right.

Qin: We were amazed ourselves though.

Camie: So who is this Tadashi guy?

Me: His name is Tadashi Wanibuchi and he is the Class President of Yokai Academy. He and his friends are Lizardmen. You know like the Fangs we fought yesterday or the monsters from the movie The Alligator People.

Camie: Really?

Me: Yep. But they are bullies. Me and Naruto killed them before.

I went over their history.

---

Tadashi Wanibuchi (鰐淵 正, Wanibuchi Tadashi) is the president of Yukari's class. He hangs out with two other Lizardmen whose names are not mentioned in the manga.

This character is introduced when he harrasses Yukari and Moka steps in to save her. He is only in volume 2 of the manga. After being defeated by Moka, he doesn't reappear.

---

When I was done everyone was shocked and horrified about what he and his friends did.

Nico: Man what a bunch of heartless cold-blooded assholes!

Me: You got that right.

Blackfire: Are they part Chameleon?

Me: No they looked more like Iguana Creatures.

Blackfire: Oh.

Me: Yeah but these guys really had a nasty habit of pissing people off. ESPECIALLY me! What they did to Yukari back then REALLY pissed me off!

Xenia: I don't blame you.

Gator Ghoul: How long before they get here?

Yost Pyro: Hopefully, we've got some time, right?

Me: Well class is in session so it'll be about 45 minutes.

Nico: Perfect. We'll just wait.

Me: Okay.

Lola: Plenty of time to wait.

Kurumu: Indeed.

We went to the courtyard and waited.

Me: So Kurumu how does it feel to have your sister back?

Kurumu: It feels great J.D.

Nico: Glad you have her back.

Kurumu: And J.D. take good care of her.

Me: You have my word.

Nico: J.D. can you tell me how you faced these clods before?

Me: Sure thing. It was back when me and Naruto were here for the first time and we finished a huge test.

FLASHBACK - CHAPTER 94 (MEETING YUKARI)

2 hours later, Me, Naruto, Moka, Fenikkusu and Kurumu were checking out our test scores and we saw that we are all tied for number one with someone called Yukari Sendo. We then see three boys picking on a little girl in witch attire.

Boy 1: That stupid witch costume is against the rules.

I walk up to them.

Me: Leave her alone you filthy parasites! Who the heck do you think you are picking on her?

Naruto: Yeah, she's a little girl you know!

Boy 2: Who are you two?

Me: Someone you don't want to get mad. Now get out of here and if we catch you picking on this little girl again we will kill you!

Naruto: Yeah! Consider this your first and last warning!

Me, Naruto, Moka, Fenikkusu, and Kurumu met Yukari Sendo.

Me: It's a pleasure to meet you Yukari. I'm J.D. Knudson.

Naruto: I'm Naruto Uzumaki Namikaze.

Moka: I'm Moka Akishiya.

Fenikkusu: I'm Fenikkusu Megami.

Kurumu: And I'm Kurumu Kurono.

Yukari: It's a pleasure to meet you all.

Me: Yukari I can tell that you have amazing smarts and you have a great talent in the mystic arts like me.

Yukari: You can use magic too?

Me: Light and dark magic. Also I can sense that you are in pain too. I can tell that no one accepts you because of your gifts.

Kurumu: That's really sad.

Naruto: Trust me Yukari I know how you feel. I too was not liked and more.

Fenikkusu: That's right. You don't have to worry about that anymore. We'll be your friends.

Yukari was shocked by this and she broke down crying and Naruto comforted her.

?: Hey!

We saw the same three boys from before.

Me: Those jerks again!

Naruto: What do you three morons want!?

Boy 3: Making friends with a witch is against the rules and you will pay for that!

They transform into lizardmen.

Me: Lizardmen!? I thought they existed only in B-Movies!

Tadashi: No we are real and we will kill you for befriending a witch.

Me: Bring it on. I could use a lizardskin wallet to give to my fiancée. But not in here. Lets take this outside.

Tadashi: Good thinking.

We all go outside to the forest and a savage fight began. We all overwhelmed the Lizardmen and me and Naruto blasted them and killed them. I take my sword and slash the dead bodies and turn them into a wallet and purse.

Me: Perfect.

Yukari: You sure stayed true to your threat J.D.

Me: Yep. They were asking for trouble and they got it.

I sealed the wallet and purse into a scroll.

FLASHBACK ENDS

Nico: WHOA! So that's how you faced them before.

Me: Yep.

Nico: That is cool.

Yukari: Yeah it sure was.

Keito: We didn't like Tadashi back then.

Me: Who can blame you girls.

Irene: So, Joi. Tell me about when you first met Nico and the others?

Joi Reynard: Well, it was during the time Grim became human. Me, Adam, Faraji, and Tora actually met them without any trouble.

Bleez: But when Jonny tried showing them pictures of the 2003 Turtles helping us kick Wild Card's ass, we saw Buzz pouring soda on the table instead!

Me: Oops.

Nico: Uh oh.

Eli: Yikes.

David Cain: And Pinkie, Kurt, Luis, and Dave were involved in the party too.

Lego Poison Ivy: As well as several other party guests!

Me: Pinkie Pie we can understand because she is a great party planner and all that.

Pinkie Pie: It's true. And I just love making everyone and everypony smile.

Nico: And you are great at that.

Me: Yep.

Ant Man: But it was strange and cool seeing Kurt, Luis and Dave there.

Blizzard Man: Poromon, Pinkie, Poliwag, and Buzz actually did a good job cleaning up the house… until they found out that someone wrote in permanent marker "Buzz Rules" on the bathroom door!

Me: Yeah it's true. But it's a good thing we had several spare doors for just such emergencies.

Nico: Smart thinking there.

Megan McCallister: Yeah my brother has always been a party animal.

Nico: Yep. Kate McCallister figured it out pretty fast. Her mother instincts decoded it.

Me: Moms sure are smart huh?

We laughed at that one.

Nico: (LAUGHS) Yes they sure are.

Big Lenny: And she saw that the door that was switched out didn't have a lock on it.

Seadramon: (to Poromon) Do you, Poliwag, and Pinkie have anything to say to Irene regarding your parts in the whole thing?

Poromon: It was all mostly Buzz's idea.

Poliwag: Yeah we went along with Buzz.

Pinkie Pie: But it was all part of my party planning.

Irene: I heard you make really awesome parties Pinkie.

Me: Her parties are some of the best we have seen and done. She makes awesome birthday parties, baby showers, weddings and more.

Nico: Yep.

Joi Reynard: It's really cool.

Pinkie Pie: Yeah it sure is.

Irene: I am a little disappointed for you guys to do that.

Plant Man: We were led to believe that the stress of all the missions was getting to us upon us seeing that the bathroom door didn't have a lock on it. Turns out that wasn't the case!

Me: No it wasn't. Even though it was like that with all of us mostly because of Dark Orb Contamination.

Nico: True.

Lola: Yeah.

Leap Frog: And all of it happened near the anniversary of the 20 Days of Darkness.

Glue Man: Oh, and Buzz tried on Eyeliner during the whole party.

Megan: EYELINER?!

Me: SHH! Classes are in session.

Megan: Sorry. But that was my eyeliner.

Nico: Yeah.

Lana: That was a crazy party.

Fuse Man: (to Linus) I'm surprised you, Charlie Brown, and the rest of your friends knew about the whole thing.

Linus: When you trust certain people to watch your house, you know they'll do something behind your backs.

Me: We know that feeling.

Lily: Yeah we sure do.

Me: Like when Ned Flanders had those girls in his home. (Season 16 Episode 20)

Nico: Oh boy.

Keiichiro: Buzz also put Trigger Machine Splash on the thermostat.

Irene: How long was the party kept a secret?

Marluxia: About 26 days.

Neo nodded.

Me: Very impressive.

Pinkie Pie: Longer than how long I kept Princess Cadance and Shining Armor's baby a secret.

Qin: That is true.

Me: Yeah.

The bell rang.

Bassoon Burns: Classes are over already?

Skalamander: (to Irene) Time flies when you're catching up with old friends, huh?

Irene: It sure does.

Me: Yep.

Nico: I agree there as well.

Jack Spicer: Entrance time!

Me: I'll face them and you guys come in when I give the signal.

Nico: Okay then.

Everyone hid.

I waited.

Then 3 figures came out.

They were Tadashi and his friends!

Me: Hey Tadashi!

Tadashi and his friends saw me.

Tadashi: J.D. Knudson!?

Boy 1: What happened to you!?

Boy 2: You look completely different.

Me: I have evolved tremendously since when we last met. And I have gotten infinitely stronger and far more powerful since then.

Tadashi: But it doesn't matter! It's still against the rules for befriending a witch.

Me: Your arrogance and superiority is what lead to your downfalls the last time.

Tadashi: It won't matter. You killed us and now we'll kill you!

Me: (Smirks) I'm counting on it.

Then numerous lizards appeared and they swirled around us and then they converged and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above them and a phoenix cry was heard and everyone came out.

Nico: You douchebags are in really big trouble!

Dr. Polaris: For your information, people CAN befriend witches!

Yost Magneto: Especially if they're friendly ones.

Me: That's right!

Tadashi: NO! That's against the rules!

They turned into LIZARDMEN!

Qin: UGLY!

Nico: You guys are seriously buttugly motherfuckers!

Tadashi: Who are you calling ugly!?

Me: Uh have you looked in the mirror lately!

I went at them and punched and pulverized them all over!

POW BIFF CRACK SMASH WHAM!

I punched and pulverized them all over the place with incredible fury.

Then Selma & Patty, Krusty, Cargill, The Springfield Bullies, Rich Texan, Skinner, Comic Book Guy, Snake Jailbird, Springfield Mafia, Cantwell, Mr. Fibb and Mr. Wink, Quackerjack, Steelbeak, Technicolor Phantoms, Golden Gut, Sellon, Secret Snake Club, Roman Torchwick, UA Carnage, and Quirrel appeared.

Krusty: Hey Hey Kiddies! (GOOFY LAUGHTER)

Nico: Selma & Patty, Krusty, Cargill, The Springfield Bullies, Rich Texan, Skinner, Comic Book Guy, Snake Jailbird, Springfield Mafia, Cantwell, Mr. Fibb and Mr. Wink, Quackerjack, Steelbeak, Technicolor Phantoms, Golden Gut, Sellon, Secret Snake Club, Roman Torchwick, UA Carnage, and Quirrel.

Patty: Did you guys seriously pass the time by telling Irene about Buzz's party.

Maria: We sure did.

Krusty: Well, she had a right to know.

Eli: Yep. We had to kill time somehow while classes were in session.

Cargill: I don't think Buzz will be able to throw a party that big again.

Eli: Nope.

Jimbo: (to Nico) We heard your rescue was also here this morning.

Nico: You heard right.

Rich Texan: What did you do there?

Nico: We were telling the headmaster about everything that happened as well as how the place got purified.

Qin: It's true.

Leeli: Yeah that was cool.

Rich Texan: That is awesome.

Fireor then appeared!

Eli: Fireor? But you already have your usual battle.

Fireor: I know that. But believe it or not it's my turn for the ranger battle.

Nico: Oh I see.

Fireor: I just hope J.D. doesn't expend all of his energy before getting to battle me.

Nico: Don't worry. He has more than enough.

Me: And I can go like this too.

Everyone saw that it was a clone of me.

Nico: I forgot about the contingency plan.

Fireor: Very clever.

Nico: Yep.

We got the battles underway.

Mandee, Sunset Shimmer, Pipsqueak, Fire Skylanders, Tahu, Vakama, Caitlyn and Dominique VS Selma & Patty Bouvier - Nico's rescue at Yokai Academy

Selma & Patty were first.

Selma: (to Mandee) Nico's rescue was at Yokai Academy again. What happened there this time?

Mandee: Well they were there to tell the headmaster of the Academy everything that happened because of Kuyo and how bad his evil influence was on many people and monsters.

Sunset Shimmer: You wouldn't believe how bad it was to a certain extent.

Pipsqueak: (British Accent) We found out that Kuyo was brainwashing and manipulating not just the students to do his bidding but also many members of the faculty and the staff as well as people that are outside of the Yokai Academy world.

Patty: Whoa! He was truly the Devil Incarnate.

Sunburn: You're not kidding there and we're glad that J.D. gave him the black gates.

Tahu: All the students are really grateful there too.

Vakama: Yeah that was so awful! He wanted to rule the entire Yokai Realm with an Iron Fist.

Selma: That is horrible! I'm glad you all stopped him back then. Did you guys also meet any new students there?

Sunset Shimmer: We sure did and we met a Cecaelia, Eingana, Boto Encantado, Chupacabra, Iara and Lorelai. Those are creatures from Greek, Australian, Brazil, Peru and German myth.

Selma: Wow! That is amazing!

Patty: It sure is. Lets do it!

Mandee: Light you before we start?

Selma: Oh sure.

They got out cigarettes and Mandee lit a flame on her thumb and they lit their cigarettes and puffed them and it was good.

Selma: Ahh. Thank you.

CANDLE FLAME MAGISWORD!

Mandee used her ridewatch and they fired waves of fire and smashed them down.

Jackie, Pinkie Pie, Maud Pie, Featherweight, Tech Skylanders, Pohatu, Onewa, Bomb Man and Blast Man VS Krusty the Clown - Battling Another Maria, Another Kurumu and Another Pete

---

Krusty was next.

Krusty: (to Jackie) Nico, Penny's team, Pete's team, and the others did good battling Another Maria and Another Kurumu. And Another Pete as well.

Jackie: They sure did and it turns out the Another Maria was one of J.D.'s enemies from his fight club days and the Another Kurumu was someone that was really awesome. She was really Kurumu's long lost twin sister Alita and the Another Pete was a great friend of Nico's. It was actually the next gene-slammer. Her name was Irene Prewitt and she is one of the Ninja Acolytes. She wasn't with them back then to defeat the Demon Shredder because she was out on assignment on another planet fighting an evil alien overlord. She succeeded.

Pinkie Pie: It was really amazing to hear about!

Maud Pie: (monotonously) It was really something.

Featherweight: We all were amazed about that.

Sprocket: Boy we sure were. We were really in awe about that.

Pohatu: I agree there and it was cool.

Onewa: Yeah but the Demon Shredder is gone forever now.

Krusty: Boy thank goodness. I had no idea that the Another Pete was also the gene-slammer for Tropika too. Lets do it!

FIREBALL PIE BOMB MAGISWORD!

Jackie used her ridewatch and they fired waves of metal, gears, pies, lightning and fireballs and smashed him down.

## Girl Jordan, Leeli, Rarity, Sweetie Belle, Water Skylanders, Gali, Nokama, Oceanus Shenron and Paragus VS Russ Cargill - Lincoln's Rescue

---

Russ Cargill was next.

Russ Cargill: (to Girl Jordan) I heard Lincoln's rescue was in Domino City. How was it?

Girl Jordan: It was really awesome and we were there to take down Marana DeRose, Adora Dunstan, Aviara Melaina, Verona Donovan, Ravana Duncan, Victoria Keiron, Winnie Varyona, and Monica Ceirin. They were the former little sisters of the Knightmare Coven of Justice and they were out for blood and revenge. Morgana DeRose said that they were normal girls, but they're actually eight of the most rotten, spoiled Queen Bees who terrorized the students and teachers of the Royal Woods school system for years. They've been nothing more than a bunch of jealous, envy-driven, rotten, evil, spoiled Queen Bee monsters ever to be let into the school system, and it ended with Marana and her friends getting expelled by Lincoln, Morgana, and her coven, and Marana and her friends were also disowned by their parents and older sisters and were kicked out into the streets.

Russ Cargill: Boy that is horrible! Those girls sounded like they were nothing but trouble in capital letters!

Girl Jordan: That is a total understatement. But they were put in the Charon Reform School.

Leeli: Yeah it was really awesome to see.

Rarity: It was really amazing to hear about too darlings.

Sweetie Belle: Yeah it sure was and we really were glad those girls got what was coming to them.

Gill Grunt: They sure had it coming.

Gali: I agree there. It was awesome.

Nokama: We're proud of Lincoln and everyone.

Cargill: I am too. Lets do it!

SEA DRAGON SONG MAGISWORD!

Girl Jordan used her ridewatch and they fired waves of water, jewels and ice and smashed him down.

## Sam Sharp Loud, Fluttershy, Tornado Bolt, Seabreeze, Life Skylanders, Lewa, Matau, Mewtwo and Blackfire VS Jimbo, Dolph and Kearney the Springfield Bullies - Meeting the Avatar of Aslla Piscu

---

The Springfield Bullies were next.

Dolph: (to Sam) We heard you guys met the Avatar of Aslla Piscu.

Kearney: What's her name?

Sam S.L.: Her name is Carla Carmine and she is Carly's little sister.

Jimbo: That is cool! We didn't know she had a sister.

Kearney: Wow! And I bet she is a strong psychic.

Fluttershy: She sure is and she is a magnificent clairvoyant.

Tornado Bolt: She actually foresaw the coming of two eminent attacks on Lincoln and stopped them before they could happen.

---

Nico: Yep. So, Carla, Rakuraimon, what's the stories you have on why you hate Lori and Luan with a burning passion?

Rakuraimon: Uh oh, I was hoping you'd ask that. One day, Lincoln and I were at the park and we were having fun especially on a stormy day, but then, we heard the sound of insane laughter in the air, and we knew who it was: it was Luan. Lincoln fired a lightning blast which hit a bush she was hiding inside, and it forced her out, and she was out to kill us. But, Lincoln and I took advantage of the stormy conditions and we attacked her with lightning blasts which shocked her badly and knocked her out and he tied her up with red energy blasts fired from his white angel wings. We flew back to The Loud House and after we told the parents of what Luan tried to do, she got grounded for nine weeks and she was put in a metal cage and she was still spasming from the lightning blasts we hit her with.

Nico: Sheesh, so Luan was out to kill again?! Man, Dark Luan was one homicidal nut-job.

Luna: Yeah, but Lincoln and Rakuraimon took her down easily, she messed with the Warriors of The Storm and look at what happened to her.

Carla Carmine: She was electrocuted and thrown in a cage. Alright, now for my story, I made it no surprise that I've hated Lori for all the crap and Hell she put Lincoln through and she always acted like she's better than him and everyone around her, and I've had to put her in her place more than once. One day, I was with Lincoln and we were doing some homework for Mrs. Johnson's class. But, then, Lincoln and I had gotten a vision, and it was Lori barging into his room and demanding that he be an ottoman so she can paint her raptor claws that we call her toenails and we had another vision of her killing him and saying that she's better than him and he'll always be a twerp who'll never be a success and she was just outright cruel to him. After our vision ended, we couldn't let Lori get away with it, so we went down to Mr. and Mrs. Loud and after we showed them our vision, they were really furious at Lori, and when Lori came back from golf practice, I grabbed Lori by the ear and dragged her to the couch and after the parents told her of the vision Lincoln and I had while we were doing our homework, she just lost it and she let out her true nature: an arrogant, two-faced, cold-hearted, unfeeling bitch who acts like she's better than Lincoln and everyone around her. But, that sealed her fate, she got grounded big time for eighteen weeks, and Lincoln threw her in a metal cage where she can't get out, and we also warned Lynn, Lola, Lisa, and Luan that if they dared to help Lori escape, Lincoln was going to punch Lynn hard in the nose, put Lisa in a makeshift jail, throw Lisa in a metal cage, and Luan in a makeshift padded room and tied up in a straitjacket.

Nico: Whoa, now those were some powerful visions. But, they warned you guys of what Lori was about to do, and you told Mr. Lynn and Ms. Rita of what you saw, and when you showed them Lori's attempt, they had to take action on her.

Me: They sure did, and Carla really put Lori in her place more than once, and it infuriated Lori badly, she wanted things to go her way or she was going to kill someone.

Lincoln: Which made her look like a monster in front of everyone, and we didn't tolerate her control freak attitude towards us. I warned her numerous times, but does she listen?

Nico: She doesn't, and it's because of Dark Lori.

Luna: I've taken Lori down more than once if she tried anything stupid with my little bro, and he's taken her down more than once. (Snickers) She really had a hard time going against a 7'5" imposing and extremely muscular man who's gone through a combination of intense and constant training, family genes, and hyperpuberty, along with constant and intense bodybuilding, and who can easily lift her up by the collar of her top with only one hand.

Laney: Same went with Lynn, Lola, Lisa, and Luan if they tried that schtick again.

FLASHBACK ENDS

Jimbo: Wow that is so cool!

Dolph: Boy her Clairvoyant Powers are just as strong as those of the Arcana Force Gene-slammers.

Seabreeze: (Swedish Accent) Ja they sure are amazing to see.

Stealth Elf: They sure are and they are incredibly powerful and can see things before they happen.

Lewa: We were amazed that she was able to stop all that before it even happened.

Matau: Yeah that is amazingly powerful.

Jimbo: Boy that is really something. Lets do it!

PRIDE RAINBOW MAGISWORD!

Sam used her ridewatch and they fired waves of leaves, grass, flowers, fruit and rainbows and smashed them down

---

## Becky, Twilight Sparkle, Starshine Sparkle, Magic Skylanders, Takanuva, Bleez and Frightwig VS Rich Texan - Trixie's final mission and battling Armeggaddon

Becky: Trixie did amazingly well against him and we're really proud of her for that.

Twilight Sparkle: We sure are and the best part is that Artha views Trixie as a sister.

Starshine Sparkle: We're so proud of her for coming so far like this. Now we have Lewa's missions after this.

Rich Texan: Hey it's about time he had a shot. He didn't get that last year. What are his missions for?

Spyro: He's going to the world of the 2005 movie Valiant and that movie takes place in the year 1944.

Takanuva: That movie takes place a few days before the Battle of Normandy on June 6th, 1944.

Rich Texan: Wow! That is gonna be cool! And that was D-Day back then. That big day should take place on June 6th, 2023 to commemorate that day back 79 years ago.

Becky: That would be awesome.

Rich Texan: It sure would. Lets do it!

PLANT BAZOOKA MAGISWORD!

Becky activated her ridewatch and they fired waves of magic and fruits and smashed him down.

## Dana, Starlight Glimmer, Cozy Glow, Undead Skylanders, Kopaka, Nuju, Tundra Man and Blizzard Man VS Skinner - Rarity Crying Again because of Flip

Skinner was next.

Skinner: (to Dana) Rarity was Crying Again because of Flip. Honestly, jerks making Rarity cry is really getting old!

Dana: Well you know how villains in the comics can be for that right? Like Crag said when Citracett kidnapped Jimmy. Us superheroes are invulnerable to physical attacks and villains have to find OTHER ways to hurt us and they either attack either with words or go after our weaker loved ones and force us to do things we don't like doing.

Skinner: Oh I get it. So they have to make us angry by hurting the weaker emotional ones.

Dana: That's right.

Starlight Glimmer: Man that Flip is such a jerk! He called Rarity a bunch of really horrible names and even threatened to make her life miserable by destroying all her fashions!

Cozy Glow: No kidding there! Flip is an ugly mutant freak!

Hex: He sure is! I don't know what Mr. Lynn was thinking when he was friends with him.

Applejack: Yeah the kid was more angrier than a swarm of flash bees supercharged by lightning!

Apple Bloom: He went completely berserk on that monster Flip!

Flashwing: You wouldn't believe what he did to Flip. He roughed him up so bad that Flip exploded gold, jewels, coins and gold bars like a volcano for 2 hours straight! We never have seen him so angry like that.

Onua: Yeah no kidding there! WHEW! Flip is really going to get the black gates if he keeps this up.

Lisa Simpson: Yeah they sure will be awesome members. I have a feeling under your care they will be better.

Princess Luna: I agree there myself and it will be awesome to see how they turn out.

Moondust: J.D. also said that they remind him of the Alligator People from the 1957 movie.

Nico: You got that right, Lincoln. Awesome job, gang, but we're not done yet.

Saline Guntherton: That's right, there's still the matter of Hinnphes to deal with, and that religious fanatic should be arriving… right now!

?: I will make every last one of you pay for what you did in destroying our Lord Ghidorah, Team Loud Phoenix Storm!

Yuko: I knew there was no mistaking that voice from anywhere, you can come out now, Hinnphes.

A figure came out, and it was none other than Hinnphes of The Extraterrestrial Order of The Planets of Holy Ghidorah.

Yuko: Hinnphes, I should've known you'd show up here, and we already knew of the Order's arrival days ago, so we're prepared to destroy you all. We will never let you destroy the Earth ever!

Hinnphes: You fools will pay dearly for this, Lord Ghidorah will rise again and the entire Earth will be destroyed!

Saline Guntherton: The only one who deserves to be destroyed is you.

Suddenly, Saline Guntherton's blue eyes turned neon blue and she was surrounded by an aqua blue energy aura with ocean waves, water, dragons, phoenixes, and water angels, she unholstered her massive Subtlety-themed greatsword from her back, and as she approached Hinnphes, she left aqua blue energy, ocean waves, water, dragons, phoenixes, and water angels with every step.

Saline Guntherton: I will never ever forgive you for what you and the rest of the Order have tried to do 20,000 years from now, Hinnphes: wanting King Ghidorah to destroy our world and every last living thing on it, that's one thing I will never allow, and for that, I hope you're ready to drown in a sea of retribution for your crimes against mankind and the universe!

Suddenly, Saline Guntherton was surrounded by a massive vortex of aqua blue energy with ocean waves and water surrounding it, there are dragons, phoenixes, and water angels and Subtlety flying around the vortex, and in the vortex is a blue phoenix with red eyes glaring at Hinnphes: the red eyes of death. Then, as the vortex faded, Saline Guntherton emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Saline Guntherton grew to 7'4" in height, she has the body of a goddess, she has blue highlights in the bangs of her long aqua blue hair, she has neon blue eyes and an aqua blue energy aura with ocean waves, water, dragons, phoenixes, and water angels surrounding her, she has Subtlety emblazoned on her forehead and Third Eye with blue iris, she has on dragon earrings with blue gems for eyes and holding the Water and Eternity Kanjis in its claws, she also has Subtlety with blue gems for eyes and holding the Water and Eternity Kanjis in its hands on the bottom of her blue phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Dragon Necklace of Eternal Love necklace with blue crystal links from her merged Crystal Necklace of the Buddha and blue gems on the gold flame links. Saline Guntherton has on a sleeveless blue blouse, sleeveless blue closed blouse, blue skirt, blue pants, blue sneakers, and long sleeveless white trenchcoat with ocean waves, water, dragons, phoenixes, and water angels on the coattails, and on the back is Subtlety surrounded by ocean waves. Suddenly, Saline Guntherton felt a sharp pain on her back, and then, her massive aqua blue angel wings with blue tips on the large aqua blue feathers, grew much bigger for her new body and she now has eleven massive and long aqua blue wolf tails with blue tips. Saline Guntherton has on her Ring of the Phoenix with large aqua blue gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Saline Guntherton's massive Subtlety-themed greatsword and all the greatswords she'd gotten began merging together and they're suddenly surrounded by a kaleidoscope of aqua blue energy, ocean waves, water, dragons, phoenixes, and water angels, and when it emerged, it transformed into Subtlety's Elemental Maelstrom Draconic Phoenix Oceanic Greatsword of Elemental Water Subtlety Justice, it's a brand-new massive greatsword with embedded aqua blue gems and the Water Elemental Subtlety etched on the 7'0" massive, wide, double-edged aqua blue blade, large aqua blue dragon heads for the crossguard, large blue gem embedded in the hilt, longer midnight black handle, four large blue phoenix heads with aqua blue gems for eyes and large aqua blue gem on the bottom of the blue phoenix heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with aqua blue gems on her wrists, her large gold Belt of Elemental Bravery with a gold version of Subtlety's head with aqua blue gems for eyes and a large aqua blue gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's an aqua blue kanji below Subtlety that said, "Saline Guntherton, Gene-Slammer of Subtlety, Elemental Angel of Water, Loving Second Eldest Sister of Fiona Guntherton, Bertha Guntherton, Hailey Guntherton, and Emma Guntherton, Future Wife of Nico Chan, Archenemy of Yousuke Togawa the Magma Dopant, Destroyer of Hinnphes of The Extraterrestrial Order of The Planets of Holy Ghidorah, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Water, Dragons, and Phoenixes"

サリーン・ガンサートン、精巧さのジーン・スラマー、水のエレメンタル・エンジェル、フィオナ・ガンサートン、バーサ・ガンサートン、ヘイリー・ガンサートン、エマ・ガンサートンの愛する次女、ニコ・チャンの未来の妻、マグマ・ドーパントの戸川洋介の大敵、ヒンフェスの破壊者ホーリー ギドラの惑星の地球外秩序、悪のスレイヤー、混乱した殺人的で冷酷でサディスティックなろくでなし、驚くほど強力な教師の驚くべき強力な生徒、水、ドラゴン、フェニックスのマスター

Saline Guntherton has transformed into SUPER ANGEL-SUBTLETY-DRAGON-PHOENIX-HARMONY CELESTIAL ETERNAL XELNAGA DRACONIC PHOENIX OCEANIC MAELSTROM SUBTLETY ANGEL OF DIVINE ELEMENTAL MAELSTROM SUBTLETY ANGEL JUSTICE AND DIVINE ELEMENTAL MAELSTROM SUBTLETY ANGEL LOVE!

We were amazed by Saline Guntherton's Super Angel-Subtlety-Dragon-Phoenix-Harmony Celestial Eternal Xelnaga transformation, and when Nico saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Hinnphes saw it, he fell into an infernal rage and he got out his blaster to blast her, but Saline Guntherton fired a powerful aqua blue energy blast with water, ocean waves, dragons, phoenixes, and water angels at Hinnphes, which hit him and pushed him back and he also got drenched, but this really pissed him off now.

Fiona Guntherton: Wow, Saline's transformed, awesome!

Bertha Guntherton: That's really incredible, and she really drenched Hinnphes badly.

Nico: And she's really got him pissed off now big time.

Saline Guntherton: (Divine Echoing Cosmic Voice of The Elemental Subtlety Maelstrom Draconic Phoenix Water Angel and Divine Draconic Phoenix Maelstrom Subtlety Angel Water Love) And now, a watery grave awaits you, Hinnphes.

Nico: Let's get him, Saline, this bastard doesn't deserve to live any longer.

Nico transformed into Super Saiyan Rainbow Infinity and unholsters his massive Nico's Universal Elemental Greatsword of Saiyan Pride and Phoenix Justice from his wider and muscular back and joined Saline Guntherton.

Nico: (Divine Echoing Voice of Rainbow Redemption) Alright, you fanatical clod, it's time for you to pay for your crimes with your blood!

Saline Guntherton and Nico went after Hinnphes who's now gone even more full-blown ballistic, and they fired extremely powerful blasts of rainbow energy, aqua blue energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Hinnphes and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him.

Nico turned his fingernails into claws and he slashed at Hinnphes, drawing more blood and leaving more scars on him, and he was being driven even more ballistic. Suddenly, Hinnphes took out the vial of red liquid with a drop of 2018 King Ghidorah's blood, then he drank it. Suddenly, Hinnphes began changing as massive wings like King Ghidorah's grew and sprouted out from his back, his skin was covered in gold scales, and he'd grown King Ghidorah's tails.

Me: Watch it, you guys, now Hinnphes has transformed into his King Ghidorah Hybrid Monster form.

Hinnphes fired a Gravity Lightning blast at Saline Guntherton and Nico who dodged it.

Lincoln: Saline, Nico, hang on!

Lincoln fired a rainbow energy blast which separated Hinnphes from his King Ghidorah Hybrid Monster form, and then, Lincoln went at King Ghidorah Hybrid Monster Hinnphes and he stabbed him in his chest with one of his eleven massive and long white wolf tails paralyzing him so he couldn't try to escape, and then, Lincoln began absorbing King Ghidorah Hybrid Monster Hinnphes' bio-energy and assimilated his powers and abilities until nothing was left of it.

Nico: (Divine Echoing Voice of Rainbow Redemption) Thanks for the save, Lincoln. Now, Saline, let's end this bastard for good.

Saline Guntherton: (Divine Echoing Cosmic Voice of The Elemental Subtlety Maelstrom Draconic Phoenix Water Angel and Divine Draconic Phoenix Maelstrom Subtlety Angel Water Love) You got it, Nico.

Saline Guntherton and Nico sent Hinnphes flying into the air, and then, they prepared their combo to put an end to Hinnphes.

Saline Guntherton and Nico: ELEMENTAL SUBTLETY DRACONIC PHOENIX MAELSTROM KAMEHAMEHA!

Saline Guntherton and Nico fired two massive aqua blue energy Kamehameha waves with ocean waves, water, dragons, phoenixes, and water angels which hit Hinnphes, and they explode with incredible power as they hit him, and he was obliterated. Then, when his spirit appeared, Saline Guntherton and Nico drew the Judgement Kanji on his forehead, and he was erased by The Black Gates for her crimes. We cheered as Saline Guntherton and Nico holster their massive greatswords on their backs and powered down, and Saline Guntherton's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long aqua blue wolf tails, and massive aqua blue angel wings are permanent.

Saline Guntherton: That's one member of The Extraterrestrial Order of The Planets of Holy Ghidorah down and twenty-eight members to go. Thanks for helping me destroy Hinnphes once and for all, Nico.

Nico: (Smiles Warmly) You're welcome, Saline.

Suddenly, Saline Guntherton wrapped her arms around Nico's wider and muscular back, as her chest pressed against Nico's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Nico's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to their faces. Then, as Nico leaned down to Saline Guntherton's face, they kissed passionately as she moved her arms and placed her hands on Nico's massive pecs, and behind them was a Dragon, Phoenix, Angel, and Subtlety flying in the air, and we saw many animals running across the field, along with elemental forces and ocean waves crashing behind them and we cheered wildly. Then, Nico and Saline Guntherton absorbed the water and they came back to us as the display and Subtlety vanished.

Me: Whoa, now that's what I call another cult fanatic put down for good, nice job, Nico and Saline.

Nico: Thanks, J.D., and like Lincoln said, those potions the members of The Extraterrestrial Order of the Planets of Holy Ghidorah have allow them to transform into King Ghidorah Hybrid Monsters and they also acquire his powers as well.

Lincoln: But, they only use it when they've really been pushed too far. However, one rainbow energy blast separates them from their King Ghidorah Hybrid Monster form.

Nico: And they wind up becoming your next meal for you to absorb, Lincoln, and for tomorrow, the next member is Juurea, which means you're up next, Bertha.

Bertha Guntherton: Yeah, we'll make Juurea pay.

Nico: We sure will. So, who's the next Dark Signer Monsters Fusion Gene-Slammer we'll be meeting tomorrow on your rescue, Lincoln?

Lincoln: We already have that one planned out, the next one for tomorrow will be The Fusion Gene-Slammer for Dark Spider, Ground Spider, Informer Spider, Mother Spider, Relinquished Spider, Spyder Spider, and Earthbound Immortal Uru.

Maria Tredwell: The monsters of Roman Goodwin. Uh, Lincoln, I hate to ask this, but aren't your Dad and Leni afraid of spiders?

Lincoln: Actually, Nightmare cured Leni of her fear of spiders, which was an impossible task for us to do for years, but we haven't cured Dad of his fear of spiders. Dang it.

Nico: So, it's clear, we can't bring your Dad with us tomorrow on your next rescue, if he sees the Avatar of Earthbound Immortal Uru and Roman Goodwin's monsters, he's going to freak.

Lynn Sr. was already shaking in fright because of his fear of spiders.

Lincoln: Dad, I'm sorry to say this, but…

Lynn Sr.: No, no, I'll come with you tomorrow. I've got to get over my fear of spiders, like how I got over my fear of Halloween.

Lincoln: Okay, Dad. Nico, J.D., be sure to keep an eye on Dad, make sure he doesn't panic tomorrow, okay?

Me and Nico: Gotcha.

Skinner: We'll take good care of Tadashi and his pals.

Comic Book Guy: Worst. Bullies. Ever!

Snake Jailbird: One of the worst, anyway.

Me: My sentiments exactly.

Fat Tony: I just hope no one else makes Rarity cry at least until after the Ridonculous Race this year.

Cantwell: One can only hope.

Nico: Lets hope so.

Yukari: But thank you guys for restoring my honor.

Me: Anytime Yukari.

Lincoln: It was the least we can do.

Nico: Yep. Great job today everyone.

Lincoln: (To the viewers) Bullies better beware, you mess with me or my future wives and you mess with all of us.

Me: That is for sure.

We later went back home and enjoyed the rest of the day and went to sleep.

Me: Ahh. When was the last time we got here in the park just to relax?

Camie: Boy good question.

Nico: Not sure.

Lola: But this is great.

Eli: You said it.

Varie: Man we were really busy.

Kaina Tsutsumi: You are not kidding there.

Leeli: But this is so relaxing.

Sora Phaaze: It sure is.

Nico: Yeah. Baihumon thank you and Stratos and your teams for helping us out.

Baihumon: No problem Nico. It's gonna be awesome.

Bastemon: It sure will be awesome.

Nico: Bastemon, what do you like to do in your free time?

Bastemon: Hmm. I'm not sure. Everyone says that I'm an Arabian Bellydancer and I entertain people like one at a dance club. It's fun.

Qin: Well you are a beautiful and very powerful one.

Xenia: I agree there.

Bastemon: I agree there too. I'm glad you think so.

Leeli: I think it's cool too.

Nico: Yep. Against Bagra.

Bastemon: That is true. And it was awesome.

Me: It sure was. It was a really perfectly well executed strategy.

Nico: Minimizing many of Bagra's forces big time.

Qin: Which turned the tide of the wars in our favor.

Bastemon: That was so cool.

Lola: It sure was.

Camie: That was very well planned guys.

Me: Yeah and it was fun.

Nico: Yep. J.D. you have the makings of a master tactician.

Me: Well I wouldn't go that far but I'm flattered you think that.

Nico: Yeah. Yesterday's mission was awesome though.

Me: Yep. We got some well deserved payback on those lizardfaced douchebags for Yukari.

Lincoln: We sure did.

Nico: They didn't expect your power to grow over the years.

Me: Well the more we train the stronger and more powerful we become.

Qin: That is true there.

Nico: Yep. And it was awesome.

Eli: You got that right. Rarity are you feeling all right after Flip said all that?

Rarity: Oh I'm feeling much better now darling. Thank you.

Eli: You're welcome.

Me: Man that was brutal. Eli really tore Flip apart.

Eli: That jerk had it coming.

Nico: Do jerks really have nothing to do but insult Rarity? Why not do that to the rest of us?! Like Fluttershy? Or Double D?

Me: Nico don't give them any ideas!

Nico: Oops sorry.

Me: But I agree there.

Nico: Yeah.

Me: The Nerve of Flip of all people though. Queen Bee girls I can understand but Flip is a whole different ball game.

Nico: Yep. What happened to Flip was truly epic.

Xenia: It sure was.

Laney: No kidding.

May: I agree with Nico. Rarity crying because of jerks is getting really stale.

Me: It is getting really stale I agree there too. But some villains like Flip are very notoriously incompetent and they will go after the very first person they see.

May: You have a point there.

Qin: Flip always was a one tracked guy.

Nico: Yep. Besides remember when Fluttershy was crying while comforting Rainbow Dash, Rarity and many people can't stand seeing her cry.

Qin: Oh yeah.

Me: But if they ever make Fluttershy or anyone like that cry again I will make sure it's their last day alive.

Nico: You got that right.

Our stomachs then growled.

Me: (Imitating Ed) I'm hungry.

Nico: I'll get some burgers for us.

Me: Okay.

Nico went and got some.

?: J.D. KNUDSON!

Me: WHOA!

Someone was coming and they were really pissed off at me!

Nico came back and then we saw a figure come out and it was a girl that had brown hair and blue eyes and was in a red prison jumpsuit and she was EXTREMELY PISSED OFF at me and she had eyes that were glowing red with blazing hatred and evil towards me!

Nico: Hi. Can we help you?

Girl: I WILL KILL YOU FOR RUINING MY LIFE J.D.!

Me: Donna Commerocker. I never expected you to be back.

Nico: You know her?

Leni: O.M. Gosh! I haven't seen Donna since she was expelled!

Me: Yes and yes unfortunately I know her. You would hate this girl to the Nth degree Nico. It was shortly after I moved to Michigan. Donna was the meanest and most evil selfish Queen Bee girl ever known. She came from the richest family in all of Royal Woods. 7 years ago before we started getting our powers Donna was constantly bullying people that were weaker than her and were poor. She HATES EVERYONE Weaker than her. Donna's family is good friends with my dad. When I came to school here I got everyone to stand up to Donna and get her to reveal her true colors. I used my smarts, skills in technology and support of everyone to expose her true colors and see her for what she truly was, the Devil in Human Skin. I got video evidence of her bullying people and hurting and punching people all over and the staff have had enough of her. They expelled her from school and banned her from ever going to any other school in the country. After that her father disowned her, disinherited her from the family fortune and her father cut her out of his will and and sent her to prison. But she one day vowed to get horrible revenge on me and vowed to kill everyone I know and love and she was not going to stop till she got her revenge!

Everyone gasped!

Nico: Just when I thought the first part of my rescue would be boring.

Me: Well that boring is gone.

Donna Commerocker: YOU RUINED MY LIFE J.D.! AND I WILL KILL YOU FOR EVERYTHING YOU DID TO ME!

Me: You brought that all on yourself you bitch!

Qin: You are just a spoiled rotten brat!

Nico: Now we're going to make you pay.

Me: Now I'm going to do the world a favor and rid this world of you.

Donna Commerocker: Bring it on!

She then fired a wave of energy and I deflected it and it exploded!

Me: WHOA!

Then I saw that she had a Dark Orb imbedded in her hand!

Me: Dark Orb. Figures. I got this guys. It's me she wants.

I went at her and kicked her in the face and sent her flying into the air!

Nico: Okay. We'll just watch, I guess.

I flew after her and then I kneed her in the stomach and kicked her in her face and dealt a deadly headbutt to her and I cave her an elbow to her stomach and we were falling.

Me: Donna this city isn't big enough for the two of us!

Donna Commerocker: For once you and I agree!

Me and Donna then fired powerful energy balls and bombs and massive fiery explosions blasted off on us as we were falling!

Nico: Uh oh! HIT THE DIRT!

They ducked and covered!

Then we landed on the ground and then…

EXTREMELY MASSIVE AND INCREDIBLE FIERY EXPLOSION!

The explosion caused most of the park to erupt into a massive raging inferno!

Nico: Unbelievable!

I was ready to teach her a lesson!

Me: Lets Rumba!

Donna Commerocker: LETS!

We went at each other and punched and kicked at each other all over the place with incredible force and fury!

A certain Noto General was watching this from a distance.

Sonogo: (chuckles) Enjoy yourself while you can, J.D. Because today is when our plans start. (walks away)

Nico sensed that Sonogo was watching.

Nico: (In his head) Sonogo. I know you are up to something.

I kicked her in her chest and pulled out my sword and slashed her across her face and she screamed as she was bleeding.

Me: Aww did I damage your face?

Donna was enraged! She went at me and I kicked her in her face and then I slashed her hand clear off and she screamed in pain and I crushed the Dark Orb and destroyed it.

Me: It's over for you!

Eli then grabbed her in a hold and then snapped her neck!

SNAP!

She fell over dead in an instant.

Nico: That's it for her.

Eli: Good riddance.

I banished her to the black gates.

Nico: Sonogo and the Three Noto Generals are up to something.

Me: I sense it too. I feel that they are going to send some of the Donbrothers Monsters at us.

Eli: Should I send them a threatening message?

Me: No need bro.

Nico: We just need to look for cats.

We heard meowing.

Then we saw numerous black and white cats coming.

Me: Whoa that's a lot of cats.

Nico: No kidding.

Then they merged into a HUGE KITTYZILLA! It was a cat as big as a small house!

Nico: OH BOY!

Me: Not good.

Nico: I got an idea.

Nico got fake cat ears on his head.

Nico: (acting like a cat badly) Meow!

We saw a dark version of Crazy Cat Lady inside the mouth.

Another Crazy Cat Lady: Is that the best you can do for a cat?

Me: Eleanora Commerocker!? Whoa!

She reverted back and was a girl with blond hair and had blue eyes and had blue cat ears and had 2 blue fire tails.

Nico: Whoa! Wait is she…

Me: Yes she is Donna's former sister.

Eleanora Commerocker: That's right. I see you guys killed her,

Me: Yep.

Eleanora Commerocker: Nico you are really silly.

Qin: How come you have 2 blue fire tails like those of Matatabi the 2-Tailed Cat?

Eleanora Commerocker: Oh Yugito Nii gave me some of the 2-Tails Chakra and it healed me. But there was an unexpected side effect. It gave me these blue fire tails and these ears and the power to talk to cats.

Nico: Wow.

Me: Nico you can stop acting like a cat now.

Nico: Sorry.

Me: I take it you saw Another Stratos too?

Eleanora Commerocker: I sure did.

Me: Friendly or hostile?

Eleanora Commerocker: Friendly. Knows you a lot J.D.

Nico: Wow.

May: Who gets to fight her? And Nico, so help me, if you keep acting like a cat…

Nico: Meow?

Me: Uh oh.

May: THAT'S IT!

She jumped Nico and beat him up like how Pesto does we Squit! SHE WAS BEATING HIM UP IN A BRUTAL FIGHT CLOUD!

May: I'LL PULVERIZE THE NINE LIVES OUT OF YOU! I'M GONNA TURN YOU INTO CANNED TUNA! YOU BIG STUPID SACK OF ROTTEN SALMON!

We laughed hysterically!

Qin: (LAUGHS) JUST LIKE PESTO AND SQUIT!

Me: (LAUGHS) It's funny.

Eli then grabbed Nico and May.

Eli: Pardon me you two but I must discipline the nannygoats!

BLAM!

He bashed Nico and May's heads together!

Nico and May: OUCH!

Maria: (sighs) Nico, for the love of all that's human, please no more acting like a cat!

Me: Yeah you don't want May to beat you into the ground again do you?

Nico: Okay okay okay! Geez.

Eleanora Commerocker: (LAUGHS) But those Pesto fight clouds always crack me up.

Maria: They sure are funny. I'll face you this time.

Eleanora Commerocker: All right then.

She turned into Another Crazy Cat Lady and Maria fired waves of water and blasted her down and I caught the Wonder Ride Book and it was called the 2-Tailed Cat Girl's Cat Army.

I picked her up and all her cats followed me.

Me: Boy my dad is gonna be sneezing up a storm and itching like crazy around all these cats.

Maria: Time to summon backup!

Maria pulled out the M.O.E. Cannon.

Maria: (TURNS DIAL) TOY FORCE!

She summoned Toyman, Vomiting Frog Prince, Evil Ninja Storm Rangers, Anacieto Mitragli, Toy Org And Attacky Sack along with Dandy Bob, Angelic Amber, King of Toys and Universe 666 Lotso.

Nico: Nice!

Vomiting Frog Prince vomited on Nico's head!

Nico: OH SICK!

Juran: Clean up on Aisle Head!

Maria washed him off.

Nico: (BLUBBERS) Thanks.

Maria: Anytime.

Then we saw a huge Tornado Creature! It was ANOTHER STRATOS!

Qin: Another Stratos!

Xenia: WHOA!

Nico: And you are?

Another Stratos: (In a girls voice) I'm a Princess of the Sky.

Me: Skyra of Kazenora! Wow!

Nico: Wait the Princess of the kingdom of Kazenora!? That is cool!

Me: Yep.

Lola: Wow!

Me: And she has the power of the wind and the weather too.

Kaito: (Gets out Dynaman gear) Did Swartz promise you anything?

Zocks: (gets out Bioman gear) Because we can grant it instead.

Kaito got a Dynaman Sword and Zocks got a Bio Sword.

Another Stratos: Just to bring my kingdom back into the sky.

Me: There was a terrible war ages ago that shot her entire kingdom down and crash landed it somewhere in Europe. They have been trying to figure out how to get it back up but without success.

Nico: Oh man.

Xenia: Yeah.

Me: But we can easily do that for you.

Another Stratos: I know you all can.

Me: Sorry we have to fight like this.

Another Stratos: No worries. Come at me and don't hold back.

Sougo: (Gets out Dynaman Ridewatch) You won't blow us away.

Geiz: (gets out Bioman Ridewatch) We'll do that to YOU!

Sougo got DynaRedArmor while Geiz got Red1Armor.

I fired a massive blast of wind and blasted her all over.

Qin: YEAH!

Xenia: Take that!

Nico: (gets out Stratos' Ridewatch) Time to blow you away!

He activated it and fired a wave of wind and blasted her all over.

Nico: OH YEAH! Now for this! (ACTIVATES TRIDENT'S RIDEWATCH)

He fired waves of energy and blasted her all over!

May: Nice! Now for this one! (ACTIVATES BALD EAGLES RIDEWATCH)

She whistled and like how Bird uses his powers of birds she sent many eagles and blasted her all over.

Qin: YEAH!

Nico: That was awesome!

May: Yeah! Now for this one. Feel the power of the sun! (ACTIVATES UNIVERSE 666 MOTHER GOTHEL'S RIDEWATCH)

She fired a beam of sunlight and blasted her all over.

Me: OH YEAH!

Maria: (gets out Brickleberry Ghost's Ridewatch) My turn!

Maria activated it and fired an energy blast and smashed her down!

Maria: And this too! (ACTIVATES ABNES'S RIDEWATCH)

She fired waves of energy and blasted her all over.

Qin: Take that!

Bastemon: Take that! And this! (ACTIVATES TRIDENT'S RIDEWATCH)

She fired waves of energy and blasted her all over.

Maria: OH YEAH!

Nico: The Next Gene-slammer should be near.

Whirlin and his team consisting of Evil Splash Woman, Moltar, Chikuon, Starfinger (DC) and Tornado Roidmude then came.

Nico: Nice team, Whirlin!

Whirlin: Thanks Nico.

Me: Cool!

Qin: Wow!

Maria: Have some of this!

She fired a wave of water and blasted her down.

Then we saw a Chimecho come.

Me: Hey a Chimecho!

Qin: Cool!

Chimecho: (In a girls voice) It's good to see you again Nico.

Nico: (GASP) Carmen Machalek!

Qin: Wow!

She reverted back and was a girl with neon pink hair and had red clothes and bell earrings

Carmen Machalek: I got this.

She fired waves of energy and blasted down Another Stratos and I caught the ridewatch and purified it. I went over to Skyra of Kazenora and she was a girl with pink hair and pink clothes and had pink angel wings and I picked her up and brought her over.

Nico: You okay?

Skyra: Just a really bad headache.

Me: You'll be fine.

Carmen Machalek: That was intense though.

Me: Carmen, You look familiar. Haven't I met you before?

Carmen Machalek: You have. I was the girl that escaped from Area 51. I have Aurora and Energy powers.

Me: I knew it!

Camie: Area 51?

Me: A top secret government research facility.

Nico: Yep.

Bastemon: What's your favorite memory of Nico?

Carmen Machalek: When me and Nico were at my island home away from home and Nico caught me a huge fish.

Nico: Yep.

Me: Wow that is cool.

Nico: Yep.

Nico and Carmen hugged.

Nico: I've really missed you.

Carmen Machalek: Me too Nico me too.

We later went back home.

Dragon: her name is Daniela Kennedy, she's a heartless opportunist who enjoyed bullying and terrorizing everyone in her path from the students and the teachers, and she absolutely hated Kuesa with all her black heart: she hated that Kuesa's a talented fashionista with a love of astronomy, and it drove Daniela into madness, and she tried to kill her and Lincoln numerous times, but every time, she was brutally beaten up badly by the other Guardian Angels, and it ended with Daniela getting sent to the hospital and in a full-body cast. But, it would end with Daniela getting expelled when her crimes were exposed by Lincoln and the other Guardian Angels and she was disowned by her parents and thrown out into the streets. Now, Daniela has come back, and she was out for blood and revenge, but Kuesa's not going to take that threat lying down, and neither is Lincoln.

Lincoln: We're back here in Domino City, and I know what we're going to do here not only am I going to rescue the twenty girls here, but Kuesa, you're not going to like it: I found out that heartless opportunist, Daniela Kennedy, is back and she still wants revenge on us.

Kuesa Sutādoragon: (Japanese Accent) What?! That heartless opportunist is back, I thought we were rid of her after she was exposed and expelled.

Nico: Uh oh. I've got a feeling we're not going to like hearing about this bitch one bit. Lincoln, can you tell us everything?

Lincoln: On it, Nico. Daniela Kennedy was the meanest, nastiest bully anyone has ever had the really horrible displeasure of knowing. She's a heartless opportunist who enjoyed bullying and terrorizing everyone in her path from the students and the teachers, and she absolutely hated Kuesa with all her black heart: she hated that Kuesa's a talented fashionista with a love of astronomy, and it drove Daniela into madness, and she tried to kill her and me numerous times, but every single time, she was brutally beaten up badly by the other Guardian Angels, and it ended with Daniela getting sent to the hospital and in a full-body cast. But, it would soon end with Daniela getting expelled when her crimes were exposed by me and the other Guardian Angels and she was disowned by her parents and thrown out into the streets.

Me: Oh, I remembered hearing about this bitch all too well, she was a total nightmare to everyone in her path.

Rita: Now, we find out she's here in Domino City, and she's out for blood and revenge on Kuesa and Lincoln as well. Oh, now, she's really going to get it.

Calysta: She's getting thrown in prison for what she'd done, that's for sure.

Alistair: But, not before we trounce her for what she's done.

Lincoln: You got that right, Alistair, she's going to pay big time, and I want to thank you and your team for joining us, Azulongmon.

Azulongmon: You're welcome, Lincoln, and I didn't know your familiars can talk now.

Seiko: We sure can, along with using our elemental powers.

Artemis: We decided to surprise everyone with that this morning.

Nico: We were in for quite the big surprise for that one when we heard our Familiars speak for the first time.

Yuina: And we'll also run into another of Ranamon's sisters.

Ranamon: We've already run into Hikenmon, Kohamon, and Rakuraimon, ooh, I hope the next one that we run into is Kukimon.

Suddenly, we saw Dark Spider, Ground Spider, Informer Spider, Mother Spider, Relinquished Spider, Spyder Spider, Dark Tuner Spider Cocoon, and Earthbound Immortal Uru, along with Whiz-Bang appear before us, and with them are the twenty girls.

Nico: What in the? Dark Spider, Ground Spider, Informer Spider, Mother Spider, Relinquished Spider, Spyder Spider, Dark Tuner Spider Cocoon, and Earthbound Immortal Uru, and Whiz-Bang from My Singing Monsters?

Lynn Sr. was about to scream, but Nico and I were there to keep that from happening, along with Lynn Sr.'s green Dragon Familiar, Tatsuya.

Tatsuya: Lynn, remember, you're going to get over your fear of spiders, right?

Lynn Sr.: Right.

Whiz-Bang: (Girl's voice) (Southern Accent) Oops, sorry about the scare, y'all.

Dark Spider, Ground Spider, Informer Spider, Mother Spider, Relinquished Spider, Spyder Spider, Dark Tuner Spider Cocoon, and Earthbound Immortal Uru: (Girl's voice) But, we managed to get the twenty girls away from that heartless opportunist, Daniela Kennedy, and boy, is she pissed off.

Lincoln: (Gasps) That voice from Dark Spider, Ground Spider, Informer Spider, Mother Spider, Relinquished Spider, Spyder Spider, Dark Tuner Spider Cocoon, and Earthbound Immortal Uru, I knew it was you, Regina Goodwin, and that voice from Whiz-Bang, I knew we'd run into you, Kukimon.

?: (Enraged Banshee Scream) Kuesa Sutādoragon, I will tear you limb from limb if it's the last thing I ever do!

We then our target: a girl with long unkempt black hair and with red eyes full of hatred and she was dressed in tattered clothes, it was Daniela Kennedy, and boy was she extremely pissed off.

Lincoln: Great, I knew we'd run into her sooner or later. Time to send her on a one-way trip to the slammer.

We cheered as we holstered our weapons and powered down.

Kuesa Sutādoragon: (Japanese Accent) That heartless little monster just didn't know when to quit.

Lincoln: She didn't, and she didn't care how much we've grown and changed in those six and a half years, but now, she's met the same fate as Layla, Nor, and many of the other arrogant Queen Bees and heartless bullies we've taken down. (To Regina Goodwin and Kukimon) And it's so good to see you again, Regina Goodwin and Kukimon.

Regina Goodwin reverted back to normal, and she's a beautiful girl with long black hair, red eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful midnight black angel wings with red markings and she has the Spider Nazca Line on her right arm, she's dressed in a red vest, black crop top, red skirt, black pants, red boots, and long white long-sleeved trenchcoat with darkness, red flames, fairies, and spiders on the coattails and on the back is Dark Spider, Ground Spider, Informer Spider, Mother Spider, Relinquished Spider, Spyder Spider, Dark Tuner Spider Cocoon, and Earthbound Immortal Uru, and holstered on her back is a massive Dark Spider, Ground Spider, Informer Spider, Mother Spider, Relinquished Spider, Spyder Spider, Dark Tuner Spider Cocoon, and Earthbound Immortal Uru-themed greatsword with embedded red gems and the monsters of Roman Goodwin etched on the 7'0" massive, wide, double-edged midnight black blade, large Uru heads for the crossguard, large red gem embedded in the hilt, longer midnight black handle, four large Uru heads and large red gem on the bottom of the large Uru heads for the pommel.

And Kukimon reverted back to normal, and she looks like Ranamon before she transformed into her Super Angel Celestial Eternal Xelnaga form, but the color schemes for her match the element that she uses: wind, she was tall at 6'5" in height, she has the body of a goddess, she has massive and beautiful sky blue angel wings, and she has a long white sleeveless trenchcoat with winds and clouds on the coattails, and on the back is Whiz-Bang, and holstered on her back is a massive Whiz-Bang-themed greatsword with embedded blue gems and Whiz-Bang etched on the 7'0" massive, wide, double-edged white blade, large Whiz-Bang heads for the crossguard, large blue gem embedded in the hilt, longer midnight black handle, four large Whiz-Bang heads and large blue gem on the bottom of the large Whiz-Bang heads for the pommel.

Regina Goodwin: You too, Lincoln.

Kukimon: I agree, it's been a very long time.

Lincoln went up to Regina Goodwin and Kukimon and he hugged them, and Regina Goodwin and Kukimon are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you since you were eleven, Regina, and I haven't seen you since I was eight, Kukiimon, and as you can see, I really grew a lot since then.

Regina Goodwin: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness.

Kukimon: You've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Whoa, Lincoln, you know these two girls?

Lincoln: Indeed I do, Nico.

Maria Tredwell: Let me do the introduction, Lincoln. I think J.D.'s in for a surprise with Regina.

Lincoln: Okay, Maria.

Maria Tredwell: Thanks. The Fusion Gene-Slammer of Dark Spider, Ground Spider, Informer Spider, Mother Spider, Relinquished Spider, Spyder Spider, Dark Tuner Spider Cocoon, and Earthbound Immortal Uru is Regina Goodwin, she's Lincoln's Guardian Angel from Domino City and classmate in English and she's known as The Red Fire Dark Spider Queen and Avatar of Earthbound Immortal Uru, because she, just like Roman Goodwin, Dark Signer of The Spider, uses a Spider Deck, and spearheading the deck is The Spider Earthbound Immortal Uru. Regina Goodwin also has the power to brainwash criminals and villains by having a black spider latch onto them, and she can make them do as she says, along with having powers of darkness and red fire.

Me: Yusei did tell us that Roman had the power to create black spiders who then latch onto innocent people to turn them into Shadow Drones.

Maria Tredwell: That's right, and she also taught Lincoln how to control and summon spiders and even send black spiders to latch onto criminals and brainwash them into doing as he says, and one time, he used it on Flip to make him return all the money he conned and swindled out of everyone including his family.

Nico: He never even saw it coming, smart.

Maria Tredwell: It sure is, and Lincoln made her a beautiful necklace with a spider pendant, and to show thanks, Regina kissed Lincoln on the lips. She's also the sister of Roman Goodwin, and she hates Lori, Lynn, Lola, Lisa, and Luan with a blazing passion, and she's even used her black spiders on them and made them do humiliating things to each other.

We gasped in shock.

Me: Whoa, I had absolutely no idea Roman had a sister.

Misty Tredwell: Me neither. And if I had to guess, she knows her brother's in The Masters of Evil, right?

Lincoln: She already knew about that because of her being The Avatar of Earthbound Immortal Uru, and it's the same way of how Maria knew you were in The Redemption Squad and Masters of Evil due to her being The Avatar of Earthbound Immortal Ccarayhua, along with Kiara knowing Kalin is in The Masters of Evil and Redemption Squad due to her being The Avatar of Earthbound Immortal Ccapac Apu, and how Carla knew Carly is in The Masters of Evil and Redemption Squad due to her being The Avatar of Earthbound Immortal Aslla Piscu.

Ariana Ferris: But, unlike us who are in both The Masters of Evil and Team Loud Phoenix Storm, this batch of Earthbound Immortal Avatars are…

Lincoln: Fully in the team and use their powers for good and are relatives of The Dark Signers, that's right. And the Whiz-Bang Gene-Slammer is Kukimon, the fourth of Ranamon's Elemental Digi-Sisters and The Warrior of Wind. She's a fashionista as well, and she and I love to dance around the wind and even made beautiful clothing together. In fact, she's also responsible for how I was able to make beautiful clothing easily because she was the one who taught me how to do so, and to show thanks I kissed Kukimon on the lips, and she hates Lola with a passion.

Me: Whoa, so that's how you were able to make those awesome clothes easily.

Nico: It was because of Kukimon teaching you, and you also learned further from Leni, that's really cool, and Lincoln told us the whole story when we met your sister, Hikenmon.

Kukiimon: I knew he and Ranamon would tell the story one day. (To

Lincoln) Oh, Lincoln, there's something we also want to give you.

Lincoln: Let me guess, you and Regina want to give me your blood, right?

Regina Goodwin: How'd you guess what we were about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Kukimon: Ooh, I knew it was a matter of time before you'd start marking your future wives.

Ranamon: He already marked me a year ago, and he marked Hikenmon, Kohamon, and Rakuraimon.

Lincoln first went up to Regina Goodwin, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

And Lincoln then went up to Kukimon, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Kukimon: You're still just as gentle as ever when you feed on one of your Guardian Angels, Linky.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Kukimon and Regina Goodwin with red and sky blue gems on the gold lightning bolts and red and sky blue crystal links from their merged Crystal Necklaces of The Buddha along with two Elemental Thunderbird Chokers of Eternal Love on their necks.

Regina Goodwin: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Regina Goodwin and Kukimon.

Regina Goodwin and Kukimon had a smile on their faces and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around them, and he leans down to each of their face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the twenty girls, and when Lincoln saw who they were, he immediately recognized them. The twenty girls are Cassidy, Diana, Hattori, Jhala, Mirage, Petra, Queen Nai, Sidra, and Yumiko from Brawlhalla, Kisala and Lilika from Rogue Galaxy, Aphra, Síora, Aurélia de Vespe, and Laurine de Morange from GreedFall, Eiji, Nyphelia, and Ursula from Gladius, and Eva Destrucion and Missy from Mutants Genetic Gladiators.

Lincoln: Oh wow, it's Cassidy, Diana, Hattori, Jhala, Mirage, Petra, Queen Nai, Sidra, and Yumiko from Brawlhalla, Kisala and Lilika from Rogue Galaxy, Aphra, Síora, Aurélia de Vespe, and Laurine de Morange from GreedFall, Eiji, Nyphelia, and Ursula from Gladius, and Eva Destrucion and Missy from Mutants Genetic Gladiators.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Cassidy: Yes, we're okay, thanks to you.

Then, when Cassidy and the other nineteen girls saw who it was that saved them from that heartless opportunist bully Daniela

Kennedy, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, his own version of He-Man's chest harness with colored gems on the orange straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of

Cassidy: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made nineteen clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular

necks of Lincoln and his clones, and we cheered wildly at the scene.

Cassidy: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, twenty Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Cassidy, Diana, Hattori, Jhala, Mirage, Petra, Queen Nai, Sidra, Yumiko, Kisala, Lilika, Aphra, Síora, Aurélia de Vespe, Laurine de Morange, Eiji, Nyphelia, Ursula, Eva Destrucion, and Missy with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and they were shocked to find out the villain we went after was another old enemy of Lincoln's Guardian Angel, Kuesa Sutādoragon: Daniela Kennedy, a heartless opportunist bully who enjoyed bullying and terrorizing everyone in her path from the students and the teachers, and she absolutely hated Kuesa with all her black heart: she hated that Kuesa's a talented fashionista with a love of astronomy, and it drove Daniela into madness, and she tried to kill her and Lincoln numerous times, but every time, she was brutally beaten up badly by the other Guardian Angels, and it ended with Daniela getting sent to the hospital and in a full-body cast. But, it would end with Daniela getting expelled when her crimes were exposed by Lincoln and the other Guardian Angels and she was disowned by her parents and thrown out into the streets, and now, Daniela had come back, and she was out for blood and revenge.

But, when Lincoln showed what happened such as all of us beating that heartless brat up and Lincoln firing a gold energy blast which hit her and she was turned into a gold statue and she was beamed to the prison where he sent Layla, Nor, and many other queen bees and bullies, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln, Regina Goodwin, and Kukimon have a lot of catching up to do, now that they're back in town.

Maria: Oh man, now that girl I remembered all too well, she was an absolute nightmare to everyone in her path. But, I never knew she also harbored that murderous hate for Kuesa and you, but as we'd seen from the many enemies of you and your Guardian Angels, we knew it was coming.

Lincoln: Yep. But, she got what she deserved for her crimes when I gave her the King Midas' Golden Touch Vengeance Curse.

Nico: She sure did, besides, she wasn't going to change at all.

Me: Not in a million years.

---

After taking down Daniela Kennedy and turning her into a golden statue for eternity, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Regina Goodwin and Kukimon saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Regina Goodwin: Whoa, I was right that Lincoln's really grown into a 17-year-old, 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Kukimon: He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Kukimon: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Regina Goodwin: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Regina, Kukimon, what's the stories you have on why you hate Lori, Lynn, Lola, Lisa, and Luan with a burning passion?

Kukimon: Uh oh, I was hoping you'd ask that. One day, Lincoln and I were in Leni's room and we were creating some beautiful dresses for Leni, Jackie, and Mandee to wear, and they were seeing us hard at work. But, then we'd heard a loud screech in the air and the door to Leni's room burst open, and we saw who it was: Lola, and her face was red, her teeth had turned sharp, and her hair turned into living fire. Then, she roared in anger and ran at Lincoln to kill him, but we fired a powerful blast of wind at Lola, and it sent her flying out of the room, and right into a straitjacket trap Luna set up and she was tied up. Then, she was wheeled in to her parents, and she got grounded for eight weeks for trying to kill Lincoln, and she got put in a makeshift jail cell, and she was angrily banging the bars with a cup.

Nico: Sheesh, so Lola was on yet another rampage again?! Man, Dark Lola really made her into a total monster.

Luna: We've been at the receiving end of her wrath many times over when she gets really mad, and it's been that way for years.

Regina Goodwin: She was a monster because of her Dark Side. Okay, now for my story, I make it no surprise I've hated Lori, Lynn, Lola, Lisa, and Luan with a blazing passion, because of all the hell they put Lincoln through. One day, Lincoln and I were busy with some homework for English, and we were at my house since The Loud House was not the perfect place for it. But then, we heard the sound of three banshee screams of hatred, crazed homicidal laughter, and a loud belch in the air, and there are only five people who could make those sounds: Lori, Lynn, Lola, Lisa, and Luan, and we saw them charging right for us, and they were out for blood. But, Lincoln and I were ready for them, we fired blasts of darkness at them and we sent black spiders to latch onto them, and once under control, we made them do humiliating things to each other: we made Lori shave off her own eyebrows, we made Lynn throw all of her stinky socks in the garbage and made her get a bath, we made Lola roll around and bathe in mud, we made Lisa destroy her own robots, and we made Luan go through her nasty pranks.

Valencia Nightingale: And we got the pictures to show it.

Valencia Nightingale put the photos of what happened on the big screen: we saw Lori shave off her eyebrows, Lynn threw away her own stinky socks and she got sprayed with soap and water, and she was thrown in the bathroom to get a bath, Lola was rolling around in mud, Lisa destroyed her own robots with a mallet, and Luan went through her own nasty pranks.

Nico: Jeez Louise!

Buster Bunny: This is even worse than all the times Valencia's pulled those pranks and gags on Monty and on Lincoln's enemies and Lori, Lynn, Lola, Lisa, and Luan.

Me: Yeah, it was really really bad.

Laney: And when Regina got the black spiders off those five and when Lori and Lola saw what they'd done to themselves, Lynn being fresh and clean instead of smelly and dirty, Lisa holding a mallet and seeing her destroyed robots, and Luan going through her own twisted pranks, they freaked out and they ran away only to get caught in a spider web trap made by Lincoln.

Lincoln: Where Luna grabbed those five and dragged them back home, and after I told Mom and Dad of what those five tried to do to me, they got grounded for fifteen weeks and were thrown in a metal box. Lynn roared and pounded on the doors in an attempt to escape, but Nicholette gave them the bird again, and Lori, Lola, and Lisa screamed like banshees, and Lynn roared and beat her chest like a gorilla again, while Luan was laughing like a madwoman.

Woody Woodpecker: If Luan kept that up, we'd have to put her in a makeshift padded room again.

We got a shower, and then, Lincoln, Grandis Granva, Pokomi, Lemon Fizz, Rem, Dee Dee, Mee Mee, and Lee Lee are heading to Hanalei Bay in Kaua'i, Hawaii.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Grandis Granva, Pokomi, Lemon Fizz, Rem, Dee Dee, Mee Mee, and Lee Lee were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Grandis Granva, Pokomi, Lemon Fizz, Rem, Dee Dee, Mee Mee, and Lee Lee had feelings for Lincoln, and he had the very same feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant.

Grandis Granva: Wow, so this is Hanalei Bay, it sure is beautiful.

Lincoln: I've never been here to Hanalei Bay in Hawaii before, Grandis, but now that I see it, it really is beautiful, and it's perfect for our first date. Shall we?

Lincoln, Grandis Granva, Pokomi, Lemon Fizz, Rem, Dee Dee, Mee Mee, and Lee Lee dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Grandis Granva, Pokomi, Lemon Fizz, Rem, Dee Dee, Mee Mee, and Lee Lee got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Grandis Granva, Pokomi, Lemon Fizz, Rem, Dee Dee, Mee Mee, and Lee Lee, and they hugged the girls in their abnormally massive and powerful muscular arms, and Grandis Granva, Pokomi, Lemon Fizz, Rem, Dee Dee, Mee Mee, and Lee Lee placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Hanalei Bay, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Grandis Granva, Pokomi, Lemon Fizz, Rem, Dee Dee, Mee Mee, and Lee Lee with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Grandis Granva, Pokomi, Lemon Fizz, Rem, Dee Dee, Mee Mee, and Lee Lee are now part of your harem.

Lori: I had no idea that Dee Dee and her friends had feelings for Lincoln, but the same can be said of Dexter when he fell in love with Lisa years ago.

Me: I was about to say that. Plus, Grandis, Pokomi, Lemon Fizz, and Rem also had feelings for Lincoln as well, that's awesome.

Suddenly, Lincoln's deep sapphire eyes glowed and turned into rainbow colors and the rainbow iris of his Third Eye glowed as well, and he had a vision of what's about to happen, and who we're going to confront in The Ridonculous Race in a few weeks: an old enemy of Buster Bunny and his friends and the Looney Tunes who was a nightmare to Acme Acres named Damian Constantine, a dangerous and completely deranged out-of-control psychopathic monster. Once he was a successful young man with dreams and ambitions to change the world, but, his whole world went to Hell thanks to the heartless actions of Lincoln's old enemy, Dustin Keystone, who murdered his entire family, and he'd descended into darkness, and his total descent into darkness and madness would be triggered when he was wrongfully expelled thanks to some of Clarissa Mallory's thugs who fell under the control of Audrey Madison's Rebellion Chips that Dustin stole, and it would end with those thugs getting killed in front of everyone in a college in Japan and he was laughing like a deranged monster. He fled, but he would also be hit with a dark curse from Chicago that made him always come back from the dead no matter how many times he'd been brutally injured or killed and it would lead to his permanent descent into eternal madness. When we saw it, it really meant trouble.

Nico: Lincoln, what's wrong?

Lincoln: I just had a really huge vision, guys, and Buster, you and the rest of your friends, along with Bugs and his friends aren't going to like it one bit: I found out in a few weeks when The Ridonculous Race starts: we're going to be facing an old enemy of yours who's a total nightmare to Acme Acres. His name is Damian Constantine.

The toons did wild takes galore and many of them freaked out like crazy, and we gasped in horror.

Buster Bunny: Oh no, not him. He's come back yet again?!

Me: This guy sounds like he's bad news in a big way, especially if it had you guys freaking out like crazy.

Buster Bunny: He is, J.D. Damian Constantine is a dangerous and completely deranged out-of-control psychopathic monster whom we've had the displeasure of fighting against.

Babs Bunny: But, he wasn't like that actually. No, once he was a successful young man with dreams and ambitions to change the world.

Fifi La Fume: (French Accent) Oui, but, his whole world fell apart all thanks to the heartless actions of Lincoln's old enemy, Dustin Keystone, who broke out six and a half years ago and murdered his entire family, and Damian descended into darkness, but his total descent into darkness and madness would be triggered.

Shirley the Loon: When he was, like, wrongfully expelled, or some junk, all thanks to some of Clarissa Mallory's thugs who fell under the control of Audrey Madison's Rebellion Chips that Dustin stole and he had them obey him, and it would end with those thugs getting mondo killed in front of everyone in a college in Japan that Damian was at, and he was laughing like a deranged monster.

We gasped.

Lincoln: Dustin Keystone, you really are nothing more than a heartless, nihilistic monster from the darkest depths of Hell.

Plucky Duck: He sure is. Anyways, Damian fled from the campus, but he would also be hit with a dark curse from Chicago that made him always come back from the dead no matter how many times he'd been brutally injured or killed and it would lead to his permanent descent into eternal madness as he lost the last shred of his humanity.

Me: Damn, now that's just really dark. And you guys said you'd dealt with him before, right?

Buster Bunny: We sure have, numerous times actually, and this was before we even met. Damian had terrorized Acme Acres, and even worse, Damian also created demonic versions of The Z-Fighters' old enemies from the past to cause destruction to Acme Acres.

We gasped in horror.

Valencia Nightingale: I remembered him all too well, in fact, before I moved to Royal Woods, I stood against the demonic versions of The Z-Fighters' old enemies and destroyed them, and I sent Damian running with his tail between his legs back to The Netherworld. But, he'd sworn numerous times he'd have his revenge on us and Buster and his gang, and he's done it too many times and I've left him all mangled up, bleeding like crazy, and he still comes back for more.

Lincoln: Jeez. And please don't tell us that he also terrorized the home of The Z-Fighters before it had merged with ours?!

Trunks: He did, actually, Lincoln.

Lori: What a Class-A Psychopathic monster. If we're facing him in The Ridonculous Race, we'll be sure to destroy him for good. But, first, we got to know more about this curse.

Buster Bunny: Right. Far from Chicago itself, there's a piece of land that's become a prime hotspot of dark demonic activity. According to legend, back in the 1980s, a group of demon-worshipping teens carried out black magic rituals in a plot to summon The Devil here, but to do so, they kidnapped young girls at the age of 18, brought them to a makeshift altar on the top of the hill, and sacrificed them.

Babs Bunny: This went on for seven months, until the teens were caught and sentenced to death. But, it wasn't the end, according to the legend, before their capture by the police, they'd succeeded and they summoned a powerful demon from the darkest depths of The Netherworld and his evil power was so great, his dark energy contaminated the spot forever and the locals started naming it Devil's Point.

Hampton Pig: And because of it, the demon had also left a very powerful curse which brings broken souls close to death back to life.

Fifi La Fume: (French Accent) When Damian fled to Chicago, he was already falling apart because of Dustin's heartless actions, and it culminated in him taking the lives of Clarissa's thugs and getting blood on his hands.

Nico: My God, that's just really dark.

Lincoln: Oh man, I remembered hearing about that from Helena McTroy on that day, but Dustin's freedom didn't last long, he got caught by the police and taken back to prison. So, we got another victim of Dustin's nihilistic rampage, but he'd turned into a demonic out-of-control murderous and completely psychopathic monster who always comes back thanks to The Curse of Devil's Point.

Nicholette Torrington: And who's terrorized Acme Acres and The Z-Fighters' Earth before their Earth merged with ours.

Goku: So, he's still out to cause death and destruction yet again, and we've already got our hands full with The Extraterrestrial Order of The Planets of Holy Ghidorah, Damian's return is just going to make things worse.

Nico: However, what Lincoln said could be true, if we're going to face him in The Ridonculous Race coming in a few weeks, we can finally get rid of him for good. Plus, we also know there's a way to end his constant returns from the dead: purify Devil's Point and end the curse.

Me: We'll need to purify Devil's Point the week before The Ridonculous Race, 'cause if we do it early, we won't get the chance to destroy Damian's constructs one by one.

Lincoln: We'll be saving Damian for the final day of the competition, nice.

Buster Bunny: So, when is the competition?

Nico: It'll be on March 20th to March 31st. But, which one of his demonic constructs is he going to bring back for those days?

Buster Bunny: My guess it'll probably be the demonic constructs of Raditz, Nappa, the evil version of Master Vegeta, his Majin self, Frieza, Zarbon, Dodoria, Captain Ginyu, Jeice, Burter, Recoome, Guldo, Dr. Gero, King Cold, Garlic Jr., and Cell, since they're the only ones that we killed.

Amara Thatcher: We also need to be on guard, Damian does have dark powers as well, so he's going to be causing trouble for all of us no less on those days.

Lincoln: Right, Amara.

At the estate, I was watching TV with Dark, Vypra, Eddy and Lyra and we were watching The Donbrothers.

To our surprise and shock we saw some coincidental similarities with what happened with Dark Eddy and how he is what he is.

Me: WHOA!

Vypra: Wow! So Jiro has a split personality inside him as well! A Dark Version of him!

Me: It's very coincidental! This is exactly like Dark Eddy! He wanted to prove he was a better hero too.

Dark Spicer: That is crazy!

Lyra: You're not kidding there! That is totally coincidental that this happened.

Me: Except Jiro didn't get hit on the head by 2 bowling balls and a pin. And Jiro's dark side is more Anti-Hero.

Lyra: That is true. So he is going into the Redemption Squad.

Me: Yep. And the Masters of Evil if he chooses.

Vypra: That is a great idea. But the three Noto Generals are perfect for the M.O.E. as well as Don Murasame.

Dark Spicer: That's right.

Me: At least they aren't killing people.

Ikki: And how about that. Me and Vice had a part in this too.

Me: That is so awesome. It'll be awesome for you two to see Taro and friends again.

Lyra: It sure will.

Nico: It's good that you guys are preparing yourselves for the future upcoming battles for the Donbrothers.

Me: Yep.

Lincoln: Can me, Luan, Luna, Lily, Lisa, and Laney watch with you guys?

Me: Sure.

Luna: Rockin!

They came and watched with us.

Me: But those monsters are buttugly fuckers.

Laney: No kidding. But it's amazing that each of them represent a series from over the course of 46+ years.

Lyra: That is so cool.

Me: But one thing we can use to our advantage is that the Noto Generals hate the music of the Green Mighty Morphin Ranger's Dragon Flute.

Lyra: That is a good strategy.

Tommy came and used his powers and gave me a copy of his flute.

Tommy Oliver: Use it well J.D. You'll need it.

Me: Thanks Tommy.

I took the flute and holstered it.

Meanwhile everyone is watching Zayto play against Makoto Kazuga! He was a really good table tennis player and man oh man are they really having fun.

TK: What's going on?

Maria: Well, while J.D. and half of the Loud Kids are at home watching TV, Zayto's playing table tennis against someone.

William: We don't know much about him. But his name is Makoto Kazuga.

Nico: I remember seeing this guy. He is a really good table tennis player and he is awesome.

Lynn: Boy they sure are going at it. This is so awesome.

Eli: I got a bad feeling about this Makoto guy. Something is dark about him. Like I've seen it before.

Zayto won!

Aiyon: Alright! Zayto won!

Amelia: Nice job!

Nico: Way to go Zayto!

Zayto: Thanks, guys. Not bad for my first time, huh?

Nico: You did great!

Makoto Kazuga: I lost?! NO! How could I lose?!

Zayto: Whoa. Calm down. It's just a game.

Eli: Uh oh. I'm sensing anger in him!

Kari Kamiya: That's right. The important thing is that you must have had fun. Next time, you'll do better.

Makoto Kazuga: SHUT THE FUCK UP! I'm a gold medalist! I'm the strongest!

With that, Makoto was surrounded by an energy circle with the Ryusoulger logo. Then, he turned into Kishiryuki!

Cornelia: Did he just-

Nico: Turn into a Ryusoulger based monster? Seems that way! Call the others and tell them about this!

Lana pressed the red alert button!

All the while, a certain associate of Sonoshi and Sonogo was watching.

Sonoroku: (laughs) Let the fun begin! (walks away)

We rushed in and we saw him!

Me: (GASP) Kishiryuki! I remember seeing him just a few minutes ago!

Luna: The Dino Fury Based monster from Donbrothers!? WHOA!

Me: Now we're fighting the Donbrothers monsters early?

Lyra: I could use the preparation time before my missions.

Luan: Aw man! He had a villainous breakdown and we missed it?!

Nico immediately got suspicious after hearing this.

Nico: (looks at me, Luan, Girl Jordan, Luan, Lisa, Lily, Laney, and Lincoln suspiciously) Hmm…

Me: Nico you don't need to say it but I know what you're thinking. The Noto Generals have been watching some of the villainous breakdowns we have been doing and they are going to use that to their advantage.

Nico: (sighs) You know what? It's too early for me to jump to conclusions about this.

Kickback: Let's worry about that later!

Me: But to tell you the truth I anticipated this to happen. It will be perfect for Lyra Heartstrings to get prepared for her upcoming ambassador missions.

Nico: You're right on that one.

Lyra: Yeah!

Zayto: Link to Morphin Grid!

He turned into Dino Fury Red.

Me: Boy it's like looking at yourself in the mirror. Except this monster is from 3 series later.

Nico: Yeah.

Lyra then unsheathed her sword and flared up her aura and went at Kishiryuki and slashed him and kicked him and blasted him all over!

I jumped in and slashed him all over!

Anonis came in and I blasted them all over with my blaster and energy blasts.

Nico: YEAH!

BOOOM BOOM BOOOM BOOOOM BOOOOM BOOOOOMM!

Lyra slashed Kishiryuki all over the place and kicked him all over.

Lyra: You want to play table tennis?

She formed an energy Tennis Racket and used Tensie's ridewatch and fired fireballs and blasted him all over in huge fiery explosions!

MASSIVE FIERY EXPLOSIONS!

Sailor Moon: WOW! That was clever!

Nico: Very awesome combo!

Zayto clashed swords with Kishiryuki.

Kishiryuki: Bronze medal, silver medal, gold medal!

He then saw Poromon attempted to peck him from above thanks to his enhanced eyesight.

Kishiryuki: Bronze medal, silver medal, gold medal! (jumps up to slash Poromon)

Poromon: LIGHTNING JAVELIN!

He fired a massive blast of lightning and it hit him and electrocuted him and smashed him down.

Poromon: YEAH!

Vypra and Luan slashed the Anonis all over.

Lyra: Taste this! (ACTIVATES DJANGO'S RIDEWATCH)

She slashed Kishiryuki all over the place with claws and smashed him down.

Kishiryuki: Bronze medal, silver medal, gold medal!

He used a spell to launch blocks at us.

I deflected them away and Lyra slashed him all over the place.

Eli used the Force and threw the blocks back and smashed him all over.

Me: Nico, Zayto, Cornelia, Lyra, lets finish him with a combo.

Zayto: You got it!

Lyra: Lets do it!

Me: Leo do you mind?

Leo Corbett: Go for it!

Me: TRANSDAGGERS STAR FORMATION!

We formed the Transdaggers into a star and fired and it hit Kishiryuki and he exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was dead and Makoto was back to normal and I caught the Red Dino Fury Ranger Gear!

Me and Nico: Kishiryuki you have failed this city!

Lyra: All's Well that Ends Well!

Nico: YEAH!

Zayto: Dino Fury Victory!

Me: (Sees the Noto Generals watching us) Well played generals. Well played.

Nico: That was so awesome!

Eli: But what do we do with him?

Nico: Take Makoto to the infirmary and let him rest up.

Varie: Right.

She did so.

Vypra: That was so awesome!

Lyra: And it was really awesome facing one of the Donbrothers monsters.

Me: It sure was!

Cliffjumper: Wait. I hear something else.

We saw an Absol come in.

Me: Hey an Absol.

Qin: Wow! A cold one.

Me: Yep.

Absol: (In a girls voice) You guys couldn't have waited for me before ending it?

Nico: (GASP) Melanie Neugog!?

Absol: That's right Nico. Good to see you again.

Me: Wait your last name is Neugog? That means you're related to..

Absol: Dr. Hieronymus Neugog? Yes he is my father.

Me: WOW!

Big Guy: I didn't know Neugog was your father.

Me: Then you must know about…

Absol: The incident where he turned into that horrible brainsucking vampire spider? Yep.

Me: Uh yeah and he is now in our frenemies in the M.O.E.

Vypra: It's true.

Absol: Yeah I heard about that.

She reverted back and she was a girl with black hair and had black and blue clothes and blue eyes.

Melanie Neugog: That was so awesome watching you guys though.

Eli: Glad you enjoyed the show.

Me: You don't have the same powers as he does right? You're not going to suck our brains right out of our heads are you!?

Melanie Neugog: No no no. I do have the same powers including that brainsucking leach like tongue but I only use it on weak intellectual people that are bad. And I have a really high IQ and can use the full 100% of my brain power.

Me: Well that's a relief but that is amazing.

Camie: Yeah that is cool.

Zayto: What's your favorite memory of Nico?

Melanie Neugog: When me and Nico were walking home from school and I used my powers on a pursesnatching thief and sucked his brain dry.

Nico: She turned him into a totally braindead monkey. And she presented the evidence of his crimes in court through telepathy.

Me: That is clever and genius!

Vypra: Boy it sure is.

Nico and Melanie hugged.

Nico: I've really missed you Melanie.

Melanie Neugog: Me too Nico. Me too.

Varie was carrying Makoto when he suddenly vanished.

Varie: What the!?

Varie: Oh right!

Varie came back.

Varie: Guys! Makoto suddenly vanished. He was teleported to another dimension.

Me: He must've been teleported back to Japan because we did defeat him.

Nico: It has to be.

Eli: J.D.'s right. I sense it. He is back home.

Qin: That's a relief.

Me: But let me tell you. This was an awesome way to kick off Lyra's training and preparation.

Varie: It sure was.

Lyra: Yeah no kidding!

Nico: Guys, I know this was sudden. But I'm not jumping to any conclusions just yet. For all we know, this was probably a one time thing.

Me: I wouldn't be so sure. I know the Noto Generals are up to something.

Qin: I agree. This is the first and it probably won't be the last.

Me: Yeah. But either way it was awesome.

Lyra: It sure was.

Kari: (GROANS) Boy have I got a headache.

Me: Kari are you okay? You don't look so good.

Nico: Yeah you look really tired.

Kari: I'm just getting this weird feeling.

Nico: Hmm.

Zayto: Did I cause him to turn into a Hitotsuki. (sighs) First, Rafkon and the Sporix and now this, huh?

Nico: Zayto, no. All you did was win a table tennis watch. And you did a good job! I am NOT playing the blame game here today.

Me: Me neither. He was just consumed by his greed. We were watching Donbrothers while you were playing and we saw that it takes intense greed for one to become a monster from their series.

Xenia: He's right. He let his greed get the better of him.

Me: Eiji this if very similar to how the Greeeds are born right?

Eiji: It's EXACTLY like that!

Leeli: Boy I'm not used to seeing a Power Rangers monster battle outside of the Usual Battles.

Qin: We have had many of them before Leeli. Some with the Dino Fury Monsters to help Cornelia prepare for them.

Nico: Right! I remember that! That was awesome.

Me: It sure was.

Camie: That was so much fun.

Gluko: Nico, which teams have you made this time?

Nico: Gi's team will include Zecora, Aylene Carter, Lumina, Lightsworn Summoner, Felis, Lightsworn Archer and Miho Nishizumi. Linka's team will include Aquagirl, Anna Knudson, Amaterasu, Arcana Force XXI - The World and The Splendid Venus. (laughs) I told you Anna and Aylene would be in teams eventually!

Me: You sure did! No doubt about it!

Anna Knudson: Awesome! This is gonna be cool being on a team.

Zecora: Being on a team is a true honor for me indeed and I promise to do everything I can for my team to succeed.

Nico: I'm glad you're excited.

Qin: We all are.

The previous group then came.

Selma: Can me, Patty, Krusty, Cargill, The Springfield Bullies, Rich Texan, Skinner, Comic Book Guy, Snake Jailbird, Springfield Mafia, and Cantwell go with you guys?

Mr. Fibb: Me, Mr. Wink, Quackerjack, Steelbeak, Technicolor Phantoms, Golden Gut, Sellon, Secret Snake Club, Roman Torchwick, UA Carnage, and Quirrel will come too.

Patty: And Kari, if your head's pounding, you should turn into your snail form.

T.K.: It's not just her head. She is really tired.

Natilee: She keeps complaining about these visions that she was receiving.

Me: What kind of visions?

Natilee: I'm not really sure. But she said they looked like a strange dark ocean.

Me: Hmm.

Nico: And yes you all can come with us too.

Charmcaster: Nico, which Gene Slammers do you think you'll meet next?

Legs: It's probably gonna be 3 this time.

Louie: If we're following the pattern right.

Nico: Yes you're following it right. And Wynaut, Glalie and Walrein next.

Me: Ooh! Underwater Pokemon next.

Nico: Yep.

Kari: Maybe I SHOULD turn into my snail form.

Cargill: That's probably a good idea.

Steelbeak: Whatever's affecting you probably can't affect snails.

Suddenly, Lincoln's deep sapphire eyes glowed and turned into rainbow colors, and he had a vision of what's happening: it appears that The Scubamon, and their Undersea Master, Dagomon, are back and they're causing havoc in the Dark Ocean in the Digital World.

Haruhi: Linky, what's wrong?

Lincoln: We got trouble in The Digital World, Haruhi. Get the other Digimon Digital Heroes, and tell them it's a Code: Maelstrom.

The other Digimon Digital Heroes came in, and so did we.

Nico: We saw your eyes turned into rainbow colors, Lincoln, what's wrong?

Me: And what's with the code word?

Lincoln: It's bad news, Nico, and to answer your question, J.D., it's a code word for any sign of any sort of trouble in The Digital World. Okay, now for the situation: it appears that The Scubamon, and their Undersea Master, Dagomon, are back and they're causing havoc in the Dark Ocean in the Digital World.

We gasped in shock.

Nico: Oh boy, this isn't good, and didn't we deal with Dagomon and his Scubamon years ago, Tai?

Tai: We did, but it looks like they've come back, and they want revenge on us for what happened.

Lincoln: We're not going to let that happen, we'll put a stop to Dagomon and his Scubamon once again, this time, for good.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Juurea, another member of The Extraterrestrial Order of The Planets of Holy Ghidorah, and he's coming here to kill us all for ruining their plans. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Juurea of The Extraterrestrial Order of The Planets of Holy Ghidorah on the move?

Lincoln: You guessed it, Rayman, and he's coming here to kill us all for ruining their plans.

Nico: Just as we expected, but we're more than ready for Juurea, right, Bertha?

Bertha Guntherton: Right, and just like what happened, he's going to transform by drinking that potion with 2018 King Ghidorah's blood, so Lincoln will separate his King Ghidorah Hybrid Monster form from his real form and absorb the King Ghidorah Hybrid Monster form while we destroy Juurea and give him The Black Gates.

Lincoln: Those deranged fanatics have really been playing with fire when they created that potion, don't they have any idea of what that stuff will do to them should they dare to consume it.

Nico: Unfortunately not. Alright, gang, let's head on over to the Dark Ocean in the Digital World and put an end to Dagomon and his Scubamon.

Lincoln: If they think they can get away with causing trouble yet again in the Digital World, they've got another thing coming, and once we get through with teaching those creeps a lesson, you better be ready to die, Juurea.

Bertha Guntherton: You better be ready to die, Juurea, because you're about to face the full extent of the Elemental Incarnation of Endurance.

Me: So that's it! It's Dagomon!

Nico: I haven't seen him in ages and I remember him too.

Me: What does he look like?

Nico: He looks like a Cthulhu Digimon and me and T.K. had to rescue Kari from the Dark Ocean before.

Me: Whoa!

Nico: He's an Ultimate Level Digimon so he won't be a problem.

Qin: Oh good.

Papillon: What about Kari?

Kari started to shrink to a snail's size.

Nico: Kari you don't have to change to a snail.

Kari: Okay.

She stopped and changed back to normal size.

Me: Can you tell us what happened?

T.K.: We sure can.

Nico: It was years ago.

Nico went over everything that happened.

---

Lately, Kari's been having strange dreams. After getting scared by T.K. accidentally making her jump, they run into school. As they run in, Gatomon confides in Patamon about Kari's bad dreams, and how Kari refuses to talk about them.

In class, T.K. mulls over Kari's silence. Meanwhile, Kari is mulling over her dream. As she does, she realizes that the classroom is beginning to fade and a thick fog envelops her. When the classroom disappears entirely, she finds she is in ankle-deep water. Back in the classroom, T.K. sees Kari seem to fuzz over, as if she was on a T.V. with bad reception. 'Kari!' he cries, standing up. The entire class looks round and stares at him, including Kari, whose outline is back to normal. Then they turn to look at Kari. Suddenly, Kari closes her eyes and falls to the side in a faint. A friend catches her. The teacher sends her to the nurse's office. As she walked to the nurse's office, Kari convinced herself she had fallen asleep and dreamt the water and the fog. She sees a vision of her younger self. She begins to hear water dripping. She turns to see a shadow of a Digimon with glowing red eyes. She screams.

At the end of class, T.K. runs to the nurse to find Kari, but is told she isn't there. Confused, he runs to check the girl's bathroom, library, staircase, and the gate to the digital world. Suddenly, he sees her sitting outside. He runs outside to talk to her. She tells him what happened, and how she's scared the Digimon are going to take her to 'their world'. In his worry for Kari, T.K. tells her he cared too much about her to let her go without a fight. Kari stares at him in astonishment. Embarrassed, T.K. stutters an excuse and runs off.

After school, Kari walks out alone, and stares at the beach across the road. As she crosses, Gatomon spots her from her tree, and jumps down to the pavement. Suddenly, Kari's outline begins to fuzz again. A lorry goes past, and when it's gone, so has Kari, leaving only her bag.

In the computer room, Cody, Davis, Upamon, DemiVeemon, Poromon and Patamon are watching Yolei upgrade the D-3s. T.K. walks in. Patamon asks him what the matter is. Gatomon bursts in and tells them that 'Kari's disappeared'.

Kari opens her eyes, and finds herself at a beach. There's a lighthouse nearby, however, the color of the whole place is very subdued, and the lighthouse is emitting black light.

T.K. tells the others that she might not be in the Digital World. Davis says he must have hit his head, and Yolei complains she can't find Kari in the Digital World. Cody loses his temper and shouts at them to stop talking. He says they mustn't go into the Digital World blindly, and should wait until they pinpointed Kari's location. T.K. repeats that she's not in the Digi-World, and runs out to the beach to find her. Patamon and Gatomon follow. T.K. says he should have realized she needed help. He then realizes Kari must be in a different dimension.

Kari is exploring, and notices a cave. She wonders if it's the way back home, and goes in. She calls in the cave, and realizes it's a tunnel. As she goes deeper in, she hears hoarse voices calling her name. She sees shadows like the one she saw earlier. They ask her to help them. Kari notices the creatures look ill, and asks if they're Digimon. They reply that they're Scubamon. They say they don't know how they got to the tunnel, that they were 'serving our undersea master', and then suddenly were in the tunnel. Kari then sees Dark Spirals on the Scubamons' arms, and realized the Digimon Emperor had something to do with this. The Scubamon tells her they had summoned her to help them because her trait of light allowed her to free them. She reaches forward, and grabs a Scubamon's arm. A purple light shines from the spiral, and the tunnel begins to collapse. They all run out. An Airdramon is circling ahead, and a Scubamon says it serves the Digimon Emperor. It attacks. Kari begins to despair.

Patamon, Gatomon and T.K. are on the beach, shouting Kari's name. Suddenly, a purple light appears, and they see Kari in the middle of it calling T.K.'s name. The three jump into the light, and are transported to the strange dimension. Seeing Airdramon, Patamon digivolves to Pegasusmon. Gatomon is unable to digivolve - Kari's d-terminal was in her bag, which is back in the real world. Gatomon realizes that there's a Control Spire in the lighthouse, and tells Pegasusmon. Pegasusmon destroys the control spire, and Gatomon digivolves to Angewomon. Pegasusmon and Angewomon easily defeat Airdramon. Angewomon then destroys the dark spirals on the Scubamons' arms. Their bodies begin to pulsate and shift. They stand up, a completely different shape. They reach forward for Kari, and tell her she could be their queen. Angewomon scares them back into the ocean with a warning shot. As they retreat, they tell Kari they had thought she would help them revolt against their undersea Master, but they had clearly been wrong. They said to beware of their Master, who would come for her. Kari, Angewomon, T.K. and Pegasusmon then re-enter the purple light back to the real world. Kari asks T.K. what he had meant that morning when he'd said he cared for her, and he once again stammers out an excuse. She then tells him she cares for him too, and they both chuckle.

The large silhouette of Dagomon rises from the Dark Ocean. It is clearly the Scubamons' Undersea Master, and it growls menacingly.

---

When they were done we were shocked and it was horrible!

Me: Oh man!

Lola: Not good.

Me: And the Dark Ocean from what I heard about from Ken was the very spot where he was brainwashed into the Digimon Emperor.

Nico: That's right.

Me: Looks like we're going there for round 2 against the Scubamon and facing Dagomon for the first and final time and also we're going there to confront Ken's demons.

Rich Texan: Maybe we should get going.

Golden Gut: Don't want to keep the evil Digimon waiting.

I opened a portal and we were off to the Dark Ocean.

---

We arrived at the Dark Ocean and it was a scary foggy and dark coastal area.

---

The Dark Ocean (暗黒の海 Ankoku no Umi?), also known as the World of Darkness (闇の世界 Yami no Sekai?) and Quantum Sea (量子の海 Ryōshi no Umi?), is a world in Digimon Adventure 02 and Digimon Adventure tri. that has the power to bring twisted thoughts to life, magnify and corrupt them, and invert the natural order of things. A Million Points of Light It is ruled by Dragomon and plays a central role as one of the world's three main dimensions, along with the Real World and the Digital World. The Control Spires originate from this dimension as well. It's implied that the Dark Whirlpool is connected to this world.

Yukio Oikawa guides Ken Ichijouji to the Dark Ocean after the death of his older brother, Sam Ichijouji. Ken dips his Digivice in the Dark Ocean's water, transforming it into his black D-3 and spurring the creation of the Digimon Emperor persona. Kari Kamiya is also pulled into the Dark Ocean due to holding too much inside her. She comes across Scubamon bound by Dark Spirals and frees them once rescued by Takeru "T.K." Takaishi, Patamon, and Gatomon. They only reveal their true forms as dark sea creatures who wish to mate with her so that they can produce powerful offspring to fight the new god (In the English Dub, the creatures want her to become their new Queen who lead them in the battle against the Dark Ocean's ruler). Angewomon drives them off, and they return to the ocean's depths.

As part of atoning for his actions, Ken joins the others to search for Gatomon's lost Holy Ring, but he, Kari, Yolei, and their Digimon accidentally cross through a Control Spire-caused phase warp and end up in the World of Darkness. He falls into despair and darkness due to the influence of his inner dark self, and Kari follows suit due to her own repressed emotions. Ironically, Yolei Inoue is initially unable to see the Dark Ocean until her frustration at that inability gets the better of her, at which point she snaps them both out of it. The children are returned to the Digital World when Arukenimon creates a Blossomon from the Control Spire generating the warp, allowing Aquilamon and Gatomon to DNA digivolve to Silphymon and defeat the artifical monster.

It is used as a last ditch effort to defeat Daemon when he proves too strong for the DigiDestined to defeat and destroy, even with their combined might. By combining their powers, they trap Daemon in the Dark Ocean, finally putting an end to the threat he posed to Earth.

Three years later, after the reboot revived her Tapirmon, Maki Himekawa becomes stranded in the Dark Ocean after her Tapirmon failed to remember her. She had brought a bazooka with her, and uses it to defend herself against the Scubamon. After successfully defending herself, she drifts away in the ocean. Future Hackmon warned that Ordinemon's presence in the Real World would eventually cause the Real World to collapse back into the Quantum Sea.

---

Me: Whoa.

Qin: So this is the Dark Ocean.

Nico: Just as scary as I remember.

But then our auras exploded out with intensely powerful rainbow fire and energy and we received a massive and intensely powerful supercharge and power boost!

Qin: WHOA!

Me: This whole place is overflowing with intense negative energy!

Nico: Boy just as strong as the Realm of Darkness.

Cindersaur: Is Seraphimon here?

Me: This is the Dark Ocean, Cindersaur.

Nico: I don't think he is here.

Me: But at least the Negative Energy here will supercharge us indefinitely.

Qin: Yeah.

Leeli: This is a scary place.

Nico: It sure is.

Comic Book Guy: Dagomon is going to the Warp in case we have a need for him.

Wiggly: But the Scubamon sound promising.

Nico: The Scubamon I can accept being in your ranks but Dagomon? No way. He is getting the Black Gates.

Qin: I agree there. Dagomon is dangerous and pure evil. He will destroy you guys.

Me: Yeah we're not taking that chance. He may be an Ultimate Level Digimon but he will kill you all in any chance he gets.

Cassandra: Okay. Just the Scubamon then.

Me: Good. Also Scubamon are a type of Divermon.

Qin: He's right on that.

Me: They are essentially Divermon just without the spear and harpoons and the underwater engines on their backs. Same Digimon just without the gear and they are grey.

Qin: Yeah.

Nico: You're right on that. But they will still be in the M.O.E.

Fat Tony: Keep an eye out, fellas.

UA Carnage: I'll kill anything that's dangerous

Me: Right.

Qin: Stay alert everyone.

We stayed alert.

We saw a cave.

Me: Is that the cave you found the Scubamon in?

Kari: That's it.

Sabrina (Pokemon): I'm sensing lots of life here.

Eli: I feel it too.

Nico: Stay close.

We looked into the cave and it was dark and scary.

Me: I've got a bad feeling about this.

Qin: Me too.

Quirrel: Hello?

Cantwell: Anyone there?

Surprisingly there was nothing.

Me: Nothing? Odd.

Eli: I sense something about to come out of the ocean.

Me: It's Dagomon. He's close.

Manterror: You sure nothing's in the cave?

Eli: I don't see anything.

Me: I don't see anything either.

Qin: Hmm.

Camie: Uhh guys?

We saw a huge figure coming out of the water and we hid in the cave.

Me: Whoa is that?

We saw that it was DAGOMON!

Roman Torchwick: That's him?!

Snake: Dude, he's so big!

Me: He sure is.

Qin: For an Ultimate Level Digimon he is massive.

Kari: Oh no.

Hunch: No one make a sound.

We didn't make a sound or moved a muscle.

Nico: (In his head) Oh boy. Hope no one farts.

Dagomon flew away from us.

Jimbo: He's gone!

Kearney: For now, at least.

Dolph: He might be back.

Chocolate Technicolor Phantom: Ever get the feeling he was expecting us?

Me: I have that feeling.

Kari: Same here.

Garby: Uh guys I'm sorry.

Me: For what?

LOUD FART TOOT!

He farted while we were in the cave and we coughed and gagged.

Meta Knight: Ken, does this bring back bad memories?

Ken: Yes it does. It makes me think about how I became the Digimon Emperor.

Nico: I remember Oikawa took you here and made you like that.

Xenia: No kidding. That was bad.

Skinner: Maybe we should sneak up on Dagomon now.

Sellon: You read my mind.

Me: Good idea.

Nico: Lets go.

Me: SHROUD OF SHADOWS.

I used the Shen Gong Wu and made us invisible.

We snuck up on Dagomon.

We snuck up quietly.

RD Lana: Entrance time.

Nico: Lets do it.

We went at him.

Dagomon looked around and then the spirits of the Angel Digimon cam and swirled around him and then they converged and then a massive beam of light shined down on him and the divine singing of angels was heard and then a massive pair of angel wings spread and they flapped and fired waves of energy and blasted him all over and then we came out.

Me: Now that was an entrance!

Kari: Okay Dagomon! Here I am! You wanted to meet me so here I am!

Krusty: But you ain't touching her!

Quackerjack: Not while we're still conscious!

Me: But YOU won't be conscious!

I fired a massive energy blast and it hit Dagomon and blasted him down!

T.K.: DIGI ARMOR ENERGIZE!

Patamon: PATAMON ARMOR DIGIVOLVE TO…

He turned into Pegasusmon!

Pegasusmon: PEGASUSMON! FLYING HOPE!

Gatomon: GATOMON DIGIVOLVE TO…

Fearog: It'll probably be the 40th one.

Me: Oh boy.

Wes: But we'll wait.

Nico: Good.

We got the battles underway.

Aqua: Yeah he sure did. But it was interrupted by the arrival of an old enemy that J.D. brought down when he moved to Michigan.

Rarity: It was a really amazing and epic battle darlings.

Sweetie Belle: Boy you should have seen what happened! The whole park was up in flames and there was a dead girl on the ground.

Gill Grunt: Eli snapped her neck. Her name was Donna Commerocker. She was hellbent on getting revenge on J.D. for ruining her life.

## Ariel, Eli, Starlight Glimmer, Cozy Glow, Undead Skylanders, Luigi, Professor E. Gad, Papillon and Randy Boggs VS Ghost - Lincoln's Rescue

Ghost was next.

Ghost: (to Ariel) I heard Lincoln's rescue was in Domino City. How was it?

Ariel: It was really fun and awesome.

Eli: We were there to take down Daniela Kennedy and she was the meanest, nastiest bully anyone has ever had the really horrible displeasure of knowing. She's a heartless opportunist who enjoyed bullying and terrorizing everyone in her path from the students and the teachers, and she absolutely hated Kuesa with all her black heart: she hated that Kuesa's a talented fashionista with a love of astronomy, and it drove Daniela into madness, and she tried to kill her and Lincoln numerous times, but every single time, she was brutally beaten up badly by the other Guardian Angels, and it ended with Daniela getting sent to the hospital and in a full-body cast. But, it would soon end with Daniela getting expelled when her crimes were exposed by Lincoln and the other Guardian Angels and she was disowned by her parents and thrown out into the streets.

Ghost: Geez! That girl is a monster.

Starlight Glimmer: You're not kidding there and she was turned into a gold statue by Lincoln.

Cozy Glow: She sure was and it was awesome.

Hex: Thank goodness.

Luigi: (Italian Accent) It's-a good she was.

Aang, Rainbow Dash, Scootaloo, Air Skylanders, Shun, Skyress, Flamefeather and Cindersaur VS Arthur Brown A.K.A. Cluemaster - Meeting the Avatar of Uru

---

Cluemaster was next.

Cluemaster: (to Aang) I heard you guys met the Avatar of Uru. What's her name?

Aang: Her name is Regina Goodwin and she is the fusion gene-slammer of all of Roman Goodwin's monsters including Earthbound Immortal Uru.

Rainbow Dash: And she has a really awesome and amazing power to have spiders latch on to people and force them to do her bidding.

Scootaloo: Yeah it's a really amazing power and her story is awesome too.

---

Nico: Yep. So, Regina, Kukimon, what's the stories you have on why you hate Lori, Lynn, Lola, Lisa, and Luan with a burning passion?

Kukimon: Uh oh, I was hoping you'd ask that. One day, Lincoln and I were in Leni's room and we were creating some beautiful dresses for Leni, Jackie, and Mandee to wear, and they were seeing us hard at work. But, then we'd heard a loud screech in the air and the door to Leni's room burst open, and we saw who it was: Lola, and her face was red, her teeth had turned sharp, and her hair turned into living fire. Then, she roared in anger and ran at Lincoln to kill him, but we fired a powerful blast of wind at Lola, and it sent her flying out of the room, and right into a straitjacket trap Luna set up and she was tied up. Then, she was wheeled in to her parents, and she got grounded for eight weeks for trying to kill Lincoln, and she got put in a makeshift jail cell, and she was angrily banging the bars with a cup.

Nico: Sheesh, so Lola was on yet another rampage again?! Man, Dark Lola really made her into a total monster.

Luna: We've been at the receiving end of her wrath many times over when she gets really mad, and it's been that way for years.

Regina Goodwin: She was a monster because of her Dark Side. Okay, now for my story, I make it no surprise I've hated Lori, Lynn, Lola, Lisa, and Luan with a blazing passion, because of all the hell they put Lincoln through. One day, Lincoln and I were busy with some homework for English, and we were at my house since The Loud House was not the perfect place for it. But then, we heard the sound of three banshee screams of hatred, crazed homicidal laughter, and a loud belch in the air, and there are only five people who could make those sounds: Lori, Lynn, Lola, Lisa, and Luan, and we saw them charging right for us, and they were out for blood. But, Lincoln and I were ready for them, we fired blasts of darkness at them and we sent black spiders to latch onto them, and once under control, we made them do humiliating things to each other: we made Lori shave off her own eyebrows, we made Lynn throw all of her stinky socks in the garbage and made her get a bath, we made Lola roll around and bathe in mud, we made Lisa destroy her own robots, and we made Luan go through her nasty pranks.

Valencia Nightingale: And we got the pictures to show it.

Valencia Nightingale put the photos of what happened on the big screen: we saw Lori shave off her eyebrows, Lynn threw away her own stinky socks and she got sprayed with soap and water, and she was thrown in the bathroom to get a bath, Lola was rolling around in mud, Lisa destroyed her own robots with a mallet, and Luan went through her own nasty pranks.

Nico: Jeez Louise!

Buster Bunny: This is even worse than all the times Valencia's pulled those pranks and gags on Monty and on Lincoln's enemies and Lori, Lynn, Lola, Lisa, and Luan.

Me: Yeah, it was really really bad.

Laney: And when Regina got the black spiders off those five and when Lori and Lola saw what they'd done to themselves, Lynn being fresh and clean instead of smelly and dirty, Lisa holding a mallet and seeing her destroyed robots, and Luan going through her own twisted pranks, they freaked out and they ran away only to get caught in a spider web trap made by Lincoln.

Lincoln: Where Luna grabbed those five and dragged them back home, and after I told Mom and Dad of what those five tried to do to me, they got grounded for fifteen weeks and were thrown in a metal box. Lynn roared and pounded on the doors in an attempt to escape, but Nicholette gave them the bird again, and Lori, Lola, and Lisa screamed like banshees, and Lynn roared and beat her chest like a gorilla again, while Luan was laughing like a madwoman.

Woody Woodpecker: If Luan kept that up, we'd have to put her in a makeshift padded room again.

FLASHBACK ENDS

Cluemaster: Wow that is an amazing power! And man they really humiliated themselves against their wills didn't they!

Whirlwind: You're not kidding!

Shun: Her power to use spiders to control people like that is just absolutely amazing.

Skyress: Boy it sure is!

Cluemaster: Boy that is incredible that she can do all that stuff with spiders. Roman said that he has that kind of power himself but we never saw it in action.

Aang: Like father like daughter as they say.

Cluemaster: That's true. Lets do it!

AIRBENDING TORNADO MAGISWORD!

Nico: You got that right, Lincoln. Awesome job, gang, but we're not done yet.

Bertha Guntherton: That's right, there's still the matter of Juurea to deal with, and that religious fanatic should be arriving… right now!

?: I will make every last one of you pay for what you did in destroying our Lord Ghidorah, Team Loud Phoenix Storm!

Yuko: I knew there was no mistaking that voice from anywhere, you can come out now, Juurea.

A figure came out, and it was none other than Juurea of The Extraterrestrial Order of The Planets of Holy Ghidorah.

Yuko: Juurea, I should've known you'd show up here, and we already knew of the Order's arrival days ago, so we're prepared to destroy you all. We will never let you destroy the Earth ever!

Juurea: You fools will pay dearly for this, Lord Ghidorah will rise again and the entire Earth will be destroyed!

Bertha Guntherton: The only one who deserves to be destroyed is you.

Suddenly, Bertha Guntherton's green eyes turned neon green and she was surrounded by a green energy aura with leaves, plants, dragons, phoenixes, and nature angels, she unholstered her massive Endurance-themed greatsword from her back, and as she approached Juurea, she left green energy, plants, leaves, dragons, phoenixes, and nature angels with every step.

Bertha Guntherton: I will never ever forgive you for what you and the rest of the Order have tried to do 20,000 years from now, Juurea: wanting King Ghidorah to destroy our world and every last living thing on it, that's one thing I will never allow, and for that, I hope you're ready to drown in a sea of retribution for your crimes against mankind and the universe!

Suddenly, Bertha Guntherton was surrounded by a massive vortex of green energy with leaves and plants surrounding it, there are dragons, phoenixes, and nature angels and Subtlety flying around the vortex, and in the vortex is a green phoenix with red eyes glaring at Juurea: the red eyes of death. Then, as the vortex faded, Bertha Guntherton emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Bertha Guntherton grew to 7'4" in height, she has the body of a goddess, she has green highlights in the bangs of her long emerald green hair, she has neon green eyes and a green energy aura with leaves, plants, dragons, phoenixes, fairies, and nature angels surrounding her, she has Endurance emblazoned on her forehead and Third Eye with green iris, she has on dragon earrings with green gems for eyes and holding the Nature and Eternity Kanjis in its claws, she also has Endurance with green gems for eyes and holding the Nature and Eternity Kanjis in its hands on the bottom of her green phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Dragon Necklace of Eternal Love necklace with green crystal links from her merged Crystal Necklace of the Buddha and green gems on the gold flame links. Bertha Guntherton has on a sleeveless green blouse, sleeveless green top with black designs on the bottom, green skirt, green pants, green sneakers, and long sleeveless white trenchcoat with leaves, plants, dragons, phoenixes, fairies, and nature angels on the coattails, and on the back is Endurance surrounded by leaves and plants. Suddenly, Bertha Guntherton felt a sharp pain on her back, and then, her massive emerald green angel wings with green tips on the large green feathers, grew much bigger for her new body and she now has eleven massive and long emerald green wolf tails with green tips. Bertha Guntherton has on her Ring of the Phoenix with large emerald green gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Bertha Guntherton's massive Endurance-themed greatsword and all the greatswords she'd gotten began merging together and they're suddenly surrounded by a kaleidoscope of green energy, leaves, plants, dragons, phoenixes, fairies, and nature angels, and when it emerged, it transformed into Endurance's Elemental Nature Draconic Phoenix Oceanic Greatsword of Elemental Nature Endurance Justice, it's a brand-new massive greatsword with embedded emerald green gems and the Nature Elemental Endurance etched on the 7'0" massive, wide, double-edged green blade, large green dragon heads for the crossguard, large emerald green gem embedded in the hilt, longer midnight black handle, four large green phoenix heads with emerald green gems for eyes and large emerald green gem on the bottom of the green phoenix heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with emerald green gems on her wrists, her large gold Belt of Elemental Bravery with a gold version of Endurance's head with emerald green gems for eyes and a large emerald green gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's an emerald green kanji below Endurance that said, "Bertha Guntherton, Gene-Slammer of Endurance, Elemental Angel of Nature, Loving Third Eldest Sister of Fiona Guntherton, Saline Guntherton, Hailey Guntherton, and Emma Guntherton, Future Wife of Nico Chan, Archenemy of Taizo Kaga the Money Dopant, Destroyer of Juurea of The Extraterrestrial Order of The Planets of Holy Ghidorah, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Nature, Dragons, Fairies, and Phoenixes"

Bertha Guntherton has transformed into SUPER ANGEL-ENDURANCE-DRAGON-FAIRY-PHOENIX-HARMONY CELESTIAL ETERNAL XELNAGA DRACONIC PHOENIX EARTH NATURE ENDURANCE ANGEL OF DIVINE ELEMENTAL NATURE EARTH ENDURANCE ANGEL JUSTICE AND DIVINE ELEMENTAL NATURE EARTH ENDURANCE ANGEL LOVE!

We were amazed by Bertha Guntherton's Super Angel-Endurance-Dragon-Fairy-Phoenix-Harmony Celestial Eternal Xelnaga transformation, and when Nico saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Juurea saw it, he fell into an infernal rage and he got out his blaster to blast her, but Bertha Guntherton fired a powerful green energy blast with leaves, plants, dragons, phoenixes, and water angels at Juurea, which hit him and pushed him back and he also got hit with poison ivy whips, but this really pissed him off now.

Fiona Guntherton: Wow, Bertha's transformed, awesome!

Hailey Guntherton: That's really incredible, and she really hurt Juurea badly with those poison ivy whips.

Nico: Yeah, and she's really got him pissed off now big time.

Bertha Guntherton: (Divine Echoing Cosmic Voice of The Elemental Endurance Earth Nature Draconic Phoenix Nature Angel and Divine Draconic Phoenix Nature Endurance Angel Nature Love) And now, you're about to feel the full fury of nature, Juurea.

Nico: Let's get him, Bertha, this bastard doesn't deserve to live any longer.

Nico transformed into Super Saiyan Rainbow Infinity and unholsters his massive Nico's Universal Elemental Greatsword of Saiyan Pride and Phoenix Justice from his wider and muscular back and joined Bertha Guntherton.

Nico: (Divine Echoing Voice of Rainbow Redemption) Alright, you fanatical clod, it's time for you to pay for your crimes with your blood!

Bertha Guntherton and Nico went after Juurea who's now gone even more full-blown ballistic, and they fired extremely powerful blasts of rainbow energy, green energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Juurea and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him.

Nico turned his fingernails into claws and he slashed at Juurea, drawing more blood and leaving more scars on him, and he was being driven even more ballistic. Suddenly, Juurea took out the vial of red liquid with a drop of 2018 King Ghidorah's blood, then he drank it. Suddenly, Juurea began changing as massive wings like King Ghidorah's grew and sprouted out from his back, his skin was covered in gold scales, and he'd grown King Ghidorah's tails.

Me: Watch it, you guys, now Juurea has transformed into his King Ghidorah Hybrid Monster form.

Juurea fired a Gravity Lightning blast at Bertha Guntherton and Nico who dodged it.

Lincoln: Bertha, Nico, hang on!

Lincoln fired a rainbow energy blast which separated Juurea from his King Ghidorah Hybrid Monster form, and then, Lincoln went at King Ghidorah Hybrid Monster Juurea and he stabbed him in his chest with one of his eleven massive and long white wolf tails paralyzing him so he couldn't try to escape, and then, Lincoln began absorbing King Ghidorah Hybrid Monster Hinnphes' bio-energy and assimilated his powers and abilities until nothing was left of it.

Nico: (Divine Echoing Voice of Rainbow Redemption) Thanks for the save, Lincoln. Now, Bertha, let's end this bastard for good.

Bertha Guntherton: (Divine Echoing Cosmic Voice of The Elemental Endurance Earth Nature Draconic Phoenix Nature Angel and Divine Draconic Phoenix Nature Endurance Angel Nature Love) You got it, Nico.

Bertha Guntherton and Nico sent Juurea flying into the air, and then, they prepared their combo to put an end to Juurea.

Bertha Guntherton and Nico: ELEMENTAL ENDURANCE DRACONIC PHOENIX NATURE'S ETERNAL FURY KAMEHAMEHA!

Bertha Guntherton and Nico fired two massive aqua blue energy Kamehameha waves with plants, leaves, dragons, phoenixes, fairies, and water angels which hit Juurea, and they explode with incredible power as they hit him, and he was obliterated. Then, when his spirit appeared, Bertha Guntherton and Nico drew the Judgement Kanji on his forehead, and he was erased by The Black Gates for his crimes. We cheered as Bertha Guntherton and Nico holster their massive greatswords on their backs and powered down, and Bertha Guntherton's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long emerald green wolf tails, and massive emerald green angel wings are permanent.

Bertha Guntherton: That's one member of The Extraterrestrial Order of The Planets of Holy Ghidorah down and twenty-seven members to go. Thanks for helping me destroy Juurea once and for all, Nico.

Nico: (Smiles Warmly) You're welcome, Bertha.

Suddenly, Bertha Guntherton wrapped her arms around Nico's wider and muscular back, as her chest pressed against Nico's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Nico's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to their faces. Then, as Nico leaned down to Bertha Guntherton's face, they kissed passionately as she moved her arms and placed her hands on Nico's massive pecs, and behind them was a Dragon, Phoenix, Angel, and Endurance flying in the air, and we saw many animals running across the field, along with elemental forces and a beautiful forest had formed behind them and we cheered wildly. Then, Nico and Bertha Guntherton absorbed the life energy that emanated from the forest and they came back to us as the display and Endurance vanished.

Me: Whoa, now that's what I call another cult fanatic put down for good, nice job, Nico and Bertha.

Nico: Thanks, J.D., and like Lincoln said, those potions the members of The Extraterrestrial Order of the Planets of Holy Ghidorah have allow them to transform into King Ghidorah Hybrid Monsters and they also acquire his powers as well.

Lincoln: But, they only use it when they've really been pushed too far. However, one rainbow energy blast separates them from their King Ghidorah Hybrid Monster form.

Nico: And they wind up becoming your next meal for you to absorb, Lincoln, and for tomorrow, the next member is Loollea, which means you're up next, Hailey.

Hailey Guntherton: Yeah, we'll make Loollea pay.

Nico: We sure will. So, who's the next Dark Signer Monsters Fusion Gene-Slammer we'll be meeting tomorrow on your rescue, Lincoln?

Lincoln: We already have that one planned out, the next one for tomorrow will be The Fusion Gene-Slammer for Apocatequil, Ascator, Dawnwalker, Fire Ant Ascator, Moon Dragon Quilla, Oracle of the Sun, Sun Dragon Inti, Supay, Supay, Duskwalker, Weeping Idol, and Earthbound Immortal Wiraqocha Rasca.

Maria Tredwell: The monsters of Rex Goodwin, I knew it.

Lincoln: Yep, we'd already met Regina Goodwin today, now we're meeting her twin sister tomorrow.

Spymaster: Lure Kari out, will he?

Madame Masque: Well, we showed him.

Titania: We sure did.

Grodd: Now, Kari's safe.

White Lightning: (to Ken) I hope you weren't too haunted by bad memories of this place.

Ken: I'm okay. Thanks guys.

Kari: But thank you guys for helping me out.

Qin: At least we confronted him at the source.

Nico: We sure did. Great job everyone.

Kari: (To the viewers) This was an awesome adventure and we had unfinished business resolved.

Qin: That is for sure.

We went back home and enjoyed the rest of the day and went to sleep.

Leeli: Oh this forest is so magnificent and beautiful.

Fluttershy: It sure is and the creatures here are so amazing.

Qin: They sure are.

Me: Bambi's forest is so awesome. And Spring is almost here.

Rhinox: Yes it is and I just love taking this time to smell the flowers.

Me: They do say that you should always stop to smell the roses.

Nico: Yeah that is for sure.

Camie: It's so beautiful here.

Varie: Yeah.

Nico: Linka, I want to thank you, Whirlin, and your teams for coming.

Linka (Captain Planet): (Russian Accent) It's no problem Nico. I'm honored that we get to come with here.

Aquagirl: This is so awesome though.

Tsuyu: It sure is.

Leeli: Look at all the beautiful birds and animals.

Fluttershy: They are so beautiful. (SINGS)

The birds came to Fluttershy and she was talking to them.

Starlight Glimmer: Looks like Fluttershy and Leeli are loving this forest.

Me: They sure are.

Nico: Aquagirl, it's awesome that you helped Terry before

Aquagirl: It sure is. And I'm glad I was able to help him too.

Xenia: That is so cool too.

Aquagirl: I agree there.

Varie: That is so cool. But what was really shocking from what I heard was that Starro was on his version of Superman!

Nico: Mevya was involved with us meeting Starro.

Me: No kidding there.

Aquagirl: But J.D. made the right call in sending Starro back home. I did the same thing back then.

Nico: I didn't know about that. J.D. I guess I owe you an apology. I completely misjudged you on that.

Me: Ah no worries Nico. It's all water under the bridge.

Camie: That was cool meeting Mevya though.

Me: It sure was. Boy yesterday was awesome.

Nico: We helped Kari greatly yesterday.

Me: We sure did. Boy that was strange seeing the Dark Ocean.

Qin: No kidding there.

Xenia: Hard to imagine that would be the very spot where Ken would end up becoming brainwashed and turn into the ruthless tyrant known as the Digimon Emperor.

Nico: No kidding there.

Qin: That was awful.

Sirius: But either way we got to confront Ken's demons and destroy Dagomon.

Whirlin: The Scubamon are in our ranks.

Me: They sure are. We just have to figure out who would be perfect for them.

Xenia: Has to be someone for the world of the sea.

Qin: Yeah.

Nico: Still a great adventure though.

Xenia: Yep.

Maria: Kari tried turning into a snail.

Me: There wasn't a need for that though.

Qin: Yeah.

But then we saw a bunch of squirrels running away!

Nico: What the!?

Me: They are scared about something.

Qin: Yeah.

Me: Something doesn't make sense.

But then I smelled something REALLY HORRIBLE!

Me: (SNIFFS) (COUGHING, GAGGING AND VOMITING)

Nico: GEEZ!

Me: (GAGGING AND COUGHING!) WHAT THE FUCK IS THAT HORRIBLE SMELL!? (GAGGING)

Qin: (COUGHING) IT SMELLS LIKE DRAGON FARTS!

Laney: (COUGHING) This smells like Garby but worse!

Nico: Wait I think it's our Another Creations from Swartz.

Me: It's coming from the meadow.

I gave us all noseplugs and we put them on.

We went to the meadow.

Nico: There's the grave of Bambi's Mom.

Me: Yeah.

Starlight Glimmer: Poor Bambi's mom.

We had a moment of silence for her.

Camie: Poor Bambi.

Nico knelt by the grave in respect

Nico gave her a prayer.

It was good for him.

We later pressed on to figure out where that horrible stench was coming from and then we got to the meadow and it was a deserted place.

Nico: The smell definitely came from here.

Qin: Yeah.

Camie: You sure?

LOUD FART TOOT!

Nico: J.D.!

Me: That wasn't me!

Nico: The fuck are you?!

Another Garby: (In a girls voice) Thank goodness you guys are here.

LOUD FART TOOT!

Me: Only one person I know that has REALLY BAD Farts like that. Wet ones.

She reverted back and was a girl with green hair and had green gym clothes and she smelled like she rolled around in Raw Sewage and she was farting REALLY WET FARTS!

LOUD WET FART!

Me: EW! June Stinkbug Limburger!

June Limburger: Awesome to see you again J.D.

LOUD WET FART!

June Limburger: Sorry. I can't help it.

Nico: Another Calabash Syndrome girl?

Me: Yep but this one is type 3. This is Calabash Syndrome Type 3. Explosive Diarrhea Farts.

All of us: EW!

June Limburger: Sorry. I can't help it.

Me: No worries.

Nico: Who wants to fight her?!

Lana: I will.

Nico: Go get her Lana.

Lana: You got it!

June Limburger: JUST GET ME THE FUCK BACK TO NORMAL SO I CAN STOP FARTING NASTY DRAGON FARTS!

Me: My pleasure!

June turned into Another Garby and Lana fired a wave of energy and blasted her down and I caught the Wonder Ride Book and it was called THE LIMBURGER CHEESE DIARRHEA GIRL!

I went over and brought her over with telekinesis.

Sunset Shimmer: Boy she must have really nasty gas.

Me: But the smell is gone thank goodness.

Nico took a deep breath.

He inhaled and breathed a good amount of clean air.

Nico: Ahh.

Me: Sorry about that.

June Limburger: (Groans) What a headache.

Nico: But you are back to normal though.

June Limburger: Good. (LOUD WET FART) Mostly.

Me: She can't help it. She has a condition.

Qin: Oh.

Nico: Did you see Another Whirlin?

June Limburger: I sure did.

Me: Friendly or hostile?

June Limburger: Friendly. And this is someone you might like J.D.

Me: Cool.

Laney: How did you get the nickname stinkbug?

June Limburger: I don't want to talk about it.

Me: Well she was bullied a lot because of her condition. She stunk up the school and we had to keep her outside in a tent and give her video feed lessons.

Nico: Wow.

Me: But I stuck by her side all the time and so did all my friends and we made sure she had lots of great food and the comforts of home at our school. We even kept her safe in a thunderstorm and a snowstorm.

Nico: That's good.

Me: We eventually upgraded her accommodations to a log cabin at school. She liked it. It was her home away from home.

Nico: Cool.

Maria: Time to summon backup!

Maria pulled out the M.O.E. Cannon.

Maria: (TURNS DIAL) LUNAR MINION 6!

She summoned Pete, Chameleon, Bun Bun, Universe 666 Captain Hook, One Eye and Ghost of Amos Littlefield along with TTG Madame Rouge and Evil Mystique.

Nico: Yeah! Whoa Universe 666 version of Mystique?

Universe 666 Mystique: That's right.

Me: Wow! This is gonna be interesting.

Nico: Bambi's mom was murdered.

Me: By a hunter. But let me tell you all what went down. It was back on September 11th, 2019.

I went over what happened in chapter 831.

---

In New York City, we were over at the sight of Ground Zero where the World Trade Center once stood. Today was a dark day. It was the 18th anniversary of the darkest day in the history of America: September 11th, 2001. On this day, terrorists armed with bombs highjacked commercial planes and used them to completely destroy the World Trade Center. Resulting in the deaths of 3,000 innocent people. It was a dark and grim time for everyone in the United States of America and ever since then, we were at war with terrorists over in Iraq, Pakistan, Afghanistan and the Middle East. For 18 years now, this war has raged on and thousands of soldiers have lost their lives and most of them were severely injured. But the war turned the tide in our favor when we killed the leader of Al-Qaeda, Osama Bin Laden on May 2nd, 2011 in Abbottabad, Pakistan in Operation: Neptune Spear when U.S. Navy Seals stormed his compound and killed him in the dead of night. It dealt Al-Qaeda a devastating and crippling blow. But the war is still raging on even after 18 years had passed.

Me: On this sight 18 years ago, this whole country changed forever because of those terrorists.

Nico: That was an awful sight. I remember seeing all that on TV. I wasn't here on Earth when it happened. It was terrifying. My dad was in the World Trade Center when it was destroyed. But luckily he escaped when it collapsed.

Me: That's awful man. Thank God he's all right.

May: Yeah. Me too.

Carmen: (hugs Maria while crying) Sis, why did all those people have to die?! Why!?

Maria hugged Carmen and comforted her.

Maria: Some people are just pure evil Carmen and they will follow their own selfish desires even at the cost of their own lives.

Liam: (Southern Accent) Yeah. That day was a nightmare back then.

Teresa: Brian I heard that at one time, you and Stewie went back in time to try and stop 9/11.

Brian: Yeah we did and we ended up destroying the timeline.

Teresa: Brian, I'm glad you wanted to help prevent 9/11. But messing with time can cause devestating consequences. That's why whenever we deal with past events, we use the simulator to go to alternate universes of those incidents.

Brian: That's true.

Nico: Yeah.

Reflector: I can't believe there's nothing we can do about this now.

Optimus Prime: You're wrong. We can do something about this.

Skywarp: And that would be?

Optimus Prime: We keep fighting the good fight. And make sure nothing like this ever happens again.

Me: Optimus Prime is right. We have to learn from the past to make sure it doesn't happen again.

Laney: That's right guys.

Naruto: Yeah.

Sasuke: What was the motive behind these attacks? Everything that has to happen has to have a motive.

Me: That's true Sasuke. The motive behind these attacks was crimes against the Muslim world. We provided Western support for attacking Muslims in Somalia, supported Russian atrocities against Muslims in Chechnya, supported the Indian oppression against Muslims in Kashmir, supported the Jewish aggression against Muslims in Lebanon, provided the presence of U.S. troops in Saudi Arabia, Provided U.S. support of Israel, and conducted sanctions against Iraq. These terrorists want to shut down America by killing us all.

Lincoln: These guys are monsters!

Me: That's why we need to kill them before they kill us.

Nico: We'll worry about that later.

Me: Yeah. Lets pray to the people that lost their lives.

We prayed for those that lost their lives on that day 18 years ago today.

Luna played Amazing Grace on Bagpipes.

Some of us were crying.

We left flowers and wreaths for the people. We also made a special flag for the memorial that said "United We Stand, Divided We Fall. Never Forget 9/11." It had the World Trade Center on it before it was destroyed. Everyone saw it and it was perfect for it.

Laney then sang Sarah Brightman's Amazing Grace in front of the flag.

Laney: (Singing Divinely)

Amazing grace, how sweet the sound

That saved a wretch like me

I once was lost but now am found

Was blind but now I see

The earth shall soon dissolve like snow

The sun forgot to shine

But God, who brought me here below

Will be forever mine

Through Him many dangers toils and snares

I have already come

It was grace that brought me here thus far

And grace will lead me home

It was a gut-wrenching song and the sun shined from the heavens and Laney was standing in a beam of sunlight as she sang. Some of us were crying hard and I had tears streaming down my face. It was a dark day that will forever leave a scar on the people of America. Time may heal all wounds, but the pain they leave behind will never heal.

Later back at the estate we were watching one of my favorite childhood movies that I've known since I was little: Bambi from 1942 and we watched the Midquel film Bambi 2 from 2006. We paused the first movie at the part where Bambi goes with his father and started the Midquel movie from there.

The movie begins with a long camera shot through the forest at dawn, and all the animals waking up. Suddenly, a blue bird spreads the news about something. Thumper (a young rabbit) wakes up an old owl named "Friend Owl", who asks what has happened. Thumper and his sisters tell him that the new prince is born. Friend Owl flies off to the area where the young prince is born, along with many other animals. Upon reaching the area, the animals come across the mother doe and her newborn fawn lying by her side. The animals congratulate her. She then urges her new fawn to wake up and see everybody. He wakes up and takes a good, long look at all the animals surrounding him. At first, he is frightened by Friend Owl, who gives a friendly hoot but then manages to make a smile. He then attempts to get up, but due to him being very young, he can hardly keep his balance. Thumper comments that he is sort of unstable, to which his mother scolds him. The young prince then falls backward back into his resting spot, causing some laughter and delight among the creatures. The fawn then lies back into his resting area and gives a big yawn. Friend Owl says to the creatures that it may be time for them to leave. They all leave, except for Thumper, who asks the fawn's mother what his name will be. She replies that she will name him "Bambi." Thumper, liking the name, says goodbye to her and runs off to join his family. Happy with the name, Bambi's mother snuggles up with her sleeping fawn. The camera then pulls up from the small bush to reveal Bambi's father, the Great Prince of the Forest, looking down at them from a nearby cliff ledge.

A few days later, Bambi and his mother are taking a walk through the forest. Bambi falls behind a little bit, getting distracted by some greeting animal neighbors. When trying to catch up to his mother, he gets stuck on a tall, thick blade of grass and slips. Upon seeing him fall, Thumper and his family run over to the young prince, asking his mother if he is alright. She replies that he is doing fine. Bambi then gets back up onto his feet and is able to continue walking, with Thumper and his sisters journeying along side of him. They soon come across several birds eating some berries. Thumper then teaches Bambi how to say "bird", who does not get it right the first time, but with some encouragement from his sisters, he is able to say it, shouting out on the top of his lungs "Bird!" Happy with his success, Thumper and his sisters run off to tell Bambi's mother and their mother what the young prince's first word was, while Bambi runs off chasing a butterfly (thinking it to be a bird). Thumper tells him that it is not a bird, but a butterfly. The butterfly flies off, leaving Bambi into thinking that the huge yellow flower in front of him was the butterfly he saw. Thumper tells him that it is a flower. Bambi tries smelling the flowers of the small field but comes face to face with a young skunk. Bambi calls him a flower, which leaves Thumper rolling over his backside with laughter. The skunk, however, says that he's fine with being called a flower, which makes the baby fawn very happy.

The day grows late and it is time for Thumper to return home, leaving Bambi back with his mother. Off in the distance, a rainstorm is gathering and coming closer. He is then awakened by the noise of some nearby raindrops, which then forms a small brook flowing right past his resting area. Soon, the whole forest is alive with raindrops dropping about. The creatures living in the forest run for shelter from the falling water. Suddenly, the violent part of the storm comes when lightning flashes about in bright flash of light and produces many loud noises, leaving Bambi frightened. Soon, the storm departs and the sunrise off in the distance is slowly seen. Bambi, now asleep next to his mother's side, snuggles up with his mother as the last drops of the storm fall into the nearby overflowing brook.

The next scene opens up a few weeks later when Bambi is now capable of speaking. His mother is going to take him to the meadow. Bambi, who has never been to the meadow before, is eager to go, but his mother stops and tells him that the meadow is also a dangerous place. She tells him to stay behind the thicket while she looks around to see if the place is safe. After a long moment of silence, the wide field appears to be safe. Bambi then runs out and tries to catch up with his mother, who runs off at a fast pace, playing with him. After a while, Bambi walks off and almost steps on a frog. He follows the frog over to a small pool of water, which the frog jumps in. Bambi, however, is left out on the shore, staring at his never before seen reflection. Suddenly, another reflection appears to his side. He looks up at the unknown source which turns out to be another fawn, a female fawn. Feeling frightened of the young fawn's presence, Bambi runs back up to his mother for protection. The young fawn's name turns out to be Faline. Bambi's mother encourages Bambi to say hello to her. Having no choice, he greets her. Faline suddenly breaks out in giggles and starts acting hyperactive. Gradually, the two of them start playing a small game of tag.

Suddenly, from out of the surrounding forest, a huge herd of bucks appears from out of nowhere. Faline runs away in fear while Bambi remains, filled with excitement while watching the bucks bound across the field. He even tries running alongside them but ends up almost getting trampled. Suddenly, they all stop. Wondering why Bambi walks over. The reason appears in front of him. It is no other than the Great Prince, Bambi's father (though Bambi does not know it yet). After a brief look at his son, the Great Prince walks off, leaving Bambi behind. Bambi then asks his mother why everyone stood still when the mysterious stag walked by. His mother tells him that he is respected by all. Thus explaining the why he is called "The Great Prince of the Forest".

The next part follows the Great Prince during his walk through the forest. Suddenly, the silence of the forest is broken when a flock of crows flies past, yelling and spreading out an alarm of certain danger. The Great Prince senses this danger and runs back towards the meadow. Once there, he warns the herd. Sensing the danger as well, the herd and all the other creatures begin to run towards the forest. Soon, the whole meadow is full of retreating frightened animals, running for their lives. Faline and Thumper unite with their mothers and manage to escape, but Bambi gets left behind, searching for his mother. His mother is also looking for him as well. Suddenly, the meadow is completely empty. Though everything is still, something dangerous and deadly is still approaching. Sensing the danger, but to still frightened, Bambi is left out in the open, still searching for his mother. Suddenly, the Great Prince appears from behind him and escorts him and his mother to safety of the forest. Off in the distance, a loud gunshot is heard. A few minutes later, Bambi's mother exits the entrance of their den and looks around. Seeing no danger, she tells Bambi that everything is alright. Bambi asks her what had happened, and why everyone ran. After a moment of silence, his mother replies "Man… was in the forest."

During the winter, Bambi discovers snow. While Bambi looks around the snow, he sees Thumper sliding on the ice. He teaches Bambi how to slide on ice. After that, they meet Flower, who is trying to hibernate. After a harsh winter, Bambi and his mother go to the meadow and discover a patch of grass, heralding the arrival of spring. As they eat, his mother senses a hunter and orders, Bambi, to flee. As they run, many gunshots are heard. When Bambi arrives at their thicket, he discovers that his mother is no longer with him. He wanders off in the forest calling for her, but she does not answer. His father appears in front of him and says "your mother can't be with you anymore," revealing to Bambi that his mother is dead, then leads him away.

His father, the Great Prince of the Forest (Patrick Stewart), finds him and leads Bambi back to his den under a fallen tree, the Great Prince asks Friend Owl (Keith Ferguson) to find a doe to raise Bambi, but Friend Owl points out that due to the harsh winter season the does can barely care for themselves. The Great Prince has no choice but to look after Bambi until the spring. Spring is slowly beginning to return to the forest (the song sequence "There is Life") The sun breaks through the clouds and the ice and snow begin to melt. Hibernating animals wake up and migratory birds begin to return. On top of the fallen tree that makes the Great Prince's den, a small green plant begins to grow.

Bambi wakes up late. He eats, and the two go to the forest. The prince eventually lets Bambi go with his friends. While walking, Bambi tells Thumper that he and the Great Prince are "best pals," though Bambi has doubts about the Great Prince's affection. They wake up the hibernating Flower (Nicky Jones) and go to see the Groundhog together, where Friend Owl is presiding over the event and it is here that Bambi meets Faline again. The nervous Groundhog (Brian Pimental) is eventually coaxed out of his hole, only be scared back in again by Ronno (Anthony Ghannam), an older fawn. Ronno laughs, but the other animals leave. Ronno catches up to them and ends in an argument with Bambi. Ronno's mother eventually calls Ronno away, and Bambi is left alone to sleep under a tree and wait for the Great Prince to return after Thumper, Flower and Faline leave with their families. Bambi finds himself in a shining golden meadow and begins chasing butterflies. As he does so, he hears his mother's voice calling him. Overjoyed, he runs towards her and begins to nuzzle her lovingly. His mother comforts him, telling him that she's there even though he can't see her. As the dream fades Bambi continues to hear her voice saying "I'm here," which confuses him. He begins to believe that the voice is his mother's after it says "It's me!", so he follows it out onto the meadow where a flock of crows flies past screaming about Man. As Bambi looks towards the source of the disturbance Hunter Dogs runs towards him, causing Bambi to freeze in terror. Elsewhere, the Great Prince hears the crows and suddenly becomes concerned for Bambi. He runs to where the crows were flying from and arrives in time to fight the dogs and save Bambi. As the dogs run back to their master, the Great Prince sees the glint of a rifle and yells at the still frozen Bambi to run. After a nudge from the Great Prince's antlers, Bambi snaps out of his trance and the two escape to safety. Bambi explains that he heard his mother's voice. The Great Prince angrily says that it was one of Man's tricks. Bambi tries to apologize, but the Great Prince is very cross and reprimands Bambi for freezing in the face of peril. He calms down and orders Bambi to immediately return home with him and possibly never come back to that place ever again, where the realization of his mother's death begins to dawn in Bambi's mind. The Great Prince leaves to reflect on the situation and finds Friend Owl. The Great Prince notes that winter is coming to an end and that Friend Owl should have no trouble finding a doe to be Bambi's new mother, meaning that Bambi is possibly an orphan.

The next morning, the Great Prince orders Bambi to stay in the den where it's safe since he would not trust him to go out on his own again. Bambi is crestfallen, as he wants to be with his father. Thumper and Flower ask Bambi what's wrong, and Bambi says he wants his father to see how brave he is. Thumper decides to teach Bambi how to be brave (you have to be scarier than what's scaring you), and Bambi, Thumper, and Flower walk through the forest practicing their new skills until they come to a log guarded by a grumpy porcupine, which terrifies them. They flee back to the bank, and Thumper sees the Great Prince. Since Bambi is supposed to be back at the den, Thumper suggests they leave. But Bambi realizes that this is a good opportunity to show his new-found bravery. The Great Prince turns to leave and Thumper goes to distract him and bring him back. Bambi goes to confront the porcupine. Bambi leaps over the porcupine, angering him. The porcupine stiffens his quills and begins chasing Bambi backward and forwards across the log. Thumper brings the Great Prince to see Bambi "being brave", but when he notices Bambi in trouble he leads the Great Prince away. After a short struggle, the porcupine is propelled into the air by a piece of wood and lands quills-first on Bambi's rear. Bambi yells out in pain, causing the Great Prince to go and investigate the noise, much to Thumper's dismay. Bambi ducks down under the water so as not to be seen, and the Great Prince begins to pull the quills out of Bambi's rear. Ronno and Faline are nearby, and Ronno is showing off to Faline until she hears Bambi cry out in pain. Bambi cries out again and Faline runs to see to see him. Ronno yells after her, seemingly hurt by losing her attention. Faline and Ronno go and see Bambi, and Ronno teases Bambi after the meadow incident where Bambi froze. Ronno decides that he and Faline should leave, but Faline wants to stay. Ronno tries to force Faline to leave and Bambi stands up for her. Ronno comes back to confront Bambi and tease Flower and Thumper, causing Thumper to push Bambi so that he headbutts Ronno. Ronno is furious and chases Thumper and Bambi through the forest.

Bambi comes to a large jump, and to his surprise he clears it with ease. The Great Prince appears and begins to tell Bambi off for leaving the den, but interrupts himself when he notices that Bambi cleared the jump, saying that he didn't make a jump that far until he had antlers. Bambi is delighted at the positive attention, but the Great Prince composes himself and the three leave. Ronno tries to clear the jump as well but falls and lands in the mud. The next day, Bambi practices his jumping with Thumper. The Great Prince sees this and smiles but becomes serious when Friend Owl arrives and says that the search for a new mother is going well. The Great Prince does not concentrate and is more concerned with Bambi's jumping. Friend Owl notices this and slyly hints that the Great Prince might have changed his mind. The Great Prince, annoyed, confirms that he has not. He then walks past Bambi's jumping lesson, seemingly taking little interest in it. Bambi is confused as his jumping drew praise the day before. Bambi says that the Great Prince has been standing around and contemplating a lot. Thumper suggests that Bambi should go and ask the Great Prince about it. Bambi does so, and the Great Prince says that he is observing - looking, listening and smelling for danger all at the same time. The Great Prince says that Bambi should try to "feel the forest" (feel vibrations through his hooves for abnormalities in forest activity). The Great Prince leaves and Bambi turns to head back to the den, but the Great Prince wants Bambi to come with him. The two journey through the forest and join the stags as they participate in their annual run. Through this, the bond between father and son deepens (the song sequence "First Sign of Spring").

The next morning as Bambi and the Great Prince play, Friend Owl arrives with Mena, the doe he has found to be Bambi's new mother. The Great Prince now seemingly regrets the decision to pass on his parenting duties, but resolves to do so despite Bambi's protestations. After saying goodbye to his friends and the Great Prince, Bambi, who seems to accept the change even though he's upset, leaves with Mena. Ronno appears and continues to tease him about Bambi's father sending him away. This causes an enraged Bambi to charge at Ronno and the two fight. Mena disrupts the fight but Ronno charges into Bambi, causing Bambi to knock Mena into a trap attached to jingling bells. As Mena struggles, the bells jingle and alert Man and the hunting dogs to her position. Ronno flees in terror screaming for his mother, and Bambi freezes again. He quickly snaps out of it and begins to run as well, but as Mena is encouraging him to run, she unknowingly quotes Bambi's late mother's last words, saying "Faster Bambi, don't look back! Keep running! Keep running!" hearing this he pauses and doubles back to distract the four dogs away from Mena. The Great Prince arrives and frees Mena from the trap before going after Bambi. Bambi manages to lose some of the dogs (one with the help of Flower's scent glands, and another with help from the grumpy porcupine) and begins to climb a steep, rocky cliff. One of the dogs slips and falls, leaving only one chasing after Bambi. Bambi climbs to a high ledge and dislodges some rocks, which do nothing to the dog. As the dog closes in, Bambi kicks it in the chest, causing it to fall to the bottom of the cliff. The Great Prince sees this and is relieved. Bambi goes to join him, but the ledge beneath Bambi gives way and he falls. The Great Prince goes to him and believes the prince to be dead. He nuzzles his son tenderly and sobs. Friend Owl, Mena, Flower, and Thumper arrive to see what is happening. As the Great Prince gets up to leave, Bambi wakes up. The Great Prince, relieved, begins to nuzzle his son again, causing Bambi to smile at the attention. Mena turns and leaves, knowing that the Great Prince wanted to take care of Bambi after all. A while later, Thumper tells the exaggerated story of how Bambi defeated the dogs. Bambi arrives, now with a pair of antlers starting to grow in and without his spots. The porcupine pricks Bambi's legs with his quills, causing Bambi to leap forward and accidentally engage Faline in a kiss. Ronno arrives and swears revenge against Bambi, but also steps on a turtle who bites him on the nose, making him run away, screaming for his mother. Bambi leaves as his father is calling him. The Great Prince takes Bambi to a forest glade, saying that this was the place where he first met Bambi's mother. Bambi asks what the Great Prince was like when he was Bambi's age, and the Great Prince says that he was a lot like Bambi.

Years later, a young adult Bambi is reunited with Thumper and Flower as the animals around them begin pairing up with mates. Though they resolve not to be "twitterpated" which Friend Owl taught them like the other animals in love, Thumper and Flower each leave with newly found mates. Bambi is disgusted until he runs into Faline and they become a couple. As they happily dance and flirt through the woods, a slightly older buck, Ronno, appears and tries to force Faline to go with him. Bambi and Ronno then begin to have a duel, each of them competing for a mate. Though he initially struggles, Bambi's rage gives him the strength to defeat Ronno and push him off a cliff and into a river below.

That night, Bambi is awoken by the smell of smoke. His father explains that Man has returned to the forest and that there are many of them now, and they must go deep into the forest. Bambi immediately searches for Faline, but she is being chased by hunting dogs. Bambi finds her in time to fights off the dogs, allowing Faline to escape. With Faline safe, Bambi runs but is shot as he leaps over a ravine. The Great Prince finds him there and urges him back to his feet. Together, they escape the forest fire (which the hunters have started) and go to a small island in a lake where the other animals, including Faline, have taken refuge.

At the end of the film, Thumper and Flower, now fathers, and all the other animals, including Friend Owl, went into the thicket for a big surprise. Faline has recently given birth to twin fawns: a boy named Geno and a girl named Gurri. Bambi stands watch on a cliff, and the Great Prince silently turns and moves away from Bambi's place, as he allows him to take his place. And the New Great Prince looks on proudly watching his newborn children, just as his father did to him at his own birth.

When both movies were done we cheered wildly.

Me: That was awesome! I've known this movie ever since I was little and it's amazing.

Luan: Bambi sure is a critter most DEER. (Laughs to rimshot) Get it?

Most of us laughed.

Me: (Laughs) That was a good one Luan!

Varie: (Laughs) That was funny!

Qin: (Laughs) That was funny.

Abigail F.: That was a good one.

Eddy: (Laughs) That was so funny.

Rachel S.D.: It sure was.

Eion: Yeah.

Me: But the scariest part was that the hunters accidentally caused that forest fire.

Lori: That fire was literally scary.

Me: But that fire was nothing compared to what happened when we were evacuated because of the Hayman Fire.

Luna: Hayman Fire, dude?

Me: It was the largest wildfire in Colorado's history.

I showed everyone on the computer.

Lola: Whoa! That's awful!

Lana: I didn't know you were evacuated because of that fire.

Laney: And it burned 138,114 acres? That's a lot of land.

Lisa: That's the equivalent of 558.927528 square kilometers in size.

Qin: Wow! That's a huge amount of acreage.

Lincoln: How are wildfires usually started?

Me: Well there are two main causes. 60% of all fires are sparked by lightning. Lightning is pure electricity that burns at 50,000˚ Fahrenheit and it can ignite trees. But 40% of all fires are started by man either on purpose or accident. It can be a number of causes because of us: Someone carelessly tossing a cigarette out the window, down sparking power lines, sparks from a train, matches, fireworks, anything that's combustable.

Lana: Wow! That's dangerous.

Lucy Loud: Fire is a very dangerous and destructive force.

Me: That's right Lucy. Remember when I thawed Lori out when I showed you all my Fire Powers?

Lori: That was literally amazing.

Lynn: I remember that. That was awesome!

Me: It was. But fire is a very destructive and dangerous force. Fire destroys and burns everything it touches.

Laney: Yeah. It's dangerous.

Lincoln: I know.

Lola: What was the largest wildfire ever?

Me: That is an easy one. That was the Great Fire of 1910. It burned over 3,000,000 acres.

Everyone: WOW!

Lisa: That's 12,100 square kilometers.

Me: That's right.

I pulled up its information.

Lori: Wow. That is literally awful.

Nico: It was.

Me: Yeah. It happened 110 years ago almost. Sora, you know Bambi right?

Sora: I sure do. Bambi was one of my first summons when my adventure began.

Donald: I remember that.

Goofy: Yeah. He sure is an amazing deer.

Kairi: He's really cute too.

Riku: I thought so too.

Syd: Deer are such amazing creatures. I can't believe we hunt them for food like that!

Lana: Me neither Syd. They need to be protected under us.

Me: I think so too. Lets head to the simulator and save Bambi's mother and meet Bambi in his world.

Ratchet: That's a great idea.

Sora: I wonder how he's doing?

Me: We'll find out. Lets head to the simulator.

We went to the simulator.

* * *

We were getting ready.

Ash: (to his Noctowl) Noctowl, when we get to Bambi's world, do you want to fly around?

Noctowl agreed.

Shanan: Looks like he is ready.

Ratchet: When we get to Bambi's mom, I'll heal her wounds before she succumbs to them.

Me: Right.

Shanan: Okay. Me, Laney, Lana, Maria, Nico, Syd, Jack Landors, Eion, Eddy, Luan, Lensay, Teresa, Ash, Riley, Sora and Kairi are gonna go into the Simulator and Ratchet and Reflector are gonna be in their compact state. We invented an awesome shrink device that can turn them into compact size.

Ratchet: It's true.

Reflector: This is gonna be interesting.

Me: Good luck guys.

Shanan: Thanks dad. Not that we'll need it but thank you.

Laney: This is gonna be interesting.

Lana: I can't wait to meet Bambi.

Syd: Me too.

Shanan: Lets go.

They went into the Simulator and it activated and they found themselves in Bambi's forest. It was a beautiful forest and it was loaded with all kinds of trees and plants and all kinds of animals. But it was cold and covered with snow.

Shanan: Wow. So this is Bambi's forest.

Lana: It sure is cold.

Laney: Luckily I brought our winter clothes.

Laney unpacked them and they put them on.

Nico: Good thinking Laney.

Syd: Thanks Lanes.

Ratchet and Reflector went into compact size and they were the size of Hot Wheels cars.

Lana: It's so beautiful here during the winter.

Laney: It sure is. Did it say where Bambi's forest takes place?

Shanan: It says that it's over in Maine near Mount Katahdin in the Appalachian Mountains.

Lana: Wow. Over on the eastern side of the country.

Shanan: Exactly.

Teresa: That's 1,000 miles from Michigan.

Nico: It sure is.

Syd: I was here on Vacation to enjoy the scenery. But I was too little to remember.

Eion: It's beautiful though.

Sora: So Bambi's world is on Earth.

Kairi: Looks like it.

Nico: Not only that but I remember that this forest is also perfect for hunting during hunting seasons.

Laney: I remember that.

Shanan: Yeah. It's not right. Animals have feelings too and they deserve to live whether they like it or not.

Laney: I agree Shanan.

Luan: Same here.

Shanan: Lets find Bambi's mother.

They walked on and the ground was covered in snow and it was beautiful.

Lana: The winter is beautiful here though.

Shanan: You all should see what Maine looks like during the Fall turn. The leaves turn many different beautiful colors. It's just as beautiful as Connecticut.

Eion: I know. I heard about that.

Then they heard gunshots.

BANG!

Shanan: Gunshots!

Laney: The Hunter's are here!

Lana: Look!

They saw Bambi's mom and Bambi run fast.

Then they saw Bambi's mom get shot!

BANG!

Shanan: Oh no!

Ratchet: I'm on it!

Ratchet came out and healed Bambi's mom.

The Hunters ran away and Ratchet went back into Shanan's vest.

Riley: (to Bambi's mom) Don't worry. You're safe now.

Bambi's mom: What happened?

Sora: Are you all right? I'm a friend of your son Bambi. I'm Sora.

Bambi's mom: So you are Sora. Bambi has told me so much about you.

Sora: I'm sure he did.

Bambi's mom saw them.

Shanan: We are friends of Sora.

They introduced themselves.

Bambi's mom: It's a pleasure to meet you all. Thank you all so much for saving me.

Shanan: You're welcome.

Laney: I'm glad we arrived and scared off the hunters.

Lana: Those guys are monsters.

Luan: They sure are.

Bambi's mom: My name is Vina. Where's Bambi?

Shanan: Pleasure to meet you Vina.

Nico: He went back to the Thicket.

Eion: I think the Great Prince found him.

Vina: I'm glad he's in good hands.

Ash: We are too.

Shanan: We'll keep our eyes peeled for more hunters just in case.

Vina: Thank you.

They continued to explore the forest.

Spring later came and it was time for the mating season. Hundreds of birds were doing mating calls and it was a glorious time.

Shanan: (Inhales) Ahh. Spring is in the air and it's mating season.

Kairi: It's so beautiful.

Jack Landors: It sure is.

Syd: The beauty of Spring is amazing!

Nico: It's so beautiful.

They heard the beautiful songs of the birds and they were pretty.

Nico: Maine sure has a lot of beautiful birds.

Laney: It sure does.

Lana: We may have to come here for vacation someday.

Syd: You guys will love it.

Later they saw Bambi and he was all grown up.

Sora: Bambi!

Bambi: It's good to see you again, Sora!

Sora: Same here, Bambi. Look at you. You're all grown up!

Bambi: It feels like forever ago. You have changed a lot yourself.

Sora: I know.

Vina: Bambi.

Bambi was reunited with his mother and he was overjoyed to see her again.

Maria: I'm glad they're reunited.

Shanan: Me too.

Ash: It's a great reunion.

Laney: It sure is.

Bambi: My father taught me so much over the years and he is a brave deer.

Later they follow Bambi and met Faline and she was grown up too and she was beautiful. Then Bambi became Twitter pated because of it and he was now on Cloud 9. But just as he was about to follow her, out of a bush came his old childhood rival, RONNO!

---

In Bambi II, Ronno is given much more personality and unlike in the previous film, here he has dialogue. When Bambi and his friends were watching the Groundhog, Ronno scares him back into his hole with a "BOO!" and laughs while the other animals leave in disappointment, but he stops them and tells them that he saw a man, and butted him with his antlers. This is clearly a tall tale he pulls just to garner respect. Faline, who knows that it is impossible for a fawn to defeat a man, politely and without offending, says it was unbelievable, though with noticeable sarcasm in her voice. Bambi, who really believes that Ronno had done such a feat (as a testament to his innocent naivety), thinks it is unbelievable too, though he says it in awe. Ronno, who thinks that Bambi doesn't believe him and is hinting at him being a liar, challenges Bambi to a fight. Thumper tells Bambi to clobber him. Ronno continues to goad Bambi by insulting his name, "Bambi? Isn't that a girl's name?" and laughing, insisting that Bambi spar with him while backing the smaller fawn up against a tree. Just before the two fawns get in a fight, Ronno's mother calls him and he reluctantly returns to her before he could fight with Bambi, though he scolds "MA! How many times do I have to tell ya, don't bother me when I'm trying to make new friends!" to which his mom replies "Sorry, dear!"

Later in the film, Ronno, who has become infatuated by her beauty (or the fact that she is the only doe beside the mothers that we see), tells Faline about himself, but Faline still believes Ronno isn't what he claims to be and shows clear displeasure in his company. She hears Bambi screaming and rushes to check on him. Ronno, upset about Bambi garnering Faline's attention away from him, shows up to insult Bambi and says that he witnessed Bambi freeze with fear out on a meadow when Man's dogs arrived, right in front of his father The Great Prince. Ronno tells Bambi not to feel bad as if there weren't cowards, you wouldn't tell who the brave ones were. Bambi replies that he's not a coward and "roars" at Ronno. When Ronno tries to get Faline to leave with him, Bambi comes to her defense to which Ronno starts to tease Bambi again this time about being with Thumper and Flower. Thumper pushes Bambi forward, trying to encourage him to stand up to Ronno, only for Bambi to accidentally knock Ronno down into the mud. Angry, Ronno starts to chase Bambi and Thumper and while chasing them, Bambi jumps over a chasm and then Bambi runs into his father while Ronno backs away into the bushes. Bambi's father is impressed by the jump and father and son start making their way back home. Ronno tries to jump over but falls into a mud pit.

He shows up again during the "First Sign of Spring" musical number, running with the other bucks, taunting Bambi with a raised tail and a haughty stance before taking off to join the bucks. When the Great

Prince runs past him, he gives an awed "Woah!", his expression to change to anger and jealousy as Bambi runs past him. He speeds up, trying to overtake Bambi and keep up with the Great Prince, only for Bambi to easily overtake him and run alongside his father, both outdistancing Ronno and leaving him well behind with the rest of the bucks.

Later on, he shows up and taunts Bambi while Mena is taking Bambi to his new home, saying that he wanted to say goodbye, thought they were pals, and really felt sorry for Bambi having a father that was so ashamed of him, he'd give him away. This makes Bambi angry enough to attack, and in the fight, they mistakenly push Mena into a snare. She tells them to get out of there immediately in a panic, the bell on the trap immediately alerting hunters to their location and the barking of dogs clear in the distance. Ronno, revealing his cowardice, runs off crying for "Mommy" but Bambi stands where he is, frozen in fear.

Ronno shows up after Faline and Bambi kiss and swears revenge for stealing Faline, vowing to return but he trips on a turtle, which snaps his nose, with him screaming "GET IT OFF!" repeatedly and jumping around in a panic, which incites Flower to say "See? I told you turtles were scary."

In the original movie, Ronno first appears at Bambi's daydream with Faline. He appears from a bush where Faline disappeared into, Bambi still in his daydream nearly runs into him when his daydream ends off suddenly when Ronno appears. Though he has no lines in the film, his intentions are clear. He immediately began threatening Faline away from Bambi until Bambi charges at him. The two begin combat, Ronno overtaking Bambi at first. At the end of the fight, Ronno is thrown over a cliff and falls into the water below and leaves. It is unknown if he survived the wildfire, as the only scene he appears in was the fight scene.

---

Bambi: Ronno!

Nico: I remember him. He was bad news.

Syd: He sure is.

Ronno: Hello Bambi. How nice to see you again and trying to steal my mate!? You are a monster Bambi!

Bambi: I wasn't trying to steal your mate! Faline chose me over you!

Shanan: You have a lot of nerve Ronno. You are just as bad back then as you are now.

Maria: (to Ronno) I thought you were a jerk when you were a kid. But now that you're an adult, you've really reached a new low!

Nico: Ronno, you have failed this forest!

Shanan: And he has failed as a deer.

Ronno: I'll show you!

Ronno then charged and Lana did as well and she hit him head on like a bighorn sheep and it caused him to fall off a cliff and into the river.

Bambi: Nice job Lana.

Syd: Lana that was so cool! You charged him like a bighorn sheep!

Lana: Aw it was nothing.

Maria: That was really clever.

Lana: Thanks guys. I always think I'm one with the animals.

Later they were over in the meadow and Bambi and Faline got to frolicking around. The song Looking For Romance played in the background.

I bring you a song

And I sing as I go

For I want you to know

That I'm looking for romance

I bring you a song

In the hope that you'll see

When you're looking at me

That I'm looking for love

I'm seeking that glow

Only found when you're young and it's May

Only found on that wonderful day

When all longing is through

I'm seeking that glow

Only found when a thrill is complete

Only found when two hearts gently beat

To the strains of a waltz that's both tender and new

I bring you a song

For I'm seeking romance

You're by my side

There's a moon up above

It shines with a light that's so mellow and bright

It's easy to see that tonight we shall fall in love

I bring you a song

For I'm seeking romance

And you

Later they smelled smoke.

Shanan: Uh oh. (Sniffs) Smoke. From a campfire no doubt.

Syd: I smell it too.

Lana: The hunters are back.

Bambi: Where is he?

Shanan: Lets find out.

They all went to a nearby cliff and they saw smoke coming from a campground.

Shanan: A campground. There's a lot of hunters here.

Stag: It is Man. (Crows caw) He is here again.

Nico: We know.

Stag: There are many this time. We must go deep into the forest. Hurry. Follow me.

Shanan: No. We're gonna fight.

Lana: We won't let those hunters hurt you all anymore.

Laney: That's right.

Shanan: Great Prince, you get all the deer and hide. We'll handle all this. Lets get them!

They went to face the hunters. They saw them sneaking around in the forest.

Shanan kicked a hunter in the face.

Jack Landors (to the hunter): Hey, asshole! Didn't you hear?

Eddy: Laser guns are the rage these days! (he and Jack fire their blasters)

They fired lasers at the hunters and they dropped their 12 Gauge Shotguns.

Lana froze them in ice.

Laney: As animal rights activists, the deer of Maine have a right to live and be free!

Shanan: Lets get them with combos!

Ratchet: You got it Shanan! CYBER KEY POWER!

The Autobot Cyber Planet Key went into Ratchet's back and it enhanced his laser scalpels 100-fold.

Ash: Time for action Noctowl! ANIMATRON CYBER KEY POWER!

The Animatron Cyber Planet Key went into Ash's right arm device and it enhanced his Noctowl's abilities 100-fold.

Ash: Noctowl, use Zen Headbutt!

Ratchet and Ash's Noctowl: LASER HEADBUTT RAM!

Ratchet threw his laser scalpels and Noctowl's head glowed green and he rammed the hunters and they were cut.

Reflector: Lets do it! CYBER KEY POWER!

The Autobot Cyber Planet Key went into his back and it enhanced his blinding camera flash power 100-fold.

Teresa: Right behind ya. EARTH CYBER KEY POWER!

The Earth Cyber Planet Key went into Teresa's right arm device and it enhanced her Sonic Powers 100-fold.

Reflector and Teresa: VERTIGO SONIC FLASH!

Reflector released a powerful blinding flash and the hunters were tired and disoriented and the sonic blast hurt their ears.

Shanan: Final Smash time!

Riley: You got it! BRAMBLE WHIPSTORM SURPRISE!

Riley formed a bunch of bramble vines and they lashed the hunters all over the place.

Bambi: This is for my mother and for the animals of the forest! DEER STAMPEDE RAM!

Bambi charged with the power of 1,000 deer and slammed into the hunters and knocked them out.

Lana tied them up and Laney put out their campfire.

Laney: Whew. That was a close one. Good thing I put out their fire or the whole forest would've burned.

Eddy: Good idea.

We sent the hunters to prison for illegal hunting.

During the fight, Nico caught a Deciduoeye and Niovern.

Riley: (To the viewers) All animals have a right to be protected no matter what.

Laney: That's right. (To the Viewers) And only you can prevent wildfires.

Later, Bambi and Faline now have two baby deer. A Boy named Geno and a girl named Gurri. They were so adorable. We put Bambi's forest under our protection in a special nature preserve under our name. Earlier today I caught the Move Card. 移 The Move's true form has been seen only on its Card form. It seems to be a small triangular basket or pendulum with a red gem at its front, and two long 'Clow Wings'. Move resembles a pair of 'Clow Wings', which appear on whatever object it inhabits just before it moves it. It was moving a book around very fast all over the city. We only had 2 days left until the Great Anti-Fairy Holocaust and the war was right around the corner. 2 more Clow Cards were left. The Change Card and the Earthy Card. Yue's test was approaching fast.

When I was done everyone was amazed!

Qin: I remember that. That was awesome.

Camie: Wow! So you faced the hunter in the movie.

Me: Yep. In the movie however they never showed who he was or what he even looked like.

Nico: Yeah that sucks.

May: Either way, Bambi's mom was avenged.

Me: And we stopped a massive forest fire from happening.

Qin: Yeah no kidding. The hunters forgot the most important rule about campfires and that is to never leave one unattended.

Camie: Or a massive forest fire will start.

Me: That's right. (To the viewers) Remember kids, only you can prevent wildfires. Never leave a fire unattended or else it will burn everything.

Nico: That's right.

Maria: Was that from Smoky the Bear?

Me: The very same.

Qin: Awesome.

Leeli: That is good advice though.

Girl Jordan: It sure is.

Nico: What's taking the Another Whirlin?!

Then crows cawing were heard.

Me: Uh oh.

Nico: It's not hunting season already is it?

Me: No this place is now an official no hunting zone.

Eli: It's the Another Whirlin. It's close.

Varie: Look there!

We saw a figure come out of the trees and it was a dark version of Whirlin! It was ANOTHER WHIRLIN!

Qin: WHOA!

Me: Another Whirlin!

Nico: Wow!

Me: This one is gonna be blown away.

Camie: Yep.

Nico: And you are?

Another Whirlin: (In a girls voice) Boy this is gonna be a good one.

Me: (GASP) Amelia Cordell!

She reverted back and was a girl with orange hair and had orange and green clothes and had a symbol of a tornado emblazoned in the middle of her forehead and she had neon orange angel wings.

Me: Awesome to see you again Amelia.

Amelia Cordell: Sorry to cause a scene like this here. But you too J.D.

Nico: Wait aren't you the famous Living Tornado Angel?

Amelia Cordell: That's right. I have wind powers and angel wings and I got the name Living Tornado Angel for obvious reasons.

Nico: That is cool!

Kaito: (Gets out Timeranger gear) Did Swartz promise you anything?

Zocks: (Gets out GogoV gear) Because we can grant it instead.

Amelia Cordell: Just to make sure that people are safe and to help you guys achieve it.

Me: Welcome to the party Amelia. We do that all the time on Earth and all over the universe.

Kaito got a Chrono Saber and Zocks got a V-Lancer and Thermo Blaster.

Amelia Cordell: I know all about that. But I think it's high time for me to help you all out and expand my borders.

Qin: Yeah.

Amelia Cordell: But first get me back to normal.

Me: Gladly.

She turned into Another Whirlin.

Sougo: (gets out Time Force Ridewatch) That has to be Swartz's weakest lie yet.

Geiz: (gets out Lightspeed Rescue Ridewatch) Making sure people are safe? He's put people in danger since the day we met him!

Sougo got TimeForceRedArmor while Geiz got LightspeedRescueRedArmor.

Me: You got that right. But I can tell you saw right through that.

Another Whirlin: Yeah I did.

Me: Good. Swartz was given the Black Gates so thank goodness for that one.

Camie: Yeah no kidding.

I fired blasts of energy and blasted her all over.

Nico: (gets out Whirlin's Ridewatch) Time to blow you away!

Nico activated it.

Nico: WIND SPIN!

He spun around and fired a tornado blast and blasted her down!

Nico: WHOA! (DIZZY)

BAP!

I hit Nico on his head to stop him from being dizzy.

Nico: OW!

Me: Sorry Nico. Don't want you to throw up from being too dizzy.

Nico: (gets out Evil Splash Woman's Ridewatch) Time to make a splash!

Nico activated it and fired a laser trident blast and it hit her and smashed her down!

Qin: OH YEAH!

Nico: Nice one!

Xenia: That was cool!

May: Sophia Presley is gonna love this one. (ACTIVATES MOLTAR'S RIDEWATCH)

She fired waves of fire and blasted her down!

Nico: Hot hot hot!

Qin: YEAH!

May: Hope you have tolerance to this one! (ACTIVATES CHIKUON'S RIDEWATCH)

She fired waves of music and blasted her down.

Nico: YEAH!

Me: At least it wasn't Squidward's bad music playing there.

Maria: (gets out Starfinger's Ridewatch) My turn!

Maria activated it and fired lasers from her fingers and blasted her all over the place.

Qin: Nice one!

Maria: Time for a spin! (ACTIVATES TORNADO ROIDMUDES'S RIDEWATCH)

She fired waves of wind and blasted her down!

Aquagirl: That was awesome! Now for this. (ACTIVATES EVIL SPLASH WOMAN'S RIDEWATCH)

She fired water and laser trident blasts and smashed her down!

Then BlackWarGreymon, and his team consisting of Heatstroke, Geruga Doggler, Pirate Queen, Formica Regia and Dragonfly came.

Qin: Awesome!

Nico: Nice team BlackWarGreymon!

BlackWayGreymon: Thanks Nico. It's awesome.

Nico: It sure is.

Lincoln: And Lewa's first mission is after this.

Lola: (to Nico) See? We told you we'd get to it.

Nico: I knew it was coming.

Me: Darn shame it wasn't on last year.

Qin: Yeah.

But then we saw a Walrein come out.

Me: Whoa a Walrein!

Nico: Cool!

Qin: A cold one!

Walrein: (In a girls voice) I agree there.

Nico: Colleen Talkeetna!? Whoa!

Qin: Awesome!

Me: The famous Iditarod Champion!? Cool!

Eli: Awesome!

She reverted back and was a girl with blue hair and blue Arctic Clothes.

Colleen Talkeetna: I got this.

She fired a wave of energy and blasted her down and I caught the ridewatch and purified it and I went over and brought Amelia over.

Nico: You okay?

Amelia Cordell: (Groans) Just a nasty headache.

Qin: She'll be fine.

Colleen Talkeetna: Nothing a little of my homemade sassafras tea won't cure.

Nico: Awesome.

Aquagirl: What's your favorite memory of Nico?

Me: I think it's obvious that you and him won the Iditarod.

Colleen Talkeetna: How did you know?

Me: I remember seeing it on TV a while back before he joined the team and that was so awesome.

Nico: Cool!

May: Yeah!

Nico and Colleen hugged.

Nico: I've missed you.

Colleen Talkeetna: Me too Nico. Me too.

Nico: Lets go home.

We went back home.

We arrived back home and then…

CRASH!

We saw Sakura Avalon and Kero fighting in a brutal fight cloud!

Nico: Oh no.

Qin: Uh oh.

I went and broke them up.

Me: All right you two break it up!

Sakura Avalon: I will squish you Kero!

Kero: Bring it on you monster!

Me: Knock it off! Don't make me bash your heads together!

They growled.

Me: Stop it! Now what are you two fighting about?

Sakura Avalon: Kero messed up a special drawer in my room I have and he tossed out all the stuff I had in it.

Me: What was in that drawer?

Sakura Avalon: Just letters from Madison and some of my favorite stuff.

Me: Okay.

Kero: I wanted a nice place to live so I can help out! I want a room or house of my own here. So I took the special drawer she had.

Me: Kero you got to learn how to share. But I think we can work out a compromise.

Lana: Leave that to me.

Lana got her tools and we built a house for Kero and Sakura in the park and it was awesome.

Nico: You bet we will, Lincoln. But, how the heck did they get here to Domino City?!

Me: We asked President Slade about it, and bad news: it's Damian Constantine. He busted into the prison, killed the guards, and then, he busted them out of prison and brought them here.

We gasped.

Luna: So, that lunatic is already launching his attack early?! That guy sure is crazy with a Capital "C"!

Lincoln: He sure is, and when Buster and his friends found out, they immediately freaked out when they heard the news about it.

Eli: I couldn't keep track of the number of wild takes they did.

Valencia Nightingale: But, we can tell just how freaked out they were when they found out Damian was the one who did this.

Lincoln: Damian's already starting to cause trouble before The Ridonculous Race starts, but we're so going to let that lunatic win, we're going to kill The Universe 666 versions of The Ripping Friends and send a very threatening message to Damian who's lurking in the shadows, and I want to thank you, Aylene, Lumina, Lightsworn Summoner, Felis, Lightsworn Archer, and Miho for joining us, Gi.

Suddenly, Lincoln sprouted two tentacles from his back with leech-like mouths on the tips, and he sent them right at Universe 666 Crag and as they latch onto his pecs, they began sucking out Universe 666 Crag's immense strength and muscle mass, and it flowed into Lincoln, and as soon as Lincoln was done, Universe 666 Crag was now nothing more than a weakling drained completely dry of strength and muscle.

I did the same and sprouted two tentacles from my back with leech-like mouths on the tips, and I sent them right at Universe 666 Rip and as they latch onto his pecs, they began sucking out Universe 666 Rip's immense strength and muscle mass, and it flowed into me, and as soon as I was done, Universe 666 Crag was now nothing more than a weakling drained completely dry of strength and muscle.

Nico did the same and sprouted two tentacles from his back with leech-like mouths on the tips, and he sent them right at Universe 666 Chunk and as they latch onto his pecs, they began sucking out Universe 666 Chunk's immense strength and muscle mass, and it flowed into Nico, and as soon as Nico was done, Universe 666 Chunk was now nothing more than a weakling drained completely dry of strength and muscle.

And Ed Cowart did the same and sprouted two tentacles from his back with leech-like mouths on the tips, and he sent them right at Universe 666 Slab and as they latch onto his pecs, they began sucking out Universe 666 Slab's immense strength and muscle mass, and it flowed into Ed Cowart, and as soon as Ed Cowart was done, Universe 666 Slab was now nothing more than a weakling drained completely dry of strength and muscle.

Universe 666 Crag: W-what did you all do?

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Sucked out all of your immense strength, power, and muscle mass, and now, you four are finished.

Lincoln then fired four rainbow energy blasts, and they exploded as they hit the Universe 666 Ripping Friends, and they got sent to The Black Gates. We cheered as we holstered our weapons and powered down.

Nico: That'll teach those musclebound disgraces of The Ripping Friends.

Lincoln: You got that right, Nico, no one disgraces The Ripping Friends we know and gets away with it. (To Rachel Goodwin and Korimon) And it's so good to see you again, Rachel Goodwin and Korimon.

Rachel Goodwin reverted back to normal, and she's a beautiful girl with long black hair, purple eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful midnight black angel wings with purple markings and she has the Condor Nazca Line on her right arm, she's dressed in a purple vest, black crop top, purple skirt with Condor Nazca Line, purple pants, purple legwarmers, purple sneakers, and long white long-sleeved trenchcoat with darkness, purple flames, and condors on the coattails and on the back is Apocatequil, Ascator, Dawnwalker, Fire Ant Ascator, Moon Dragon Quilla, Oracle of the Sun, Sun Dragon Inti, Supay, Supay, Duskwalker, Weeping Idol, and Earthbound Immortal Wiraqocha Rasca, and holstered on her back is a massive Apocatequil, Ascator, Dawnwalker, Fire Ant Ascator, Moon Dragon Quilla, Oracle of the Sun, Sun Dragon Inti, Supay, Supay, Duskwalker, Weeping Idol, and Earthbound Immortal Wiraqocha Rasca-themed greatsword with embedded purple gems and the monsters of Rex Goodwin etched on the 7'0" massive, wide, double-edged midnight black blade, large Wiraqocha Rasca heads for the crossguard, large purple gem embedded in the hilt, longer midnight black handle, four large Wiraqocha Rasca heads and large purple gem on the bottom of the large Wiraqocha Rasca heads for the pommel.

And Korimon reverted back to normal, and she looks like Ranamon before she transformed into her Super Angel Celestial Eternal Xelnaga form, but the color schemes for her match the element that she uses: ice, she was tall at 6'5" in height, she has the body of a goddess, she has massive and beautiful marine blue angel wings, and she has a long white sleeveless trenchcoat with snow, ice crystals, and ice on the coattails, and on the back is Icejade Gymir Aegirine, and holstered on her back is a massive Icejade Gymir Aegirine-themed greatsword with embedded blue gems and Icejade Gymir Aegirine etched on the 7'0" massive, wide, double-edged marine blue blade, large Icejade Gymir Aegirine heads for the crossguard, large marine blue gem embedded in the hilt, longer midnight black handle, four large Icejade Gymir Aegirine heads and large marine blue gem on the bottom of the large Whiz-Bang heads for the pommel.

Rachel Goodwin: You too, Lincoln.

Kukimon: I agree, it's been a very long time.

Lincoln went up to Rachel Goodwin and Korimon and he hugged them, and Rachel Goodwin and Korimon are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were eleven, Rachel, and I haven't seen you since I was eight, Korimon, and as you can see, I really grew a lot since then.

Rachel Goodwin: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness.

Korimon: You've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we also met your familiars, and they are really awesome.

Nico: Whoa, Lincoln, you know these two girls?

Lincoln: Indeed I do, Nico. The Fusion Gene-Slammer of Apocatequil, Ascator, Dawnwalker, Fire Ant Ascator, Moon Dragon Quilla, Oracle of the Sun, Sun Dragon Inti, Supay, Supay, Duskwalker, Weeping Idol, and Earthbound Immortal Wiraqocha Rasca named Rachel Goodwin, the younger twin sister of Regina Goodwin, she's my Guardian Angel from Domino City and classmate in English and she's known as The Inca Dark Condor Queen and Good Avatar of Earthbound Immortal Wiraqocha Rasca, because she, just like Rex Goodwin, Dark Signer of The Condor, uses a Inca Deck, and spearheading the deck is The Spider Earthbound Immortal Wiraqocha Rasca. Rachel Goodwin is known as an expert on the Inca Civilization and has studied them for a long time, and she knows a lot about the Nazca Lines, along with The Earthbound Immortals, she's also a powerful master of both darkness and light, and she trained me a lot in mastering both light and darkness. I made her a beautiful necklace with a condor pendant, and to show thanks, Rachel kissed me on the lips. Plus, like Regina Goodwin, who's the daughter of Roman Goodwin, Rachel Goodwin is the daughter of Rex Goodwin, and she hates Lisa with a blazing passion.

We gasped.

Me: Whoa, I had no idea Rex had a daughter, but we did meet Regina, who happens to be Roman's daughter.

Misty Tredwell: Same here, but like with Roman, Rex is going to be happy to know his daughter's safe in your care, Lincoln.

Lincoln: Actually, there's something I forgot to mention. Before her dad became the Dark Signer of The Condor, she actually introduced me to him via a video chat years ago. I can't believe I forgot about that long ago.

We were stunned.

May: Whoa, so you met Rex before he turned into The Dark Signer of The Condor?! Wow.

Nico: Everyone's in for a huge surprise when we get back.

Lincoln: Expect to see everyone dropping their mouths like crazy. And the Icejade Gymir Aegirine Gene-Slammer is Korimon, the fifth of Ranamon's Elemental Digi-Sisters and The Warrior of Ice. She and I would ice skate together, make snow angels together, and we even made snow people together. This one time, I made an ice sculpture of Ranamon and her sisters, and to show thanks, Korimon kissed me on the lips, and she hates Lynn with a passion.

Me: Wait, so that sculpture of Ranamon and her sisters, that was you?! Whoa!

Nico: You never told us that you're an awesome ice sculptor, Linc, that's really awesome, and Lincoln told us the whole story when we met your sister, Hikenmon.

Korimon: He keeps on amazing everyone with his many skills, and I knew he and Ranamon would tell the story one day. (To Lincoln) Oh, Lincoln, there's something we also want to give you.

Lincoln: Let me guess, you and Rachel want to give me your blood, right?

Rachel Goodwin: How'd you guess what we were about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Korimon: Ooh, I knew it was a matter of time before you'd start marking your future wives.

Ranamon: He already marked me a year ago, and he marked Hikenmon, Kohamon, Rakuraimon, and Kukimon.

Lincoln first went up to Rachel Goodwin, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

And Lincoln then went up to Korimon, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Korimon: You're still just as gentle as ever when you feed on one of your Guardian Angels, Linky.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Korimon and Rachel Goodwin with purple and marine blue gems on the gold lightning bolts and purple and marine blue crystal links from their merged Crystal Necklaces of The Buddha along with two Elemental Thunderbird Chokers of Eternal Love on their necks.

Rachel Goodwin: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Rachel Goodwin and Korimon.

Rachel Goodwin and Korimon had a smile on their faces and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around them, and he leans down to each of their face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the nine girls, and when Lincoln saw who they were, he immediately recognized them. The nine girls are Yuu Yagami, Shizune Yuunagi, Reika Mikage, Hiyori Kisaragi, and Kujou Sakurako from Night Shift Nurses and Yume Hinata, Maira Tsukishima, Tokiwa Anzai, and Kotoko Imai from Mewkle Dreamy.

Lincoln: Oh wow, it's Yuu Yagami, Shizune Yuunagi, Reika Mikage, Hiyori Kisaragi, and Kujou Sakurako from Night Shift Nurses and Yume Hinata, Maira Tsukishima, Tokiwa Anzai, and Kotoko Imai from Mewkle Dreamy.

Whoa, awesome.

Lincoln: Are you girls okay?

Yuu Yagami: Yes, we're okay, thanks to you.

Then, when Yuu Yagami and the other eight girls saw who it was that saved them from the Universe 666 versions of The Ripping Friends, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, his own version of He-Man's chest harness with colored gems on the orange straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, Defender of His Many Guardian Angels, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, his male white Rabbit Familiar, Alistair, his white Vampire Bat Familiar, Artemis, and his white Wolf Familiar, Seiko, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

Yuu Yagami: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made eight clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Yuu Yagami: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Yuu Yagami, Shizune Yuunagi, Reika Mikage, Hiyori Kisaragi, Kujou Sakurako, Yume Hinata, Maira Tsukishima, Tokiwa Anzai, and Kotoko Imai with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and they were shocked to find out the villains we went after were the Universe 666 versions of The Ripping Friends, and the bad news: Damian Constantine busted them out after he killed the guards at the prison and sent them to Domino City.

But, when Lincoln showed what happened such as all of us beating them down, and finally, Lincoln, me, Nico, and Ed Cowart sprouting out two tentacles with leech-like mouths for tips from our backs and we sent them at them and we sucked out their immense strength, power, and muscle mass and it made them into weaklings drained of muscle mass and strength, and Lincoln fired four energy blasts at them and destroyed them and sent them to The Black Gates forever, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln, Rachel Goodwin, and Korimon have a lot of catching up to do, now that they're back in town.

Maria: I didn't expected Damian to make his move early by freeing the Universe 666 versions of The Ripping Friends to cause havoc. He really is insane as Buster and his friends said.

Lincoln: He sure is, he ignited the powder keg with that stunt, and we responded in kind to that little gesture of his.

Nico: And we've pissed him off by what we just did, so there's no doubt, he's going to go even more crazy.

Buster Bunny: Like he isn't as crazy as he is already.

Plucky Duck: I'll teach that monster a lesson he'll never forget!

Babs Bunny: Save it for the competition, Beak Boy.

Lincoln: Babs is right, we'll save the thrashing for the competition, and we'll skin that monster alive for what he's done.

---

After destroying the Universe 666 versions of The Ripping Friends and pissing Damian Constantine off for his early attack, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Rachel Goodwin and Korimon saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Rachel Goodwin: Whoa, I was right that Lincoln's really grown into a 17-year-old, 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Korimon: He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Korimon: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Rachel Goodwin: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Rachel, Korimon, what's the stories you have on why you hate Lynn and Lisa with a burning passion?

Korimon: Uh oh, I was hoping you'd ask that. One day, Lincoln and I were doing some ice skating at the lake. But, then, we heard the sound of a loud belch in the air, and we knew who it was that made that belch: it was Lynn, and when we saw the signs, it was a Packing Day, the day the Louds feared, but I thought Lynn wouldn't be doing that Packing Day nonsense after Lincoln went berserk after her attack on Miyuki Shirayuki. But, it looks like she refused to take the hint, we then saw her appear and she was out of her mind again, she roared like an animal and threw snowballs to pelt us, but we put up a barrier to protect us. Then, Lincoln fired a massive snowball which hit Lynn and she was sent flying into a trap near The Loud House Luna set up, and Lynn was caught in it. Then, Luna dragged Lynn to the parents, and by the time we got back, we came back to see Lynn get grounded for fifteen weeks for trying to kill Lincoln, and she was thrown in a metal box. Lynn roared and pounded on the doors in an attempt to escape, but Nicholette gave her the bird again, and Lynn roared and beat her chest like a gorilla again.

Nico: Sheesh, even after Lincoln brutally attacked Lynn on that day that ended Packing Day forever, that snow monster refused to quit!

Luna: We've been at the receiving end of that snow monster many times over when Packing Day was declared, and it's been that way for years. I honestly thought getting thrashed by Lincoln would make her learn her lesson, but no, she had her head way too deep in her butt to listen to our warnings, she was a stubborn, hard-headed mule.

Rachel Goodwin: That's not even the kind of insult that I'd use on Lynn, and we've said tons of really nasty, and I mean, nasty insults, at Lynn. Okay, now for my story, I make it no surprise I've hated Lisa with a blazing passion, because of all the hell she put Lincoln through with her mad experiments. One day, Lincoln and I were busy with some homework for English, and we were at my house since The Loud House was not the perfect place for it. But then, we heard the sound of maniacal laughter in the air, and there's only one people who could make that sound: Lisa, and we saw her charging right for us along with her army of robots, and she was out for blood. But, Lincoln and I were ready for them, we fired blasts of darkness at Todd and the rest of Lisa's robots and destroyed them, then, we fired blasts of darkness at Lisa, and she got trapped inside a dark energy sphere, and she couldn't get out.

Regina Goodwin: I saw the whole thing when I was coming back, and not only did Lincoln and Rachel did awesome with destroying Todd and those robots again, but Lisa was really pissed off even inside the dark energy sphere.

Lincoln: She sure was. We dragged her back home, and after I told Mom and Dad of what Lisa tried to do to me, she got grounded for fifteen weeks and was thrown in a metal cage. Lisa screamed and she swore bloody revenge on us, but Lily showed up, dressed as a police officer, and she banged on the metal cage with a mallet, and told her to shut up, inmate.

Nico: Looks like Lily had made herself the warden whenever Lisa gets thrown in the cage again.

Lily: Along with Lori, Lynn, Lola, and Luan, and after I did that, I changed the password on Lisa's bunker again, and I made sure to sent the robot parts to Becky Long, where she disposed of them once and for all.

Becky Long: I never liked Todd nor the rest of that little monster's robots, so I got the pleasure of throwing their parts in an incinerator for good.

We got a shower, and then, Lincoln and Frenzy are heading to Rolling Gizmo Galaxy. Plus, we found out that Aligned Bumblebee was the one who introduced Frenzy to Lincoln, and when she met him, it was love at first sight, and he saved her from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant.

Frenzy: This is so cool, we're here in Rolling Gizmo Galaxy.

Lincoln: Rosalina told me much about this place, this galaxy is made of many moving and spinning gadgets and electronics, and it's perfect for our first date, Frenzy. Shall we?

Lincoln and Frenzy headed down, and they started to have their fun by rolling the Rolling Ball through several obstacles to the goal, and they made it through all four parts of the course and avoided the obstacles. Then they had some lunch, then, as the sun was about to set, Lincoln went up to Frenzy, and he hugged her in his abnormally massive and powerful muscular arms, and Frenzy placed her hands on Lincoln's massive pecs, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Rolling Gizmo Galaxy, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Frenzy's neck with purple gems on the gold lightning bolts and purple crystal links from her merged Crystal Necklace of The Buddha and an Elemental Thunderbird Choker of Eternal Love on her neck.

Lily the Mermaid: Wow, now Frenzy is now part of your harem.

Nico: This is actually the first time Lincoln now has a Cybertronian in his harem.

Me: You said it.

Later it was time for Lewa's 1st ever ambassador mission and he was going to the French Coast of Normandy to meet the birds of the 2005 movie Valiant.

Lewa: This is gonna be so awesome!

Me: Boy it sure is Lewa and I'm excited for this one too. Normandy is where the famous Battle of Normandy took place on June 6th, 1944 which became forever known as D-Day back in World War II.

Nico: That's right.

William: Anyone else want to go with Lewa? Besides Dudley Puppy and 4 Rabbids?

Albedo: I'll tag along.

Nico: I got a good candidate. SGT. ERMEY FRONT AND CENTER!

She came.

Eleanor Ermey: SGT. Eleanor Ermey reporting for duty sir! (SALUTES)

Nico: At ease soldier. I would like you to come with us on the missions with Lewa.

Eleanor Ermey: I would be honored General sir!

Nico: Love that spirit and General. I like that.

Twilight Sparkle: Me and my friends will go too.

Nico: Cool cool. This is gonna be awesome.

Me: It sure will.

Eli: Yeah!

Nico: First we're going to watch the movie and then we'll head out.

We got to watching.

In May 1944, five years after the declaration of World War II, three Royal Homing Pigeon Service war pigeons are flying across the English Channel with the White Cliffs of Dover in sight, carrying vital messages to Great Britain. Despite the poor weather conditions the pigeons have nearly reached their destination. They are, however, suddenly ambushed and attacked by a Nazi German enemy peregrine falcon named General Von Talon; two of the pigeons are instantly killed, yet the third, Mercury, is taken as a prisoner of war.

Elsewhere, a small wood pigeon named Valiant is watching an Allied forces propaganda film in his local bar (an overturned rowing boat) in West Nestington. He is best friends with Felix, an old seagull with a peg leg and the local barman. Wing Commander Gutsy, a war hero, flies into the bar, informing everyone that signups are scheduled the next day in Trafalgar Square, London. Valiant flies off to London, bidding his mother and Felix goodbye. In London, Valiant meets an unhygienic slacker pigeon named Bugsy, who is being hunted by two magpie thugs, after having tricked them at a shell game. In order to escape the thugs, he signs up with Valiant.

The recruits, Valiant, Bugsy, Lofty, an intellectual red pigeon, and Toughwood and Tailfeather, two muscular but dim-witted twin brothers, form Royal Homing Pigeon Service Squad F, and are sent to a recruit training facility. Under the command of Sergeant Monty, who declares that he will toughen them up for the RHPS, the training begins. Meanwhile, Von Talon and his henchmen, Cufflingk and Underlingk, try numerous attempts to discover the message's departure location. However, Mercury refuses to tell, despite the tortures inflicted upon him, such as irritating him with yodeling music and injecting him with truth serum, before Mercury accidentally reveals the location: Saint-Pierre.

Valiant develops a crush on Victoria, the camp's nursing dove. Eventually, Gutsy arrives and tells the Sergeant that the recruits need to leave the next morning, despite their training being vastly incomplete. Bugsy, however, decides not to go on the "highly dangerous" mission and flees the camp that night. Next morning Valiant and the others prepare to leave, and start to board a Handley Page Halifax bound for occupied France, but not before Bugsy shows up at the last second. The journey quickly becomes dangerous, as the plane is caught in an anti-aircraft attack. Their plane sustains heavy damage and the pigeons soon have to bail out, in boxes equipped with parachutes. The pigeons are dropped from the plane; however, a technical malfunction causes Gutsy's box to fail to deploy. The plane crash-lands nearby, but then explodes, presumably killing Gutsy.

In France, the pigeons meet Charles de Girl and Rollo, two mice from the French Resistance, Mouse Division, who lead them to Saint-Pierre, where they receive the message they have been ordered to deliver. They soon come under attack by Von Talon's henchmen, resulting in Bugsy and the message being captured. Von Talon takes the message from Bugsy and decides to lock him up and kill him later, planning to personally deliver the message to Der Fuehrer himself. Valiant and the troops follow Bugsy to the falcon's bunker, where they discover that Gutsy has survived the plane crash. Valiant takes advantage of his small size and sneaks into the bunker through the gun barrel, retrieves the message, and frees Bugsy and Mercury. Unfortunately, the falcons witness the escape and give chase. As Gutsy, Bugsy, Mercury, Toughwood, Tailfeather and Lofty fight off Cufflingk and Underlingk, Valiant flies to London to deliver the message, followed by Von Talon.

After a climactic chase, Valiant hides until he is caught by Von Talon. With the help of Felix and the resident pigeons, Valiant outwits Von Talon by getting a giant hook caught on his medals, leaving him to be beaten by the water wheel. Valiant delivers the message, and upon its arrival in the war room, a change of plans is made; the Allied fleet will land in Normandy. After receiving the Dickin Medal, Squad F returns to the local bar in West Nestington, where Valiant reunites and shares a romantic kiss with Victoria. A message is then displayed commending the animals that saved thousands of lives during World War II.

* * *

We saw the movie and it was so awesome! When it was done we cheered wildly!

Qin: That was awesome!

Lewa: It sure was cool.

Nico: Yep. Lets head out!

We were off to Normandy.

* * *

We arrived in Normandy

We arrived at Courseulles-sur-Mer. It was the very spot where the Battle of Normandy took place in 1944 on June 6th.

Nico: Wow!

Me: Courseulles-sur-Mer. This is amazing.

Twilight Sparkle: It sure is.

Me: Yep. 78 years ago this is the very spot where the Battle of Normandy took place.

Eli: Incredible.

We then saw Valiant and his friends.

Valiant: I've heard of you. Dudley Puppy, right?

Dudley Puppy: That's right! Dudley Puppy of T.U.F.F.

Me: He's with us.

Valiant: Team Loud Phoenix Storm! An honor to meet you guys.

Bugsy: It sure is.

Lewa: Same here.

Nico: We are honored to be here and to meet you all.

Eleanor Ermey: (Salutes) Pleasure is ours soldiers.

Bugsy: (Salutes) Same here ma'am.

Me: We should introduce ourselves.

Lewa: I'm Lewa Nuva, Toa of Air.

Eleanor Ermey: SGT. Eleanor Ermey.

Twilight Sparkle: I'm Twilight Sparkle the Princess of Friendship and the Magic Skylanders.

Sunset Shimmer: I'm Sunset Shimmer, Princess of Forgiveness and the Fire Skylanders.

Applejack: I'm Applejack, Princess of Honesty and the Earth Skylanders.

Rarity: I'm Rarity, Princess of Generosity and the Water Skylanders.

Pinkie Pie: I'm Pinkie Pie, Princess of Laughter and the Tech Skylanders.

Fluttershy: I'm Fluttershy, Princess of Kindness and the Life Skylanders.

Rainbow Dash: I'm Rainbow Dash, Future General of the Wonderbolts, Princess of Loyalty and the Air Skylanders.

Starlight Glimmer: And I'm Starlight Glimmer, Princess of Empathy and the Undead Skylanders.

Albedo: My name is Albedo of the Galvan, Archenemy of Rika Noralenshikov the Mavelus Gene-slammer, Former member of Team Buktu and member of the Masters of Evil.

Valiant: Awesome to meet you all.

Nico: Can we see your base?

Valiant: Right this way.

We followed them to the Pigeon base on the north side of the area and it was awesome.

Valiant: Welcome to Normandy Pigeon Air Force Base.

Eli: It's amazing.

Nico: It sure is.

Valiant: What we do here is we train future recruits for upcoming missions that need carrier pigeons.

Me: That is cool. And for centuries we were using Carrier Pigeons to send messages all over.

Valiant: That is right.

Me: My grandfather fought in World War II and he was in the North African Campaign back then.

Valiant: That is really interesting.

Eleanor Ermey: My grandfather was in Southern Vietnam back when he was in the United States Marine Corps. He was a Gunnery Sergeant and he was also a great movie actor.

Valiant: Ah yes and may God rest his soul.

Me: Yep.

Dudley: (sighs) And these are Rabbids.

Valiant: Ahh the funny little bunny idiots. They are silly guys.

Eddy: Yes they sure are and they are funny too.

Kevin: Yeah we get a good laugh out of them.

Me: Yep.

A Rabbid opened his mouth to try and bite Valiant.

Valiant dodged it.

Valiant: Nice try little one. And yes I know they are idiots.

Eddy: Yeah they are but they are good for a laugh.

Eli: They sure are.

Lewa: We get a good laugh out of all of them.

Eli: We sure do.

Valiant: (to Albedo) I really am glad that out of all your teammates, you genuinely became a hero. Not that I believed them anyway.

Albedo: I'm glad you didn't.

Me: I agree there. If this were a situation that involved the military Team Buktu would be court-martialed as Private HIVE would say.

Nico: That is for sure.

Valiant: That is true.

Me: Team Buktu has dealt a nasty wound on Lincoln however. But he is all healed up.

Twilight Sparkle: He sure is.

Valiant: But are you really sure leaving for the Ridonculous Race is wise considering what happened during that incident?

Lewa: I'm sorry. But the decision is out of my hands.

Me: We have a massive and very well built defense grid and it will take care of everything while we're gone.

Nico: Besides that incident will never happen again.

Eli: No we made sure of that. The president declared anyone that tries to upstage us or steal our thunder a terrorist group and punishable by death.

Me: Sounds extreme but it fits.

Valiant: I see then. But I wish you all luck in the competition coming up.

Me: Won't need it but thank you.

Rainbow Dash: It's going to be so awesome.

Nico: But anyone willing to protect the people of Gotham Royal York is welcome to do so while we're gone.

Me: With the help of our state of the art defense grid too.

Valiant: Maybe we can volunteer to help you guys out while you are away.

Bugsy: Yeah it will be fun.

Me: We would greatly appreciate that guys.

Eli: Yeah.

Nico: Also, you guys did good defeating Von Talon.

Me: You sure did. That guy reminded me of General Rommel who my grandfather fought against.

Valiant: That's interesting and yes we did good defeating him.

Me: You sure did. And without a doubt he will be our target when we help you guys out on Lewa's big day.

Lewa: Yep.

Valiant: What date do you think is that?

Me: We're projecting April 28th.

Nico: Yep.

Eli: It'll be fun.

Nico: But for now, we're focusing on some side missions. There are still some Another Omnitrix Aliens unaccounted for.

Me: That's right we still haven't covered some of them. I can't remember the last one we faced.

Twilight Sparkle: It has been a while.

Eli: Lets see.

Eli concentrated.

Eli: I sense that it's Another Astrodactyl.

Me: Whoa. So a Vaxadactylus.

Nico: Yep.

Eli: Wait there's another. I'm sensing a dark version of Yugi Moto here too.

We gasped!

Sunset Shimmer: Uh oh.

Valiant: Maybe we can help you guys. This IS our turf, after all.

Me: We would be honored.

Fluttershy: We sure would.

Me: Oh right there's a Dark Side of Eddy that's coming too.

Nico: Yeah he's not a nice guy.

We told them everything about what Dark Eddy is and more.

Valiant: Oh man! So he is coming to kill us.

Me: That's right. And surprisingly he shares a lot of similarities to Jiro's dark side in Donbrothers. Except he is pure evil and wants to kill us all to get all the fame and glory for himself.

Nico: That's right.

Valiant: Whoa.

Nico: Dangerous Jiro is an anti hero. Dark Eddy is just another villain.

Me: That's right.

Valiant: Oh wow.

Me: In fact I wouldn't be surprised that when we meet the Donbrothers and help them on Lyra's first mission that he goes after Jiro first.

Eli: Oh boy. I have that same feeling too.

Nico: Yeah. But the curse will do him in before he does anymore harm.

Albedo: More like Dangerous Jiro will go after Dark Eddy while pushing us aside.

Me: A clash of the dark sides. Wicked.

Nico: Yep. Lets get moving shall we?

Valiant: Lets do it.

Eli: They are 5 klicks to the Southwest.

Nico: Lets go then.

We were off.

Valiant: We're probably among the only pigeons you guys like.

Me: Yeah there are others however that hate us.

Nico: Like Sergio's friend Sancho. He and Sergio want to crash every event we do.

Me: Yeah but they are both already on very thin ice already.

Negative Astrodactyl: But there's Pigeon Pete from the 2012 TMNT World.

Me: Yeah.

Nico: Him too.

Rainbow Dash: Maybe during one of these missions, you guys can meet Poromon, who's a fellow bird.

Valiant: We would like that.

Nico: Cool cool.

Me: Just about there.

We landed.

Nico: Keep your eyes open!

Me: Right. Me and Nico will fight Dark Yugi and the rest will fight Dark Eddy and Another Astrodactyl.

Everyone agreed.

Me: But before that I have something to say to dark Eddy. So there's no use hiding for an ambush Dark Eddy! Come out now!

Valiant: Maybe he's not here yet.

But then, Dark Eddy came out of the shadows and fired at us. But we dodged his shot.

Valiant: But then again, I've been wrong before!

I had my blaster pointed at his head.

Me: Dark Eddy I just want you to know that there is another like you.

Dark Eddy: Oh really?

Me: Yeah his name is Jiro and you and Dangerous Jiro of the Donbrothers are going to have a little competition. He is an Anti-Hero where as you are a villain.

Dark Eddy: Yeah. And proud of it! (fires another shot but we dodge that one too)

Valiant: You know me and my friends can fly, right?

Me: And so can we.

I fired my blaster and blasted Dark Eddy's blaster out of his hands and gave it to Eleanor Ermey.

Eli punched Dark Eddy down.

Then a figure came out and it was DARK YUGI! He looked like Yugi but had badass punk clothes.

Me: Dark Yugi!

Nico: WHOA! He is tough!

Another Yugi: Don't you recognize me, Eli?

Eli: How can I not! You are the dark version of Yugi! You are the monster that was poisoned by Dartz! You were taken out of father!

Another Yugi: Because he used the Orichalcos!

Me: Because he was given in to doing so! But that was in the past!

Nico: Yeah! Eli we'll handle him.

Eli: Right!

Me and Nico went up to him.

Another Yugi: You two don't have to worry about your home being defenseless during the Ridonculous Race. Because you two won't live long to participate in it!

Me: We'll see about that!

Dark Yugi activated his Duel Disk.

Another Yugi: Time to fight in my arena, THE SEAL OF ORICHALCOS!

We gasped!

He played it and then he was enveloped in a green circle and then it formed THE SEAL AROUND US! HE WAS ENVELOPED IN AN AURA OF DARKNESS AND THEN HE HAD THE SEAL APPEAR ON HIS FOREHEAD AND HIS EYES GLOWED WITH INTENSELY BURNING HATRED AND EVIL OF UNIMAGINABLE FURY!

Nico: WHOA MAN!

Me: The hatred and Evil coming off of him is completely overwhelming!

Nico: His negative energy is intense!

Me: If it's a fight you want then it's a fight you'll get!

Nico: Looks like we've got no other option.

Me: Time to let our fists and weapons do the talking! I equip myself with DIVINE SWORD PHOENIX BLADE!

I got the Sword and it was glowing with intense fire.

We went at him and slashed and bashed him all over!

I kicked him in the face and Nico punched him in the stomach and I slashed him in his face!

Nico: (gets out Zzzax's Ridewatch) Shocking, isn't it?

Nico activated it and fired waves of lightning and blasted him all over.

Me: PHOENIX FLAME SLASHER!

I fired waves of flames and fire and burned Dark Yugi!

Eli fired blasts of Force Lightning and electrocuted Dark Eddy!

Then the Another Astrodactyl Flew in and it fired laser blasts and blasted Dark Eddy all over.

Another Astrodactyl: (In a girls voice) Take that you dark impostor!

Eddy: Yeah what she said!

Dark Eddy: (grabs Valiant by the throat) Open wide and say Ah!

Eddy punched Dark Eddy off Valiant!

Eddy: Give my regards to the Book of Vile Darkness!

Eddy blasted him through the portal back into the Book of Vile Darkness Dimension!

Valiant: Thanks Eddy.

Eddy: No problem. Number 16 down.

Eli: 8 more times left.

Another Astrodactyl: Thank goodness he only has that many times left. Sorry I'm Yumi Shoemaker and I'm the gene-slammer for Clamperl.

Eli: Awesome to meet you.

Another Astrodactyl: I'm J.D.'s friend from Marine biology and me and he once discovered a beautiful treasure on a pirate ship that was sunk years ago.

Eli: Cool!

Eleanor Ermey: That's interesting.

Kevin: Sorry we gotta fight like this.

Another Astrodactyl: No worries. Come at me.

Nazz: With pleasure!

Eli fired lightning blasts and smashed her down.

Me and Nico were blasting Dark Yugi all over.

I fired blasts of fire and blasted him all over.

Nico: (gets out Whirlin and Stratos' Ridewatches) I'm gonna blow you away!

Nico activated them and fired waves of wind at Dark Yugi and blasted him into the magical wall of the seal.

Me: Take that!

Dudley: (gets out Carface's Rider Card) It's about time these get used outside the usual battles.

KAMEN RIDE! CARFACE!

He activated it and fired light blasts and blasted her down!

Eli: And this!

KAMEN RIDE! BARON MORDO!

He fired waves of magic and blasted her all over the place.

Valiant and Another Astrodactyl flew at each other.

Valiant: I don't have Legend Items yet but I will.

He flew up and dodged her strike.

Lewa: Lets do it!

KAMEN RIDE! KITTY!

He fired waves of energy and smashed her down.

Twilight and friends fired magic blasts and smashed her all over the place.

Then a Glalie appeared.

Eli: A Glalie!

Eleanor Ermey: Awesome!

Lewa: Wow!

Glalie: (In a girls voice) This is gonna be good. Alexandra Maglaras is my name and kicking butt with extreme prejudice is my game.

Valiant: Right now, this is a fellow Gene Slammer like you.

Glalie: I know.

She reverted back and Alexandra was a girl with black hair and grey clothes.

Alexandra Maglaras: And she is going to be back to normal soon.

She fired a blast of energy and blasted her down and Eli caught the ridewatch and purified it. Eli went and picked her up.

Yumi Shoemaker was a girl with blue hair and had a pink crop top and blue clothes and she had a blue seashell on the middle of her forehead.

Yumi Shoemaker: (Groans) What a headache.

Eli: You're back to normal now.

Nico and me fired a blast of energy and it hit Dark Yugi!

Dark Yugi: NO!

Then the seal closed around him and surrounded him in a pillar of light and he screamed as his soul was sent to the darkness of Hell!

Me: GEEZ!

Nico: He dropped his Ride Book.

I picked it up and it was called The Boy and The Gods of Egypt.

Me: Well that was awesome.

We all regrouped.

Me: Yumi Shoemaker!?

Yumi Shoemaker: J.D.!

We hugged.

Nico: Alexandra Maglaras!

Alexandra Maglaras: Nico!

They hugged too.

Alexandra Maglaras: I thought I would never see you again Nico.

Nico: But I'm glad we're back together.

Valiant: What's your favorite memory of Nico?

Me: You're catching on Valiant.

Valiant: I know.

Alexandra Maglaras: My favorite is when me and Nico jumped into a village of cannibals in the jungle and we saved a bunch of tourists from them.

Me: Whoa!

Eli: That is awesome.

Lewa: Boy I'll say.

Me: Cannibalism really disgusts me.

Alexandra Maglaras: Me too.

Nico: I've really missed you Alexandra.

Alexandra Maglaras: Me too Nico. Me too.

Lewa: But it was awesome facing Another Omnitrix Alien again.

Albedo: No kidding there.

---

We later came back.

May: Hey guys. How did it go?

Me: Really epic!

We told everyone everything and they gasped!

Pharaoh Atem: A dark version of Yugi!?

Yugi Moto: That is crazy!

Me: I know. But it was awesome.

May: Next time, Kitty and Cheese should go with you.

Lewa: Good idea.

Me: Yeah this will be awesome.

---

Later we were watching TV.

Then Pinkie came in and she was groaning in pain.

Dark Magician Girl: Are you okay, Pinkie?

Pinkie Pie: My tum tum.

LOUD FART! (PARTY WIZZ)

She farted out confetti!? What the!?

Nico: Confetti farts!?

LOUD FART! (PARTY WIZZ)

Maiden of the Aqua: She's farting confetti?!

LOUD FART! (PARTY WIZZ)

Me: Pinkie is the party master.

Pinkie Pie: (LAUGHS) That is funny! I'm a walking party cannon!

LOUD FART! (PARTY WIZZ)

Me: (LAUGHS) That is so funny.

Exhaust: How about I pat your tummy?

Rarity: Uh you don't want to do that Exhaust.

Exhaust: Why?

Rarity: Pinkie Pie covered the entire school hallway in confetti.

Me: Oh right Sunset told me about that. Pinkie spread confetti all over and flooded the halls with it. Same thing might happen if you do that.

Exhaust: That does make sense.

LOUD FART! (PARTY WIZZ)

Trailbreaker: How long is this gonna last?

Me: No idea. What did you eat Pinkie?

Pinkie Pie: Just a hidden stash of Low Cal Bean Chips.

LOUD FART! (PARTY WIZZ)

Me: Those are all the Bean Chips we hid away because of Lori getting constipation. Also they gave her really bad farts.

Lori: IT WAS MY SHOE!

We heard a knock at the door.

Me: (Singsong) (Imitating Mr. Krabs) Come in!

In came a Wynaut.

Me: Hey a Wynaut.

Qin: Cute little one.

Nico: Sorry about the mess.

Wynaut: (In a girls voice) No worries Nico.

Nico: Rhonda Windflight!? Whoa!

She reverted back and was a girl with aqua blue hair and blue eyes and had blue and clothes.

Rhonda Windflight: But it's good I found you guys.

May: What's your favorite memory of Nico?

Rhonda Windflight: When me and Nico were at the farm my family had and we found a flying saucer on it.

Me: Really?

Rhonda Windflight: Yep. Buried in the ground and the pilot was dead.

Me: Wow that is crazy.

Nico: Yep.

Nico and Rhonda hugged.

Nico: I've really missed you.

Rhonda Windflight: Me too Nico. Me too.

Aria Blaze: Nico, which team have you made this time?

Nico: Sakura Haruno's team will include Sonata Dusk, Kazuma Kenzaki, Moltres, Doc Kenny and 5D's Luna. Ino's team will include

Natsume the 9-Tailed Fox, Hunter Bradley, Lillyvoir, Bugsy and Lofty Thaddeus Worthington.

Sakura Haruno: Awesome!

Naruto: Way to go Sakura!

Qin: And two of the birds of Valiant in the teams too.

Mimi Tachikawa: And Lillyvoir must be the name of?

Me: Fusion of Lillymon and Gardevoir.

Qin: COOL!

Xenia: Wow that is amazing.

The previous group came.

Atomic Skull: Can me, Skulker, Ghost, Cluemaster, Spymaster, Red Ghost, Madame Masque, Titania, Grodd, and White Lightning go with you guys?

Evil Skull Man: Me, Live Action Bonecrusher, Evil Xion, Bradford Buzzard, Saleen, Jellax, Morrigan Aensland, Vathek, Constructicon Devestator, and Marina Del Ray will come too.

Nico: Yes you all can come with us.

Me: This is gonna be fun.

Trixie Lulamoon: Nico, which Gene Slammers do you hope to meet next?

Nico: Clamperl, Huntail & Gorebyss and Relicanth. The reason there are 4 of them is because J.D. knows a Clamperl Gene-slammer so I know one too. And it has 2 evolutions.

Qin: I have a feeling the Relicanth is our immortal friend Nancianna Sakurai.

Me: Wow!

Qin: You would not believe how long she has lived.

Bradford Buzzard: What's our next mission.

Cluemaster: It might have something to do with Skips considering we haven't seen him all day.

Me: I did get this message from Benson and he was telling us to come to the park.

I gave it to Nico.

Nico: (Reading) "Skips in trouble. Come at once." Uh oh.

Suddenly, Lincoln's deep sapphire eyes glowed and turned into rainbow colors, and he had a vision of what's happening: it appears that The Stress Monster, Skips' old enemy, has come back for revenge, and he's already messing with Skips.

Lily the Mermaid: Linky, what's wrong?

Lincoln: Oh man, we've got huge trouble in The Park.

Nico: We saw your eyes turned into rainbow colors and your Third Eye glowing, Lincoln, what's wrong?

Lincoln: It's bad news, Nico: The Stress Monster, Skips' old enemy, has come back for revenge, and he's already messing with Skips.

We gasped in shock.

Nico: Oh boy, this isn't good

Me: Mordecai and Rigby told us that Skips had gotten rid of that monster before when he was under a lot of stress, and they got rid of it, but it looks like he's come back for revenge.

Lincoln: We're not going to let that happen, we'll blast that monster into Oblivion, and show it what happens when it dares to mess with one of our friends.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow

colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Loollea, another member of The Extraterrestrial Order of The Planets of Holy Ghidorah, and he's coming here to kill us all for ruining their plans. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Loollea of The Extraterrestrial Order of The Planets of Holy Ghidorah on the move?

Lincoln: You guessed it, Rayman, and he's coming here to kill us all for ruining their plans.

Nico: Just as we expected, but we're more than ready for Juurea, right, Bertha?

Bertha Guntherton: Right, and just like what happened, he's going to transform by drinking that potion with 2018 King Ghidorah's blood, so Lincoln will separate his King Ghidorah Hybrid Monster form from his real form and absorb the King Ghidorah Hybrid Monster form while we destroy Juurea and give him The Black Gates.

Lincoln: Those deranged fanatics have really been playing with fire when they created that potion, don't they have any idea of what that stuff will do to them should they dare to consume it.

Nico: Unfortunately not. Alright, gang, let's head on over to The Park and help Skips get rid of that evil Stress Monster.

Lincoln: If that monster thinks it can get away with messing with Skips, that monster has got another thing coming, and once we get through with destroying that monster once and for all, you better be ready to die, Loollea.

Hailey Guntherton: You better be ready to die, Loollea, because you're about to face the full extent of the Elemental Incarnation of Solitude.

Nico: Lets go guys!

We were off to the Park.

We arrived and we saw Skips working.

Cozy Glow: Hey, Skips. Are you ok?

Skips: I'm fine, guys. I just have a lot of work to do today.

Me: I can see that. Do you need some help?

Skips: I would like that.

We got to helping him out around the park.

Me: Skips we got Benson's message about you in trouble. Something about a creature called a Stress Monster.

Brittney: Hmm. That is a very familiar monster.

Saleen: I don't understand. How could Maria Mysterio's spell not affect you?

Red Ghost: Maybe it's your status as an immortal.

Mordecai: No. This isn't a Dark Orb. It's something else.

Rigby: It's something called a Stress Monster.

Brittney: Hmm.

Brittney looked it up in her book of Dark Magic and Creatures from the Netherworld.

Brittney: Lets see here. Here it is! Stress Monster.

She showed us a picture of it and it looked like a pitch black oozy monster with evil red eyes.

Me: It looks like a Lump of Horror.

Sora: It sure does.

Brittney read about it.

---

The Stress Monster is a black entity that was made from the person's extreme stress. The Monster will emerge when the person has used an ancient bell to rid their stress out, forming their stress into a dark creature. They can also absorb other's personal stress forming more heads and granting full view of the area.

The Stress Monster can be damaged or destroyed with a assortment of weapons, but it seems that blunt weapons such as the Hammer were ineffective against the Stress Monster as we see Benson having trouble to properly damage the creature only for Pops' to give him duel Tomahawks that finally destroy his stress self.

Skip's stress leaves his body and turns into a dark monster. He then runs and lunges at the stress and engages in battle with it. Rigby notices that Skips forgot his ninja sword and runs to grab it.

Everyone uncovers their ears in order to stop Rigby and they all float up high into the air. The stress leaves their bodies and goes into Skips' stress head, forming stress heads of Pops, Mordecai, Rigby, and Benson. Skips gets the sword and attacks it. Mordecai, Rigby, Benson and Pops help Skips battle it with the dead people's weapons.

The four then go after their own stress heads. They begin slicing off their heads. Benson faces difficulty with his stress head until Pops throws him two tomahawks which Benson throws at his stress heads' eyes, finally killing it. Now it was all up to Skips and his stress head. The four then try to help Skips again but the Skips stress head hurls them away, only wanting to battle Skips one on one. Skips then proceeds to spear it many times but his stress outsmarts him and traps him.

Skips then finds the willpower to resist from his stress' tentacles and spots a spear on the ground. He cunningly runs towards it, with his stress head behind him, ready to engulf Skips. Skips quickly grabs the spear and points it at his persistent stress head just in time as it almost engulfs him. The spears goes right through its mouth. Acknowledging the fatal blow, the stress head looks at the spear and is then killed.

---

We gaped in shock and horror!

Camie: Whoa man!

Laney: That is horrible!

Mordecai: Yeah it's really bad. We all had to deal with this monster before.

Ashi: Maybe you need a stress ball.

Brittney: Ashi this is a creature of magic and pure evil.

Skips: She's right on that. I was keeping this monster at bay for a long time by meditation.

Benson: It's all my fault guys. I pushed Skips too hard back then and made his stress hard.

Me: Oh boy.

Vathek: How do we get rid of it?

Titania: First, we need to get it out of Skips.

Brittney: The only way to do that is to ring the Bell of Nirvana. It's located in a Himalayan Monastery in Nepal.

Me: Then it looks like we're going to the Himalayas.

Nico: Yep.

Supernova Zap: Let's get our parkas

Rainbow Dash: Already on it.

ZOOM!

She ran back to the estate and came back really fast with all of them.

Me: Perfect. Thanks R.D.

We got them on.

Rainbow Dash: No problem.

Nico: Lets go.

I used Instant Transmission to get us there.

We arrived.

Me: Welcome to the Himalayan Mountains.

Leeli: Wow! These mountains are so beautiful.

Me: They are the highest mountain range on the planet Earth.

Nico: And the most beautiful.

White Lightning: The Himalayas is always cold.

Marina Del Ray: Like Antarctica.

Me: Yep. Temperature is -10˚Fahrenheit.

Leeli: Man that is cold.

Me: It sure is.

Sheep Creep baaed as he shivered.

Me: I know. Cold huh. See that mountain there Leeli?

I pointed to Mount Everest.

Me: That's Mount Everest. The Tallest Mountain in the world. 29,029 feet high.

Leeli: It's so beautiful.

Me: It sure is.

Mordecai: We always are amazed at the sight of the mountains here.

Grodd: There aren't any volcanoes here, are there?

Live Action Scrapper: I hope not.

Me: No there are no volcanoes in the Himalayas.

Nicole: The Himalayas were made when the India Subcontinent pushed into South Asia and it formed these amazing mountains millions of years ago. No volcanism has been documented here.

Grodd: That's a relief.

Live Action Scrapper: Thank goodness.

Leeli: That would be amazing if there was.

Me: I know.

Retrax: Let's keep on going

Nico: I see the temple.

We saw the monastery.

Me: Is that it?

Mordecai: That's it.

Rigby: We better hurry.

Qin: Yeah.

We went to the Monastery.

We arrived at the Monastery and it was a beautiful place.

Me: Wow!

Nico: It's amazing.

Jellax: Hello?

Madame Masque: Anyone there?

We saw that no one was there.

Me: Looks like no one is here.

Qin: Weird.

The giant altar flame was still going.

Me: The Altar Flame is still going. Nice and warm here.

I took off my coat and so did everyone else and we tied our coats around our waists.

Lola: They might be in their prayer session.

Me: Maybe.

Overbite: Which room is appropriate for that?

Me: Over there.

I pointed to the temple,

Overbite: Fair enough.

Nico: Lets see.

We looked around and saw the bell on top of a huge tower and there was a number of stairs on it.

Me: Whoa. Looks like we got to fly and climb up there.

Spymaster: Obviously, climbing will take forever.

Morrigan: (Scottish Accent) Let's fly up there

Natilee: I agree.

We flew up to the bell.

We got to the top and saw the bell.

Nico: There it is.

Qin: Wow it's a big bell.

Samurai Jack: Just like the bell I had back in my kingdom.

Laney: Very interesting.

RD Sam Sharp: Let's ring it!

Me: It's the only way.

We put Skips on the Log for it.

Me: Ready Skips?

Skips: I am.

Me: Okay. On three.

Nico and me pulled him back.

Me: 1…

Nico: 2…

Me and Nico: 3!

We let go and then..

BONG!

The bell rang and Skips screamed in pain as he was feeling it come out.

Ghost: The Stress Monster is coming out!

Evil Xion: Let's hide somewhere!

Ghost: The Stress Monster is coming out!

Evil Xion: Let's hide somewhere!

Me: Wait!

We saw a black ball of slime leave Skips and fly down to the Temple Grounds by the Altar Flame.

Me: At least we won't have to go far.

Nico: Blunt weapons won't cut it. So it's gonna take sharp ones.

Brittney: We got plenty of those. I'll use a spell to send the Stress Monster to the Black Gates.

Viceroy: Entrance time!

We went down.

The black slime growled and then the spirits of the Hindu Symbols appeared and they swirled around it and then they converged and then a massive jet of water blasted out of the floor and on top of a blue whale, humpback whale, grey whale, orca whale and dolphin was an angel with a third eye in a meditative lotus position on water spouts from the whales.

Girl: OOOOHMM!

Out of rainbow chakras came us.

Me: Namaste!

We saw the creature and it formed into a black slime monster and it had the heads of Mordecai, Rigby, Benson, Muscle Man and Skips!

Me: THAT IS UGLY!

Nico: No kidding!

Me: It really DOES LOOK LIKE the Lump of Horror!

Live Action Bonecrusher: I hate that you tormented Skips like this!

Skulker: Time to teach you a lesson!

Me: Big time!

I fired a chakra blast and it hit the creature and roared in pain.

Nico took a bow and chanted a Nepal Incantation and fired arrows and it hit the creature and it roared in pain.

Me: Wow!

Maria: Not just that. These are the last of them.

Dr. Destiny: Can't argue with that.

Me: We only have 5 more to find.

Evil Seed: After those are done, we just have to worry about the Another versions of us.

Nico: Yep.

Aqueduct: (to Nico) We heard you went to Bambi's home.

Nico: We sure did.

Shiva: Did you pay your respects to Bambi's mom?

Me: Yeah we sure did and it was awesome.

Bell Org appeared.

Me: Bell Org. It's your turn?

Bell Org: Yep.

Me: Cool.

Me: That is coincidentally funny.

Qin: It sure is.

We got the battles underway.

Optimus: Yes he did pay his respects to her and it was a great adventure and it was a lot of fun though.

Starlight Glimmer: It was amazing and J.D. told us all what happened when they went to Bambi's forest the first time.

Cozy Glow: We were really amazed all that happened back then.

Hex: Yeah no kidding and J.D. did a good thing by putting out the campfire of the hunters or there would be a huge forest fire.

Bumblebee: That is for sure.

Hot Shot: That's the last thing we want to happen is a forest fire.

Aria Blaze: You got that right.

Evil-Lyn: That is a good thing. Lets do it!

Kim Possible, Twilight Sparkle, Starshine Sparkle, Magic Skylanders, Xenia, Laney, Crysta, Ashi, and Spoiled Rich VS Lady Shiva - Meeting the Avatar of Wiraqocha Rasca

---

Lady Shiva was next.

Shiva: (to Kim) I heard you guys met the Avatar of Wiraqocha Rasca. What's her name?

Kim: Her name is Rachel Goodwin and she is Regina Goodwin's younger twin sister.

Twilight Sparkle: She is a really strong force to be reckoned with and she and Lincoln destroyed all of Lisa's robots.

Starshine Sparkle: Her story is amazing.

---

Nico: Yep. So, Rachel, Korimon, what's the stories you have on why you hate Lynn and Lisa with a burning passion?

Korimon: Uh oh, I was hoping you'd ask that. One day, Lincoln and I were doing some ice skating at the lake. But, then, we heard the sound of a loud belch in the air, and we knew who it was that made that belch: it was Lynn, and when we saw the signs, it was a Packing Day, the day the Louds feared, but I thought Lynn wouldn't be doing that Packing Day nonsense after Lincoln went berserk after her attack on Miyuki Shirayuki. But, it looks like she refused to take the hint, we then saw her appear and she was out of her mind again, she roared like an animal and threw snowballs to pelt us, but we put up a barrier to protect us. Then, Lincoln fired a massive snowball which hit Lynn and she was sent flying into a trap near The Loud House Luna set up, and Lynn was caught in it. Then, Luna dragged Lynn to the parents, and by the time we got back, we came back to see Lynn get grounded for fifteen weeks for trying to kill Lincoln, and she was thrown in a metal box. Lynn roared and pounded on the doors in an attempt to escape, but Nicholette gave her the bird again, and Lynn roared and beat her chest like a gorilla again.

Nico: Sheesh, even after Lincoln brutally attacked Lynn on that day that ended Packing Day forever, that snow monster refused to quit!

Luna: We've been at the receiving end of that snow monster many times over when Packing Day was declared, and it's been that way for years. I honestly thought getting thrashed by Lincoln would make her learn her lesson, but no, she had her head way too deep in her butt to listen to our warnings, she was a stubborn, hard-headed mule.

Rachel Goodwin: That's not even the kind of insult that I'd use on Lynn, and we've said tons of really nasty, and I mean, nasty insults, at Lynn. Okay, now for my story, I make it no surprise I've hated Lisa with a blazing passion, because of all the hell she put Lincoln through with her mad experiments. One day, Lincoln and I were busy with some homework for English, and we were at my house since The Loud House was not the perfect place for it. But then, we heard the sound of maniacal laughter in the air, and there's only one people who could make that sound: Lisa, and we saw her charging right for us along with her army of robots, and she was out for blood. But, Lincoln and I were ready for them, we fired blasts of darkness at Todd and the rest of Lisa's robots and destroyed them, then, we fired blasts of darkness at Lisa, and she got trapped inside a dark energy sphere, and she couldn't get out.

Regina Goodwin: I saw the whole thing when I was coming back, and not only did Lincoln and Rachel did awesome with destroying Todd and those robots again, but Lisa was really pissed off even inside the dark energy sphere.

Lincoln: She sure was. We dragged her back home, and after I told Mom and Dad of what Lisa tried to do to me, she got grounded for fifteen weeks and was thrown in a metal cage. Lisa screamed and she swore bloody revenge on us, but Lily showed up, dressed as a police officer, and she banged on the metal cage with a mallet, and told her to shut up, inmate.

Nico: Looks like Lily had made herself the warden whenever Lisa gets thrown in the cage again.

Lily: Along with Lori, Lynn, Lola, and Luan, and after I did that, I changed the password on Lisa's bunker again, and I made sure to sent the robot parts to Becky Long, where she disposed of them once and for all.

Becky Long: I never liked Todd nor the rest of that little monster's robots, so I got the pleasure of throwing their parts in an incinerator for good.

FLASHBACK ENDS

Shiva: Wow! Lincoln and Rachel really smashed those robots into scrap metal! Well done.

Spyro: That was awesome hearing about that.

Shiva: And Lily was the warden whenever the 5 mean Louds were locked up? That is cool!

Xenia: It sure was.

Laney: Lily sure knew a lot about being a prison warden back in those days.

Crysta: We all thought it was awesome.

Shiva: That is awesome. Lets do it!

Yuko: I knew there was no mistaking that voice from anywhere, you can come out now, Loollea.

A figure came out, and it was none other than Loollea of The Extraterrestrial Order of The Planets of Holy Ghidorah.

Yuko: Loollea, I should've known you'd show up here, and we already knew of the Order's arrival days ago, so we're prepared to destroy you all. We will never let you destroy the Earth ever!

Loollea: You fools will pay dearly for this, Lord Ghidorah will rise again and the entire Earth will be destroyed!

Hailey Guntherton: The only one who deserves to be destroyed is you.

Suddenly, Hailey Guntherton's yellow eyes turned neon yellow and she was surrounded by a yellow energy aura with lightning bolts, clouds, dragons, phoenixes, and lightning angels, she unholstered her massive Solitude-themed greatsword from her back, and as she approached Loollea, she left yellow energy, lightning bolts, clouds, dragons, phoenixes, and lightning angels with every step.

Hailey Guntherton: I will never ever forgive you for what you and the rest of the Order have tried to do 20,000 years from now, Loollea: wanting King Ghidorah to destroy our world and every last living thing on it, that's one thing I will never allow, and for that, I hope you're ready to drown in a sea of retribution for your crimes against mankind and the universe!

Suddenly, Hailey Guntherton was surrounded by a massive vortex of yellow energy with lightning bolts and clouds surrounding it, there are dragons, phoenixes, and lightning angels and Solitude flying around the vortex, and in the vortex is a yellow phoenix with red eyes glaring at Loollea: the red eyes of death. Then, as the vortex faded, Hailey Guntherton emerged, but she was changed forever.

Hailey Guntherton grew to 7'4" in height, she has the body of a goddess, she has yellow highlights in the bangs of her long yellow hair, she has neon yellow eyes and a yellow energy aura with lightning bolts, clouds, dragons, phoenixes, fairies, and lightning angels surrounding her, she has Solitude emblazoned on her forehead and Third Eye with yellow iris, she has on dragon earrings with yellow gems for eyes and holding the Lightning and Eternity Kanjis in its claws, she also has Solitude with yellow gems for eyes and holding the Lightning and Eternity Kanjis in its hands on the bottom of her yellow phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Dragon Necklace of Eternal Love necklace with yellow crystal links from her merged Crystal Necklace of the Buddha and yellow gems on the gold flame links. Hailey Guntherton has on a sleeveless green blouse, long-sleeved yellow blouse, yellow skirt, yellow pants, yellow sneakers, and long sleeveless white trenchcoat with lightning bolts, clouds, dragons, phoenixes, and lightning angels on the coattails, and on the back is Solitude surrounded by lightning bolts and clouds. Suddenly, Hailey Guntherton felt a sharp pain on her back, and then, her massive yellow angel wings with yellow tips on the large yellow feathers, grew much bigger for her new body and she now has eleven massive and long yellow wolf tails with green tips. Hailey Guntherton has on her Ring of the Phoenix with large yellow gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Hailey Guntherton's massive Solitude-themed greatsword and all the greatswords she'd gotten began merging together and they're suddenly surrounded by a kaleidoscope of yellow energy, lightning bolts, clouds, dragons, phoenixes, and lightning angels, and when it emerged, it transformed into Solitude's Elemental Lightning Draconic Phoenix Electric Greatsword of Elemental Thunderstorm Solitude Justice, it's a brand-new massive greatsword with embedded yellow gems and the Thunder Elemental Solitude etched on the 7'0" massive, wide, double-edged yellow blade, large yellow dragon heads for the crossguard, large yellow gem embedded in the hilt, longer midnight black handle, four large yellow phoenix heads with yellow gems for eyes and large yellow gem on the bottom of the yellow phoenix heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with yellow gems on her wrists, her large gold Belt of Elemental Bravery with a gold version of Solitude's head with yellow gems for eyes and a large yellow gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a yellow kanji below Solitude that said, "Hailey Guntherton, Gene-Slammer of Solitude, Elemental Angel of Lightning, Loving Fourth Sister of Fiona Guntherton, Saline Guntherton, Bertha Guntherton, and Emma Guntherton, Future Wife of Nico Chan, Archenemy of Yukiko Sasaki the Sweets Dopant, Destroyer of Loollea of The Extraterrestrial Order of The Planets of Holy Ghidorah, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Lightning, Dragons, and Phoenixes"

ヘイリー・ガンサートン、ソリチュードのジーン・スラマー、稲妻のエレメンタル・エンジェル、フィオナ・ガンサートンの愛する四姉妹、サリーン・ガンサートン、バーサ・ガンサートン、エマ・ガンサートン、ニコ・チャンの未来の妻、佐々木由紀子の宿敵、スイーツ・ドーパント、ザ・オブ・ザ・ルーリアの破壊者ホーリー ギドラの惑星の地球外秩序、悪のスレイヤー、混乱した殺人的、冷酷でサディスティックなろくでなし、驚くほど強力な教師の驚くべき強力な生徒、そして稲妻、ドラゴン、フェニックスのマスター

Hailey Guntherton has transformed into SUPER ANGEL-SOLITUDE-DRAGON-PHOENIX-HARMONY CELESTIAL ETERNAL XELNAGA DRACONIC PHOENIX ELECTRIC LIGHTNING SOLITUDE ANGEL OF DIVINE ELEMENTAL ELECTRIC LIGHTNING SOLITUDE ANGEL JUSTICE AND DIVINE ELEMENTAL ELECTRIC LIGHTNING SOLITUDE ANGEL LOVE!

We were amazed by Hailey Guntherton's Super Angel-Endurance-Dragon-Phoenix-Harmony Celestial Eternal Xelnaga transformation, and when Nico saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Loollea saw it, he fell into an infernal rage and he got out his blaster to blast her, but Hailey Guntherton fired a powerful yellow energy blast with lightning bolts, clouds, dragons, phoenixes, and lightning angels at Loollea, which hit him and pushed him back and he also got electrocuted, but this really pissed him off now.

Fiona Guntherton: Wow, Hailey's transformed, awesome!

Bertha Guntherton: That's really incredible, and she really electrocuted Loollea badly.

Nico: Yeah, and she's really got him pissed off now big time.

Hailey Guntherton: (Divine Echoing Cosmic Voice of The Elemental Solitude Electric Thunderstorm Draconic Phoenix Thunderstorm Angel and Divine Draconic Phoenix Thunderstorm Solitude Angel Nature Love) And now, you're about to feel the full fury of the storm, Loollea.

Nico: Let's get him, Hailey, this bastard doesn't deserve to live any longer.

Nico transformed into Super Saiyan Rainbow Infinity and unholsters his massive Nico's Universal Elemental Greatsword of Saiyan Pride and Phoenix Justice from his wider and muscular back and joined Hailey Guntherton.

Nico: (Divine Echoing Voice of Rainbow Redemption) Alright, you fanatical clod, it's time for you to pay for your crimes with your blood!

Hailey Guntherton and Nico went after Loollea who's now gone even more full-blown ballistic, and they fired extremely powerful blasts of rainbow energy, yellow energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits,

Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Loollea and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him.

Nico turned his fingernails into claws and he slashed at Loollea, drawing more blood and leaving more scars on him, and he was being driven even more ballistic. Suddenly, Loollea took out the vial of red liquid with a drop of 2018 King Ghidorah's blood, then he drank it. Suddenly, Loollea began changing as massive wings like King Ghidorah's grew and sprouted out from his back, his skin was covered in gold scales, and he'd grown King Ghidorah's tails.

Me: Watch it, you guys, now Loollea has transformed into his King Ghidorah Hybrid Monster form.

Loollea fired a Gravity Lightning blast at Hailey Guntherton and Nico who dodged it.

Lincoln: Hailey, Nico, hang on!

Lincoln fired a rainbow energy blast which separated Loollea from his King Ghidorah Hybrid Monster form, and then, Lincoln went at King Ghidorah Hybrid Monster Loollea and he stabbed him in his chest with one of his eleven massive and long white wolf tails paralyzing him so he couldn't try to escape, and then, Lincoln began absorbing King Ghidorah Hybrid Monster Loollea's bio-energy and assimilated his powers and abilities until nothing was left of it.

Nico: (Divine Echoing Voice of Rainbow Redemption) Thanks for the save, Lincoln. Now, Hailey, let's end this bastard for good.

Hailey Guntherton: (Divine Echoing Cosmic Voice of The Elemental Solitude Electric Thunderstorm Draconic Phoenix Thunderstorm Angel and Divine Draconic Phoenix Thunderstorm Solitude Angel Nature Love) You got it, Nico.

Hailey Guntherton and Nico sent Loollea flying into the air, and then, they prepared their combo to put an end to Loollea.

Hailey Guntherton and Nico: ELEMENTAL SOLITUDE DRACONIC PHOENIX ELECTRIC THUNDERSTORM KAMEHAMEHA!

Hailey Guntherton and Nico fired two massive aqua blue energy Kamehameha waves with lightning bolts, clouds, dragons, phoenixes, and lightning angels which hit Loollea, and they explode with incredible power as they hit him, and he was obliterated. Then, when his spirit appeared, Hailey Guntherton and Nico drew the Judgement Kanji on his forehead, and he was erased by The Black Gates for his crimes. We cheered as Hailey Guntherton and Nico holster their massive greatswords on their backs and powered down, and Hailey Guntherton's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long yellow wolf tails, and massive yellow angel wings are permanent.

Hailey Guntherton: That's one member of The Extraterrestrial Order of The Planets of Holy Ghidorah down and twenty-six members to go. Thanks for helping me destroy Loollea once and for all, Nico.

Nico: (Smiles Warmly) You're welcome, Hailey.

Suddenly, Hailey Guntherton wrapped her arms around Nico's wider and muscular back, as her chest pressed against Nico's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Nico's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to their faces. Then, as Nico leaned down to Hailey Guntherton's face, they kissed passionately as she moved her arms and placed her hands on Nico's massive pecs, and behind them was a Dragon, Phoenix, Angel, and Solitude flying in the air, and we saw many animals running across the field, along with elemental forces and lightning behind them and we cheered wildly. Then, Nico and Hailey Guntherton absorbed the lightning and they came back to us as the display and Solitude vanished.

Me: Whoa, now that's what I call another cult fanatic put down for good, nice job, Nico and Hailey.

Nico: Thanks, J.D., and like Lincoln said, those potions the members of The Extraterrestrial Order of the Planets of Holy Ghidorah have allow them to transform into King Ghidorah Hybrid Monsters and they also acquire his powers as well.

Lincoln: But, they only use it when they've really been pushed too far. However, one rainbow energy blast separates them from their King Ghidorah Hybrid Monster form.

Nico: And they wind up becoming your next meal for you to absorb, Lincoln, and for tomorrow, the next member is Ccaarea, which means you're up next, Emma.

Emma Guntherton: Yeah, we'll make Ccaarea pay.

Nico: We sure will. So, who's the next Dark Signer Monsters Fusion Gene-Slammer we'll be meeting tomorrow on your rescue, Lincoln?

Lincoln: We already have that one planned out, the next one for tomorrow will be The Fusion Gene-Slammer for Ancient Gear Reactor Dragon, Reactor Slime, Spell Reactor - RE, Summon Reactor - SK, Trap Reactor - Y FI, Psychic Reactor, Dark Strike Fighter, Flying Fortress SKY FIRE, Dark Flattop, and Earthbound Immortal Chacu Challhua.

Maria Tredwell: The Monsters of Greiger, Dark Signer of The Whale.

Selene: Feel better now, Skips?

Skips: I do. Thanks, guys.

Griffin: No problem.

Biowulf: But next time you feel stressed out, call us.

Ice Demon: Don't keep the stress bottled up.

10,000 Volt Ghost: Good thing tomorrow is a free day.

Me: Yeah no kidding.

Nico: Thank goodness.

Qin: Yep.

Nico: But great job today everyone.

Skips: (To the viewers) Don't keep your stress bottled up. Or it will have nasty consequences.

Me: Yep.

We went back home and enjoyed the rest of the day and went to sleep.

Me: So far everything looks quiet.

Qin: Yeah but the peace will be temporary though.

Earth: But we're ready for anything.

Misty Tredwell: Yes we sure are going to be ready.

Carly Atlas: And it will be really awesome and cool.

Nikiya: That is for sure. As long as we can kick some butt.

Nico: Nikiya, I want to thank you, BlackWarGreymon, and your teams for coming.

Nikiya: It's no problem Bakrua and it's going to be so awesome and cool.

Qin: It sure is.

Axel Manning: Yeah it sure will be.

Nico: Axel, remember the first time we met you and your friends?

Axel Manning: Boy how can I forget. That was before the War with Grandfather.

Qin: That was so awesome.

Me: It sure was. And I revealed to you all how I helped A.T.O.M. take down Alexander Paine the first time.

Nico: You sure did and that was so epic.

Axel Manning: It sure was and J.D. got his arm burned back then too.

Bhavna Radhakrishnan: (India Accent) That was a most fun battle too. We faced Reptilicus in Denmark on J.D.'s rescue back then.

Me: And I got burned by Acid Slime from him and it hurt like a son of a bitch.

Varie: No kidding.

I showed the acid slime burn scar and it was an ugly one!

Nico: OOH Yikes!

Misty Tredwell: That must've really hurt!

Leeli: No kidding. Ouch!

Nico: Although, Lynn stole one of Grim's stuff.

Camie: What did she steal?

Eli: A crazy mask called the Mask of The Beast. It's a cursed mask that will turn you into a terrible hideous beast if you get mad. The only way it will come off is if you are friendly, nice, polite and happy.

Me: Yep. We used that mask on Amy and she is now permanently beast.

Qin: Yep. And Billy and Grim used that mask to teach Mandy a lesson with it.

Leeli: Oh man.

Nico: Yeah it was a crazy idea. Stupid though.

Me: Lynn thought her stress was going to interfere with the mission so she put the Mask of the Beast on to control herself.

Nico: Yeah she didn't need it though. She was just letting her own fear and paranoia get the better of her.

Maria: Just like what happened with Skips yesterday.

Me: Yeah but Skips didn't have a Dark Orb inside him. This was the work of a dark entity.

Brittney: That's right. And that was a crazy one.

Lola: Gross too.

Varie: Yeah no kidding.

Nico: But at least Skips is back to normal.

Eli: Yeah he sure is.

Nico: Can you imagine if we didn't get that thing out?

Me: It would have turned Skips into what happened when Samurai Jack got poisoned by an infection from Aku.

Samurai Jack: I remember that. That was awful. Aku was really sick and he sent a piece of himself into me when he coughed.

Nico: I didn't think an evil immortal monster like Aku could even GET Sick.

Me: That was my first reaction too.

Varie: Yeah it was awful.

Me: You wouldn't believe what happened in that adventure when we were the Brave Twelve.

Nico: Can you tell me what happened?

Me: I sure can. Jack got intensely infected by Aku and was turning into a miniature version of him and he went on a rampage. It was brutal. But we got him under control and did what we could.

FLASHBACK - IN BETWEEN CHAPTERS 176 AND 177

Jack was fighting for his life.

Jack: Forgive me.

Emperor: Be strong, my son. You are gravely ill.

Master Ning: Aku's very essence is creeping through your veins, possessing your body, poisoning your mind. It means to devour your spirit.

Jack: (Weak and Lethargic) Please… Help me. I beg you.

Me: We're trying everything we can Jack. Just hang in there!

Varie: Yeah hang on!

(MONKS CHANTING)

Master Ning: We are doing what we can to stave the illness of the flesh, but we can only slow the sickness. You have been infected by pure evil, which can only be purged by the light of good, the good within you.

Me: That's Right Jack.

Jack: I… I cannot. You must help me.

MASTER NING: I am sorry. This is a sickness only you can truly cure.

Me: That's right Jack. You can do it. Fight it.

Jack: No. You must. You…

AKU TOOK OVER HIM!

Aku: You worthless, wrinkled grub! I'll have you for dinner, you worm! I'll eat every last monk in this hole.

Me: LET HIM GO AKU! NOW!

Aku: I'll devour you all just as I have consumed the Samurai.

(LAUGHING SINISTERLY)

Me: LIKE HECK YOU WILL!

Samurai Jack: Cannot fight it. Not alone. Cannot do it alone.

MOTHER: You are not alone, my son. We are always with you here…

FATHER: Here in your heart… The place we will make our stand against this evil.

Jack: But, I was not there for you.

Emperor: Nonsense. Aku's victories are not your failures. The struggle against Aku is arduous, and none have fought more bravely than you, my son.

MOTHER: You have won many victories, rekindling hope in the hearts of those you have protected. Each sends their blessing.

FATHER: Each blessing, a stone to fortify this land. Your castle is strong, my son.

MOTHER: Your allies are many. You friends are your strength and power. Wield what lies within and reclaim what is yours. Break this siege of darkness.

He fired an arrow into the sky and pierced the darkness.

(LIGHTNING ZAPPING)

(HEROIC INSTRUMENTAL MUSIC PLAYING)

JACK STOOD READY!

(SINISTER LAUGHTER)

HE DESTROYED THE DARKNESS!

(MONSTERS YELLING)

AKU'S GRASP WAS WEAKENING!

Aku: (SCREAMING)

Jack: (SCREAMING)

He shattered Aku's infection and destroyed it!

(SIZZLING)

Me: HE DID IT!

Fu: WAY TO GO JACK!

Jessie Bannon: YEAH!

Jack smiled at us.

Jack: Thank you all.

Me: You're welcome Jack.

FLASHBACK ENDS

Nico: WOW!

Qin: That is amazing!

Me: Yep.

Maria: I'm giving the MOE Cannon a break today.

Me: Okay then.

Qin: Good idea.

Me: I also got this message from Sheila. They said that there is a hilarious group of villains that we need to bring down. She doesn't know who they are. But they call themselves the Legion Of Laughs.

Eli: Weird.

Nico: This is going to be one awesome rescue, guys. Not only are we going to take down The Legion of Laughs, a group of super hilarious villains, but we also got bad news, Edgar The Bug is back from the dead and he wants revenge on Fu for destroying him.

We gasped.

Me: Ugh, can't that butt-ugly cockroach learn to stay dead this time?!

Lincoln: Clearly not, J.D. But, instead of squishing him yet again and sending him to The Black Gates, we're going to send him straight to The Masters of Evil's Prison, where he can stay there until the day he dies for all we care.

Nico: Awesome idea, Linc. Besides, Vypra's never going to accept a repulsive bug like him into their ranks, not after what he's tried to do to Earth.

Camie: What exactly is Edgar the Bug?

Shanan: He's what's called a Cymongulian Bug from the planet Cymon.

Shanan went over his history.

---

The Bug lands on Earth by flying saucer and eventually crashes and wrecks the truck of Edgar, an abusive farmer while berating his wife, Beatrice for having his dinner poorly made instead of having a steak. As he goes out to investigate after Beatrice asks him what on Earth is it outside and Edgar rudely tells Beatrice to get back inside, the unseen bug demands that he surrenders his shotgun. Edgar refuses, threatening the bug instead. The bug responds by revealing himself to the farmer, yanking him into the pit and kills him by flaying him and eating his body (offscreen), also taking possession of his shotgun while he is investigating the crash-site. The Bug uses Edgar's human skin as a disguise while he searches for the Arquillian Galaxy not before asking for sugar water. He rampages through New York City as a human, killing people and trashing everything and everyone in his way amongst them, a pest control man, an Arquillian prince and his henchman, as well as a Repo man, who almost towed the pest control van that Edgar was hiding his space saucer.

Eventually, he found Rosenberg and killed him and got what he thought was the galaxy, but it was diamonds. He later finds that it's on the collar of Rosenberg's cat Orion and infiltrates the morgue to get it. He takes Dr. Laurel Weaver as a hostage and Agents K and J pursue him to a pair of spaceships, since his saucer was captured when Jay shot the van from the tow truck that Edgar obtained from the Repo man. Dr. Weaver escapes, but Edgar manages to get on one of the two working spaceships.

After the agents arrive just in time and shoot his craft down with their guns, they hold him at gunpoint, but Edgar rips off his human disguise and reveals his true form. He eats the agents' guns and K purposely gets eaten as well in order to find his gun after telling J to make sure he does not go on the second ship. J is then able to distract him by stepping on cockroaches. He was defeated by K who blasts him from inside with his gun after he has found his gun in his stomach before blasting his way out, but half of him was still alive and he was finished off by Dr. Weaver with J's gun, spattering the rest of him over K and J before Dr. Weaver tells them about their jobs which are interesting, also avenging the deaths of the humans and the aliens he had killed.

Powers and Abilities

Heightened intellect: Edgar possessed a sharper and more advanced level of intelligence than humans.

Super strength: Edgar was shown to possess inhuman strength, and K makes a comment that implies he had unlimited strength, but with his human body, he seems to somewhat compress it to an extent.

Super leaping: As a bug, Edgar was agile and nimble, enabling him to hop extremely high in the air.

Malleable physiology: In spite of his size, Edgar's body is surprisingly malleable as he can contort, bend and twist his body so he can fit on smaller space and forcefully reduce his body mass. Thus can be seen when he can bent his body to humanoid shape and size, so he can wear human Edgar's skin for disguise without accidentally tore it from the inside and even fit into his crashed saucer-shaped starship which no bigger than a human taxi.

---

When she was finished everyone that hadn't heard about it was shocked.

Camie: He is disgusting!

Fu: He makes all bugs everywhere look bad.

Me: You're not kidding there. We faced him before and he is a really nasty butt-ugly fucker.

Qin: Yep.

Then we smelled a REALLY HORRIBLE SMELL!

Me: OH GOOD GOD! That is disgusting!

A man came up to me and he smelled horrible and worse than shit!

Me: OH GOOD GOD SIR YOU SMELL LIKE YOU WERE ROLLING AROUND IN A PILE OF SULFUR POWDER!

Man: There's a chicken villain and he is pelting people with Rotten Eggs! He is attacking the Police Station!

Nico: Lets go!

We went over there!

We arrived and saw a man dressed in a chicken costume and he had a machine gun that was firing rotten eggs! He was pelting the Police Station with them.

Nico: Who the fuck are you?!

Rotten Egger: I am the Rotten Egger.

Me: Rotten Egger?

Qin: Are you a cousin of the Yolker?

Rotten Egger: Nope I'm just one that Cracks people up! (LAUGHS) Get it!? Cracks!? That's a Yolk!

Everyone booed!

Me: That was corny.

Nico: You're under arrest!

Rotten Egger: COME AND GET ME CHICKENS!

Me: Time to fight Eggs with Eggs!

GIANT EGG MAGISWORD!

I activated Yolker's Ridewatch and me and Rotten Egger fired eggs at each other.

The Eggs were REALLY going at us.

Me: The Yolk's on you chicken boy!

I fired many eggs and they hit him and splattered him all over the place!

Qin: Take this! (ACTIVATES OVULATOR'S RIDEWATCH)

Qin fired explosive eggs from her butt and they smashed him all over and exploded!

MASSIVE FARTING FIRE EXPLOSIONS!

He was being pelted by eggs and he was knocked down!

Me: Take that Featherbrain!

Rainbow Dash: (LAUGHS) That was funny!

I picked up his rotten egg gun.

Me: Nice blaster.

We slapped the cuffs on him.

Me: That was easy.

But then we heard loud farts, projectile vomit blasts and loud explosive diarrhea farts coming from the bank. People were screaming and coming out covered in shit and vomiting their guts out.

Me: Oh good god!

Qin: This is gonna be one of those days.

Then we saw 5 people come out and they were brown shit and vomit supervillains!

Nico: Did we eat something bad last night?

Eli: I don't think so.

Me: And who might you sewage spillers be?

The Flatulator: We are the Fart Crew! And we will stink up your fucking lives! I am The Flatulator! (LOUD FART!)

The Explosive Diarr-Rhea: Call me Explosive Diarr-Rhea! (WET DIARRHEA FART!) (YUCK!)

The Vomit Chucker: I am The Vomit Chucker! (PROJECTILE VOMITS)

The Horrible Constipator: I'm the Horrible Constipator! (GROANS OF SHIT FILLED PAIN)

The Sewage Spewer: And I'm the Sewage Spewer! (LIGHTHOUSE FOGHORN!)

Me: Very fitting for you all.

Nico: You guys are totally disgusting.

Camie: Yeah no kidding!

Nico: Look, you guys are obviously new at this. So, we're willing to go easy on you.

The Flatulator: Bring it on Fart boy!

He farted at Nico and I fired a blast of fire and ignited his gas and blasted his butt!

Me: Don't you know that fart gas is flammable? Also you all could use a really nice bath!

I fired waves of water and so did Maria and drenched them.

Me: And you need a nice dose of Pepto-Bismal!

PEPTO-BISMAL MAGISWORD!

I fired it and it went into their mouths and then they stopped farting and shitting and vomiting.

Nico: Nice!

I tied them up with energy ropes and they were arrested.

Nico: That was gross.

Me: Better call in the HAZMAT Division.

Then we heard uncontrollable crying coming from a jewelry store.

Me: Uh oh.

We went over there and saw a man in an Onion Suit robbing it and stealing their jewels while everyone was crying.

Nico: This is turning out to be a weird day.

Me: No shit about it. And who are you Onion Boy?

The Onion Cryer: You're half right on that. I am the Onion Cryer! Crying is my name and Stealing is my game.

Me: How do you do that?

Onion Cryer: Simple. I make people cry by spraying them with onion juice.

He fired waves of onion juice and Lana drank his blast and she liked it.

Lana: Good onion juice!

Onion Cryer: What the!?

Me: I think it's time to give you a dose of your own medicine!

ONION MAGISWORD!

I fired a ray of onions and they hit his eyes and then he exploded into a fountain of tears and was crying uncontrollably!

Onion Cryer: (WAILING AND CRYING HARD)

WHAT A BABY!

I went and tied him up.

Me: Geez we got some weird villains huh!

But then…

SPLAT!

Nico got drenched in Limburger Cheese Sauce! (FOGHORN!)

Eli: OH YUCK! Limburger Cheese sauce!?

Nico: Eli, can you sense for Swartz's creations?

Eli: Okay. (CONCENTRATES)

Nico: OKAY WHO IS THE WISEASS!?

Me: I think him!

Stinky Cheeser: I am the Stinky Cheeser!

He was a man in a cheese costume and he was firing stinky cheese sauce at people and covering them and stealing their wallets and jewelry.

Nico liked the cheese

Nico: Yummy cheese. I like it.

Me: It smells like stinky socks Nico. Time to fight cheese with cheese.

CHEESE MAGISWORD!

Me: GOUDA PRISON!

I fired a wave of energy from the sword and it trapped him in a cheese prison.

Me: Crime doesn't pay.

We heard screaming from another bank and we saw people running out of it with their eyes and mouths on fire and fire was exploding out of their mouths and they were running around like chickens with their heads cut off!

A man in a chili pepper suit came out.

Me: A spicy villain this time.

Pepper Squirter: Pepper Squirter thanks you for all your loot suckers!

Maria: I got this!

She fired waves of water and blasted the people and they were cured as steam came off them.

Me: Pepper Squirter huh? You really must like nuclear hot peppers.

Pepper Squirter: Oh I do! Have some spice!

He threw some at me and I ate them.

CHOMP!

Me: Mmm! Ghost Peppers my favorite.

GULP!

LOUD FIERY EXPLOSION!

Me: (LOUD BELCH) (Italian Accent) That's a spicy meat-a-ball!

TEARS OF ZEPHOS MAGISWORD!

Me: Chew on this heat!

I fired Tears of Zephos Peppers and they went into his mouth!

Me: DUCK AND COVER!

We then ducked and a massive jet of intense fire exploded out of his mouth as he screamed and ran around like a chicken with its head cut off!

I tied him up and he was really gonna be on fire for a while.

Me: Boy the weirdo villains are really showing up huh?

Nico: How about Edgar shows up? At least we're familiar with him!

But then…

LOUD SPLASHY EXPLOSIONS!

We saw massive amounts of eggnog explode out of numerous banks, libraries and government buildings.

Me: Eggnog!?

Qin: It's not even Christmas!

We saw a man dressed in a milk carton costume.

Egg Nogger: (LAUGHS MENACINGLY) DIE GOVERNMENT BUILDING! THE EGG NOGGER IS GOING TO MAKE YOU SUFFER!

Nico: Hey, while the government might have had a hand in creating the SRA in the UA world, you shouldn't hit them like that!

Egg Nogger: I don't care!

Twilight Sparkle: And no one destroys libraries!

She flew at him and smashed him down and knocked him out.

Me: Nice!

We tied him up.

Me: Boy we have a bunch of weirdo villains today.

?: (FAMILIAR VOICE) I WILL GET MY MONEY FOR MY CAMP BACK EVEN IF I HAVE TO MEAT YOU TO DEATH!

Me: Not him!

Nico: Is that Lumpus!?

We went into a bank and sure enough we saw ALGONQUIN C. LUMPUS and he was dressed in a meat villain costume!

Me: Lumpus!?

Lumpus: Yes it's me but I'm also THE STEAKER! (LAUGHS MANIACALLY)!

Me: Fitting for you and you do love enough meat to the point where you want to eat a whole cow.

Lumpus: Why thank you. (sees Ikki and Vice) YOU!

Vice: Yeah! Us!

Ikki: Guess what? What you said to Nico before we showed up helped him realize that Lila Rossi had Chameleon pose as her Volpina alter ego!

Nico: That's right! It was really Chameleon posing as her Volpina Persona!

Me: Very clever there!

Nico: Yep.

Me: That was clever though.

Nico: At least we're fighting someone we're familiar with this time!

Me: But how about this to start us off?

CHOCOLATE PUDDING POOL MAGISWORD!

I fired a beam of energy and Lumpus fell into a pool of chocolate pudding!

Me: Peanut Butter Shortcake!

We laughed hysterically at that one!

Me: And here's one I never got to do on the Buffalo Chicken Planet.

I pulled out Lumpus's Wonder Ride Book.

Me: (Reads Verse) "And then a huge massive heavy fat bird came and shoved so many worms down the bad moose's throat and made him as fat as the big mama bird to the point where he was so fat and heavy that he couldn't move."

A Lard-a-doodle bird came and shoved numerous worms down Lumpus's throat and he was big and fat and heavy!

Lana: (Disappointed) Lucky.

Nico: Anyone else?

Eli concentrated.

Eli: Nope. Just Edgar the Bug and Swartz's creations and they are in the park.

Nico: Okay then.

Lumpus was groaning from being too heavy.

Me: Nothing a McMuesli Weight Loss Plan back at the Saturn Insane Asylum couldn't cure.

I teleported him back there.

Nico: Boy those were some weird villains.

Eli: Yep. And the Another villains are Another BlackWarGreymon and Another Yolker.

We gasped!

BlackWarGreymon: Another me!? Wow this will be interesting.

Nico: It sure will.

We went to the park.

Nico: McMuesli works at the Saturn prison?

Me: Yeah I gave him a great job as a cafeteria chef at the Saturn Insane Asylum and he makes better food now.

Nico: Cool.

Me: Yep. But let me tell you Nico, this was the funniest and weirdest group of villains we ever faced.

Nico: You're not kidding there.

Xenia: But it was really funny battling them too.

Camie: Yeah it sure was. Maybe we can have them battle us in the M.O.E.

Me: Good idea.

We arrived at the park.

Me: Better have the Noisy Cricket with me.

I pulled it out.

Camie: That little gun is the Noisy Cricket?

Me: Yep. And it packs a tremendous recoil that will send you flying.

Nico: Who's up first?

Me: I think the answer to that one is obvious. Fu will face him.

Fu: I did defeat him before.

Me: Yep she sure did.

We kept our eyes peeled.

Suddenly, Lincoln and Eli sensed an energy signal and they fired rainbow energy blasts at the bush and it forced out a figure: it was Edgar the Bug back from the dead and mega pissed off when he saw Fu as he roared in anger. Edgar was in his human skin like he was before.

Me: Oh, roar yourself, cockroach breath!

Lincoln: You just made the big mistake coming back, bug!

Nico: And I didn't even bring my roach spray with me!

Edgar the Bug: YOU IDIOTS! YOU RUINED EVERYTHING FOR ME!

Nico: Say what you want. But I'm just glad we're facing someone we're familiar with.

Me: Put your hands on your head! You are disgusting you freak.

Edgar: Oh I see. I put my hands on my head. (Puts hands on his head.) Like this?

He ripped his disguise off and revealed his true form and he was an UGLY BUG CREATURE!

Me: You are one UGLY Motherfucker!

Fu: Okay, that's it, I've had it up to hear with you to last an eternity, you butt-ugly cockroach.

Suddenly, Fu's orange eyes turned neon orange and she was surrounded by a yellow energy aura with beetles, chakra, and lightning, she unholstered her Chomei's Electric Lightningstorm

Beetle Greatsword of Electric Beetle Justice from her back, and as she approached Edgar the Bug, she left yellow energy, lightning, chakra, and beetles with every step.

Fu: Jeez, you really are a big time repulsive headache, Edgar. No matter how many times we squish you, you just refuse to quit, and now, you've come back from the dead for more. Now, you're really going to to get it, you butt-ugly cockroach, and you're going to pay for messing with Earth.

Suddenly, Fu was surrounded by a massive vortex of yellow energy with lightning bolts and lightning crashing down from the heavens, there are beetles and Chomei the Seven-Tailed Beetle flying around the vortex, and in the vortex is a red phoenix with the eyes of Chomei the Seven-Tailed Beetle glaring at Edgar the Bug. Then, as the vortex faded, Fu emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Fu remained tall at 7'4" in height, she has the body of a goddess, she has orange highlights in the bangs of her long flowing blue hair, she has neon orange eyes and a yellow energy aura with beetles, chakra, and lightning surrounding her, she has a rhinoceros beetle with the Thunder Kanji in its mouth emblazoned on her forehead and Third Eye with orange iris, she has on beetle earrings with yellow gems for eyes and holding the Thunder and Eternity Kanjis in its mouth, she has on her Crystal Necklace of The Buddha with orange gems on the gold lightning bolts and orange crystal links and an orange beetle-shaped Element of Harmony in the center and on the bottom of the Element of Harmony is a rhinoceros beetle with yellow gems for eyes and holding the Thunder and Eternity Kanjis in its mouth for the pendant, she has on a sleeveless white blouse, sleeveless orange shirt, white skirt with lightning bolts, black knee-high boots, and a long white sleeveless trenchcoat with lightning bolts and beetles on the coattails and on the back is Chomei the Seven-Tailed Beetle surrounded by lightning bolts and beetles. Suddenly, Fu felt a sharp pain on her back, and then, her massive light blue angel wings grew much bigger for her new body and the feathers had orange tips, and she has Chomei's seven wings out, she has on a Ring of The Phoenix with orange gem and heart-shaped gem embedded in it on her right ring finger and a Star

Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Fu's Chomei's Electric Lightningstorm Beetle Greatsword of Electric Beetle Justice and all the swords she'd gotten began merging together and they were surrounded by a kaleidoscope of yellow energy, lightning, beetles, and rhinoceros beetles, and when it emerged, it was transformed into Chomei's Eternal Electric Lightningstorm Beetle Greatsword of Electric Beetle Justice, it's a brand-new large greatsword with embedded orange gems and Chomei the Seven-Tailed Beetle etched on the 7'0" massive, wide, double-edged yellow blade, large beetle heads for the crossguard, large orange gem embedded in the hilt, longer midnight black handle, four large beetle heads and a large orange gem below the beetle heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with pink gems on her wrists, her gold Belt of Elemental Bravery with a gold version of Chomei's head with orange gems for eyes and a large pink gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's an orange kanji below Chomei that said, "Fu, Jinchuriki and Partner of Chomei the Seven-Tailed Beetle, Former Kunoichi of The Hidden Waterfall Village and Member of The Hidden Leaf Village, Loving Future Wife of Naruto Uzumaki-Namikaze of the Hidden Leaf Village and Sister Wife of many, Destroyer of Suien and Killer of The Great Enemies of The Four Great Nations, Archenemy of Suzaku, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Lightning and Rhinoceros Beetles"

風、人柱力、七尾長命の相棒、滝隠れの里の元くノ一、葉隠れの里の一員、葉隠れの里のうずまきナルト・波風の愛する未来の妻であり、多くの姉妹の妻、水園の破壊者四大国の大敵のキラー、スザクの大敵、悪のスレイヤー、混乱した、殺人的、無慈悲、サディスティックなろくでなし、驚くべき強力な教師の驚くべき強力な学生、雷とカブトムシのマスター」

Fu has transformed into SUPER ANGEL-BEETLE-HARMONY CELESTIAL ETERNAL XELNAGA SEVEN-TAILED ELECTRIC SUPERCELL THUNDERSTORM LIGHTNING RHINOCEROUS BEETLE OF DIVINE ELECTRIC SEVEN-TAILED THUNDERSTORM BEETLE JUSTICE AND DIVINE ELECTRIC THUNDERSTORM BEETLE LOVE!

We were amazed by Fu's Super Angel-Beetle-Harmony Celestial Eternal Xelnaga transformation, but when Edgar the Bug saw it, he hissed with rage and ran at her to kill her, but but Fu fired a powerful yellow energy blast with lightning, beetles, rhinoceros beetles, and Chakra, and it hits Edgar the Bug and he was electrocuted badly and was sent flying into a wall, and when he got out, he was mega pissed off and mega furious.

Fu: (Divine Echoing Cosmic Voice of The Seven-Tailed Electric Thunderstorm Beetle Angel and Divine Electric Lightning Thunderstorm Love) **There's plenty more where that came from, you butt-ugly cockroach!**

Me: YEAH!

I charged up the Noisy Cricket and pointed it at him.

Me: (Imitating Dirty Harry) Go ahead, make my day.

BANG!

I fired and it hit Edgar and blasted him back and the recoil blew me back and sent me flying back into the air and I flew back.

Me: WHOA!

Camie: Holy shit! J.D. wasn't kidding about the recoil!

Nico: You okay?

Me: I'll be fine. Thank goodness I'm out in the open and not in front of something that I will crash into.

Qin: No kidding.

Me: Helps if you can rebound when you have wings.

Nico: Yeah.

I fired waves of lightning and blasted Edgar all over.

I landed.

Me: Lets try this again.

He was about to go for Camie and then we heard a gun click.

Me: Uh oh.

Then he was bisected in two by a powerful blast of energy and we saw that K was inside him!

Me: OH SICK!

Nico: K are you okay?

Agent K: (SPITS) Yeah that was rough. He swallowed my gun and I went to get it back.

Me: Boy you are gonna need a serious shit cleaning bath.

Fu went after Edgar the Bug, and she fired powerful blasts of yellow energy, lightning, chakra, and beetles at him, and they exploded with incredible power as they hit him, and he was also electrocuted badly. Then, she slashed at him with her massive greatsword leaving scars on him, and really pissing him off now. Then, she fired seven balls of lightning, which hit Edgar the Bug and paralyzed his entire body as it fried his nervous system.

Lincoln: Whoa, those blasts of lightning Fu fired at Edgar fried his nervous system!

Nico: Brutal.

Then, Lincoln wrapped Edgar the Bug in a rainbow energy straitjacket with rainbow energy chains and charged with rainbow lightning if he tried acting up again, then, Lincoln beamed him to The

Masters of Evil's Prison and he was put in a cell where he'll stay there 'til he dies. We cheered as Fu holstered her massive greatsword on her back and powered down, and Fu's new body, clothes, weapons, jewelry, Third Eye, Chomei's seven wings, and massive light blue angel wings are permanent.

Fu: That'll teach you to mess with Earth, you butt-ugly cockroach!

Nico: I've said it once, I'll say it again: Edgar the Bug, you have failed this entire galaxy!

Lincoln: And this time, take the hint, cockroach breath!

Me: Thank goodness.

Maria: Boy K you are a mess.

Nico: No shit! And I thought going inside a graboid was gross.

Jen Tennyson: You think that was bad, wait till you hear about what Gwen did for a giant frog.

Nico: What did she do again?

Jen Tennyson: She went down a frog's throat in her underwear to give it some medicine and then she ended up going out the southern exit.

We were disgusted by that one!

Me: Oh that is disgusting!

Eli: Boy I bet Gwen did not like that one!

Jen Tennyson: No she didn't! She smelled so bad that she had to take a bath in a tank full of soap at the Plumber HQ for 3 whole days.

Nico: Oh man!

May: Poor Gwen!

Jen Tennyson: You're not kidding. She vowed NEVER to do that ever again even if you held a positron laser blaster to her head.

Nico: Whoa!

Eli: Yeah and I'll bet Gwen is never going to live that one down.

Maria: Let me get you cleaned up K.

She fired waves of water and drenched him and cleaned him up.

K: Ah. Thanks Maria.

Maria: You're welcome.

Nico: We're not done yet.

Me: No we aren't.

J: Boy you think after dealing with those weird villains you think that would be enough?

Me: That would be the case but let me tell you J, those villains were beyond weird. I would put them at about 9.5 on my Weird Shit-O-Meter.

Nico: I would do 9.8.

Qin: This was a weird day.

Eli: Wait! I sense the Another Yolker coming but Lucy Heartfilia is going to flip when she sees who it is! It's someone that she misses terribly!

Nico: Who is it?

Me: Oh no. Don't tell me. Is it her mother Layla!?

Eli: I sense that it is!

Qin: But that's impossible! Her mother died didn't she?

Eli: Yes she did.

Me: The Aparoids! They brought her back.

Eli: Yes I sense it.

Nico: Who's up this time?

Nicole: I will face her.

Me: Okay.

We then saw a figure coming and it was ANOTHER YOLKER!

Me: Another Yolker.

Nico: Yeah.

Another Yolker: (In a girls voice) And it looks like you know who I am.

Me: Layla Heartfilia?

She reverted back and it was a LAYLA HEARTFILIA!

Me: Layla, Lucy was devastated when you died.

Layla Heartfilia: I know. How is Lucy?

Me: She has really come a long way. But you should know a few things.

Layla Heartfilia: It was Jude. He poisoned me and told me I can never use my Celestial Magic again and he killed me with a slow killing poison!

We gasped!

Me: That monster!

Maria: Now I'm glad he is in jail where he belongs!

Me: Especially after all the fucking shit he did!

Maria: And he killed Arixam the first time!

Me: Yeah. He was a coward!

Layla Heartfilia: I know and I saw that he tried to destroy Fairy Tail.

Me: Yeah he really has sunk into the depths of darkness. But enough about that, Lucy has really rose to great levels in her skills not just in Fiore but here on Earth as well. She did so much.

Layla Heartfilia: And I'm really proud of her.

Me: We all are.

Nicole: We sure are. Layla I'm sorry that we have to fight like this. But it's the only way to save you from the influence of the Aparoids and the Another Ridewatch.

Eli: Yeah. Also I sense that the Another BlackWarGreymon is friendly.

Nico: Good.

Nico: Do the honors, Nicole.

Nicole: With pleasure.

Layla Heartfilia: How is Aquarius doing?

Me: Still as rotten tempered as ever but is doing a great job protecting Lucy and Brandish too.

Layla Heartfilia: I'm glad.

She turned into Another Yolker and Nicole fired waves of stars and blasted her all over and she destroyed the Aparoids inside Layla and I caught the Ridebook and purified it. It was called The Zodiac Mage of the Stars.

Nicole brought Layla over.

Layla Heartfilia: (GROANS) What a headache.

Nico: You'll be fine. But Lucy will be so happy to see you.

Me: You missed out on 8 years of her life.

Nico: Now for the Another BlackWarGreymon.

Me: Should be coming.

Then we saw a vortex appear and out came a BlackWarGreymon with a pitch black aura around it! It was ANOTHER BLACKWARGREYMON!

Me: Whoa! Another BlackWarGreymon and its power is incredible!

Nico: This is gonna be good! You gonna do what I did in the Digital World when I faced BlackWarGreymon, J.D.?

Me: Like you even have to ask. But just in case.

I snapped my fingers and we were on the mountain planet of Glaren.

Nico: Good thinking.

She landed by us.

Me: Wow!

Maria: We HAVE to do Honeyhive Galaxy in the future.

Me: Maybe we can do that in tomorrow's Big Day Mission. I'll try to remember that.

Nico: Okay.

Another BlackWarGreymon: (In a girls voice) (Czech Accent) That will be interesting to see.

Me: (GASP) Vladimíra Voráčová!

She reverted back and she was a girl with black hair and gothic clothes and had yellow eyes.

Me: Awesome to see you again Vladimíra.

Vladimíra: You too J.D.

Me: Vladímira is also one of the Czech Republic's Digidestined and Another BlackWarGreymon is perfectly fitting for her because coincidentally her Digimon Partner is a BlackAgumon and that one has the power to turn into BlackWarGreymon.

We gasped in shock!

BlackWarGreymon: That is really interesting and amazing!

Nico: Boy no kidding!

Me: Lets have some fun.

She turned into Another BlackWarGreymon.

I then slammed my foot into the ground and charged at her and then our punches collided and a massive fiery explosion shockwave exploded out of the ground and we went at each other with incredible speed and punched and kicked at each other with incredible force and massive thunderous fiery explosion shockwaves were blowing much of the area apart and setting much of the area on fire. Another BlackWarGreymon went at me some more and I dodged her and fired a Death Cannon blast with Frieza's powers and Another BlackWarGreymon dodged it and the blast hit the ground and exploded with incredible power in a huge mushroom cloud.

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I teleported behind her and kicked her in the face and Another BlackWarGreymon jumped from the ground and went into the air.

I was fighting Another BlackWarGreymon with everything he had.

Me: Let me show you one of the new powers Nico learned! Snake Bandage!

I fired a stream of bandages from my arm and they tied Another BlackWarGreymon up. But then she busted out of them.

Another BlackWarGreymon: Try this! TERRA DESTROYER!

She formed a huge ball of red energy and threw it at me.

Me: Then this too! TERRA DESTROYER!

I threw the same size energy ball and the balls collided and exploded with incredible power!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion was incredibly powerful and it blasted a hole into the ground! Another BlackWarGreymon came out of the explosion and I teleported away!

Me: Try this one on. CRIMSON MIST!

I fired a wave of blood red mist with MaloMyotismon's powers and Another BlackWayGreymon dodged it.

Another BlackWarGreymon: Try this one! BLACK TORNADO!

She spun around at a tremendous speed and went at me and I dodged it. Take this one! GIGA CANNON!

I used Machinedramon's power and blasted her all over with powerful energy cannon blasts and Another BlackWarGreymon dodged them all as they hit the ground and exploded with incredible power!

Another BlackWarGreymon: Very impressive. You've gotten a massive menagerie of techniques on you.

Me: Digimon techniques are just for starters. We have many more.

Another BlackWarGreymon: Then how about this one.

She fired a massive barrage of small Terra Destroyer energy balls.

Me: Try this on! BLASTER METEOR!

I enveloped himself in a ball of energy with Broly's powers and fired a massive shower of energy balls and they all collided with Another

BlackWarGreymon's energy balls and exploded with incredible power all over the place.

Everyone was amazed at the sheer amount of power being displayed!

Me: RIVER OF POWER!

I used MetalSeadramon's power and blasted her with a powerful energy blast.

Nico: OH YEAH!

Kaito and Zocks: Zenkaiju gear!

They donned their Zenkaiju armor.

Another BlackWarGreymon: Now for this! TERRA DESTROYER!

She fired a massive energy ball.

Me: TIDE OF DESPAIR!

I fired a massive blast of blood red fire and the blasts collided and exploded with incredible power!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I kicked Another BlackWarGreymon in his face and flew back.

Me: KAAAAAAAAAAA MEEEEEEEEEEEEEE
HAAAAAAAAAAAAAA MEEEEEEEEEEEEEE
HAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA!

I fired a massive Red Kamehameha Wave and it hit Another BlackWarGreymon and exploded with incredible power!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: WHOA! What power!

Me: Take this! LIGHTNING WHIP!

I fired a bolt of lightning with Azulongmon's powers and it tangled up Another BlackWarGreymon and smashed him into the ground.

Nico: Like J.D. I can also use all the attacks of all 1400+ Digimon. COSMIC RAY!

Nico used Ornismon's power and fired a dazzling ray of energy and it hit Another BlackWarGreymon and exploded all over.

Nico: (Gets out BlackWarGreymon's Ridewatch) Time for more Digimon Power!

Nico activated it.

Nico: (Echoing) TERRA DESTROYER!

Nico threw a massive and powerful energy ball and threw it and it hit Another BlackWarGreymon and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

They explosion was incredible!

Leeli: WOW! That was powerful!

Girl Jordan: You are not kidding!

Nico: Feel the heat! (ACTIVATES HEATSTROKE'S RIDEWATCH)

He fired a massive blast of fire and blasted her down.

Qin: Oh yeah!

May: (gets out Geruga Doggler's Ridewatch) Save some for me, honey!

She activated it and fired waves of energy and blasted her all over the place!

Qin: YEAH!

May: It's the Pirates life for me! (ACTIVATES PIRATE QUEEN'S RIDEWATCH)

She fired waves of energy and blasted her all over.

Maria: And now this. (ACTIVATES FORMICA REGIA'S RIDEWATCH)

She fired waves of energy blasts and smashed her all over.

Maria: And to take flight!

She activated Dragonfly's Ridewatch and flew into the air and fired waves of energy and blasted her all over!

Axel Manning: My turn!

He activated Heatstroke's ridewatch and fired waves of fire and blasted her down.

Nico: YEAH!

Then General Schwarz, and his team consisting of Evil Pharaoh Man, Dark Riku, Beard Deer, Klomp and Evil Skarr came.

Nico: Nice team, Schwarz!

General Schwarz: Thanks Nico. Boy you guys did a lot here.

Nico: We sure did.

Dark Riku: We heard about that L.O.L. Villain group that appeared and that was gross.

Me: You're not kidding there!

Nico: Boy that was crazy!

Maria: Now, where's the next Gene Slammer?

?: Right here.

We saw a figure next to us and it was a Relicanth.

Me: Wow a Relicanth!

Nico: Wow.

Qin: Nancianna is that you?

Relicanth: (In a girls voice) It sure is Qin.

She reverted back and was a girl with brown hair and had blue clothes and blue eyes.

Nancianna: It's good to see you again Qin. And you too Nico.

Nico: Same here.

Nancianna: I got this.

She fired a blast of energy and it hit Another BlackWarGreymon and smashed her down and I caught the Ridewatch and purified it and I went and brought Vladímira over.

Nico: That was awesome!

Rainbow Dash: Boy it sure was!

Me: We heard a lot about you Nancianna.

Nancianna: I can tell. I got over 527 million years of catching up to do with you guys.

Me: 527 million years?

Nicole: Were you sent back in time to the Cambrian Period?

Nancianna: That's right and I got exposed to radiation and it made me immortal and invincible. I lived for 527 million years.

All of us: WOW!

Laney: That's incredible!

Me: Welcome to the Eternal Living Club.

Axel Manning: What's your favorite memory of Nico?

Nancianna: I got a lot of them. But before I went back in time, my favorite is when me and Nico were in Kindergarten and we saw a bad kid picking on another kid.

Nico: Francis Rex.

Nancianna: Yep. We went over and grabbed him by his head and smashed it onto the wall and told him that he will always be garbage.

Me: Nice!

Qin: I remember that! What a jerk.

Eli: He had it coming.

Nico and Nancianna hugged.

Nico: I've really missed you.

Nancianna: Me too Nico. Me too.

We were back on Earth.

Nico: We had a really eventful rescue.

Me: No kidding there.

Nico: I think you'll outlive most of us.

Nancianna: I agree there.

Me: Even though we're all immortal I think that is awesome.

Qin: Yep.

We went back home.

Back at the estate, Lucy Heartfilia was sitting in front of the TV and looking at the shopping channels when we came in.

Lucy Heartfilia: Hey guys. How was the rescue?

Me: Really eventful. But Lucy you are not gonna believe who the Aparoids brought back.

Lucy Heartfilia: Who is it? (GASPS!)

She saw her mother for the first time in 8 years! She hadn't seen her since she died back when she was 10.

Lucy went up to her and tears were streaming down her face.

Lucy Heartfilia: (Voice Breaking) Mom? Is that you?

Layla Heartfilia: Oh Lucy my princess look at you. You've grown into such an amazing and beautiful woman.

Lucy Heartfilia: MOM!

She went over to her and hugged her and cried hard as Layla comforted her.

But, his rampage came to an end when he was defeated by Laura Bakánková, Erika Dědinová, Helena Zelenková, Andrea Nezbedová, Radana Růžičková, and Marie Nováková, and after getting convicted, the serial killer was sentenced to death. But, just before he was set to be executed, Damian Constantine, the demonic, deranged, out-of-control murderous psychopathic lunatic and old enemy of Buster Bunny and his friends, broke him out and set him loose on Greiger's village as revenge for what we did to the Universe 666 versions of The Ripping Friends yesterday, and this isn't going to be the last time Damian pulls those kinds of dirty stunts.

Lincoln: Whoa, we're here in Greiger's village, and I know what we're going to do here, not only am I going to rescue the eleven girls here, but Laura, you, Erika, Helena, Andrea, Radana, and Marie aren't going to like hearing who's causing havoc here: the person causing havoc is your old enemy from the Czech Republic, Alexander Procházka.

Laura Baránková, Erika Dědinová, Helena Zelenková, Andrea Nezbedová, Radana Růžičková, and Marie Nováková gasped in horror.

Laura Baránková: (Czech Accent) What?! That sadistic serial killer's here?!

Helena Zelenková: (Czech Accent) I never thought we'd run into that sadistic monster ever again even after we defeated him years ago.

Me: I've heard about him. He's a serial killer who terrorized the Czech Republic for years, right?

Laura Baránková: (Czech Accent) Yes, that's correct. Alexander Procházka is a very dangerous serial killer who terrorized all of the Czech Republic for years, and during his rampage, he murdered tens of thousands of people and he enjoyed spilling their blood. But, his rampage came to an end when he was defeated by me, Erika, Helena, Andrea, Radana, and Marie, and after getting convicted, he was sentenced to death.

Lincoln: But, just before he was set to be executed, he suddenly escaped from the prison before he could meet his doom.

Yakko: And we soon found out from Buster that Damian Constantine, the demonic, deranged, out-of-control murderous psychopathic lunatic and our old enemy, broke him out and set him loose on Greiger's village as revenge for what we did to the Universe 666 versions of The Ripping Friends yesterday.

We gasped in shock.

Eli: That demonic, deranged, out-of-control lunatic, of all the dumb stunts that monster pulled, this is by far the dumbest ever!

Lincoln: Yeah, and this isn't going to be the last time Damian pulls those kinds of dirty stunts, we've only got two weeks until The Ridonculous Race and that lunatic is trying to kill us before then.

Girl Jordan: I've already printed out the Wanted Posters for Damian Constantine, and Babs provided me with his picture, but I got to warn you: it's terrifying.

Girl Jordan took out the Wanted Poster for Damian Constantine, and we soon saw his picture for ourselves, and it was indeed terrifying: he was a 21-year-old man with long pitch black hair going down to his neck, deathly pale skin, red eyes filled with out-of-control insanity and the sclera of his eyes are dark red, he had a demonic smirk on his face and he has fangs, he was dressed in a long black coat, white dress shirt and necklace with red brooch, black pants, black knee-high boots, and in his right hand is a sword with a 7'0" massive and long curved blade and three edges going down the blade and yellow dragon etched on it, gold bar for the crossguard, red gem embedded in the hilt, longer brown handle, and large gold sphere with demonic eye etched on it for the pommel and tied to the pommel is a red tassel.

Nico: Yeesh, well, now we know what he looks like: demonic, deranged, psychopathic, out-of-control, evil, creepy, and crazy beyond belief.

Lincoln: (Shudders) And I thought the Dark Sides of Lori, Lynn, Lola, Lisa, Luan, Chandler, and the others were bad, but this guy takes the cake. But, we'll worry about him when the Ridonculous Race starts, first, we got to deal with Alexander Procházka, and I want to thank you and your team for joining us, Kara.

Supergirl: You're welcome, Lincoln, and Greiger's village is really peaceful. But, it's also right next to The Nazca Lines, the place where The Earthbound Immortals were imprisoned in.

Lincoln: Yeah, I can feel the dark energy here.

Nico: Plus, we'll also run into another of Ranamon's sisters.

Ranamon: We've already run into Hikenmon, Kohamon, Rakuraimon, Kukimon, and Korimon. Ooh, I hope that the next one we run into is Kagemon, and I hope Greiger's siblings are okay.

Suddenly, we saw Ancient Gear Reactor Dragon, Reactor Slime, Spell Reactor - RE, Summon Reactor - SK, Trap Reactor - Y FI, Psychic Reactor, Dark Strike Fighter, Flying Fortress SKY FIRE, Dark Flattop, and Earthbound Immortal Chacu Challhua, along with Lunalight Leo Dancer, appear before us, and with them are the eleven girls, and Greiger's two siblings, Annie and Max.

Nico: What in the? Ancient Gear Reactor Dragon, Reactor Slime, Spell Reactor - RE, Summon Reactor - SK, Trap Reactor - Y FI, Psychic Reactor, Dark Strike Fighter, Flying Fortress SKY FIRE, Dark Flattop, and Earthbound Immortal Chacu Challhua, along with Lunalight Leo Dancer.

Lunalight Leo Dancer: (Girl's voice) (Southern Accent) Oops, sorry about the scare, y'all.

Ancient Gear Reactor Dragon, Reactor Slime, Spell Reactor - RE, Summon Reactor - SK, Trap Reactor - Y FI, Psychic Reactor, Dark Strike Fighter, Flying Fortress SKY FIRE, Dark Flattop, and Earthbound Immortal Chacu Challhua: (Girl's voice) But, we got the eleven girls, and Annie and Max away from that serial killer, Alexander Procházka.

Lincoln: (Gasps) That voice from Ancient Gear Reactor Dragon, Reactor Slime, Spell Reactor - RE, Summon Reactor - SK, Trap Reactor - Y FI, Psychic Reactor, Dark Strike Fighter, Flying Fortress SKY FIRE, Dark Flattop, and Earthbound Immortal Chacu Challhua, I knew it was you, Ariane Sanchez, and that voice from Lunalight Leo Dancer, I knew we'd run into you as well, Kagemon. Plus, it's awesome to meet you and Annie, Max.

Max: You too, Lincoln. But, I think we should talk later.

?: (Czech Accent) I will enjoy slashing all of your throats and drinking your blood. (LAUGHING MANIACALLY)

We then saw our target, Alexander Procházka, he was a man with black hair, black eyes of hatred and darkness, and he was dressed in a red prison jumpsuit, and he had a knife in his hand.

Lincoln: Yeah, we've just run into our prime target, Alexander Procházka. Time to send you on a one-way trip to Hell, you bloodthirsty monster.

We cheered as we holstered our weapons and powered down.

Lincoln: That's one less serial killer running loose, but Damian really crossed it by getting another one of my Guardian Angels' enemies involved. Come the day of The Ridonculous Race, and he'll pay for all of his wrongdoings with his own blood. (To Ariana Sanchez and Kagemon) And it's so good to see you again, Ariana Sanchez and Kagemon.

Ariana Sanchez reverted back to normal, and she's a beautiful girl with long black hair, purple eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful midnight black angel wings with indigo markings and she has the Whale Nazca Line on her right arm, she's dressed in an indigo vest, black crop top, black skirt, indigo pants, indigo legwarmers, black sneakers, and long white long-sleeved trenchcoat with darkness, indigo flames, and whales on the coattails and on the back is Ancient Gear Reactor Dragon, Reactor Slime, Spell Reactor - RE, Summon Reactor - SK, Trap Reactor - Y FI, Psychic Reactor, Dark Strike Fighter, Flying Fortress SKY FIRE, Dark Flattop, and Earthbound Immortal Chacu Challhua, and holstered on her back is a massive Ancient Gear Reactor Dragon, Reactor Slime, Spell

And Kagemon reverted back to normal, and she looks like Ranamon before she transformed into her Super Angel Celestial Eternal Xelnaga form, but the color schemes for her match the element that she uses: darkness, she was tall at 6'5" in height, she has the body of a goddess, she has massive and beautiful dark purple angel wings, and she has a long white sleeveless trenchcoat with darkness and shadows on the coattails, and on the back is Lunalight Leo Dancer, and holstered on her back is a massive Lunalight Leo Dancer-themed greatsword with embedded dark purple gems and Lunalight Leo Dancer etched on the 7'0" massive, wide, double-edged midnight black blade, large Lunalight Leo Dancer heads for the crossguard, large dark purple gems embedded in the hilt, longer midnight black handle, four large Lunalight Leo Dancer heads and large dark purple gem on the bottom of the large Lunalight Leo Dancer heads for the pommel.

Ariana Sanchez: You too, Lincoln.

Kukimon: I agree, it's been a very long time.

Lincoln went up to Ariana Sanchez and Kagemon and he hugged them, and Ariana Sanchez and Kagemon are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were eleven, Ariana, and I haven't seen you since I was eight, Kagemon, and as you can see, I really grew a lot since then.

Ariana Sanchez: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness.

Kagemon: You've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we also met your familiars, and they are really awesome.

Nico: Whoa, Lincoln, you know these two girls?

Lincoln: Indeed I do, Nico. The Fusion Gene-Slammer of Ancient Gear Reactor Dragon, Reactor Slime, Spell Reactor - RE, Summon Reactor - SK, Trap Reactor - Y FI, Psychic Reactor, Dark Strike Fighter, Flying Fortress SKY FIRE, Dark Flattop, and Earthbound Immortal Chacu Challhua is Ariane Sanchez, she's my Guardian Angel from Domino City and classmate in English and she's known as The Reactor Dark Whale Queen and Avatar of Earthbound

Immortal Chacu Challhua, because she, just like Greiger, Dark Signer of The Whale, uses a Reactor Deck, and spearheading the deck is The Whale Earthbound Immortal Chacu Challhua. Ariane Sanchez is a powerful master of both darkness and light, and she trained me a lot in mastering both light and darkness, and she's a descendant of The Star Dragon King, the ruler of the ancient Stairway to the Dragon Star, a pre-Incan civilization which had been plagued by very dark disturbances, and the cause of it were The Earthbound Immortals 5,000 years ago.

Nico: Whoa, I had no idea that she's a descendant of The Star Dragon King.

Me: Same here, and she knew of what The Earthbound Immortals had done 5,000 years ago.

Lincoln: That's right. Plus, I made her a beautiful necklace with a whale pendant, and to show thanks, Ariane kissed me on the lips. She's also the sister of Greiger, Dark Signer of The Whale, and the older sister of Annie and Max, and she hates Lynn with a blazing passion.

Annie: We were so glad to see Ariana again, and she told us that Greiger's alright, and that he's in The Masters of Evil.

Max: And that he has Boris as his archenemy.

Lincoln: That's right, and your brother's kept you all up to date on our adventures. And the Lunalight Leo Dancer Gene-Slammer is Kagemon, she's the sixth of Ranamon's Elemental Digi-Sisters and The Warrior of Darkness. She and I love to dance in the darkness, and we also even meditate in darkness. Kagemon even made me a necklace with darkness and other elements on it, which merged with my Elemental Thunderbird Necklace of Eternal Love, and to show, I kissed Kagemon on the lips, and she hates Lisa with a passion.

Me: Uh oh.

Nico: Two Guardian Angels who hate Lisa with a blazing passion, I hate to find out what she did to earn their wrath, and Lincoln told us the whole story when we met your sister, Hikenmon.

Kagemon: He keeps on amazing everyone with his many skills, and I knew he and Ranamon would tell the story one day. (To Lincoln) Oh, Lincoln, there's something we also want to give you.

Lincoln: Let me guess, you and Ariana want to give me your blood, right?

Ariana Sanchez: How'd you guess what we were about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Kagemon: Ooh, I knew it was a matter of time before you'd start marking your future wives.

Ranamon: He already marked me a year ago, and he marked Hikenmon, Kohamon, Rakuraimon, Kukimon, and Korimon.

Lincoln first went up to Ariana Sanchez, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

And Lincoln then went up to Kagemon, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Kagemon: You're still just as gentle as ever when you feed on one of your Guardian Angels, Linky.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Kagemon and Ariana Sanchez with indigo and dark purple gems on the gold lightning bolts and indigo and dark purple crystal links from their merged Crystal Necklaces of The Buddha along with two Elemental Thunderbird Chokers of Eternal Love on their necks.

Ariana Sanchez: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Ariana Sanchez and Kagemon.

Ariana Sanchez and Kagemon had a smile on their faces and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around them, and he leans down to each of their face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the eleven girls, and when Lincoln saw who they were, he immediately recognized them. The eleven girls are A.B.A, Valentine, and Ramlethal Valentine from Guilty Gear, Princess Sara from the Sonic Franchise, Erel Plowse, Setsuna Saizuki, and Midori Himeno from Evil Zone, Rin Carol Azami, Serina Hiyu, Miki Kiryuin, and Princess Elise the Third from the Sonic Franchise.

Lincoln: Oh wow, it's A.B.A, Valentine, and Ramlethal Valentine from Guilty Gear, Princess Sara from the Sonic Franchise, Erel Plowse, Setsuna Saizuki, and Midori Himeno from Evil Zone, Rin Carol Azami, Serina Hiyu, Miki Kiryuin, and Princess Elise the Third from the Sonic Franchise.

Nicole: Whoa, that's really awesome, and Sonic, Silver, and Shadow are in for a reunion with Princess Sara and Princess Elise the Third.

Lincoln: You bet. Are you girls okay?

Princess Sara: Yes, we're okay, thanks to you.

Princess Sara: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made ten clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Princess Sara: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, eleven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of A.B.A, Valentine, Ramlethal Valentine, Princess Sara, Erel Plowse, Setsuna Saizuki, Midori Himeno, Rin Carol Azami, Serina Hiyu, Miki Kiryuin, and Princess Elise the Third with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and they were shocked to find out the villain we went after was Alexander Procházka, a very dangerous serial killer who terrorized the Czech Republic for years and murdered tens of thousands of people and a dangerous and evil old enemy of Laura Baránková, Erika Dědinová, Helena Zelenková, Andrea Nezbedová, Radana Růžičková, and Marie Nováková. But, his rampage came to an end when he was defeated by them, and after getting convicted, the serial killer was sentenced to death. But, just before he was set to be executed, Damian Constantine, the demonic, deranged, out-of-control murderous psychopathic lunatic and old enemy of Buster Bunny and his friends, broke him out and set him loose on Greiger's village as revenge for what we did to the Universe 666 versions of The Ripping Friends yesterday.

But, when Lincoln showed what happened such as all of us giving him a very nasty thrashing, and finally, Lincoln, Laura Baránková, Erika Dědinová, Helena Zelenková, Andrea Nezbedová, Radana Růžičková, and Marie Nováková finishing him off by firing blasts of magic which turned into blades to slice him to shreds and banish his spirit to The Black Gates forever, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln, Ariana Sanchez, and Kagemon have a lot of catching up to do, now that they're back in town.

Maria: That Damian, now he's gone too far involving old enemies of your Guardian Angels.

Lincoln: And one of them was the most dangerous and vicious serial killer in the Czech Republic. But, Ariana and Kagemon made sure to get not only the eleven girls to safety, but that also included Max and Annie as well, since they're Ariana and Greiger's siblings.

May: And we already met them, and they've been kept up to date on our adventures from Greiger.

Maria: That's awesome.

---

After destroying Alexander Procházka and pissing Damian Constantine off for another of his early attacks on us, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Ariana Sanchez and Kagemon saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Ariana Sanchez: Whoa, I was right that Lincoln's really grown into a 17-year-old, 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Kagemon: He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Kagemon: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Ariana Sanchez: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Ariana, Kagemon, what's the stories you have on why you hate Lisa with a burning passion?

Kagemon: Uh oh, I was hoping you'd ask that. One day, Lincoln and I were doing some training in the darkness, but then, we heard the sound of maniacal laughter in the air, and there's only one person who could make that sound: it was Lisa, and we saw her charging right for us along with her army of robots, and she was out for blood. But, Lincoln and I were ready for them, we fired blasts of darkness at Todd and the rest of Lisa's robots and destroyed them, then, we fired blasts of darkness at Lisa, and she got trapped inside a dark energy sphere, and she couldn't get out. We then dragged her back to The Loud House, and after we told Mr. and Mrs. Loud of what

Lisa tried to do to us, she wound up getting grounded for fifteen weeks and was thrown in a metal cage. Lisa screamed and she swore bloody revenge on us, but Lily showed up, dressed as a police officer, and she banged on the metal cage with a mallet, and told her to shut up, inmate.

Nico: Sheesh, even after all the times Lisa's been beaten down like that, she just absolutely refused to quit!

Luna: We've been at the receiving end of that heartless, emotionless "prodigy" for years, along with her trying to make us her test subjects for her insane experiments, she was absolutely insane and completely out of her flipping mind!

Ariana Sanchez: She sure was. Okay, now for my story, I make it no surprise I've hated Lisa with a blazing passion, because of all the hell she put Lincoln through with her mad experiments. One day, Lincoln and I were busy with some homework for English, and we were at my house since The Loud House was not the perfect place for it. But then, we heard the sound of maniacal laughter in the air, and there's only one people who could make that sound: Lisa, and we saw her charging right for us along with her army of robots, and she was out for blood. But, Lincoln and I were ready for them, we fired blasts of darkness at Todd and the rest of Lisa's robots and destroyed them, then, we fired blasts of darkness at Lisa, and she got trapped inside a dark energy sphere, and she couldn't get out.

Nicholette Torrington: I saw the whole thing when I was coming back, and not only did Lincoln and Ariana did awesome with destroying Todd and those robots again, but Lisa was really pissed off even inside the dark energy sphere.

Lincoln: She sure was. We dragged her back home, and after I told Mom and Dad of what Lisa tried to do to me, she got grounded for sixteen weeks and was thrown in a metal cage. Lisa screamed and she swore bloody revenge on us, but Lily showed up, dressed as a police officer, and she banged on the metal cage with a mallet, and told her to shut up, inmate.

Nico: Oh man, Warden Lily strikes again!

Lily: You bet I did, and after I did that, I changed the password on Lisa's bunker again, and I made sure to sent the robot parts to Becky Long, where she disposed of them once and for all.

Becky Long: I never liked Todd nor the rest of that little monster's robots, so I got the pleasure of throwing their parts in an incinerator for good.

We got a shower, and then, Lincoln, Sumae Mizuno, Shijimi Chouno, and Tonko Oniyama are heading to Hanalei Bay in Seaside Hill.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Sumae Mizuno, Shijimi Chouno, and Tonko Oniyama were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Sumae Mizuno, Shijimi Chouno, and Tonko Oniyama had feelings for Lincoln, and he had the very same feelings for them after Kurumu and Mizore introduced them to him, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant.

Sumae Mizuno: Wow, so this is Hanalei Bay, it sure is beautiful.

Lincoln: I've been here to Seaside Hill before, Sumae, and it's always beautiful, and it's perfect for our first date. Shall we?

Lincoln, Sumae Mizuno, Shijimi Chouno, and Tonko Oniyama dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Sumae Mizuno, Shijimi Chouno, and

Tonko Oniyama got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Sumae Mizuno, Shijimi Chouno, and Tonko Oniyama, and they hugged the girls in their abnormally massive and powerful muscular arms, and Sumae Mizuno, Shijimi Chouno, and Tonko Oniyama placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Seaside Hill, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Sumae Mizuno, Shijimi Chouno, and Tonko Oniyama with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Sumae Mizuno, Shijimi Chouno, and Tonko Oniyama are now part of your harem.

Kurumu Kurono: Thank me and Mizore for introducing them to him.

Mizore: And he saved them from Flip's muscle-bound thugs again.

Silver the Hedgehog: If he continues with that dumb stunt, it's not going to be long before one of us does the same thing that Eli did to him.

Lincoln: He just doesn't know when to quit, Silver. Plus, I've already got my little payback to dish out on him for insulting Rarity that day.

Lincoln snapped his fingers and Flip was mercilessly beaten up by a gang of thugs that Wanda had gotten to beat up Icky Vicky.

Wanda: Ooh, you summoned the gang of thugs I'd gotten to beat up Icky Vicky.

Lincoln: Yep, and now that Icky Vicky's tied up, they can have their fun in beating her up. Consider it a late payback for what she called you in her diary.

Wanda: Thanks, Lincoln. Get her, boys! Make her cry like a baby!

We arrived at the park to hunt down our target: Xeqfees of The Extraterrestrial Order of The Planets of Holy Ghidorah.

Yuko: I knew there was no mistaking that voice from anywhere, you can come out now, Ccaarea.

A figure came out, and it was none other than Ccaarea of The Extraterrestrial Order of The Planets of Holy Ghidorah.

Yuko: Ccaarea, I should've known you'd show up here, and we already knew of the Order's arrival days ago, so we're prepared to destroy you all. We will never let you destroy the Earth ever!

Ccaarea: You fools will pay dearly for this, Lord Ghidorah will rise again and the entire Earth will be destroyed!

Emma Guntherton: The only one who deserves to be destroyed is you.

Suddenly, Emma Guntherton's dark purple eyes turned neon dark purple and she was surrounded by a black and dark purple energy aura with darkness, shadows, dragons, phoenixes, and dark angels, she unholstered her massive Grief-themed greatsword from her back, and as she approached Ccaarea, she left black and dark purple energy, darkness, shadows, dragons, phoenixes, and dark angels with every step.

Emma Guntherton: I will never ever forgive you for what you and the rest of the Order have tried to do 20,000 years from now, Ccaarea: wanting King Ghidorah to destroy our world and every last living thing on it, that's one thing I will never allow, and for that, I hope you're ready to drown in a sea of dark retribution for your crimes against mankind and the universe!

Suddenly, Emma Guntherton was surrounded by a massive vortex of black and dark purple energy with darkness and shadows surrounding it, there are dragons, phoenixes, and dark angels and Grief flying around the vortex, and in the vortex is a purple phoenix with red eyes glaring at Ccaarea: the red eyes of death. Then, as the vortex faded, Emma Guntherton emerged, but she was changed forever.

Emma Guntherton grew to 7'4" in height, she has the body of a goddess, she has purple highlights in the bangs of her long midnight black hair, she has neon dark purple eyes and a black and dark purple energy aura with darkness, shadows, dragons, phoenixes, and dark angels surrounding her, she has Grief emblazoned on her forehead and Third Eye with purple iris, she has on dragon earrings with dark purple gems for eyes and holding the Dark and Eternity Kanjis in its claws, she also has Grief with purple gems for eyes and holding the Dark and Eternity Kanjis in its hands on the bottom of her dark purple phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Dragon Necklace of Eternal Love necklace with dark purple crystal links from her merged

Emma Guntherton has on a sleeveless dark purple blouse, midnight black short-sleeved blouse, midnight black skirt, black pants, black sneakers, and long sleeveless white trenchcoat with darkness, shadows, dragons, phoenixes, and dark angels on the coattails, and on the back is Grief surrounded by darkness and shadows. Suddenly, Emma Guntherton felt a sharp pain on her back, and then, her massive midnight angel wings with dark purple tips on the large midnight black feathers, grew much bigger for her new body and she now has eleven massive and long midnight black wolf tails with dark purple tips. Emma Guntherton has on her Ring of the Phoenix with large dark purple gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Emma Guntherton's massive Grief-themed greatsword and all the greatswords she'd gotten began merging together and they're suddenly surrounded by a kaleidoscope of black and dark purple energy, darkness, shadows, dragons, phoenixes, and dark angels, and when it emerged, it transformed into Grief's Elemental Darkness Draconic Phoenix Shadow Greatsword of Elemental Dark Grief Justice, it's a brand-new massive greatsword with embedded dark purple gems and the Dark Elemental Grief etched on the 7'0" massive, wide, double-edged midnight black blade, large midnight black dragon heads for the crossguard, large dark purple gems embedded in the hilt, longer midnight black handle, four large midnight black phoenix heads with dark purple gems for eyes and large dark purple gem on the bottom of the midnight black phoenix heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with dark purple gems on her wrists, her large gold Belt of Elemental Bravery with a gold version of Grief's head with dark purple gems for eyes and a large dark purple gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. We were amazed by Emma Guntherton's Super Angel-Grief-Dragon-Phoenix-Harmony Celestial Eternal Xelnaga transformation, and when Nico saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Ccaarea saw it, he fell into an infernal rage and he got out his blaster to blast her, but Emma Guntherton fired a powerful black and dark purple energy blast with darkness, shadows, dragons, phoenixes, and dark angels at Ccaarea, which hit him and pushed him back and he also got hit hard by the darkness, but this really pissed him off now.

Fiona Guntherton: Wow, Emma's transformed, awesome!

Bertha Guntherton: That's really incredible, and she really hit Ccaarea hard with those dark energy blasts.

Nico: Yeah, and she's really got him pissed off now big time.

Emma Guntherton: (Divine Echoing Cosmic Voice of The Elemental Grief Shadow Darkness Draconic Phoenix Darkness Angel and Divine Draconic Phoenix Shadow Darkness Grief Angel Love) And now, you're about to feel the full fury of the darkness, Ccaarea.

Nico: Let's get him, Emma, this bastard doesn't deserve to live any longer.

Nico transformed into Super Saiyan Rainbow Infinity and unholsters his massive Nico's Universal Elemental Greatsword of Saiyan Pride and Phoenix Justice from his wider and muscular back and joined Emma Guntherton.

Nico: (Divine Echoing Voice of Rainbow Redemption) Alright, you fanatical clod, it's time for you to pay for your crimes with your blood!

Emma Guntherton and Nico went after Ccaarea who's now gone even more full-blown ballistic, and they fired extremely powerful blasts of rainbow energy, black and dark purple energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Ccaarea and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him.

Nico turned his fingernails into claws and he slashed at Ccaarea, drawing more blood and leaving more scars on him, and he was being driven even more ballistic. Suddenly, Ccaarea took out the vial of red liquid with a drop of 2018 King Ghidorah's blood, then he drank it. Suddenly, Ccaarea began changing as massive wings like King Ghidorah's grew and sprouted out from his back, his skin was covered in gold scales, and he'd grown King Ghidorah's tails.

Me: Watch it, you guys, now Ccaarea has transformed into his King Ghidorah Hybrid Monster form.

Ccaarea fired a Gravity Lightning blast at Emma Guntherton and Nico who dodged it.

Lincoln: Emma, Nico, hang on!

Lincoln fired a rainbow energy blast which separated Ccaarea from his King Ghidorah Hybrid Monster form, and then, Lincoln went at King Ghidorah Hybrid Monster Ccaarea and he stabbed him in his chest with one of his eleven massive and long white wolf tails paralyzing him so he couldn't try to escape, and then, Lincoln began absorbing King Ghidorah Hybrid Monster Ccaarea's bio-energy and assimilated his powers and abilities until nothing was left of it.

Nico: (Divine Echoing Voice of Rainbow Redemption) Thanks for the save, Lincoln. Now, Emma, let's end this bastard for good.

Emma Guntherton: (Divine Echoing Cosmic Voice of The Elemental Grief Shadow Darkness Draconic Phoenix Darkness Angel and Divine Draconic Phoenix Shadow Darkness Grief Angel Love) You got it, Nico.

Emma Guntherton and Nico sent Ccaarea flying into the air, and then, they prepared their combo to put an end to Ccaarea.

Emma Guntherton and Nico: ELEMENTAL GRIEF DRACONIC PHOENIX DARK SHADOW KAMEHAMEHA!

Emma Guntherton and Nico fired two massive dark purple energy Kamehameha waves with darkness, shadows, dragons, phoenixes, and lightning angels which hit Ccaarea, and they explode with incredible power as they hit him, and he was obliterated. Then, when his spirit appeared, Emma Guntherton and Nico drew the Judgement Kanji on his forehead, and he was erased by The Black Gates for his crimes. We cheered as Emma Guntherton and Nico holster their massive greatswords on their backs and powered down, and Emma Guntherton's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent.

Emma Guntherton: That's one member of The Extraterrestrial Order of The Planets of Holy Ghidorah down and twenty-five members to go. Thanks for helping me destroy Ccaarea once and for all, Nico.

Nico: (Smiles Warmly) You're welcome, Emma.

Suddenly, Emma Guntherton wrapped her arms around Nico's wider and muscular back, as her chest pressed against Nico's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Nico's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to their faces. Then, as Nico leaned down to Emma Guntherton's face, they kissed passionately as she moved her arms and placed her hands on Nico's massive pecs, and behind them was a Dragon, Phoenix, Angel, and Grief flying in the air, and we saw many animals running across the field, along with elemental forces and darkness behind them and we cheered wildly. Then, Nico and Emma Guntherton absorbed the darkness and they came back to us as the display and Grief vanished.

Me: Whoa, now that's what I call another cult fanatic put down for good, nice job, Nico and Emma.

Nico: Thanks, J.D., and like Lincoln said, those potions the members of The Extraterrestrial Order of the Planets of Holy Ghidorah have allow them to transform into King Ghidorah Hybrid Monsters and they also acquire his powers as well.

Lincoln: But, they only use it when they've really been pushed too far. However, one rainbow energy blast separates them from their King Ghidorah Hybrid Monster form.

Nico: And they wind up becoming your next meal for you to absorb, Lincoln, and for tomorrow for Vinyl Scratch's big mission, the next member is Qiienna, which means you're up next, Holly, along with you and Lincoln, Vinyl Scratch.

Holly Volvenstein: Whoa, four against one, awesome, and we'll make Qiienna pay tomorrow.

Nico: We sure will. And we're down to the last Dark Signer Monsters Fusion Gene-Slammer, which means we know who we'll be meeting tomorrow on your rescue, right, Lincoln?

Lincoln: Yeah, the Fusion Gene-Slammer for Dark Tuner Dark Ape, Ape Fighter, Ape Magician, Zeman the Ape King, and Earthbound Immortal Cusillu, the monsters of Devack.

Maria Tredwell: The Dark Signer of The Monkey.

---

Later Horsea was going to show us what she does for her day.

Maria: Let's see what Horsea does all day.

Me: This looks like a job for…

I spun around and I was in my Crocodile Hunter uniform!

Me: (Australian Accent) Jungle Explorer J.D.! Crikey!

Maria: I hope she'll be okAy.

Nico: She'll be okay.

Horsea was heading out for her day.

Nico: Here she comes.

Horsea: What to do today?

She thought about it and then she decided to go to our waterpark.

Horsea: To the Waterpark!

She was off.

Horsea: Here I am!

She arrived at our Phoenix Land Water Park.

She went in and decided to go on the waterslides and they were

awesome.

Horsea: Here we go.

She slid down a slide called THE TYPHOON!

Horsea: This is so much fun!

She slid down to a pool with a splash!

SPLASH!

Me: Crikey that was a big splash mates!

Horsea swam back to the surface

She surfaced and it was fun.

Maria: Wow that was cool.

Then she decided to go on the most amazing ride we just built: THE BLOODY TAPEWORM!

It was a huge 300 foot swirling waterslide.

FART FART FART FART!

Yes it makes farting noises every time they come out.

Me: Crikey that is a dangerous one mates.

Maria was biting her fingernails in fright.

Horsea: Here I go!

She went down the slide.

Horsea: WEEE!

She went down the slide and it was fast.

Then she came out with a loud fart.

LOUD FART!

SPLASH!

Horsea: That was fun!

?: Boy no kidding!

She saw a Clamperl with her.

Horsea: Oh wow a Clamperl!

Clamperl: (In a girls voice) Awesome to meet a Horsea. My name is Jamie Marchesano and I am a friend of Nico.

Horsea: Awesome to meet you.

She reverted back and was a girl with neon pink hair and pink eyes and was in a smoking hot blue bikini.

Me: Crikey. Looks like Horsea found the next gene-slammer mates.

Horsea: Want to hang out with me?

Jaime Marchesano: I would like that.

Horsea: Cool.

They went to the surfing pool and Jamie was an amazing surfer.

Jamie Marchesano: COWABUNGA!

Horsea: YEAH WOO!

Me: Crikey that is some awesome surfing mates.

Maria: Boy it sure is.

Horsea: What to do now?

Their stomachs growled.

Jaime Marchesano: Lets go get some food.

Horsea: Good idea.

They went to the Fat Boy Diner after Jaime got dressed in her shorts.

At the Fat Guy Diner, Eleanor Ermey was sitting with Lieutenant Dwayne Hunter and the pit crew of the S.S. Darkhorse, the base of operations and repair ship for the Big Guy. She was having lunch with Jo, Garth, Mac and Harley Griffin who is the pilot of Harddrive in the Masters of Evil.

Harley Griffin: So there is Lieutenant Hunter hiding in the corner of the officers club and he still got the dress and wig on right? When out of nowhere our C.O.

Lieutenant Dwayne Hunter: Ha. Colonel Sails.

Harley Griffin: Tough As Nails Sails, he struts up to Hunter and we think that's it we're busted. But instead the guy holds out his hand and says "Care to Dance?"

They laughed at that one.

Eleanor Ermey: That is funny! Reminds me of a prank I did at boot camp. Reminded my grandfather of a prank that befell him.

Harley Griffin: That is funny.

Eleanor Ermey: Yeah I got 6 months of peeling potatoes for it.

Harley Griffin: That is crazy.

Horsea and Jaime came in.

Horsea: Hello, everybody!

Eleanor Ermey: Hello Horsea! And Jaime!

Jaime Marchesano: Eleanor!

They went and hugged.

Jaime Marchesano: It's awesome to see you here.

Eleanor Ermey: I just joined the team a few days ago.

Jaime Marchesano: Cool and I heard you made it to Sergeant. Congratulations.

Eleanor Ermey: Thanks. It's awesome.

They got to having burgers.

Horsea was eating her burger.

It was a beef and mushroom burger.

Horsea: So Jaime what is your favorite memory of Nico?

Jaime Marchesano: I have a lot of them but my favorite is when me and Nico made the largest island waterpark in the world. We call it Neptune Splashworld.

Nico: I remember that. That is so awesome.

Maria: That is so cool that you and Jaime made that big a waterpark.

Me: That is amazing mates.

Nico: Yep. Good times.

Horsea: That was a delicious burger.

Eleanor Ermey: Glad you guys liked it.

Jaime Marchesano: It was awesome.

Later Jaime and Horsea decided to go to the Arcade.

Horsea: Time for some Arcade fun.

Jaime Marchesano: Lets do it.

They went into the Arcade and got to playing all kinds of games. They played skee-ball and so much more.

Horsea: Let's get some prizes!

Jaime Marchesano: You read my mind.

They made a boatload of tickets and Horsea got an awesome plasma globe lamp and Jaime got a really awesome mermaid charm bracelet.

Me: Crikey they sure got some good prizes mates.

Nico: They sure did.

Later they decided to call it a day and head home. They were at the waterpark the longest.

They went home.

Sonoi, Sononi, and Sonoza were watching us from afar.

Sonoi: It won't be along before J.D. and Nico meet us?

Sonoza: Sonoi, what are we doing just watching them? We should be warning them about what Sonoshi and his associates plan to do! (about to go to us)

Sononi: (stops him) We can't! Sonoshi will know about our involvement!

Sonoi: Sononi is right. Believe me. I don't like it anymore then you do. But all we can do is keep things under control on our end with the Donbrothers' help.

Sonoza: (sighs) I hate it when you're right!

With that, Sonoi, Sonoza, and Sononi went back to the Donbrothers' base. But not before Sononi looked at us one last time worriedly.

Sononi: Please be safe, Team Loud Phoenix Storm. (leaves)

I sensed them and they are watching us.

Me: (In my head) Looks like the Former Noto Three Generals are watching us and are trying not to let Sonoshi and the others know they are involved. Don't worry you three, your secret is safe with us.

Maria: How was your day, Horsea?

Horsea: Really fun!

Maria: Glad you had a lot of fun.

Nico: And Jaime it's awesome having you with us.

Jaime Marchesano: It's awesome being here Nico.

Qin: We're glad to have you with us too.

* * *

Later the U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 7347.3: The U.S.S. Valorous Phoenix is en route to the planet Aerwiar for an awesome adventure and we're heading there to help Leeli, Tink and Janner find a mysterious treasure.

Lola: This will be awesome.

Maria: Nico, which teams have you made?

Nico: Persephone's team will include Hex, Aruto, Emile Valliance, Agent J and Agent K. Gaz's team will include Fat Albert, Haruto, Wing Commander Gutsy, Anasazi Meadow Littlefield and Centaur Man.

Me: Awesome choices.

Misty Tredwell: That is a great team setup for Persephone.

Camie: It sure is.

May: And which Gene Slammers do you think you'll meet next?

Nico: Luvdisc and Salamence.

Qin: OOH!

Me: Awesome choices.

Sailor Sun: Those are perfect.

Twilight Sparkle: They sure are.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at the planet Aerwiar.

Nico: Here we are!

Me: Yep.

Nico: Lets engage landing.

We got to landing.

We landed and then we got out.

William: First, keep your eyes out for the Gorebyss and Relicanth.

Me: You mean Gorebyss and Huntail.

William: Oh right. Sorry. Let me rephrase that. First, keep your eyes out for the Gorebyss and Huntail.

Me: Okay.

Qin: We will.

Nicole: Okay lets head down into the Catacombs.

Maria: Do the Catacombs have any water?

Nico: They might.

We went down into the Catacombs that the kids went into before.

Me: Oooh. Scary mine tunnel.

Qin: I think it's amazing.

Nicole: Me too.

We followed the path in my books and it was awesome.

Nico: Poromon, on one of Lewa's remaining missions, do you want to come with? You ARE a bird, after all.

Poromon: I would be honored.

Nico: Awesome.

Camie: Cool.

We continued on.

Poliwag: Us mascots have to stick together after all.

Me: Yep.

We got to a door.

Nicole: This must be it.

Leeli: Yep.

Nico: The treasure has to behind here.

Leeli: It is.

Leeli opened it by pushing buttons in the shape of a W and the door opened and in it was lots of gold and jewels!

Me: Wow!

Nico: Wow what a treasure.

Camie: This must be the family fortune of the Wingfeathers.

Leeli: I think it is.

Janner: It has to be.

He showed us the sword of their father and it was a magical and cool sword.

Me: Awesome sword.

Nico: I'll say.

We got the treasure out and then when we were outside we saw a Huntail and Gorebyss!

Me: There's our Pokemon.

Eli: Huntail and Gorebyss.

Huntail: (In a girls voice) Glad we found you guys.

Gorebyss: (In a Girls voice) Same here.

Nico: Tanya and Hailey Hunter!

They reverted back. The Huntail was a girl with orange hair and had blue clothes and the Gorebyss was a girl that had pink hair and pink clothes.

Qin: Awesome to see you girls.

Hailey Hunter: You too Qin.

Leeli: What are your favorite memories of Nico?

Tanya Hunter: Our favorites are where we found a fortune treasure that was the long lost heist of one of the country's most dangerous gangsters.

Nicole: The loot of Al Capone! Wow!

Hailey Hunter: That's right.

Nico: Yep.

Nico hugged them.

Nico: I missed you girls.

Hailey Hunter: We did too Nico.

Nico: This was a really fun treasure hunt.

Eli: It sure was.

Me: Yep.

Nico: Now lets get ready for tomorrow. We got to help Jun and save her from the nightmare she was inflicted with.

Eli: Yep. We sure do.

Me: Hold on Jun. We're coming.

We went back home and got ready and went to sleep for tomorrow.

Meanwhile in Japan, Jun was crying hard and she was ready to face her demons and she was going to be free of them soon.

Jun: (CRYING) Soon my nightmare will be over! Team Loud Phoenix Storm help me! (CRYING) I need to be rid of this nightmare!

She then got up and brushed her tears off and knew we were coming.

Jun: No I got to be strong. Then I can let it all out.

She turned into her Devil Lady form and went at the screen and it froze.

TO BE CONTINUED…

Qin: Boy this food planet looks like it will be cool.

Xenia: It sure will.

Varie: I'm really excited to see what this world is like.

Nico: Me too!

Xenia: This is gonna be fun.

Leeli: Wow! Look at space! It's so amazing. It goes on forever.

Me: Seeing it while flying through it is awesome.

Nico: Yep.

Ink Rose: I'm really excited for this rescue and our mission too.

Nico: Ink Rose, I want to thank you, Schwarz, and your teams for coming

Ink Rose: No problem Nico. Even though I'm always with you guys because I'm part of the Goths of Darkness.

Qin: That's true but it's still fun.

Suno: It sure is. I can't wait to kick some butt today.

Xenia: Same here.

Lola: Yep.

Nico: Suno, what do you like to do in your free time?

Suno: Well before I joined you guys I helped my friends in my snow village. Now I like training with Goku. It's my way of saying thank you for saving us from the evil of the Red Ribbon Army.

Me: Master Goku really did an awesome thing there.

Nico: That was awesome that Kakarot did all that.

Xenia: It sure was.

Suno: Yep. I also train really hard to get where I'm at too.

Camie: Hard work and effort really pays off.

Himiko: It sure does.

Maria: The Red Ribbon Army was nothing but trouble.

Me: Yes it was! They were going to destroy everything in their path to get their dreams of World Domination.

Nico: Bunch of assholes! Glad they got what was coming to them.

Xenia: Same here.

Me: Master Goku destroyed every single one of them. Either their faces in or letting some of the authorities take them down.

Xenia: Yeah he sure did.

Camie: No kidding.

Me: At least we're rid of them now that Dr. Gero is gone too.

Nico: Yeah thank goodness.

Lola: Yep.

Nico: Yesterday was a great day off.

Leeli: Boy it sure was. And we found the treasure of my family.

Nicole: That was so fun and cool.

Qin: It sure was.

Me: Yesterday's rescue however had some really weird and crazy villains too.

Nico: Boy you are not kidding there. Those were the goofiest and funniest villains ever.

Lola: Yeah and the grossest.

Camie: No kidding there!

Me: Boy those people are going to be smelling bad for days.

Nico: At least there wasn't a villain that uses chum.

Me: Can you imagine that!? That would be gross!

Lana: I'll say! I would like it.

Nico: Yeah! YOU would!

We laughed!

Me: Yeah but some of us wouldn't.

Qin: No kidding.

Leeli: Yeah no kidding there.

Nico: Yeah.

Vinyl was looking in worry.

Vinyl Scratch: I'm so worried about Jun.

Nico: She was doing okay the last time we saw her.

Vinyl Scratch: I know that. But I'm just worried that Satoru is going to come after her before we get there.

Me: Satoru wiil pay for everything he did. If he even so much as touches a single hair on her I will kill him before all of us even get the chance to do so.

Vinyl Scratch: Save seconds for me!

Qin: Yeah! That monster tormented her for far too long.

Varie: Words can't even begin to describe how much I hate that monster!

Me: Yeah what a genocidal fuckup!

Xenia: Yeah!

Nico: After Satoru's dead, the rescue tomorrow should be us giving Jun a good time.

Me: I agree there. She went through hell because of him.

Vinyl Scratch: No way are we going to let that monster get away with everything he did to Jun. He turned so many of her friends against her and made them do horrible things against their wills.

Me: What he did was unforgivable and if anyone deserves a place worse than the Black Gates it's Satoru!

Nico: I agree there. But there is no place worse than the Black Gates.

Me: I know.

Nico: And no. I don't mean the sexual good time.

May: Nico! We know what you mean.

Me: Yeah no need to get that far. Also Aoi and Jun are already spoken for.

Qin: I agree there.

Leeli: I do too. Poor Jun went through a nightmare.

Xenia: She sure did.

Me: This is something I would never wish upon any of my worst enemies.

Tsuyu: No kidding there. What she went through was essentially hell on Earth.

Carol Pusateri: I agree there.

Vinyl Scratch: But we got to at least help her out.

Nico: And we will.

Juran: We've arrived at the planet.

We saw that it was a red planet and it looked like a planet made of blood.

Me: I hope this isn't a planet made of blood.

Qin: That would be weird there.

We flew down to the planet and we landed and saw that it was a planet made entirely out of blood sausages!

Me: Whoa! A planet made of blood sausages!

Brittney: This is my kind of planet.

Lucy Loud: Mine too.

Brittney: The Goths of Darkness have been known for having one favorite food and that is blood sausages.

They were cooked and they smelled delicious.

Qin: Boy they smell awesome.

Maria tried some.

She ate one and man was it good.

Maria: MMM! (Eating) Delicious!

Xenia: Boy this is so cool. (Eating one)

Brittney: Goths of Darkness we're going to be in for one helluva big mission as we help Jun and Vinyl Scratch and her friends destroy Satoru. So we're going to need all the dark magic we can muster as we help them. Goths of Darkness, Spread thy wings of darkness and let the night eclipse the day.

Goths of Darkness: DARKNESS FALLS!

They did a sausage skewer toast.

Nico: Cool toast.

Brittney: It's our call to arms.

Me: (Eating a sausage) Mmm! This is good.

Qin: It sure is.

Eli: I think so too.

Nico laughed proudly.

May: Nico, why did you laugh like that?

Nico: Sorry. Just trying to imitate Taro Momoi.

Me: Oh yeah I remember seeing Taro laugh like that and that was awesome.

Eli: That is cool.

Me: After we got back we finished watching Donbrothers and let me tell you what happened to Jiro was horrible. His entire childhood has been nothing but a big lie!

Nico: That is horrible!

Twilight Sparkle: Boy Lyra is going to be really busy facing the Noto.

Me: Yeah she sure is.

Camie: But at the same time I feel sorry for Jiro and Taro. They both went through a hellish life.

Me: No shit there. Taro and Naruto both have so much in common.

Nico: You sure do. And the Juto are the ones that made up that big life for Jiro.

Qin: They will pay if we see any of them.

May: Assuming any of them disobey the banishment Taro gave them.

Me: If they do they will be given the Black Gates.

Qin: Yep.

Xenia: Or the Warp.

Nico: Eli, can you sense for Swartz's creations?

Eli: Already found 2 of them but one of them is one that Kate is not going to like.

Kate Lloyd: What is it?

Eli: One of them is Another version of The Thing. The Blair Monster.

We gasped!

Qin: Oh man!

Nico: How the fuck did Swartz get ahold of the powers of The Thing!?

Me: No idea. But he is playing with a dangerous force that would wipe out everything.

Nico: He must've gotten it with Evolt's help.

Me: Maybe.

Eli: Oh boy. But also we have Another General Schwarz.

Me: Wow.

Nico: This will be interesting.

Qin: It sure will.

Eli: I sense the Another Blair coming. (Points to the north.) That way.

We stood ready.

Nico: I hear it coming.

We saw a huge object coming right at us and it was right underneath the piles of blood sausages!

Me: WHOA!

We jumped out of the way!

It busted through the ground and we saw a HORRIFYING AND GRUESOME MONSTROSITY! IT WAS A DARK VERSION OF THE BLAIR MONSTER! IT WAS ANOTHER BLAIR MONSTER!

Me: WHAT THE FUCKING HELL!?

Leeli screamed in fright!

Camie did too!

The Another Blair Monster roared ferociously!

ITS ROAR SOUNDED LIKE NUMEROUS CREATURES ALL AT ONCE! THEN ITS CHEST RIPPED OPEN AND OUT CAME A HORRIFYING DOG CREATURE!

Xenia: HORRIFYING!

Nico: Um… you wanna tell us who you are?

Me: I think the only way we're going to get an answer out of it is if we revert it back!

Vinyl Scratch: I got this!

Nico: Go for it!

She fired a blast of light and it hit the creature and reverted her back and it was a girl with neon aqua blue hair and had Antarctica Clothes on and they were torn up bad.

Me: (GASP) Jackie Blair!

I picked her up and saw the ridewatch.

Me: Nico that Ridewatch deserves to be thrown into the sun!

Nico: That you can count on.

Nico went and grabbed it opened a portal and threw it into the Sun.

Nico: There.

I brought her over.

Maria put a blanket on her.

Jackie Blair woke up and she was really cold and hurt all over.

Me: Jackie? Jackie are you okay?

Jackie Blair: (Groans Weakly) J.D. Is that you?

Me: Yeah it's me.

Nico: There's the Ridebook.

We saw it and I picked it up and it was called The 10,000,000 Aliens of The Thing.

Me: Scary.

Jackie Blair: What happened? Where am I?

Nico: You're on a planet made of blood sausages.

Kate Lloyd: Jackie do you remember anything at all about what happened when you were Anotherized?

Jackie Blair: No I don't. I was over in Antarctica trying to figure out what happened to my grandfather Blair and then next thing I knew this man dressed in purple came and put these 2 things in me and then everything went black.

Nico: One of those feral deals.

Me: Well we have one helluva story to tell you.

Kate Lloyd: And it's a nightmare that affected me at Thule Station and everyone in Outpost 31.

Nico: It was horrible.

Jackie Blair: What happened?

We told her everything about what happened in both Thule Station and in Outpost 31.

---

In the winter of 1982, an alien spacecraft and a nearby alien body are discovered buried in Antarctic ice by members of the Norwegian research station "Thule". American paleontologist Kate Lloyd is recruited by Dr. Sander Halvorson and assistant Adam Finch to investigate. They fly to Thule in a helicopter with pilots Sam Carter and Derek Jameson, and crewman Griggs. They meet station chief Edvard Wolner, along with his team of Juliette, Karl, Jonas, Henrik, Colin, Peder, Lars, and Lars' dog.

The body is excavated in a block of ice and returned to the Thule Station. During a party, Jameson sees the alien burst from the ice block. Searching for the alien, the team finds Lars' dog dead. The alien drags Henrik into itself, spattering blood on Olav. The group kills the alien with a flamethrower. An autopsy finds that the alien's cells were copying Henrik's. Olav falls ill.

As Carter, Jameson, and Griggs are taking off in the helicopter to take Olav to a medical facility, Griggs transforms into a monstrous creature and attacks Olav causing the helicopter to crash in the mountains. Kate discovers dental fillings in a bloodied shower and tells the team that the alien can assimilate and imitate its victims and that it is now living among them. Edvard orders the team to drive to the closest base; however, Juliette and Kate want to prevent anyone from leaving. Juliette lures Kate into an abandoned room before transforming and attacking her. Kate escapes and the Juliette-Thing kills Karl. Lars kills the Juliette-Thing with a flamethrower and the team resolves to quarantine themselves until the threat is eliminated.

That night, Carter and Jameson stagger back from the crashed helicopter. Suspected to be alien, they are imprisoned in isolation. As the alien does not assimilate inorganic material, Kate proposes everyone be checked for dental fillings. The test implicates Sander, Edvard, Adam, and Colin, who have no fillings.

Lars is abducted while going to fetch Carter and Jameson for testing. Carter and Jameson break into the main building, shooting Peder dead and puncturing his flamethrower tank, causing an explosion and knocking Edvard unconscious. When brought to the main room, Edvard violently transforms, infects Jonas and Jameson, and gruesomely assimilates Adam. Kate burns Jonas and Jameson before they can fully transform, then she and Carter pursue the Thing, which assimilates Sander.

The Sander-Thing drives off into the night in a snowcat pursued by Kate and Carter. The spacecraft suddenly activates, separating them. Kate falls into the ship and confronts the monstrous Sander. She kills him with a grenade which shuts down the ship's engines. Kate finds Carter and notices he is missing his earring. Carter indicates the wrong ear so Kate burns the Carter-Thing and moves to the second snowcat before driving away, presumably headed for the Russian station.

The next morning, Thule's helicopter and pilot Matias return. Matias views the ruined station and the husk of the Edvard-Adam-Thing with horror. Colin has committed suicide, and Lars demands at gunpoint that Matias show his teeth. Lars' dog, thought dead, emerges and runs away. Realizing that the dog is a Thing, Lars orders Matias to give chase in the helicopter.

A Norwegian helicopter pursues a sled dog to an American research station. The Americans witness the passenger accidentally blow up the helicopter and himself. The pilot fires a rifle and shouts at the Americans, but they cannot understand him and he is shot dead in self-defense by station commander, Garry. The American helicopter pilot, R.J. MacReady, and Dr. Copper leave to investigate the Norwegian base. Among the charred ruins and frozen corpses, they find the burnt corpse of a malformed humanoid, which they transfer to the American station. Their biologist, Blair, autopsies the remains and finds a normal set of human organs.

Clark kennels the sled dog, and it soon metamorphoses and absorbs several of the station dogs. This disturbance alerts the team, and Childs uses a flamethrower to incinerate the creature. Blair autopsies the Dog-Thing and surmises it is an organism that can perfectly imitate other life-forms. Data recovered from the Norwegian base leads the Americans to a large excavation site containing a partially buried alien spacecraft, which Norris estimates has been buried for over a hundred thousand years, and a smaller, human-sized dig site. Blair grows paranoid after running a computer simulation that indicates the creature could assimilate all life on Earth in a matter of years. The station implements controls to reduce the risk of assimilation.

The remains of the malformed humanoid assimilate an isolated Bennings, but Windows interrupts the process and MacReady burns the Bennings-Thing. The team also imprisons Blair in a tool shed after he sabotages all the vehicles, kills the remaining sled dogs, and destroys the radio to prevent escape. Copper suggests testing for infection by comparing the crew's blood against uncontaminated blood held in storage, but after learning the blood stores have been destroyed, the men lose faith in Garry's leadership, and MacReady takes command. He, Windows and Nauls find Fuchs's burnt corpse and surmise he committed suicide to avoid assimilation. Windows returns to base while MacReady and Nauls investigate MacReady's shack. During their return, Nauls abandons MacReady in a snowstorm, believing he has been assimilated after finding his torn clothes in the shack.

The team debates whether to allow MacReady inside, but he breaks in and holds the group at bay with dynamite. During the encounter, Norris appears to suffer a heart attack. As Copper attempts to defibrillate Norris, his chest transforms into a large mouth and bites off Copper's arms, killing him. MacReady incinerates the Norris-Thing, but its head detaches and attempts to escape before also being burnt. MacReady hypothesizes that the Norris-Thing demonstrated that every part of the Thing is an individual life-form with its own survival instinct. He proposes testing blood samples from each survivor with a heated piece of wire and has each man restrained, but is forced to kill Clark after he lunges at MacReady with a scalpel. Everyone passes the test except Palmer, whose blood recoils from the heat. Exposed, the Palmer-Thing transforms, breaks free of its bonds, and infects Windows, forcing MacReady to incinerate them both.

Childs is left on guard while the others go to test Blair, but they find that he has escaped, and has been using vehicle components to assemble a small flying saucer, which they destroy. Upon their return, Childs is missing, and the power generator is destroyed, leaving the men without heat. MacReady speculates that, with no escape left, the Thing intends to return to hibernation until a rescue team arrives. MacReady, Garry, and Nauls agree that the Thing cannot be allowed to escape and set explosives to destroy the station, but the Blair-Thing kills Garry, and Nauls disappears. The Blair-Thing transforms into an enormous creature and breaks the detonator, but MacReady triggers the explosives with a stick of dynamite, destroying the station.

Childs returns as MacReady sits by the burning remnants, saying he got lost in the storm while pursuing Blair. Exhausted and slowly freezing to death, they acknowledge the futility of their distrust and share a bottle of Scotch whisky.

Jackie Blair was horrified about what took place.

Jackie Blair: Oh god. (BREAKS DOWN CRYING)

I went and comforted her.

Me: It's all right Jackie. It's all right.

Nico: Poor girl.

Maria: Time to summon backup.

Maria got out the M.O.E. Cannon.

Maria: (TURNS DIAL) FIRE RAGE 6!

She summoned Pyro, Quillfire, Lava Volcano Man, Ragnaros, Roll (Wily), and Dancing Diablo Peppers along with Pyros, Yost Pyro, SHS Pyro, Dark Phoenix, Red Volcano and Volcano Man.

Nico: Yeah!

Pyro: Whoa! Look at this place.

They saw Jackie crying.

Pyro: Oh man what's wrong with her?

Me: Ugly story.

Leeli: I'm confused. What is The Thing?

Me: It's a shapeshifting alien parasitic monster that was composed of over 10,000,000 Aliens woven into it. It had the power to take on many forms and imitate life forms perfectly. Kate here has had a terrible nightmare with it.

Nico: Yeah.

Leeli: Oh man.

Eli: I sense that the Another Schwarz is friendly.

Me: Good. That's a relief.

Nico: Yeah.

Then a vortex of darkness came out.

Nico: Here comes Another Schwarz!

We saw a figure come out and it was ANOTHER SCHWARZ! But instead of all black he was wearing all white.

Me: Whoa! Like an inverted version of him.

Nico: Yep.

Another Schwarz: (In a girls voice) (Icelandic Accent) Looks like you guys stopped the Another Thing.

Me: (GASP) Sigríður Sigurðardóttir!

She reverted back and it was an Icelandic Goth Girl with black hair, black hair bow, purple eyes and black clothes.

Nico: How do you know her?

Me: Sigríður Sigurðardóttir is a goth girl that I know from Iceland and she is a true master of darkness and is a great Umbrakinesis master too.

Lola: Cool!

Brittney: Another awesome member for the Goths of Darkness.

Kaito: (Gets out Drive gear) Did Swartz promise you anything?

Zocks: (Gets out Ghost gear) Because we can grant it instead.

Sigríður Sigurðardóttir: No he didn't promise me anything. I fired a ball of darkness and trapped him inside it and made my escape before he can do anything.

Brynja: (Icelandic Accent) That's good you did.

Vinyl Scratch: It sure is.

Kaito got a Drive Sword and Zocks got a Ghost Sword.

Me: Sorry we have to fight like this but we have to save you.

Sigríður Sigurðardóttir: I know. Come at me and don't hold back.

She turned into Another General Schwarz.

Me: To quote Right: Full Speed Ahead!

Sougo: (gets out Drive Ridewatch) And we're taking her out for a Drive.

Armor Time! (Type Speed transformation music) Drive! Drive!

Geiz: (gets out Specter Ridewatch) Nice use of Right's catchphrase though.

Armor Time! (Low-pitched electronic music) Kaigan! Specter!

Sougo got DriveArmor while Geiz got SpecterArmor

Me: This is gonna be great! (ACTIVATES TOQGER GEAR)

I got a Rail Sword!

Me: Been a while since I used a Zenkai Gear.

Nico: (Gets out Schwarz's gear) Let's add this to complete it!

He activated it and got a Darkness Sword.

Nico: And this too. (ACTIVATES EVIL PHARAOH MAN'S RIDEWATCH)

Nico got Pharaoh Shot.

Suno: Me too. (ACTIVATES EVIL PHARAOH MAN'S RIDEWATCH)

She got Pharaoh Shot too.

May: Time to open your heart. (ACTIVATES DARK RIKU'S RIDEWATCH)

She got his keyblade.

May: And some strength too. (ACTIVATES BEARD DEER'S RIDEWATCH)

She got his strength.

Maria: Top this. (ACTIVATES KLOMP'S RIDEWATCH)

She got the strength of the Klomp's.

Maria: And this too.

She activated Evil Skarr's ridewatch and got a blaster.

We fired waves of energy and elements and blasted Another General Schwarz all over the place all at once.

Misty Tredwell's team came. She had Cammy Chameleon, Lena Hyena, Chess Cookies, Mad Firefighter Clown and Naja with her.

Nico: Nice team, Misty!

Misty Tredwell: Thanks. It's awesome.

Me: Sweet!

Xenia: Yeah!

We fired more waves of energy and elements and blasted Another General Schwarz all over.

Naja: Did you really think I would be left out of the fun?!

Me: Not at all.

Then a Salamence came.

Me: Cool a Salamence!

Nico: Awesome!

Salamence: (Transylvanian Accent) It's good to see you again Nico.

Nico: Wendy Valerious!? Whoa!

She reverted back and was a girl with black hair and had a black dress on.

Wendy Valerious: I got this.

She fired a blast of energy and smashed her down and she was back to normal and I caught the Ridewatch and purified it.

I went and picked up Sigríður Sigurðardóttir and brought her over.

Suno: What's your favorite memory of Nico?

Wendy Valerious: My favorite is where me and Nico went and destroyed a vampire castle in Moldova.

Nico: That was fun.

Qin: Nice!

Nico and Wendy hugged.

Nico: I've really missed you.

Wendy Valerious: Me too Nico. Me too.

Me: Lets head home.

Nico: I agree there.

Nico: Plus, we'll also run into another of Ranamon's sisters.

Ranamon: We've already run into Hikenmon, Kohamon, Rakuraimon, Kukimon, Korimon, and Kagemon. Ooh, I hope the next one we run into is Kinzokumon.

Suddenly, we saw Dark Tuner Dark Ape, Fighter Ape, Magician Ape, Zeman the Ape King, and Earthbound Immortal Cusillu, along with Boo'qwurm, appear before us, and with them are the thirteen girls.

Nico: What in the? Dark Tuner Dark Ape, Fighter Ape, Magician Ape, Zeman the Ape King, and Earthbound Immortal Cusillu, along with Boo'qwurm from My Singing Monsters?!

Boo'qwurm: (Girl's voice) (Southern Accent) Oops, sorry about the scare, y'all.

Dark Tuner Dark Ape, Fighter Ape, Magician Ape, Zeman the Ape King, and Earthbound Immortal Cusillu: (Girl's voice) But, we got the thirteen girls away from that fat hairy mutant cheapskate, Flip, before he could try and kill them.

Lincoln: (Gasps) That voice from Dark Tuner Dark Ape, Fighter Ape, Magician Ape, Zeman the Ape King, and Earthbound Immortal Cusillu, I knew it was you, Alessa Garcia, and that voice from Boo'qwurm, I knew we'd run into you, Kinzokumon.

Suddenly, we heard a really loud enraged bellow, and we also caught the stench of a smelly unbathed mutant cheapskate, and we saw our prime target: Flip, and boy, was he beyond extremely pissed off now!

Lincoln: Flip, we should've known we'd run into you once again. Time to send you right back to Dad's restaurant, and this time, you're never getting out again.

The explosions of those attacks caused tons of gold, gold coins, Jemms, jewels, and pearls to come out of Flip, and Lincoln vacuumed them up, and it pissed Flip off. Then, Lincoln fired a rainbow energy blast at Flip, and it turned into a straitjacket and it tied Flip up, and before he could scream at us yet again, Lincoln beamed Flip back to Lynn's Table and he was chained up to his post yet again with rainbow energy chains, and he bellowed with anger yet again. We cheered as we holstered our weapons and powered down.

Lincoln: Don't let us catch you breaking out of your post ever again, you fat, hairy, mutant cheapskate.

Me: Or we'll do much worse to you than just kicking your three-cheeked ass.

Lincoln: I think the humiliations were subjecting him to is already a worst punishment for him. (To Alessa Garcia and Kinzokumon) And it's so good to see you again, Alessa Garcia and Kinzokumon.

Alessa Garcia reverted back to normal, and she's a beautiful girl with long black hair, yellow eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful midnight black angel wings with yellow markings and she has the Monkey Nazca Line on her right arm, she's dressed in a yellow vest, black crop top, black skirt, yellow pants, yellow legwarmers, black sneakers, and long white long-sleeved trenchcoat with darkness, yellow flames, and monkeys on the coattails and on the back is Dark Tuner Dark Ape, Fighter Ape, Magician Ape, Zeman the Ape King, and Earthbound Immortal Cusillu, and holstered on her back is a massive Dark Tuner Dark Ape, Fighter Ape, Magician Ape, Zeman the Ape King, and Earthbound Immortal Cusillu-themed greatsword with embedded yellow gems and the monsters of Devack etched on the 7'0" massive, wide, double-edged midnight black blade, large Cusillu heads for the crossguard, large yellow gems embedded in the hilt, longer midnight black handle, four large Cusillu heads and large yellow gem on the bottom of the large Cusillu heads for the pommel.

And Kinzokumon reverted back to normal, and she looks like Ranamon before she transformed into her Super Angel Xelnaga

Eternity Infinity form, but the color schemes for her match the element that she uses: steel, she was tall at 6'5" in height, she has the body of a goddess, she has massive and beautiful steel-colored angel wings, and she has a long white sleeveless trenchcoat with steel and books on the coattails, and on the back is Boo'qwurm, and holstered on her back is a massive Boo'qwurm-themed greatsword with embedded blue gems and Boo'qwurm etched on the 7'0" massive, wide, double-edged light blue blade, large Boo'qwurm heads for the crossguard, large dark purple gems embedded in the hilt, longer midnight black handle, four large Boo'qwurm heads and large light blue gem on the bottom of the large Boo'qwurm heads for the pommel.

Alessa Garcia: You too, Lincoln.

Kinzokumon: I agree, it's been a very long time.

Lincoln went up to Alessa Garcia and Kinzokumon and he hugged them, and Alessa Garcia and Kinzokumon are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, search Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were eleven, Alessa, and I haven't seen you since I was eight, Kinzokumon, and as you can see, I really grew a lot since then.

Alessa Garcia: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness.

Kinzokumon: You've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we also met your familiars, and they are really awesome.

Nico: Whoa, Lincoln, you know these two girls?

Lincoln: Indeed I do, Nico.

Maria Tredwell: And so do we. The Fusion Gene-Slammer of Dark Tuner Dark Ape, Fighter Ape, Magician Ape, Zeman the Ape King, and Earthbound Immortal Cusillu is Alessa Garcia, she's Lincoln's Guardian Angel from Peru and classmate in English and she's known as The Yellow Fire Dark Ape Queen and Avatar of Earthbound Immortal Cusillu, because she, just like Devack, Dark Signer of The Monkey, uses a Ape Deck, and spearheading the deck is The Monkey Earthbound Immortal Cusillu. Alessa Garcia is a powerful master of both darkness and light, and she really trained Lincoln a lot in mastering both light and darkness, and she's a legendary prankster and trickster who has used myriads of tricks on criminals, and she's used myriads of pranks on bullies and those pranks and tricks had driven them right to the point of insanity.

Nico: Ooh, that's really awesome: using myriads of tricks on criminals and pranks on bullies that drive them to the point of insanity, that's got to be a brutal and funny punishment.

Regina Goodwin: It sure is, and Lincoln made her a beautiful necklace with a monkey pendant, and to show thanks, Alessa kissed Lincoln on the lips. She's also the sister of Devack, Dark Signer of The Monkey, and she hates Luan with a blazing passion, and she's used a lot of her many tricks on that deranged and completely insane prankster whenever April Fools Day comes around, and Alessa has kicked Luan to the curb with her brand of pranks and tricks.

Me: I've seen her tricks before, and they put Luan's out-of-control pranks to shame, and it left Luan seething with rage.

Nico: Yikes.

Lincoln: And it took Luna and Leni to restrain Luan before she did something really bad to Alessa and it would cause me to go berserk. And the Boo'qwurm Gene-Slammer is Kinzokumon, the seventh of Ranamon's Elemental Digi-Sisters and The Warrior of Steel. She's a master the art of forging and crafting stuff, and she and I made a gigantic swimming pool for me and the girls in my harem.

Lincoln pulled up the video of his room and inside it is a gigantic swimming pool for him and the girls in his harem, and it was awesome.

Nico: J.D., Ed, Clyde, Naruto, we have got to get gigantic pools put inside our rooms for us and our harems.

Nicholette Torrington: She even taught Lincoln how to forge and craft, that's how he's able to create some awesome works of art like statues and creating weapons, and to show his thanks, he kissed Kinzokumon on the lips, and she hates The Wet Bandits with a passion.

Me: Oh boy, what did Marv and Harry do this time?

Nico: Something that warranted Lincoln using the same tricks on those two incompetent boobs, and Lincoln told us the whole story when we met your sister, Hikenmon.

Kinzokumon: I knew he and Ranamon would tell the story one day.

(To Lincoln) Oh, Lincoln, there's something we also want to give you.

Lincoln: Let me guess, you and Alessa want to give me your blood, right?

Alessa Garcia: How'd you guess what we were about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Kinzokumon: Ooh, I knew it was a matter of time before you'd start marking your future wives.

Ranamon: He already marked me a year ago, and he marked Hikenmon, Kohamon, Rakuraimon, Kukimon, Korimon, and Kagemon.

Lincoln first went up to Alessa Garcia, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

And Lincoln then went up to Kinzokumon, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Kinzokumon: You're still just as gentle as ever when you feed on one of your Guardian Angels, Linky.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Alessa Garcia and Kinzokumon with yellow and silver gems on the gold lightning bolts and yellow and silver crystal links from their merged Crystal Necklaces of The Buddha along with two Elemental Thunderbird Chokers of Eternal Love on their necks.

Alessa Garcia: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Alessa Garcia and Kinzokumon.

Alessa Garcia and Kinzokumon had a smile on their faces and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around them, and he leans down to each of their face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the thirteen girls, and when Lincoln saw who they were, he immediately recognized them. The thirteen girls are Chris, Paramythis, Enid, Saphira, Daye, Ruby, Izema, Lanette, Alvina, Larentia, Aegina, Czene, and Sylwiss from Tear Ring Saga.

Lincoln: Oh wow, it's Chris, Paramythis, Enid, Saphira, Daye, Ruby, Izema, Lanette, Alvina, Larentia, Aegina, Czene, and Sylwiss from Tear Ring Saga.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Chris: Yes, we're okay thanks to you.

Then, when Chris and the twelve other girls saw who it was that saved them from Flip, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, his own version of He-Man's chest harness with colored gems on the orange straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted search Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family,

Chris: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made twelve clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Chris: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, thirteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Chris, Paramythis, Enid, Saphira, Daye, Ruby, Izema, Lanette, Alvina, Larentia, Aegina, Czene, and Sylwiss with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and they were shocked to find out the villain we went after was our old enemy, Flip, who had broken out yet again, and that mutant cheapskate still wants revenge on us.

But, when Lincoln showed what happened such as all of us giving that mutant cheapskate the biggest beatdown of his miserable life and it led to tons more gold, jewels, Jemms, and pearls exploding out of Flip thanks to Lincoln's curse and Lincoln vacuuming it all up and Flip not getting any except for a rainbow energy straitjacket tying him back up and Lincoln beaming Flip back to Lynn's Table and was chained back to his post with rainbow energy chains and bellowing in anger again, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln, Alessa Garcia, and Kinzokumon have a lot of catching up to do, now that they're back in town.

Maria: Next time Flip breaks out again, I'm going to ram my foot right up his three-cheeked ass!

Lincoln: This'll be the last time he tries to break out again. Hmm, Dad, pull up the security tape at the restaurant, let's see how that moron managed to escape.

Lynn Sr.: On it, Champ.

Lynn Sr. pulled up the security footage at Lynn's Table to see how Flip escaped. Suddenly, we saw a dark figure slip into the restaurant, and with one slash of a large curved scimitar with a 7'0" massive and long curved blade and three edges going down the blade and yellow dragon etched on it, gold bar for the crossguard, red gem embedded in the hilt, longer brown handle, and large gold sphere with demonic eye etched on it for the pommel and tied to the pommel is a red tassel, Flip was freed. We then saw that it was Damian Constantine who slipped in and freed Flip. When the tape ended, we all gasped in horror.

Lincoln: So, that's how Flip escaped: Damian Constantine slipped into the restaurant with his dark powers and with one slash of his sword, he freed Flip from the chains that he was tied up in.

Nico: Now, he's really going too far.

Me: He sure has.

We then put up powerful Anti-Damian traps to keep that demented and completely deranged out-of-control psychopathic lunatic out of Lynn's Table, and if he steps one foot out of line one more time before our showdown with him and his demonic constructs of The Z-Fighters on The Ridonculous Race in two weeks, we'll remove The Curse of Devil's Point early and send him and his creations straight to The Black Gates

---

After taking down Flip again, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Alessa Garcia and Kinzokumon saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Alessa Garcia: Whoa, I was right that Lincoln's really grown into a 17-year-old, 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Kinzokumon: He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Kinzokumon: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Alessa Garcia: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Alessa, Kinzokumon, what's the stories you have on why you hate Luan and The Wet Bandits with a burning passion?

Kinzokumon: Uh oh, I was hoping you'd ask that. One day, Lincoln and I were doing a huge project for Mrs. Loud: she wanted us to make her a beautiful jewel box to put more of her jewelry inside it because she feared robbers were going to steal it. We completed it, but then, we heard the sound of rustling in the bushes: and we saw two figures come out, and to our disgust, it was Marv and Harry, The Wet Bandits, again. I was getting so tired of those two boobs always trying to score big with yet another home robbery scheme, but Lincoln was ready: he booby-trapped the outside and inside of The Loud House, and when they stepped foot on The Loud House's property, all comedic Hell was let loose on them as those two boobs got hit with paintball cannons outside, buckets of tar falling on their heads, getting hit with pillars, along with getting their feet cut with crystal clusters on the floor, and finally, Lincoln setting tarantulas loose on Marv's face and he screamed like a girl again, and he and Harry ran out of The Loud House only to get caught by the police and taken away.

Nico: Sheesh, even after all the times those two boobs got beaten down like that, they still refuse to call it quits?! Well, I got to hand it to them, they got guts.

Luna: But, in the end, we put an end to their shenanigans, and now, they're our punching bags for our humiliations at Dad's restaurant, along with the other jerks, and it's so awesome to make that moron, Marv, scream like a little girl.

Alessa Garcia: It's always hilarious seeing that boob scream like a little girl. Okay, now for my story, I make it no surprise I've hated Luan with a blazing passion, because of all the hell she put Lincoln through with her insane pranks especially when April Fools Day comes. One day, I was heading to The Loud House to pick up Lincoln so we can have an awesome fun day. But, then, I got a message from Lincoln on his phone, and he told me to not come to The Loud House, it's April Fools' Day, the day all the Louds dreaded. Every year when that day arrives, Luan turns into a demented psycho and nails her own family with her deranged pranks, but I wasn't going to tolerate that demented monster any longer. I snuck into the back, and made sure not to trip any of her pranks as I made my way to Lincoln's room. I got him out of there, and then, I proceeded to do some counter-pranks of my own. I used a sound effects app on my phone and it made the sound of all of Luan's traps going off, and that demented psycho clown ran out to see who got caught, only to trigger her own traps, and she got nailed pretty hard by them. Everyone ran back to The Loud House, and they saw that Luan got hit hard by her own pranks all thanks to me using my sound effects app on my phone to draw her out.

Nicholette Torrington: I heard the whole thing when I was running to get Lincoln out as soon as I had heard that today's April Fools' Day, but when I found out about the mayhem Alessa caused when she used her Sound Effects app on her phone to lure Luan out, and she set off her own pranks and got hit hard with them, I was already on the floor and laughing like crazy.

Lincoln: Alessa really saved all of us with her counter-prank, and in the end, Luan got grounded for sixteen weeks and she had to clean the whole house and take down all of her pranks that she had booby-trapped around the whole house.

Me: Alessa out-pranked Luan who's known as The Prank Queen of Royal Woods, and because of that, Luan hated her for ruining her April Fools' Day fun, and she swore to get her revenge on her.

Luna: But, Lincoln swore if he ever saw Alessa harmed by one of Luan's pranks, he was going to make her pay.

Nico: Oh man, and I know he was serious about that, if any of his Guardian Angels got hurt, he would make those responsible for it pay.

We got a shower, and then, Lincoln, Vanellope von Schweetz, Bianca Prisma, Roane Ashwood, Ivy Thickety, and Ruda Tilleroot are heading to Dolphin Shoals.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Vanellope von Schweetz, Bianca Prisma, Roane Ashwood, Ivy Thickety, and Ruda Tilleroot were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Vanellope von Schweetz, Bianca Prisma, Roane Ashwood, Ivy Thickety, and Ruda Tilleroot had feelings for Lincoln, and he had the very same feelings for them after Kurumu and Mizore introduced them to him, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant.

Vanellope: Wow, so this is Dolphin Shoals, it sure is beautiful.

Lincoln: I've been here to Dolphin Shoals before, Vanellope, and it's always beautiful, and it's perfect for our first date before Vinyl Scratch's big mission to destroy Satoru. Shall we?

Lincoln, Vanellope von Schweetz, Bianca Prisma, Roane Ashwood, Ivy Thickety, and Ruda Tilleroot dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Vanellope von Schweetz, Bianca Prisma, Roane Ashwood, Ivy Thickety, and Ruda Tilleroot got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Vanellope von Schweetz, Bianca Prisma, Roane Ashwood, Ivy Thickety, and Ruda Tilleroot, and they hugged the girls in their abnormally massive and powerful muscular arms, and Vanellope von Schweetz, Bianca Prisma, Roane Ashwood, Ivy Thickety, and Ruda Tilleroot placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Dolphin Shoals, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Vanellope von Schweetz, Bianca Prisma, Roane Ashwood, Ivy Thickety, and Ruda Tilleroot with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Vanellope von Schweetz, Bianca Prisma, Roane Ashwood, Ivy Thickety, and Ruda Tilleroot are now part of your harem.

Ralph: Heh, I always knew Vanellope had feelings for Lincoln, and she's also got a new racing buddy or in this case future husband.

Ruby Rose: And we also knew Bianca Prisma, Roane Ashwood, Ivy Thickety, and Ruda Tilleroot also had feelings for Lincoln, and we didn't even introduce them to him yet.

---

Later it was time for Lewa's second mission.

William: Anyone else want to go with Lewa? Besides Kitty and Cheese?

Tahu: Me and my fellow Toa Nuva will go with.

Nico: Cool.

Me: Awesome idea. Anyone else?

We looked around.

Me: Anyone? Huh huh?

No one.

Me: Okay then.

We were off to Normandy.

---

We arrived in Normandy.

Valiant: Hey guys!

Lewa: Valiant, meet my archenemy.

Kitty: Pleasure to meet you guys. I'm Kitty.

Valiant: Awesome to meet you too.

Me: Kitty is the ghost of a biker girl. Long story.

Lewa: Yeah and meet my fellow Toa.

Tahu: Awesome to meet you. Tahu, Toa of Fire,

Gali: Gali, Toa of Water,

Pohatu: Pohatu, Toa of Stone.

Onua: Onua, Toa of Earth.

Kopaka: Kopoka, Toa of Ice.

Takanuva: And I'm Takanuva, Toa of Light.

Valiant: Awesome to meet you guys!

Bugsy: Same here.

Valiant: Kitty, don't take this the wrong way. But how did you die?

Kitty: I died in a terrible motorcycle accident with Johnny.

Me: Yeah it's not a pleasant sight.

Kitty: It's true.

Nico: Yeah.

Valiant: Oh man.

Nico: Elsa, your son did a good job against Von Talon.

Elsa: I know he did and I'm so proud of him.

Me: That was so awesome.

Tahu: It sure was.

Eli: We're so proud of him.

Me: Yep.

Nico: But it's only a matter of time before Von Talon returns

Me: And when he does we'll be ready for him.

Eleanor Ermey: That is for sure!

Nico: Yep.

Valiant: And he will be destroyed.

Me: We'll turn him into a War Criminal and unleash the fury of the Nuremberg Trials on him.

Nico: That is for sure!

Elsa: Please make sure no harm comes to my baby boy.

Nico: We promise.

Elsa: I'm holding you to it. (Narrows eyes) Otherwise, it won't be Von Talon you'll have to worry about.

Me: (GULP) He will be fine.

Eli: You have our word of honor.

Nico: That's right.

Elsa: Good.

Nico: We should send him a threatening message at the end of Lewa's final mission since we're dealing with wrapping up the Another Omnitrix Aliens.

Me: Good idea.

Nico: Yeah.

Eli: I agree there.

Albedo: Question is which one will appear?

Nico: And let's not forget the Another Versions of us.

Me: That's right.

Nico: I would hate to see Another version of myself.

Me: (GULPS)

Nico: Have you guys seen any of them since last visit?

Valiant: Yes we have. I saw Another version of Ultimate Humongousaur here.

Me: Another Ultimate Humongousaur!? Whoa!

Valiant: Yeah. She said that her name is Sakura Knudson.

I GASPED WHEN I HEARD THAT NAME!

Me: (GASP) Sakura Knudson?!

I then dropped to the ground.

Tears were streaming down my face.

Nico: J.D. what's wrong!? You look like you've seen a ghost!

Me: The Another Ultimate Humongousaur is my long lost twin sister Sakura Knudson.

Nico: (GASP) What happened?

Eleanor Ermey: Yeah tell us soldier.

Me: It was a long time ago. Me and my sister were always really close. Back when we were 10 I would always have a lot of fun with her. We did it all together and she was a really strong and amazing Martial Artist. She knew all sorts of amazing moves and abilities too. But then as I was waiting for her, I saw that she never came out. She vanished without a trace. We haven't seen each other for over a decade.

Eli: Oh man!

Nico: What did she look like?

I showed a picture of her.

It was a picture of a girl with neon pink short hair and she had green and pink clothes and had neon green eyes.

Nico: Whoa! She looks like a carbon copy of Sakura Haruno!

Me: I know. We called her Sakura Haruno II.

Nico: Cute nickname.

Me: Yeah.

Nico: Guys, we have to find her. NOW.

Me: And we will. I have 10 years of catching up with her.

Nico: I'm sure it's more than that.

Me: So much has changed since then Nico. She probably won't even recognize me because of how far I've evolved.

Nico: You're right on that.

Eli: But we will save her.

Me: Yeah it sure will.

Nico: Two Sakuras, huh?

Me: Yeah.

Nico: But lets go.

We were off.

Valiant was flying around looking for them.

Me: Be ready to expect the unexpected. If we're up against Another Sakura Avalon we're going to need the powers of the Clow Cards for this one.

Nico: Good idea.

Me: But now I see the reason why Sakura disappeared. Swartz got her!

Nico: That motherfucking dirtbag!

Me: I'm glad we gave that son of a fucking bitch the Black Gates.

Valiant then bumped into something and looked up.

It was ANOTHER ULTIMATE HUMONGOUSAUR! It was a dark version of Ultimate Humongousaur!

Valiant: WHOA!

Another Ultimate Humongousaur: (In a girls voice) Oh sorry there.

Valiant: No worries.

I walked up to her.

Me: Sakura.

Another Ultimate Humongousaur: Who are you?

Me: Sakura don't you recognize me? It's me J.D. Knudson. Your twin brother.

Another Ultimate Humongousaur: (GASP) You can't be him!

Me: I've changed a lot since we saw each other last Sakura. Its been 10 years.

Another Ultimate Humongousaur: But how?

Me: It's a long story. Sakura think hard.

Another Ultimate Humongousaur: Say something only J.D. would know!

Me: When we were 10 years old, I had black hair and black angel wings and I was about the size of a normal 4th grader and you and I did all kinds of things and heroic feats together. We took down a massive group of diamond thieves in Sterling, Colorado and sent them to the Supermax prison. You once said this to me and I have never forgotten it. The Flower is a Very Delicate force of nature and only when planted right..

Me and Another Ultimate Humongousaur: Can it bloom into something truly beautiful that Justice will grow from it.

Another Ultimate Humongousaur gasped.

She reverted back and was a beautiful girl and had longer neon pink hair and had pink and green clothes and had neon green eyes.

Sakura Knudson: It IS you! J.D.!

She went and hugged me for the first time in a decade!

Sakura Knudson: (CRYING) I THOUGHT I WOULD NEVER SEE YOU AGAIN!

Me: You're back now Sakura and I will never let you go again. Welcome back sis.

Sakura Knudson: Boy you have changed so much. What happened?

Me: Lets just say that I have evolved in a massive number of ways.

Sakura Knudson: Wow.

Me: You wouldn't believe what has happened over the last 10 years. We moved to Michigan and we now live in a massive 528,000 foot high tree that overlooks much of the entire planet and me and my friends and our family are now the most powerful force in the entire universe.

Nico: We are now called Team Loud Phoenix Storm.

Eli: We sure are.

Sakura Knudson: I have so much to catch up on.

Lewa: You sure do.

Nico: FYI, I know Swartz promised you something. But now that he's dead, fulfilling that promise goes to us.

Sakura Knudson: Well I think I already fulfilled it and that is to be reunited with my brother. I never gave up on you J.D. But also Swartz trained me in numerous things and I also learned tons of new powers and skills. He imbued me with cosmic radiation and it made me get the same powers you have.

Me: (GASP) So you and I are now the Sibling God Powers.

Sakura Knudson: In a way yes.

She showed us that she spread Neon Pink Angel wings.

Nico: Wow!

Eli: Pretty!

Sakura Knudson: I'm not nearly as strong as you are now bro. But maybe you can help me out.

Me: I would be glad to sis.

Nico: (laughs) Swartz trained you so much yet he didn't imagine that you would end up ditching him!

Sakura Knudson: Well I was going to double cross him and kill him myself. But you guys already beat me to the punch on that one. I saw your entire battle from the shadows and saw you guys really tear him apart. Bro I didn't know that was you in that amazing transformation.

Me: Yeah my power has infinitely increased a lot over the years.

Nico: Then you saw how me and May ripped and eviscerated Swartz all over right?

Sakura Knudson: I sure did and that was so awesome.

Nico: I fed him his own fucking heart!

Sakura Knudson: That was so awesome!

Eli: Yeah it sure was!

Eleanor Ermey: That was awesome and well done.

Lewa: Yeah it sure was.

Sakura Knudson: That was awesome. But now I won't be needing this Another Ultimate Humongousaur form.

Albedo turned into Negative Ultimate Humongousaur!

Negative Ultimate Humongousaur: You know it's funny. This was the very first form that I used on Ben when I showed him the Ultimatrix the first time.

Me: Ben told me about that. Sakura you became what's called an Evolved Vaxasaurian. They come from the planet Terradino and they are immensely powerful.

Sakura Knudson: Wow! So that's what I was turned into.

Me: Yep.

Negative Ultimate Humongousaur: Unfortunately, the only way to get that out is for us to defeat you.

Sakura Knudson: I know.

She jumped back and turned into Another Ultimate Humongousaur!

Nico: This will be awesome. (GOES SUPER SAIYAN 2)

Me: And fun! (GOES SUPER ANGEL WOLF MOON XELNAGA)

Another Ultimate Humongousaur: WHOA! That one looks awesome!

Me: (Divine Wolf Moon Voice) **What you are seeing is my Super Angel Wolf Moon Xelnaga form. The Wolf is one of my favorite creatures.**

Another Ultimate Humongousaur: You always did love the wolf bro. And the Wolf Moon is the 1st Full Moon of the year.

Me: **January's full moon.**

Nico: Yep.

Me: **Shall we dance?**

Another Ultimate Humongousaur: We shall!

She fired missiles at us and I used telekinetic energy and sent them back and they hit her and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOMMMMM!
KRABBBBBBBBBBOOOOOOOOOOOOOOOMMMMMMM!

Nico: Top this!

KAMEN RIDE! BLACKWARGREYMON!

Nico: (Echoing) TERRA DESTROYER!

Nico fired a ball of energy and it hit Another Ultimate Humongousaur and exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM

Nico: (gets out Devack's Ridewatch) See how you like this!

Nico activated it and fired a blast of yellow fire and it formed into a

Yellow Monkey and it hit her and exploded!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM

Me: **Take that!**

Another Ultimate Humongousaur: I saw all the battles you guys did last year when you all met the Kamen Riders. That was so awesome.

Me: **Those were some of our most awesome adventures ever. And some of them even helped us out during the 20 Days of Darkness.**

Another Ultimate Humongousaur: I heard all about that! Swartz told me that it was a horrible event that involved Nico and Organization XIII and the Sullen 6.

Me: **That's right. It was because of a douchebag enemy from Nico's past.**

Another Ultimate Humongousaur: Wow! Nico I'm sorry you went through all that! That must've been a brutal nightmare!

Nico: Well, at least Swartz wasn't lying about that

Another Ultimate Humongousaur: No he told me everything.

Me: **That's interesting. We have a Swartz in the Masters of Evil from Universe 666.**

Another Ultimate Humongousaur: Universe 666?

Me: **It's a really ugly story. 3 months ago we went and battled an evil version of us called Team Loud Evil Storm and an evil version of Nico was its leader.**

I told her everything and it was TERRIFYING!

Another Ultimate Humongousaur: Oh my god!

Lewa: Yeah that was horrible!

Pohatu: It sure was.

Another Ultimate Humongousaur: Oh wow! You guys did amazingly well stopping them. But that's amazing that some of your most dangerous are all good and are in the Masters of Evil.

Me: **I know. We were shocked to see that the bad guys were good and most of us were evil. Except for that universes version of myself, Varie, Lincoln and his nice sisters and a few others.**

Eli: Yeah it was really bizarre!

Nico: (gets out General Schwarz and BlackWarGreymon's Ridewatches) And now, you're about to see a Ridewatch combo.

Nico activated them and fired a Dark Terra Destroyer blast and it hit her and exploded!

MASSIVE EXPLOSION!

She was knocked down and I caught the ridewatch and purified it.

I went over and helped her up.

Sakura Knudson: (GROANS) What a headache.

Me: But you're back to normal sis.

Cheese: I like chocolate milk.

Me: He wants apple juice.

I gave him a box of apple juice.

Cheese: I like Chocolate Milk!

He was drinking it.

Me: He's lactose intolerant.

Sakura Knudson: Oh I saw a Luvdisc a few minutes ago. She said her name is Samantha Martin.

Cheese: I like cereal

Me: Cheese you are funny.

Sakura Knudson: He sure is.

Valiant: Hey look.

We saw a figure come out and it was a black hair version of Sakura Avalon! It was ANOTHER SAKURA AVALON!

Me: Another Sakura Avalon!

Nico: This one looks interesting.

Cheese: Let's play horsey!

Sakura Knudson: Cheese you are funny.

Nico: He sure is.

Me: (To Another Sakura Avalon) And who might you be?

Another Sakura Avalon: Isn't it obvious? I AM Sakura Avalon!

We gasped!

Me: Wait a second. You're the dark side of Sakura Avalon!

Nico: Oh man! First the dark side of Yugi Moto and now Sakura Avalon!?

Me: I think the Black Hair was a dead giveaway!

Kitty: You've gotta go!

Me: I agree there.

Dark Sakura: SWORD!

She summoned the Sword Card! But it was a dark version of it!

I unsheathed my sword!

Me and Dark Sakura went at each other and clashed ferociously!

CLANG CLANG CLANG CLANG CLANG CLANG!

Sparks flew all over the place with incredible force and power!

Me: How in the world did Swartz make a dark side of a sweet girl like Sakura Avalon!?

Dark Sakura: I think you should know! Remember that fight with Kero and the rivalry she had with Li and Meilin?

Me: Yeah I was told about that. You know how kids are.

Dark Sakura: Well the Darkness was me. I was made because of it.

Me: And let me guess, you were made to destroy her. Right?

Dark Sakura: That is right!

Me: You know this is very similar to how Jack's Dark Side was made by Aku. He made his Dark Side into a physical embodiment and made him come after us to kill Jack.

Dark Sakura: Very similar isn't it.

Me: Very coincidental that Swartz duplicated the same thing.

Kitty charged at her.

She smashed her down with a powerful kick.

Me: Nice one!

Then me and Dark Sakura went at each other again and we clashed ferociously all over and sparks flew everywhere and walls of intense flames burned all over. Me and Dark Sakura looked at each other with incredible fury and then…

Dark Sakura: (ROARS)

Me: (ROARS)

WE CHARGED AT EACH OTHER AND ROARED FEROCIOUSLY AT THE VERY TOP OF OUR LUNGS!

Then..

SLASH SLASH SLASH SLASH SLASH SLASH SLASH SLASH SLASH SLASH SLASH SLASH SLASH SLASH SLASH SLASH SLASH SLASH SLASH SLASH SLASH SLASH SLASH SLASH!

WE SLASHED AT EACH OTHER ALL OVER THE PLACE WITH INCREDIBLE FURY AND THEN…

EXTREMELY MASSIVE AND INCREDIBLY FIERY EXPLOSION!

Nico: WHOA!

Sakura Knudson: UNBELIEVABLE!

Eli: WHAT POWER!

Dark Sakura was blasted back by the intense force of me.

Nico: WHOA! It's like we're living one of the many adventures of the Brave 12!

Lewa: That is incredible!

Eleanor Ermey: WOW!

Kitty: How about I give you some more?!

Dark Sakura got up.

Kitty fired an energy blast and smashed Dark Sakura down.

Me: Something is definitely up. Sakura never fought this well before.

?: That's because it's not what you think!

We saw a Luvdisc!

Me: Hey a Luvdisc.

Nico: Samantha Martin? Is that you?

Luvdisc: It sure is Nico. I got this.

She fired an energy blast and it hit Dark Sakura and exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: YEAH!

When the smoke cleared we saw that the Dark Sakura was really a Robot!

Me: Whoa!

Valiant: WHAT THE?!

Sakura Knudson: She's really a robot!?

Me: Amazing! This robot is far more advanced than anything we have seen.

I looked at it with my data eyes and saw that it was a really advanced model that was built by Swartz utilizing the robotic factory from H.A.R.D.A.C. and it was built as Another Sakura Avalon.

Me: Wow! Swartz really outdid himself here.

Nico: What do you mean?

Me: Swartz somehow salvaged the factory of H.A.R.D.A.C. and used the components to make dark robotic versions of us and imbued them with Wonder Ride Books.

Nico: WHOA!

Eli: That is amazing!

Nico: So that's how he made Another versions of us.

Me: Yeah.

Nico: This better not be a habit every time!

Lewa: What was this one programmed to do?

Me: It was programmed to be the Dark Side of Sakura Avalon and face us in battle either on a rescue or an Ambassador Mission.

Nico: Wow!

Me: You know maybe we can use this.

I picked up the robot.

Me: I'll have Lisa rebuild this dark version of Sakura and reprogram her into a chef. Sakura always makes just as awesome food as her father.

Nico: Good idea.

Luvdisc: That's a good idea.

She reverted back and was a girl with neon pink hair and pink eyes and had pink clothes.

The Wonder Ride Book was called The Sorceress 4th Grade Girl.

I picked it up and purified it.

Samantha Martin: That was so awesome though.

Valiant: What's your favorite memory of Nico?

Samantha Martin: I have a lot of them but my favorite is when me and Nico went to the Sock Hop and he and I danced amazingly.

Me: That is cool.

Valiant: It sure is.

Me: Good times.

Sakura Knudson: I remember my first sock hop. So fun.

Me: Yep.

Nico and Samantha hugged.

Nico: I've really missed you.

Samantha Martin: Me too Nico. Me too.

Lewa: Boy this was an eventful mission.

---

We arrived back home.

Sakura Knudson: Amazing! You live in here?

Me: Yep.

Sakura Knudson: Wow!

Sakura Haruno: (GASP) (Rubs eyes) You look so much like me!

Sakura Knudson: I'm your body double.

Me: Sakura this is my twin sister Sakura Knudson.

Sakura Knudson: Awesome to meet you Sakura Haruno.

Sakura Haruno: You too. I didn't know you had a twin sister.

Me: Long story.

May: How did it go?

Me: Really epic.

I told everyone everything and it was cool.

May: Whoa! That is crazy.

Qin: It sure is.

May: Next time, Cole Evans and Chiro should go with you.

Me: Good idea.

Lewa: I agree.

---

Later we were watching TV when Rainbow Dash came in and she was holding her stomach.

Charlotte Birmingham: You okay, Rainbow Dash?

Rainbow Dash: I think my stomach is gassy. (STOMACH GRUMBLES)

But then…

LOUD FART!

She farted and released a stream of rainbows from her butt!

Me: Rainbow Farts?

LOUD FART!

Rainbow Dash saw it.

Rainbow Dash: Whoa!

Me: Looks like Giant Realistic Flying Tiger is not the only one that can fart rainbows.

GRFT: (ROARS)

Valeria Cenozoica: I think one of us needs to pat your stomach.

Rainbow Dash: Good idea.

Me: Mascots?

Poromon: Lets do it!

Rainbow Dash laid down on the sofa.

Rainbow Dash farted loudly as they bounced on her stomach.

LOUD FARTS!

Leeli: (LAUGHS) That is so cute and funny!

Sakura Knudson: (LAUGHS) That is adorable!

Cybertron Crumplezone: How much should we charge for Mevya and the other Mascots to bounce on her stomach?

Me: Hmm. Eddy?

Eddy: 25¢?

Cybertron Crumplezone: Good idea.

Me: Gonna take Luan out for jawbreakers?

Eddy: You bet. STEP RIGHT UP MASCOTS! JUMP ON RAINBOW DASH'S STOMACH! 25¢ FOR 25 SECONDS!

Mevya: Count me in!

Brawn: Mevya's at the front of the line!

Mevya pulled out a HUGE Bag of quarters.

Mevya: I would like this many goes.

Eddy: Knock yourself out Mevya.

Mevya went and jumped on Rainbow Dash.

LOUD FARTS!

Me: Better open a window.

I did so.

Maria: Who else is next?

Tentacool: Me!

Tentacool paid and bounced on her.

Rainbow Dash was laughing.

Rainbow Dash: (LAUGHING AND FARTING) THIS IS FUNNY!

Twilight Sparkle: (LAUGHS) That is really funny and cute.

Misty Brightdawn: It sure is.

May: Anyone else? Don't be shy.

Jirachi: My turn!

He went and jumped on her.

LOUD FARTS!

Rainbow Dash laughed!

Me: Awesome. Applejack wouldn't that be crazy if you farted apples?

Applejack: (LAUGHS) That would be crazy.

Starlight Glimmer: And me farting skulls.

Sunset Shimmer: And me farting fire.

Me: Yeah that would be nuts.

Nico: Who else wants a turn?

Manaphy: I will go!

Me: Knock yourself out Manaphy.

Manaphy paid and bounced on Rainbow Dash.

Manaphy: BOINGY BOINGY BOINGY BOINGY BOINGY BOINGY BOINGY!

We laughed!

But then we heard a really loud grumbling.

Me: Uh oh.

Nico: Uh oh. That means a BIG ONE IS COMING!

LOUD GRUMBLING WAS HEARD!

Me: DUCK AND COVER PEOPLE!

We hid!

Rainbow Dash farted.

Me: Huh?

But then…

SUPER LOUD RAINBOW FART!

It was a really loud and NASTY FART!

It was done and Rainbow Dash blushed and she was gas free.

Rainbow Dash: (BLUSHES AND LAUGHS NERVOUSLY) Pardon me?

Me: Geez!

Nico: Oh that did it!

Xenia: Oh man!

We aired the place out.

Me: Feel better R.D.?

Rainbow Dash: I sure do. Thanks guys.

Poromon: You're welcome.

Me: What did you eat R.D.?

Rainbow Dash: I had a Big Bad Burrito from Burrito Palace for lunch.

Dexter: At least you didn't sound like you were going to die.

Me: Thank goodness.

We then heard the doorbell ring

Me: (Imitating Mr. Krabs) (Singsong) Come in!

In came a Metagross.

Me: Whoa a Metagross!

Qin: Cool!

Maria: And you are?

Metagross: (In a girls voice) (Arnold Schwarzenegger Accent) Someone that Nico knows from Gym Class.

Nico: Annie "The Back Cruncher" Parker!

She reverted back and was a girl that had teal green hair and had team green gym clothes and she had a really strong physique.

Me: Wait I heard of you. You are the strongest girl ever. You lifted up a 10,000 pound weight in the Olympics!

Eli and Blitz's jaws dropped.

CLANG! CLANG!

Nico: She has amazing strength.

Annie Parker: Those were good times.

Rainier Wolfcastle: (Arnold Schwarzenegger Accent) That is amazingly good strength there.

May: What's your favorite memory of Nico?

Annie Parker: When I was in the Olympics and Nico was cheering me on and some trash lifter tried to stop me from lifting up 10,000 pounds and I lifted it and dropped the weight on his foot.

Nico: Yeah that was great. He screamed in so much pain.

Me: OUCH!

Qin: That was awesome.

Annie Parker: It sure was. I'd hug you Nico but I don't want to crush you.

Nico: No worries. I missed you though.

Annie Parker: I missed you too Nico.

Concrete Man: Nico, which tems have you made this time?

Nico: Kim's team will include Noir Wendoma, Soji Tendo, Z'neth, Peak and Apex. Sam Simpson's team will include Marron, Philip and Shotaro, Hercules, Daring Do and Scootaloo.

Me: Cool!

Qin: Awesome. So the Dragon Flyz are going to be included.

Then the previous group came.

Selene: Can me, Evil-Lyn, Dr. Destiny, Evilseed, Aqueduct, Lady Shiva, Griffin, Biowulf, Ice Demon, and 10,000 Volt Ghost go with you guys?

Zara: Me, Mouth of Sauron, Evil Mushroom Man, Pisces Zodiarts, Kuroto Dan, Owl (One Night At Humpty's), Animal Path. Ludo, Coldsnap, and Judge will come as well.

Nico: Yes you all can come with us.

Lola: Yeah.

Me: I think it's obvious what Pokemon are next since Metagross came.

Nico: Yep. Regice, Regirock and Registeel.

Qin: This is gonna be interesting.

Nico: Anyway lets get over there.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Qiienna, another member of The Extraterrestrial Order of The Planets of Holy Ghidorah, and he's coming here to kill us all for ruining their plans. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Qiienna of The Extraterrestrial Order of The Planets of Holy Ghidorah on the move?

Lincoln: You guessed it, Rayman, and he's coming here to kill us all for ruining their plans.

Nico: Just as we expected, but we're more than ready for Qiienna, right, Holly?

Holly Volvenstein: Right, and just like what happened, he's going to transform by drinking that potion with 2018 King Ghidorah's blood, so Lincoln will separate him King Ghidorah Hybrid Monster form from his real form and absorb the King Ghidorah Hybrid Monster form while we destroy Qiienna and give her The Black Gates. And since this is Vinyl Scratch's big day mission when we get after Satoru, she and Lincoln are joining in.

Lincoln: You said it.

Vinyl Scratch: We'll make that religious fanatic pay with his life.

Nico: Facing off against the four of us, he won't stand a single chance, he'll be dead in a split second. Alright, gang, let's go, it's time to help Jun get rid of the very monster that ruined her life.

Vinyl Scratch: Satoru will pay with his miserable life, and we're sending his sorry butt to The Black Gates.

Lincoln: What he did in ruining Jun's life, that can never ever be forgiven, he deserves to pay for every last one of his crimes with his own blood, and once we get done with destroying Satoru once and for all, you better be ready to die, Qiienna.

Holly Volvenstein: You better be ready to die, Qiienna, because you're about to face the true wrath of Black Rock Triskellion.

Vinyl Scratch: But, not before we get through with you first, Satoru.

We were off to Japan.

---

We were flying to Japan.

Elec Man: I think the Regi Slammers will be together.

Me: I think they will be individually.

Nico: I have just the spot to take Jun on my next rescue.

Qin: The Tree of Beginning?

Nico: Yep.

Vinyl Scratch: Lets worry about that later.

Nico: I agree there. We got to focus.

We arrived in Japan

Nico: Here we are guys.

Me: Stay sharp for Jun.

We saw her.

Dr. Destiny: There she is.

Owl: Good. She seems to be walking to her place

Me: Whew.

Vinyl Scratch: Thank goodness.

We landed.

Vinyl Scratch: Jun!

Jun: Vinyl! Guys!

Vinyl went and hugged her.

Vinyl Scratch: Thank goodness you're okay.

Jun: I am too. Thank you for coming guys.

Me: You're welcome Jun.

Eli: Thank goodness you're all right. Vinyl was worried about you on Nico's rescue.

Jun: I'll be fine. Lets head to my apartment.

We went and did so.

We went into her apartment and sat down.

Dust Man: Vinyl was worried something happened to you.

Jun: I can tell. I'm sorry. Satoru has been causing me numerous problems.

Me: What has he been doing?

Jun: Giving me threatening messages and saying he will kill me. Also he has been destroying many of my friends left and right.

Me: Kazumi, Aoi, Remi and Asuka are safe.

Nico: Yeah.

Vinyl Scratch: But what Satoru is doing makes him beyond pure evil.

Me: That's why we're here.

Pisces Zodiarts: You can relax. When you first met J.D. and the rest, they made sure he didn't kill anyone.

Aqueduct: And Animated Optimus sliced off one of his wings.

Animated Optimus: That's right. I did.

Me: But after this is over we'll gladly give you a much better life with us. Jun you did nothing to deserve this. Satoru is to blame for it all and no way in hell are we going to let that motherfucker get away with this.

Nico: Yeah he ruined your life.

Jun: But can you guys kill him? He is immortal like you are.

Me: (Smirks) Watch.

I pulled out a dagger and cut my finger and dripped a drop of my blood onto the table and it burned through it like really strong acid.

Jun: Whoa that is potent.

Me: My blood is a very powerful super poison that can kill even the mightiest of immortal beings.

Splash Woman: We already killed several immortal scumbags with it.

Me: It's true.

Jun: That is amazing.

Leeli: Your blood is amazing J.D.

Jun: Yeah. Oh I see you have numerous new teammates.

Me: We expanded a lot since we last saw each other.

Sakura Knudson: My name is Sakura Knudson. J.D. is my twin brother.

Nico: We found her on Lewa's second ambassador mission.

Me: Yeah

Jun: Wow. She looks like Sakura Haruno.

Sakura Haruno: That was my first reaction too when I saw her.

Mebuki: She looks so much like Sakura.

Nico: Yeah we all were surprised to see that.

Jun: (sighs) It just isn't fair, you know?

Ice Demon: What isn't fair?

Me: What do you mean?

Jun: You guys pretty much walk away from everything unscathed. Me? I just get my life ruined.

Coldsnap: I think that might be over exaggerating

Me: Believe me Jun there are many others in the team that have had it just as rough as you did before we came along.

Naruto: It's true. I know what you are going through.

Fu: Same here. It's not a good thing.

Sasuke Uchiha: I know how you feel too Jun.

Lincoln: Same with me too Jun.

Jun: What do you mean Lincoln?

Lincoln: I went through hell myself.

Many of us told her our backgrounds and the hell many of us underwent.

Jun: Wow. You guys had it rough.

(DANCE OF THE SUGAR PLUM FAIRY PLAYS)

Poromon came out in a fairy costume carrying 1 bottle of beer.

Poromon: (to Jun) Hello there! I'm the beer fairy! Come to give you 1 bottle of beer!

Nebula: We're sorry about this.

Jun: Actually I could use a beer.

Me: Oh boy.

Jamesdean5842: Well I certainly didn't expect this.

She opened it and drank the beer.

Judge: So, how's the beer?

10,000 Volt Ghost: Do you like it?

Jun: I needed to.

Me: Just don't drink too many of them. We get enough crazy stuff already.

Lola: Yeah.

Gingka: Yeah no kidding.

Crash Man: So, what are you looking forward to doing with us?

Jun: Anything really. I deserve to have fun in my life.

Poromon: As long as it's not the Blood and Honey movie. (Shows trailer close to Jun's face) LOOK AT IT!

Me: Oh for Pete's sake.

ROUNDY SPINNY THING MAGISWORD!

I calmed him down.

Me: Long ugly story.

Biowulf: It's a movie that shows Pooh as a serial killer.

Ludo: And a disgrace to the Pooh we know!

Me: That is a fact! But the movie is doing really poorly in the Box Office.

Jun: Good.

Lola: What an atrocity.

Nico: I agree.

Brawlrus: Jun, this might be a stupid question. But have you ever fought Lucifer before?

Jun: No I haven't.

Me: It's best you didn't. Fighting the Devil himself is not a good idea.

Qin: You're right there.

Me: Leave that to the professionals like us. We fought the Devil before and won.

Jun: Wow! That is amazing.

Lola: It was. We went to hell and back.

Me: Literally.

Griffin: Eventually, you'll be ready to fight him.

Animal Path: But under our guidance.

Me: Yeah that's right.

Jun: I agree. But thank you for helping me out guys.

Me: You're welcome.

Xenia: Yeah.

Bruiser Cruiser: Think we should call Akira Fudo and the rest of Jun's friends over here?

Me: Way ahead of you.

I snapped my fingers and teleported them over to us.

Akira Fudo: You called us?

Aoi Kurosaki: This is gonna be good.

Nico: Yep.

Animal Path: Oh J.D. I forgot to ask, did you guys really face numerous corny villains yesterday?

Me: We sure did.

Nico: They were really funny but crazy.

Jun: So, you'll kill Satoru but not those corny villains?

Kuroto Dan: Those we're joke villains

Shiva: They weren't worth killing.

Me: No they weren't but let me tell you, we got a silly laugh out of some of them.

Qin: We sure did.

Me: Yeah.

Chomp Chest: Before the usual battles, can I have some food?

Me: Oh right. Can't fight on an empty stomach.

ULTIMEATUM MAGISWORD!

I gave us all Ultimeatum burgers and they were tasty and awesome.

Nico: (Eating burger) Mmm!

Jun: (Eating a burger) Mmm! This is delicious

Evil Mushroom Man: Why were you specifically asking for food?

Chomp Chest: You know how hungry I get!

Evil Seed: Fair enough.

Me: Besides we all can't fight if we're hungry.

Evilseed: That's true.

We went to the roof.

Then, Koragg, Whirlwind, Molten Man, King Shark, Whiger, Hank Scorpio, Johnny 13, Captain Boomerang, Trumbipular, Rojo Darcy, Warp, Evil Luxord, Utomodachi, Goldar, Evil Heat Man, Boil Man, Yost Domino, Sindbad, and Dogranio Yaboon came

Nico: Koragg, Whirlwind, Molten Man, King Shark, Whiger, Hank Scorpio, Johnny 13, Captain Boomerang, Trumbipular, Rojo Darcy, Warp, Evil Luxord, Utomodachi, Goldar, Evil Heat Man, Boil Man, Yost Domino, Sindbad, and Dogranio Yaboon.

Koragg: I honestly think Latias and Latios Gene Slammers will also appear tomorrow.

Molten Man: Together or seperate?

Whirlwind: My guess is that the Regis will be together. Same with the Latis.

Me: That will be awesome.

King Shark: (to Nico) We heard you went to a blood sausage planet.

Nico: We sure did.

Whiger: How much did you eat?

Me: A lot of good sausages.

Terramole then came.

Me: Back for another round Terramole?

Terramole: Yep. This will be good.

Me: Yep.

Terramole: It's been 3 days since the Hitotsuki incident. Nico was right. It probably was just a one time thing.

Me: We'll find out if it is or not.

Qin: Yeah.

Nico: No promises there though.

We got the battles underway.

---

Sarah Gunnerson, Applejack, Apple Bloom, Earth Skylanders, Merrick, R.J., Misao, Concrete Man and Impact Man VS Koragg - Nico's rescue on a Blood Sausage Planet

---

Koragg was first.

Koragg: (to Sarah) Nico's rescue was on a Blood Sausage planet. Did he get to eat any?

Sarah Gunnerson: He sure did and man was it a really tasty world.

Applejack: Boy the planet was a really perfect place for the Goths of Darkness and they said that Blood Sausages are their favorite foods.

Apple Bloom: They sure are and man were those sausages tasty too.

Flashwing: I agree there. They were good.

Merrick: Boy they sure were.

R.J.: I agree there myself.

Misao: Me too.

Koragg: Same here. Lers do it!

WOLF EARTH MAGISWORD!

Sarah used her ridewatch and they fired waves of earth, rock, boulders, mud, lava, crystal and apples and smashed him down.

---

## Kaz, Sunset Shimmer, Pipsqueak, Fire Skylanders, Volcana, Lava Golem, Fire Man and Elec Man VS Molten Man - Battling Another Blair Monster and Another General Schwarz

---

Molten Man was next.

Molten Man: (to Kaz) Nico, Ink Rose's team, Schwarz's team, and the oterhs did good Battling Another Blair Monster. And Another General Schwarz as well.

Kaz: They sure did and we were not expecting the Another Blair Monster to be the granddaughter of Blair himself. This was a horrifying sight!

Sunset Shimmer: Yeah it sure was! We were scared out of our wits seeing it.

Pipsqueak: (British Accent) We sure were!

Sunburn: And on a blood sausage planet which is very fitting.

Volcana: Yeah no kidding there.

Lava Golem agreed too.

Molten Man: That is crazy! Lets do it!

VOLCANIC FIRE MAGISWORD!

Kaz used his ridewatch and they fired waves of fire and smashed him down.

## Tom Major, Rainbow Dash, Scootaloo, Air Skylanders, Dragon Flyz, Air Man and Dust Man VS Whirlwind - Lincoln's rescue

Whirlwind was next.

Whirlwind: (to Tom) I heard Lincoln kicked Flip's ass in his rescue. I'm glad that it took place somewhere different this time.

Tom Major: Thank goodness. It was closer to home in the middle of the city.

Rainbow Dash: Yeah no kidding. But we gave that three buttcheeked fartmouth a taste of his own medicine.

Scootaloo: It was so awesome and cool!

Skylanders Whirlwind: It was really fun and cool.

Z'Neth: That guy had it coming.

Apex: He sure did.

Whirlwind: Yeah what a jerk. Lets do it!

WIND DRAGON FORCE MAGISWORD!

Tom used his ridewatch and they fired waves of wind, rainbows and lightning and smashed him down.

## Peyton, Rarity, Sweetie Belle, Water Skylanders, Maria, Varie, Oceanus Shenron, Splash Woman and Dive Man VS King Shark - Meeting the Avatar of Cusillu

King Shark was next.

King Shark: (to Peyton) I heard you guys met the Avatar of Cusillu. What's her name?

Peyton: Her name is Alessa Garcia and she is a really amazing and skilled girl.

Rarity: Oh she certainly did and her skills are amazing.

Sweetie Belle: You should have seen what she did to Luan.

---

Nico: Yep. So, Alessa, Kinzokumon, what's the stories you have on why you hate Luan and The Wet Bandits with a burning passion?

Kinzokumon: Uh oh, I was hoping you'd ask that. One day, Lincoln and I were doing a huge project for Mrs. Loud: she wanted us to make her a beautiful jewel box to put more of her jewelry inside it because she feared robbers were going to steal it. We completed it, but then, we heard the sound of rustling in the bushes: and we saw two figures come out, and to our disgust, it was Marv and Harry, The Wet Bandits, again. I was getting so tired of those two boobs always trying to score big with yet another home robbery scheme, but Lincoln was ready: he booby-trapped the outside and inside of The Loud House, and when they stepped foot on The Loud House's property, all comedic Hell was let loose on them as those two boobs got hit with paintball cannons outside, buckets of tar falling on their heads, getting hit with pillars, along with getting their feet cut with crystal clusters on the floor, and finally, Lincoln setting tarantulas loose on Marv's face and he screamed like a girl again, and he and Harry ran out of The Loud House only to get caught by the police and taken away.

Nico: Sheesh, even after all the times those two boobs got beaten down like that, they still refuse to call it quits?! Well, I got to hand it to them, they got guts.

Luna: But, in the end, we put an end to their shenanigans, and now, they're our punching bags for our humiliations at Dad's restaurant, along with the other jerks, and it's so awesome to make that moron, Marv, scream like a little girl.

Alessa Garcia: It's always hilarious seeing that boob scream like a little girl. Okay, now for my story, I make it no surprise I've hated Luan with a blazing passion, because of all the hell she put Lincoln through with her insane pranks especially when April Fools Day comes. One day, I was heading to The Loud House to pick up Lincoln so we can have an awesome fun day. But, then, I got a message from Lincoln on his phone, and he told me to not come to The Loud House, it's April Fools' Day, the day all the Louds dreaded. Every year when that day arrives, Luan turns into a demented psycho and nails her own family with her deranged pranks, but I wasn't going to tolerate that demented monster any longer. I snuck into the back, and made sure not to trip any of her pranks as I made my way to Lincoln's room. I got him out of there, and then, I proceeded to do some counter-pranks of my own. I used a sound effects app on my phone and it made the sound of all of Luan's traps going off, and that demented psycho clown ran out to see who got caught, only to trigger her own traps, and she got nailed pretty hard by them. Everyone ran back to The Loud House, and they saw that Luan got hit hard by her own pranks all thanks to me using my sound effects app on my phone to draw her out.

Nicholette Torrington: I heard the whole thing when I was running to get Lincoln out as soon as I had heard that today's April Fools' Day, but when I found out about the mayhem Alessa caused when she used her Sound Effects app on her phone to lure Luan out, and she set off her own pranks and got hit hard with them, I was already on the floor and laughing like crazy.

Lincoln: Alessa really saved all of us with her counter-prank, and in the end, Luan got grounded for sixteen weeks and she had to clean the whole house and take down all of her pranks that she had booby-trapped around the whole house.

Me: Alessa out-pranked Luan who's known as The Prank Queen of Royal Woods, and because of that, Luan hated her for ruining her April Fools' Day fun, and she swore to get her revenge on her.

Luna: But, Lincoln swore if he ever saw Alessa harmed by one of

Luan's pranks, he was going to make her pay.

Nico: Oh man, and I know he was serious about that, if any of his Guardian Angels got hurt, he would make those responsible for it pay.

I teleported and opened his safe and in it was a bunch of weapons for us called the Destroyers of Satoru, they're a collection of massive greatswords with embedded colored gems and the Anti-

Satoru symbol etched on the 7'0" massive, wide, double-edged colored blades, large colored phoenix heads for the crossguards, large colored gems embedded in the rainguard, longer midnight black handles, four large colored phoenix heads and large colored gems on the bottom of the phoenix heads for the pommels, and there's also blasters and spellbooks included with the greatswords. Once in hand, we'll get a massive power and energy increase, and wait until one of these greatswords hits that monster.

I teleported back with them.

Me: Yep.

Red Hood: Now, time to pay Satoru a little… visit.

Eli: His hideout is right on top of Mount Fuji.

Me: Whoa. So we're going all the way over there.

Jun: Can I ask a question first?

Evil-Lyn: Sure. What is it?

Jun: Is Poromon a happy drunk or an angry drunk?

Mouth of Sauron: We're glad you asked that question.

Nico: It's a little bit of both actually. Still funny though.

Me: Yeah.

Nico: All right lets head out. Get ready Satoru, (EYES GLOW RED) You're going to pay for everything you did.

Me: You will pay for everything you did to Jun and her friends.

We were off.

Get Ready Satoru, We're coming for you!

We arrived at the top of Mount Fuji. We saw a shack on it.

Me: That must be his hideout.

Qin: Really scary being on top of a famous volcano like Mount Fuji.

Me: It sure is. But the view of Tokyo is beautiful.

Nico: Yep.

We saw CHAMELEON BEAST!

Chameleon Beast: Hello, Devillady.

Jun: Chameleon Beast! Out of our way! We don't have time to deal with you.

Chameleon Beast: That's too bad. Because if you want to get to Satoru, (camouflage himself) you'll have to deal with me first!

?: First Squad, Deploy!

Then out came Lin Chung and everyone!

Me: Lin Chung!

Irena Malloy: Hey guys!

Lin Chung: We'll face this bozo. You guys end Satoru.

Me: Right. We owe you one.

Irena Malloy: I'll help you guys too.

She went and did so.

Metal Sonic came.

Nico: Thanks for coming, Metal Sonic.

Metal Sonic: Anytime Nico. His will be fun.

Qin: It sure will.

We hid and Metal Sonic went up to Satoru's cabin.

Satoru saw him.

Metal Sonic: Satoru right?

Satoru: You are a machine. Why side with those foolish humans?

Metal Sonic: If there's anything I've learned since 2021, it's that humans and Robots can co exist peacefully.

Satoru: Then you will die for siding with humans.

But then the area turned into HONEYHIVE GALAXY!

Then the spirits of demons came and swirled around him and then they converged and then the dragons of the 9 Circles of Hell came out of a vortex and satanic music was heard and they roared and swirled around him and then they converged and out came us.

Me: Satoru!

Satoru: YOU!

Me: Yes me! And all of us this time! You will pay for everything you did!

Nicole: That's right!

Vinyl Scratch: You will suffer a thousand deaths for your crimes!

Satoru: Hello, Jun. Did you get my messages?

Nico: Yeah. She did. And they were bad ones!

Satoru: Oh, please. Like I made her do anything. All I did was make her kill a few Devil Beasts.

Nico: Devil Beasts are humans as well!

Me: They are people too and that makes you a murderer!

Satoru: Oh, like you guys are ones to talk. How many people have you all killed?

Nico: If we've killed anyone, it's because they hurt innocent people!

Me: And they deserved to die for their crimes! Just like you will! You are gonna pay for everything you did!

William: Jun, you're pretty quiet. Do you want to get his death over with or-

Jun: You know, I had a pretty good life. I was a successful supermodel and was pretty quiet.

Maria: Jun, he doesn't need to know that. We're going to-

Jun: (ignores us) Then, one day, I ended up turning into a Devilbeast! Now, don't get me wrong. I like the power it gives me. But I ended up killing so many people turned Devilbeasts!

May: Jun, you're starting to scare us.

Jun: (still ignores us) I NEVER ASKED FOR THIS! MY LIFE IS HELL NOW! AND IT'S ALL YOUR FUCKING FAULT!

Me: EVERYTHING YOU DID Satoru is all your fucking fault! And now we're going to unleash the Divine Wrath of God upon you!

Satoru: Grinders!

An army of Grinders appeared.

Me: Grinders! Now we're talking!

I fired waves of energy and blasted them all over and I used my blaster and blasted them into scrap metal!

I teleported and punched Satoru in the face and kicked him in the stomach with devastating force!

Satoru punched at me and I dodged his punches and I punched him in his face and smashed some of his teeth out!

Me: That was for Jun you fuckwad piece of fucking Shit!

I kicked him in the face and stomach and he belched out a huge amount of blood!

The Grinders jumped Jun and friends and Jun and her friends lay defeated at the hands of the Grinders.

Satoru: You know, I've enjoyed making you do my dirty work. But now, it's time for your life to be snuffed out.

Ed: AWAY WITH YOU, FOUL DEMON! (gets out stake)

I punched a Satoru in his face!

Lodestar: (magnetizes Grinders) Ed, you know he's not a vampire, right?

Eddy: Well, we have to do something!

Vinyl got an idea.

Vinyl: (to the audience) Everyone in the audience! Lend Jun and her friends your strength! They get stronger with your support! When we give the signal, share your energy with Jun and her friends! Okay? Ready… go!

Everyone in the audience began sharing their energy with Jun and her friends. And soon, iJun found the strength to get up.

Jun: I'm been given a chance to improve my life. I'm not going to just throw it away!

Jun then grabbed a Grinder and threw it to the ground.

Satoru: WHAT!?

POW!

I punched him in his face!

Jun Fudo: Thanks for the help, everyone.

Lan Asuka: It feels weird fighting on the side of good like this.

Akira Fudo: Well, you ARE fighting on two teams.

Ryo Utsugi: But we're not complaning.

Aoi Kurosaki: I'm just happy I get a second chance at life.

Kazumi Takiura: I'm happy for you. Now, to end this once for all!

Sakura Knudson: I agree there! KAAAAA MEEEEE HAAAAA MEEEE HAAAAAAAAAAAA!

She fired a Pink Kamehameha Wave and it hit Satoru and exploded!

MASSIVE EXPLOSION OF FIRE!

She blasted a huge hole into his chest and exposed his black heart!

Vinyl: Let me transform with you guys.

Scott Truman: You got it, Vinyl.

RPM Rangers: RPM, Get in Gear!

Wataru: Kivat!

Kivat: Alright! Kivatte Go!

With that cry, a red belt with three slots for whistle looking devices on either side materializes on Wataru's waist while he catches Kivat in his right hand with mouth open.

Kivat: Gabu!

Wataru then lets Kivat bite his left hand, and as a strange and unnerving whistling sound starts to play, Wataru starts to gain a strange stained glass pattern to him.

Wataru: Henshin!

With that, Wataru places Kivat upside down on the center of the belt, causing a sound wave to emerge that morphs Wataru into his Rider form, a generally black suit save a red muscle-looking chestpiece flanked by silver armor, almost like the collar of a cloak, and some silver armor on his leg, that is mysteriously chained, as are his shoulder pads for some reason, and a head with large yellow eyes, red accent pieces, and a silver fang-looking mouthpiece over top of it, only the face is grayed out slightly.

Keisuke: (Putting on a belt with a red orb and gold and black accouterments on it before pulling out a golden knuckle like device) My turn.

With that, Keisuke presses the indicators on the end of the knuckle device, activating it.

Ixa Knuckle: Ready.

Keisuke: (As some sort of danger signal sounds) Henshin.

With that cry, Keisuke inserts the knuckle into the left side of his belt.

Ixa Knuckle: Fist, On!

Now a golden half cross symbol appears over the red orb before spinning off of it to form a golden projection of Keisuke's suit before forming on him, revealing the overall white knight-designed armor with a black undersuit gold and blue accents, particularly a golden half cross on the face which splits open revealing large red eyes, and materializing a gun with a comically large magazine in his hand.

Scott: "RPM Red!"

Flynn: "RPM Blue!"

Summer: "RPM Yellow!"

Ziggy: "RPM Green!"

Dillan: "RPM Black!"

Gem: "RPM Gold!"

Gemma: "RPM Silver!"

All: "Power Rangers RPM!"

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off behind them and they were ready!

Troy: Your reign of terror ends here!

Tsukasa: Big time!

Kamen Ride: Ghost!

Kamen Ride: Specter!

Kamen Ride: Necrom!

Megaforce Rangers: LEGENDARY RIDER MODE! GHOST FORCE!

They turned into the Ghost Riders!

Maria: And this too! (TURNS DIAL) INFERNO WAVE 6!

She summoned Heat Wave, Evil Flame Man, David Kessler the Wolf, Cave of Wonders Tiger God Head, Astral Drop WITCH Team and Flect Turn along with Pyro, P'Andor, Firebrand, Evil Fire Man, Evil Flame Man, Flame Mammoth and Blaze Heatnix!

Nico: Nice!

Vinyl Scratch: Alright, that tears it, I have absolutely had it up to hear with you, Satoru, you better be ready to suffer for everything you've ever done.

Suddenly, Vinyl Scratch's dark purple eyes hidden in the pink sunglasses turned neon dark purple, and she was surrounded by a blue and pink energy aura with soundwaves, music, moonlight, magic, and Alicorns, she unholstered her massive Vinyl Scratch's Musical Moonlight Alicorn Greatsword of Music Soundwave Grace and Soundwave Music Love, and as she approached Satoru, she left blue and pink energy, soundwaves, music, moonlight, magic, and Alicorns with every step.

Vinyl Scratch: Satoru, I will never forgive you for the pain and suffering you've caused, you're nothing more than an evil heartless monster who enjoys causing chaos and destruction to all of mankind, that kind of behavior is inexcusable, and for what you did in ruining Jun's life, that is an unforgivable act of pure unendurable evil, and now, I will administer unto you the punishment you rightfully deserve: death, and you will pay for everything that you've done.

Suddenly, Vinyl Scratch was surrounded by a massive vortex of blue and pink energy with magic, moonlight, music, and soundwaves surrounding the vortex, there's an Alicorn flying around the vortex, and in the vortex is a white phoenix. Then, as the vortex faded, Vinyl

Suddenly, Vinyl Scratch felt a sharp pain on her back, and then, her massive white angel wings with blue pink tips on the large white feathers grew much bigger for her new body, her blue tail also grew much longer for her new body, she has on a Ring of The Phoenix with blue gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Vinyl Scratch's massive Vinyl Scratch's Musical Moonlight Alicorn Greatsword of Music Soundwave Grace and Soundwave Music Love and all the other greatswords that she'd gotten began to merge together and they were surrounded by a kaleidoscope of blue and pink energy, soundwaves, magic, Alicorns, and moonlight, and when it emerged, it was transformed into Vinyl Scratch's Musical Moonlight Alicorn Greatsword of Music Soundwave Grace and Soundwave Music Love, it's a brand-new massive greatsword with a 7'0" massive, wide, double-edged blue blade and Vinyl Scratch's cutie mark etched on it, large gold Alicorn heads for the crossguard, large pink gem embedded in the rainguard, longer black handle, and large gold Alicorn heads with pink gems for eyes and a large blue gem on the bottom of the heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with blue gems on her wrists, her gold Belt of Elemental Bravery with an Alicorn for the belt buckle and pink gems for the eyes and a blue pink gem in its collar for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Vinyl Scratch has transformed into SUPER ANGEL-ALICORN-HARMONY XELNAGA ETERNITY INFINITY MUSICAL SOUNDWAVE MOONLIGHT ALICORN ANGEL OF DIVINE MUSICAL SOUNDWAVE GRACE AND DIVINE MUSIC SOUND LOVE!

We were amazed by Vinyl Scratch's Super Angel-Alicorn-Harmony Xelnaga Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Satoru saw it, the monster fell into a rage and he fired a black energy blast at her to kill her, but Vinyl Scratch fired a powerful blue and pink energy blast with soundwaves, magic, moonlight, music, and Alicorns at Satoru, and it exploded with incredible power as it hit him and sent him flying into a wall, and this absolutely pissed that monster off now.

Jun: Wow, so that's Vinyl Scratch's…?!

Vinyl Scratch: (Divine Echoing Cosmic Voice of The Musical Soundwave Moonlight Alicorn and Divine Soundwave Music Trust and Moonlight Love) This is only my Phase 1 transformation to get rid of that monster, Satoru.

Lincoln: She's right, her Phase 2 transformation's coming up, and it's against another member of The Extraterrestrial Order of The Planets of Holy Ghidorah, and they're even worse monsters than Satoru.

(FORSAKEN BY WITHIN TEMPTATION PLAYS)

I punched and kicked Satoru in his face and smashed him in his stomach and kicked him in his stomach many times and kicked him in his face.

POW! BLAM!

I punched and kicked him all over!

The Grinders were blasted all over the place and then we went at Satoru and punched and blasted him all over!

Wataru: (gets out Robot Devil's Fuestle) Let's go, Kivat!

He activated it and fired waves of energy and blasted him.

Asuka activated it and fired spinning energy crosses and bashed him and slashed him all over!

He activated it and fired waves of blade energy and slashed his OTHER WING OFF!

I punched him down and Vinyl kicked him in his face.

Scott Truman: Shark Attack Mode!

Wataru: (Pulls out red and gold whistle) Time for Emperor form! (Places the whistle in Kivat's mouth)

Kivat: Tatsulot, awaken!

As Kivat blows a tune on the whistle, or rather Fuestle, a small golden wyvern flies onto the scene, breaking the chains on Wataru's shoulders.

Keisuke: (Knowing what's about to happen) Satoru's in for it now!

Tatsulot: Time for action! Tension Fortissimo!

With the chains on Wataru's shoulder armor shattered, they open up, letting a stream of energy bats fly out, just as Tatsulot, the golden wyvern, attaches to Kiva's raised right arm.

Tatsulot: Henshin!

At that cry, the energy bats start attacking Arc as they fly back around to Wataru, breaking the chains on his left leg, revealing a strange demonic looking wing structure, which is right away turned into golden armor, with the rough pattern of it becoming Wataru's chest armor as golden armor adorns the rest of his body, even giving his helmet a golden crown aesthetic to it as his eyes turn red. Then with a flick of the arm, a flame spreads down Kiva's back, turning into a cape and completing his transformation.

We blasted and smashed and pulverized him all over! Jun ripped him all over the place!

Suddenly, Vinyl Scratch was surrounded by a massive vortex of blue and pink energy with magic, moonlight, music, and soundwaves surrounding the vortex, there's an Alicorn flying around the vortex, and in the vortex is a white phoenix. Suddenly, Holly Volvenstein felt a sharp pain on her back, and then, her massive brown angel wings with orange tips on the large brown feathers, grew much bigger for her new body and she now has eleven massive and long midnight brown wolf tails with orange tips. Holly Volvenstein has on her Ring of the Phoenix with large brown gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Holly Volvenstein's massive Black Rock Triskelion-themed greatsword and all the greatswords she'd gotten began merging together and they're suddenly surrounded by a kaleidoscope of brown and orange energy, earth, rocks, dragons, phoenixes, and earth angels with every step, and when it emerged, it transformed into Black Rock Triskelion's Elemental Alchemical Earth Draconic Phoenix Shadow Greatsword of Elemental Alchemical Earth Triskelion Justice, it's a brand-new massive greatsword with embedded orange gems and the Black Rock Triskelion etched on the 7'0" massive, wide, double-edged midnight brown blade, large brown dragon heads for the crossguard, large orange gems embedded in the hilt, longer midnight black handle, four large brown phoenix heads with orange gems for eyes and large orange gem on the bottom of the brown phoenix heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with brown gems on her wrists, her large gold Belt of Elemental Bravery with a gold version of Black Rock Triskelion's head with brown gems for eyes and a large orange gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a brown kanji below Black Rock Triskelion that said, "Holly Volvenstein, Gene-Slammer of Black Rock Triskelion, Elemental Alchemical Alchemist Angel of Earth, Loving Sister of Esmeralda Volvenstein, Lanaiya Volvenstein, and Allie Anne Volvenstein, Demolisher of Queen Bee Mean Girls, Future Wife of Nico Chan, Archenemy of Dr. Warpnik, Destroyer of Qiienna of The Extraterrestrial Order of The Planets of Holy Ghidorah, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Earth, Dragons, and Phoenixes"

Holly Volvenstein has transformed into SUPER ANGEL-BLACK ROCK TRISKELION-DRAGON-PHOENIX-HARMONY CELESTIAL ETERNAL XELNAGA SEISMIC ALCHEMICAL BLACK ROCK TRISKELION EARTH ANGEL OF DIVINE SEISMIC ALCHEMICAL

EARTH BLACK ROCK TRISKELION JUSTICE AND DIVINE SEISMIC ALCHEMICAL EARTH BLACK ROCK TRISKELION LOVE!

We were amazed by Holly Volvenstein's Super Angel-Black Rock Triskelion-Dragon-Phoenix-Harmony Celestial Eternal Xelnaga transformation, and when Nico saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Qiienna saw it, he fell into an infernal rage and he got out his blaster again, this time to blast her, but Holly Volvenstein fired a powerful brown and orange energy blast with earth, rocks, dragons, phoenixes, and earth angels at Qiienna, which hit him and pushed him back and he also got hit hard by the rocks, but this really pissed him off now, and Holly grabbed his blaster which'd been scrapped and it got turned into pure solid gold which was sent into our vault.

Lincoln: Whoa, now Holly Volvenstein's transformed, and you know what this means, right, Nico?

Nico: Yep, time to join our future wives in the fight and send this religious fanatic packing for good.

Vinyl Scratch: (Divine Echoing Cosmic Voice of The Musical Soundwave Moonlight Alicorn and Divine Soundwave Music Trust and Moonlight Love) You got that right, Nico.

Holly Volvenstein: (Divine Echoing Cosmic Voice of The Elemental Alchemical Earth Black Rock Triskelion Draconic Phoenix Earth Angel and Divine Draconic Phoenix Alchemical Earth Black Rock Triskelion Angel Love) And now, you're about to feel the full fury of the earth, Qiienna.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Vinyl Scratch.

And Nico transformed into Super Saiyan Rainbow Infinity and unholsters his massive Nico's Universal Elemental Greatsword of Saiyan Pride and Phoenix Justice from his wider and muscular back and joined Holly Volvenstein.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Alright, you fanatical clod.

Nico: (Divine Echoing Voice of Rainbow Redemption) Time for you to pay for your crimes with your blood!

Vinyl Scratch, Lincoln, Nico, and Holly Volvenstein went after Qiienna who's now gone even more full-blown ballistic, and they fired extremely powerful blasts of rainbow energy, blue and pink energy, brown and orange energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Qiienna and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws, and he was really, really, really pissing off him off now.

Nico turned his fingernails into claws and he slashed at Qiienna, drawing more blood and leaving more scars on him, and he was being driven even more ballistic. Suddenly, Qiienna took out the vial of red liquid with a drop of 2018 King Ghidorah's blood, then he drank it. Suddenly, Qiienna began changing as massive wings like King Ghidorah's grew and sprouted out from his back, his skin was covered in gold scales, and he'd grown King Ghidorah's tails.

Me: Watch it, you guys, now Qiienna has transformed into his King Ghidorah Hybrid Monster form.

Qiienna fired a Gravity Lightning blast at Vinyl Scratch, Lincoln, Nico, and Holly Volvenstein, who dodged it.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You missed, and you know what that means.

Lincoln fired a rainbow energy blast which separated Qiienna from his King Ghidorah Hybrid Monster form, and then, Lincoln went at King Ghidorah Hybrid Monster Qiienna and he stabbed him in his chest with one of his eleven massive and long white wolf tails paralyzing him so he couldn't try to escape, and then, Lincoln began absorbing King Ghidorah Hybrid Monster Qiienna's bio-energy and assimilated his powers and abilities until nothing was left of it.

Nico: (Divine Echoing Voice of Rainbow Redemption) Thanks for the save, Lincoln. Now, shall we end this bastard for good?

Holly Volvenstein: (Divine Echoing Cosmic Voice of The Elemental Alchemical Earth Black Rock Triskelion Draconic Phoenix Earth Angel and Divine Draconic Phoenix Alchemical Earth Black Rock Triskelion Angel Love) Let's send him flying first, and then, all of us join together to blast him right to Kingdom Come.

Holly Volvenstein and Nico sent Qiienna flying into the air, and then, they joined with Vinyl Scratch and Lincoln and they prepared their combos to put an end to Qiienna.

Vinyl Scratch and Lincoln: DIVINE ELEMENTAL ALICORN MUSIC COSMIC MOONLIGHT KAMEHAMEHA!

Vinyl Scratch and Lincoln fired two massive rainbow and pink and blue Kamehameha waves with quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Qiienna.

Holly Volvenstein and Nico: ELEMENTAL BLACK ROCK TRISKELION DRACONIC PHOENIX ALCHEMY EARTH KAMEHAMEHA!

Holly Volvenstein and Nico fired two massive brown and orange energy Kamehameha waves with earth, rocks, dragons, phoenixes, and earth angels, and they joined with the energy waves Vinyl Scratch and Lincoln fired and they all hit Qiienna, and they explode with incredible power as they hit him, and he was obliterated. Then, when his spirit appeared, Vinyl Scratch, Lincoln, Nico, and Holly Volvenstein drew the Judgement Kanji on his forehead, and he was erased by The Black Gates for his crimes. We cheered as Vinyl Scratch, Lincoln, Nico, and Holly Volvenstein holstered their massive greatswords on their backs and powered down, and Holly Volvenstein's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight brown wolf tails, and massive brown angel wings are permanent, and Vinyl Scratch's new body, clothes, weapons, jewelry, Third Eye, longer tail, longer white horn, and massive white angel wings are permanent.

Vinyl Scratch: That's one member of The Extraterrestrial Order of The Planets of Holy Ghidorah down and twenty-four members to go. Thanks for helping me destroy Qiienna once and for all, Linky.

Holly Volvenstein: You too, Nico.

Lincoln: (Smiles Warmly) You're welcome, Vinyl Scratch.

Nico: (Smiles Warmly) You're welcome, Holly.

Suddenly, Vinyl Scratch wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Vinyl Scratch's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, and Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and and light shining down on them and we cheered wildly. Then, Lincoln and Vinyl Scratch absorbed the elements and they came back to us as the display vanished.

Suddenly, Holly Volvenstein wrapped her arms around Nico's wider and muscular back, as her chest pressed against Nico's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Nico's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to their faces. Then, as Nico leaned down to Holly Volvenstein's face, they kissed passionately as she moved her arms and placed her hands on Nico's massive pecs, and behind them was a Dragon, Phoenix, Angel, and Black Rock Triskelion flying in the air, and we saw many animals running across the field, along with elemental forces and mountains behind them and we cheered wildly. Then, Nico and Holly Volvenstein absorbed the earth and mountains and they came back to us as the display and Black Rock Triskelion vanished.

Me: Oh man, oh man, now that's what I call one awesome four-way battle, and another cult fanatic has been put down. Awesome job out there, Vinyl Scratch, Lincoln, Nico, and Holly.

Vinyl Scratch, Lincoln, Nico, and Holly Volvenstein: Thanks, J.D.

Nico: Man, this is actually the first time we had a four-way battle team-up.

Lincoln: And this was also on the day of one of my future wives' special mission, that fanatic stood no chance against the four of us.

Nico: Especially after what you did to separate Qiienna from his King Ghidorah Hybrid Monster form and absorb it, Lincoln, and for tomorrow, the next member is Volccaaea, which means you're up next, Esmerelda.

Esmerelda Volvenstein: Yeah, we'll make Volccaaea pay with his life.

Nico: We sure will. Say, Lincoln, which Gene-Slammer are you hoping to meet next on your rescue?

Lincoln: Good question, Nico. Hmm, ooh, I have an idea, and Becky's going to love this: for the next set of my rescues in the days to come, we'll be meeting the Gene-Slammers for B.E.S. Big Core MK-2, B.E.S. Big Core MK-3, B.E.S. Blaster Cannon Core, B.E.S. Covered Core, B.E.S. Crystal Core, and B.E.S. Tetran.

Becky Long: (Gasps) Oh, now that's an awesome idea, Lincoln, and I know the ones who would be Gene-Slammed into B.E.S. Big Core MK-2, B.E.S. Big Core MK-3, B.E.S. Blaster Cannon Core, B.E.S. Covered Core, B.E.S. Crystal Core, and B.E.S. Tetran: my sisters, Elsa Long, Gene-Slammer of B.E.S. Big Core MK-2, Harley Long, Gene-Slammer of B.E.S. Big Core MK-3, Jolene Long, Gene-Slammer of B.E.S. Blaster Cannon Core, Milan Long, Gene-Slammer of B.E.S. Covered Core, Ramona Long, Gene-Slammer of B.E.S. Crystal Core, and Daphne Long, Gene-Slammer of B.E.S. Tetran.

We gasped in shock.

Nico: Whoa!

Lincoln: Whoa is right, Nico. See, Becky wasn't the only one Gene-Slammed into one of The B.E.S. monsters, her sisters were as well. Becky Long's also the eldest of her sisters, and her sisters are also very strong and powerful technomancers, and like Becky, they were pronounced braindead at age 4 and the doctors then came up with a very risky and dangerous operation. They replaced their dead brains with artificial Positronic Brains, and it gave them incredible powers of Technokinesis and also they turned their minds into very incredible computers capable of storing an infinite amount of information and unleashing the full 100% of their brain power.

Becky Long: And just like me, Elsa, Harley, Jolene, Milan, Ramona, and Daphne were also in Lori's school and have protected Lincoln from the worst of Lisa Loud's fury and almost got Lisa disowned and sent to a nuthouse in the federal prison system forever as well as have all of her science stuff confiscated by the scientific community forever.

Me: Jeez. Well, wait until they find out that it was Killjoy Huggins who turned Lisa into the heartless, emotionless mad scientist that you all hated for that long.

Lincoln: Yeah, they'll really hate hearing about what that killjoy did to her, Lori, Lynn, Lola, and Luan when I was in Third Grade.

2 minutes earlier, Lin Chung charged at Chameleon Beast and he bashed him down.

Then Chameleon Beast got a massive splitting headache and he fell to the ground in pain and Irena fired sleeping dust and knocked him out.

Lin Chung: That's it for him.

Irena Malloy: What do you guys want to do now?

We later came back.

Me: That's it for Satoru.

Qin: Yep.

Jun: (cries in happiness) Thank you guys so much!

Hank Scorpio: It was our pleasure, Jun.

Johnny 13: Now, you can start improving your life.

Captain Boomerang: (to First Squad) You mates helped too.

Lin Chung: We sure did.

Jun: We'll see you in 7 days.

Lin Chung: We'll be waiting.

Jun and Lin Chung gave each other a high five.

Me: We owe you big time Lin.

Lin Chung: Think nothing of it.

He and First Squad left.

Me: Jun you don't have to keep it bottled up anymore. Let it all out.

She then broke down and cried hard into my chest and I comforted her and she was wailing and crying hard.

Trumbipular: (to Sakura Knudson) Are you happy you're part of the team?

Sakura Knudson: I sure am.

Rojo: Good. You're gonna love the adventures to come.

Nico: But poor Jun went through a nightmare. But still great job everyone. This was an eventful day.

Asuka Lan: It sure was. (To the viewers) This was a really epic adventure and we're glad you all liked it.

Nico: We all did. Vinyl Scratch you did great today.

Vinyl Scratch: Thanks Nico.

We went back home and got everyone settled in and enjoyed the rest of the day and went to sleep.

THE END

But, Becky Long knew of his true nature: he was really a madman who wants nothing more than world destruction, and he caused a lot of havoc and destruction with his creations: everything from gigantic robots to mutant monsters created by his mad science. But, his last plot for world destruction was brought to an end by Becky Long and her sisters, but Xavier refused to be brought in to face his punishment, and he took his own life by swallowing a cyanide pill. But, now years later, Xavier Andrews was brought back from the dead as an undead monster and his desire for world destruction and revenge on Becky Long and her sisters is still on his mind even after death, but we're going to make sure this monster stays dead once and for all. And for tomorrow and in the days to come, we're going to be meeting the Gene-Slammers for B.E.S. Big Core MK-2, B.E.S. Big Core MK-3, B.E.S. Blaster Cannon Core, B.E.S. Covered Core, B.E.S. Crystal Core, and B.E.S. Tetran, and they're Becky Long's sisters. For tomorrow, we're going to meet Elsa Long, Gene-Slammer of B.E.S. Big Core MK-2 and one of The Long Sisters, she's Lincoln's Guardian Angel from Michigan, and like her eldest sister, Becky Long, Elsa Long is a very strong and powerful technomancer, and like Becky, she was pronounced braindead at age 4 and the doctors came up with a very risky and dangerous operation. They replaced her dead brain with an artificial Positronic Brain, and it gave her incredible powers of Technokinesis and it also turned her mind into a very incredible computer capable of storing an infinite amount of information and unleashing the full 100% of her brain power, and when she got Gene-Slammed into B.E.S. Big Core MK-2, she also gained powerful fire powers, and just like Becky, Elsa is also in Lori's school and she's protected Lincoln from the worst of Lisa Loud's fury and almost got Lisa disowned and sent to a nuthouse in the federal prison system forever as well as have all of her science stuff confiscated by the scientific community forever. # The Explosive Demolition Villains

This chapter is for Junkrat and Roadhog of Overwatch.

---

Brittney was in her room and she was thinking so much about what happened yesterday. She knew there had to be much more to the battle with Satoru than we were not hearing about. So she decided to go to the source.

Brittney went to the Dark Sanctuary in the Duel Monster Spirit World.

She walked in with dark angel wings spread.

Brittney stood in front of an altar.

Brittney: Great spirits of the Netherworld, I have come to the Dark Sanctuary for fear that your sacred rules have been broken. A demonic force named Satoru was terrorizing the world and was going to launch a campaign of terror to destroy the entire human race.

Then the Star of Satan appeared under her and she was greeted by numerous candles by her and she was standing before the spirits of the Netherworld themselves.

Satan: Speak Lady Brittney.

Brittney: Satan I'm sure you heard about everything that Satoru did.

Satan: Yes we all have heard about his atrocities. Many eons ago like Lord Lucifer, he grew mad with power and viewed humanity as nothing but a mistake. So he devised this terrible plan to turn people into Devil Beasts and launch an all out war against the Human Race to destroy the so-called flawed creation of God.

Brittney: Yes that part we figured out a while back. But why would he target Jun of all people to mess with her head like that?

Asmodeus: Satoru was hellbent on trying to destroy the entire human race and he was not going to stop until he did so. Jun was the only one that had the power to stop him and ruin his entire plan.

Belial: Jun was a thorn in Satoru's side from the very minute she found out she was a Devil Beast and became the Devil Lady.

Brittney: So many people have suffered in Satoru's evil plans and they were all just pawns to him.

Mammon: Yes they have. But it's good you got rid of that vermin to us Lady Brittney.

Satan: All of Hell and the Netherworld can now rest easy now that Satoru is gone for good. Even all of us demons despised him.

Brittney: I'm glad that me and my friends and family did you all a favor.

She got her answers and later came back home.

Sakura Knudson: Boy she is really broken.

Persephone: It's my pleasure Nico.

Me: This is gonna be so awesome.

Jun: That is amazing. But guys I can't thank you all enough for saving me from the hell I went through.

Leeli: It was our pleasure Jun.

Vinyl Scratch: We're glad you're safe too.

Brittney: We are too. Also I found out some things from the Spirits of the Netherworld about Satoru that you are not going to like one bit.

Nico: What is it?

Brittney told us what she found out from the spirits of the Netherworld and how Satoru went mad with power and hated humanity as much as Lucifer did and all that. She told us everything and it was beyond shocking and horrifying.

Nico: Oh man! That is awful!

Qin: Yeah!

Sakura Knudson: Satoru really was a true monster!

Lola: He was just as evil as the Devil Himself.

Me: Maybe worse.

Misty Tredwell: Yeah no kidding.

Jun: But I'm glad he is dead.

Nico: You feeling alright now?

Jun: A little better. I'll be okay.

Me: Okay.

Vinyl Scratch: We're here just in case.

Nico: We never did thank you for helping out against Chameleon Deadman.

Jun: It was no problem guys.

Vinyl: That was so awesome.

Qin: It sure was.

Leeli: That was so cool though.

Qin: It sure was.

Jun: I'm glad I was able to help you all.

Nico: And now, you can rebuild your life.

Jun: I sure can.

Me: And I know just the perfect place to start.

Jun: Where?

Me: Look.

I pointed to the Tree of Beginning.

Camie: Wow! What is that?

Me: The Tree of Beginning. It's a tree that May, Ash and friends went to a long time ago.

I went over what it was.

---

The Tree of Beginning is an anime exclusive location that first appeared in Lucario and the Mystery of Mew. Mew's supposed "home". Although an anime exclusive, it is canon in the Pokémon universe. It is known as the tree that created all Pokémon that dwell on the earth, including the Legendaries. It's unknown if Mew or the tree came first, and it seems that will always remain a mystery.

Although it looks like a tree, it is actually a rock formation. At the start of the movie, there was a battle between a green side and a red side. However, Aaron's life was sacrificed.

Long after that, Ash and his friends arrive at Cameran Palace. Later into the movie, Mew takes Ash's Pikachu and Team Rocket's Meowth to the Tree of Beginning. Ash, his friends, Lucario, and

Team Rocket go looking for them at the tree of beginning. Once there, they find that the tree is actually alive even though the tree is a rock formation. They also find that there are white blood cells shaped like Pokémon that eat anything that are considered threats to the tree and that Regirock, Regice, and Registeel also protect the tree from threats as it's guardians. Ash finds Pikachu, but the tree's white blood cells attack him and his friends. He then tells Pikachu that he loves him, and then the tree's white bloods cells eat and kill him and his friends. Mew then tells the tree that Ash is a friend so that Ash and his friends are resurrected, but then the ecosystem began to start breaking down due the transfer of energy being disrupted with the system's immune response being too strong which lead to an out of balance causing the tree to go into shock, causing Mew to become sick. The green crystals begin turning red because of Mew's sickness, and the crystals. Luckily however, Lucario sacrificed himself to make the tree healthy again.

Mew and the tree are connected as one. Together, Mew and the Tree of Beginning created all Pokémon including Legendaries and the Sinnoh region Legendaries Arceus, Dialga, Palkia, and Giratina. No Pokémon except Mew is as powerful as the tree of beginning and the only life form the tree cannot eat or kill is Mew. Mew and the tree have vast knowledge of the entire world. The tree and Mew work together to create peace and prosperity for the Pokémon world and all who dwell on it.

When I was finished everyone was amazed.

Camie: That tree is breathtaking.

Nico: It sure is.

Leeli: That tree is so beautiful.

Qin: It sure is. I remember seeing this tree. it was so beautiful.

Me: You should see what the inside of it looks like Leeli. You would love it.

Maria: You guys should know that lately, there have been reports of explosions happening in banks.

Me: Uh oh. What's going on?

Maria: Reports of a monster doing robberies.

Me: Uh oh. One of the Donbrothers monsers?

Maria: It has to be.

Nico: Actually it's reports of 2 enemies that the Overwatch heroes dealt with before.

Me: Oh boy. If I had to guess it's Junkrat and Roadhog.

Nicole: I have a feeling that's them.

Jun: Did Ash also meet Lucario here?

Me: He sure did. A Long time ago.

Qin: That was so awesome.

Laney: Seeing the inside of the Tree of Beginning was so amazing.

Xenia: It sure was. And we were actually here to battle the Immune System Cells of the tree.

Me: They were like a cancer to it. Also we battled Regice, Regirock and Registeel here and that was cool.

Qin: Boy that was awesome.

I went over what happened in chapter 1102 and it was cool.

---

At the estate we were having an awesome party. It was a swimming party. We were all in our swim clothes and we were having an awesomely fun time. The Masters of Evil were with us and they too were in their swim clothes. Vypra was in a smoking hot purple bikini. Carly was in an orange bikini and Misty Tredwell was in a green bikini. They were so smoking hot that Jack Atlas and me melted at their beauty. May was in an awesome blue bikini and Nico had steam coming out of his ears when he saw her. Lori, Carol, Becky, and Nazz were soaking up some sun and more. Akiza was in a smoking hot red bikini with roses on it.

Most of us had smoking hot swim clothes. Lincoln and Laney were cooking by the grill.

Nico: This is an awesome party!

Dark Spicer: It sure is! I love swimming and it's awesome!

Sailor Neptune: It sure is. It's one of my favorite sports.

Me: It's perfect for you Michelle. And Neptune is named after the Roman God of the Seas and you and Sailor Mercury move very swiftly in the water.

Sailor Mercury: That's true.

Nico: That is so cool.

Lincoln: It sure is.

Lily: Yeah!

Clawful: I'm glad you're in a better mood now, Nico.

Nico: Thanks Clawful.

Ed: Swimming is really fun!

Sophocles: (sees Horsea and Poliwag making out in the water) Well, they're really having a nice time in the water.

Me: Aww. So cute.

Vypra: This is an awesome party.

Me: It sure is.

Carly Carmine: Yeah!

I fired a water gun blast at Vypra.

Vypra: (Laughs) Nice shot!

Me: Thanks. Hey May!

May: Yeah!

I fired a water gun blast at her and she laughed.

May: (Mischievous Smirk) Oh now you're gonna get it!

Me: In your dreams May!

I fired more blasts of water at her.

I flew into the air and fired blasts of water at Carol and Lori.

Lori: HEY! (Playful) Oh now you're gonna get it J.D.!

Me: Come and get me!

Lincoln then pushed Lori into the pool and she was all wet!

We laughed at that.

Nico: (Laughs) That is so funny!

Bobby: (Laughs) J.D. and bro got you good babe!

Ronnie Anne: (Laughs) That is so funny!

Dark Spicer: (Laughs) Your asses got squirted!

We laughed some more!

Max: So, when are you going to propose to my sister?

Nico: What makes you ask that question?

Max: (laughs) Oh, c'mon! Me and May were discussing that before Squidward knocked me out.

Nico: Look, Max. I'll propose to May when I'm good and ready.

Frenzy: Look, Nico. We don't mean to rush you. But if you don't propose to May soon, you may never get the chance.

Nico: You're right.

Lincoln: Lunch is ready!

We had burgers and beans and fries and more.

Me: (Eats a burger) Mmm! Good burger Lincoln.

Kevin (EENE): (Eats a hot dog) You make a good dog L-Surfer.

Lincoln: L-Surfer?

Kevin (EENE): It's what some kids are calling you now after you surfed Humungadunga and became a legend.

Luan: You are awesome for that bro.

Edd: "Swimming certainly is an invigorating way to have fun! Don't you agree, Eddy?"

Eddy: You said it Double D. You having fun Luan?

Luan: You know it Eddy.

Eddy: [A bucket hits him.] "Hey watch it, Ahab! Trying to have some fun here!"

We saw that Ed is guzzling gravy from various containers.

Edd: [worried] "Ed! Is that-gravy you're consuming?"

Me: It sure is Gravy.

Varie: That's a lot of gravy for one person to handle.

Eddy: You should see what he had in his room Varie. He has a bathtub full of gravy in his bathroom.

Varie: Geez!

Me: I remember seeing that. That is a lot of gravy.

Lana: I'll say.

We all line up to dive from the low diving board. Ed brings up the rear, still guzzling gravy.

Ed: "My turn!"

Ed does a horribly clumsy dive, landing in the pool awkwardly. As he dives, a box falls out of his underwear.

Me: Ed you are a funny guy.

Ed: [picking it up] "Oh, silly me. I dropped my ready-instant gravy mix. Good thing it didn't open up, huh guys?"

The box splits along the bottom and powdered gravy pours out of it, turning the pool brown.

Edd: "Ed! You've contaminated the pool with the thickened gelatin of meat drippings!"

Ed: "There's plenty for everyone! Who needs a ladle?" [He holds up several in between his toes.]

All of us look at the gravy filled pool.

Eddy: Are you kidding me, Lumpy?!

Me: Now all we need is a massive truckload of mashed potatoes.

Rewind: Well, I guess that's the end of the pool party.

Me: I got this.

I snapped my fingers and the pool was all clean and fresh and I had the gravy moved onto a giant hot tub full of mashed potatoes and there was enough for Ed.

Ed: Oh boy!

We laughed as Ed went over and ate the potatoes and gravy.

Me: Boy Ed is so funny!

Eddy: That's lumpy for you. But it was because of Ed's love of gravy that we formed that bet.

Mary Knudson: I remember that. Some of you guys couldn't go 1 whole day without your favorite things. Rolf couldn't eat any meat, Ed couldn't eat any gravy, Jonny couldn't have Plank tell him what to do, Kevin couldn't call the Eds dorks, Eddy couldn't yell with a voice that's as loud as an air horn and Double D couldn't say words that have more than one syllable.

Kevin (EENE): Yeah I remember that. You guys should've seen what was happening to Ed.

Mary Knudson: I know. Ed looked like he was suffering from extreme Heroin Withdrawal. I called what he was suffering from Gravy Withdrawal Syndrome. And Rolf looked like an anorexic. He was all skin and bones and he couldn't even open the cafeteria door.

Rolf: Rolf remembers that.

Mary Knudson: Yeah he looked like he was about to die from starvation.

Jared: I remember that. I can't even begin to imagine going 7 days without fruit and vegetables let alone 1 day.

Nico: No kidding. That sounds crazy.

Eddy: Yeah and during that time we found out that Ed is allergic to Butterscotch Pudding.

Vypra: (Skeptical) Seriously?

Mary Knudson: Yeah he told me himself. It's so unusual. I was skeptical but I didn't know it was possible.

Laney: No kidding.

Me: Boy, Ed is allergic to rabbits, eels and butterscotch pudding.

Luna: I'm allergic to rabbits too. No offense Warren.

Warren: None taken.

Betty: We understand.

We laughed.

Hydro Man: How did you guys find out that he was allergic to all that stuff?

Mary Knudson: We found out that Ed was allergic to Butterscotch pudding when he mistook a pot full of butterscotch pudding for gravy and dove into it. We found out that it was Fun With Butterscotch Pudding Tuesday and we found out about it from that.

Shiv: Very strange.

Mary Knudson: Yeah.

Akiza: And how did you guys find out he was allergic to rabbits?

Eddy: We were doing a pet cleaning scam and we were washing and cleaning all of Rolf's farm animals. Ed was charged with washing his rabbits and he then swelled up like a blimp and he had ugly purple spots and hives on him.

Edd: We did some tests on him and found out about it through them.

Eddy: And we found out that Ed was allergic to eels after we were given the Eels of Forgiveness from Rolf after I was in a duel with him.

Kevin (EENE): Oh yeah! I remember that.

Vypra: Geez.

Carly Carmine: Thank goodness he's not allergic to everything.

Misty Tredwell: That would be catastrophic.

Me: No kidding.

Laney: Luckily me and Lisa made epinephrine shots for all the allergies we have.

Vince: That's a relief.

Lana: Thank goodness.

Me: But this is one of the best pool parties we've ever had. And it was for the defeat of Rotwood and his group. (Holds up a glass full of soda) DEATH TO ROTWOOD!

Everyone: DEATH TO ROTWOOD!

We clinked our glasses and we cheered.

We talked about all kinds of good things and had an awesome party.

Later the next day we were watching TV and having fun.

Me: Boy that pool party was awesome!

Nico: It sure was.

Laney: The best ever.

Me: Yep.

Ash and his friends came in.

Ash: Hey guys! I have a special place for you all to see.

Me: What is it Ash?

Ash: You guys will love it.

We followed ash. He was taking us to a really amazing place that he, May, Max and Brock went to a while back.

CANADIAN ROCKIES, SASKATCHEWAN, CANADA

---

We were over in the Canadian Rockies in Saskatchewan, Canada and we saw a beautiful forested mountain region.

Me: So what is this place you want us to see Ash?

Ash: It is amazing.

We walked over a hill and we saw an unbelievable sight! We saw a mountain and in the middle of it was an awesome and ginormous tree!

It was a beautiful place called THE TREE OF BEGINNING!

* * *

We gasped.

Ash: There it is guys. The Tree of Beginning.

Me: WHOA!

Laney: It's amazing!

Maria: So this is the Tree of Beginning?

Ash: Yep. And this is where we helped the legendary Pokemon Lucario.

Me: Lucario the Aura Pokemon?

Ash: Yep.

Ash told us how he and his friends saw this tree and it was a story they will never forget! We gasped in shock!

Me: Whoa! So you were killed by the tree's immune system?

Ash: Yep.

Nico: That is awful!

Me: You guys have had brushes with death on several occasions.

Ash: Yes we have.

Jack Atlas: (Australian Accent) That's incredible.

Me: Yeah.

Ash: Lets show you the castle we stayed at.

We followed Ash and we were at a beautiful castle called Cameran Palace.

---

Cameran Palace (Japanese: オルドラン Oldoran) is an anime-exclusive place in Kanto.

Info

The current ruler of this palace is Lady Ilene and her Pokémon, Mime Jr. at her side. It is located in the center of Rota, a kingdom on the Northside of Kanto. In the past, Lady Rin, Sir Aaron, and Lucario used to reside in this palace. Ash and friends traveled there for a Pokémon battle competition, and whoever wins will be crowned Guardian of the Aura for the year. Cameran Palace was featured in the movie Lucario and the Mystery of Mew.

---

Me: Wow! This castle is amazing.

Ash: This is Cameran Castle. It was home to Sir Aaron, who saved the entire kingdom from a big war between the green side and the red side. He went to the Tree of Beginning and gave his aura to a Mew that is bonded with the tree and he brought an end to the fighting at the very cost of his own life.

We gasped.

Me: He was a true hero.

We went into the castle and it was beautiful.

Me: Wow!

Ash: It's just as beautiful as I remember it.

Me: Wow.

?: Ash Ketchum, it's great to see you again.

We then saw 2 familiar faces that Ash and team have met at the castle. It was Kidd Summers and Lady Irene.

Ash: Lady Ilene, Kidd Summers!

Kidd: It's great to see you again Ash.

Lady Ilene: Team Loud Phoenix Storm. Welcome to Cameran Castle.

Me: It's an honor to be here and it's a pleasure to meet you Lady Ilene.

Nico: Same here.

Lady Ilene: Your adventures are widely known all over the world and you have my most sincerest of apologies for what happened to you all with Rotwood and his group.

Me: We appreciate that milady.

Lady Ilene: No need for formalities. Just call me Ilene.

Me: Sorry. I have a tendency to show people of such high power respect and formalities when in their presence.

Lady Ilene: I understand.

Kidd: So you're all here to see the Tree of Beginning?

Me: We sure are.

Nico: We were told about what happened with Ash and the tree and how he and Lucario saved it.

Kidd: That was a daring adventure and ever since then I vowed to keep the tree a secret.

Me: That's a big responsibility. And I heard that Lucario sacrificed himself to save Mew and the Tree.

Lady Ilene: That's right. He and Sir Aaron are now up in heaven.

Me: Wow. Just like his best friend, Lucario is now with Sir Aaron.

Nico: Yep.

Lady Ilene: Let me show you a picture of Sir Aaron.

We followed her and we saw a picture of Sir Aaron and Lucario.

We gasped in shock.

Me: Wow! Wait a second.

I began to see a strong resemblance between Ash and Sir Aaron.

Me: Is it my imagination or does Sir Aaron look like Ash?

Ash: He does look like me.

Me: Maybe there are some ancestral ties to you and Sir Aaron, Ash.

Ash: That could be.

Me: Lisa?

Lisa Loud: Let me see here.

Lisa pulled a hair out of Ash's head.

Ash: OW!

Lisa Loud: Apologies Ash. But it will help determine if you and Sir Aaron of Camaran are related.

Ash: Oh.

Lisa pulled out her DNA scanner and she put the hair in and it came up with the results in Ash's family tree.

Lisa Loud: Hmm. Fascinating. Ash is indeed a direct descendent of Sir Aaron of Camaran.

We gasped in surprise.

Me: Wow! Ash you have some knighthood in your blood.

Serena: That's amazing!

Max: I didn't know about that!

Me: I don't think any of us did.

May: That is an amazing revelation.

Brock: No kidding. I didn't know you were related to the famous Sir Aaron, Ash.

Ash: Me neither.

Jessie (Pokemon): That explains how you have incredible bravery and courage when you faced us when we were on Team Rocket.

Meowth: That's amazing!

Jessie's Wobbuffet: Wobbuffet!

Me: Some of us all have family ancestries all across the board.

Bonnie: We sure do.

Nico: That is amazing though.

Ash: But I don't know Aura like Sir Aaron and Lucario do.

Fu: I know how to use Aura Style Jutsu and that is just as powerful.

Laney: Cool!

Me: Maybe we can bring Sir Aaron and Lucario back and have them teach you Ash.

Ash: I would like that.

Me: Here we go.

I snapped my fingers and out of a flash of energy and light came Sir Aaron and Lucario!

Lucario: Ash.

Sir Aaron: So you are my descendent.

Ash: It's an honor to meet you Sir Aaron.

Sir Aaron: Same to you Ash.

Me: Sir Aaron, Lucario, it's an honor to meet you both. We were told so much about what happened. You two are true heroes.

Sir Aaron: I thank you.

Me: Sorry we should introduce ourselves. I am J.D. Knudson and we are Team Loud Phoenix Storm.

Sir Aaron: It's an honor to meet you all.

Lucario: Same here.

Ash: Sir Aaron, can you and Lucario teach me how to use Aura?

Fu: Same with me? I know how to use Aura Style Jutsu.

Sir Aaron: I would be honored.

Serena, May, Max, Bonnie, Clemont, Misty, Brock, Dawn, Cilan, Iris, Tracie and Gary Oak and all of Ash's friends wanted to learn Aura as well.

They got to work and we saw them learn fast and more and it was awesome! They could now use the power of Spiritual Energy in its pure form as a method of power and a weapon. It was awesome. We later went to the Tree of Beginning and when we got inside it we saw what could only be described as an amazing and unforgettable sight! It was a massive hollow rock formation and it was a gigantic terrarium home to thousands and thousands of species of Pokemon all across the board and it was incredible!

Me: WHOA!

Nico: Wow! This is unbelievable!

Laney: Incredible! Look at all the Pokemon!

Lincoln: I've never seen so many of them!

Me: This whole tree reminds me of the legendary Yggdrasil the World Tree from Norse Myth. This is amazing that it is home to this many Pokemon.

Varie: It's an incredible sight!

Kidd: It sure is. I will never forget all this.

Ash: Me neither.

Vince: This is incredible! It's like a huge terrarium in here.

Me: Just what I was gonna say partner.

Carly Carmine: It sure is breathtaking.

Me: I think that this tree shouldn't harm anyone human or Pokemon. When we take the Regis and the Antibodies down, we're gonna ask Mew if the tree can let anyone with a pure heart and anything in.

Ash: Good idea.

Me: I think the Antibodies and the Regis are a cancer to the Tree of Beginning.

Nico: Yeah.

Ash: I'll catch the Regice.

Serena: I can catch the Regirock.

Brock: And I can catch the Registeel.

Me: Good idea guys.

Then we saw Katnappe, Misty Tredwell and Snake appear.

Me: Katnappe, Misty and Snake.

Misty Tredwell: Yep.

Me: Glad you guys had a lot of fun at our swimming party.

Snake: It was awesome dude.

Katnappe: We had a lot of fun with you guys.

Me: We're glad.

Kidd: So you guys are part of the Masters of Evil?

Misty Tredwell: That's right.

William: You sure we should be battling here?

Katnappe: Relax. You guys just focus on fighting us.

Misty Tredwell: Then, when the antibodies and Regis get here, we'll handle the rest.

Me: I get it. It's part of a trap you have planned.

Katnappe: That's right. But this place is really something!

Misty Tredwell: It sure is. It's incredible that this is here in Canada.

Me: It sure is. We were amazed at what we saw here.

?: Let me help too.

We saw a figure come out and it was SPLIT MUSHROOM!

Split Mushroom: Call me… Split Mushroom! (performs a somersault rolling attack on Plant Man)

Plant Man kicked him back.

Me: Nice. Okay. Starfire, Persephone, Fiona, Nico, you all know what to do.

Nico: Got it!

Me: But be careful in here guys. This whole place is very important to the world of Pokemon and we don't want to damage it.

Starfire: Okay.

They went at them.

---

Battle 1: Katnappe

---

Starfire was facing Katnappe.

Starfire: Lets make this fight enjoyable.

Katnappe: You got it.

Starfire kicked Katnappe in the face and punched her all over and kicked her in the stomach and knocked her down.

Starfire: That was fun.

---

Battle 2: Misty Tredwell

Persephone was facing Misty Tredwell.

Misty Tredwell: No Duel Monsters this time. It's part of a trap.

Persephone: I know. Lets do it.

Persephone punched Misty in the stomach and kicked her in the back of the head and knocked her down.

Persephone: Nice.

Battle 3: Snake

Fiona was facing Snake.

Snake: Lets do this dudette.

Fiona: Lets.

Fiona punched him in the face and kicked him in the stomach and knocked him down.

Fiona: Nice!

Battle 4: Split Mushroom

Nico was facing Split Mushroom.

Nico: This is gonna be fun.

Split Mushroom: Yep. Lets dance.

Nico kicked him in the face and knocked him down.

Nico: Fun.

---

They were knocked down and then we saw REGICE, REGIROCK, REGISTEEL and the Tree of Beginning ANTIBODIES APPEAR!

Me: Now!

Misty Tredwell snapped her fingers and we were on the fiery volcano planet and home of the Pyronite's, Heatblast's species, PYROS!

---

Pyros is a wide-open landscape of endless natural wonders: Infernal plumes erupt miles into the atmosphere and raging rivers of molten lava cut massive swaths across the fire-filled tundra. On the world of Pyros, rivers of molten lava cut through the endless fire-singed tundra. The planet is covered in active volcanoes. The intense heat makes the planet uninhabitable for most other species, such as humans. The largest mountain on Pyros is Mount Helios, though it is also an active volcano. Dropping an Ice Egg into it will cause a chain reaction that freezes the surface of the entire planet and prevents Pyros from overheating.

---

Me: Whoa!

Nico: Wow! Look at this planet!

Misty Tredwell: This is the Planet Pyros. It's Heatblast's home planet and it is home to the Pyronites.

Me: Wow! So this is the planet Pyros. It's a volcano planet.

Ben: I've always wondered what Heatblast's home planet was like.

Riley: This place is really infernal!

Nico: It's really hot here.

Alan Albright: This is amazing! I've always wondered what the home of my Pyronite heritage is like.

Misty Tredwell: You're part Pyronite?

Alan Albright: That's right. I'm half human and half Pyronite. My mother is human and my father is a Pyronite.

Me: But this is amazing how we're here on Pyros.

Shanan: It sure is and we are also 3,820 light-years away from Earth.

Nico: Wow.

Me: We can sightsee later. Lets take them down.

Katnappe: I'll take the Regice.

Misty Tredwell: I'll face the Regirock.

Snake: And I'll face the Registeel dudes.

Split Mushroom: And that leaves me with the Antibody.

Then we saw the Antibody grab him!

Split Mushroom: Hasta la vista, assholes!

He glowed and then exploded with incredible power in a massive explosion of fire!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

We shielded ourselves from the blast!

Me: WHOA!

When the smoke cleared we saw that the Antibody was badly discombobulated and melted all over from the power of the blast and really mangled up.

Me: WHOA! That was awesome!

Laney: He blew himself up to slow down the antibody.

Piccolo: This is like what happened with the battle with Majin Buu.

Nico: No kidding!

Me: Lets power up and get them guys!

Gia: I can't believe I'm saying this. But we're not gonna let Split Mushroom's sacrifice be in vain!

Megaforce Rangers: Legendary Ranger Mode: Jungle Fury!

The Megaforce Rangers turned into the Jungle Fury Rangers.

We went at them!

## Battle 5: REGICE

Starfire and Katnappe were facing the Iceberg Pokemon, Regice.

Starfire: This is gonna burn him!

Starfire blasted Regice all over with powerful blasts of energy and Katnappe blasted him with cat blasts and more and the blasts hit him and exploded!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOMMM!

Katnappe: Meet my Pokemon!

Katnappe called out her Pokemon. She had a Persian, Liepard, Purugly, Mega Liepard, and Absol.

Starfire: Wow! Awesome Pokemon choices. I never saw a Mega Liepard before.

Katnappe: Just had my second Liepard turn into a Mega Liepard.

Starfire: Cool!

Katnappe had her Pokemon fire their attacks and they hit Regice and explode!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

Regice was down and Ash threw a Pokeball and it caught him!

Ash: Yeah!

Starfire: Awesome job Ash!

Ash: Thanks Starfire.

Katnappe: Well done.

---

Battle 6: REGIROCK

---

Persephone and Misty Tredwell were facing the Rock Peak Pokemon, Regirock.

Persephone: Lets do this!

Misty Tredwell: Lets! I summon EARTHBOUND IMMORTAL CCARAYHUA!

She summoned the Lizard Earthbound Immortal Ccarayhua!

Persephone and Misty fired waves of green energy and they hit Regirock and Ccarayhua fired blasts of green fire and the blast hit Regirock and exploded!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Misty Tredwell: Meet my Pokemon.

She called out her Pokemon. She had a Serperior, Salazzle and a Mega Seviper!

Persephone: Wow! A Mega Seviper.

Misty Tredwell: Yep. I figured it would be perfect for me as a user of reptiles.

Persephone: Nice!

They fired energy blasts and her pokemon fired blasts of power and they hit Regirock and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Regirock was knocked down and Serena threw a Pokeball and she caught the Regirock!

Serena: Yeah!

Misty Tredwell: Well done Serena.

Persephone: So how does it feel to have your first Legendary Pokemon?

Serena: It feels incredible.

Persephone: But great job.

Serena: Thank you.

---

Battle 7: REGISTEEL

---

Snake and Fiona were facing the Iron Pokemon, Registeel.

Snake: This is gonna be awesome dude.

Fiona: Yeah!

Snake fired laser blasts and Fiona fired waves of lightning and they hit Registeel and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Snake: Meet my Pokemon dudes.

Snake called out his Pokemon. He had a Mega Tentacruel, Mega Heatmor, Mega Chandelure, Mega Lunatone and Mega Solrock!

Fiona: Wow! You have a Mega Tentacruel, Mega Heatmore, Mega Chandelure, Mega Lunatone and Mega Solrock? That is awesome!

Snake: Thanks Fiona.

Fiona: Awesome!

They fired blasts of energy and more and they hit Registeel and exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Registeel was knocked down and Brock threw a Pokeball and he caught it. He caught his first Legendary Pokemon.

Fiona: Nice one Brock.

Snake: Ha ha! Way to go dude.

Brock: Thanks guys.

## Battle 8: ANTIBODY!

We regrouped and we were facing the Tree of Beginning Antibody!

Me: Thank you Aaron.

We were back in the Tree of Beginning and the Masters of Evil came.

May: That was very clever of you guys to get us to Pyros.

Me: It sure was.

Misty Tredwell: Well, I figured that it would be perfect since 2 of the Regis are weak to fire.

Kaz: You know that Ulmar's not gonna be happy when he finds out you guys stole one of his Flux Baubles.

Snake: I'm sure he'll take it like a man.

Me: Lets hope so.

Katnappe: Sorry if seeing the Tree of Beginning was traumatizing to some of you guys.

Ash: It's alright. Our deaths back then was years ago.

Me: But they were brought back to life thanks to Mew.

Katnappe: Good.

With that, the Masters of Evil teleported out.

Me: This was intense. But we got to see what the world of Pyros was like.

Alan Albright: We sure did. It was cool seeing the planet where my father was from.

Ben: It sure was.

Laney: I can't wait to see what the planets of Ben's other aliens are like.

Nico: Yeah me too.

We went and found Mew and we asked him to have everyone welcome in the tree and he gladly accepted.

Kidd Summers: (To the viewers) We had an awesome adventure and it was awesome seeing another planet. But be careful where you go and with what happens to you.

Me: Yep.

We went back home.

---

When I was finished everyone that hadn't heard about it was amazed.

Leeli: Wow that is amazing.

Applejack: That is really cool. We weren't with y'all back then with it happened but that is amazing.

Rarity: Oh I must agree there darlings.

Rainbow Dash: That is so awesome.

Nico: And we had an awesome pool party too.

Carly Atlas: That was so much fun.

Qin: It sure was.

Jun: I think it will be an awesome place to relax.

Me: And it was awesome battling the 3 Regis here.

Nico: A perfect place to meet their Gene Slammers.

Me: Yep.

Eli: But I sense that there are 3 more too. There's ones for Regidrago, Regieleki and Regigigas.

Qin: Whoa! This is more than we bargained for on this one.

Xenia: Yeah.

Nico: All we can do is wait

Me: Lets head inside the tree.

We went towards the tree and got close.

Leeli: Wow! This tree is amazing!

Camie: It's as big as a regular size World Tree.

We looked back and saw that our World Tree Estate was 3000 times larger than the Tree of Beginning.

Me: Wow! Our tree practically dwarfs the Tree of Beginning.

Xenia: No kidding.

Me: We didn't have that before when we came here.

Xenia: Yeah.

Nico: We sure didn't.

We flew into the Tree of Beginning and Jun and everyone that hadn't seen it was amazed! They saw that the tree was a beautiful Eden Utopia Paradise for Pokemon and nature!

Jun: Wow!

Nico: Beautiful, isn't it?

Camie: Wow this is magnificent!

Leeli: Oh wow! Look at all the beautiful plants and the Pokemon.

Lana: It's a perfect paradise.

Fu: It's like a perfect haven for many creatures. Just like when I used to live in a grove in the Sacred Tree in the Hidden Waterfall.

Xenia: That's true.

Fluttershy: Oh it's absolutely beautiful.

Rarity: It most certainly is darlings.

Me: Yeah. Also we were here two months before we met you girls. That was before the Great War with The Royal Defenders.

Misty Tredwell: I remember that. That was awesome.

Carly Atlas: It sure was. And we killed Rotwood back then.

Me: Yeah we sure did.

Nico: Back then when he and his group didn't redeem themselves.

Me: Yep. That was about 6 months before the 20 Days of Darkness.

Qin: Yeah.

Nico: Yep.

Me: Hey look here.

We saw a robot.

Me: Hey it's the Breakfast Tron 9000.

Nico: Wow.

Me: Yep. This was a robot that was built to make breakfast. This robot was declared a hunk of junk. But Dr. Donavan unveiled a new product for Quark.

Nico: Really? What was it?

Me: It was a really spiffy fluid alloy microchip system. It was called the Nanotech Upgrade and Repair Droid System or N.U.R.D.S. for short.

Nico: Whoa!

Lisa Loud: I was really amazingly fascinated by what they can do.

Nico: Boy that is really cool.

Me: I saw them in action myself. Dr. Donavan smashed this thing into a cube in the crusher and he used the N.U.R.D.S. on it and they fixed it up no problem. Even if it was blasted into a million pieces it was fixed perfectly.

Nico: Whoa! That is one resilient batch of machines there. Did you see them do that?

Me: Yep. I blasted the Breakfast Tron 9000 into a million pieces and the N.U.R.D.S. just fixed it up (Snaps Fingers) no problem.

Nico: Wow! Those are some amazing nanotechnological feats of engineering.

Lisa Loud: I was just about to say the exact same thing.

Nico: I'm impressed.

Me: Me too.

Nico: Something's off about it though. (gets an idea) Eli, can you sense for Swartz's creations?

Eli: I sure can.

Eli concentrated.

Eli: (GASP) This robot is one of Swartz's creations. It's Another Breakfast Tron 9000.

We gasped.

Nico: Okay. I want to know the robot's real identity!

Me: I wonder if this thing is still even on. Lets see.

BREAD LOAF MAGISWORD!

I got 2 slices of bread and put them in its toaster and it cooked it.

CLICK CLICK.

I took the toast and sniffed it.

Me: Perfect Golden Brown. Yep it's on.

Nico: Okay then.

Another Breakfast Tron 9000: (In a girls voice) (French Accent) Oui oui good to see you again my dear friend J.D.

Chloe Bourgeois: Wait I know that voice. Audrey Crepe Suzette?

Another Breakfast Tron 9000: Oui oui. Good to see you again too Chloe.

Nico: This is one of those moments where it appears the robot is deactivated. But then, it shows it's alive.

Me: Yep. But I know Audrey. She is one of the greatest breakfast restaurant chefs in the city. She comes from France and makes really awesome breakfasts.

Nico: That is cool! Wait I remember seeing you when I met Marinette one time. You made an awesome caramel vanilla crepe suzette flambé. That was so good.

Another Breakfast Tron 9000: Oui that was good.

Me: Yep.

Qin: Boy that sounds really tasty.

Me: Yeah. After we save you we'll give you a job at Lynn's Table. That good?

Another Breakfast Tron 9000: Oui I would like that.

Nico: And Lila Rossi's dead.

Another Breakfast Tron 9000: Sacre Bleu! Zat monster was loose!

Me: She was. And we destroyed her. Permanently.

Chloe Bourgeois: I guess you didn't get the memo.

Nico: Yeah.

Rarity: My sister shot her through the chest.

Me: She sure did. And Marinette banished her spirit to the Black Gates.

Qin: Good riddance to bad rubbish.

Me: That is one stain on our souls that is gone for good. Except for the X-Squad version of Lila.

Nico: Yeah.

Another Breakfast Tron 9000: That I can live with.

Me: Good.

Misty Tredwell: By the way is there Another version of myself here too?

Another Breakfast Tron 9000: Yes there is and she is friendly.

Me: We were just about to ask if she was Hostile or Friendly. But that's a relief.

Nico: Who's up first?

Chloe Bourgeois: I'll go. She is a native of France after all.

Zocks: Go for it.

Nico: Go for it, Chloe!

Chloe went over to her.

Chloe Bourgeois: This will be good.

Another Breakfast Tron 9000: It sure will.

Chloe fired a beam of magic and it phased through the robot and knocked a girl out of it and she had black hair and a French beret and had a black and blue striped shirt and purple skirt.

I caught the Wonder Ride Book and it was called The French Chef of Deliciousness.

I went over and brought Audrey over.

Me: That was cest magnifique.

The Breakfast Tron 9000 was just another ordinary robot now.

Me: So the Another Breakfast Tron 9000 was turned into that because she was merged with it.

Nico: That is freaky.

Xenia: Yeah.

Varie: No kidding.

Nico: Now for the treasure.

Nicole: Oh that reminds me. There is a treasure that is said to be buried here in the Tree of Beginning.

Eli: That is gonna be interesting.

Leeli: That is gonna be so cool.

Sakura Knudson: I agree there. I'm looking forward to this one.

Nico got out a shovel.

Nico: Ready.

Nicole: Lets go.

We followed Nicole and got to searching. Nicole was using a metal detector.

Nicole: Hmm.

Nicole then found something.

Nicole: Found something!

Nico dug at the spot she marked with an X and then…

THUNK!

Nico: I hit something!

Vroon: I'll get it out!

Nico: Let me get out first.

Nico got out of the hole and Nico and Vroon pulled out a chest.

Nico: Wow.

Me: Lets see what's in it.

We opened it and inside it was a beautiful emerald green blade sword and it had a pink handle and hilt.

Nicole: Wow! The Sword of Yggdrasil!

Nico: Wow!

Me: It's beautiful!

Nicole: Legends say that this sword is imbued with the powers of all nature and can control everything in life and make new life and more.

Camie: That is cool!

Jun: Wow!

Nico: Who wants it?

Sakura Knudson: I'll take it.

Me: Go for it sis.

Qin: Yeah.

Sakura Knudson: Here we go.

She went and picked up the sword and then the blade glowed and she underwent an incredible transformation!

(ESCAFLOWNE INTRO FOX KIDS EXTENDED PLAYS)

She was enveloped in a massive vortex of flowers and nature and her power was increasing tremendously. Her clothes gained awesome sparkle power and she had beautiful earrings of flowers on her ears and had sparkling wings now too.

When it was done we were amazed!

Me: WHOA!

Nico: Wow! Sakura how do you feel?

Sakura Knudson: Incredible! This is so amazing guys.

Qin: Wow!

Maria: Now for backup.

She pulled out the M.O.E. Cannon.

Maria: (TURNS DIAL) BLOB FORCE 6!

She summoned Carmen Dillo, Blob, Blob Homer, Universe 666 Tyrian Callows, Brain Eating Meteor And Ganda along with 2015 Blob that Ate Everyone, Yost Blob, Boneless Peter and H.G. Blob (Futurama).

Nico: Nice!

Qin: Slimy yet satisfying.

Nico: Now, we wait.

Me: Uh we won't have to. Look.

We saw a figure come out and it was a dark version of Misty Tredwell! It was ANOTHER MISTY TREDWELL!

Qin: WHOA! Another Misty Tredwell!

Misty Tredwell: This one is really amazing.

Sakura Knudson: It sure is.

Another Misty Tredwell: (British Accent) I do look amazing don't you agree.

Me: (GASP) Bianca Roselita!

Nico: Whoa the famous bikini swimsuit supermodel!?

Me: Yep.

Another Misty Tredwell: It's good to see you again J.D.

Me: Same here Bianca. I saved Bianca from a bunch of rapist thugs that were out to kill her and she was forever grateful to me.

Another Misty Tredwell: That was awesome.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Another Misty Tredwell: Just to be with J.D.

Me: Well that can be arranged.

Qin: That is DEFINITELY something J.D. can do.

Me: Yep. Oh Kaito, Zocks, you're going to like these. Made these after watching Donbrothers.

I gave them King Ohger gears.

Kaito: Cool! I wonder what these will do.

Me: You'll like this. I call the King Ohger team the Excalibur Force.

Nico: Cool!

Kaito: No harm in trying them out now.

Me: I know it's far too early and we still have to wait about another year to a year and a half but it will be interesting.

Kaito and Zocks activated the gears and they got AWESOME MEDIEVAL STYLE POWER RANGER CRUSADER ARMOR!

Nico: COOL!

Me: Just like the Medieval Times back 1,500 to 2,000 years ago.

Qin: That is so cool!

Another Misty Tredwell: That is awesome! And Swartz also did something unexpected with me.

Me: What did he do?

Another Misty Tredwell: He gave me the powers of Another King Ohger Red.

We gasped!

Me: WHOA! So when we defeat you we'll get OhgerCalibur swords imbued with the powers of the Masters of Evil.

Nico: Wow! This is gonna be awesome to see!

Me: Yeah no kidding. Especially when we have 46 years of arsenal from all the series.

Nico: Yeah.

Qin: Yep.

Nico: (gets out Misty Tredwell's Ridewatch) First time fighting Another Dark Signer.

Me: Yeah it sure is.

Nico activated it and fired waves of green fire and smashed her down!

Nico: And for the invisible. (ACTIVATES CAMMY CHAMELEON'S RIDEWATCH!)

He went invisible and blasted her with fire.

Me: Nice one!

May: Lets see what this does. (ACTIVATES LENA HYENA'S RIDEWATCH) A MAAAAAAN!

She donned a really ugly face and went bonkers and went after Another Misty and jumped her.

It was funny!

May: Remind me NEVER to do that again. (ACTIVATES CHESS COOKIES RIDEWATCH)

She fired waves of cookies and smashed her down.

Me: Checkmate!

Maria: That was cool. Watch this. (ACTIVATES MAD FIREFIGHTER CLOWN'S RIDEWATCH) RUN!

She fired waves of water and smashed her down.

Maria: And this. (ACTIVATES NAJA'S RIDEWATCH)

She fired waves of energy and blasted her down!

Me: OH YEAH!

Nico: YEAH!

Hex: Time for this. (ACTIVATES CAMMY CHAMELEON'S RIDEWATCH)

She went invisible and fired skulls and smashed her all over.

Then Skalamander and his team consisting of Bassoon Burns, Old Man Oldman, SHS Pyro, Lizard (Spiderman TAS) and Gigantomachia came.

Nico: Nice team, Skalamander!

Skalamander: Thanks.

Qin: That means that Chris is coming next! (SQUEALS) Awesome!

Camie: It sure is!

Maria: I know who's coming next.

Me: Yep. Them!

We saw the 6 Regis Pokemon!

Me: Cool! Regice, Regirock, Registeel, Regieleki, Regidrago and Regigigas!

Qin: WHOA!

They had Another Misty Tredwell surrounded.

Regice: (In a girls voice) (Australian Accent) It's good to see you Nico.

Regirock: (In a girls voice) Australian Accent) Same with you Qin.

Qin: The McArthur sisters!? Whoa!

Nico: Wow awesome to see you girls again!

They reverted back and were each girls that had angel wings and hair and clothes that matched the Regi Pokemon they were.

Nico: Guys meet Regina, Reggie, Rika, Reese, Remmi and Reggia McArthur.

Regina: Awesome to meet you mates.

Me: Same here.

Reggie: We got this.

They fired waves of elements and blasted down Another Misty and I caught the ridewatch and purified it. I went over to Bianca and she was a girl with a black dress and had black hair and she even had the Nazca Line of the Lizard on her right arm.

I brought her over.

Hex: Any favorite memories of Nico?

Reggia McArthur: (Australian Accent) We have a lot of memories.

Remmi: (Australian Accent) Yeah mates they were all fun.

Reese: (Australian Accent) This one time we went down into a cave under Ayers Rock and we found an amazing treasure there.

Rika: (Australian Accent) It was the Diamond of Eingana.

Nicole: Wow! That diamond is said to be the largest Teal Green Diamond in the world. Extremely Rare.

Regina: That's right mate.

Nico: Fun times.

Nico hugged them.

Nico: I missed you girls.

Regina: We missed you too Nico.

Maria: I'll get jumpsuits for the next ones.

Me: And they are Latias and Latios right?

Nico: Yep.

Qin: Cool!

We saw lots of OhgerCalibur swords all over the ground and they each had the powers of the M.O.E.

We picked them up.

Long ago, he was once a human who was an intelligent man and he was also in the same school as Lori and Becky Long. But, Becky Long knew of his true nature: he was really a madman who wants nothing more than world destruction, and he caused a lot of havoc and destruction with his creations: everything from gigantic robots to mutant monsters created by his mad science. But, his last plot for world destruction was brought to an end by Becky Long and her sisters, but Xavier refused to be brought in to face his punishment, and he took his own life by swallowing a cyanide pill. But, now years later, Xavier Andrews was brought back from the dead as an undead monster and his desire for world destruction and revenge on Becky Long and her sisters is still on his mind even after death, but we're going to make sure this monster stays dead once and for all.

Lincoln: Ah, Phoenix, Arizona, nice to be back here, and I know what we're going to do here, not only am I going to rescue the six girls here, but Becky, we got big trouble: an old enemy of you and your sisters has come back, Xavier Andrews, but he's been turned into an undead monster.

Becky Long: Xavier's back, but that's impossible, he took his own life.

Nico: He took his own life?! Uh oh, I'm not going to like hearing about this one bit.

Lincoln: You definitely aren't, especially of who we're dealing with. Xavier Andrews was once human and intelligent and he was also in the same school as Lori and Becky Long. But, Becky Long knew of his true nature: he was really a madman who wants nothing more than world destruction, and he caused a lot of havoc and destruction with his creations: everything from gigantic robots to mutant monsters created by his mad science.

Me: Just what the world needed: another fucked-up mad scientist messing with the laws of nature for his desire for world destruction

Becky Long: But, his last plot for world destruction was brought to an end by me and my sisters, but Xavier refused to be taken in to custody to face his judgement, and he took his own life by swallowing a cyanide pill.

Lincoln: He took the coward's way out. But, now years later, Xavier Andrews was brought back from the dead as an undead monster and his desire for world destruction and revenge on you and your sisters is still on his mind even after death, but we're going to make sure this monster stays dead once and for all, and I want to thank you and your team for joining us, Gaz.

Gaz: No problem, Lincoln. Now, where to find that undead monster?

Becky Long: He can't head back to his lab, after he took his life, we immediately deleted all his files and had the lab destroyed, all his research into creating weapons of destruction were all gone.

Nico: That was some quick work you and your sisters did, Becky. Plus, we'll also run into another of Ranamon's sisters.

Ranamon: We've already run into Hikenmon, Kohamon, Rakuraimon, Kukimon, Korimon, Kagemon, and Kinzokumon. Ooh, I hope the next one we run into is Kessekimon.

Suddenly, we saw B.E.S. Big Core MK-2 and Amazoness Augusta appear before us, and with them are the six girls.

Nico: Whoa, that's B.E.S. Big Core MK-2 and Amazoness Augusta.

Amazoness Augusta: (Girl's voice) (Southern Accent) Oops, sorry about the scare, y'all.

B.E.S. Big Core MK-2: (Girl's voice) But, we also got the six girls away from our old enemy, Xavier Andrews, and whoever brought that repulsive ape back is going to get burned badly!

Lincoln: (Gasps) That voice from B.E.S. Big Core MK-2, I knew it was you, Elsa Long, and that voice from Amazoness Augusta, I knew we'd run into you, Kessekimon.

Suddenly, we heard a loud inhuman roar, and we saw our target: a young man with black hair, pale skin, white dead eyes, and dressed in clothes that were rotting, it was Xavier Andrews, the long-dead madman and enemy of Becky Long and her sisters.

Nico: So, that's Xavier Andrews.

Lincoln: Yep. The madman who wanted to destroy the world but eventually took his own life after his last plot failed years ago, now it's high-time we ended him, this time, for good.

Then, Lincoln pinned Xavier Andrews with four stakes driven into his hands and legs so he couldn't even move, and then, he took out a fifth stake, this time, it had the Judgement Kanji etched on it, along with Kanjis for Purification and Banishment, and the kanjis were glowing, and Lincoln drove it into Xavier Andrews' black heart, and not only did it end his undead life and banish his spirit to The Black Gates forever, it also destroyed his body for good so that it can never be brought back from the dead again. We cheered as we holstered our weapons and powered down.

Lincoln: That's one thing you've never learned about, Xavier, and that's never to mess with someone who has experience in dealing with the undead. (To Elsa Long and Kessekimon) And it's so good to see you again, Elsa Long and Kessekimon.

Elsa Long reverted back to normal, and she's a beautiful girl with long red hair, red eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful red angel wings, she's dressed in a red vest, red crop top with red beaded necklaces, red skirt, red pants, red legwarmers, red sneakers, and long white long-sleeved trenchcoat with fire and space ships on the coattails and on the back is B.E.S. Big Core MK-2, and holstered on her back is a massive B.E.S. Big Core MK-2-themed greatsword with embedded red gems and B.E.S. Big Core MK-2 etched on the 7'0" massive, wide, double-edged red blade, large B.E.S. Big Core MK-2 heads for the crossguard, large red gems embedded in the hilt, longer midnight black handle, four large B.E.S. Big Core MK-2 heads and large red gem on the bottom of the large B.E.S. Big Core MK-2 heads for the pommel.

And Kessekimon reverted back to normal, and she looks like Ranamon before she transformed into her Super Angel Xelnaga Eternity Infinity form, but the color schemes for her match the element that she uses: earth, she was tall at 6'5" in height, she has the body of a goddess, she has massive and beautiful orange angel wings, and she has a long white sleeveless trenchcoat with earth, rocks, and plants on the coattails, and on the back is Boo'qwurm, and holstered on her back is a massive Amazoness Augusta-themed greatsword with embedded orange gems and Amazoness Augusta etched on the 7'0" massive, wide, double-edged orange blade, large Amazoness Augusta heads for the crossguard, large orange gems embedded in the hilt, longer midnight black handle, four large Amazoness Augusta heads and large orange gem on the bottom of the large Amazoness Augusta heads for the pommel.

Elsa Long: You too, Lincoln.

Kinzokumon: I agree, it's been a very long time.

Lincoln went up to Elsa Long and Kessekimon and he hugged them, and Elsa Long and Kessekimon are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, Elsa, and I haven't seen you since I was eight, Kessekimon, and as you can see, I really grew a lot since then.

Elsa Long: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness.

Kessekimon: You've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we also met your familiars, and they are really awesome.

Nico: Whoa, Lincoln, you know these two girls?

Lincoln: Indeed I do, Nico.

Becky Long: And so do I. The B.E.S. Big Core MK-2 Gene-Slammer is Elsa Long and she's one of my sisters, she's Lincoln's Guardian Angel from Michigan, and like me, Elsa Long is a very strong and powerful technomancer, and like me, she was pronounced braindead at age 4 and the doctors came up with the very same risky and dangerous operation. They replaced her dead brain with an artificial Positronic Brain, and it gave her incredible powers of Technokinesis and it also turned her mind into a very incredible computer capable of storing an infinite amount of information and unleashing the full 100% of her brain power.

Me: Whoa.

Becky Long: And when she got Gene-Slammed into B.E.S. Big Core MK-2, she also gained powerful fire powers, where as I gained powerful darkness powers, and just like me and my other sisters, Elsa is also in Lori's school and she's protected Lincoln from the worst of Lisa Loud's fury and almost got Lisa disowned and sent to a nuthouse in the federal prison system forever as well as have all of her science stuff confiscated by the scientific community forever.

Elsa Long: I've hated that heartless emotionless mad scientist with a passion for what she did in subjecting her little brother and her family to her mad experiments.

Lincoln: Well, you're not going to like this bit of news, Elsa: J.D. found out that the person responsible for turning Lisa into the heartless, emotionless mad scientist, you, your eldest sister, and your other sisters have hated was none other than Killjoy Huggins.

Elsa Long: (Gasps) What?!

Becky Long: It's all true, Elsa. Killjoy Huggins, the Dark Side of Principal Huggins, turned Lisa, Lori, Lynn, Lola, and Luan into those heartless monsters by injecting them with a Dark Side Creation Serum when Lincoln was in Third Grade, so he can get rid of Lincoln once and for all. He did this and right under our noses the whole time.

Lincoln: But, you don't have to worry, we removed that killjoy from Principal Huggins, and we dealt him a massive payback for all the crap he's done to me.

Me: And Lincoln sent him to The Black Gates forever, thus ending the source of his pain and suffering for good.

Elsa Long ran up to Lincoln and hugged him tight, and he hugged her as she cried onto his chest.

Eli: Killjoy Huggins really did a lot of damage on that day.

Lincoln: Becky's sisters had no idea that miserable killjoy did all that under their noses, and all to kill me because he hated me. Now, I'm really glad I killed him, he's one person who deserved to die for everything he put me through. And the Amazoness Augusta Gene-Slammer is Kessekimon, the seventh of Ranamon's Elemental Digi-Sisters and The Warrior of Earth. She and I would play sports together and we even danced around lava, and I've even danced the tango with Kessekimon and I even made her a necklace. To show thanks, Kessekimon kissed me on the lips, and she hates Billy McLean with a burning passion.

Me: What did that murderous traitor to all of Canada and mankind do to earn her wrath?

Nico: Whatever he did, it's probably a thousand times worse than all the revelations we'd heard about him, and Lincoln told us the whole story when we met your sister, Hikenmon.

Kessekimon: I knew he and Ranamon would tell the story one day. (To Lincoln) Oh, Lincoln, there's something we also want to give you.

Lincoln: Let me guess, you and Elsa want to give me your blood, right?

Elsa Long: How'd you guess what we were about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Kessekimon: Ooh, I knew it was a matter of time before you'd start marking your future wives.

Ranamon: He already marked me a year ago, and he marked

Hikenmon, Kohamon, Rakuraimon, Kukimon, Korimon, Kagemon, and Kinzokumon, and he'd since marked your sister, Elsa.

Lincoln first went up to Elsa Long, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

And Lincoln then went up to Kessekimon, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Kessekimon: You're still just as gentle as ever when you feed on one of your Guardian Angels, Linky.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Elsa Long and Kessekimon with red and orange gems on the gold lightning bolts and red and orange crystal links from their merged Crystal Necklaces of The Buddha along with two Elemental Thunderbird Chokers of Eternal Love on their necks.

Elsa Long: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Elsa Long and Kessekimon.

Elsa Long and Kessekimon had a smile on their faces and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around them, and he leans down to each of their face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw who they were, he immediately recognized them. The six girls are Sarasa Saionji, Himeji Shirayuki, Noa Akizuki, Shiina Tsumugi, Fuuka Tatara, and Natsume Ichinose from Liar Liar.

Lincoln: Oh wow, it's Sarasa Saionji, Himeji Shirayuki, Noa Akizuki, Shiina Tsumugi, Fuuka Tatara, and Natsume Ichinose from Liar Liar.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Sarasa Saionji: Yes, we're okay, thanks to you.

Then, when Sarasa Saionji and the other five girls saw who it was that saved them from the undead monster, Xavier Andrews, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, his own version of He-Man's chest harness with colored gems on the orange straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted search Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, Defender of His Many Guardian Angels, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, his male white Rabbit Familiar, Alistair, his white Vampire Bat Familiar, Artemis, and his white Wolf Familiar, search Seiko, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

Sarasa Saionji: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Sarasa Saionji: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Sarasa Saionji, Himeji Shirayuki, Noa Akizuki, Shiina Tsumugi, Fuuka Tatara, and Natsume Ichinose with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and they were shocked to find out the villain we went after was an old enemy of Becky Long and her sisters: a mad world-destroying monster named Xavier Andrews, but the bad news: he came back from the dead as an undead monster. But, long ago, he was once a human who was an intelligent man and he was also in the same school as Lori and Becky Long. But, Becky Long knew his true nature: he was really an evil madman who wants nothing more than world destruction, and he caused a lot of havoc and destruction with his creations: everything from gigantic robots to mutant monsters created by his mad science. But, his last plot for world destruction came to an end by Becky Long and her sisters, but Xavier refused to be brought in to face his punishment, and he took his own life by swallowing a cyanide pill. But, years later, Xavier Andrews was brought back from the dead as an undead monster and his desire for world destruction and revenge on Becky Long and her sisters is still on his mind even after death.

But, when Lincoln showed what happened such as all of us beating down that madman, and finally Lincoln finishing him off by impaling four stakes: two in his hands and two in his feet, and finally a fifth stake with the Judgement Kanji and the kanjis for Purification Banishment and he drove it into Xavier Andrews' black heart, and not only did it end his undead life and banish his spirit to The Black Gates forever, it also destroyed his body for good so that it can never be brought back from the dead again, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln, Elsa Long, and Kessekimon have a lot of catching up to do, now that they're back in town.

Maria: Oh man, I remembered hearing about this guy, he was one seriously fucked-up monster who was obsessed with destroying the world, sheesh, and he was in the same class as Lori and Becky Long.

Lincoln: But, Becky knew of his true nature and she and her sisters have foiled him at every turn, but like a coward, he chose the coward's way out by swallowing a cyanide pill and committing suicide, so he won't have to answer for his crimes.

Me: And then, years later, someone decided to fuck around with dark magic and bring him back from the dead.

Nico: If we find out Damian was the one behind this, he's basically crossed another line yet again.

Suddenly, we heard a loud and extremely pissed off demonic scream from the distance, and that was proof positive that Damian Constantine was behind it.

Buster Bunny: So, it was Damian who brought him back. Now, it's personal.

Lincoln: Come the day of The Ridonculous Race, he and his demonic constructs are so going to die.

---

After destroying Xavier Andrews, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Elsa Long and Kessekimon saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Elsa Long: Whoa, I was right that Lincoln's really grown into a 17-year-old, 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Kessekimon: He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Kessekimon: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Elsa Long: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Elsa, Kessekimon, what's the stories you have on why you hate Lisa and Billy McLean with a burning passion?

Kessekimon: Uh oh, I was hoping you'd ask that. One day, Lincoln and I were at Los Angeles and we were observing the volcano there. But, then, Lincoln sensed a presence and he and I fired a blast of lava at a bush, and it forced out a figure, and Lincoln saw who it was: it was Billy McLean, and he was out for revenge on Lincoln since he played his part in bringing him down, but we pounced on him and we pulverized Billy McLean and because of his Gessius Flores Vengeance Curse, more gold, jewels, and pearls came out of him, and we tied him up and sent Billy McLean back to Lynn's Table, and he was tied up back at his post.

Nico: Billy McLean just doesn't even know when to fucking quit, he really is a sore loser!

Luna: Big time, and he didn't even know our bro also has powers over earth and lava, thanks to him having elemental powers and the power of the cosmos and the universe, he really is a brain-dead loser and moron.

Elsa Long: Billy McLean really is nothing more than a pathetic excuse for a human being. Okay, now for my story, I make it no surprise I've hated Lisa with a blazing passion, because of all the hell she put Lincoln through with her trying to kill him with her insane experiments. One day, Lincoln and I were busy doing some homework at my house, since The Loud House isn't a perfect place for our homework. But, then, we saw something crash into my room, it was a smoke bomb, we escaped from the room, and we heard the sound of insane laughter. We looked out the living room window, and we saw who it was that did the dirty deed: it was Lisa, and she had her army of robots with her again, and she was out to capture and kill me by removing my brain and kill Lincoln. We'd absolutely had it up to hear with that heartless monster, and I used my technomancy powers and destroyed every last one of Lisa's robots, and we tied Lisa up with energy ropes Lincoln fired from his angel wings, and we dragged Lisa back home, and after we told Mr. and Mrs. Loud of what Lisa tried to do to us, she was grounded for sixteen weeks and she was thrown in a metal cage and tied up in a straitjacket, and she was screaming bloody revenge on us, but Lily whacked the cage with a mallet and Lisa crashed onto the floor.

Nico: Jeez, this was just like Becky's ordeal with Lisa. But, it also had the same end result: Lisa got her comeuppance and she got grounded again.

Me: Yeah, Lisa really was insane before we got rid of her Dark Side.

Lincoln: And I warned her: if she ever tried that same stunt with Becky's sisters, I was going to make her pay for this in the worst way imaginable: I'll call the Scientist Committee and they'll confiscate all of Lisa's lab materials and chemicals, along with rewards and certificates, and she'll be declared an enemy of the state.

Luna: And he's serious about that. Becky has friends in the scientist committee and with one phone call, Lisa will lose everything, and she'll be on her way to the nuthouse for the rest of her life.

We got a shower afterwards, and then, Lincoln, Lavender Lace, Fuchsia Blush, Mashiro Kuna, Riruka Dokugamine, Yachiru Kusajishi, LovelyAngemon, and QueenChessmon are heading to Bubblaine.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Lavender Lace, Fuchsia Blush, Mashiro Kuna, Riruka Dokugamine, Yachiru Kusajishi, LovelyAngemon, and QueenChessmon were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Lavender Lace, Fuchsia Blush, Mashiro Kuna, Riruka Dokugamine, Yachiru Kusajishi, LovelyAngemon, and QueenChessmon had feelings for Lincoln, and he had the very same feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant.

Lavender Lace: Wow, so this is Bubblaine, it sure is beautiful.

Lincoln: I've been here to Bubblaine before, Lavender Lace, and it's always beautiful, and it's perfect for our first date. Shall we?

Lincoln, Lavender Lace, Fuchsia Blush, Mashiro Kuna, Riruka Dokugamine, Yachiru Kusajishi, LovelyAngemon, and QueenChessmon dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Lavender Lace, Fuchsia Blush, Mashiro Kuna, Riruka Dokugamine, Yachiru Kusajishi, LovelyAngemon, and QueenChessmon got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Lavender Lace, Fuchsia Blush, Mashiro Kuna, Riruka Dokugamine, Yachiru Kusajishi, LovelyAngemon, and QueenChessmon, and they hugged the girls in their abnormally massive and powerful muscular arms, and Lavender Lace, Fuchsia Blush, Mashiro Kuna, Riruka Dokugamine, Yachiru Kusajishi, LovelyAngemon, and QueenChessmon placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Dolphin Shoals, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Lavender Lace, Fuchsia Blush, Mashiro Kuna, Riruka Dokugamine, Yachiru Kusajishi, LovelyAngemon, and QueenChessmon with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Lavender Lace, Fuchsia Blush, Mashiro Kuna, Riruka Dokugamine, Yachiru Kusajishi, LovelyAngemon, and QueenChessmon are now part of your harem.

Nico: And we knew Twilight and her friends introduced Lavender Lace and Fuchsia Blush to Lincoln, plus, more of Rukia's friends have also joined his harem, along with LovelyAngemon and QueenChessmon.

Me: You said it.

---

Later, Me and the Loud Kids were investigating the bank robberies that have been going on the last few hours. Right, Boa, Vivi, Nico and the rest of the team were walking around.

Boa: Good time to Be walking, huh, Right?

Right: Boy it sure is a gorgeous day for it.

Qin: You said it.

Vivi Nefertari: I agree there too.

Nico: Who's that over there?

Rght: No idea. Never saw her here before.

Nico: She does look familiar.

Qin: Yeah I've seen her before from somewhere.

Lyra looked at her with incredible suspicion.

Nico: Wait is that Sanae Isono? From Donbrothers?

Qin: Hmm.

Qin looked closer and she saw that it was her.

Qin: That is her. What's she doing here?

Nico: Lets go see.

---

At the bank me and the Louds and Leeli were investigating the robberies.

Me: Hmm. Mr. Bank President did you notice anything unusual about the bank robbers when they were taking all the money? Anything at all?

Bank President: Well he had a pig mask and he had this big hook and had this tattoo of a pig in front of a flaming engine block on his big fat belly.

Me: Aha! That's Junkrat and Roadhog all right.

Lincoln: Yep

---

Nico and group went over to her.

Sanae Isono: (to Right) Excuse me. Can you tell me how old I look?

Right: Honestly, you're 68 and still beautiful.

Sanae Isono: NO! Please. How old do I look? HOW OLD DO I LOOK?!

With that, she was surrounded by an energy circle with the ToQger logo. Then, she turned into RESSHAKI FROM EPISODE 2 OF DONBROTHERS!

---

Resshaki is the main antagonist in episode 2 of 2022 TV series called Avataro Sentai Donbrothers. She's a train-themed Hitotsuki possessing a ToQger Avataro Gear. She was originally Sanae Isono (磯野さなえ Isono Sanae), a part-time employee of the Shirokuma Express, whose desire is to look younger. She later evolves into Resshaking (列車鬼ング Resshakingu).

She is portrayed by Sachiko Matsuura, Sanae Yuki and Momoka Kuroki.

Sanae made her first appearance at the Shirokuma Express having lunch with her fellow employees as she asked them how old does she look like which they comment that she's in her forties or thirties, but once she'd asked Tarou he was spot on since she's about 68 years old giving Sanae a disappointment sigh at him. A while later she was in the bathroom looking at herself in the mirror with depression on her face as she'd wished to be younger and this is where her Hitotsuki comes into play as it possessed the employee.

Back at the Shirokuma Express Sanae has now looked a bit younger (thanks to the Resshaki's ability) as she's in her 40's which gives some confusion onto her employees, but once again she'd asked Tarou the same question and he gives her an honest answer 68 years old which still upsets her.

Back outside Sanae freaks out as Haruka accidentally bumps into her when she'd asked are you alright ma'am she then appeared in her 20's and asked Tarou once again, but he still gives her the same answer and with that she'd revealed her monster form as a cyclops with train armor as she fired out some train attacks to attack the pedestrian and absorbed the female civilians, so with that Haraku transformed and pinned the train demon down to the ground until they were spotted by Sonoi and he was about to eliminate her, but thankfully Haruka manages to push the monster out of the way so she won't suffer the same fate as Shisotsuki did in the first episode. However once she'd plead her loyalty by Sonoza to defeat Sonoi, but turns out he was working with him so with that Sonoi begins attacking Resshaki while Sonoza sends out an army of Anoni to attack Haruka. Thankfully Tsuyoshi and Tsubasa came in to save the day as they attack Anoni once they transformed into Ryusoulgers. A while later during the battle the whole group was then spotted Tarou as he transformed and join in on the fun as he started attacking Resshaki, but the generals won't allow it, so they tried to attacking Tarou, but he easily blocked every attack that they got on him especially when he goes into his Alter mode. Once the generals are gone the team can now settle against Resshaki without the possibility of eliminating her. Once he regained consciousness they brought Resshaki down for the count with this finisher called Avataro Slash.

However she'd manages to evolve into Resshaking which sorta resembles a demonic train with mechanical hands prompting Tarou to use his Rideon to open fire at the train monster only for it to fire back at him, so with that he then summons JuranTyranno to combined once again as DonZenkaiOh to battle the train demon. Now during the fight he began riding on top of Resshaking like some kind of horse, but Resshaking shook him off and creates another portal one after another until he destroyed the train tracks leaving Resshaking no where to go, so with that she was then purified by this finisher called Don Zenkai Crash, thus Sanae was back to normal, everyone that were captured are then freed and they got Sentai Gear #38.

---

THEY GASPED!

Nico: Resshaki from Donbrothers!

Lyra: I remember this one! She s the Red ToQger monster!

Astrotrain: Say the word boss and we'll blast her!

Lynn heard screams from outside.

Lynn: Do you guys hear that?!

Me: More than hear that! We got a Code: Donbrothers 12!

Lincoln: Donbrothers Monster Attack!

Me: Thanks for your time Mr. Bank President. Now we know who is responsible.

Mr. Bank President: You're welcome J.D. Go get that monster!

Me: With pleasure.

We went to help out.

Lyra punched and kicked Resshaki all over the place with powerful fury and kicked it down.

Resshaki got back up and she fired laser blasts and Lyra deflected them all over.

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOM

Massive fiery explosions blasted all over.

Luna: Dudes, how come we're missing these villainous breakdowns?!

Once again, Nico began to get suspicious.

Nico: (in my head) Get a fucking grip, Nico. 2 times is still a coincidence. If it happens again, THEN you can confront J.D. about it.

Me and everyone came.

Me: I heard that in your head Nico. And I remember Resshaki! She was old but wanted to still be beautiful! She is the ToQger Hitotsuki.

Nico: Yep.

Lyra slashed Resshaki all over with her sword and kicked her down.

Resshaki summoned lots of Anonis!

Me: Now we're talking!

I fired my blaster and blasted the Anonis all over.

Qin: Take this!

She fired fireballs and blew the Anonis all over.

Reshhaki: More younger! Younger!

Invisible Woman put up a force field around us to block the next attack. The civilians around us weren't so lucky as they were absorbed into the soapbox on her chest.

Me: I remember in the show that the best way to free them is to defeat her.

Nico: Just like on TV.

Xenia: Yep.

Xenia fired arrows and blasted Resshaki all over.

Lyra slashed the soapbox and destroyed it and freed them!

Nico: Or that works too.

Me: Lets see what our newest Legend Item acquirement can do.

I used the Lord Drakkon OhgerCalibur and it glowed a green dragon and I fired a blast and blasted her all over in a massive and powerful fiery explosion!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was blasted down!

Me: WHOA!

Jason Lee Scott: That was powerful!

Me: Boy no fucking lie there Jason!

Right: ToQ Change!

NOW TRANSFORMING PLEASE STAND BEHIND THE WHITE LINE!

In a flash of red light he transformed!

TOQ ICH!

Right: The Victorious Imagination! RESSHA SENTAI TOQGER!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM

A massive red fire explosion went off behind him and he was ready!

Qin: YEAH!

Right: FULL SPEED AHEAD!

Me: With Hypersonic Bullet Train Fury!

We ran fast and blasted the Anoni all over and I kicked Resshaki down and Right slashed her all over.

Then a figure came out and it was CAPTAIN CHAKU, the interstellar police officer from Beast Morphers!

Vivi Nefertari: Captain Chaku?!

Captain Chaku: That's right.

Nico: Boy we haven't met you yet.

Captain Chaku: But it's an honor to meet you now Nico.

Nico: You too Captain.

Devon: Chaku it's great to see you again.

Captain Chaku: Same to you Devon. Looks like you guys got your hands full.

Nico: You can say that again.

Resshaki: (to Captain Chaku) How old do I look… how old do I look… !?

Captain Chaku: (picking his words carefully) Ma'am, it's hard to answer that question when you're like this.

Not satisfied with his answer, Resshaki roared in fury and emits rainbow light from her eye at him.

Lyra deflected the blasts back and they hit Resshaki and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was blasted down.

Me: When she is like this there is no reasoning with her. Lets trying out one of the Avatar Gears.

I used Pyros' Avatar Gear and put it on my sword and it turned my sword into pure lava.

Me: Hot!

I swung it and fired a wave of lava and it hit her and exploded with incredible flames!

Me: WHOA!

Nico: AWESOME!

Me: Time for some lightning!

I used Electro's Avatar Gear.

I fired a blast of lightning and it hit Resshaki and electrocuted her all over.

Lyra: Wow that is awesome!

Resshaki created railroad tracks for herself to run on. She ran at us on said railroad tracks. Right charged at her.

Me: Time for Tennessee Kid Cooper's technique to be used.

Me, Lyra and Right used the Rail Slide and then…

KRASMASH!

We punched her and smashed her down with a devastating punch!

Qin: NICE!

Lola: That was genius!

Big Guy: Open wide ugly!

He fired laser and machine gun blasts at Resshaki all over.

Rusty fired Nucleoproton blasts.

Captain Chaku: Let me join in on the fun!

He fired laser blasts and blasted Resshaki all over the place.

Resshaki got up.

Rusty: She sure-a-shootin is tough.

Big Guy: She sure is.

Me: For such an old woman she sure is resilient.

Lyra: That is for sure!

Resshaki: How old do I look… how old do I look… !?

Demolishor: Um… 10?

Resshaki: Liar!

Me: Blast that fucking Noto Council! They made terrible monsters!

I fired waves of energy and blasted her all over.

Nico: They are definitely getting the black gates for their crimes on the big day.

Lyra: That is for sure!

Lyra fired waves of energy and blasted her all over.

Lyra: Time to finish this!

Lyra's sword glowed and she jumped into the air and slashed her and then…

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOO

Resshaki was dead! I caught the ToQger Avatar Gear. But instead of it being a red ranger it was for Right's Rainbow Ranger Form!

Me: The Rainbow ToQger Ich form! I remember seeing that one. That was so epic! But Resshaki you have failed this city!

Lyra: All's Well That Ends Well!

Sakura Knudson: That was so awesome!

Nico: Yeah it was!

Sanae Isono then vanished.

Sakura Knudson: What the!? Where did she go?

Me: Back home to Japan.

Qin: That was awesome!

Lyra: Yeah it sure was!

Nico: Number 2 of the Donbrothers monsters down.

Me: Yep. And Sonoshi I know you're watching.

Windcharger: We forgot to wait for the Gene Slammers!

?: Aw man we missed the battle!

Then a Latias and Latios came!

Me: Cool! Latios and Latias!

Nico: Wow! The Legendary Eon Pokemon.

Latios: (In a girls voice) That was so awesome though!

Latias: (In a girls voice) Yeah it sure was!

Nico: Kathleen and Kerry Meel!? Whoa!

Qin: Wow awesome to see you girls again!

Maria: What are your favorite memories of Nico?

Latias: We both have a lot of them.

Latios: But our favorite is when we were in summer camp and it was about to be taken over by these crazy mushroom monsters.

Ben: Wait were they the same mushroom creatures that took over a camp that we found?

Latios: Yes! How did you know?

Ben: Encountered the same ones ourselves.

Gwen T.: It was years ago.

Shanan: Those were not ordinary mushroom creatures though. They were called Amanitanians and they came from the planet Amanitas.

Nico: WHOA! Like a Fly Amanitas mushroom? The Deadliest mushroom in the world?

Shanan: The very same. But that was amazing you guys faced them.

Latias: Yeah that was cool.

Me: Lets get you girls back to normal.

I put on my blind man glasses and Nico got out a blue leotard and a red leotard. The boys covered their eyes. I snapped my fingers and they reverted back and Kathleen was a girl with red hair and blue eyes and Kerry was a girl with blue hair and red eyes and Nico gave them the leotards and they put them on.

They got up.

Kerry Meel: That was awesome.

Me: Glad you girls are back to normal.

Kerry: I can also turn into a boy.

Lana: You can do that!?

She used her powers and turned herself into a blue hair boy with red eyes.

Me: Wow!

Natsuru: That's like me when I can turn into either a boy or a girl.

Qin: That is very similar.

Xenia: It sure is.

Kerry Meel: In this form I am called Ken.

Me: Very clever.

She reverted back.

Nico hugged them both.

Nico: I missed you girls.

Kerry and Kathleen: We did too Nico.

Qin: That was so awesome though.

Nico: Oh J.D. did you find out anything?

Me: Yes we did. Junkrat and Roadhog are DEFINITELY behind the explosive bank robberies that took place.

Nico: I had a feeling.

Trent: Nico, which teams have you made?

Nico: Thetis' team will include Britney Crosby, Eiji, Mindy, Jake and Layla Heartfilia. Ripster's team will include Kaso Mi, Captain Chaku, Duck Dodgers, Taro and Zenkaiger Clone.

Me: Awesome ideas!

Qin: Boy I love Duck Dodgers.

Xenia: He is so funny.

Lola: Yeah he is.

Sakura Knudson: That is cool. And Lucy has her mom with a team too.

Lucy Heartfilia: I sure do and it's so awesome.

Captain Chaku: And it's an honor to be in a team.

The Previous group came.

Koragg: Can me, Whirlwind, Molten Man, King Shark, Whiger, Hank Scorpio, Johnny 13, Captain Boomerang, Trumbipular, and Rojo go with you all?

Darcy: Me, Warp, Evil Luxord, Utomodachi, Goldar, Evil Heat Man, Boil Man, Yost Domino, Sindbad, and Dogranio Yaboon will come too.

Nico: Yes you guys can come with.

Me: And it's very obvious what our mission is. We're going after Junkrat and Roadhog, two of Overwatch's enemies.

Nico: That's right.

Me: Yep. Oh Troy. Got something for you guys.

I pulled out three new sets of Ranger Keys.

Me: Ranger keys for the Psycho Rangers, The Akibarangers and the King Ohger's. Made them earlier this week.

Troy: Awesome!

Gia: Cool!

Me: Yep. Akibarangers is called the Fang Cyber Force and the King Ohgers is called The Excalibur Force.

Reflector: Nico, which Gene Slammers do you think you'll meet next?

Nico: Now comes the fun. Kyogre, Groudon and Rayquaza next along with Jirachi and Deoxys.

Me: Cool! The Legendary Dragons along with the Wish Pokemon and the DNA Pokemon.

Nico: Yep.

Xenia: This is gonna be awesome.

Whirlwind: So, what now?

Evil Luxord: All we can do is wait until our favorite explosive duo make their move.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Volccaaea, another member of The Extraterrestrial Order of The Planets of Holy Ghidorah, and he's coming here to kill us all for ruining their plans. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Volccaaea of The Extraterrestrial Order of The Planets of Holy Ghidorah on the move?

Lincoln: You guessed it, Rayman, and he's coming here to kill us all for ruining their plans.

Nico: Just as we expected, but we're more than ready for Volccaaea, right, Esmerelda?

Esmerelda Volvenstein: Right, and just like what happened, he's going to transform by drinking that potion with 2018 King Ghidorah's blood, so Lincoln will separate him King Ghidorah Hybrid Monster form from his real form and absorb the King Ghidorah Hybrid Monster form while we destroy Qiienna and give him The Black Gates.

Lincoln: You said it.

Nico: We're not going to let any of those religious fanatics get away with any of their attempts to get revenge on us. Alright, gang, let's go, time to teach both Junkrat and Roadhog a pretty painful lesson on what happens when you use explosives to cause trouble in the city.

Lincoln: This is really going to hurt big time, and once we get through with giving you two a taste of your own medicine, you better be ready to die, Volccaaea.

Esmerelda Volvenstein: You better be ready to die, Volccaaea, because you're about to face the true wrath of Holocaust Disciple.

Me: Yep.

Nico: This is gonna be infernal.

Xenia: It sure will be.

Me: But Nico only problem is we don't know where the two are.

Nico: Like Evil Luxord said, we just have to wait.

Captain Chaku: So, Devon, did you and your team stop Evox?

Devon: We did.

Icepick: But you won't believe who he really was.

Me: We were practically BLOWN AWAY when we found out that Evox was also the RPM Rangers Enemy, Venjix. Both Venjix and Evox were both one in the same.

Qin: Yeah they sure were!

Carly Atlas: You are not kidding there!

Captain Chaku: Oh wow! That is crazy!

Me: I know. We were floored.

Captain Chaku: Tell me he's dead now!

Molten Man: Yep. Both of them.

Captain Chaku: Both of them?

Warp: When we fought Void Queen, she used a Split Emitter to make Evox and Venjix seperate.

Me: Yep. We destroyed many of the Rangers most dangerous enemies last year and it was awesome. Many of them were given the black gates.

Captain Chaku: Black Gates?

Me: The deadliest technique we have in our arsenal.

I told him what they can do.

Captain Chaku: That is amazing. But I'm glad they are gone.

Me: Me too.

Sunny Starscout: Smoothies guys?

Me: Sure Sunny.

We got some good smoothies.

Me: (SLURPS) Ahh! Mmm this one is really good.

Sunny Starscout: That's our newest flavor. The Alicorn Special.

Me: Cool.

Skullgrin: Was it made just now?

Sunny Starscout: Yep. Made them thanks to an idea we got.

Me: It's really delicious and fruity.

Xenia: Boy it sure is. (SLURPS) I taste all the delicious fruits in here.

Leeli: (SLURPS) It's delicious and yummy.

Nico: Yep. Sunny makes some of the most delicious smoothies.

Kaito: What else should we do while waiting?

Utomodachi: Let's tell the story of Poromon vs the Murkrow.

Camie: Say what?

King Shark: In 2021, a Murkrow gave Poromon a fake lottery ticket.

Me: It was like a chicken fight with Peter Griffin and Ernie the Giant Chicken.

Lola: That was crazy.

Poromon: I've never forgiven that Murkrow for that.

Fangry: But we eventually put a stop to it.

Poromon: I wanted it to go on for 2 years!

Me: Oh boy.

Camie: Geez.

Me: I know. We were amazed they went at each other like that.

Nico: Yeah. But Peter and Ernie caused GREAT DEALS of property damage.

Hank Scorpio: It also teamed up with a Corsola.

Evil Heat Man: Said Corsola gave Manaphy fake money.

Me: That was silly.

Manaphy: HMPH!

Qin: Oh boy.

Manaphy: I still haven't forgiven that Corsola.

Me: I hope no other Pokemon are going to do that in the future.

Nico: Oh boy. Me too.

Evil Heat Man: Yeah.

Bomb Burst: We've got plenty of gunpowder for the upcoming battle.

Me: We're going to need it too. And I got loads of nitroglycerin.

Nico: Good. Just be careful with that stuff.

Qin: Yeah.

Me: I will.

I showed everyone a box filled with Nitroglycerin bombs.

Nico: Cool.

Johnny 13: Now, be careful with this booty.

Boil Man: Or we'll have… someone's booty!

We laughed!

Me: (LAUGHS) That is true.

Nico: Yeah that is funny but true.

Me: Don't worry we will be careful.

Johnny 13: Good.

Demoman: One crossed wire, one wayward pinch of potassium chlorate, one errant twitch… and kablooie!

Slog: What you just said.

Me: I get the idea. But Nitroglycerin only takes one slight jostle and then boom.

Demoman: Oh right.

Nico: But that's nothing compared to Cobalt-Thorium-G. That stuff is as highly unstable as handling 100-tons of Nitroglycerin.

Big Guy: He's right on that. Cobalt-Thorium-G is highly unstable and dangerous stuff. It's what powers my Power Core.

Me: And Robin, isn't Xenothium highly unstable stuff too?

Robin: That's right.

Me: When you use unstable chemicals and isotopes like that you're playing with fire.

Qin: Yeah.

Yost Domino: Whatever you do, don't eat ANY explosives.

Vinnie: (Italian Accent) Milo learned that the hard way.

Captain Boomerang: (Australian Accent) No he didn't, mate. You were messing with him.

Nico: Yeah.

Vinnie then drank water out of a canteen.

Me: You didn't drink that did you?

Vinnie: Yes?

Me: That's not good that was Nitroglycerin!

Vinnie gagged!

Me: Don't move, don't breathe, don't do anything except pray maybe.

Eli then snuck up behind him and then…

Eli: BOOOM!

We laughed hysterically at that one!

Milo Thatch: (LAUGHS) That was a good one.

Me: (LAUGHS) Little payback for that.

Vinnie: (sarcastically laughs) Very funny.

Spittor: Hey, fair's fair.

Me: (LAUGHS) Sorry about that Vinnie. We couldn't resist. But that was funny.

Kida: Yeah it sure was.

Me: Also that really was just water.

Vinnie: Good.

But then…

BOOOM!

We then heard an explosion.

Whiger: What was that?

Vinnie: That wasn't me!

Goldar: We know it wasn't.

Me: That wasn't a gunshot. That is our targets on the move.

Nico: Yep.

Solar Man: Eli, where are Junkrat and Roadhog headed?!

Eli concentrated.

Eli: To the junkyard.

Me: Fitting for them.

Qin: yeah.

Nico: Then lets get over there.

Trumbipular: There they are!

Sindbad: Entrance time!

We flew down to the surface and went to face them.

In the junkyard were two figures and they were laughing.

Junkrat: (LAUGHS) That was a great heist!

Roadhog: (LAUGHS) You said it! Crime DOES pay! We're going to relax on a beach in the Bahamas later on.

Then the spirits of the Overwatch heroes appeared and swirled around them and they converged and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above them and a phoenix cry was heard and we came out.

Me: Actually NO It doesn't!

Xenia: The only place you two are going is prison!

Roadhog: You guys made the wrong move going after us.

Numbuh 274: Why's that?

Roadhog: I can't speak for Junkrat. But I'm a one man apocalypse.

Me: Big Fucking whoop!

Roadhog jams a top loader and crank into his Scrap Gun before loading it with a handful of junk and turning the crank, unleashing a large volley of shrapnel at Nico, causing Nico to fall down and his limbs to fall out.

Nico: Well, this is just great. Hey, limbs, can you go back into your correct spots?

Nico arms and legs hopped over to him.

Roadhog: That's just fucking creepy.

One of Nico's arms hopped over to Roadhog and bonked him on the head before hopping back to him.

Me: That is really cool!

Eli: Yeah how did you do that!?

Nico: Majin Buu's powers.

Rojo: I honestly thought you guys were like the Joker.

Junkrat: What, that moron? What do you take us for, monsters? If we were, we would've left corpses. No. We like to blow stuff up. Because we like to BLOW STUFF UP! Comprende?

Dogranio Yaboon: Um… yes. Comprende.

Me: Comprende. Top this one.

I threw a Nitroglycerin grenade and it hit them and then…

MASSIVE FIERY EXPLOSION!

Then Beetle, Cad Bane, Boomerang, Titanium Man, Cheshire, Multiple Man, Silver Samurai, Blizzard, Whiplash, Major Disastor, Six Gum Gang, Katz, Cloak and Dagger, Evil Wood Man, Kung Food, Gypsy Moth, Star Creature, Evil Wind Man, Evil Snake, Evil Winter Man, and Siren Sara then appeared.

Nico: Beetle, Cad Bane, Boomerang, Titanium Man, Cheshire, Multiple Man, Silver Samurai, Blizzard, Whiplash, Major Disastor, Six Gum Gang, Katz, Cloak and Dagger, Evil Wood Man, Kung Food, Gypsy Moth, Star Creature, Evil Wind Man, Evil Snake, Evil Winter Man, and Siren Sara.

Goof: (to Right) Nice job against Resshaki.

Right: Thanks!

Lyra: That was so fun!

Beetle: Probably wasn't a smart idea to be honest about her age, though?

Right: I didn't know what would happen, alright?

Me: Donbrothers is still a fairly new show. To us and to many.

Cad Bane: He's correct about that.

Boomerang: At least that's two more Hitotsukis in our ranks.

Nico: Yep.

Me: We have 45 Series to go.

Titanium Man: (to Nico) We heard you went to the Tree of Beginning.

Nico: We sure did.

Cheshire: Did you fight any antibodies?

Me: Nope. We didn't. We went on an awesome treasure hunt.

Lola: It was cool.

Then Birdbrain came out.

Me: Back for another round Birdbrain?

Birdbrain: Yep I sure am.

Me: Cool cool.

Birdbrain: It's good that Captain Chaku is with you guys now.

Me: It sure is and it's awesome he is with us.

Xenia: Yep.

We got the battles underway.

## Connor, Sunset Shimmer, Pipsqueak, Fire Skylanders, Dino Thunder Rangers, Leanbow and Trent VS Beetle - Nico's rescue and it was an awesome treasure hunt and time for Jun

Beetle was first.

Beetle: (to Connor) Nico's rescue was an awesome treasure hunt. And it was a fun time for Jun.

Connor: It sure was. After what she went through she needed to get some relaxation.

Sunset Shimmer: We went to the Tree of Beginning for that and it was fun.

Pipsqueak: (British Accent) It was really amazing to see.

Sunburn: We all were entranced by it.

Tommy Oliver: Yeah that was so cool.

Beetle: It sure was. Lets do it!

FIRE BEETLE MAGISWORD!

Tornado Bolt: Her story is awesome too.

---

Nico: Yep. So, Elsa, Kessekimon, what's the stories you have on why you hate Lisa and Billy McLean with a burning passion?

Kessekimon: Uh oh, I was hoping you'd ask that. One day, Lincoln and I were at Los Angeles and we were observing the volcano there. But, then, Lincoln sensed a presence and he and I fired a blast of lava at a bush, and it forced out a figure, and Lincoln saw who it was: it was Billy McLean, and he was out for revenge on Lincoln since he played his part in bringing him down, but we pounced on him and we pulverized Billy McLean and because of his Gessius Flores Vengeance Curse, more gold, jewels, and pearls came out of him, and we tied him up and sent Billy McLean back to Lynn's Table, and he was tied up back at his post.

Nico: Billy McLean just doesn't even know when to fucking quit, he really is a sore loser!

Luna: Big time, and he didn't even know our bro also has powers over earth and lava, thanks to him having elemental powers and the power of the cosmos and the universe, he really is a brain-dead loser and moron.

Elsa Long: Billy McLean really is nothing more than a pathetic excuse for a human being. Okay, now for my story, I make it no surprise I've hated Lisa with a blazing passion, because of all the hell she put Lincoln through with her trying to kill him with her insane experiments. One day, Lincoln and I were busy doing some homework at my house, since The Loud House isn't a perfect place for our homework. But, then, we saw something crash into my room, it was a smoke bomb, we escaped from the room, and we heard the sound of insane laughter. We looked out the living room window, and we saw who it was that did the dirty deed: it was Lisa, and she had her army of robots with her again, and she was out to capture and kill me by removing my brain and kill Lincoln. We'd absolutely had it up to hear with that heartless monster, and I used my technomancy powers and destroyed every last one of Lisa's robots, and we tied Lisa up with energy ropes Lincoln fired from his angel wings, and we dragged Lisa back home, and after we told Mr. and Mrs. Loud of what Lisa tried to do to us, she was grounded for sixteen weeks and she was thrown in a metal cage and tied up in a straitjacket, and she was screaming bloody revenge on us, but Lily whacked the cage with a mallet and Lisa crashed onto the floor.

Nico: Jeez, this was just like Becky's ordeal with Lisa. But, it also had the same end result: Lisa got her comeuppance and she got grounded again.

Me: Yeah, Lisa really was insane before we got rid of her Dark Side.

Lincoln: And I warned her: if she ever tried that same stunt with Becky's sisters, I was going to make her pay for this in the worst way imaginable: I'll call the Scientist Committee and they'll confiscate all of Lisa's lab materials and chemicals, along with rewards and certificates, and she'll be declared an enemy of the state.

Luna: And he's serious about that. Becky has friends in the scientist committee and with one phone call, Lisa will lose everything, and she'll be on her way to the nuthouse for the rest of her life.

FLASHBACK ENDS

Esmerelda Volvenstein has transformed into SUPER ANGEL-HOLOCAUST DISCIPLE-DRAGON-PHOENIX-HARMONY CELESTIAL ETERNAL XELNAGA FIRESTORM ALCHEMICAL HOLOCAUST DISCIPLE FIRE ANGEL OF DIVINE FIRESTORM ALCHEMICAL FIRE HOLOCAUST DISCIPLE JUSTICE AND DIVINE FIRE ALCHEMICAL FIRE HOLOCAUST DISCIPLE LOVE!

We were amazed by Esmerelda Volvenstein's Super Angel-Holocaust Disciple-Dragon-Phoenix-Harmony Celestial Eternal Xelnaga transformation, and when Nico saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Volccaaea saw it, he fell into an infernal rage and he got out his blaster to blast her, but Esmerelda Volvenstein fired a powerful red energy blast with flames, dragons, phoenixes, and fire angels at Volccaaea, which hit him and pushed him back and he also got burned by the flames, but this really pissed him off now, and Esmerelda grabbed his blaster which'd been scrapped and it got turned into pure solid gold which was sent into our vault.

Holly Volvenstein: Wow, Esmerelda's transformed, and she really burned Volccaaea badly.

Nico: That bastard had it coming, and she also turned his blaster into gold and sent it to our vault, just like what you did when we faced Qiienna yesterday.

Esmerelda Volvenstein: (Divine Echoing Cosmic Voice of The

Elemental Alchemical Fire Holocaust Disciple Draconic Phoenix Fire Angel and Divine Draconic Phoenix Alchemical Fire Holocaust Disciple Angel Love) And now, you're about to feel the full fury of the earth, Volccaaea.

Nico transformed into Super Saiyan Rainbow Infinity and unholsters his massive Nico's Universal Elemental Greatsword of Saiyan Pride and Phoenix Justice from his wider and muscular back and joined Esmerelda Volvenstein.

Nico: (Divine Echoing Voice of Rainbow Redemption) Alright, you fanatical clod, it's time for you to pay for your crimes with your blood!

Esmerelda Volvenstein and Nico went after Volccaaea who's now gone even more full-blown ballistic, and they fired extremely powerful blasts of rainbow energy, red energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Volccaaea and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him.

Nico turned his fingernails into claws and he slashed at Volccaaea, drawing more blood and leaving more scars on him, and he was being driven even more ballistic. Suddenly, Volccaaea took out the vial of red liquid with a drop of 2018 King Ghidorah's blood, then he drank it. Suddenly, Volccaaea began changing as massive wings like King Ghidorah's grew and sprouted out from his back, his skin was covered in gold scales, and he'd grown King Ghidorah's tails.

Me: Watch it, you guys, now Volccaaea has transformed into his King Ghidorah Hybrid Monster form.

Volccaaea fired a Gravity Lightning blast at Esmerelda Volvenstein and Nico, who dodged it.

Lincoln: Esmerelda, Nico, hang on.

Suddenly, a figure charged right at Lincoln, who dodged the attack, and we saw who it was that tried to attack Lincoln: it was Buzz Buzzard's con-artist partner, Tweaky, and he was still out to kill Lincoln.

Lincoln: You again, Tweaky?! Didn't I already kick your tailfeathers days ago?

Suddenly, we saw Hyehehe and Wheezel appear before us and kick Tweaky hard in the face.

Hyehehe: (Girl's voice) (French Accent) Don't worry about Tweaky, Lincoln, we'll take care of him.

Wheezel: (Girl's voice) (French Accent) You just concentrate on taking care of King Ghidorah Hybrid Monster Volccaaea.

Lincoln: Thanks, Nora La Arwall and Nina La Arwall. And make sure Tweaky gets another butt-kicking again.

Lincoln fired a rainbow energy blast which separated Volccaaea from his King Ghidorah Hybrid Monster form, and then, Lincoln went at King Ghidorah Hybrid Monster Volccaaea and he stabbed him in his chest with one of his eleven massive and long white wolf tails paralyzing him so he couldn't try to escape, and then, Lincoln began absorbing King Ghidorah Hybrid Monster Volccaaea's bio-energy and assimilated his powers and abilities until nothing was left of it.

Nico: (Divine Echoing Voice of Rainbow Redemption) Thanks for the save, Lincoln, and I can't believe Tweaky chose to break out yet again to kill you, but the two of them will take care of him. Now, then, shall we end this bastard for good, Esmerelda?

Esmerelda Volvenstein: (Divine Echoing Cosmic Voice of The Elemental Alchemical Fire Holocaust Disciple Draconic Phoenix Fire Angel and Divine Draconic Phoenix Alchemical Fire Holocaust Disciple Angel Love) You got it, Nico.

Esmerelda Volvenstein and Nico sent Volccaaea flying into the air, and then, they prepared their combo to put an end to Volccaaea.

Esmerelda Volvenstein and Nico: ELEMENTAL HOLOCAUST DISCIPLE DRACONIC PHOENIX ALCHEMY FIRESTORM KAMEHAMEHA!

Esmerelda Volvenstein and Nico fired two massive red energy Kamehameha waves with flames, dragons, phoenixes, and earth angels, and they hit Volccaaea, and they explode with incredible power as they hit him, and he was obliterated. Then, when his spirit appeared, Esmerelda Volvenstein and Nico drew the Judgement Kanji on his forehead, and he was erased by The Black Gates for his crimes. We cheered as Esmerelda Volvenstein and Nico holstered their massive greatswords on their backs and powered down, and Esmerelda Volvenstein's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long red wolf tails, and massive red angel wings are permanent.

Esmerelda Volvenstein: That's one member of The Extraterrestrial Order of The Planets of Holy Ghidorah down and twenty-three members to go. Thanks for helping me destroy Volccaaea once and for all, Nico.

Nico: (Smiles Warmly) You're welcome, Esmerelda.

Suddenly, Esmerelda Volvenstein wrapped her arms around Nico's wider and muscular back, as her chest pressed against Nico's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Nico's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to their faces. Then, as Nico leaned down to Esmerelda Volvenstein's face, they kissed passionately as she moved her arms and placed her hands on Nico's massive pecs, and behind them was a Dragon, Phoenix, Angel, and Holocaust Disciple flying in the air, and we saw many animals running across the field, along with elemental forces and flames raging behind them and we cheered wildly. Then, Nico and Esmerelda Volvenstein absorbed the flames and they came back to us as the display and Holocaust Disciple vanished.

Me: Oh man, now that's what another cult fanatic has been put down. Awesome job out there, Nico and Esmerelda.

Nico: Thanks, J.D.

Then, Hyehehe and Wheezel had finished beating up Tweaky and Lincoln tied him up in a rainbow energy straitjacket and rainbow energy chains, so he couldn't escape. Then, Lincoln punched Tweaky hard in the face and threw him in a portal he opened up that led back to Tweaky's cell in prison, and the portal closed.

Lincoln: This time, don't you ever let me catch you out of prison again, Tweaky! (To Nora La Arwall and Nina La Arwall) And it's so good to see you again, Nora La Arwall and Nina La Arwall.

Nora La Arwall reverted back to normal, and she's a beautiful girl with long red hair, red eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful red angel wings, she's dressed in a red vest, red crop top with red beaded necklaces, red skirt, red pants, red legwarmers, red sneakers, and long white long-sleeved trenchcoat with fire, Ghostrick Monsters, and hyenas on the coattails and on the back is Hyehehe and the Ghostrick Monsters, and holstered on her back is a massive Hyehehe-themed greatsword with embedded red gems and Hyehehe etched on the 7'0" massive, wide, double-edged red blade, large Hyehehe heads for the crossguard, large red gems embedded in the hilt, longer midnight black handle, four large Hyehehe heads and large red gem on the bottom of the large Hyehehe heads for the pommel.

And Nina La Arwall reverted back to normal, and she's a beautiful girl with long purple hair, red eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful purple angel wings, she's dressed in a purple vest, purple crop top with red beaded necklaces, purple skirt, purple pants, purple legwarmers, purple sneakers, and long white long-sleeved trenchcoat with earth, Madolche Monsters, and mythical monsters on the coattails and on the back is Wheezel and the Madolche Monsters, and holstered on her back is a massive Wheezel-themed greatsword with embedded purple gems and Wheezel etched on the 7'0" massive, wide, double-edged purple blade, large Wheezel heads for the crossguard, large purple gems embedded in the hilt, longer midnight black handle, four large Wheezel heads and large purple gem on the bottom of the large Wheezel heads for the pommel.

Nora La Arwall: (French Accent) You too, Lincoln.

Nina La Arwall: (French Accent) It's been a long time.

Lincoln went up to Nora La Arwall and Nina La Arwall and he hugged them, and Nora La Arwall and Nina La Arwall are are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, Elsa, and I haven't seen you since I was eight, Kessekimon, and as you can see, I really grew a lot since then.

Nora La Arwall: (French Accent) Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness.

Nina La Arwall: (French Accent) You've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we also met your familiars, and they are really awesome.

Nico: Whoa, Lincoln, you know these two girls?

Lincoln: Indeed I do, Nico.

Nicholette Torrington: Oh man, and so do we. The Hyehehe Gene-Slammer is Nora La Arwall and the Wheezel Gene-Slammer is her twin sister, Nina La Arwall, they're Lincoln's Guardian Angels from France and classmate in Gym, and they're also awesome acrobatics. Nora specializes in The Ghostrick Deck while Nina specializes in the Madolche Deck, thus, the name of this tag team combo is Trick or Treat. Nora, Nina, and Lincoln love to trick or treat every Halloween, and Lincoln also made Nora a Ghostrick Fairy-themed bikini and Lincoln made Nina a Madolche Queen Tiaramisu-themed bikini, and to show thanks, they both kissed Lincoln on the lips. They're also the twin sisters of Nadia la Arwall, and they hate Trina Riffins with a passion.

Eli: Whoa, so they're also duelists as well, that's incredible.

Lincoln: They're more than just Duelists, Eli. We're part of a powerful group of Duelists known as The Duel Monsters Heroes, a group dedicated to protecting the world from the forces of evil, especially from those who would try to harm humanity and use magic for evil purposes like Yami Marik and Yami Bakura, along with many other villains, and I'm one of the members of the Duel Monsters Heroes.

Yugi: I remembered hearing about you guys on the news a few years ago, you guys took down some Rare Hunters who were out for revenge on us for what we did to Yami Marik.

Lincoln: That's right, we were the ones who destroyed those Rare

Hunters out to kill us for revenge for what we did to Yami Marik. Plus, we even do Duel Monsters tournaments for charities. And as Nicholette pointed out, I made the other members of The Duel Monsters Heroes beautiful bikinis based on their favorite duel monsters. To show thanks, they each kissed me on the lips while we were swimming underwater, and they hate the jerks with a passion.

Me: Whoa, I had no idea that you're also part of a powerful group of Duelists dedicated to protecting the world from the forces of evil, especially from those who would try to harm humanity and use magic for evil purposes like Yami Marik and Yami Bakura, along with many other villains, Lincoln.

Nora La Arwall: (French Accent) That's right, he's helped us all out against those monsters, and we had to save you as soon as word of Tweaky breaking out of prison again hit our ears.

Nina La Arwall: (French Accent) He'll never listen to reason, nor to Vypra, all he cares about is getting revenge and continuing on with his con-artist robbing ways.

Lincoln: Like I said, once a jailbird always a jailbird, and Tweaky's not going to stop either way. So, it looks like we'll have to beat the stuffing out him more. And now that you two are here.

Lincoln first went up to Nora La Arwall, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

And Lincoln then went up to Nina La Arwall, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more. Nora La Arwall: (French Accent) You're still just as gentle as ever when you feed on one of your Guardian Angels, Linky.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Nora La Arwall and Nina La Arwall with red and purple gems on the gold lightning bolts and red and purple crystal links from their merged Crystal Necklaces of The Buddha along with two Elemental Thunderbird Chokers of Eternal Love on their necks.

Nora La Arwall: (French Accent) (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Nora La Arwall and Nina La Arwall.

Nora La Arwall and Nina La Arwall had a smile on their faces and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around them, and he leans down to each of their face and he kissed her passionately on the lips, and she also returned it, and we cheered for them.

Nico: Looks like we'll be running into more of your Guardian Angels during our fights against The Extraterrestrial Order of The Planets of Holy Ghidorah, and speaking of, for tomorrow, the next member is Loppera, which means you're up next, Laniyana.

Laniyana Volvenstein: Yeah, we'll make Loppera pay with his life.

Nico: We sure will. Say, Lincoln, which B.E.S. Gene-Slammer are you hoping to meet next on your rescue?

Lincoln: I already know who's next for tomorrow, Nico: Harley Long, Gene-Slammer of B.E.S. Big Core MK-3.

Becky Long: We're so going to enjoy seeing Harley once again, Lincoln. But, this also means we'll be running into another enemy of me and my sisters who's probably been brought back by Damian Constantine.

Lincoln: I know. But, we'll be ready for them and for whatever trick that psycho has up his sleeves.

Multiple Man: Two demolition criminals in our ranks now.

Silver Samurai: And all their explosives are accounted for.

Me: And all the money they stole was recovered.

Whiplash: Overall, it's been a good day.

Major Disaster: You said it.

Wilbur: But let's count their explosives again just to be sure.

Dixie: That's a good idea.

Me: Good idea.

We did so and it was all accounted for.

Me: Good.

Nico: Great job today everyone.

Tracer: (British Accent) This was fun loves.

Me: It sure was.

Vinnie: (To the viewers) Explosions are powerful but so are all of us.

Me: Yes we are.

We went back home and enjoyed the rest of the day and went to sleep.

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Kalamazoo, Michigan, and we got some bad news: it appears Avalon Cadieux's heartless, abusive, gold-digging ex-sister, Lisa Cadieux, along with her equally heartless, abusive, gold-digging ex-mother, and the former relatives on her ex-mom's side have broken out, and they want revenge on The Evil HERO Gene-Slammers and Lincoln for exposing their crimes to the public and sending them all to prison. And for tomorrow, we're going to meet the next of the B.E.S. Gene-Slammers, this time, it's Harley Long, Gene-Slammer of B.E.S. Big Core MK-3 and one of The Long Sisters, she's Lincoln's Guardian Angel from Michigan, and like her eldest sister, Becky Long, Elsa Long is a very strong and powerful technomancer, and like Becky, she was pronounced braindead at age 4 and the doctors came up with a very risky and dangerous operation. They replaced her dead brain with an artificial Positronic Brain, and it gave her incredible powers of Technokinesis and it also turned her mind into a very incredible computer capable of storing an infinite amount of information and unleashing the full 100% of her brain power, and when she got Gene-Slammed into B.E.S. Big Core MK-3, she also gained powerful light powers, and just like Becky, Elsa is also in Lori's school and she's protected Lincoln from the worst of Lisa Loud's fury and almost got Lisa disowned and sent to a nuthouse in the federal prison system forever as well as have all of her science stuff confiscated by the scientific community forever.

But, wait until she finds out that the person person responsible for turning her into the heartless, emotionless mad scientist she, her eldest sister, and her other sisters have hated was none other than Killjoy Huggins, and this happened under their noses when Lincoln was in Third Grade.

Get ready for a funny adventure as we take on Scarlet Overkill from the Despicable Me movies and we're going to make that monster pay big time and send her to the solitary confinement in prison forever.

See you next time.

Me: I have a feeling this planet will be so awesome and fun.

Qin: Me too and it will be really cool.

Miku Hatsume: You got that right. This is gonna be so fun.

Leeli: It sure will be cool.

Sakura Knudson: I'm so looking forward to this one.

Varie: Me too.

Nico: Chris, I want to thank you, Skalamander, and your teams for coming.

Chris Taylor: No problem Nico. This is gonna be so much fun.

Xenia: We all are looking forward to this one.

Nico: Miku, do you pretty much like all types of music?

Mike Hatsume: I sure do and I am known as the Vocaloid Queen of Voice.

Me: She is widely known all over the internet. Miku is not called that just for show.

Xenia: Yeah.

Miku Hatsune: It's true and there are so many memes and more about me.

Camie: That is so awesome.

Sakura Knudson: I remember seeing all that on the internet. It's so awesome.

Nico: You and Luna should be in the same band.

Miku Hatsume: That would be so awesome.

Me: Yeah it sure would.

Qin: I agree there too.

Lola: Yeah.

Lincoln: Luna would love that. So would Sam.

Xenia: That is true.

Mike Hatsume: I agree there.

Camie: Good.

Me: Yesterday's mission was explosive.

Nico: Literally. Roadhog and Junkrat were using lots of bombs on several banks.

Me: No kidding.

Qin: At least we recovered all that money.

Camie: That is for sure.

Sakura Knudson: Thank goodness.

Leeli: But that was so fun and awesome doing that mission.

Carol: It sure was awesome.

Girl Jordan: We sure socked it to them.

Nico: And it's not my first time my limbs have acted separate from my body.

Me: Oh right I remember seeing it during Sheila and Eric's wedding.

Qin: Yeah that was awesome.

Camie: Wow.

Skalamander: Now, Roadhog and Junkrat are in our ranks.

Me: Yes they sure are.

Xenia: That is so awesome.

Camie: Yep.

Lola: It's better than the U.A. Universe's version of Nitro.

Nico: That is for sure.

Eli: I agree there too.

Sakura Knudson: Same with me bro.

Nico: You're calling Eli bro too?

Me: Well she is my twin sister so that makes her Eli's sister.

Nico: Good point.

Maria: We're coming up to the planet now.

We arrived at the planet.

We saw that it was a red planet.

Me: Wow it looks like a rusting iron planet.

Nico: It sure does.

We went down to the planet and we landed and saw that it was a MEAT PLANET! It was a meat planet made of EVERY Kind of Meat Possible!

Qin: WHOA! It's a huge meat planet!

Me: Made with all the kinds of meats in the Every Meat Burrito!

Nico: So much meat!

Me: Time for an awesome barbecue!

I got an awesome barbecue going and it was a really awesome one.

Me: To quote TTG Cyborg: IT'S MEAT PARTY TIME!

We laughed!

Nico just got a wing and started eating it to the bone.

I had a steak.

Nicole was eating steaks, chickens, sausages and more.

Qin: (Eating sausages) Delicious!

Laney: (Eating chickens) Delicious meats.

Lana: I'll say. (Eating many meats at once)

Nico then went for a drumstick.

And he ate the whole thing down to the bone clean.

Eli had all kinds of meats.

Minutes later we had a massive pile of bones from a good meal.

Me: Ahh. (BELCH) Pardon me.

Eli: That was so good.

Nico: (LOUD BELCH) Scuse me.

Xenia: Ahh. I'm stuffed.

Me: Me too.

Eli: Wait I sense 2 of Swartz's creations here. We got Another

Skalamander and Another Flame Princess!

We gasped!

Me: Whoa! Another Flame Princess is gonna be infernal hot.

Eli: There's more. I sense that the dark side of Samurai Jack is here too!

We gasped again!

Nico: Uh oh!

Me: Yeah.

Nico: At least it's not Another Samurai Jack, right?

Me: No thank goodness. This is the Dark Side of Samurai Jack from when we were the Brave 12.

Fu: I remember that one.

Varie: Boy me too.

Me: That was awesome and cool.

Laney: It sure was.

Lincoln: Jack would have been up against himself.

Me: Total stalemate.

Qin: Yeah they are both equally matched.

Nico: No harm in eating a few more meat, right?

Me: Nope.

We got to eating some more.

Camie: (Eating more meats) Mmm!

Nico: Let's bring some home for the mascots.

Me: Sure.

Eli: Awesome idea.

Nico: Good.

We went and did so and loaded it into bins for them.

Nico: Alright, who are we facing first?

Me: Well I have a feeling Mad Jack is going to be coming for me. So I will face him for some fun. Just to burn off all these meat calories.

Nico: Good idea. It would be awesome to see how the shield of Captain America fairs against the sword Jack has.

Samurai Jack: That will be interesting to see.

Me: Yep.

Lola: This will be good.

Lisa Loud: Indeed it will be.

Chris: Captain America! D Smash!

He summoned Captain America!

Me: This is gonna be good.

Eli: I sense a figure coming.

We saw a figure and it was MAD JACK!

EVERYONE GASPED SEEING HIM!

Nico: WHOA MAN!

Eli: He looks like Jack but with piercing red eyes and a black and red gi!

Me: Yep that was my reaction too. Long time no see Mad Jack.

Mad Jack: And this time it will be your last! But wait you look completely different J.D. What happened?

Me: Long story short, we've evolved. 6 and a half years have passed since our time as the Brave 12 and we all have evolved a lot.

Mad Jack: It does not matter! I will still destroy you!

I unsheathed my sword!

Camie: How in the world did this monster come into being!?

Mad Jack: I am the son of Aku's magic. He has looked deep within Jack and has spawned me from his own burning hatred. I am Jack's dark side and I possess all the powers that he wields. And I have only one purpose in my existence: To KILL ALL OF YOU!

Me: Bring it on!

Mad Jack jumped up and unsheathed his sword and went at me. I blocked his strike and slashed his arm.

Me: That must've hurt huh?

Mad Jack: Not as much as this will!

We both engage in a powerful and deadly swordfight. Sparks were flying everywhere and setting the whole area around us on fire.

Camie: The area is burning!

Fu: This is getting intense!

Laney: No kidding.

We were clashing all over the place left and right and sparks were flying everywhere and turning the entire area into a RAGING INFERNO OF EPIC PROPORTIONS!

Disk Wars Captain America's shield blocked Mad Jack's sword with ease.

He kicked him in the face.

Disk Wars Cap: Shield Throw!

He threw it and it slashed off Mad Jack's hair that was in a bun and he let it loose.

Me: Now that is how I remember.

Me and Mad Jack continued clashing and omre and I was absorbing fire left and right.

Me: FIRE STYLE NINJA ART: INFERNO FEATHER STORM!

I fired a massive barrage of fire feathers and they hit Mad Jack and blasted him all over.

Mad Jack: You learned some new tricks!

Me: We all have.

Maria fired water at him

She drenched him.

Mad Jack: You even have tons of new teammates J.D.

Me: All that and more. But I'm no longer the leader.

Nico: I am. Like J.D. said, TONS of things have happened since the Brave 12 destroyed Aku.

Qin: That's right.

Qin fired blasts of fire and blasted him all over the place.

Nico: And as leader, I offer you one chance to stand down.

Mad Jack: Now why would I do that?

Lincoln: Because you would be a perfect archenemy for one of my future once. Solange Blanchefleur de Lux.

Qin: She can give you an amazing challenge if you join the M.O.E.

Nico: Yep.

Me: So what do you say to that?

Mad Jack: I say we alter this battle ending so there's no death.

Me: Fair enough.

I clashed more with him and Kicked him down and then pinned him to the ground with his own sword and mine at his neck.

Mad Jack: I lost. Finish me.

Me: No.

I stuck his sword into the ground next to him and I sheathed my sword.

Me: You fight with amazing honor and grace and that shows that even under all that hatred and dark magic there exists a part of you that is fully honorable. Just like your light side he knows true honor.

Nico: And you DID say no death.

Me: That's right.

Mad Jack: You're right. A deal is a deal.

I teleported him to the M.O.E. HQ.

Nico: That was epic!

Qin: Yeah it was!

Me: Yep. And I burned off all those meat calories. WHEW!

I was dripping sweat a lot.

Eli gave me a towel.

Me: Thanks bro.

I wiped off the sweat.

Nico: WE burned off those meat calories.

Me: Sorry. We all did.

Laney: Yeah.

Me: Just like old times with the Brave 12 huh Jack?

Samurai Jack: It sure is.

Me: We're not done yet though.

Nico: No we aren't.

Eli: I sense the Another Flame Princess coming.

Nico: Oh boy.

Lola: I'll face that one.

Eli: And I sense the Another Skalamander is a friendly one. But it's feral.

We gasped.

Me: Looks like we're going to have to defeat it to learn more about it.

Nico: Yep.

Eli: Just like the Another Blair Monster.

Leeli: That is scary.

Nico: First, the Another Flame Princess.

Eli: Wait look.

We saw a figure coming and it was a dark version of Flame Princess. It was ANOTHER FLAME PRINCESS! But she was made of pitch black fire!

Me: This one is going to be too hot to handle.

Qin: Yeah.

She came up to us.

Nico: And you are?

Another Flame Princess: (Australian Accent) You know who I am Nico.

Nico: Riley McArthur!?

Me: Another of the McArthur sisters!? Whoa!

She reverted back and was a girl with red hair and had orange and red clothes and had fire angel wings.

Riley McArthur: It's awesome to see you mate.

Nico: You too Riley.

Riley McArthur: And in case you are wondering I am also the gene-slammer of Regifire.

Me: We never saw that one.

We saw her change into Regifire! It was a Regi Pokemon for fire.

Me: Whoa!

Camie: That one is hot!

Varie: Wow!

Nico: We already encountered your sisters and they too are Regi Pokemon.

Regifire: I know.

She reverted back.

Nico: We know the Another Skalamander is friendly.

Riley McArthur: Yeah. Just so you know this one is gonna be tough.

Me: Thanks for the heads up.

Riley McArthur: You're welcome mates.

Lola: Sorry we have to fight.

Riley McArthur: No worries.

She turned into Another Flame Princess.

Me: You know Flame Princess is Finn's future wife.

Another Flame Princess: That's right. And she and Finn are perfect for each other.

Me: I agree there.

Lola fired waves of energy and smashed her down and I caught the Wonder Ride Book and it was called The Warrior Boy and The Fire Princess of the Apocalyptic World.

I brought her over.

Maria: Time for backup!

She pulled out the M.O.E. Cannon.

Maria: (TURNS DIAL) TECHNO FURY 6!

She summoned Fixer, Evil Spring Man, Robert Vance, Minions of Set, Jack The Zipper and Setsuna along with Mandark, Petra Fina, Max, Evil Orbit Woman and the Legion Ex Machina.

Me: Nice.

Riley McArthur: (Groans) Crikey what a headache.

Qin: You'll be all right Riley.

Sakura Knudson: Yeah.

Nico: Now, we wait.

Me: Yep. Max I hope you're behaving for the M.O.E. Don't want the curse we put on you to take effect.

Max: Don't worry. I'm doing good.

Me: Good. Just as long as you hold up to it.

Sakura Knudson: Curse?

Me: We know a lot of magic.

Lincoln: I used a curse on him called the Hinon's Vengeance Curse, I fired powerful blasts of electric blue energy and rainbow super lightning from my massive angel wings, and once it hits the unrepentant, the curse marks them with a Thunderbird on the back, and when it reaches the heart, they die and are sent to Hell for all eternity.

Sakura Knudson: Whoa! That is incredible!

Me: It sure is.

Max showed the thunderbird mark and it was still on his lower back.

Me: Good. You have been maintaining yourself.

Sakura Knudson: It looks like an ordinary tattoo.

Me: Believe me sis that is far from being an ordinary tattoo. It's his mark of eternal damnation should he step out of line.

Nico: We REALLY have a lot to catch you up on.

Sakura Knudson: I know but this is so awesome. Think you guys can teach me how to use magic?

Me: We sure can sis.

Nico: Cool.

Anna Anyanova: It's really awesome. Lincoln used a really cool number of spells that we taught him and it is really cool.

Lucy Loud: Bro has come a long way in it.

Nico: He sure has.

We waited.

May: How many minutes has it been?

Me: (Looks at watch) 10.

Then we heard a roar and out came a figure and it was ANOTHER SKALAMANDER!

Nico: Whoa! This one is ugly! (To Skalamander) No offense.

Skalamander: None taken but Black is definitely not my kind of color.

Nico: Yeah no kidding.

Nico: Um… whoever you are, can you at least say your name?

She couldn't because she was feral.

Me: Looks like it's one of those deals where we have to defeat her to learn more.

Nico: Okay then.

Me: Lets do it guys!

Leeli: Skalamander how come you were made that way if I might ask?

Skalamander: Oh you mean how I became E.V.O. It was because of an accident. It released a huge number of nanites and it mutated many people and turned us into biomechanical beings called E.V.O.'s.

Me: E.V.O. stands for Exponentially Variated Organism. They are organic machines.

Sakura Knudson: Sounds complicated.

Me: It is.

Kaito: (gets out Ex Aid gear) I don't think Swartz promised her anything.

Zocks: (gets out Build gear) Guess that's all we're getting right now

Kaito got an Ex-Aid Sword and Zocks got a Build sword.

Nico: Yeah.

Me: Either way we still got to help her.

Sougo: (gets out Ex Aid Ridewatch) With No continues, I'll clear this game!

Nicole: That's the spirit Sougo!

Armor Time! (Retro video game-themed music) Level Up! Ex-Aid!

Geiz: (gets out Cross Z Ridewatch) I feel unbeatable right now

Armor Time! Wake up Burning! Cross-Z!

Sougo got ExAidArmor while Geiz got CrossZArmor

Me: This is gonna be good! Time for some crystal power! (ACTIVATES SKALAMANDER'S RIDEWATCH)

I fired crystal shards and blasted Another Skalamander all over with them.

Qin: Dazzling!

Me: I like that one.

Nico: (gets out Bassoon Burns' Ridewatch) Music time!

Nico activated it and got a Bassoon and played a tune and he fired waves of energy and blasted her all over!

Sakura Knudson: That one was cool.

Me: Yep.

Miku Hatsume: I'll add to that too. (ACTIVATES BASSOON BURNS' RIDEWATCH)

She sang the theme song for Kamen Rider W and fired waves of energy and blasted her all over.

Me: I love the W Theme song.

Philip: That is awesome.

May: (gets out Old Man Oldman'a Ridewatch) My turn!

She activated it and her hair came to life and smashed Another Skalamander all over!

Me: WHOA! (To Old Man Oldman) I hold you learned a hugely valuable lesson from what you did with the Warrior Siblings.

Old Man Oldman: Oh I sure did. No more menial chores.

Brynja: (Icelandic Accent) Oh you had better stick to that or else you're going to get another Icelandic Beatdown from me!

Sakura Knudson: What does she mean by that?

Me: Old Man Oldman called upon the Warrior Siblings to do all his stuff for him. You know like the everyday tasks. Shave his back, trim his hedges, massage his feet, all that stuff.

Sakura Knudson: Oh the household chores and that drove the Warrior Siblings bonkers.

Me: Bingo.

May: (gets out SHS Pyro's Ridewatch) Feel the heat!

May activated it and fired waves of fire and blasted her all over.

Qin: YEAH!

Maria: Brynja transformed and laid down the law on Old Man Oldman by transforming and delivering a brutal Icelandic Beatdown to him. She warned that if it happened again it would not be pretty.

Sakura Knudson: Oh man!

Maria: (gets out Lizard (Spiderman TAS)'s Ridewatch) Time for Lizard Power!

She activated it and used her water and turned into a female version of The Lizard! She smashed her all over with her tail and slashed her all over with her claws!

Qin: Nice one!

Me: That was cool!

Maria: (gets out Gigantomach's Ridewatch) Now for this!

She activated it and grew giant.

She pulverized her all over to the tune of the Anvil Chorus.

Qin: Go Maria!

Then Abomination and his team consisting of Lego Bane, Dr. Felonius (Johnny Bravo), Hector Con Carne 2.0, Tai Lung and Klobber came.

Nico: Nice team, Abomination!

Abomination: Thanks Nico.

Me: Whoa Hector has Boskov been working out!?

Laney: Man he is ripped!

Hector: He just got into a new exercise craze. But this can be turned on and off.

Sakura Knudson: Hector is a disembodied brain?

Me: And stomach. His body was blown up in a huge explosion. Left only his brain and stomach.

Sakura Knudson: Geez!

Me: Yeah.

Laney: Tai Lung. Its been a while.

Tai Lung: It sure has been a while Laney.

Laney: No kidding.

Tai Lung: You don't know who this one is?

Me: No it's totally feral.

Maria: Maybe the gene-slammers will bring it back to its senses.

May: Is that them?

We saw three figures land and they were KYOGRE, GROUDON AND RAYQUAZA!

Me: Whoa! Kyogre, Groudon and Rayquaza!

Laney: The 3 Legendary Dragons!

Nico: Awesome!

Kyogre: (In a girls voice) Looks like the fun is about to start.

Groudon: (In a girls voice) It sure is gonna be good.

Rayquaza: (In a girls voice) It sure is.

Nico: Cassie McCallister, Will Terra and Sora Slate!? Whoa!

Qin: Awesome to see you girls again!

Kyogre: You too Qin. We got this.

They fired blasts of energy and blasted Another Skalamander down and I caught the ridewatch and purified it. I saw that the Another

Skalamander is a girl with neon purple hair and had yellow clothes.

Me: (GASP) Adrienne Kyanite!

I went over to her and brought her over.

Adrienne Kyanite opened her eyes and they were magenta.

Adrienne Kyanite: (GROANS) What happened? I feel like I got hit by a mine cart.

Me: You were turned into Another Skalamander.

Adrienne Kyanite: Wait. J.D.? Is that you?

Me: It sure is.

Adrienne hugged me.

Nico: How do you know her?

Me: Adrienne was born in a huge and really beautiful crystal cave and she knows so much about crystals and minerals and she has amazing and beautiful crystal powers.

Nico: Awesome!

Me: Adrienne did Swartz promise you anything?

Adrienne Kyanite: No I just remember getting the ridewatch put in me and then everything went black.

Miku: Any favorite memories of Nico?

Kyogre: We have a lot of them. But we are agricultural girls and great chefs.

Groudon: We made really awesome foods in cooking classics.

Rayquaza: One time we made really good burgers for everyone and everyone loved them and didn't leave us any.

Me: Boy those must've been really tasty burgers.

Kyogre: They were.

Me: Lets get you girls back to normal.

I put on my blind man glasses. The boys covered their eyes and Nicole covered Hector's Stomach's eyes if he had any and I snapped my fingers fingers and the three girls reverted back. Cassie had blue and blue eyes, Will had red hair and red eyes and Sora had green hair and green eyes.

They were naked and they got up and covered their personal areas.

Cassie McCallister: Hey eyes to yourselves perverts!

Will Terra: Geez! We are naked as jaybirds!

Me: We have our eyes covered.

Sora Slate: That's good.

Sora's legs wobbled, Will tried to stand up straight, and Cassie tried to feel less bloated

Cassie belched!

Cassie McCallister: Oh pardon me.

Sora Slate: Whoa!

Will Terra: This is tough.

The fashion brigade moved in and they gave each of them matching clothes for them. Cassie had blue clothes, Will had red clothes and Sora had green clothes.

Cassie McCallister: Wow! These look great!

Will Terra: They sure are.

Sora Slate: Yeah. We're decent now.

We uncovered our eyes.

Nico: Wow you girls look great!

Cassie McCallister: We sure do.

Nico hugged them.

Nico: I missed you girls.

Cassie McCallister: We did too Nico.

Cadieux, along with her equally heartless, abusive, gold-digging ex-mother, and the former relatives on her ex-mom's side have broken out, and they want revenge on The Evil HERO Gene-Slammers and Lincoln for exposing their crimes to the public and sending them all to prison.

Lincoln: Ah, Kalamazoo, Michigan, it's so good to be back here, and I know what we're going to do here, not only am I going to rescue the fourteen girls here, but we got some bad news: it appears Avalon Cadieux's heartless, abusive, gold-digging ex-sister, Lisa Cadieux, along with her equally heartless, abusive, gold-digging ex-mother, and the former relatives on her ex-mom's side have broken out, and they want revenge on The Evil HERO Gene-Slammers and me for exposing their crimes to the public and sending them all to prison.

Avalon Cadieux: That heartless, rotten little bitch! Doesn't she know when to quit?!

Becky Long: Apparently not. Lisa's been out for your blood ever since you got her, your ex-mom, and the former relatives on your ex-mom's side sent to prison for what happened to your dad, Avalon, and it looks as though revenge is the only thing on their minds.

TLPS Mr. Wolf: Either way, we're sending their butts right back to prison for this. And speaking of jail, I can't believe Tweaky broke out of jail yesterday to kill Lincoln, and right when we were dealing with Volccaaea.

Lincoln: That dirty canary still hates me for what's happened with Buzz Buzzard being in The Masters of Evil, and not even Vypra was able to get through to Tweaky. (Sighs) Guess that's what happens when trying to deal with a habitual criminal like him, but like I said, if Tweaky dares to break out yet again, he's going to get the stuffing beaten out of him, and we'll be sure to run into more of The Duel Monsters Heroes, mainly at the end of our main missions when we're dealing with the next member of The Extraterrestrial Order of The Planets of Holy Ghidorah.

Nico: Yeah. But, it probably won't be Tweaky coming back for more, we still got a lot of old enemies we've killed long ago who also want

revenge.

Me: And there's no doubt Damian will bring them back to kill us before The Ridonculous Race starts, he really is a fucked-up psychopathic out-of-control murderous lunatic.

Lincoln: Even worse than Damian Alaister and his fucked-up Church of Necrom goons. But, he'll pay the price for his blood-stained misdeeds when the competition starts, and he'll regret crossing paths with us, and I want to thank you and your team for joining us, Steve.

Captain America: You're welcome, Lincoln.

Nico: Luckily, the police have sealed off all exits, so there's nowhere for Avalon's despicable ex-sister, ex-mom, and the relatives on her ex-mom's side to run to. Plus, we'll also run into the last one of Ranamon's sisters.

Ranamon: We've already run into Hikenmon, Kohamon, Rakuraimon, Kukimon, Korimon, Kagemon, Kinzokumon, and Kessekimon. Which means the last one of my sisters we're going to meet is none other than Hanamon.

Suddenly, we saw B.E.S. Big Core MK-3 and Viveine appear before us, and with them are the fourteen girls.

Nico: Whoa, that's B.E.S. Big Core MK-3 and Viveine.

Viveine: (Girl's voice) (Southern Accent) Oops, sorry about the scare, y'all.

B.E.S. Big Core MK-3: (Girl's voice) But, we also got the thirteen girls away from that gold-digging heartless bitch, Lisa Cadieux, along with Avalon's ex-mom, and her former relatives on her ex-mom's side.

Lincoln: (Gasps) That voice from B.E.S. Big Core MK-2, I knew it was you, Harley Long, and that voice from Viveine, I knew we'd run into you, Hanamon.

?: (ENRAGED BANSHEE SHRIEKS) AVALON CADIEUX, WE WILL

FUCKING KILL YOU, YOU BITCH!

We then saw our targets: one of them was a blonde-haired girl with red eyes of hatred and dressed in a red prison jumpsuit, it was Avalon Cadieux's heartless, abusive, gold-digging ex-sister, Lisa Cadieux, the second was a red-haired woman with red eyes of hatred and dressed in a red prison jumpsuit, it was Avalon Cadieux's equally heartless, abusive, murderous gold-digging ex-mother Catherine Cadieux, and the other men, women, boys, and girls dressed in red prison jumpsuits were the former aunts, uncles, and cousins on her ex-mom's side, and they were all out for blood.

Lincoln: Should've known there was no mistaking that obnoxious banshee shriek from anywhere, it seems as though Lisa's still as pissed off as ever. Well, now to make her miserable life even more unbearable and send her and the rest of those gold-digging buzzards back to prison.

Then, Lincoln summoned many machine guns from nowhere, and as soon as he pointed his massive greatsword at Lisa Cadieux, Catherine Cadieux, and the aunts, uncles, and cousins on Avalon's ex-mom's side, the machine guns fired tranquilizer darts, which hits Lisa Cadieux, Catherine Cadieux, and the aunts, uncles, and cousins on Avalon's ex-mom's side, and they got knocked out, and they were all tied up in rainbow energy straitjackets and rainbow energy chains, and they were sent back to the federal prisons where they were sent to. We cheered as we holstered our weapons and powered down and the machine guns vanished.

Nico: Now, that's what I call sharp shooting, and for that lot, you used tranquilizer darts on them.

Lincoln: It'll keep them knocked out, but by the time they awaken, they'll realize they're back in prison, and they'll be screaming their heads off vowing revenge on us again. Like I even give a damn after all the crap they put Avalon through when she was growing up, and how they murdered her father, they don't deserve any ounce of sympathy or compassion, they were and always will be heartless, abusive, and greedy gold-diggers. (To Harley Long and Hanamon) And it's so good to see you again, Harley Long and Hanamon.

Harley Long reverted back to normal, and she's a beautiful girl with long golden yellow hair, golden yellow eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful golden yellow angel wings, she's dressed in a golden yellow vest, golden yellow crop top with golden yellow beaded necklaces, golden yellow skirt, golden yellow pants, golden yellow legwarmers, golden yellow sneakers, and long white long-sleeved trenchcoat with light and space ships on the coattails and on the back is B.E.S. Big Core MK-3, and holstered on her back is a massive B.E.S. Big Core MK-3-themed greatsword with embedded yellow gems and B.E.S. Big Core MK-3 etched on the 7'0" massive, wide, double-edged golden yellow blade, large B.E.S. Big Core MK-3 heads for the crossguard, large red gems embedded in the hilt, longer midnight black handle, four large B.E.S. Big Core MK-3 heads and large yellow gem on the bottom of the large B.E.S. Big Core MK-3 heads for the pommel.

And Hanamon reverted back to normal, and she looks like Ranamon before she transformed into her Super Angel Xelnaga Eternity Infinity form, but the color schemes for her match the element that she uses: wood, she was tall at 6'5" in height, she has the body of a goddess, she has massive and beautiful green angel wings, and she has a long white sleeveless trenchcoat with wood and plants on the coattails, and on the back is Viveine, and holstered on her back is a massive Viveine-themed greatsword with embedded green gems and Viveine etched on the 7'0" massive, wide, double-edged green blade, large Viveine heads for the crossguard, large green gems embedded in the hilt, longer midnight black handle, four large Viveine heads and large green gem on the bottom of the large Viveine heads for the pommel.

Harley Long: You too, Lincoln.

Hanamon: I agree, it's been a very long time.

Lincoln went up to Harley Long and Hanamon and he hugged them, and Harley Long and Hanamon are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, Harley, and I haven't seen you since I was eight, Hanamon, and as you can see, I really grew a lot since then.

Harley Long: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness.

Hanamon: You've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we also met your familiars, and they are really awesome.

Nico: Whoa, Lincoln, you know these two girls?

Lincoln: Indeed I do, Nico.

Becky Long: And so do I. The B.E.S. Big Core MK-3 Gene-Slammer is Harley Long and she's one of my sisters, she's Lincoln's Guardian Angel from Michigan, and like me, Harley Long is a very strong and powerful technomancer, and like me, she was pronounced braindead at age 4 and the doctors came up with the very same risky and dangerous operation. They replaced her dead brain with an artificial Positronic Brain, and it gave her incredible powers of Technokinesis and it also turned her mind into a very incredible computer capable of storing an infinite amount of information and unleashing the full 100% of her brain power.

Me: Whoa.

Becky Long: And when she got Gene-Slammed into B.E.S. Big Core MK-3, she also gained powerful light powers, where as I gained powerful darkness powers, and just like me and my other sisters, Harley is also in Lori's school and she's protected Lincoln from the worst of Lisa Loud's fury and almost got Lisa disowned and sent to a nuthouse in the federal prison system forever as well as have all of her science stuff confiscated by the scientific community forever.

Harley Long: I've hated that heartless emotionless mad scientist with a passion for what she did in subjecting her little brother and her family to her mad experiments.

Lincoln: Well, you're not going to like this bit of news, Harley: J.D. found out the person responsible for turning Lisa into the heartless, emotionless mad scientist, you, your eldest sister, and your other sisters have hated was none other than Killjoy Huggins.

Harley Long: (Gasps) What?!

Becky Long: It's all true, Harley. Killjoy Huggins, the Dark Side of Principal Huggins, turned Lisa, Lori, Lynn, Lola, and Luan into those heartless monsters by injecting them with a Dark Side Creation Serum when Lincoln was in Third Grade, so he can get rid of Lincoln once and for all. He did this and right under our noses the whole time.

Lincoln: But, you don't have to worry, we removed that killjoy from Principal Huggins, and we dealt him a massive payback for all the crap he's done to me.

Me: And Lincoln sent him to The Black Gates forever, thus ending the source of his pain and suffering for good.

Harley Long ran up to Lincoln and hugged him tight, and he hugged her as she cried hard into his bare chest.

Eli: Killjoy Huggins really did a lot of damage on that day.

Lincoln: Becky's sisters had no idea that miserable killjoy did all that under their noses, and all to kill me because he hated me. Now, I'm really glad I killed him, he's one person who deserved to die for everything he put me through. And the Viveine Gene-Slammer is Hanamon, the last of Ranamon's Elemental Digi-Sisters and Warrior of Wood, she and I would do gardening together and even grew some trees together, and I made Hanamon a beautiful bouquet of flowers, and to show thanks, she kissed me on the lips, and she hates Trina Riffins and Icky Vicky with a passion.

Me: Uh oh. What did those two anger mismanagement, rage crazy, psychopathic, evil bitches do to earn Hanamon's wrath?

Nico: Whatever it is, it's probably infinite-times worse than what we'd heard from Lincoln's many other Guardian Angels about those two, and Lincoln told us the whole story when we met your sister, Hikenmon.

Hanamon: I knew he and Ranamon would tell the story one day. (To Lincoln) Oh, Lincoln, there's something we also want to give you.

Lincoln: Let me guess, you and Harley want to give me your blood, right?

Harley Long: How'd you guess what we were about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Hanamon: Ooh, I knew it was a matter of time before you'd start marking your future wives.

Ranamon: He already marked me a year ago, and he marked Hikenmon, Kohamon, Rakuraimon, Kukimon, Korimon, Kagemon, Kinzokumon, and Kessekimon, and he'd since marked your sister, Becky, and yesterday, he marked Elsa.

Lincoln first went up to Harley Long, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

And Lincoln then went up to Hanamon, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Hanamon: You're still just as gentle as ever when you feed on one of your Guardian Angels, Linky.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Harley Long and Kessekimon with golden yellow and green gems on the gold lightning bolts and golden yellow and green crystal links from their merged Crystal Necklaces of The Buddha along with two Elemental Thunderbird Chokers of Eternal Love on their necks.

Harley Long: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Harley Long and Hanamon.

Harley Long and Hanamon had a smile on their faces and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around them, and he leans down to each of their face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the fourteen girls, and when Lincoln saw who they were, he immediately recognized them. The fourteen girls are Anna Akagi, Emo Moegi, Kiracchu, Rinka Aoba, Sara Midorikawa, Mirai Momoyama, Mei Shindō, and Anju Shiratori from Sparkling Pretty Channel, Naotora Ii, Itsuki, Kasuga, Maria Kyōgoku, Magoichi Saika, and Tsurihime from Sengoku BASARA.

Lincoln: Oh wow, it's Anna Akagi, Emo Moegi, Kiracchu, Rinka Aoba, Sara Midorikawa, Mirai Momoyama, Mei Shindō, and Anju Shiratori from Sparkling Pretty Channel, Naotora Ii, Itsuki, Kasuga, Maria Kyōgoku, Magoichi Saika, and Tsurihime from Sengoku BASARA.

Nicole: Whoa.

Naotora Ii (Samurai Warriors): I had no idea there's another who bears the same name as me.

Lincoln: But, she's from a different world just like you, Naotora, and the same goes for Magoichi from your world. Are all of you okay?

Magoichi Saika (Sengoku BASARA): We're alright, thanks to you for saving us from that bitch.

Then, when Magoichi Saika (Sengoku BASARA) and the other thirteen girls saw who it was that saved them from Lisa Cadieux, along with Avalon's equally heartless, abusive, gold-digging ex-mother, Catherine Cadieux, and the former aunts, uncles, and cousins on her ex-mom's side, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, his own version of He-Man's chest harness with colored gems on the orange straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted search Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, Defender of His Many Guardian Angels, and

Anna Akagi: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made thirteen clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Anna Akagi: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, fourteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Anna Akagi, Emo Moegi, Kiracchu, Rinka Aoba, Sara Midorikawa, Mirai Momoyama, Mei Shindō, Anju Shiratori, Naotora Ii, Itsuki, Kasuga, Maria Kyōgoku, Magoichi Saika, and Tsurihime with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and they were shocked to find out the villain we went after was Avalon Cadieux's heartless, abusive, gold-digging ex-sister, Lisa Cadieux, along with her equally heartless, abusive, gold-digging ex-mother, Catherine Cadieux, and the former aunts, uncles, and cousins on her ex-mom's side who'd broken out of prison, and they all wanted revenge on The Evil HERO Gene-Slammers and Lincoln for exposing their crimes to the public and sending them all to prison years ago.

But, when Lincoln showed what we all did in laying down a brutal beatdown on those greedy, abusive, heartless gold-diggers and Lincoln summoning machine guns that fired tranquilizer darts into them and knocked them out and we tied them up and sent them back to prison, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln, Harley Long, and Hanamon have a lot of catching up to do, now that they're back in town.

Maria: Sheesh, I never expected Avalon's heartless, greedy, abusive gold-digging sister, along with her equally heartless, greedy, abusive gold-digging mother, and the former relatives on her ex-mom's side to break out.

Lincoln: Yeah, we thought we were finally done with those gold-diggers, but they made good on their threat to break out and get revenge. But, we made sure to beat them down, and we won't have to see their pathetic faces anymore.

Avalon Cadieux: Or hear Lisa's obnoxious shrieking. Good thing Chantel put a gag on her mouth just in case she started shrieking.

Chantel Rhodes: I couldn't stand to hear that voice of hers, but she got her just desserts for what she did, along with your ex-mom and the relatives on your ex-mom's side again.

Me: And we also asked the warden to have them put in separate cells in Solitary Confinement, and they'll be put through Hell with the tortures Lincoln has for them.

Nico: Trust us, you so don't want to know.

---

After taking down Avalon Cadieux's heartless, abusive, greedy gold-digging ex-sister, Lisa Cadieux, along with her equally heartless, abusive, gold-digging ex-mother, and the former relatives on her ex-mom's side and sending them back to prison for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Harley Long and Hanamon saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Harley Long: Whoa, I was right that Lincoln's really grown into a 17-year-old, 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Hanamon: He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Hanamon: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Harley Long: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Harley, Hanamon, what's the stories you have on why you hate Lisa, Trina Riffins, and Icky Vicky with a burning passion?

Hanamon: Uh oh, I was hoping you'd ask that. One day, Lincoln and I were planting some new trees in the park. But, then, Lincoln sensed a presence and he and I made poison ivy vines grow out from nowhere, and they lashed at and forced out two figures, and Lincoln saw who they were: it was Icky Vicky and Trina Riffins, and those two bitches were still out for revenge on Lincoln since he played his part in bringing them down, but we pounced on them and we pulverized Trina Riffins and Icky Vicky, and because of his Gessius Flores Vengeance Curse, more gold, jewels, and pearls came out of them, and we tied them up and sent them back to

Lynn's Table, and they were tied up back at his post.

Nico: Rage-crazy, psychopathic, monstrous bitches. I swear, one of these days, we'll smash the brains right out of their empty skulls!

Luna: Big time. They deserved it for all the crud they've done: Trina Riffins for making Courtney's life hell and Icky Vicky for making the lives of Timmy, her little sister, Tootie, her parents, and every last child in Dimmsdale Hell and wanting to kill every last kid and watch the world burn.

Harley Long: Those two really are nothing more than heartless, rage crazy pieces of trash. Okay, now for my story, I make it no surprise I've hated Lisa with a blazing passion, because of all the hell she put Lincoln through with her trying to kill him with her insane experiments. One day, Lincoln and I were busy doing some homework at our house, since The Loud House isn't a perfect place for our homework. But, then, we saw something crash into my room, it was a smoke bomb, we escaped from the room, and we heard the sound of insane laughter. We looked out the living room window, and we saw who it was that did the dirty deed: it was Lisa, and she had her army of robots with her again, and she was out to capture and kill me by removing my brain and kill Lincoln. We'd absolutely had it up to hear with that heartless monster, and I used my technomancy powers and destroyed every last one of Lisa's robots, and we tied Lisa up with energy ropes Lincoln fired from his angel wings, and we dragged Lisa back home, and after we told Mr. and Mrs. Loud of what Lisa tried to do to us, she was grounded for sixteen weeks and she was thrown in a metal cage and tied up in a straitjacket, and she was screaming bloody revenge on us, but Lily whacked the cage with a mallet and Lisa crashed onto the floor.

Nico: Jeez, this was just like Becky's ordeal with Lisa. But, it also had the same end result: Lisa got her comeuppance and she got grounded again.

Me: Yeah, Lisa really was insane before we got rid of her Dark Side.

Lincoln: And I warned her: if she ever tried that same stunt with Becky's sisters, I was going to make her pay for this in the worst way imaginable: I'll call the Scientist Committee and they'll confiscate all of Lisa's lab materials and chemicals, along with rewards and certificates, and she'll be declared an enemy of the state.

Luna: And he's serious about that. Becky has friends in the scientist committee and with one phone call, Lisa will lose everything, and she'll be on her way to the nuthouse for the rest of her life. But, Lisa didn't even listen again, and she was really playing with fire: and in this case, that fire is our bro.

We got a shower afterwards, and then, Lincoln, Clair Voyance, Ryūko Tatsuma, Cathleen "Cassie" Bate, Moe Kamiji, Uwabami, Saiko Intelli, Melissa Shield, and Kaina Tsutsumi are heading to Wave Ocean.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Clair Voyance, Ryūko Tatsuma, Cathleen "Cassie" Bate, Moe Kamiji, Uwabami, Saiko Intelli, Melissa Shield, and Kaina Tsutsumi were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Clair Voyance, Ryūko Tatsuma, Cathleen "Cassie" Bate, Moe Kamiji, Uwabami, Saiko Intelli, Melissa Shield, and Kaina Tsutsumi had feelings for Lincoln, and he had the very same feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant.

Clair Voyance: Wow, so this is Wave Ocean, it sure is beautiful.

Lincoln: I've been here to Wave Ocean before, Clair, and it's always beautiful, and it's perfect for our first date. Shall we?

Lincoln, Clair Voyance, Ryūko Tatsuma, Cathleen "Cassie" Bate, Moe Kamiji, Uwabami, Saiko Intelli, Melissa Shield, and Kaina Tsutsumi dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Clair Voyance, Ryūko Tatsuma, Cathleen "Cassie" Bate, Moe Kamiji, Uwabami, Saiko Intelli, Melissa Shield, and Kaina Tsutsumi got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Clair Voyance, Ryūko Tatsuma, Cathleen "Cassie" Bate, Moe Kamiji, Uwabami, Saiko Intelli, Melissa Shield, and Kaina Tsutsumi, and they hugged the girls in their abnormally massive and powerful muscular arms, and Clair Voyance, Ryūko Tatsuma, Cathleen "Cassie" Bate, Moe Kamiji, Uwabami, Saiko Intelli, Melissa Shield, and Kaina Tsutsumi placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Wave Ocean, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Clair Voyance, Ryūko Tatsuma, Cathleen "Cassie" Bate, Moe Kamiji, Uwabami, Saiko Intelli, Melissa Shield, and Kaina Tsutsumi with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Clair Voyance, Ryūko Tatsuma, Cathleen "Cassie" Bate, Moe Kamiji, Uwabami, Saiko Intelli, Melissa Shield, and Kaina Tsutsumi are now part of your harem.

Izuku: Looks like Lincoln's already getting more of our friends added to his harem in a split second.

Bakugo: Well, we've seen he's already been getting the attention of many female Pro Heroes, and they've been drawn to him like a magnet, although I'm surprised Lincoln's kept his cool around them, and not gone love-struck crazy.

?: (Girl's voice) (Irish Accent) Well, that's Lincoln for you, alright.

Suddenly, we saw Ffidyll from My Singing Monsters appear in the World Tree Estate.

Nico: Whoa, Ffidyll from My Singing Monsters.

Lincoln: (Gasps) And I'd recognize that Irish Accent from anywhere, Alaina Ceolrince, it's awesome to see you again.

Alaina Ceolrince reverted back to normal, and she's a beautiful girl with long green hair, green eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful emerald green angel wings, she's dressed in a emerald green vest, emerald green crop top with emerald green beaded necklaces, emerald green skirt, emerald green pants, emerald green boots, and long white long-sleeved trenchcoat with shamrocks on the coattails and on the back is Ffidyll, and holstered on her back is a massive Ffidyll-themed greatsword with embedded green gems and Ffidyll etched on the 7'0" massive, wide, double-edged emerald green blade, large Ffidyll heads for the crossguard, large green gems embedded in the hilt, longer midnight black handle, four large Ffidyll heads and large emerald green gem on the bottom of the large Ffidyll heads for the pommel.

Alaina Ceolrince: (Irish Accent) Aye, you too, Lincoln, it's been a long time.

Lincoln went up to Alaina Ceolrince and he hugged her, and Alaina Ceolrince is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, Elsa, and I haven't seen you since I was eight, Kessekimon, and as you can see, I really grew a lot since then.

Alaina Ceolrince: (Irish Accent) Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I also met your familiars, and they are really awesome.

Nico: Whoa, Lincoln, you know her?

Lincoln: Indeed I do, Nico. The Ffidyll Gene-Slammer is Alaina Ceolrince, she's my Guardian Angel from Ireland and classmate in Gym. She and I love to do music and sports together, and they even started swimming underwater to do aquatic exploration. I made

Alaina a very beautiful necklace with her favorite colors, and to show thanks, she kissed me on the lips. Plus, she's also Princess Allura's long lost twin sister, and like her twin sister, Alaina's an Altean.

Me: That's so cool.

Lincoln: You got that right, and Max, here's something that'll interest you: Alaina hates Bradley Uppercrust the III. The reason why is because he attempted to cheat in the competition while Alaina and I were there.

Max Goof: (Gasps) The day of The College X-Games, so the two who exposed Brad for his attempts to cheat in that day in the competition, that was…?!

Lincoln: Yep, that was us. Luckily, Alaina and I revealed that Brad was cheating to the judges which got him disqualified. She's also a member of a group known as The Musical Athlete Gang, a group of athletic musicians that can do music and sports they and I along with the rest of the Louds would do sports and music together. My family and I are members of The Musical Athlete Gang, and we even celebrated holidays together, especially Christmas, Thanksgiving, and even St. Patrick's Day.

Nico: Whoa, and St. Patrick's Day's coming up soon. So, we're meeting some St. Patrick's Day-themed Gene-Slammers as well, awesome.

Lincoln: That's right, and we even celebrated St. Patrick's Day via Irish music dance, and only me and the rest of my family know about this, but The Musical Athlete Gang are also relatives to three girls in my harem, and I made the Musical Athlete Gang beautiful bikinis based on their favorite colors, and to show thanks, they kissed me on the lips, and they hate the jerks with a passion.

Me: Whoa, so you guys were the ones who exposed Brad's cheating and got him disqualified that day? That's really awesome!

Max Goof: If they hadn't, then, Brad would've gotten away with his cheating, and as a result of his disqualification, the trophies they'd won in the past were taken back, and Tank got out of there way before the day of The College X-Games.

Tank: Now, I remember, Lincoln and Alaina told me what Brad was going to do, and I'd be killed in a last ditch attempt for him to win by cheating. Thank God they saved me, or we would've died.

Max Goof: Let's not think about that, but it was like those two were our Guardian Angels who saved us from what could've been a horrible fate at the hands of that cheater. If Brad sees you here, Alaina, there's no doubt he'll go ballistic.

Lincoln: Let him try, besides, you already have him chained up at Dad's restaurant, and we're also humiliating him in front of the public.

Max Goof: True. However, I need to deal out my form of payback on him for what he tried to do that day.

Max Goof unholstered his Gabriel's Eternal Unbreakable Bonds of Friends and Angels Archangel Keyblade from his back and fired a beam of light which hits Brad and exploded, and gold, jewels, pearls, and Jemms exploded out of him.

Max Goof: That's for trying to cheat that day at The College X-Games, you sore loser!

Lincoln: He's had it coming, and now that you're here, Alaina.

Lincoln went up to Alaina Ceolrince, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Alaina Ceolrince: (Irish Accent) You're still as gentle as ever when you're feeding on one of your Guardian Angels, lad.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Alaina Ceolrince's neck with emerald green gems on the gold lightning bolts and emerald green crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her necks.

Alaina Ceolrince: (Irish Accent) (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Alaina Ceolrince.

Alaina Ceolrince had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them.

Nico: So, we've just met the first of The Musical Athlete Gang. I hope we meet all of them before St. Patrick's Day, so we can have a lot of fun on that day.

Lincoln: It'll be so awesome.

---

Later it was time for Lewa's 3rd Ambassador Mission.

William: Anyone else want to go with Lewa? Besides Cole Evans and Chiro?

Sakura Knudson: I'll go. Wherever bro goes, I go.

Me: Awesome.

Princess Celestia: Me, Luna, Cadance and Flurry Heart will go too.

Me: Cool cool.

Nico: Okay then. Are we ready?

We nodded.

Nico: Lets go.

We were off to Normandy.

---

We arrived at Normandy.

Me: Here we are.

Cole Evans: Wow Normandy.

Me: Yep, This is the very spot where the battle of Normandy took place in 1944.

Cole Evans: D-Day.

Me: Yep.

Lewa: Lot of history here.

Sakura Knudson: This is amazing here.

Princess Celestia: This is so cool.

Valiant: Hey guys!

Lewa: Valiant, this is Cole Evans and Chiro.

Cole Evans: Awesome to meet you guys. Leader of the Wild Force Rangers.

Chiro: And I'm Chiro of the Super Robot Monkey Hyperforce.

Bugsy: Awesome to meet you guys.

Twilight Sparkle: And meet my teacher and mentor.

Princess Celestia: Princess Celestia, Princess of the Sun and the Light Skylanders.

Princess Luna: I'm Princess Luna, her sister and Princess of the Night and the Dark Skylanders.

Princess Cadance: I'm Princess Cadance of the Crystal Empire and Twilight Sparkle's sister in law.

Flurry Heart: And my name is Flurry Heart, Twilight Sparkle's niece.

Valiant: Wow it's an honor rot meet you all.

Bugsy: Same here.

Princess Celestia: You too.

Valiant: Sakura, how are you doing since the last visit?

Sakura Knudson: Much better and doing really well. I still have so much to catch up on but I'm doing really well.

Me: Sakura is learning really fast now.

Nico: She sure is.

Sakura Knudson: I'm just really happy to be back with my brother.

Sunset Shimmer: We all are.

Rainbow Dash: And that is so awesome.

Valiant: We are glad for you.

Sakura Knudson: Thanks guys.

Cole: But this is amazing that you guys live here in Normandy.

Valiant: Honestly, I hope to celebrate the anniversary of that battle with you guys in June.

Me: Oh don't worry we will.

Nico: We always have fun.

Me: That will be 79 years ago this year.

Eli: It sure will.

Princess Luna: That will be a really fun day.

Nico: Anyway, have you guys seen any Another Omnitrix Aliens?

Bugsy: 2 of them actually.

Valiant: Another Moyo and Another Portaler.

We gasped!

Me: Whoa! So we have a Martian and one of Portaler's kind running around.

Princess Celestia: This will be interesting to see.

Eli: It sure will. They are 35 klicks to the south.

Nico: It won't be long until we've completed all the Another Omnitrix Aliens.

Me: No it won't. We only have 4 left. So we have Shadowman and Mole-Stache for the grand finale.

Sakura Knudson: That's interesting.

Princess Cadance: That is interesting.

Eli: Yep.

Fluttershy: Yeah.

Me: And the Moyo one is gonna be in for a surprise. We found out that Mars is now fully terraformed.

Sakura Knudson: Mars is now FULLY Terraformed!? That's impossible!

Me: No it isn't.

Valiant: Yep. You have a LOT to catch up on.

Me: She does. Sakura we saw that Mars is now fully terraformed. Look.

I showed a viewing window and it showed Mars and it was now FULLY Terraformed.

Sakura Knudson: Wow! Mars went from a dead red planet to now full of life like Earth.

Applejack: It sure did and it is amazing.

Elli: We were amazed ourselves.

Me: We sure were. We saw what Terraforming would do on Documentaries but it would take hundreds of years to do. And terraforming planets is still in the drawing board stages.

Nico: He's right on that. Somehow the planet was made so much like Earth without that kind of technology.

Fluttershy: I think it was really amazing seeing that.

Nico: We should take you there in the future.

Me: That's a good idea.

Eli: I agree.

Sakura Knudson: I would like that.

Me: Cool.

Twilight Sparkle: That is gonna be cool.

Me: You will be amazed at what we saw on numerous kinds of planets. We went all over the universe and went to numerous kinds of planets that have all kinds of amazing people and cultures.

Eli: It's true.

Me: We even went to numerous planets that have environments that are completely inhospitable to human life.

Sakura Knudson: WOW! You guys have done it all!

Eli: Yep.

Twilight Sparkle: It sure is amazing seeing the planets of the universe.

Sunset Shimmer: It sure is.

Lewa: We all thought so.

Nico: Shall we head out to find them?

Valiant: I'm going ahead of you!

Nico: Lets roll!

We were off.

We were flying south.

Eli: Whoa I also sense that a Deoxys Gene-slammer is here too.

Sakura Knudson: Wow! Deoxys is amazing.

Nico: It sure is.

Lewa: I wonder if it can change forms

Nico: Deoxys does have that kind of power.

Me: Its power must be really strong.

Eli: It is. The Deoxys Gene-slammer has incredibly intense power.

Me: Yeah. If she is like the Kyogre, Groudon and Rayquaza Gene-slammers we'll have to call in the Fashion Brigade for her.

Rarity: Don't worry darlings I can help her with this.

Me: Okay.

Nico: Good thing you're with us, Rarity.

Rarity: Indeed.

Me: You should see the clothes that Rarity makes Sakura. Her clothes are so awesome that everyone loves them. They are the envy of many people in our schools.

Sunset Shimmer: It's true. And she makes them with jewels.

Sakura Knudson: Wow! Carol had a beautiful and amazing purple jeweled dress on for one of her dates with Vince. I was wondering where she got that.

Me: Rarity made it.

Sakura Knudson: Oh wow!

Valiant: I know I haven't met Poromon yet. But is he an angry drunk or a happy drunk?

Me: That's a pretty good question. He is half and half.

Nico: He and the mascots like drinking.

Sakura Knudson: That is really crazy.

Me: Yeah.

Eli: We're close.

We arrived in a meadow and we sensed for the Another Aliens.

Me: They are here. I can feel it.

Nico: I don't see them.

Me: Hmm.

Then we felt THUNDEROUS FOOTFALLS!

Me: What the?!

Nico: What is that?

Me: I've got a bad feeling about this.

BOOM! BOOOM! BOOOM!

We then saw a REALLY HUGE ROBOT! IT WAS MONDO BOT!

---

The Mondo Bot was a rogue giant robot that appeared in Episode XLI: Robo-Samurai versus Mondo Bot.

It is unknown how the past Aku's destruction affected its existence.

Developed as a means of defending the City of Andromeda from threats, the Mondo Bot, for reasons unknown, turned against its creators and proceeded to instead terrorize the city, forcing its mechanical residents deep underground.

The Mondo Bot met its end when it was confronted by Jack piloting the Giant Samurai Robot. When its ranged weaponry proved ineffective, it drew a sword and engaged the enemy mech at close range; however, Jack's superior skill proved insurmountable in both armed and hand-to-hand combat. Sustaining heavy damage, the mech attempted to blast the Robo-Samurai at point blank range with its chest cannon, but Jack simply tore off his enemy's remaining arm and crushed the cannon to force a backfire, destroying what remained of the Mondo Bot.

Powers and Abilities

Durability: Due to its vast size and heavy armor, the Mondo Bot was extremely resistant to injury. Although Jack's sword was able to pierce its hull, he was unable to inflict significant damage until he took control of the Robo-Samurai. In the resulting battle, the Mondo Bot remained at least partially functional after having its head crushed and all of its limbs broken off - Jack only destroyed it for good by forcing a point-blank backfire in its main cannon.

Strength: The Mondo Bot possessed substantial physical strength, being able to create powerful shockwaves with its footsteps, hold its own against the Robo-Samurai in melee combat, and leap into the upper atmosphere.

Eye Lasers: The Mondo Bot's green visor can release powerful energy blasts, either as rapid bolts or a sustained ray.

Machine Guns: Clusters of large guns were hidden within the colored spots on the Mondo Bot's chest and forearms. Each was capable of firing a minutes-long barrage of bullets, bombarding the ground below with a shower of massive spent casings. The exact strength of the guns is unclear, but they did no visible damage to the Robo-Samurai.

Missiles: The Mondo Bot's upper body contained several racks of missiles, which could be fired en masse. Like the guns, they did nothing to the Robo-Samurai, so their true destructive potential is unclear.

Beam Cannon: The Mondo Bot's strongest weapon was a large cannon hidden within its chest. After a short charging period, it could fire powerful green energy; either a ball with the explosive force of a nuclear bomb, or a sustained beam to wear down more durable targets. Although powerful, the cannon was also a weak spot for the Mondo Bot; if its barrel was blocked or crushed, the energy would backfire and disintegrate the robot itself.

Drones: The Mondo Bot stored a sizable platoon of insect-like drones in its body, which were used to fend off smaller attackers clinging its hull.

Sword: The Mondo Bot had a collapsible blue sword resembling a broadsword on its back, which it could deploy when it engaged in melee combat. Unlike its other weapons, the sword was able to damage the Robo-Samurai's armor, and it appeared to match the other robot's katana in strength and durability; both were destroyed after the Mondo Bot's leaping attack.

Tentacles: The Mondo Bot could release bright blue tentacles from its hand - apparently parts of its internal circuitry - which proved strong enough to pierce the Robo-Samurai's armor and fast enough to penetrate most of its upper body in seconds.

We gasped!

Me: (GASP) IT'S MONDO BOT!

Nico: HE'S HUGE!

Eli: What a Robot! He's huge!

Twilight Sparkle: Unbelievable!

Valiant: You guys never sensed HIM!

Me: Guys now is not the time for complaints!

I used Goliath's Ride Card.

KAMEN RIDE GOLIATH!

I grew to Mondo Bot's size and height.

Nico: WHOA!

Everyone flew up to me.

Nico: He must be over 500 feet tall!

Me: He is. When we were the Brave 12 we faced Mondo Bot and that was when I discovered that I can increase my size to any height.

Nico: WHOA!

Sakura Knudson: Incredible!

Me: I know. This is gonna get ugly. VERY FAST!

Mondo Bot got all his machine guns out.

I put up a force field and protected us all as he fired.

He fired numerous bullets at us and the shell casings were as big as cars. He exhausted all his gun ammo in seconds.

Nico: That was a lot of bullets for one robot.

Me: I know.

He then fired missiles. LOTS OF THEM. They all hit the force field and exploded!

MASSIVE NUMEROUS EXPLOSIONS!

When the smoke cleared we were still standing.

Me: That all you got?

He fired powerful laser blasts and I deflected them back and blasted him to pieces.

Me: He was down.

Me: That's it for him.

Nico: That was easy.

Eli: Yep.

I reverted back to normal.

Me: Lisa can salvage him and rebuild him and reprogram him for us to use.

Nico: Good idea.

Eli: Who made Mondo Bot?

Me: The people of a highly advanced robot city named Andromeda. They built Mondo Bot as a protector. But something went wrong with him. He turned on his creators and went rogue and he destroyed everything in his path. We found out that it was because of Aku that he went rogue.

Nico: Geez!

Me: Yeah. Aku used his magic to mess with Mondo Bot's programming and make him go rogue.

Eli: Geez!

Sakura Knudson: Aku did a number on the world.

Me: No kidding there.

Then 2 figures came out and they were dark versions of Moyo and Portaler!

Nico: Who are you two?

Another Moyo: (In a girls voice) (Japanese Accent) I believe that J.D. knows us both.

Another Portaler: (In a girls voice) Captain Emily Patton Reporting for duty sir!

Me: At ease and it's good to see you both again! Everyone meet Yuriko Takahara and Emily Patton.

They reverted back. Emily was a girl that had blond hair and had military clothes on and Yuriko was a girl with red hair and had red eyes and red clothes.

Yuriko Takahara: We saw the battle with Mondo Bot. That was amazing!

Cap. Emily Patton: That was well done!

Me: It sure was.

Albedo turned into Negative Moyo.

Negative Moyo: Did Swartz promise you girls anything?

Yuriko Takahara: No I teleported us out of there before he could make his offer.

Cap. Emily Patton: That's right.

Me: Good you did.

Nico: Indeed.

Me: Sorry we have to fight like this girls.

Yuriko Takahara: I'll go first.

Me: Okay then.

She turned into Another Moyo.

Me: Yuriko you turned into a Martian. Believe it or not Ben turned into this too.

Another Moyo: You mean there is…

Me: Yep. There REALLY IS Life on Mars.

Nico: (gets out Misty Tredwell and Skalamander's Ridewatches) Let's start things off!

Nico activated them and fired waves of green fire and crystal and smashed her down.

Cole Evans: Wild Access!

He transformed into his Red Wild Force Ranger form.

Nico: Yeah!

Sakura Knudson: Take this!

She fired a blast of energy and smashed her down.

Cole: (gets out Wolf's Rider Card) Merrick would be proud.

KAMEN RIDE! WOLF!

He fired laser blasts and blasted her down and she was back to normal and I caught the ridewatch and purified it and brought her over.

Me: 1 down.

Chiro: (gets out Cuppa Joe's Ruder Card) You can tell us now.

Sakura Knudson: Uhh you don't want to know what it is till I show you.

Chiro: Oh.

KAMEN RIDE! CUPPA JOE!

He fired waves of energy and smashed her down.

Nico: Take that!

Lewa and Valiant charged at her

They flew and smashed her down with a powerful punch.

Eli: Oh yeah! Wait here it comes!

We saw a Deoxys!

Me: Cool! Deoxys!

Sakura Knudson: Wow!

Deoxys: (In a girls voice) This is gonna be fun!

Nico: Nathalie McKee!? Whoa!

Deoxys: I got this.

She fired an energy ball and it hit Another Portaler and knocked her down and I caught the ridewatch and purified it and I brought Emily over.

Valiant: What's your favorite memory of Nico?

Deoxys: I have a lot of them. My favorite is when me and Nico were in science class and a bully was picking on a kid and me and Nico made Nitroglycerine and we spiked his drink with it and then he drank it. Then we threw a bowling ball at him and he exploded. He was a total thug.

Me: GEEZ! Gave him the old exploding stomach routine.

Deoxys: Yep.

Nico: That was funny.

Valiant: Are you two okay?

Yuriko Takahara: (GROANS) Just a really nasty headache.

Emily Patton: Yeah but we're okay.

Me: Lets get you back to normal.

I put on my blind man glasses and the boys covered their eyes and I snapped my fingers and she reverted back.

Nathalie screamed in pain. She went to Attack Form, then to Defense form, then to Soeed Form, and finally Normal Form Again before reverting back to human.

She was naked and And was a girl with red hair and blue eyes. Rarity went over and gave her awesome new blue and green jeweled clothes.

Rarity: (GASP) Rapture darling you've outdone yourself.

Nathalie got up.

Nathalie McKee: (GROANS) That was brutal. Hey I look awesome in these clothes.

Rarity: Oh I made them.

Nathalie McKee: These look awesome.

Nico and Nathalie hugged.

Nico: I've missed you.

Nathalie McKee: Me too Nico. Me too.

Me: I guess I should have warned you that it was going to hurt.

Nathalie McKee: No worries.

We later went back.

---

We arrived back home.

May: Hey guys. How did it go?

Me: Really awesome.

We told everyone everything.

Samurai Jack: Mondo Bot was there!?

Me: Yep but we beat him.

Nico: Yep.

Qin: That was awesome!

May: Next time, Charlie Brown and Andy should go with you.

Me: Good idea!

Nico: Awesome!

---

Later I was watching TV and Sakura Knudson came in.

Gru: Sakura, are you about to tell us that you're working for the Donbrothers' enemies?

Sakura Knudson: No it's not that.

She came in and sat down and she had a bowl of something I never would have guessed.

Me: Chum? You like chum?

Sakura Knudson: Yeah I love chum. Been hooked on it for a long time.

Plankton: Say what?! [his skeleton falls out in shock]

Me: You and Mr. Lynn and Mr. Krabs went through the same thing.

Sakura Knudson: Yeah back when I was with Swartz, my school ran out of food and all we had to eat was chum. I was hooked on it since. (EATING) It's been with me since.

Me: I can't tell you how many times I hurled my guts out seeing someone eat chum.

Nico: Yuck!

Mr. Krabs: I feel your pain.

Sakura Knudson: I heard about that. Crazy.

Sunset Shimmer then came in.

Sunset Shimmer: (GROANS)

G1 Venom: You okay?

Sunset Shimmer: (GROANS) Just really bad gas.

But then…

LOUD FART!

She farted and out came a stream of fire!

Me: WHOA!

Qin: Fire Farts!?

Sunset Shimmer: (GROANS)

LOUD FART!

She farted out a fireball and it hit a wall and exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOMMMMMMM!

Me: GOOD GRIEF!

Gears: Those are dangerous farts!

Me: Well fire is a dangerous force.

I got a fire extinguisher and put it out.

Me: Boy that has to be the most lethal farts of them all!

Qin: No kidding there.

We put it out.

Qin: There.

Nico: Sunset what did you eat?

Sunset Shimmer: I had a diablo burrito.

We gasped!

Me: The hottest burrito in the world. You're going to be feeling that one for a while.

Sunset Shimmer: No kidding there.

Garby: At least I didn't eat that one. (LAUGHS)

LOUD FART TOOT!

Garby Farted.

Then Sunset Fired a blast of fire from her butt and then…

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It ignited the fart and exploded! Blasting us in the room.

Me: (COUGHING) GEEZ!

Nico: (COUGHING) What an explosive dilemma!

Qin: (COUGHING) Garby's gas and Sunset's fire are a lethal combination!

Eli: (COUGHING) No kidding!

We aired the estate out.

Me: Boy Sunset you got to be careful with spicy food. Sure you're the princess of forgiveness and the Fire Skylanders but you don't have to take it literally though.

Sunset Shimmer: Sorry guys. It was something new.

Me: Oh. No worries.

Leeli: (LAUGHS) That is funny though.

Qin: It was.

Sakura Knudson: Sorry you guys had to see me eat chum like this.

Lana: It's all right Sakura. You aren't the only one that likes chum.

She saw that Lana had a bowl of chum too.

Sakura Knudson: You like chum too Lana?

Lana: (Eating chum) MMM! You bet.

Me: You wouldn't believe what we found that really got my stomach going. We found a planet made of chum and it was gross.

Nico: Yeah no kidding.

Leeli: That is crazy.

Qin: It was.

The doorbell rang

Me: (Imitating Mr. Krabs) (Singsong) Come in!

The door opened and in came a Jirachi.

Me: Cool a Jirachi!

Qin: Wow!

Leeli: Oh it's so cute!

Me: Yeah.

Nico: The Millennium Comet isn't back is it?

I looked outside and saw nothing.

Me: Nope.

Jirachi 2: (In a girls voice) But it's awesome to be with you all.

Jirachi: Another of my kind!

Me: Yeah.

Nico: Wait that voice.

Qin: I know it too.

Nico: Kassandra Mendez.

Jirachi 2: That's right.

Nico: Cool!

Qin: Awesome to see you again.

Jirachi 2: Same here Qin.

Me: Do you have the same powers as Jirachi does?

Jirachi 2: I sure do. In fact I have the power to make anything happen by thought or by the simple snap of my fingers.

Me: Cool! We both have something in common.

Qin: You two sure do.

Jirachi: What's your favorite memory of Nico?

Jirachi 2: My favorite is when Nico wished to see a beautiful field of rainbow crystal flowers and I made it happen.

Qin: You should see what this field looks like. It's full of flowers made of pure crystal of the 7 colors of the rainbow and they glisten and shine so amazingly in the sun and they make beautiful rainbows in the sky even when there are no storm clouds. We call it the Diamond Prism Flower Valley.

We were in awe.

Me: Wow!

Eli: That is magical.

Leeli: It sure is.

Twilight Sparkle: Wow your powers are amazingly strong.

Jirachi 2: I get that all the time.

Nico: Let's revert you back

Me: I was just going to say that. Lets get you back to normal. But this is gonna hurt.

Jirachi 2: I am ready though.

I put on my blind man glasses and the boys covered their eyes and I snapped my fingers and she was changing back.

She grew in size and she changed back to human. She had blond hair and had blue eyes and had the kanji for Wish emblazoned in the middle of her forehead and had star angel wings that had the stars and the night sky in them.

Rarity and the Fashion brigade moved in and they gave her awesome purple clothes.

Kassandra Mendez: (GROANS) That was rough.

She stood up.

Kassandra Mendez: Wow I look awesome in these clothes and they are beautiful too.

Rarity: Thank you darling.

Maria: Yeah we make lots of great clothes.

Cloud Man: Nico, which teams have you made?

Nico: Mera's team will include Ms. Spell, Ryotaro Nogami, Haruka Kito, Luffy and Mystique. Aquaman's team will include Snow White, Daisuke Yamamoto, Gyro Man, Yínhé Lóng, and Pie

Pie Mermaid.

Me: Cool!

Qin: Awesome setup.

Xenia: It sure is.

Lola: Yeah!

Luffy: It's gonna be awesome too!

Laney: Yeah!

Then the previous group came.

Cad Bane: Can me, Beetle, Boomerang, Titanium Man, Cheshire, Multiple Man, Silver Samurai, Blizzard, Whiplash, Major Disastor, and Six Gum Gang go with you guys?

Dagger: Me, Katz, Dagger, Evil Wood Man, Kung Food, Gypsy Moth, Star Creature, Evil Wind Man, Evil Snake, Evil Winter Man, and Siren Sara will come too.

Nico: Yes you all can come with us.

Qin: Yeah this is gonna be so awesome.

Sunstorm: Nico, which Gene Slammers do you think you'll meet next?

Goof: It'll be two, right?

Wilbur: It'll probably be the Sinnoh ones

Nico: Yep. We start the Sinnoh Region next. Torterra and Infernape next.

Qin: Cool!

Lola: If Paul saw those two he would be infuriated.

Me: Thank goodness that will never happen.

Suddenly, Lincoln's deep sapphire eyes glowed and turned into rainbow colors, and he had a vision of what's happening: it appears world-famous supervillain, Scarlet Overkill, has broken out of prison, and she wants revenge on The Minions for ending her criminal career and getting her sent to prison.

Lily the Mermaid: Linky, what's wrong?

Lincoln: Oh man, we've got huge trouble.

Nico: We saw your eyes turned into rainbow colors and your Third Eye glowing, Lincoln, what's wrong?

Lincoln: It's bad news, Nico, and it's something The Minions aren't going to like: it appears the world-famous criminal, Scarlet Overkill, has broken out of prison, and she wants revenge on The Minions for ending her criminal career and getting her sent to prison.

We gasped in shock.

Me: Scarlet Overkill, the most notorious criminal in the world. She's gotten away with a lot of crimes in the past, and many law enforcement agencies and The FBI have worked for years to catch her, but she always slips away.

Lincoln: That was until The Minions unintentionally got Scarlet

Overkill's career ended.

Gru: Because of me. She tried to abscond with the crown in England, but I froze her with my Freeze Ray. Which led to her getting sent to prison for good, so it's not just the Minions she'll be wanting her revenge on, but also, me.

Nico: Don't worry, Gru, we're not letting that criminal lay one hand on you or The Minions. In fact, the only thing she should be looking forward to is getting sent back to prison.

Me: But, not before we rough her up.

Lincoln: And restrain her with a rainbow energy straitjacket and rainbow energy chains, and she'll also have Herb Overkill with her, so we'll be sure to send this husband-and-wife villain duo straight back to prison.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Loppera, another member of The Extraterrestrial Order of The Planets of Holy Ghidorah, and he's coming here to kill us all for ruining their plans. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Loppera of The Extraterrestrial Order of The Planets of Holy Ghidorah on the move?

Lincoln: You guessed it, Rayman, and he's coming here to kill us all for ruining their plans.

Nico: Just as we expected, but we're more than ready for Loppera, right, Lanaiya?

Lanaiya Volvenstein: Right, and just like what happened, he's going to transform by drinking that potion with 2018 King Ghidorah's blood, so Lincoln will separate him King Ghidorah Hybrid Monster form from his real form and absorb the King Ghidorah Hybrid Monster form while we destroy Qiienna and give him The Black Gates.

Lincoln: You said it.

Buster Bunny: But, we also got to keep our heads up. After what happened yesterday with Tweaky, we may have more uninvited guests who'll try to come after us for revenge.

Nico: We'll keep an eye out for them too, and we're not going to let any of those religious fanatics get away with any of their attempts to get revenge on us. Alright, gang, let's go, time to put a stop to the revenge of Scarlet Overkill.

Lincoln: And send her and her husband back to prison, and once we get done taking down those two super-villains, you better be ready to die, Loppera.

Lanaiya Volvenstein: You better be ready to die, Loppera, because you're about to face the true wrath of Cyclonic Ravager.

Nico: Well we got a lot of work cut out for us. First we'll watch the movie Minions and learn more about our target and then we'll head out.

Qin: Good idea.

Dixie: Who's got the DVD?

Titanium Man: (Russian Accent) I do.

King Food: I'll make popcorn.

He did so.

We got to watching the movie.

* * *

Minions are small, yellow pill-shaped creatures which have existed since the beginning of time, evolving from single-celled organisms into beings which exist only to serve history's most evil masters, but they accidentally end up killing all their masters: rolling a T. rex into a volcano, letting a caveman get eaten by a bear, crushing a Pharaoh to death with a pyramid, and exposing Count Dracula to sunlight. They are driven into isolation after firing a cannon at Napoleon while in Russia, and start a new life inside a cave, but after many years, the Minions become sad and unmotivated without a master to serve. However, three Minions named Kevin, Stuart and Bob decide to go out on a quest to find a new master.

The three journey in 1968 to New York City and go into a department store for the night; they stumble upon a hidden commercial broadcast advertising Villain-Con, an Orlando convention for all villains. The next day they hitchhike a ride with the Nelsons, a family of thieves. At the convention, they meet Scarlet Overkill, the world's first female supervillain, who unexpectedly hires them and takes them to her home in London. They phone the rest of the Minions to get them to join. Scarlet plans to steal the Imperial State Crown from Queen Elizabeth II, promising to reward the Minions if they succeed, but also threatening to kill them if they fail.

Scarlet's husband Herb supplies them with inventions to aid in the heist, but they are nearly caught while breaking into the Tower of London. During the subsequent chase, Bob runs into the Sword in the Stone and pulls the sword free to defend himself and his friends, removing the Queen from the throne and making Bob the new King. Enraged that someone else accomplished her dream of stealing the throne, Scarlet confronts Bob, who voluntarily abdicates the throne in her favor. Undeterred, Scarlet imprisons Kevin, Stuart and Bob in a dungeon, where Herb attempts to torture the trio, but they escape with the intention to apologize to Scarlet at her coronation.

After making their way to Westminster Abbey, Kevin, Stuart and Bob interrupt the coronation by inadvertently dropping a chandelier on Scarlet. Mistaking the accident for an assassination attempt, Scarlet angrily orders the trio's execution and has other villains chase them through the streets of London during a thunderstorm. Stuart and Bob are captured, while Kevin hides in a pub and sees Scarlet on television, who declares that she will kill Stuart and Bob if Kevin does not show up by dawn. With the villains still searching for him, Kevin sneaks into Scarlet's castle to steal weapons and triggers a machine Herb was building, causing him to grow in size into a giant. Kevin tramples through London, rescues his friends, and battles Scarlet, just as the other Minions turn up in the city. Scarlet tries to eradicate them by firing a massive missile, but Kevin swallows it. Scarlet and Herb attempt to escape with her rocket dress, only for Kevin to hold onto it and get pulled into the sky. The missile explodes, seemingly killing Kevin, Scarlet, and Herb. As the Minions mourn the loss of their leader, Kevin survives as he returns to his normal size.

The Queen gets her throne and crown back. She rewards Bob with a tiny crown for his teddy bear Tim, Stuart with an electric guitar, and Kevin with a knighthood. Scarlet and Herb, still alive, steal the crown again, only to be stopped by a young Gru, who fires a freeze ray at them and flees with the crown on a rocket-powered motorbike. The Minions, deciding Gru is the new master they were looking for, begin to follow him.

* * *

We were laughing our sides off and it was really funny.

When it was done we were laughing hysterically!

Qin: (LAUGHS) SO FUNNY!

Nico: (LAUGHS) YEAH!

Gru: Yeah that was a fun time for me. Good memories.

Tricloid: Can we go to your house, Gru?

Gru: You all sure can.

Nico: Lets head there then.

We were off to Gru's mansion.

* * *

We arrived at Gru's mansion and it was a stereotypical evil looking mansion.

Me: Whoa scary place. Just like a stereotypical evil mad scientist lair.

Gru: Yep. It sure is home.

Multiple Man: You still keep it around.

Gru: It's too precious to me.

Star Creature: Can't argue with that point

Me: Me neither.

We went in.

Margo Gru: Hey guys!

Me: Hey Margo!

Edith: Boy awesome to see you all!

Me: Same here Edith.

Chop Shop: Have you girls been good?

Margo Gru: Trying to be. But we're still good.

Me: Awesome. We all could use your help for this one. Scarlet Overkill, the woman that Gru and the minions froze is back.

Edith: Who is Scarlet Overkill?

Me: She was the first villain your father brought down before any of you were even born.

Edith: Wow! Really daddy?

Gru: It's true.

He went over her history.

Scarlet Overkill is the main antagonist of the 2015 Illumination Entertainment american computer animated comedy film Minions and a cameo character in it's 2022 sequel Minions: The Rise of Gru. both prequels to the Despicable Me films.

She is one of the most powerful supervillain of all time, being an stylish, ambitious, and powerful criminal mastermind who is determined to dominate Britain. She is also the wife of Herb Overkill as well as the former boss-turned arch-nemesis of Kevin and Stuart & Bob's sworn enemy.

She was voiced by Sandra Bullock in English while Speaking In A British Accent and by Marion Cotillard (who's also played Mal Cobb in Inception, the 2015 version of Lady Macbeth and Talia al Ghul in The Dark Knight Rises) in French.

Scarlet is known for being the "world's first female supervillain". She attends the 1968's Villain Con as its public speaker in search of new henchmen, setting up a challenge of whoever steals her ruby gets the job, which a trio of Minions win after Bob accidentally swallows the gem. She first appeared at Villain Con as a giant shadow behind a wall, telling everybody that it feels so good to be bad, making everyone cheer. Scarlet then turned her dress into a rocket and flew out through the wall as a dramatic entrance.

Having taken Kevin, Stuart, & Bob to her castle in England, she introduces them to her husband Herb and her so far stolen loot. She then addresses about her plan of stealing the British crown to overthrow Queen Elizabeth and become the new Queen of England; In that case, if they failed the mission, she would kill them.

Later in the news, it is mentioned that Bob has been crowned King after taking out Arthur Pendragon's sword in the stone, allowing the Minions to get hold of the crown. However, feeling betrayed after hearing about this, Scarlet angrily travels to the Buckingham Palace to kill them, stating how she had planned everything to steal the crown. To appease Scarlet, Bob abdicates the crown to her. Although Scarlet says to the press that she's touched by the Minions' action, she sends them to an underground dungeon to be tortured, saying that she still hates them for stealing her turf.

During the coronation ceremony (attended by many of the Villain Con villains), Kevin, Stuart, and Bob try to apologize, but accidentally collapse a chandelier over her, almost killing her. An enraged Scarlet survives and orders them to be executed, refusing to accept that it was an accident. Kevin manages to escape, but Stuart and Bob end up being captured by the villains. She sends a message to Kevin through the news threatening to kill both Stuart and Bob if he does not come by dawn. Finally seeing that Scarlet is not the type of master that the Minions want to follow, Kevin decides to take action to rescue his friends and defeat Scarlet for good.

The next morning, Scarlet and Herb settle a large number of explosives in order to murder Stuart and Bob, and Scarlet takes Bob's teddy bear as a memento, much to Bob's dismay. Fortunately, a giant Kevin arrives at the rescue by using a hydrant to stop the explosions. Upset by this turn of events, Scarlet furiously faces the gigantic Kevin and fires a missile to the Minion tribe that has just arrived in the middle of the fight. However, Kevin swallows the missile to save his tribe, and Scarlet tries to get away from the situation with Herb, but are stopped by Kevin. They both shield themselves when the missile is about to explode inside Kevin's mouth. However, Kevin manages to escape the explosion and shrink back to his normal size while retrieving Bob's teddy bear, much to the other Minions' delight.

Though it would have seemed that Scarlet and Herb have perished in the explosion, they reappear alive during Kevin's knighting ceremony, stealing the Queen's crown by their account. They attempt to escape, but they end up being frozen by a young Felonious Gru, who takes away the crown from her hands, much to her fury. Spotting Gru, Kevin sees that he has found a new potential master, so he and the other Minions follow Gru. Scarlet is now upset that she is done for, but Bob gives Scarlet the little crown originally gifted by Queen Elizabeth to his teddy bear out of pity before leaving. It is unknown what happens to Scarlet and Herb afterwards, but it reveals that they got arrested, spent a year in jail, ruled it utterly, and escaped.

It is also unknown if she or her husband were still alive by the time the events of the first Despicable Me came around considering that she would be 83 years of age. However, it is clear that both of them have retired from villainy as Gru takes over their position as number one supervillain. This means that she was born in 1927, if the first Despicable Me film happens in 2010.

Scarlet and Herb (now having redeemed themselves and managed to escape from the ice) appear in the after-credits scene somehow, dancing and singing with the rest of the characters. However, they are scared off by an arriving Tyrannosaurus.

---

When he was done we were amazed and shocked and in awe.

Me: Wow!

Margo Gru: That is amazing!

Edith: It sure is!

Whiplash: Gru, can we ask you a question?

Gru: Sure.

Evil Snake: What did you do with the crown?

Gru: It's right here.

He went to a safe and opened it and in it was the crown of Queen Elizabeth.

Me: The Crown Jewels of England!

Qin: Just like in the movie.

Xenia: That is cool!

Spinister: You know you need to return it, right?

Me: Let me see.

I looked at the security footage of the Tower of London and in a glass case was the Crown Jewels.

Me: Weird it shows here that the Crown Jewels in the Prime Universe are still right where they are.

Nico: Odd.

Gru: Strange. But yeah.

Me: But the Crown Jewels have been a major important part of Britain's history for centuries.

May: They sure are beautiful.

Woz: Indeed they are Lady May.

Nico: They sure are.

Me: But Overkill is a big threat. She is the self-proclaimed most powerful villain.

Lunk: I won't deny Overkill's a formidable villain.

Runt: But she's no Lex Luthor.

Siren Sara: No, she isn't.

Me: But there are villains that are infinitely worse than she is. Like Thanos.

Xenia: That's right. He was going to wipe out all life in the entire universe.

Camie: Yeah.

Bludgeon: Don't forget Herb.

Me: That's right. Herb was Scarlet's right hand man.

Qin: That's right.

Margo: Well you guys are all going to send them to prison right?

Me: Yep. Scarlet and Herb are going to prison forever. In Solitary Confinement.

Nico: Yep.

Major Disaster: This time, let's not have Kevin grow giant.

Evil Winter Man: He'll be too big.

Me: That was so awesome how he got that giant. He was as tall as a mountain.

Qin: He sure was. Even taller than Mondo Bot.

Xenia: No kidding.

Me: Oh speaking of which where are the Minions?

Margo: Right here.

She whistled and then the minions came!

Ren Krawler: Hey guys!

Linehalt: Have you been good?

Kevin gibbered.

Kevin: Yeah.

Me: Cool cool.

Camie: Wow there are so many of them.

Sakura Knudson: They sure are. Swartz let me watch Minions during our breaks and it was funny.

Sougo: Boy that is cool.

Silver Samurai: Let's remember to bring the freeze Ray.

Evil Wind Man: It's iconic.

May: Luckily I brought mine.

William: And mine.

Nico: Good job guys.

Xenia: This is gonna be so awesome.

Maria: And I have my own too.

She had a freeze ray too.

Gru: Of course I brought the freeze Ray.

Acid Storm: Good.

Me: Great. We'll need it.

Qin: Many of us will.

Nico: Yep.

Cheshire: Let's not forget the fart gun.

Gypsy Moth: That will come in handy.

LOUD FART!

Sunset Shimmer fired a blast of fire from her butt and the blast hit the door and blasted it down.

Me: WHOA!

Cheshire: What happened?

Me: Sunset Shimmer has a nasty case of fire farts from eating a spicy burrito.

Sunset Shimmer: Uhh sorry.

Octopunch: The fart gun is still a good idea

Me: It sure is.

Eli: I love the Fart Gun. It's so funny.

Me: Me too.

I got the fart gun and I pointed it at Nico and fired it and it hit his butt and he farted!

LOUD FART!

Nico: WHOA! Pardon me!

Boomerang: Okay, mates. Let's get ready.

Evil Wood Man: She'll be here any minute.

Eli: I sense her coming. 45 klicks and closing from the east.

Me: Okay then.

Nico: She'll be heading for the park. Perfect.

LOUD FART!

Nico: WHOA! Pardon me!

Me: (WHISTLES INNOCENTLY)

We were off.

We arrived at the park and just by the lake at 50 meters was SCARLET OVERKILL!

Me: Target sighted.

Stranglehold: Entrance time!

We went at her!

Scarlet Overkill was infuriated. She was infuriated that Gru took her crowning moment, metaphorically speaking. Then the spirits of the Minions appeared and they gibbered and then they swirled around her and then converged and then a tree made of Twinkie's came out of the ground and grew twinkies and they popped open and out came us.

Me: A Creamy delight entrance!

Qin: Yeah!

Scarlet Overkill: Who are all of you!?

Me: Your worst fucking nightmare!

Scarlet Overkill: You!

Gru: Yes. Me!

Beetle: Gru's all grown up.

Katz: And you're in big trouble!

Gru: You will not steal my thunder ever again!

Scarlet Overkill: Have you looked in the mirror!? You stole MY THUNDER! I HATE YOU GRU! I HATE YOU MORE THAN LIFE ITSELF!

His aura flared up with incredible force!

Gru: Thanks for the power boost!

May: Yeah you have a lot of nerve you ugly old witch!

SCARLET OVERKILL DID NOT LIKE BEING CALLED THAT ONE BIT!

Scarlet Overkill: (ENRAGED) WHAT DID YOU JUST CALL ME! (ENRAGED GROWLING, SCREAMING AND ROARING OF EXTREME FURY!)

She roared and screamed with so much incredible rage that she literally turned into a demonic fire breathing dragon!

May went at Scarlet and punched her in her face and kicked her in her stomach and kneed her in her face and punched her in her eye and smashed her down!

Nico: YOU GO MAY!

Qin: YEAH! Tear that bitch apart!

May was REALLY LETTING HER HAVE IT!

May: I'll hold her off! You guys have your usual battles!

Nico: Rip her skin off May!

Billy: CATFIGHT!

POW!

May punched her in her face!

Me: What a catfight!

Then Xiao Fung, Swordsman, Melter, Top, Gearhead, Abra Kadabra, Trapster, Ragdoll, Batroc the Leaper, Shade, Evil Wing Man, Spatula Girl, Yost Viper, Lord Stratosfear, Frictor, Queen of the Black Puddle, Yost X 23, Indigestible Wad, Cyborg Rangers, and Owl (Stellaluna) appeared.

Yost Viper: Wow! Look at May go!

Frictor: She is really going at her!

Nico: You got that right!

Xiao Fung: Don't worry about Herb.

Top: We found him knocked out on the way here.

Maria: Who knocked him out?

Gearhead: Does it really matter?

Me: I bet it was one of the Donbrothers monsters that did it. But who knows.

Abra Kadabra: (to Nico) We heard you went to a meat planet.

Nico: We sure did.

Trapster: How much did you eat?

Me: Tons of meat! (BELCH) Still full.

Xenia: Yeah we sure are.

Then General Tomars appared.

Me: General Tomars, back for another round?

General Tomars: You got that right.

Me: Awesome.

Tomars: Tomorrow, you should include the Kamen Riders in these battles.

William: Good idea.

Me: I was wondering when we were going to get to that. That's a good idea.

Qin: It sure is.

We got the battles underway.

Captain Marvel: Boy they sure did and it was so awesome!

Applejack: Mad Jack was a dark version of Jack.

Apple Bloom: That was really crazy!

Swordsman: That explains why we have a Samurai Jack with us. I thought we were going stir crazy when we saw him and thought that

Jack flipped his lid.

Flashwing: I know. But this is something that the Brave 12 faced.

Gamora: Yeah J.D. faced him because Jack facing his Dark Side would make them both evenly matched and a total stalemate.

Drax: That's right.

---

Ant Man, Pinkie Pie, Maud Pie, Featherweight, Tech Skylanders, Flash, Octopunch and Radeeder VS Top - Meeting a gene-slammer for B.E.S. Big Core MK-3

---

Top was next

Top: (to Ant Man) I heard you guys met a gene-slammer for B.E.S. Big Core MK-3. What's her name?

Ant Man: Her name is Harley Long and she is a really awesome and powerful technomancer and she is smart too.

Pinkie Pie: And she is a really amazing guardian angel for Linky.

Maud Pie: (Monotonously) And her story is really amazing.

---

Nico: Yep. So, Harley, Hanamon, what's the stories you have on why you hate Lisa, Trina Riffins, and Icky Vicky with a burning passion?

Hanamon: Uh oh, I was hoping you'd ask that. One day, Lincoln and I were planting some new trees in the park. But, then, Lincoln sensed a presence and he and I made poison ivy vines grow out from nowhere, and they lashed at and forced out two figures, and Lincoln saw who they were: it was Icky Vicky and Trina Riffins, and those two bitches were still out for revenge on Lincoln since he played his part in bringing them down, but we pounced on them and we pulverized Trina Riffins and Icky Vicky, and because of his Gessius Flores Vengeance Curse, more gold, jewels, and pearls came out of them, and we tied them up and sent them back to Lynn's Table, and they were tied up back at his post.

Nico: Rage-crazy, psychopathic, monstrous bitches. I swear, one of these days, we'll smash the brains right out of their empty skulls!

Luna: Big time. They deserved it for all the crud they've done: Trina Riffins for making Courtney's life hell and Icky Vicky for making the lives of Timmy, her little sister, Tootie, her parents, and every last child in Dimmsdale Hell and wanting to kill every last kid and watch the world burn.

Harley Long: Those two really are nothing more than heartless, rage crazy pieces of trash. Okay, now for my story, I make it no surprise I've hated Lisa with a blazing passion, because of all the hell she put Lincoln through with her trying to kill him with her insane experiments. One day, Lincoln and I were busy doing some homework at our house, since The Loud House isn't a perfect place for our homework. But, then, we saw something crash into my room, it was a smoke bomb, we escaped from the room, and we heard the sound of insane laughter. We looked out the living room window, and we saw who it was that did the dirty deed: it was Lisa, and she had her army of robots with her again, and she was out to capture and kill me by removing my brain and kill Lincoln. We'd absolutely had it up to hear with that heartless monster, and I used my technomancy powers and destroyed every last one of Lisa's robots, and we tied Lisa up with energy ropes Lincoln fired from his angel wings, and we dragged Lisa back home, and after we told Mr. and Mrs. Loud of what Lisa tried to do to us, she was grounded for sixteen weeks and she was thrown in a metal cage and tied up in a straitjacket, and she was screaming bloody revenge on us, but Lily whacked the cage with a mallet and Lisa crashed onto the floor.

Nico: Jeez, this was just like Becky's ordeal with Lisa. But, it also had the same end result: Lisa got her comeuppance and she got grounded again.

Me: Yeah, Lisa really was insane before we got rid of her Dark Side.

Lincoln: And I warned her: if she ever tried that same stunt with Becky's sisters, I was going to make her pay for this in the worst way imaginable: I'll call the Scientist Committee and they'll confiscate all of Lisa's lab materials and chemicals, along with rewards and certificates, and she'll be declared an enemy of the

state.

Luna: And he's serious about that. Becky has friends in the scientist committee and with one phone call, Lisa will lose everything, and she'll be on her way to the nuthouse for the rest of her life. But, Lisa didn't even listen again, and she was really playing with fire: and in this case, that fire is our bro.

FLASHBACK ENDS

Top: Whoa! Lisa sure had a hard time learning her lesson back then.

Featherweight: You're not kidding there.

Sprocket: They had to really mangle her up to get her to learn it the hard way.

Flash: Boy no kidding there.

Top: I agree there. Lets do it!

SPINNING TOP MAGISWORD!

Ant Man used his ridewatch and they fired waves of metal, gears, lightning and energy and smashed him down.

Twilight Sparkle: And now here we are years later and she is back and we're going to send her back to prison.

Starshine Sparkle: I agree there. We're going to make that rotten egg witch pay.

Spyro: With her spending the rest of her life in prison.

Megamind: And it will be good.

Ragdoll: You got that right. Lets do it!

MISSILE MAGIC MAGISWORD!

War Machine used his ridewatch and they fired waves of magic and missiles and smashed him down.

---

Captain America, Princess Luna, Moondust, Snowdrop, Children of the Night, Dark Skylanders, Kangaroo Jack, Billy Gilbert and Acid Storm VS Batroc the Leaper - Scarlet Overkill is nowhere NEAR the title the Most Powerful Villain ever

---

Batroc the Leaper was next.

Batroc: (to Captain America) Scarlet Overkill is nowhere NEAR the title the Most Powerful Villain ever. (hopefully) But I'm near that title, right?

Captain America: I'm not entirely sure but yeah all villains are powerful in their own way.

Lincoln: Consider your careers over, you ruthless supervillains.

Nico: No longer will you two be running free ever again. Awesome job, gang, but we're not done yet.

the imps of The Fabled Gene-Slammers were already hissing with anger.

Yuko: I knew there was no mistaking that voice from anywhere, you can come out now, Loppera.

A figure came out, and it was none other than Loppera of The Extraterrestrial Order of The Planets of Holy Ghidorah.

Yuko: Loppera, I should've known you'd show up here, and we already knew of the Order's arrival days ago, so we're prepared to destroy you all. We will never let you destroy the Earth ever!

Loppera: You fools will pay dearly for this, Lord Ghidorah will rise again and the entire Earth will be destroyed!

Lanaiya Volvenstein: The only one who deserves to be destroyed is you.

Suddenly, Lanaiya Volvenstein's green eyes turned neon green and she was surrounded by a green energy aura with winds, dragons, phoenixes, and wind angels, she unholstered her massive Cyclonic Ravager-themed greatsword from her back, and as she approached Loppera, she left green energy, winds, dragons, phoenixes, and wind angels with every step.

Lanaiya Volvenstein: I will never ever forgive you for what you and the rest of the Order have tried to do 20,000 years from now, Loppera: wanting King Ghidorah to destroy our world and every last living thing on it, that's one thing I will never allow, and for that, I hope you're ready to be buried under a thousand tons of earth for your crimes against mankind and the universe!

Suddenly, Lanaiya Volvenstein was surrounded by a massive vortex of green energy with winds surrounding it, there are dragons, phoenixes, and wind angels and Cyclonic Ravager flying around the vortex, and in the vortex is a sky blue phoenix with red eyes glaring at Loppera: the red eyes of death. Then, as the vortex faded, Lanaiya Volvenstein emerged, but she was changed forever.

(DANGER ZONE BY KENNY LOGGINS PLAYS)

Lanaiya Volvenstein grew to 7'4" in height, she has the body of a goddess, she has sky blue highlights in the bangs of her short green hair, she has green eyes and a green energy aura with winds, dragons, phoenixes, and wind angels surrounding her, she has Cyclonic Ravager emblazoned on her forehead and Third Eye with green iris, she has on dragon earrings with green gems for eyes and holding the Wind and Eternity Kanjis in its claws, she also has Cyclonic Ravager with green gems for eyes and holding the Wind and Eternity Kanjis in its hands on the bottom of her green phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Dragon Necklace of Eternal Love necklace with green crystal links from her merged Crystal Necklace of the Buddha and green gems on the gold flame links. Lanaiya Volvenstein has on a sleeveless green blouse, sleeveless green top, green skirt, green pants, green legwarmers, green sneakers, and long sleeveless white trenchcoat with winds, dragons, phoenixes, and wind angels on the coattails, and on the back is Cyclonic Ravager surrounded by wind. Suddenly, Lanaiya Volvenstein felt a sharp pain on her back, and then, her massive green angel wings with sky blue tips on the large green feathers, grew much bigger for her new body and she now has eleven massive and long green wolf tails with sky blue tips. Lanaiya Volvenstein has on her Ring of the Phoenix with large green gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Lanaiya Volvenstein's massive Cyclonic Ravager-themed greatsword and all the greatswords she'd gotten began merging together and they're surrounded by a kaleidoscope of green energy, winds, dragons, phoenixes, and fire angels with every step, and when it emerged, it transformed into Cyclonic Ravager's Elemental Alchemical Wind Draconic Phoenix Wind Greatsword of Elemental Alchemical Wind Ravager Justice, it's a brand-new massive greatsword with embedded sky blue gems and Cyclonic Ravager etched on the 7'0" massive, wide, double-edged emerald green blade, large green dragon heads for the crossguard, large sky blue gems embedded in the hilt, longer midnight black handle, four large green phoenix heads with sky blue gems for eyes and large sky blue gem on the bottom of the green phoenix heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The

Lanaiya Volvenstein has transformed into SUPER ANGEL-CYCLONIC RAVAGER-DRAGON-PHOENIX-HARMONY CELESTIAL ETERNAL XELNAGA HURRICANE ALCHEMICAL CYCLONIC RAVAGER WIND ANGEL OF DIVINE HURRICANE ALCHEMICAL WIND CYCLONIC RAVAGER JUSTICE AND DIVINE WIND ALCHEMICAL WIND CYCLONIC RAVAGER LOVE!

We were amazed by Lanaiya Volvenstein's Super Angel-Cyclonic Ravager-Dragon-Phoenix-Harmony Celestial Eternal Xelnaga transformation, and when Nico saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Loppera saw it, he fell into an infernal rage and he got out his blaster to blast her, but Lanaiya Volvenstein fired a powerful green energy blast with winds, dragons, phoenixes, and wind angels at Loppera, which hit him and pushed him back and he also got shredded by the winds, but this really pissed him off now, and Lanaiya grabbed his blaster which'd been scrapped and it got turned into pure solid gold which was sent into our vault.

Holly Volvenstein: Wow, Lanaiya's transformed, and she really shredded Loppera badly.

Nico: That bastard had it coming, and she also turned his blaster into gold and sent it to our vault.

Lanaiya Volvenstein: (Divine Echoing Cosmic Voice of The Elemental Alchemical Wind Cyclonic Ravager Draconic Phoenix Wind Angel and Divine Draconic Phoenix Alchemical Wind Cyclonic Ravager Angel Love) And now, you're about to feel the full fury of the winds, Loppera.

Nico: Let me in on this too, Lanaiya, this bastard doesn't deserve to live any longer.

Nico transformed into Super Saiyan Rainbow Infinity and unholsters his massive Nico's Universal Elemental Greatsword of Saiyan Pride and Phoenix Justice from his wider and muscular back and joined Lanaiya Volvenstein.

Nico: (Divine Echoing Voice of Rainbow Redemption) Alright, you fanatical clod, it's time for you to pay for your crimes with your blood!

Lanaiya Volvenstein and Nico went after Loppera who's now gone even more full-blown ballistic, and they fired extremely powerful blasts of rainbow energy, green energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Loppera and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him.

Nico turned his fingernails into claws and he slashed at Loppera, drawing more blood and leaving more scars on him, and he was being driven even more ballistic. Suddenly, Loppera took out the vial of red liquid with a drop of 2018 King Ghidorah's blood, then he drank it. Suddenly, Loppera began changing as massive wings like King Ghidorah's grew and sprouted out from his back, his skin was covered in gold scales, and he'd grown King Ghidorah's tails.

Me: Watch it, you guys, now Loppera has transformed into his King Ghidorah Hybrid Monster form.

Loppera fired a Gravity Lightning blast at Lanaiya Volvenstein and Nico, who dodged it.

Lincoln: Lanaiya, Nico, hang on.

Suddenly, we heard deranged laughter in the air and we saw a figure charge right at Lincoln, who dodged the attack, and we saw who it was that tried to attack Lincoln: it was another Evil Luan, and she was still out to kill Lincoln.

Lincoln: Oh man, another version of Evil Luan. Guys, we got a Code: Deranged Prankster!

Me: What, another version of Evil Luan's here!

Suddenly, we saw Tring and Sneyser appear before us and kick Evil Luan hard in the face.

Tring: (Girl's voice) Don't worry about another version of Evil Luan, Lincoln, we'll take care of this homicidal deranged prankster.

Sneyser: (Girl's voice) You just concentrate on taking care of King Ghidorah Hybrid Monster Loppera.

Lincoln: Thanks, Jayla Yuki and Jane Yuki. And make sure she's beaten up to an inch of her life.

Lincoln fired a rainbow energy blast which separated Loppera from his King Ghidorah Hybrid Monster form, and then, Lincoln went at King Ghidorah Hybrid Monster Loppera and he stabbed him in his chest with one of his eleven massive and long white wolf tails paralyzing him so he couldn't try to escape, and then, Lincoln began absorbing King Ghidorah Hybrid Monster Loppera's bio-energy and assimilated his powers and abilities until nothing was left of it.

Nico: (Divine Echoing Voice of Rainbow Redemption) Thanks for the save, Lincoln, and I can't believe another version of Evil Luan arrived to kill you, but our two heroes will take care of her. Now, then, shall we end this bastard for good, Lanaiya?

Lanaiya Volvenstein: (Divine Echoing Cosmic Voice of The Elemental Alchemical Wind Cyclonic Ravager Draconic Phoenix Wind Angel and Divine Draconic Phoenix Alchemical Wind Cyclonic Ravager Angel Love) You got it, Nico.

Lanaiya Volvenstein and Nico sent Loppera flying into the air, and then, they prepared their combo to put an end to Loppera.

Lanaiya Volvenstein and Nico: ELEMENTAL CYCLONIC RAVAGER DRACONIC PHOENIX ALCHEMY WIND STORM KAMEHAMEHA!

Lanaiya Volvenstein and Nico fired two massive green energy Kamehameha waves with winds, dragons, phoenixes, and wind angels, and they hit Loppera, and they explode with incredible power as they hit him, and he was obliterated. Then, when his spirit appeared, Lanaiya Volvenstein and Nico drew the Judgement Kanji on his forehead, and he was erased by The Black Gates for his crimes. We cheered as Lanaiya Volvenstein and Nico holstered their massive greatswords on their backs and powered down, and Lanaiya Volvenstein's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long green wolf tails, and massive green angel wings are permanent.

Lanaiya Volvenstein: That's one member of The Extraterrestrial Order of The Planets of Holy Ghidorah down and twenty-two members to go. Thanks for helping me destroy Loppera once and for all, Nico.

Nico: (Smiles Warmly) You're welcome, Lanaiya.

Suddenly, Lanaiya Volvenstein wrapped her arms around Nico's wider and muscular back, as her chest pressed against Nico's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Nico's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to their faces. Then, as Nico leaned down to Lanaiya Volvenstein's face, they kissed passionately as she moved her arms and placed her hands on Nico's massive pecs, and behind them was a Dragon, Phoenix, Angel, and Cyclonic Ravager flying in the air, and we saw many animals running across the field, along with elemental forces and winds and tornadoes behind them and we cheered wildly. Then, Nico and Esmerelda Volvenstein absorbed the winds and tornadoes and they came back to us as the display and Cyclonic Ravager vanished.

Me: Oh man, now that's what another cult fanatic has been put down. Awesome job out there, Nico and Lanaiya.

Nico: Thanks, J.D.

Then, Tring and Sneyser had finished beating up Evil Luan and Lincoln tied her up in a rainbow energy straitjacket and rainbow energy chains, so she couldn't escape. Then, Lincoln fired a powerful rainbow energy blast which hit Evil Luan and destroyed her and sent her to The Black Gates.

Lincoln: This is for all the April Fools' Day Apocalypses you brought upon us and for trying to kill me with your insane pranks, you deranged clown. (To Jayla Yuki and Jane Yuki) And it's so good to see you again, Jayla Yuki and Jane Yuki.

Jayla Yuki reverted back to normal, and she's a beautiful girl with long red hair, red eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful red angel wings, she's dressed in a red vest, red crop top with red beaded necklaces, red skirt, red pants, red legwarmers, red sneakers, and long white long-sleeved trenchcoat with fire, Elemental HERO Monsters, and golems on the coattails and on the back is Tring and the Elemental HERO Monsters, and holstered on her back is a massive Hyehehe-themed greatsword with embedded red gems and Tring etched on the 7'0" massive, wide, double-edged red blade, large Tring heads for the crossguard, large red gems embedded in the hilt, longer midnight black handle, four large Tring heads and large red gem on the bottom of the large Tring heads for the pommel.

And Jane Yuki reverted back to normal, and she's a beautiful girl with long blue hair, blue eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful blue angel wings, she's dressed in a blue vest, blue crop top with blue beaded necklaces, blue skirt, blue pants, blue legwarmers, blue sneakers, and long white long-sleeved trenchcoat with fire, Elemental HERO Monsters, and mythical monsters on the coattails and on the back is Sneyser and the Elemental HERO Monsters, and holstered on her back is a massive Sneyser-themed greatsword with embedded blue gems and Sneyser etched on the 7'0" massive, wide, double-edged blue blade, large Sneyser heads for the crossguard, large blue gems embedded in the hilt, longer midnight black handle, four large Sneyser heads and large blue gem on the bottom of the large Sneyser heads for the pommel.

Jayla Yuki: You too, Lincoln.

Jane Yuki: It's been a long time.

Lincoln went up to Jayla Yuki and Jane Yuki and he hugged them, and Jayla Yuki and Jane Yuki are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, Elsa, and I haven't seen you since I was eight, Kessekimon, and as you can see, I really grew a lot since then.

Jayla Yuki: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness.

Jane Yuki: You've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we also met your familiars, and they are really awesome.

Nico: Whoa, Lincoln, you know these two girls?

Lincoln: Indeed I do, Nico.

Nicholette Torrington: Oh man, and so do we. The Tring Gene-Slammer is Jayla Yuki and the Sneyser Gene-Slammer is Jane Yuki, they're Lincoln's Guardian Angels from Japan and classmates in Math, and they're also members of The Duel Monsters Heroes. They're known as the Elemental HERO Deck Duo, because they specialize in The Elemental HERO Deck. Lincoln made Jayla an

Elemental HERO Absolute Zero-themed bikini and he made Jane an Elemental Hero The Shining-themed bikini. To show thanks, they kissed Lincoln on the lips. They're also the twin sisters of Jaden Yuki, and they hate Flip with a passion.

We gasped in shock.

Nico: Whoa, I had no idea you had twin sisters, Jaden.

Me: Same here.

Jaden: I didn't get a chance to introduce you guys to them, and now, I know why.

Alexis: Team Rocket Gene-Slammed them, the fiends.

Jaden: If I wasn't already that mad at Giovanni before, what he did to my twin sisters just absolutely riled me up.

Jayla and Jane ran up to Jaden, and they hugged him, and he hugged them back.

Jayla Yuki: I know, but it's so good to see you again, Jaden.

Jane Yuki: Same here, big bro.

Jaden: You too, girls. How did you girls know about that another version of Evil Luan coming after us?

Lincoln: They must've sensed that after the deaths of the another versions of Evil Lori, Evil Lynn, and Evil Lisa, Evil Luan decided to go after us to kill us, so they came here to help and get payback for all the rotten pranks we went through because of Dark Luan taking over Luan. And now that you two are here.

Lincoln first went up to Jayla Yuki, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

And Lincoln then went up to Jane Yuki, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Jayla Yuki: You're still just as gentle as ever when you feed on one of your Guardian Angels, Linky.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Jayla Yuki and Jane Yuki with red and blue gems on the gold lightning bolts and red and blue crystal links from their merged Crystal Necklaces of The Buddha along with two Elemental Thunderbird Chokers of Eternal Love on their necks.

Jayla Yuki: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Jayla and Jane Yuki.

Jayla Yuki and Jane Yuki had a smile on their faces and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around them, and he leans down to each of their face and he kissed her passionately on the lips, and she also returned it, and we cheered for them.

Nico: Looks like we'll be running into more of your Guardian Angels during our fights against The Extraterrestrial Order of The Planets of Holy Ghidorah, and speaking of, for tomorrow, the next member is Vexxtrea, which means you're up next, Allie Anne.

Allie Anne Volvenstein: Yeah, we'll make Vexxtrea pay with his life.

Nico: We sure will. Say, Lincoln, which B.E.S. Gene-Slammer are you hoping to meet next on your rescue?

Lincoln: I already know who's next for tomorrow, Nico: Jolene Long, Gene-Slammer of B.E.S. Blaster Cannon Core.

Becky Long: We're so going to enjoy seeing Jolene once again, Lincoln. But, this also means we'll be running into another enemy of me and my sisters who's probably been brought back by Damian Constantine.

Lincoln: I know. But, we'll be ready for them and for whatever trick that psycho has up his sleeves.

Swordsman: There goes another face from Gru's past.

Melter: Don't forget the minions.

Ragdoll: But one thing still needs answering.

Batroc the Leaper: Who knocked Herb out?

Shade: I guess we'll never know.

None of us saw the Kaito clone walking away with a smile on his face

I sensed the Kaito Clone and saw him and he looked at me and winked and gave me the thumbs up.

Me: (In my head) That awesome sneaky devil. (Winks and gives him the thumbs up back)

Nico: That was so awesome though.

Gru: Thanks for helping me out guys.

Me: No problem Gru.

Margo Gru: That was so fun!

Qin: It sure was.

Nico: But great job today everyone!

Margo Gru: Yeah! (To the viewers) Enemies from dad's past better beware because we're coming for you.

Me: You got that right Margo.

Sakura Knudson: I'll say!

We went back home and went and enjoyed the rest of the day and went to sleep.

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Tennessee, and we're going to deal with another old enemy of Becky Long and her sisters: a mad scientist named David Anthony. Long ago, he was an intelligent student and he was also in the same school as Lori and Becky Long. But, Becky Long knew of his true nature: he was really a mad scientist who wants nothing more than world domination, and he caused a lot of havoc and destruction with his creations: everything from gigantic robots to mutant monsters created by his brand of mad science. But, his last plot for world destruction was brought to an end by Becky Long and her sisters, and he was taken away by the cops and sentenced to Life In Prison without any possibility of parole. But, now years later, David Anthony has broken out of prison, and he wants revenge on Becky Long and her sisters for ruining his plans for world domination long ago, and the person responsible for breaking him out was the deranged, evil, psychopathic, out-of-control, deranged lunatic and enemy of Buster Bunny and his friends from Acme Acres, Damian Constantine. And for tomorrow, we're going to meet the next of the B.E.S. Gene-Slammers, this time, it's Jolene Long, Gene-Slammer of B.E.S. Blaster Cannon Core and one of The Long Sisters, she's Lincoln's Guardian Angel from Michigan, and like her eldest sister, Becky Long, Jolene Long is a very strong and powerful technomancer, and like Becky, she was pronounced braindead at age 4 and the doctors came up with a very risky and dangerous operation. They replaced her dead brain with an artificial Positronic Brain, and it gave her incredible powers of Technokinesis and it also turned her mind into a very incredible computer capable of storing an infinite amount of information and unleashing the full 100% of her brain power, and when she got Gene-Slammed into B.E.S. Blaster Cannon Core, she also gained powerful earth powers, and just like Becky, Jolene is also in Lori's school and she's protected Lincoln from the worst of Lisa Loud's fury and almost got Lisa disowned and sent to a nuthouse in the federal prison system forever as well as have all of her science stuff confiscated by the scientific community forever. But, wait until she finds out that the person person responsible for turning her into the heartless, emotionless mad scientist she, her eldest sister, and her other sisters have hated was none other than Killjoy Huggins, and this happened under their noses when Lincoln was in Third Grade.

Get ready for a superhero adventure of awesome power as we face Concussion and we're going to destroy that evil maniacal insane monster and make him pay for his crimes.

see you next time.

# SUPERHERO FAMILY VS INSANE BROTHER

This chapter is based on the movie Zoom from 2006.

Flying to the planet Venus was Nico, The Ripping Friends, Ellie Singh, Evelyn Burmingham, Jen Tennyson, Eddy, Yugi, Tea, Jaden, Jesse Anderson, Allenby Beardsley Knudson, The Hernandez Sisters, Yost Magma, Rin Nohara, Woz, Bai Tza, Sabrina Lorelai the Despair from The Dark Gene-Slammer, Albedo, The 1983 D&D Gang, Irina Krafla the Granity Gene-slammer, Kora Lexxington, Olivia Houou, Nataša Marečková, Nalanie Nanthavong The Vorash Gene-Slammer, Brynja, Sissi Delmas, Anna Anyanova the Destiny HERO Dark Angel Gene-slammer, Daring Do, Lizzie Strong the Great Blue Windrunner Gene-slammer, Emam Reynolds the Living Tsunami Gene-slammer, Wendy Sapphira, Reggie Hjorleifsstræti the Five Headed Dragon Gene-Slammer, Qin, Miku Yuuki, Granity, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Hibiki Riders, Kabuto Riders, Den-O, Kiva, Decade, W, OOO, Fourze, Wizard Riders, Blade Riders, Gaim Riders, Drive Riders, Ghost Riders, Ex-Aid Riders, Build Riders, Zi-O Riders, Zero-One Riders, Saber Riders, Granity, Samurai Jack, Ashi and her sisters, Changeman, Jetman, Dairangers, Zenkaigers, Chloe Bourgeois, Shanan, Rita Loud, The Goths of Darkness, Zarya Moonwolf, Applejack, Apple Bloom, Twilight Sparkle & Friends, Sunny Starscout, Izzy Moonbow, Hitch Trailblazer, Pipp Petals, Zipp Storm, Misty Brightdawn, Rachel Stavenport, Kate Lloyd, Carol Pusateri, Hailey Helios, Kia, Jenna, Lina, May, Maria, Danica Metrois, Kaalia of The Vast, Varie, Sakura Valencia, Xenia the Xerneas, Bhavna Radhakrishnan the Xerneas Gene-Slammer, Bridgette, Eli, me, Sakura Knudson, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Spiderman, Kaina Tsutsumi, Nick Logan, Sh'Lainn Blaze, Camie, Kaoruku Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Luz, Amity, Gus, Willow, Hunter, Felicia Wittebane, Carly Atlas, Misty Tredwell, Zuria, Tony Jones, Edyn, Strag, Momo, Girl Jordan, Leeli, Sora Phaaze, Earth, Vinyl Scratch, Airazor, Rhinox, Cheetor, Rattrap, Tigatron, Janeen Aran, Lincoln, Leni, Laney, Lana, Lola, Lisa and Lily Along with Abomination, Lego Band, Dr. Felonius (Johnny Bravo), Hector Con Carne 2.0, Tai Lung and Klobber along with Ripster, Kaso Mi, Captain Chaku, Duck Dodgers, Taro and Zenkaiger Clone and we were heading there for an awesome and cool rescue and a really fun one.

Me: We haven't been to Venus in a while.

Nico: No we haven't.

Xenia: It has been a while.

Qin: I wonder how the planet has been since we were there last.

Nico: We'll find out. Also Taro, Kaito 2, it's awesome having you with us as guests.

Taro: We are truly honored to be with you guys.

Zenkaiger Clone: We sure are.

Nico: Ripster, I want to thank you, Abomination, and your teams for coming.

Ripster: No problem Nico. It's awesome helping you out.

Me: It sure is.

Nico: Kaso Mi, what do you like to do in your free time?

Kaso Mi: Boy that's a good question. I haven't really given it much thought.

Me: Well there's plenty of stuff to do out there.

Lola: Yeah you'll think of something.

Misty Tredwell: Besides there's still lots to do out there.

Qin: Yeah.

Taro: I agree there. You'll think of something.

Nico: And no. You can't work in Moe's Tavern or participate in a fight club.

Kaso Mi: I wasn't planning to. But that is a good one. But if I were to pick I would have to say either zoologist, firefighter or police officer.

Me: Good choices.

Qin: I agree. But just find a good job that best suits you.

Nico: Yeah.

Sakura Knudson: Plenty of them out there.

Me: Yeah.

Taro: By the way guys did you all start fighting our enemies?

Me: We sure did. We already defeated 2 of them.

I showed the Gears we got for Dino Fury and ToQger.

Taro: Cool! You guys are doing good.

Me: It's to help your upcoming Ambassador prepare for her missions with you guys.

Laney: Yeah we have been facing the Anoni and took down 2 monsters from you guys so far.

Qin: We sure did.

Kaito 2: That is so awesome.

Taro: Boy it sure is.

Me: But it will be an honor to meet the 46th Ranger team.

Taro: We're honored that we're going to meet you all soon. And Ikki and Vice you guys are doing great too.

Ikki: Same to you Taro. How is the rest of the Donbrothers?

Taro: Doing really well.

Ikki: Cool cool.

Me: Yep.

Qin: Yesterday's mission was just as fun though.

Nico: Yesterday was great learning about the Minions' past.

Me: It sure was and we had no idea that they existed ever since the time of the dinosaurs.

Qin: That is so cool.

Lola: It sure is and May delivered one awesome beatdown on Scarlet!

Nico: (to Kaito 2) You were the one who knocked out Herb, didn't you?

Kaito 2: (shrugs) It wasn't that hard.

Flashback…

Herb: (running to Scarlet Overkill) Like Hell she's fighting without me!

Kaito 2, who was reading a newspaper, just tripped him and he fell to the ground.

Kaito 2: (Gets out handcuffs) Didn't even need to transform.

He slapped them on him.

FLASHBACK ENDS!

Me: The old newspaper casual trip trick. Classic.

Xenia: That was clever!

Nico: Never even saw it coming.

Kaito 2: No he sure didn't.

Nico: Very clever. Good job Kaito 2.

Kaito 2: Thanks boss.

Maria: Guys, after the rescue, Sheila needs our help with something.

May: What's that?

Maria: Some dumbass thinks it's funny to steal lights from houses.

We gasped.

Me: Wait. I remember seeing this before. Taro ring any bells?

Taro: It sure does.

Kaito 2: I remember this too.

Me: Yeah. Wait Taro I just want you to know that you are not the only one that had to go through the same pain you went through. Turns out my brother Naruto went through it too.

Fu: As have I. My life before I met J.D. and everyone has been hell.

Taro: Was it really?

Fu: It was. I did not have any friends at all.

Me: It's a really ugly story.

Nico: He's right. But you are not alone in all this. There are many others that know how you feel.

Taro: Wow. Thanks guys. That means a lot to me that I'm not the only one.

Qin: Good.

Nico: Here we are.

Me: Guys, look at Venus!

We saw that Venus was NOW FULLY TERRAFORMED! IT WAS BACK TO WHAT IT WAS MILLIONS OF YEARS AGO BEFORE IT TURNED INTO A NIGHTMARISH SCORCHING HOT WORLD! It was now completely covered in beautiful continents, water, plants and more!

Nicole: WOW! Venus is now fully terraformed!?

Nico: How is that possible!?

Girl Jordan: Wow! Wait I think I know. Nico remember on your rescue where we faced Another Zexion? Me and Leeli might have done it.

Nico: Really?

Girl Jordan: The song we did terraformed it in reality.

Me: Wow!

Nico: The song reached it out here?

Girl Jordan: It sure did.

Leeli: Wow! The song and power I have is amazingly strong.

Sakura Knudson: Boy it sure is.

Abomination: That is so cool.

Qin: Wow no kidding. But this is so cool seeing Venus like this.

Laney: It sure is awesome. Now we have 3 Earth planets in our system.

Me: Yep. Mars and Venus are both now like Earth.

Nico: The Earth Trifecta.

Earth: I like that. That is clever.

Me: It sure is. We're 38 million miles from Earth and Leeli's song reached it.

Leeli: That is so awesome!

Rainbow Dash: Wow! It sure is.

Nico: J.D., you, Girl Jordan, Lincoln, Laney, Lisa, Luan, Luna, and Lily wouldn't have anything to do with those people turning into Hitotsuki recently, have you?

Me: Why are you accusing us of that?

Eli: Nico I assure you that they had nothing to do with all that. The Force is telling me that bro and everyone else all had nothing to do with it.

Nico: Oh good. Sorry guys.

Me: No worries. You're just being cautious.

Laney: We don't even have that kind of power.

Lisa Loud: Negative.

Lily: No we sure don't.

Lincoln: Honestly, us turning people into Hitotsukis? Where did you get that crazy idea?

May: (gets out footage of us making Kurata lose it) Hmmm? (gets out footage of us making Storious lose it) Hmmm? (gets out footage of us making Icky Vicky lose it) Hmmm? (gets out footage of us making Masato Kusaka lose it) Hmmm?! (gets out footage of us making Ronson lose it) Hmmm?!

Lincoln: Those are good arguments actually.

Me: We get the idea. But those have nothing to do with Hitotsukis.

Taro: He's right on that. Those people were not chosen. The Notos were choosing people at random.

Me: I think they are picking people like they did with the Donbrothers. Except for us to face in America.

Nico: Oh I get it.

Maria: Guys, I don't know how to say this but-

Laney: Something wrong, Maria?

Maria: I've been thinking. And don't get angry. But maybe you guys don't remember turning people into Hitotsukis.

Laney: What?!

Me: Maria what gave you that idea?

Maria: Think about it. We've faced plenty of bad guys who use mind control. What if these are side effects from you guys having Dark Orbs in you? Or maybe Mad Hatter used those police sirens on you guys when we were rescuing his hostages. We WERE close to them when we were deactivating those bombs. I don't like it. But-

Laney: It wasn't us! We're sure it wasn't.

Maria: You're right. Sorry, guys. But we don't know who's going to turn into a Hitotsuki next.

Me: Guys you're being paranoid.

Qin: Yeah come on!

Nico: You're right. Sorry. But after we deal with that light thief, I'll reassure the others about this. And for good measure, tomorrow's rescue, I have a plan to prove it wasn't you guys.

Me: Okay.

Qin: I have a feeling it will be good.

Me: As long as you don't put bombs in us.

Taro: I guess you also know about Jiro.

Nico: We'll talk more about his dark side on Lyra's first mission. But everything he knew about his past being a lie? That was seriously messed up!

Me: Yeah! That is fucked up beyond all belief!

Qin: You're not kidding!

Xenia: Yeah!

Nico: Yeah.

Taro: Put yourself in his shoes. How would you feel if everything you knew turned out to be fake? It's why I swallowed the Origami for him in his place.

Me: I can only speculate. That is awful that happened to him.

Qin: Yeah no kidding there.

Me: Yeah.

Nico: I agree.

Me: Nico tell you what, I'll prove I have nothing to do with this right now. I'll show you I'm innocent by doing my trademark evil Sasuke Rant on an evil Sasuke.

Nico: Okay then.

We went down to the planet and we saw that Venus looked absolutely incredible! It was beautiful!

Me: Wow! Venus looks so awesome!

Qin: Venus looks like a beautiful paradise!

Xenia: No kidding!

Camie: Wow! It went from a scorching hot wasteland to a beautiful Earth Planet.

Sakura Knudson: This is amazing!

Me: Wow! Venus now has more continents than Earth does.

Qin: And so many beautiful plants and wildlife. Look at all the creatures.

Fluttershy: They are so amazing to see.

Xenia: It's magnificent.

Taro: (sighs) I only wish Haruka and rest were here to see Venus Terraformed.

Nico: You really came to care about them, didn't you?

Taro: I may have been hard on them in the beginning. But I really have grown to see them as true companions.

Me: That's good you do Taro.

Qin: It sure is.

Nico: I hope Pluto gets Terraformed next.

Me: Same with the Moon and many of the big moons of the planets.

Qin: Boy that would be so awesome!

Camie: That would be so awesome to see.

Laney: It sure is.

We saw the Venus Prison.

Me: The Venus Prison is still here. Now they are looking at a planet much like Earth instead of a volcanically hot scorching wasteland.

Qin: That is true.

Nico: J. Jonah Jameson is in for some awesome scenery.

Xenia: He sure is.

Nico: Eli, can you sense for Swartz's creations?

Eli: On it.

He sensed for them.

Eli: (Concentrates) Whoa! We have Another Princess Bubblegum and Another Abomination.

Me: Whoa! That is interesting.

Eli: But there is also an Evil Sasuke here!

Me: Perfect.

Eli: And the sky is awesome.

Me: Venus' sky went from a thick carbon dioxide cloud sky to Earth like. Venus went from an atmosphere that was 96.5% Carbon Dioxide to an atmosphere fully like Earth.

Leeli: That is so awesome.

Camie: Yeah.

Nico: What a change.

Me: And the temperature went down from 900˚ to 78.6˚Fahrenheit.

Nico: Absolutely perfect.

Eli: What a difference.

Me: And it used to rain sulfuric acid. Now it's perfect water.

We saw rainclouds raining water and lightning struck the ground instead of just staying in the clouds.

Nico: Wow!

Taro: Is it true that Swartz made Another Don Momotaro?

Nico: I'm sorry, Taro. But he did.

Me: It's how we got legend items for the Donbrothers.

We showed him and Kaito 2 our legend items for Donbrothers.

Taro: Wow! That is amazing.

Nico: We actually faced him last year.

Me: While your adventures were still in progress.

Taro: That is amazing.

Me: It sure is.

Xenia: Yeah we all were amazed.

Nico: I think we'll face the Another Abomination last.

Me: I have that feeling too.

We arrived in a desert on Aphrodite Terra.

Qin: Wow!

Me: It's amazing that this is Aphrodite Terra.

Nico: We had a really awesome race here too.

Me: And that was back when Venus was a really scorching hot wasteland.

Varie: That was so fun.

Nico: I hope no sand gets in my eye.

?: YOU MOTHERFUCKING CUR!

Me: Right on cue!

Out came AN EVIL SASUKE!

I went into my most powerful form.

Me: (DIVINE GODLY VOICE) **Nice to see you Evil Sasuke.**

Evil Sasuke then had his eyes glow red with incredible rage!

Evil Sasuke: WHO THE HELL DO YOU THINK YOU ARE YOU MOTHERFUCKING CUR!? YOU ARE NOTHING TO US YOU CUR! WE ARE THE UCHIHA AND WE ARE THE STRONGEST AND THE ELITE!

Me: (To Evil Sasuke) **Hmm. Yes and a "Motherfucking Cur" was the only kind of person you can handle. I remember that your father said that very same thing to me in 150,000 years just as I was killing the Uchiha for their crimes and snuffing out the very darkness that they used to destroy so many lives. When he made his speech about how you were going to kill all of the Leaf in the name of Madara Uchiha all they did was seal their fate. Your Father poisoned his own son with his own hatred and turned you into a miniature version of him and he poisoned your mind with so much of his hatred over everything that you became a totally lost cause. He made you into a homicidal and completely mentally unstable psychopath and you did not show any value towards friendship or comradery. You wanted everything handed to you on a silver platter just like your wretched father and all your clan did. You cheated in everything, Even though Ninjas cheat, education is the one thing that we NEVER cheat at. Isn't that right and they say that your father was leading the Uchiha to greatness. But it turns out you're just another lost soul of the run-of-the-mill ninja. And you know it. You're not even in the same league in the kind of power that I possess. I can destroy the entire universe in the mere blink of a cosmic eye. In fact, next to my kind of power and the power that you have, you are nothing compared to me and you and your clan were nothing but a bunch of pathetic ants compared to it. The way you covet all that power, the way your clan did all the deeds in the name of the devil known as Madara Uchiha, a monster and a planet destroyer. It's downright fucking disgusting. As the most powerful fighter and warrior and champion in the universe, all I see when I look at you is a fucked up miserable fuckweed and a heartless motherfucking psychotic wretch. And on top of that I fucking hate your style above all others you ruthless fuckkicker! What is it that you are hoping to accomplish? Stealing all the jutsu in**

**the world just to expand your jutsu arsenal and repertoire, committing crimes all over the planet just to satisfy the devil Madara Uchiha, murdering innocent people, stealing jutsu, pursuing petty and worthless desires like revenge and above all betraying the very village your clan founded. You Uchiha Motherfuckers don't give a flying fuck about anyone but your pathetic goddamned motherfucking selves and that is why I killed them all including your father. The Uchiha are heartless monsters that murder, lie, steal, betray and are completely powerhungry just like you and that's why I killed them all. YOU ALL FUCKING DISGUST ME!**

FORSAKEN BY WITHIN TEMPTATION PLAYS

That was proof that I didn't make Hitotsuki's and Evil Sasuke Roared in an incredible amount of rage and fury and he went into his LEVEL 2 Curse Mark Form and he went at me and punched and kicked and brutally fought me all over and tried to smash my head in with indiscriminate fury and he was really determined to make sure that he kills me. I blocked all his punches and kicks and he jumped back and threw numerous kunai and I deflected them all and fired a powerful blast of fire and it hit him in his arm and burned him bad! He was screaming in pain and then he was screaming in agony. But then his screams of pain quickly turned into maniacal and insane laughter. He was laughing like an insane and totally fucked up monster that was fucked up to the core six ways till Sunday and he went at me again and I kicked him in the face and knocked him down and he got up and went at me again and I dodged him and fired a blast of lightning and it hit him in the crotch and electrocuted him all over. He went at me some more and I dodged his strike and kicked him in the back and sent him smashing into a rock and he got up and fired massive blasts of lightning at me and I deflected them back with my sword and he got electrocuted all over and I punched him in the face and he went at me some more and I was making him madder and madder and madder and he was only making me stronger with all his hatred and more. I then punched him in the face and he went at me and I dodged him again and dodged him again and then I kicked him in the back again and sent him crashing into a rock and he got up and went at me some more and fired massive blasts of fire at me and I fired waves of massive fire blasts at him and the blasts collided and exploded with incredible power!

I was innocent.

Massive fiery explosions were blasting off all over the place.

I fired elemental blasts at Evil Sasuke and he was firing blasts at me and massive fiery explosions were going off all over and turning the area into a raging inferno.

Nicole: YEAH! GET HIM DAD!

The Entire area around us was turning into a war zone! Evil Sasuke then fired a massive fireball.

Me: **KAAAAAAAAA! MEEEEEEEEEEE! HAAAAAAAAAAAA! MEEEEEEEEEEE! HAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA!**

I fired a massive rainbow Fire Kamehameha Wave and it went through the fireball and destroyed it and it slammed into the Evil Sasuke and exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Evil Sasuke was smashed into the ground with incredible force and I kicked him in the stomach with incredible power and he belched up a huge amount of blood and then I grabbed him by his shirt and threw him into the air and flew after him and kicked him in the face and knocked out some of his teeth and he jumped away and fired waves of fire and I fired waves of lightning and they overtook his fire and the blasts of lightning hit him all over and electrocuted him and then I fired a wave of wind and entrapped him in a tornado and then I fired a wave of fire and burned him all over in the tornado as it was turned into a fire tornado. When the tornado faded he jumped out and fired more fire blasts and me and I fired waves of crystal at him and they hit him and cut him all over the place and then I fired waves of wood at him and smashed him all over the place with incredible force and smashed him all over. He ran at me with a Chidori and I teleported and fired waves of lava and burned his hands and he screamed in pain as he was burned all over and then I kicked him in the face and smashed him into a rock! Then he popped out of the rubble and threw the rock at me and I smashed it with incredible brute strength and smashed him with waves of rocks and pebbles and smashed him all over the place! I then fired waves of darkness and electrocuted and burned him all over.

Evil Sasuke got up and he was more enraged than ever before!

HE WAS PISSED!

Camie: That proof enough for you Nico?

Nico: (hears Nico communicator ringing) Can I get back to you guys on that? I need to take this call.

Maria: Okay.

Nico went to a safe distance and answered it.

Nico: Yello?

William: Nico, I just found the connection between the two people that turned into Hitotsukis. They were people who turned into said Hitotsukis before!

Nico: That clears things up a little.

William: And there's more. J.D., Girl Jordan, Lincoln, Laney, Luna, Luan, Lisa, and Lily couldn't have been the ones making the Hitotsukis appear. When Kishiryuki appeared, they were finishing up Donbrothers. And when Resshaki appeared, they were investigating Junkrat and Roadhog.

Nico: Oh fuck! Too late, dude. We got Evil Sasuke so mad he wants to snap our necks.

William: Well, at least you can kill him easily.

Nico: True. But thanks William.

William: No problem.

He hung up.

KRABLAM!

Evil Sasuke Roared and he was getting madder and madder and madder!

He went at me and I punched and pulverized him all over.

May: Geez, how mad does he have to get?

Nico: As mad as he wants for all we care! Because William called. He says Girl Jordan, Lincoln, Laney, Luna, Luan, Lisa, and Lily AREN'T the ones making the Hitotsukis in the first place!

Maria: Um… oops?

Laney: (SIGHS) What a relief!

Nico: No kidding!

Taro laughed and charged at Evil Sasuke.

He kicked him in his face and smashed him down!

Me: Time to get festive!

Evil Sasuke: What are you laughing at, you cur?!

Taro: The only cur is you. Naruto and J.D. are not responsible for your own mistakes. You are!

Me: That's right!

I punched him in his face!

POW! BLAM POW SMASH!

I punched him down.

NIco: How about we wrap this up?

Me: With pleasure!

Evil Sasuke got up and he was more enraged than ever before!

Evil Sasuke: (ENRAGED SCREAMING) WHAT IS IT WITH YOU!? WHY ARE YOU SO STRONG!? IT'S NOT FAIR! THAT POWER SHOULD BE MINE!

Me: You will never have my power.

Evil Sasuke then raised his right arm up and then I threw an energy disk and it slashed his right arm clean off! He screamed in excruciating pain as it was completely severed from his shoulder and he clutched the stub of his arm.

Evil Sasuke: YOU MONSTER!

Me: I've been called worse.

Elonna: Geez this Evil Sasuke is full of himself isn't he?

Natilee: You have no idea.

Me: You don't know how to love anyone Sasuke. All you care about is nothing but yourself.

I then teleported and stabbed Evil Sasuke all the way through his black heart!

Me: This is for everything you have done! Go to hell and stay there you motherfucking son of a fucking bitch!

I then slashed him all the way in half and sliced and diced him into a thousand pieces and then I fired a pitch black energy blast of the Black Gates and he was banished to oblivion forever!

Evil Sasuke was obliterated forever.

I powered down.

Me: That felt really good.

We came back to everyone.

Nico: Who's up next?

Lola: I will go next.

Me: Okay.

Lola: This is gonna be so fun.

Qin: It sure will be cool.

Me: And sweet.

Laney: Candy wise.

Nico: There she is!

We saw a figure come out and it was ANOTHER PRINCESS BUBBLEGUM! She looked like Princess Bubblegum but was in dark clothes and had black gum hair.

Me: Whoa! Another Princess Bubblegum.

Nico: I'm sure Rolf would like to chew on her.

Another Princess Bubblegum: (Australian Accent) Very funny Nico mate.

Nico: River McArthur!? Whoa!

She reverted back and was a girl with blue hair, blue clothes, blue eyes and had water angel wings.

Me: Another one of the McArthur Sisters?

Qin: Cool! Awesome to see you again River.

River McArthur: You too Qin.

Taro: I know this might seem out of character for me. But is it wrong to be happy about Giovanni being dead?

Me: Not at all. Giovanni was a monster that was going to take over the world and he made so many people into gene-slammers of Pokemon.

Nico: Yeah.

Me: Which of the Regis were you turned into River?

River McArthur: Well I'm for water so I was turned into Regiaqua.

Me: Regiaqua?

She turned into a Regiaqua. It was a Regi Pokemon for water and it looked like a living blob of water.

Me: WHOA!

Xenia: Wow! That is cool!

She reverted back.

Nico: Okay. This shouldn't be a problem for Lola. Right, guys?

Me: Right.

Maria: I agree.

Lola: This will be fun. Oh is the Another Abomination with you friendly or hostile?

River McArthur: Friendly. You will like this one though Nico.

Nico: I have a feeling I will.

River McArthur: This will be awesome.

She turned into Another Princess Bubblegum and fired a wave of root beer and breath mints and they went into Lola's mouth and in her stomach.

Lola: Uh oh. (STOMACH GRUMBLES) (SUPER LOUD BELCH!)

She released a massive belch and knocked down Another Princess Bubblegum and she was back to normal. I caught the Wonder Ride Book and it was called The Apocalyptic Good Princess of Candy.

Lola: GO LOLA! BIGGEST BURP! UH UH UH UHUHUH!

She danced.

Nico brought her over!

Me: That was clever! Using the Mentos Soda Power.

Qin: It sure was.

Maria: It sure was. J.D. I owe you and the others an apology.

Me: For what?

Maria: I just thought since you guys liked making villains fall into villainous breakdowns that the 8 of you were responsible for making the Hitotsukis. I'm glad I was wrong.

Me: It's all right Maria. But we do that to show villains their true colors and show to everyone how dangerous they are.

Eli: Yeah that is cool.

Me: Besides we don't do it to turn them into Hitotsukis.

Qin: Yeah.

Maria: You're right.

Me: Good.

Maria: And now to summon backup.

She pulled out the M.O.E. Cannon.

Maria: (TURNS DIAL) CRYSTAL BIOMECHANICAL 6!

She summoned Skalamander, Bassoon Burns, Old Man Oldman, SHS Pyro, Lizard (Spiderman TAS) and Gigantomachia along with Biowulf, No-Face, Evil Crystal Man and Evil Pump Man.

Nico: Nice!

Qin: Awesome!

Skalamander: WHOA! Is this Venus!?

Me: Yep. Venus is now fully terraformed.

Girl Jordan: And me and Leeli inadvertently did it.

Leeli: It's true and it is amazing.

Biowulf: That is amazing!

Evil Crystal Man: Wow when was this?

Me: During one of Nico's rescues. We never expected this to happen. Venus is now back to what it was millions of years ago.

No-Face: That is amazing!

Skalamander: I honestly never thought J.D. and the others were the ones making Hitotsukis.

Taro: Exactly! What's next? Tsubasa being haunted by a dog spirit in the past?

Me: I remember seeing that one! That was crazy!

Taro: Did that really happen?

Me: It sure did. It was a crazy one.

Nico: Yeah no kidding.

Me: He was trapped as Inu Brother and acting like a dog. It was funny.

Taro: Wow.

Nico: Well, there's only one song appropriate for this. (plays Monster by Skillet)

Me: Nice!

Then a figure came out and it was ANOTHER ABOMINATION! It looked like a dark version of Abomination!

Me: WHOA!

Qin: WOW!

Nico: Another Abomination.

Eli: This one is strong and powerful.

Another Abomination: (In a girls voice) Looks like the fun is about to begin.

Me: That voice!

She reverted back and she was an orange version of She-Hulk but she had brown hair and purple clothes!

Me: Camille Florrence A.K.A. Orange She-Hulk!

Qin: COOL!

Nico: Wow! Red She-Hulk and She-Hulk are gonna be amazed to see this.

Kaito: (gets out Donbrothers' gear) How did you get your powers?

Orange She-Hulk: Dr. Doom like how he did with Jen. I got my powers from a blood transfusion of Bruce Banner's blood. Made me an Orange She-Hulk.

Me: That is cool and awesome too.

Qin: It sure is.

Me: Cool part is that Jen was also our gym teacher.

Laney: And she really runs us into the ground.

Orange She-Hulk: That s awesome. I'm a gym teacher myself.

Nico: Cool!

Kaito got a Donbrothers sword.

Sougo: (gets out Donbrothers' Ridewatch) Did Swartz promise you anything?

Geiz: (gets out Zenkaigers' Ridewatch) Because we can grant it instead.

Sougo got DonMomotaroArmor while Geiz got ZenkaizerArmor.

Orange She-Hulk: Just to bring General Ross to justice for trying to kill Bruce and us.

Me: Well you are too late for that one. General Ross was put under our supervision. The Yost Version you can take your rage out on.

Nico: Yeah you can do that one but not the General Ross under our care.

Qin: Long story on that one.

Me: It's confusion but it's true.

Orange She-Hulk: I'll have to hear about it soon.

Me: Yeah we'll explain everything.

Orange She-Hulk: Okay. Sorry we have to fight like this.

Me: No worries.

She turned into Another Abomination!

Zocks: Zenkaiju Gear!

He donned his Zenkaiju armor.

Another Abomination: By the way I saw your fight and that was awesome!

Me: Thanks.

Another Abomination: And J.D. I know you and the others would never turn people into Hitotsuki's for your own amusement.

Me: Glad you think so. First the Team Buktu Fiasco, then the purging of evil with time travel, and now this. I've had enough drama and stuff like this to last a goddamn eternity.

Another Abomination: I don't blame you.

Me: Good.

Qin: Yeah lets move on.

Nico: (gets out Abomination's Ridewatch) Sorry, Camille. But you're gonna be punched a lot.

Another Abomination: I know. And it's going to hurt.

Nico activated it and went at her and pulverized the living shit out of her.

She was smashed down.

Nico jumped back!

Qin: OH YEAH!

Nico: (gets out Lego Bane's Ridewatch) You know, Lego Bane was originally a pure minifigure before they gave him the option to go big.

Me: No kidding.

Nico activated it and smashed and pulverized Another Abomination and smashed her down.

Qin: YEAH!

Xenia: Take that!

May: (gets out Dr. Felonius's Ridewatch) For some reason, people confuse Felonius with Gru.

Nico: That is confusing huh.

May activated it and fired waves of yarn and smashed her all over.

May: Boy all the cats we have would love that one.

Qin: They sure would.

May: (gets out Hector Con Carne 2.0's Ridewatch) I honestly never expected this.

She activated it and roared ferociously and went at Another Abomination and smashed and pulverized her all over.

Maria: Take that!

She jumped back!

Me: Brutal!

Maria: (gets out Tai Lung's Ridewatch) My turn!

Maria activated it and fired waves of lightning and electrocuted her.

Me: Shocking!

Kaso Mi: (ACTIVATES LEGO BANE'S RIDEWATCH) And this.

She jumped and smashed her all over!

Maria: (gets out Klobber's Ridewatch) And let's not forget about this!

She activated it and threw TNT Barrels and they hit Another Abomination and exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was smashed down!

Me: Nice one!

Bane and his team came and he had Buff Frog, Shivaraka, Nina Williams, Duck Kong and a 2 Headed Gorilla!

Nico: Nice team, Bane!

Bane: (Spanish Accent) Gracias Señor Nico. This is a most amazing

thing.

Me: It sure is.

Qin: Yeah!

Laney: That means me and my team are next.

Me: Cool!

Nico: I actually used the Ridewatch of your Lego Version.

Bane: Good call there Nico.

Nico: Gracias.

Bane: De nada.

Qin: So awesome.

Maria: Where's the next Gene Slammer?

Me: Yeah where!?

Nico: Uhh J.D. are you floating?

Me: Huh?

I looked under me and saw that I was standing on the shell of a Torterra!

Me: Whoa! A Torterra!

Nico: Cool!

May: Awesome.

Nico: (laughs) Tim and his Pikachu probably had that reaction to a Torterra as well!

Me: I'm sure they did.

I jumped down.

Torterra: (In a girls voice) Sorry about that. I do have a knack for making an entrance.

Nico: Colombia Frederick!? Whoa!

Torterra: Awesome to see you again Nico. I got this.

She fired waves of energy and it hit Another Abomination and knocked her down and I caught the Ridewatch and purified it and I brought Orange She-Hulk over.

Orange She Hulk then shrank.

She had blond hair and had brown eyes and she was back to normal.

Camille Florence: (GROANS) That was rough.

Me: But you're back to normal.

Torterra reverted back and she was a girl with green hair and had green clothes and a green bladed sword.

Colombia Frederick: That was amazing.

Kaso Mi: What's your favorite memory of Nico?

Colombia Frederick: My favorite is when me and Nico were down in Colombia and we went into a temple and found a grass blade sword. That is this sword right here on my arm.

Nicole: The Sword of Chía, the Goddess of Nature from Colombian Myth.

Colombia Frederick: That's right.

Nico: I remember that. That was awesome.

Colombia Frederick: Yeah.

They hugged.

Nico: I've really missed you.

Colombia Frederick: Me too Nico. Me too.

Taro: I'll see you on Lyra's first mission, Nico.

Nico: You got it Taro.

Me: It was awesome having you guys help us out.

Taro: It sure was.

They teleported back to Japan.

We later went back home.

But, Becky Long knew of his true nature: he was really a mad scientist who wants nothing more than world domination, and he caused a lot of havoc and destruction with his creations: everything from gigantic robots to mutant monsters created by his brand of mad science. But, his last plot for world destruction was brought to an end by Becky Long and her sisters, and he was taken away by the cops and sentenced to Life In Prison without any possibility of parole. But, now years later, David Anthony has broken out of prison, and he wants revenge on Becky Long and her sisters for ruining his plans for world domination long ago, and the person responsible for breaking him out was the deranged, evil, psychopathic, out-of-control, deranged lunatic and enemy of Buster Bunny and his friends from Acme Acres, Damian Constantine.

Lincoln: Wow, we're back in Tennessee, and I know what we're going to do here, not only am I going to rescue the six girls here, but Becky, Elsa, Harley, you're not going to like it: another old enemy of yours has come back, and the bad news: it's that mad scientist freak, David Anthony, and he broke out of prison.

Becky Long: What?! That mad scientist freak's broken out of prison!

Elsa Long: Ugh, that bastard just doesn't know when to quit.

Me: Great, another fucked-up mad scientist is on the loose again?!

Nico: Though I can't say I'm surprised though, Becky and her sisters do know a lot of mad scientist freaks who'd caused a shit ton of trouble, same with The Huntington Sisters. Lincoln, what can you tell us about this freak?

Lincoln: You're not going to like it. David Anthony was an intelligent student and he was also in the same school as Lori and Becky Long. But, Becky Long knew of his true nature: he was really a mad scientist who wants nothing more than world domination, and J.D.'s right, that mad scientist caused a lot of havoc and destruction with his creations: everything from gigantic robots to mutant monsters created by his brand of mad science. But, his last plot for world destruction was brought to an end by Becky Long and her sisters, and he was taken away by the cops and sentenced to Life In Prison without any possibility of parole.

Becky Long: And now years later, David Anthony has broken out of prison, and he wants revenge on me and my sisters for ruining his plans for world domination long ago.

Lincoln: And none of us are going to like this bit of news: the person responsible for breaking him out was the deranged, evil, psychopathic, out-of-control, deranged lunatic and enemy of Buster Bunny and his friends from Acme Acres, Damian Constantine.

Eli: Not again!

Bayonetta: He really is that desperate to kill us all before the competition. Although I'd enjoy killing him here and now, it would be a shame though, we won't get a chance to piss him off even more.

Jeanne: True, I love tormenting the little monster as much as anyone else, but we have to be on our guard though, there's no telling what other nasty little surprises he may have in store for us.

Lincoln: You're right, Jeanne. Damian's not going to stop until he's killed us before The Ridonculous Race, and we've already got The Extraterrestrial Order of The Planets of Holy Ghidorah to deal with, but Damian also fits the same threat as them as well, but he's on a scale that threatens Armageddon with what we've heard about him.

Me: A threat to both heroes and villains: honorable and dishonorable, and every single living thing on the planet, this guy has got to go.

Lincoln: You said it, and I want to thank you and your team for joining us, Thetis.

Thetis: You're welcome, Lincoln.

Suddenly, we saw B.E.S. Blaster Cannon Core and Tuskski from My Singing Monsters appear before us, and with them are the girls.

Nico: Whoa, that's B.E.S. Blaster Cannon Core and Tuskski from My Singing Monsters.

Tuskski: (Girl's voice)(Irish Accent) That's right.

B.E.S. Blaster Cannon Core: (Girl's voice) And we got the girls away from that mad scientist, David Anthony, and I pissed him off already for you, Becky, Elsa, and Harley.

Lincoln: (Gasps) That voice from B.E.S. Blaster Cannon Core, Jolene Long, I knew it was you, and there's no mistaking that Irish accent from Tuskski, I knew we'd run into you, Chikara Manyuu.

?: BECKY LONG, YOU AND YOUR FUCKING SISTERS WILL PAY FOR RUINING MY PLANS FOR WORLD DOMINATION!

We then saw our target: a young man with brown hair, red eyes filled with hate, and he had on an orange prison jumpsuit, it was former high school student now convicted world domination-crazed mad scientist, David Anthony, and boy was he outright pissed off.

Max Goof: I'd save the catching up for later, guys, we got business to take care of.

Lincoln: Yeah. Time to send you back to prison for good, you mad scientist freak!

Then, Lincoln sprouted out a tentacle with a leech-like mouth on the tip, and as he latched it onto David Anthony's head, Lincoln sucked out his mind and brain, and he gained a massive intelligence boost as he gained David Anthony's memories, and he saw every last one of his crimes in his plots to take over the world. When Lincoln was done sucking out all of David Anthony's mind and brain, the tentacle removed itself and went back into Lincoln, and we saw that David Anthony's mind was gone and he was now really dumb and brainless, and he was tied up with a rainbow energy straitjacket and beamed back to prison. We cheered as we holstered our weapons and powered down.

Lincoln: That'll teach you never to come after Becky and her sisters again, you mad scientist freak. (To Jolene Long and Chikara Manyuu) And it's so good to see you again, Jolene Long and Chikara Manyuu.

Jolene Long reverted back to normal, and she's a beautiful girl with long brown hair, brown eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful brown angel wings, she's dressed in brown clothes that look like Becky Long's, and long white long-sleeved trenchcoat with earth and space ships on the coattails and on the back is B.E.S. Blaster Cannon Core, and holstered on her back is a massive B.E.S. Blaster Cannon Core-themed greatsword with embedded brown gems and B.E.S. Blaster Cannon Core etched on the 7'0" massive, wide, double-edged brown blade, large B.E.S. Blaster Cannon Core heads for the crossguard, large brown gems embedded in the hilt, longer midnight black handle, four large B.E.S. Blaster Cannon Core heads and large brown gem on the bottom of the large B.E.S. Blaster Cannon Core heads for the pommel.

And Chikara Manyuu reverted back to normal, and she's a beautiful girl with long green hair, green eyes, she was tall at 6'5" in height, she had the body of a goddess and a massive bust, she has massive and beautiful emerald green angel wings, she's dressed in emerald green clothes, and long white long-sleeved trenchcoat with shamrocks on the coattails and on the back is Tuskski, and holstered on her back is a massive Tuskski-themed greatsword with embedded green gems and Tuskski etched on the 7'0" massive, wide, double-edged emerald green blade, large Ffidyll heads for the crossguard, large green gems embedded in the hilt, longer midnight black handle, four large Tuskski heads and large emerald green gem on the bottom of the large Ffidyll heads for the pommel.

Jolene Long: You too, Lincoln.

Chikara Manyuu: (Irish Accent) Aye, it's been a long time.

Lincoln went up to Jolene Long and Chikara Manyuu and he hugged them, and Jolene Long and Chikara Manyuu are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Jolene Long: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness.

Chikara Manyuu: (Irish Accent) You've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we also met your familiars, and they are really awesome.

Nico: Whoa, Lincoln, you know these two girls?

Lincoln: Indeed I do, Nico.

Becky Long: And so do we. The B.E.S. Blaster Cannon Core is Jolene Long and she's one of my sisters, she's Lincoln's Guardian Angel from Michigan, and like me, Jolene Long is a very strong and powerful technomancer, and like me, Elsa, and Harley, she was pronounced braindead at age 4 and the doctors came up with a very risky and dangerous operation. They replaced her dead brain with an artificial Positronic Brain, and it gave her incredible powers of Technokinesis and it also turned her mind into a very incredible computer capable of storing an infinite amount of information and unleashing the full 100% of her brain power.

Me: Whoa.

Becky Long: And when she got Gene-Slammed into B.E.S. Blaster Cannon Core, she also gained powerful earth powers, and Jolene's also in Lori's school and she's protected Lincoln from the worst of Lisa Loud's fury and almost got Lisa disowned and sent to a nuthouse in the federal prison system forever as well as have all of her science stuff confiscated by the scientific community forever.

Jolene Long: I've hated that heartless emotionless mad scientist with a passion for what she did in subjecting her little brother and her family to her mad experiments.

Lincoln: Well, you're not going to like this bit of news, Jolene: J.D. found out the person responsible for turning Lisa into the heartless, emotionless mad scientist, you, your eldest sister, and your other sisters have hated was none other than Killjoy Huggins.

Jolene Long: (Gasps) What?!

Elsa Long: It's all true, Jolene. Killjoy Huggins, the Dark Side of Principal Huggins, turned Lisa, Lori, Lynn, Lola, and Luan into those heartless monsters by injecting them with a Dark Side Creation Serum when Lincoln was in Third Grade, so he can get rid of Lincoln once and for all. He did this and right under our noses the whole time.

Lincoln: But, you don't have to worry, we removed that killjoy from Principal Huggins, and we dealt him a massive payback for all the crap he's done to me.

Harley Long: And Lincoln sent him to The Black Gates forever, thus ending the source of his pain and suffering for good.

Jolene Long ran up to Lincoln and hugged him tight, and he hugged her as she cried hard into his bare chest.

Eli: Killjoy Huggins really did a lot of damage on that day.

Lincoln: Becky's sisters had no idea that miserable killjoy did all that under their noses, and all to kill me because he hated me. Now, I'm really glad I killed him, he's one person who deserved to die for everything he put me through.

Alaina Ceolrince: (Irish Accent) Aye, that's true. And the Tuskski Gene-Slammer is Chikara Manyuu, she's Lincoln's Guardian Angel from Ireland and classmate in Music and Gym, and another member of The Musical Athlete Gang. She and Lincoln love to dance, and in case any pervert even looks at her wrong, they get beaten up. They also love to swim as well, heck they even swim in their swimsuits. Lincoln made Chikara a necklace and bracelet, and to show thanks, she kissed Lincoln on the lips underwater. She's also the twin sister of Lincoln's future wife, Chifusa Manyuu, and like her twin, she has a massive bust, and she Lewis Travolta and Bradley Uppercrust III with a passion.

Nico: Whoa, what did that lard-ass and college prick do to earn her wrath.

Alaina Ceolrince: (Irish Accent) It's something that's bound to make Max's blood boil and harbor a lot of hatred towards Brad even more.

Chifusa Manyuu: If they so much as tried anything, I'm gonna… !

Chikara Manyuu: (Irish Accent) Easy, sis, we'll worry about that later. (To Lincoln) Oh, Lincoln, there's something we also want to give you.

Lincoln: Let me guess, you and Jolene want to give me your blood, right?

Jolene Long: How'd you guess what we were about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Chikara Manyuu: (Irish Accent) Ooh, I knew it was a matter of time before you'd start marking your future wives.

Lincoln first went up to Jolene Long, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

And Lincoln then went up to Chikara Manyuu, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Chikara Manyuu: (Irish Accent) You're still just as gentle as ever when you feed on one of your Guardian Angels, Linky.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Jolene Long and Chikara Manyuu with brown and emerald green gems on the gold lightning bolts and brown and emerald green crystal links from their merged Crystal Necklaces of The Buddha along with two Elemental Thunderbird Chokers of Eternal Love on their necks.

Jolene Long: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Jolene Long and Chikara Manyuu.

Jolene Long and Chikara Manyuu had a smile on their faces and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around them, and he leans down to each of their face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw who they were, he immediately recognized them. The six girls are Himi, Jenna, Karis, Mia, Sheba, and Sveta from Golden Sun.

Lincoln: Oh wow, it's Himi, Jenna, Karis, Mia, Sheba, and Sveta from Golden Sun.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Himi: Yes, we're okay, thanks to you.

Then, when Himi and the other five girls saw who it was that saved them from David Anthony, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, his own version of He-Man's chest harness with colored gems on the orange straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted search Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, Defender of His Many Guardian Angels, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, his male white Rabbit Familiar, Alistair, his white Vampire Bat Familiar, Artemis, and his white Wolf Familiar, search Seiko, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

Himi: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Himi: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Himi, Jenna, Karis, Mia, Sheba, and Sveta with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and they were shocked to find out the villain we went after was David Anthony, once an intelligent high school student, but was exposed by Becky Long as a mad scientist who wanted nothing more than world domination, and he caused a lot of havoc and destruction with his creations: everything from gigantic robots to mutant monsters created by his brand of mad science for years. But, his last plot for world destruction was brought to an end by Becky Long and her sisters, and he was taken away by the cops and sentenced to Life In Prison without any possibility of parole. But, now years later, David Anthony broke out of prison with revenge on Becky Long and her sisters for ruining his plans for world domination on his mind, and the person responsible for breaking him out was the deranged, evil, psychopathic, out-of-control, deranged lunatic and enemy of Buster Bunny and his friends from Acme Acres, Damian Constantine.

But, when Lincoln showed everyone what we did in beating that mad scientist freak down and Lincoln finishing him off by sucking out his mind and brain and turning him into a brain-dead drool monkey and sent back to prison for good, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln, Jolene Long, and Chikara Manyuu have a lot of catching up to do, now that they're back in town.

Maria: That's one less fucked-up mad scientist and another enemy of The Long Sisters defeated for good.

Lincoln: You got that right, and it's also the first time I used Dr. Neugog's powers, along with using my brain-sucking techniques.

Nico: It's been a long while since you used that. But, it worked perfectly on David Anthony, but I also know why you didn't use it on Xavier Andrews, since he died from swallowing a cyanide pill.

Lincoln: It only works on those who are alive, not those who are dead or have come back from the dead.

Me: That's right, after years being dead, his brain rotted away from decay when his body started to decompose.

Suddenly, we heard a loud inhuman demonic scream of rage and fury, and we knew where and who it came from: Damian Constantine, and he was now really really pissed off now.

Lincoln: Nice try, you insane psycho, but it won't be long: come the day of The Ridonculous Race, your time will soon be up.

* * *

After taking down David Anthony and sending him back to prison for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Jolene Long and Chikara Manyuu saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Jolene Long: Whoa, I was right that Lincoln's really grown into a 17-year-old, 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Chikara Manyuu: (Irish Accent) He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Chikara Manyuu: (Irish Accent) That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Jolene Long: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Jolene, Chikara, what's the stories you have on why you hate Lisa, Lewis Travolta, and Bradley Uppercrust III with a blazing passion? We'd already heard from Alaina yesterday about how she and Lincoln exposed him for cheating at The College X-Games and got him disqualified.

Chikara Manyuu: (Irish Accent) I was hoping you would ask that, but here goes. You guys already do know of the fact that Brad is nothing more than a cheater, but one day, while Lincoln and I were swimming in our underwear, we caught both him and Lewis Travolta taking a peak at me. This made us both so infuriated as soon as we noticed, and we started beating the crap out of them, and we left Lewis Travolta and Bradley Uppercrust III with broken noses, arms, legs, teeth and even smashed crotches.

We gasped.

Nico: WHAT THE HELL?!

Me: As if he wasn't a cheater, now he's downgraded to being a pervert too?!

But, out of all of us, none was even more infuriated than Max Goof, as we saw him clench his left hand so hard, he punctured his palm and blood dripped out from the palm, and when it hit the ground, it sizzled.

Me: Oh no.

Max Goof: (Growling Angrily) As if it wasn't enough that he's a cheater, but now, he's also a pervert as well! That's it, he's dead meat!

Max Goof flew out of The World Tree Estate in a dark fury, and he burst through the doors of Lynn's Table and he pounced on and proceeded to beat up Bradley Uppercrust III with undeniable fury and rage.

Nico: This is going to take a long while.

Jolene Long: It sure is. Okay, now for my story, I make it no surprise I've hated Lisa with a blazing passion, because of all the hell she put Lincoln through with her trying to kill him with her insane experiments. One day, Lincoln and I were busy doing some homework at our house, since The Loud House isn't a perfect place for our homework. But, then, we saw something crash into my room, it was a smoke bomb, we escaped from the room, and we heard the sound of insane laughter. We looked out the living room window, and we saw who it was that did the dirty deed: it was Lisa, and she had her army of robots with her again, and she was out to capture and kill me by removing my brain and kill Lincoln. We'd absolutely had it up to hear with that heartless monster, and I used my technomancy powers and destroyed every last one of Lisa's robots, and we tied Lisa up with energy ropes Lincoln fired from his angel wings, and we dragged Lisa back home, and after we told Mr. and Mrs. Loud of what Lisa tried to do to us, she was grounded for sixteen weeks and she was thrown in a metal cage and tied up in a straitjacket, and she was screaming bloody revenge on us, but Lily whacked the cage with a mallet and Lisa crashed onto the floor.

Nico: Jeez, this was just like Becky's ordeal with Lisa. But, it also had the same end result: Lisa got her comeuppance and she got grounded again.

Me: Yeah, Lisa really was insane before we got rid of her Dark Side.

Lincoln: And I warned her: if she ever tried that same stunt with Becky's sisters, I was going to make her pay for this in the worst way imaginable: I'll call the Scientist Committee and they'll confiscate all of Lisa's lab materials and chemicals, along with rewards and certificates, and she'll be declared an enemy of the

state.

Luna: And he's serious about that. Becky has friends in the scientist committee and with one phone call, Lisa will lose everything, and she'll be on her way to the nuthouse for the rest of her life. But, Lisa didn't even listen again, and she was really playing with fire: and in this case, that fire is our bro.

Then, an hour later, Max Goof came back inside, and he was sweating even more than ever, and we saw the damage he did to Brad through a one-way window Selene Emperyous made: Brad was a mangled and beaten up mess: Max Goof broke his arms and legs, and he even smashed his crotch with a hard kick, and he also had claw marks on him and tears in his clothes, which showed that Max had turned his fingernails into claws and he clawed at Brad badly. Max Goof also knocked out all of his teeth, and we saw that Max Goof's attack had caused tons of gold, jewels, Jemms, and pearls to explode out of Brad.

Me: Jeez!

Eli: I know what I did to Flip was bad, but what Max did to Brad, now that was just brutal.

We got a shower afterwards, and then, Lincoln, Kagami Tsurugi, Penny Rolling, Clara Nightingale, and Ms. Caline Bustier are heading to Sirena Beach.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Kagami Tsurugi, Penny Rolling, Clara Nightingale, and Ms. Caline Bustier were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Kagami Tsurugi, Penny Rolling, Clara Nightingale, and Ms. Caline Bustier had feelings for Lincoln, and he had the very same feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant.

Kagami Tsurugi: Wow, so this is Sirena Beach, it sure is beautiful.

Lincoln: I've been here to Sirena Beach before, Kagami, and it's always beautiful, and it's perfect for our first date. Shall we?

Lincoln, Kagami Tsurugi, Penny Rolling, Clara Nightingale, and Ms. Caline Bustier dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Kagami Tsurugi, Penny Rolling, Clara Nightingale, and Ms. Caline Bustier got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Kagami Tsurugi, Penny Rolling, Clara Nightingale, and Ms. Caline Bustier, and they hugged the girls in their abnormally massive and powerful muscular arms, and Kagami Tsurugi, Penny Rolling, Clara Nightingale, and Ms. Caline Bustier placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Sirena Beach, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Kagami Tsurugi, Penny Rolling, Clara Nightingale, and Ms. Caline Bustier with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Kagami Tsurugi, Penny Rolling, Clara Nightingale, and Ms. Caline Bustier are now part of your harem.

Marinette: I knew Kagami, Penny, and Clara had feelings for Lincoln, but I really had no idea that Ms. Bustier also had feelings for Lincoln as well.

Alya: Same here. But, we did notice it with Ms. Cheerilee and Ms. DiMartino, and now, Ms. Bustier is now part of Lincoln's harem, awesome.

---

We were lying in wait for the thief to strike.

Me: We know you're here thief.

Xenia: Come out come out wherever you are.

Superman: Sheila said the thief will strike next over here.

He pointed over to a light post.

Me: Look.

We saw a figure coming and it was heading towards it.

Me: I think we found our culprit.

Nico: It said his name is Black Bear.

Me: Fitting.

We went at him and punched him down.

Me: Caught you red handed light bulb thief!

A Phantom Thief Calling Card hit Black Bear in the arm as Kairi Yano landed in front of him.

Kairi Yano: Stealing lights? Real thieves steal treasure.

Black Bear: SHUT THE FUCK UP! I deliver darkness… And I need… To deliver even more.

Me: You really need to see the light douchebag!

With that, he was surrounded by an energy circle with the Lupinranger logo. Then, he turned into Kaitouki - THE LUPINRANGERS MONSTER from Episode 3 of Donbrothers!

---

After delivering a package to a customer, Haruka and Taro both unknowingly pass by Black Bear who approached the customer's apartment and pretends to deliver a package. He proclaims that he doesn't deliver packages, he delivers darkness. Kaitouki's aura appears around him and he attacks her. Black Bear then steals all her lights and puts them in his van. But he desires to steal more to create more darkness. Sononi appears on top of Black Bear's van, admiring his handiwork and able to see Kaitouki's aura that will emerge from him. She tells Black Bear to work a little harder and soon he will be "free".

Later Black Bear continued his work and eventually stole the lights from Haruka's House. In the morning, Taro and Haruka chases after Black Bear's van, noting how it has the same amount of packages as last night and the sloppiness of how the boxes are arranged and packed in the van. Black Bear notices his pursuers and a delivery van chase ensues. However, the black van speeds up and Taro won't go any faster as he has fragile packages to deliver. He asks Haruka to take the wheel and transforms into Don Momotaro Alter right in front of her, his body passes out in the driver's seat.

Don Momotaro Alter summons the ToQger Alter and combines with it to catch up to the van and cut its tires. Black Bear manages to stop his van before he crashes into a wall and gets out. Taro, now back in his body, confronts Black Bear and berates him for stealing and disgracing the honor of delivery workers. Black Bear's desire to create darkness reaches its peak and he becomes Kaitouki and a group of Anoni materialize around him. Taro and Haruka changes into Don Momotaro and Oni Sister, fending off the Anoni while Don Momotaro challenges Kaitouki to a duel. During the battle, Saru Brother, Inu Brother and Kiji Brother have also arrived to help assist in the battle.

After Don Momotaro weaken Kaitouki enough, the Donbrothers were about to execute the Momotaro Slash, but was blocked by Sononi, who is unharmed by the ZanglaSword. She thinks that Kaitouki is cute, but deems him worthless for going down so easily and imprisoned him with her Condor Bow just before he could escape. Black Bear's soul suddenly appears in a dimensional space inside a cube, screaming in pain as it cracks and then shatters completely to Kuro's ill fate.

After his imprisonment, Kaito sees the Lupinranger Avataro Gear suddenly appear on his bar counter as he is playing cards and is surprised by this unexpected turn of events.

After the incident, Shirokuma Express was forced to temporarily close for investigations due to the light fixtures were stolen and leaving Taro to look for another job.

Black Bear was set free along with Tsuyoshi Kijino, the taxi driver, Yoshioka, Sakaki and all the other prisoners by Sonoi using the Ring of Forgiveness.

---

Me: Kaitouki! I knew it!

Nico: This is gonna be good!

Qin: You want light? Take it!

I fired a blast of light and blasted him down.

Lyra flew at him and slashed him and kicked him in his face!

Kairi Yano: Kaitou Change!

Kairi transformed!

Kairi Yano: (SNAPS FINGERS) LUPIN RED!

Me: YEAH!

Kairi Yano: Here's an Advanced notice, I'm taking your treasure.

Me: And we're going to kick your big ugly fucking ass!

Nico: YEAH!

Lyra slashed Kaitouki with her sword and kicked him in his face and smashed him down!

I fired blasts of energy with my blaster.

Kairi Yano added to that by firing at Kaitouki with his Vs. Changer but he deflected it with the monocle on his head.

Eli ignited his lightsaber and deflected the blasts back and they blasted him all over.

Me: Nice!

Sakura Knudson: Take this you jerkface!

She fired energy blasts and blasted him all over the place!

NUMEROUS Anonis appeared!

Me: Keep on coming Anoni bastards!

I fired my blaster and blasted them all over the place.

Nico: Take this! CRIMSON LIGHTNING!

He fired waves of blood red lightning and they hit the Anonis all over the place!

Kaitouki: I'm wasting time here! I'm getting what I came for!

Me: LIKE HELL YOU WILL!

Kaitouki waved his hand and stole the light from the light post!

Kaitouki: YES! One down. And hundreds more to go!

Dream Girl: You won't get far!

I teleported in front of him!

Me: I'll take that!

I kicked the light out of his hand and grabbed it and jumped over him.

I fired energy blasts and slashed him all over.

Nico: YEAH! Nice one J.D.!

Me: All this over a lightbulb. How pathetic.

I fired waves of energy and blasted the Anonis and blasted Kaitouki!

Kaitouki: GIVE ME THAT LIGHT BULB!

Me: You can take it over MY DEAD BODY!

Kaitouki then flew in the air.

Powerglide: HEY! Flying is my thing!

Me: And Ours!

Me and Lyra flew after him and we fired energy blasts and they blasted him all over him!

Then an Infernape appeared!

Me: Whoa an Infernape!

Infernape: (In a girls voice) Time to burn buttface!

She fired a blast of fire and blasted Kaitouki in the back and blasted him down!

Me: Nice one!

Infernape: Thanks.

We landed.

Kaitouki tried to attack Lockdown with a buzzsaw but he avoided it.

Lockdown: Do you even know how to use that?

Kaitouki growled and fired at Lockdown with his cannon.

Kaitouki: None of your business!

I deflected the blast and teleported and kicked Kaitouki and kicked him down and the Infernape grabbed him and smashed him into the street.

Lyra grabbed Kaitouki and smashed him into a bunch of garbage cans.

Me: Chew on this!

I pulled out the noisy cricket.

Me: Fire in the hole!

I anchored myself and I fired and a blast hit him in the chest. But I was still blown back into the air and I flew back.

Me: Whoa! Not even anchoring myself to the ground can stop that strong recoil.

Kaitouki split into 3 copies of himself.

Kairi Yano: Oh, so you want to play it like that, huh?

Me: Two can play that! SHADOW CLONE!

I made 5 clones!

Good Striker then appeared.

Good Striker: Whoa! Is that a Lupinranger knock off?

Kairi Yano: It's a long story. Wanna help us out?

Good Striker: Sure!

Kairi Yano inserted Good Striker on his VS. Changer to split himself into three as well.

Good Striker: Make a game!

Kairi Yano and his clones charged at Kaitouki and his copies.

We went at them and punched and pulverized and bashed him all over.

Lyra blasted the clones of Kaitouki!

Lyra punched and blasted him all over!

Kairi Yano fired his Vs. Changer at Kaitouki and his clones.

Me: Nice!

Nico: Had enough dirtclod!?

Kairi Yano punched one of the clones hard, destroying it.

Me: Time to end this.

Lyra: Gladly.

She had her sword glow.

Lyra: HEEEEYAH!

She slashed Kaitouki in half and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He exploded!

I caught the gear and it was for LupinRed.

Me: LupinRed. Nice. Kaitouki you have failed this world.

Nico: And your big ugly fucking ass was kicked!

Infernape: WORD!

Kairi: With that we bid you one final adieu.

Lyra: All's well that ends well.

I looked up and saw Lightbulbs raining!

Me: DUCK AND COVER!

We got out of the way and they hit the ground and shattered and popped!

Me: Boy Black Bear is gonna have a really hefty bill for his community service.

Qin: Yeah no kidding.

CLICK!

Nico put the handcuffs on Black Bear.

Nico: Just so the cops know where to find you.

Black Bear suddenly vanished.

Infernape: Where did he go?

Me: Back to Japan.

Nico: Yep. Wait Emily Molstad!? Is that you?

Infernape: It sure is Nico.

Qin: Awesome!

She reverted back and was a girl with orange hair and had a monkey tail and had orange clothes.

Emily Molstad: That was awesome though.

Me: Well done Lyra. That makes number 3 of the Donbrothers monsters down.

Lyra: That was awesome.

Nico: You're off to a really great start.

Lyra: I sure am.

Emily Molstad: That was so awesome to see though.

Qin: Yep.

Huffer: What's your favorite memory of Nico?

Emily Molstad: My favorite is when me and Nico busted a massive illegal cocaine production plant in the middle of the city and we sent them all to prison for life without parole.

Me: Wait you mean the Great Trenton Cocaine Purge was you guys!? Whoa!

Sakura Knudson: I remember reading about that! That was so awesome!

Nico: Yep.

Emily Molstad: That was a great thing.

Nico: Yep.

Nico and Emily hugged.

Nico: I've really missed you.

Emily Molstad: Me too Nico. Me too.

Sheila: But that was awesome guys. Sorry we didn't get the lightbulbs back.

Me: No worries Sheila. But we got the Black Bear thief.

We later went back home.

We arrived back home.

Kitten: Nico, which teams have you made this time?

Nico: Green Arrow's team will include Kento of Hardrock, Keiichiro, Veronica Tesla, Claudia Kipinsk and Nancianna Sakurai. Hawkeye's team will include Kevin, Hitoshi, Blazewing Butterfly, Ellie the Elephant and Jesse Glenn.

Me: Awesome choices.

Qin: Those are perfect.

Lola: Yeah they are!

Nico: William, we were crazy going after the wrong people.

William: Yeah. From now on, let's not jump to conclusions.

Nico: Never judge a book by it's cover.

William: And always get the facts straight.

Nico then approached me, Girl Jordan, Lincoln, Laney, Luna, Luan, Lily, and Lisa.

Nico: Look, guys. I'm sorry for accusing you guys. I guess I jumped to conclusions after only the second time. We cool?

Me: Well….

BOOF!

I punched Nico in the stomach.

Me: Now we're cool.

William: You know that was a genuine apology, right?

Me: I know.

Nico: Okay. I had that coming. But glad we agree.

Qin: Yeah.

The previous group came.

Gearhead: Can me, Xiao Fung, Swordsman, Melter, Top, Abra Kadabra, Trapster, Ragdoll, Batroc the Leaper, and Shade go with you guys?

Frictor: Me, Evil Wing Man, Spatula Girl, Yost Viper, Lord Stratosfear, Queen of the Black Puddle, Yost X 23, Indigestible Wad, Cyborg Rangers, and Owl (Stellaluna) will come too.

Nico: Yes you all can come with us.

Me: Cool.

Kevin Levin: Nico, which Gene Slammers do you think you'll meet next?

Nico: Empoleon, Staraptor and Bibarel next.

Qin: Cool!

Dawn: Awesome! Piplup's evolved form.

Qin: Yep.

Suddenly, Lincoln's deep sapphire eyes glowed and turned into rainbow colors, and he had a vision of what's happening: it appears supervillain Connor Shepard also known as Concussion has broken out of prison, and he wants to kill his older brother, Jack Shepard also known as Captain Zoom.

Lily the Mermaid: Linky, what's wrong?

Lincoln: Oh man, we've got huge trouble.

Nico: We saw your eyes turned into rainbow colors and your Third Eye glowing, Lincoln, what's wrong?

Lincoln: It's bad news, Nico, and we're going to be in for a huge challenge: Connor Shepard also known as Concussion has broken out of prison, and he wants to kill his older brother, Jack Shepard also known as Captain Zoom.

We gasped in shock.

Me: Oh man, from what I remember from the movie Zoom, he went insane after he was exposed to Gamma-13, an experimental form of radiation that made him go from good to evil.

Lincoln: This is going to be one huge challenge though, we need to remove the Gamma-13 radiation from Connor Shepherd, but he won't let us get that close because he has sonic powers. Lisa, can you invent something to neutralize Concussion's powers?

Lisa Loud: Already on it, Elder Brother.

Lisa Loud went into her lab, and she was busy with something. In a few minutes, she came out, and she has in her hand a sonic-blast neutralizing blaster.

Lisa Loud: Here we are, this sonic-blast neutralizer blaster should neutralize Concussion's powers for up to 72 hours, that'll give us enough time to remove the Gamma-13 radiation from his system.

Nico: Awesome.

Me: And Lincoln already has a weapon to remove the Gamma-13 radiation from Concussion's system.

Lincoln: Yep, but first, we need to neutralize Concussion's sonic powers before I can use my device to remove the Gamma-13 radiation from his system.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Vexxtrea, another member of The Extraterrestrial Order of The Planets of Holy Ghidorah, and he's coming here to kill us all for ruining their plans. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Vexxtrea of The Extraterrestrial Order of The Planets of Holy Ghidorah on the move?

Lincoln: You guessed it, Rayman, and he's coming here to kill us all for ruining their plans.

Nico: Just as we expected, but we're more than ready for Vexxtrea, right, Allie?

Allie Anne Volvenstein: Right, and just like what happened, he's going to transform by drinking that potion with 2018 King Ghidorah's blood, so Lincoln will separate him King Ghidorah Hybrid Monster form from his real form and absorb the King Ghidorah Hybrid Monster form while we destroy Vexxtrea and give him The Black Gates.

Lincoln: You said it.

Buster Bunny: But, we also got to keep our heads up, we may have more uninvited guests who'll try to come after us for revenge.

Nico: We'll keep an eye out for them too, and we're not going to let any of those religious fanatics get away with any of their attempts to get revenge on us. Alright, gang, let's go, time to help Zoom and his new team of recruits stop Concussion.

Lincoln: And remove the Gamma-13 radiation from his system, and once we get done with removing the Gamma-13 radiation from his system, you better be ready to die, Vexxtrea.

Allie Anne Volvenstein: You better be ready to die, Vexxtrea, because you're about to face the true wrath of Waterveiled Assassin.

Me: Yeah!

Nico: Also we'll watch the movie first and then we'll head out.

Me: Cool!

I went and got the movie.

Xiao Fung: Tim Allen was in this movie.

Evil Wing Man: Really? I'm liking it already!

Me: Yep. He sure is.

We got to watching the movie.

Nico: Here we go.

---

During the opening credits, a series of comic book panels recounts the adventures of Team Zenith, five young superheroes led by Jack Shepard ("Captain Zoom") and his older brother Connor Shepard ("Concussion"), who fought to protect the world from various threats. The American military sought to enhance the team's powers using an experimental form of radiation called "Gamma-13". This made Zoom faster and stronger but created a psychotic break in Concussion who becomes paranoid and delusional. Thinking Zoom and the team betrayed him, Concussion killed his teammates Marksman, Ace, and Daravia. Zoom defeated Concussion but lost his powers in the process.

30 years later, Dr. Ed Grant, the scientist behind the original Zenith Project, discovers that Concussion is still alive. Zoom's actions propelled Concussion to a dimensional rift who is now on a return trajectory. General Larraby, the military officer in charge of the Project, decides to form a new Zenith Team to fight him. Jack finds himself dragged back into the Project, this time as an instructor. Larraby gives Jack the choice of a lengthy prison sentence should he refuse or a payment of $500,000 for training the team. Jack reluctantly agrees to help. In their secret base Area 52 (a reference to Area 51), he meets Marsha Holloway, who is a beautiful but clumsy psychologist, a big fan of Zoom's, and knows of him only through the comic book adaptations of the team's adventures.

The project holds an audition of would-be members, and four are selected: Dylan West, a 17-year-old boy possessing invisibility, Summer Jones, a 16-year-old girl with telekinetic powers and empathic senses, Tucker Williams, a 12-year-old overweight boy who can enlarge and inflate his body parts himself at will, and Cindy Collins, a 6-year-old girl with super strength. At first, things do not go well, with Jack being bitter about the past, and his sarcastic attitude disappoints Marsha. Dylan keeps trying to escape, Tucker has self-esteem problems and trouble controlling his powers, and the kids are annoyed by Jack's attitude. The team eventually forces Jack to face the fact that he's not really putting his heart into their training. Slowly things begin to come together as the new team's abilities improve, and they adopt superhero identities: Cindy calls herself "Princess," Tucker becomes "Mega Boy," Dylan chooses "Houdini" and Summer takes the name "Wonder".

Only hours before Concussion is set to arrive on Earth, Dylan discovers a new ability, "mindsight", a rare power that allows him to discover where Concussion will arrive. In his vision, he also discovers the project's true purpose: The military is seeking to test new weaponry to subdue Concussion and will use the new Zenith team as a distraction; worse, the military does not believe the new team has sufficient power to hold him at bay and plans to bombard the children with Gamma-13. Zoom is horrified by the revelation and recruits Marsha to help him rescue the kids before they are bombarded with Gamma-13; during their escape, Marsha also reveals that she secretly possesses a form of rainbow-colored super breath. They make it to Concussion's arrival point and Jack opts to confront him powerless and alone, but the kids refuse to abandon him.

When Concussion arrives, Larraby test fires a neutralizing net to trap Concussion, who easily blasts it away towards Cindy. Fearing for her safety, Zoom's powers return and he pulls her out of the way. Working together, Zoom recreates the original vortex using speed and his Gamma-13 energy, while the team and Marsha guide Concussion into it. Just before they send him back through, Dr. Grant yells to Zoom that if he closes the vortex, they can save Concussion. Zoom closes the vortex and the subsequent energy vacuum pulls the Gamma-13 from Connor which both restores his powers to normal and cures his psychosis. Zoom and Concussion are reunited.

Three months later, Cindy is in a school play of Rapunzel, using her strength to pull the "prince" up the tower when he can't make the climb. Tucker is the goalie on the soccer team. Dylan is dating Summer who is on the cheerleading team, using her telekinetic power to help build an upside-down pyramid. In addition, they still work together with Zoom as the new Zenith Team.

---

We were amazed and it was so awesome! When it was done we cheered wildly.

Qin: YEAH!

Nico: That was so awesome!

Xenia: It sure was!

Camie: I can't believe that this movie did so terribly in the box office.

Me: Those stupid blockhead critics! They ruined a great movie. (To Ruby and Sapphire Salazar) No offense.

Ruby Salazar: None taken. But yeah they sure did.

Sapphire Salazar: They think they are the kings of movies.

Me: No kidding. Like I keep saying to those simpletons they wouldn't know what a good movie was if it came and hit them in their faces.

Nico: Bunch of movie hating nimrods. They only want us to watch what THEY want to watch.

Me: No kidding. But I'm glad that they are destroying the Blood and Honey movie. Uh oh! I probably shouldn't have said that!

Poliwag: It's all right J.D. you're good.

Me: Thanks.

Proto Man: I honestly find nothing wrong with Zoom.

Me: Me neither.

Nico: Yeah.

Laney: Mega Boy reminds me of Bouncing Boy.

Dream Girl: Boy he sure does. That is so awesome.

Melter: Let's get a move on.

Yost Viper: And no one drop Lisa's machine!

Lisa Loud: Be careful with that Nico.

Nico put the sonic-blast neutralizing blaster on his back.

Nico: I'll hold on to it. All right lets go!

Me: According to the scanners, Area 52 is actually located in Badlands National Park in South Dakota.

Nico: Cool. Lets go!

We were off.

---

We were flying over to South Dakota.

Pacifica: I didn't know there WAS an Area 52.

Nico: Me neither.

Me: I've heard of Area 51 but NEVER Area 52.

Eli: It must be a top secret hideout and research facility for superheroes.

Nico: It must be.

We arrived.

We landed and saw that it was a desolate place.

Me: Wow. All the way out in the boondocks.

Qin: Yeah.

Abra Kadabra: Hello?

Queen of the Black Puddle: Anyone here?

Me: I hope this mission isn't a false alarm.

Eli: No they are here. I sense it.

Me: But the question is…

CLICK!

I stepped on a rock and then a hatch door opened on the ground.

Me: Oh!

Qin: Clever.

Grinnade beeped.

Nico: I know. Didn't see that either.

We went down a staircase into the ground and we came across a big metal door.

Me: That must be it.

Nico: Looks like it requires a retina scan.

Me: Hopefully it will do mine.

I went over to the door.

Computer: Authorized Personnel only. Please provide palm and retina scan.

I put my hand on the pan and it scanned my eye.

Computer: Access Approved.

Nico: Wow.

It opened and we saw an amazing lab and training ground for heroes of all kinds.

Me: Wow!

Qn: Amazing!

We went in.

Dr. Ed Grant: Team Loud Phoenix Storm! Welcome.

Me: Dr. Ed Grant, I presume?

Dr. Ed Grant: That's right and it's an honor to have you all here.

Batroc: We know what's really going down here.

Cyborg Red Ranger: Where are your resident heroes?

ZOOM!

Jack Shepard came in.

Jack Shepard: You called?

Me: Jack Shepard A.K.A. Zoom. Awesome to meet you.

Jack Shepard: Same to you guys. It's an honor to meet the famous Team Loud Phoenix Storm.

Qin: It's our pleasure.

Nico: Sorry for coming into a top secret secure area like this but we stumbled on to this place by accident.

Me: We didn't know where to look.

Jack Shepard: That's all right.

Battletrap: Where are the rest of your team?

Dr. Marsha Holloway: Oh they will be here shortly.

Camie: Dr. Marsha Holloway right?

Dr. Marsha Holloway: That's right.

Came: That is so cool that you can make rainbow wind. That's like how I do my quirk.

Dr. Marsha Holloway: I see.

Shade: Can we meet them?

Owl: If that's okay with you.

Dr. Marsha Holloway: Sure.

Me: I think I see one.

I saw a wall and I turned on my infrared vision and I saw Dylan West A.K.A. Houdini.

Me: Aha! Dylan West A.K.A. Houdini you can come out.

Dylan West: Wow!

He revealed himself.

Dylan West: Team Loud Phoenix Storm it's an honor.

Me: You too Dylan.

Dylan West: That was awesome you flushed me out like that.

Komba: That's one down

Harpus: Where are the rest?

?: WHOA HEADS UP!

We saw Tucker Williams A.K.A. Mega Boy bouncing around and I flew and grabbed him and put him down.

Tucker Williams: Whew! Thanks. Wow! You're J.D. Knudson!

Me: That's right. Awesome to meet you Tucker.

Tucker Williams: Same here!

We also met Summer Jones A.K.A. Wonder, Cindy Jones A.K.A. Princess and General Larraby the head of the Zenith Project.

General Larraby: Team Loud Phoenix Storm welcome.

Me: Sorry to drop in like this sir. We wanted to meet you all and help you out.

Nico: We got word that Jack's brother Concussion is back.

Nurzak: You can't possibly still be mad at Nico for jumping to conclusions, are you?

Sabator: Look, he already realized that you, Girl Jordan, Lincoln, Laney, Lily, Lisa, Luan, and Luna weren't the causes of the Hitotsukis appearing. And he gave a sincere apology. Don't you think maybe it's time to move on and forget that happened?

Me: No no no. I'm over that. I'm just wanting to blow off some steam. Besides when this is done I'll be better.

Nurzak: Oh. Good.

Qin: Yeah.

Me: Didn't mean to scare you like that guys. I just want this day to be done and over with.

Nico: I know J.D. I know.

Trapster: Well, J.D., I think you might have a lot of pent up rage from what I just found out. The military is seeking to test new weaponry to subdue Concussion and are planning to use the kids as a distraction.

Yost X 23: And the icing on the cake? The military doesn't think the kids have sufficient power to hold Concussion at bay and plans to bombard them with Gamma-13. But if you guys think we're just making this up, feel free to point it out.

Me: Actually. YES That is the very reason why I have a lot of rage in me.

Yost X 23: Ah. Good.

Nico: Yes it is.

Dylan West: SAY WHAT?!

Maria: Okay. Did anyone in this room that just met us know about this?!

Jack Shepard: I told them all and it was an atrocious idea.

Me: Like hell are we going to let that happen to all of you. You guys are human beings and now weapons of war.

Nico: That's right! You guys were given amazing power and were given great power.

Me: Just remember this guys that you guys are great heroes. But you should know that there is one rule that we follow to the utmost level and that is With Great Power Comes Great Responsibility.

William: (to Dr. Ed Grant and General Larraby) What about you two? Did you know about what the military planned to do?

Dr. Ed Grant: Yes we do know about it.

General Larraby: I was against this terrible plan from the beginning. After what Gamma 13 did to Jack's brother, I wanted to do everything I could to stop it.

Me: It's all right General.

Nico: But with our help we'll gladly help you all take down Concussion. One group of heroes can't do it alone. But an army of them against one villain? That's a whole different story.

Cindy Collins: Don't worry. We'll use our powers responsibly after

this.

Tucker Williams: (nervously chuckles) I mean, it's not like we're planning to use our powers to get back at several kids who have picked on us. Because that would be crazy!

Me: You're right that is crazy. Believe me guys, I know how hard it is for you all to adjust to having amazing superhuman powers and abilities, but you all have amazing gifts that you can use to make lots of people look up to you all and make you all into inspirations for many people. Just like we have. In a short amount of time we rose from ordinary people to becoming gods among man and have done so many things all over the universe that it is beyond all forms of imagination.

Nico: That's right. We defeated numerous enemies all over the infinitely vast distances of the cosmos and the multiverse and always came out on top. Because we have a drive that makes us stronger than anyone.

Tucker Williams: What's that?

Me: We fight to protect our loved ones, our friends, families and the very people we care about from the goodness in our hearts. It's that friendship that has helped us overcome so many difficult obstacles and we never gave up on those that we cared about. Because even though we have all kinds of superhuman powers and abilities, we have one thing that always makes us what we are. We are still human.

Tucker Williams: That's right. We all are human with or without our powers.

Me: That's right.

Cindy Collins: We are strong too as one.

Cyclops (X-Men): That's right.

Nico: Out of curiosity, how did you 2 find out about this?

Yost X 23: We found an unmanned computer that had the files.

Trapster: Don't be too surprised. The two of us are still bad guys, remember?

Me: You're right on that.

Summer Jones: I still can't believe we're teaming up with the actual Superman.

Catilla: (laughs) Wait until you see him in action during the usual battles!

Me: Wait until you see ALL of us in action.

Qin: Yeah.

Nico: You guys all have amazing and great potential to be part of the team. But don't worry about the Gamma 13. After we get the Gamma 13 out of Concussion we're going to talk with the president to destroy that stuff forever.

Me: I agree there. If that stuff were to fall into enemy hands then who knows what it will do.

Sora Phaaze: I agree there. That stuff is as dangerous as Phazon.

Me: I agree with Sora too.

Qin: Yeah.

General Larraby: I'm gonna try to get my soldiers to not fire those weapons. But if I can't do that by the time your battles are done, you need to get out of there.

Lord Stratosfear: We understand.

Top: (sees something outside) Guys, that won't be Concussion, would it?

We saw a figure and it was Connor Shepard A.K.A. CONCUSSION!

---

Connor Shepard, also known as Concussion, is the main antagonist of the 2006 superhero film Zoom. He is the older brother of Jack Shepard/Captain Zoom who went insane after he is exposed to Gamma-13, an experimental form of radiation.

He was portrayed by Kevin Zegers, who also portrayed Seth Nelson in Smallville and Melvin in Fear The Walking Dead,

Connor and his younger brother Jack became the leaders of superhero team named Zenith, with the former taking the alias Concussion, and his brother going by Zoom. The team consisted of Concussion, Zoom, Daravia, Ace, and Marksman, who stopped villains and saved many lives in their careers.

When the government wanted to make the superheroes stronger, they decided to use Gamma-13 on them to enhance said powers. Concussion and Zoom were subjected by Dr. Grant with Gamma-13, and Zoom became more faster and stronger.

However, Concussion became unstable due to his exposure, and betrayed Zenith and his brother by killing Ace, Marksman, and Daravia. Connor then fought Jack in combat, but the latter created a mega vortex to snap his brother out of his evil ways, but instead sent him to another dimension. Concussion promised that he would return to kill Jack, who had lost his powers afterward, and became embittered.

Concussion returned thirty years later from the dimension, and confronted his brother to kill him once and for all. After hitting Jack with a concussive blast, he realized that Jack lost his powers, and decides to abuse him before deciding to finish him for good. However, the new team Zenith came to Jack's aid, and Connor mocks them by referring to them as preschoolers.

When General Larraby ordered his men to use the net on Concussion, the supervillain used his powers to knock out of his way, which was leading to Cindy. Jack's powers returned and he saved Cindy, and returned to the lab to collect his suit and fight his brother with the new team.

After a short fight with the new team, Jack manages to send Connor into a vortex that removed Gamma-13 from his body, returning him back to normal. Afterward, Connor was greeted by the new team, and was welcomed by his brother to join the new team to stop threats.

---

Me: That's him.

Qin: Oh boy.

Nico: J.D. you hold him off while we have the usual battles.

Me: Right! It's time for you all to see the power of Team Loud Phoenix Storm in action

Runabout: Entrance time!

Nico: Lets get him!

We went at him.

Concussion was looking for Jack.

Concussion: Come on out Jack! So I can kill you!

Then the spirits of the great superheroes and supervillains appeared and they swirled around him and then converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and a huge wall of fire exploded out and a phoenix cry was heard and then a phoenix formed out of the flames and then we came out!

Me: Connor Shepard A.K.A. Concussion. Nice to finally meet you.

Concussion: Who are you!?

Me: Your worst fucking nightmare!

Concussion: You think you all can take me?

Swordsman: Don't make us have to hurt you.

Spatula Girl: Why don't you calm down, take a deep breath, and let us help you?

Concussion: I will not stop until I kill Jack! Now you all will die!

Me: We'll see about that!

Nico: Save your breath guys, the Gamma 13 made him beyond reasoning.

I then went SUPER ANGEL WOLF MOON XELNAGA!

I punched him many times in his stomach and kicked him into a rock and smashed him down.

Me: Plenty more where that came from princess!

He got up and wiped blood from his face and he fired more concussive blasts at me and I teleported all over the place and kicked him in the back of the head and knocked him into the dirt!

I kicked him in his head and smashed him into a rock.

Then I fired an energy wave and it hit him and exploded and I was blasting him all over with a massive volley of energy blasts.

Nico: GET HIM J.D.!

Sakura Knudson: COME ON BRO! TEAR HIM APART!

Megan McAllister, Sunset Shimmer, Pipsqueak, Fire Skylanders, Indigo Lanterns, Sissy Delmas and Pacifica Northwest VS Living Laser - Meeting a gene-slammer for B.E.S. Blaster Cannon Core

* * *

Living Laser was next.

Living Laser: (to Megan) I heard you guys met a gene-slammer for B.E.S. Blaster Cannon Core. What's her name?

Megan McAllister: Her name is Jolene Long and she is really cool.

Sunset Shimmer: She is really cool.

Pipsqueak: (British Accent) Yeah and her story is awesome too.

* * *

Nico: Yep. So, Jolene, Chikara, what's the stories you have on why you hate Lisa, Lewis Travolta, and Bradley Uppercrust III with a blazing passion? We'd already heard from Alaina yesterday about how she and Lincoln exposed him for cheating at The College X-Games and got him disqualified.

Chikara Manyuu: (Irish Accent) I was hoping you would ask that, but here goes. You guys already do know of the fact that Brad is nothing more than a cheater, but one day, while Lincoln and I were swimming in our underwear, we caught both him and Lewis Travolta taking a peak at me. This made us both so infuriated as soon as we noticed, and we started beating the crap out of them, and we left Lewis Travolta and Bradley Uppercrust III with broken noses, arms, legs, teeth and even smashed crotches.

We gasped.

Nico: WHAT THE HELL?!

Me: As if he wasn't a cheater, now he's downgraded to being a pervert too?!

But, out of all of us, none was even more infuriated than Max Goof, as we saw him clench his left hand so hard, he punctured his palm and blood dripped out from the palm, and when it hit the ground, it sizzled.

Me: Oh no.

Max Goof: (Growling Angrily) As if it wasn't enough that he's a cheater, but now, he's also a pervert as well! That's it, he's dead meat!

Max Goof flew out of The World Tree Estate in a dark fury, and he burst through the doors of Lynn's Table and he pounced on and proceeded to beat up Bradley Uppercrust III with undeniable fury and rage.

Nico: This is going to take a long while.

Jolene Long: It sure is. Okay, now for my story, I make it no surprise I've hated Lisa with a blazing passion, because of all the hell she put Lincoln through with her trying to kill him with her insane experiments. One day, Lincoln and I were busy doing some homework at our house, since The Loud House isn't a perfect place for our homework. But, then, we saw something crash into my room, it was a smoke bomb, we escaped from the room, and we heard the sound of insane laughter. We looked out the living room window, and we saw who it was that did the dirty deed: it was Lisa, and she had her army of robots with her again, and she was out to capture and kill me by removing my brain and kill Lincoln. We'd absolutely had it up to hear with that heartless monster, and I used my technomancy powers and destroyed every last one of Lisa's robots, and we tied Lisa up with energy ropes Lincoln fired from his angel wings, and we dragged Lisa back home, and after we told Mr. and Mrs. Loud of what Lisa tried to do to us, she was grounded for sixteen weeks and she was thrown in a metal cage and tied up in a straitjacket, and she was screaming bloody revenge on us, but Lily whacked the cage with a mallet and Lisa crashed onto the floor.

Nico: Jeez, this was just like Becky's ordeal with Lisa. But, it also had the same end result: Lisa got her comeuppance and she got grounded again.

Me: Yeah, Lisa really was insane before we got rid of her Dark Side.

Lincoln: And I warned her: if she ever tried that same stunt with Becky's sisters, I was going to make her pay for this in the worst way imaginable: I'll call the Scientist Committee and they'll confiscate all of Lisa's lab materials and chemicals, along with rewards and certificates, and she'll be declared an enemy of the state.

Luna: And he's serious about that. Becky has friends in the scientist committee and with one phone call, Lisa will lose everything, and she'll be on her way to the nuthouse for the rest of her life. But, Lisa didn't even listen again, and she was really playing with fire: and in this case, that fire is our bro.

Then, an hour later, Max Goof came back inside, and he was sweating even more than ever, and we saw the damage he did to Brad through a one-way window Selene Emperyous made: Brad was a mangled and beaten up mess: Max Goof broke his arms and legs, and he even smashed his crotch with a hard kick, and he also had claw marks on him and tears in his clothes, which showed that Max had turned his fingernails into claws and he clawed at Brad badly. Max Goof also knocked out all of his teeth, and we saw that Max Goof's attack had caused tons of gold, jewels, Jemms, and pearls to explode out of Brad.

Me: Jeez!

Eli: I know what I did to Flip was bad, but what Max did to Brad, now that was just brutal.

FLASHBACK ENDS

Yuko: I knew there was no mistaking that voice from anywhere, you can come out now, Vexxtrea.

A figure came out, and it was none other than Vexxtrea of The Extraterrestrial Order of The Planets of Holy Ghidorah.

Yuko: Vexxtrea, I should've known you'd show up here, and we already knew of the Order's arrival days ago, so we're prepared to destroy you all. We will never let you destroy the Earth ever!

Vexxtrea: You fools will pay dearly for this, Lord Ghidorah will rise again and the entire Earth will be destroyed!

Allie Anne Volvenstein: The only one who deserves to be destroyed is you.

Suddenly, Allie Anne Volvenstein's blue eyes turned neon blue and she was surrounded by an aqua blue energy aura with water, ocean waves, dragons, phoenixes, and water angels, she unholstered her massive Waterveiled Assassin-themed greatsword from her back, and as she approached Vexxtrea, she left aqua blue energy, water, ocean waves, dragons, phoenixes, and water angels with every step.

Allie Anne Volvenstein: I will never ever forgive you for what you and the rest of the Order have tried to do 20,000 years from now, Vexxtrea: wanting King Ghidorah to destroy our world and every last living thing on it, that's one thing I will never allow, and for that, I hope you're ready to be buried under the ocean's tides for your crimes against mankind and the universe!

Suddenly, Allie Anne Volvenstein was surrounded by a massive vortex of aqua blue energy with water and ocean waves surrounding it, there are dragons, phoenixes, and water angels and Waterveiled Assassin flying around the vortex, and in the vortex is a blue phoenix with red eyes glaring at Vexxtrea: the red eyes of death. Then, as the vortex faded, Allie Anne Volvenstein emerged, but she was changed forever.

(NEPTUNE BY 2002 PLAYS)

Allie Anne Volvenstein grew to 7'4" in height, she has the body of a goddess, she has blue highlights in the bangs of her long aqua blue hair, she has aqua blue eyes and an aqua blue energy aura with water, ocean waves, dragons, phoenixes, and water angels surrounding her, she has Waterveiled Assassin emblazoned on her forehead and Third Eye with aqua blue iris, she has on dragon earrings with aqua blue gems for eyes and holding the Water and Eternity Kanjis in its claws, she also has Waterveiled Assassin with aqua blue gems for eyes and holding the Water and Eternity Kanjis in its hands on the bottom of her aqua blue phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Dragon Necklace of Eternal Love necklace with aqua blue crystal links from her merged Crystal Necklace of the Buddha and aqua blue gems on the gold flame links. Suddenly, Allie Anne Volvenstein felt a sharp pain on her back, and then, her massive aqua blue angel wings with blue tips on the large aqua blue feathers, grew much bigger for her new body and she now has eleven massive and long aqua blue wolf tails with blue tips. Allie Anne Volvenstein has on her Ring of the Phoenix with large aqua blue gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Allie Anne Volvenstein's massive Waterveiled Assassin-themed greatsword and all the greatswords she'd gotten began merging together and they're surrounded by a kaleidoscope of aqua blue energy, water, ocean waves, dragons, phoenixes, and water angels with every step, and when it emerged, it transformed into Waterveiled Assassin's Elemental Alchemical Water Draconic Phoenix Water Greatsword of Elemental Alchemical Water Assassin Justice, it's a brand-new massive greatsword with embedded aqua blue gems and Waterveiled Assassin etched on the 7'0" massive, wide, double-edged aqua blue blade, large aqua blue dragon heads for the crossguard, large aqua blue gems embedded in the hilt, longer midnight black handle, four large aqua blue phoenix heads with aqua blue gems for eyes and large aqua blue gem on the bottom of the aqua blue phoenix heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with aqua blue gems on her wrists, her large gold Belt of Elemental Bravery with a gold version of Waterveiled Assassin's head with aqua blue gems for eyes and a large aqua blue gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Allie Anne Volvenstein has transformed into SUPER ANGEL-WATERVEILED ASSASSIN-DRAGON-PHOENIX-HARMONY CELESTIAL ETERNAL XELNAGA MAELSTROM ALCHEMICAL WATERVEILED ASSASSIN WATER ANGEL OF DIVINE MAELSTROM ALCHEMICAL WATER WATERVEILED ASSASSIN JUSTICE AND DIVINE MAELSTROM ALCHEMICAL WATER WATERVEILED ASSASSIN LOVE!

We were amazed by Allie Anne Volvenstein's Super Angel-Waterveiled Assassin-Dragon-Phoenix-Harmony Celestial Eternal Xelnaga transformation, and when Nico saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Vexxtrea saw it, he fell into an infernal rage and he got out his blaster to blast her, but Allie Anne Volvenstein fired a powerful aqua blue energy blast with water, ocean waves, dragons, phoenixes, and water angels at Vexxtrea, which hit him and pushed him back and he also got drenched, but this really pissed him off now, and Allie Anne grabbed his blaster which'd been scrapped and it got turned into pure solid gold which was sent into our vault.

Holly Volvenstein: Wow, Allie Anne's transformed, and she really drenched Vexxtrea badly.

Nico: That bastard had it coming, and she also turned his blaster into gold and sent it to our vault.

Allie Anne Volvenstein: (Divine Echoing Cosmic Voice of The Elemental Alchemical Ocean Waterveiled Assassin Draconic Phoenix Water Angel and Divine Draconic Phoenix Alchemical Ocean Waterveiled Assassin Angel Love) And now, you're about to feel the full fury of the tides, Vexxtrea.

Nico: Let me in on this too, Allie, this bastard doesn't deserve to live any longer.

Nico transformed into Super Saiyan Rainbow Infinity and unholsters his massive Nico's Universal Elemental Greatsword of Saiyan Pride and Phoenix Justice from his wider and muscular back and joined Allie Anne Volvenstein.

Nico: (Divine Echoing Voice of Rainbow Redemption) Alright, you fanatical clod, it's time for you to pay for your crimes with your blood!

Allie Anne Volvenstein and Nico went after Vexxtrea who's now gone even more full-blown ballistic, and they fired extremely powerful blasts of rainbow energy, aqua blue energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Vexxtrea and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him.

Nico turned his fingernails into claws and he slashed at Vexxtrea, drawing more blood and leaving more scars on him, and he was being driven even more ballistic. Suddenly, Vexxtrea took out the vial of red liquid with a drop of 2018 King Ghidorah's blood, then he drank it. Suddenly, Vexxtrea began changing as massive wings like King Ghidorah's grew and sprouted out from his back, his skin was covered in gold scales, and he'd grown King Ghidorah's tails.

Me: Watch it, you guys, now Vexxtrea has transformed into his King Ghidorah Hybrid Monster form.

Vexxtrea fired a Gravity Lightning blast at Allie Anne Volvenstein and Nico, who dodged it.

Lincoln: Lanaiya, Nico, hang on.

Suddenly, we heard loud bellows of rage in the air and we saw two figures charge at Lincoln, who dodged the attack, and we saw who it was that tried to attack Lincoln: it was Pablo and Anderson, who'd broken free and those two heartless butt-faced psychopaths are still out to kill us.

Lincoln: Oh great, I knew you two butt-faced psychos would break out to try and kill us again.

Me: You buttfaces are really starting to piss us off even more!

Suddenly, we saw Flum Ox and Edamimi appear before us and kick Pablo and Anderson hard in their dumbass faces.

Flum Ox: (Girl's voice) Don't worry about Pablo and Anderson, Lincoln, we'll take care of those two heartless butt-faced psychopaths.

Edamimi: (Girl's voice) You concentrate on taking care of King Ghidorah Hybrid Monster Vexxtrea.

Lincoln: Thanks, Chara Princeton and Cherry Princeton. Make sure those two are beaten up to an inch of their miserable lives.

Lincoln fired a rainbow energy blast which separated Vexxtrea from his King Ghidorah Hybrid Monster form, and then, Lincoln went at King Ghidorah Hybrid Monster Vexxtrea and he stabbed him in his chest with the tip of one of his eleven massive and long white wolf tails that turned into Cell's Stinger paralyzing him so he couldn't try to escape, and then, Lincoln began absorbing King Ghidorah Hybrid Monster Vexxtrea's bio-energy and assimilated his powers and abilities until nothing was left of it. Then, the stinger changed back and Lincoln retracted the tail.

Nico: (Divine Echoing Voice of Rainbow Redemption) Thanks for the save, Lincoln, and I can't believe those two buttfaces have come back to kill us again, but our two heroes will take care of those two. Now, then, shall we end this bastard for good, Allie?

Allie Anne Volvenstein: (Divine Echoing Cosmic Voice of The Elemental Alchemical Ocean Waterveiled Assassin Draconic Phoenix Water Angel and Divine Draconic Phoenix Alchemical Ocean Waterveiled Assassin Angel Love) You got it, Nico.

Allie Anne Volvenstein and Nico sent Vexxtrea flying into the air, and then, they prepared their combo to put an end to Vexxtrea.

Allie Anne Volvenstein and Nico: ELEMENTAL WATERVEILED ASSASSIN DRACONIC PHOENIX ALCHEMY MAELSTROM KAMEHAMEHA!

Allie Anne Volvenstein and Nico fired two massive aqua blue energy Kamehameha waves with water, ocean waves, dragons, phoenixes, and water angels, and they hit Vexxtrea, and they explode with incredible power as they hit him, and he was obliterated. Then, when his spirit appeared, Allie Anne Volvenstein and Nico drew the Judgement Kanji on his forehead, and he was erased by The Black Gates for his crimes. We cheered as Allie Anne Volvenstein and Nico holstered their massive greatswords on their backs and powered down, and Allie Anne Volvenstein's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long aqua blue wolf tails, and massive aqua blue angel wings are permanent.

Allie Anne Volvenstein: That's one member of The Extraterrestrial Order of The Planets of Holy Ghidorah down and twenty-one members to go. Thanks for helping me destroy Vexxtrea once and for all, Nico.

Nico: (Smiles Warmly) You're welcome, Allie.

Suddenly, Allie Anne Volvenstein wrapped her arms around Nico's wider and muscular back, as her chest pressed against Nico's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Nico's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to their faces. Then, as Nico leaned down to Allie Anne Volvenstein's face, they kissed passionately as she moved her arms and placed her hands on Nico's massive pecs, and behind them was a Dragon, Phoenix, Angel, and Waterveiled Assassin flying in the air, and we saw many animals running across the field, along with elemental forces and ocean waves crashing behind them and we cheered wildly. Then, Nico and Allie Anne Volvenstein absorbed the ocean waves and they came back to us as the display and Waterveiled Assassin vanished.

Me: Oh man, now that's what another cult fanatic has been put down. Awesome job out there, Nico and Allie Anne.

Nico: Thanks, J.D.

Then, Chara Princeton and Cherry Princeton were finished beating up Pablo and Anderson, and thanks to the massive beatdown and combo of the curse, massive amounts of gold, jewels, Jemms, and pearls exploded out of them, and Lincoln tied those two back up in rainbow energy straitjackets. But, before they could bellow and scream at us again, Lincoln beamed them back to Lynn's Table, and they were chained back to their posts with Neutronium Chains lined with rainbow energy, and they were left screaming and bellowing with rage again.

Lincoln: And don't let us catch you two buttfaces out again, or we'll do a lot worse next time. (To Chara and Cherry Princeton) And it's so good to see you again, Chara and Cherry Princeton.

Chara Princeton reverted back to normal, and she's a beautiful girl with long dark red hair, dark red eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful red angel wings, she's dressed in dark red clothes, and long white long-sleeved trenchcoat with air, earth, water, fire, Ojama Monsters, and oxen on the coattails and on the back is Flum Ox and the Ojama Monsters, and holstered on her back is a massive Flum Ox-themed greatsword with embedded dark red gems and Flum Ox etched on the 7'0" massive, wide, double-edged dark red blade, large Flum Ox heads for the crossguard, large dark red gems embedded in the hilt, longer midnight black handle, four large Flum Ox heads and large dark red gem on the bottom of the large Flum Ox heads for the pommel.

And Cherry Princeton reverted back to normal, and she's a beautiful girl with long dark red hair, dark red eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful red angel wings, she's dressed in dark red clothes, and long white long-sleeved trenchcoat with fire, Ojama Monsters, and plants on the coattails and on the back is Edamimi and the Ojama Monsters, and holstered on her back is a massive Edamimi-themed greatsword with embedded dark red gems and Edamimi etched on the 7'0" massive, wide, double-edged dark red blade, large Edamimi heads for the crossguard, large dark red gems embedded in the hilt, longer midnight black handle, four large Edamimi heads and large dark red gem on the bottom of the large Edamimi heads for the pommel.

Chara Princeton: You too, Lincoln.

Cherry Princeton: It's been a long time.

Lincoln went up to Chara Princeton and Cherry Princeton and he hugged them, and Chara Princeton and Cherry Princeton are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Chara Princeton: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness.

Cherry Princeton: You've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we also met your familiars, and they are really awesome.

Nico: Whoa, Lincoln, you know these two girls?

Lincoln: Indeed I do, Nico.

Nicholette Torrington: Oh man, and so do we. The Flum Ox Gene-Slammer is Chara Princeton and the Edamimi Gene-Slammer is Cherry Princeton, they're Lincoln's Guardian Angels from Italy and classmates in French, and they're also members of The Duel Monsters Heroes. They're known as the Ojama Duo, because they specialize in The Ojama Deck. Lincoln made them Ojama-themed bikinis, and to show thanks, they kissed Lincoln on the lips. They're also the twin sisters of Chazz Princeton, and they hate Icky with a passion.

We gasped in shock.

Nico: Whoa, I had no idea you had twin sisters, Chazz.

Me: Same here.

Chazz: I didn't get a chance to introduce you guys to them, and now, I know why.

Alexis: Team Rocket Gene-Slammed them, the fiends.

Chazz: If I wasn't already that mad at Giovanni before, what he did to my twin sisters just absolutely riled me up.

Chara and Cherry ran up to Chazz, and they hugged him, and he hugged them back.

Chara Princeton: I know, but it's so good to see you again, Chazz.

Cherry Princeton: Same here, big bro.

Chazz: You too, girls. How did you girls know about those two buttfaces coming after us?

Lincoln: They must've sensed that they broke out to go after us to kill us, so they came here to help and give them another beatdown again. And now that you two are here.

Lincoln first went up to Chara Princeton, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

And Lincoln then went up to Cherry, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more. He then slowly unlatched his fangs from her neck

as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Chara Princeton: You're still just as gentle as ever when you feed on one of your Guardian Angels, Linky.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Chara Princeton and Cherry Princeton with red and blue gems on the gold lightning bolts and red and blue crystal links from their merged Crystal Necklaces of The Buddha along with two Elemental Thunderbird Chokers of Eternal Love on their necks.

Chara Princeton and Cherry Princeton: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Chara Princeton and Cherry Princeton.

Chara Princeton and Cherry Princeton had a smile on their faces and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around them, and he leans down to each of their face and he kissed her passionately on the lips, and she also returned it, and we cheered for them.

Nico: Looks like we'll be running into more of your Guardian Angels during our fights against The Extraterrestrial Order of The Planets of Holy Ghidorah, and speaking of, tomorrow, the next member is Buenttrada, which means you and J.D. are up. Kristjana.

Me: Yes!

Kristjana Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Icelandic Accent) Yeah, we'll make Buenttrada pay.

Me: With his own blood.

Nico: You said it. Say, Lincoln, which B.E.S. are you hoping to meet next on your rescue?

Lincoln: I already know who's next for tomorrow, Nico: Milan Long, Gene-Slammer of B.E.S. Covered Core.

Becky Long: We're so going to enjoy seeing Jolene once again, Lincoln. But, this also means we'll be running into another enemy of me and my sisters.

Lincoln: I know. But, we'll be ready for them and for whatever trick that psycho, Damian Constantine, has up his sleeves.

Mole Man: Well, Nico, I've heard you've learned a lesson today.

Nico: I have. Never jump to conclusions so quickly.

Grizzly: Glad to hear it.

Me: Good.

Pinky: At least Concussion is back to his normal self!

Nico: That's for sure.

Summer Jones: Before we celebrate, can I ask you guys for a favor?

Golden Glider: What's that?

Summer Jones: I know you guys just told us about using our power responsibly. But just this once, can you help me get back at some of tje cheerleaders for making fun of me?

Plastique: (smirks) I think that can be arranged.

Me: I got a few surprises in store for them. (SINISTER CHUCKLE)

We went to Summer Jones's school and just as the cheerleaders opened their lockers they were greeted by SKUNKS IN THEIR LOCKERS! THEY GOT SPRAYED FROM HEAD TO TOE IN SKUNK STENCH!

LIGHTHOUSE FOGHORN SOUND!

SPLAT!

THEY GOT HIT BY BUCKETS FULL OF SLOP THAT WAS MADE FROM LIQUID GARBAGE AND RAW SEWAGE!

Then they got pelted in COW PIES!

SPLAT SPLAT SPLAT SPLAT SPLAT SPLAT SPLAT!

IT WAS REALLY FUNNY!

Summer came out and laughed her head off!

Cheerleader Captain: YOU WRETCHED LITTLE FUCKUP BRAT! THAT WAS NOT FUNNY!

Summer Jones: Oh yeah? Then why are they laughing?

Then all the kids that the cheerleaders tormented came out and they Laughed at them!

TOTAL HUMILIATION!

Me: Smile for the camera bitches!

I was video recording the whole thing on my phone and uploaded it on social media and it went VIRAL!

Nico: That's what you get for humiliating and making fun of Summer you freaks!

Trapster: That was awesome J.D.!

Sakura Knudson: You have one awesome mischievous side to you bro.

Me: You should see us humiliate the jerks at Lynn's Table.

Principal: That is true. And you cheerleaders are in big trouble! I'm calling your parents. If you think I'm putting up with anymore of your behavior towards Summer you are sadly mistaken. I will not tolerate this awful behavior in my school. You are expelled.

Cheerleaders: WHAT!?

Cheerleader Captain: You can't do that!

Principal: You should have thought of that before. Now pack your things and leave this school and never return! I'm also going to have the school board make sure you only get enrolled in a strict catholic school to learn some manners and discipline. You girls are such an absolute disgrace to this school! And I'm making Summer Jones the official new captain of the Cheerleading Squad.

Everyone cheered wildly!

The cheerleaders ran off crying.

Nico: Serves you right bitches!

Qin: Yeah!

Summer Jones: That was so funny! Thanks guys.

Me: No problem Summer.

Nico: Yeah that was great. Great job today everyone.

Me: We saved Connor and as a bonus we got those rotten to the core bitches expelled.

Qin: Yep.

Nico: (To the viewers) I learned a valuable lesson today and that is NEVER jump to conclusions or else.

Me: You got that right.

We went back home and the Zenith team was placed into our protection and we enjoyed the rest of the day and went to sleep.

It's the most electrically charged planet in the universe and has over 20 billion strikes every millionth of a second. The clouds also have a special radiation that enhances chakra 5000-fold. And we're going there to have an awesome rescue as well as battle 2016's Doomsday from the Batman VS Superman movie and also we're going there to destroy 2016's Lex Luthor who is back from the dead to get revenge on me and Nico for killing him by blowing his head off! But get ready because SAKURA KNUDSON IS GOING TO GET HER CHANCE TO SHINE AS SHE EXPLODES IN POWER AND UNLEASHES HER MOST POWERFUL TRANSFORMATION EVER IN A MASSIVE EXPLOSION OF ANGER AND TRANSFORMS INTO HER MOST POWERFUL FORM OF ALL AND UNLEASHES THE WRATH OF HER POWER ON THEM BOTH! SHE WILL MAKE THOSE HEARTLESS INSANE MONSTERS PAY DEARLY FOR THEIR CRIMES! Also we're going to battle Another Wildberry Princess and Another Bane. And we're going to meet a Staraptor gene-slammer named Amelia Earhart LI and she comes from the year 8,212 and she is an amazing flyer and a powerful force to be reckoned with.

The next match-up in The War Against The Extraterrestrial Order of The Planets of Holy Ghidorah is Kristjana Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn, Gene-Slammer of White Night Dragon and J.D. Knudson VS Buenttrada

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Tennessee, and we're going to deal with another old enemy of Becky Long and her sisters: a mad scientist named David Anthony. Long ago, he was an intelligent student and he was also in the same school as Lori and Becky Long. But, Becky Long knew of his true nature: he was really a mad scientist who wants nothing more than world domination, and he caused a lot of havoc and destruction with his creations: everything from gigantic robots to mutant monsters created by his brand of mad science. But, his last plot for world destruction was brought to an end by Becky Long and her sisters, and he was taken away by the cops and sentenced to Life In Prison without any possibility of parole. But, now years later, David Anthony has broken out of prison, and he wants revenge on Becky Long and her sisters for ruining his plans for world domination long ago, and the person responsible for breaking him out was the deranged, evil, psychopathic, out-of-control, deranged lunatic and enemy of Buster Bunny and his friends from Acme Acres, Damian Constantine. And for tomorrow, we're going to meet the next of the B.E.S. Gene-Slammers, this time, it's Milan Long, Gene-Slammer of B.E.S. Covered Core and one of the Long Sisters, she's Lincoln's Guardian Angel from Michigan, and like her eldest sister, Becky Long, Jolene Long is a very strong and powerful technomancer, and like Becky, she was pronounced braindead at age 4 and the doctors came up with a very risky and dangerous operation. They replaced her dead brain with an artificial Positronic Brain, and it gave her incredible powers of Technokinesis and it also turned her mind into a very incredible computer capable of storing an infinite amount of information and unleashing the full 100% of her brain power, and when she got Gene-Slammed into B.E.S. Covered Core, she also gained powerful earth powers, and just like Becky, Milan is also in Lori's school and she's protected Lincoln from the worst of Lisa Loud's fury and almost got Lisa disowned and sent to a nuthouse in the federal prison system forever as well as have all of her science stuff confiscated by the scientific community forever. But, wait until she finds out that the person person responsible for turning her into the heartless, emotionless mad scientist she, her eldest sister, and her other sisters have hated was none other than Killjoy Huggins, and this happened under their noses when Lincoln was in Third Grade.

Get ready for a crazy school adventure as we meet Ginger from the awesome show As Told By Ginger and we're going to help her take down the Queen Bee, Miranda and make that brat pay for her attitude.

See you next time.

# NO MORE QUEEN BEES

This chapter is based on the show As Told By Ginger.

In the early morning hours at 3:35 AM, Lincoln had a dream, and he saw two figures who was hiding out and living in the streets of Orlando, Florida. But, they were no ordinary two figures, they were Night Light Jr, son of Lincoln's future wife, Twilight Sparkle. and Starfall, son of Lincoln's future wife, Trixie Lulamoon. Lincoln woke up from the dream, but he wasn't the only one, Twilight Sparkle, Thunder Sparkle, Starburst, Nyx Midnight, Trixie Lulamoon, Zeta "Silver" Telekinetic, Moony Moondancer, Dove, Black Alpha, Nico, and I also had the same dream.

Black Alpha: We sure did, Lincoln.

Twilight Sparkle: And not only that, it also means that we found out where our kids are at.

Trixie Lulamoon: And the question is, Where?

Me: they're at Orlando, Florida.

Nico: Oh man, that's not good. Even though Orlando, Florida, is a nice place, but not so much for little kids.

Lincoln: That's right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Black Alpha: We're on it, Lincoln.

Lincoln, Black Alpha, Twilight Sparkle, Thunder Sparkle, Starburst, Nyx Midnight, Trixie Lulamoon, Zeta "Silver" Telekinetic, Moony Moondancer, Dove, Me, and Nico were heading to Orlando, Florida. Lincoln saw a 12-year-old boy who has brilliant azure skin, pale cornflower blue hair with very pale cerulean stripes, and red eyes. He wears a purple neckerchief with blue yellow stars, a black cloak, black tuxedo shirt, black gentleman pants, black men's dress shoes. He also has a bracelet. And a 10-year-old boy who has lavender skin, blue hair with navy streak, and dark blue eyes. He wears a red t-shirt, purple pants, white socks, and purple sneakers. Lincoln saw who they are, they were Starfall and Night Light Jr.

Lincoln: Excuse me, are you Starfall and Night Light Jr?

Starfall: (British Accent) Indeed we are, and who are thou to approach?

Nico: Wow! He's speaks like a knight.

Me: I know, Right?

Lincoln: I'm Lincoln Loud of Team Loud Phoenix Storm, and this is the dark knight and leader of the Heroic Elementals, Black Alpha, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know all too well.

Then, Twilight Sparkle and Trixie Lulamoon came out, and when Night Light Jr and Starfall saw them, they were stunned.

Starfall: (British Accent) Mother, is that thou?

Trixie Lulamoon: Yes, brave knight, it's me, The Great and Powerful Trixie.

Nico: You don't have to announce yourself, Trixie.

Trixie Lulamoon: I've always like to make a dramatic entrance.

Night Light Jr and Starfall ran up to Twilight Sparkle and Trixie Lulamoon, and they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, Thunder Sparkle, Starburst, Nyx Midnight, Zeta "Silver" Moony Moondancer, Dove, and Black Alpha.

Lincoln: And there's something you should know, Twilight, Trixie, your mothers are one of my many future wives.

Night Light Jr and Starfall: Does that means… you're our father.

Lincoln: (smiled) What else I won't I be?

That filled Night Light Jr and Starfall with joy, as Lincoln picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Night Light Jr and Starfall to the rest of his siblings, who are now their aunts. We were proud of what Lincoln did in reuniting Twilight Sparkle and Trixie Lulamoon with their kids, and Night Light Jr and Starfall now has a loving, strong, brave, and caring father in their life.

Me: Ra'Dos was awesome and amazing for us going there the first time.

Sakura Knudson: Boy Kara was showing me some of the spells they use there and those are really cool.

Qin: They sure are.

Nico: Yeah the spells they use there were so cool.

Me: Yep. But the enemies they faced on Ra'Dos were monsters of pure evil.

Kara: Yeah no kidding.

Nico: We killed some of them. But most are still on the loose.

Kara: Yeah no kidding.

Me: We really need to face some of them.

Nico: Yeah.

Me: Lets see. We faced The Cultists of the Celestial Light and Noth I think. I can't remember.

Qin: You'll think of it J.D.

Me: Yeah hard to keep track.

Eli: Yeah.

Me: Yesterday's mission was so awesome though.

Nico: We met an awesome team of heroes yesterday.

Me: We sure did. Jack Shepard and his friends are all so awesome.

Nico: They sure are. And we saved his brother from himself.

Xenia: We sure did. Lisa's machine worked perfectly.

Lisa Loud: Indeed. I'm glad it did.

Maria: But the military was planning to take them all out with Gamma 13!

Me: No kidding! (GROWL!) That really pisses me off. But thank goodness we talked to the president yesterday and stopped it.

Nico: Yeah. But it was really funny how we turned all those cheerleaders into a total laughingstock!

Qin: (LAUGHS) That was so funny!

Lola: We never laughed that hard before.

Camie: Yeah! (LAUGHS) That was so funny!

Sakura Knudson: It sure was! Bro has a really funny mischievous side to him.

Varie: Yeah he sure does.

Nico: Yeah he sure does!

We laughed!

Qin: That was awesome.

Nico: And we posted it on the Internet.

Me: Yeah we sure did.

Jackie Wren: Yeah that is for sure and I called in the C.L.G.I.Q.B.S.M.G. and they sent those stinky-faced buttfaced bitches to the Charon Reform School.

Nico: Good riddance.

Qin: Yep.

Camie: Good.

Nico: (sighs) J.D., I'm sorry for accusing you, Girl Jordan, Lincoln, Laney, Lily, Lisa, Luan, and Luna yesterday. I jumped to conclusions so quickly. And now, we're not closer to solving the Hitotsuki problem.

Me: It's all water under the bridge Nico.

Luan: Yeah Nico you were just quick to judgement. No one can Judge you on that. (LAUGHS) Get it?

We laughed at that one while some of her siblings groaned.

Nico: (LAUGHS) Good one.

Eddy: (LAUGHS) That was funny.

Nico: Yeah. But I'm glad we are closer to solving it.

Me: Me too. But this is so awesome. We're not only helping Lyra prepare for her Ambassador Missions but we're also living some of the awesome adventures of the Donbrothers. Thus killing two birds with one stone.

Nico: That's true we sure are. It's awesome.

Lisa Loud: We have arrived at our destination.

Maria: We're here.

Nico: On screen.

We saw that we were at a really huge gas giant planet! It was a massive blue gas giant planet!

We gasped!

Nico: This is the planet Zymphoquora!? It's massive!

Me: Wow!

J.D. 2: Yep it's 35,000,000 kilometers or 21,747,991.728 miles in diameter and it is an amazingly powerful electrically charged planet. It's the most electrically charged planet in the universe and has over 20 billion strikes every millionth of a second. The clouds also have a special radiation that enhances chakra 5000-fold.

We were amazed!

Qin: Wow! What a planet!

Sakura Knudson: It's amazing!

May: Is it safe to land?

Me: On a gas giant planet this size? No way. The gravitational pressure would crush us. But the upper clouds are safe.

Nico: Okay then.

We got the ship to hovering in the clouds above the very thick dense clouds. We saw lightning strikes all over the clouds that were absolutely incredible.

Nico: Wow! Look at all that lightning.

But then we saw all the shinobi and kuniochi and they were glowing in an intensely powerful and immensely powerful aura!

Qin: WHOA!

Nico: Wow! Your powers have skyrocketed exponentially!

Fu: Wow! What is this!?

Hokuto: Our power jumped tremendously!

J.D. 2: That's the power of Zymphoquora. It has a powerful radiation that enhances chakra 5,000-fold.

Qin: Incredible!

Nico: It's best if we stay on the ship.

Me: Good idea. We'll go on top of the ship if that works.

Nico: That works too.

Eclair: This is an amazing planet.

Qin: It sure is Eclair.

We went onto the ship and we were floating above the clouds.

Me: Wow!

We looked down into the clouds and it looked like they went on forever. Not just above them but down through them.

Xenia: Wow! The clouds go on forever!

Eli: This is so amazing!

Qin: Wow! Look how electrically charged the clouds are!

Xenia: So much lightning!

Camie: Incredible!

THUNDERCLAP! THUNDERCLAP! THUNDERCLAP!

Varie: Wow! That is amazing!

Nico: Let's take pictures.

Me: Good idea.

We went and did so and it was incredible. The lightning really put on a magnificent show.

Nico: Wow!

Eli: This is an amazing planet.

Nico: This is going to be one awesome rescue, gang, not only are we going to battle 2016 Doomsday, but here's another surprise, 2016 Lex Luthor has come back from the dead to get revenge on us for blowing his head off.

We gasped.

Me: So, that insane freak's come back for more?! Oh, that's it, I'm so going to enjoy blowing his head off again!

Sakura Knudson: Wait, J.D. Let me be the one to face him, he's going to regret ever showing his ugly face again.

Me: Okay, Sakura.

Lincoln: This is going to be Sakura's first time transforming, and this is too perfect, not only is Sakura Knudson going to transform, but we're also going to get rid of the 2016 versions of Doomsday and Lex Luthor once and for all, and send them both screaming to The Black Gates.

Laney: You said it.

Nico: Yeah. Hey, Lincoln, I also sensed that Becky Long and her sisters, Elsa, Harley, Jolene, and Milan have something to tell us, but we'll have to wait until tomorrow.

Lincoln: (Thinking) You have no idea how close you are to the truth, Nico.

Me: You guys are not going to like this version of Lex Luthor. He's not like the prime version of him. But this guy is one seriously fucked up whackjob

Nico: He sure is.

Nico went over his history.

---

Alexander Joseph Luthor, Jr., otherwise known as Lex Luthor, is a major antagonist in the DC Extended Universe. He is the main antagonist of Batman v Superman: Dawn of Justice, and a minor antagonist in both Justice League and its 2021 director's cut, Zack Snyder's Justice League. He is one of Superman's two arch-nemesis' (alongside General Zod).

He is the megalomaniacal CEO of LexCorp and who one of the smartest people on the planet who has developed an unhealthy fixation with Superman, whom he views as an alien intruder. Thinking of himself as the superior one, Lex is obsessed with defeating and killing Superman through any means necessary, even using Batman. After Lex is incarcerated at Arkham Asylum, he soon breaks out and allies with the mercenary Deathstroke.

He was portrayed by Jesse Eisenberg in his first villainous role.

Lex was born in 1984 and was abused physically by his father Alexander Luthor, Sr., an East German immigrant. The elder Luthor's abuse led Lex to believe God plays favorites to people; the younger Luthor thus developed a deep hatred of God and anyone godlike, such as Superman, thereby becoming a misotheist.

After his father's death, Lex became CEO of his company, LexCorp.

Lex is first seen at LexCorp, being visited by Senator June Finch. Lex reveals to her that he used a small fragment of Kryptonite on the corpse of General Zod, causing rapid decomposition. He asks her for permission to import a larger chunk of Kryptonite for further testing. After the meeting, he then asks another senator for access to the wreckage of the Kryptonian scout-ship and Zod's corpse for further testing, which is granted. Lex then enters the military facility in which the scout-ship is stored. Secretly, he cuts off Zod's fingertips with a Kryptonite blade.

Later, Lex has a business dinner with Finch, who tells him that she is denying him permission to import the Kryptonite, claiming that she knows that Lex is not planning to import it merely for testing purposes.

After finding out that Russian gang leader Anatoli Knyazev has been in contact with Lex, Bruce Wayne decides to investigate Lex and, conveniently, is told by Alfred Pennyworth that he has received an invitation to a charitable function Lex is hosting at his villa. Bruce attends the gala and briefly listens to Lex's speech about gods before heading away from the public to plant a bug in Lex's server room. Meanwhile, Lex has a sociopathic fit onstage and ends his speech before he can damage his image; this seems to be ignored by the crowd, who applaud Lex's speech.

Lex then intervenes in a heated conversation between Bruce and Daily Planet reporter Clark Kent, jovially introducing both men and claiming how he loves to bring people together. After a brief small talk with Bruce, Lex invites him to meet with him at some point, claiming that they could work together. Lex is then told by his assistant Mercy Graves that the governor is waiting, so he leaves the two men.

Lex later pays the bail for Wallace Keefe, a Wayne Enterprises worker who was rendered paraplegic during Zod's and Superman's fight in Metropolis. After bringing Keefe out of jail, Lex provides him with a state-of-the-art wheelchair. Persuaded by Lex, Keefe meets with Finch and convinces her to invite Superman to a Senate hearing at Capitol Hill to meet those he has harmed in his battle against Zod.

Viewing the information he obtained from Lex's server, Bruce finds out that Lex is smuggling the Kryptonite to Metropolis and decides to steal the rock to form it into a weapon against Superman (ironically the same plan Luthor has for it). While pursuing Lex's men, Bruce, as Batman, is stopped by Superman. With Batman prevented from taking it, the Kryptonite is delivered to Lex.

Shortly before the hearing, Lex sends Mercy into the meeting room to hold him a seat. He then approaches Finch, coldly remembering her and how she stopped his plans to build a weapon against Superman because she was weak. Finch storms off after being told that Superman has indeed arrived for the hearing and before she is gone, Lex tells her that the oldest lie in America is that power can be innocent. Despite sending Mercy in for the hearing, Lex doesn't enter himself; instead, he leaves the building while Superman enters it. Although Mercy is perplexed, she remains seated. Moments later, the hidden explosives Lex planted inside Keefe's chair (made of lead, which Superman cannot see through) go off, killing Finch, Mercy, and everyone else inside the building except Superman. This leaves Superman blamed by the public, leading him to go into a self-imposed exile.

When Lex returns to LexCorp, he finds that the Kryptonite has been stolen and that a Batarang has been left in its place. The same night, he enters the Kryptonian scout-ship again, accidentally activating it and thus gaining access to its database, discovering the existence of Doomsday - a bio-engineered Kryptonian abomination developed by Bertron during the Last War at Krypton - in the process. Inspired by the records that came with Bertron's notes, the criminal mastermind decided to create his very own Doomsday which involved the use of the ship's surviving genesis chamber, some drops of his blood, and Zod's corpse in his possession. Although the ship's computer warns Lex that the High Council of Krypton has forbidden the creation of the creature Lex is about to produce, Lex overrides this security measure by stating that the High Council is long gone. With that, the scout-ship's genesis chamber begins morphing Zod's and Lex's DNA, resulting in the birth of the new Doomsday.

Lex sends his men to kidnap Martha Kent. He also has Knyazev capture Lois Lane and bring her to the roof of LexCorp, where Lex is waiting. Lois, who has been able to prove that Lex was involved in the earlier incident in Nairobi, is thrown off the roof by Lex, but is caught mid-air by Superman who has returned to the city. Unbeknownst to both, this was exactly what Lex had expected.

After ensuring Lois's safety, Superman flies back up to the roof to face Lex. Superman threatens to bring Lex in, but Lex, ranting about how Superman stands above everything like a god, reveals that he knows Superman's true identity as Clark Kent/Kal-El and that he wants for the world to see Superman as the fraud he is. Pointing at the Bat-Signal shining in the sky in the distant Gotham City, Lex reveals that he expects for Superman to fight Batman to the death. When Superman asks if Lex really expects Superman to fight for him, Lex confirms it, showing Superman photos of Martha being held captive by his henchmen and hinting that Martha will die should Superman refuse.

When a shocked and enraged Superman falls to the ground in front of Lex, looking at the photos, and demands to know where Martha is, Lex states that he has forbidden his henchmen from telling him, but assures Superman that his mother will die should he attack Lex or try to fly off, his only chance of saving Martha being to kill Batman and to bring Lex his head. Lex gives Superman one hour to complete his task, then flies off in his helicopter. His continuous manipulation of Batman and Superman eventually leads to the titular battle between the two superheroes. However, before Batman can impale Superman with a Kryptonite spear, Lois arrives to clear up the confusion and to reveal Lex's manipulation. Teaming up with Superman to save Martha and defeat Lex, Batman locates Knyazev's mobile phone in a warehouse and takes out his men and the Russian himself, saving Martha.

Meanwhile, Superman enters the Kryptonian scout-ship where Lex is awaiting his return. Upon seeing that Superman doesn't have Batman's head, Lex calls Knyazev's phone but is surprised to hear Batman on the other line and realizes that Martha is safe. Superman tells Lex that he has lost, but Lex disagrees and shows Superman that he has been creating a creature that he calls "Doomsday," bred to kill Superman. Stating that "God is as good as dead," he releases the new Doomsday, which attempts to attack Lex, but Superman stops it. Luthor's Doomsday then starts fighting Superman, Batman, and Wonder Woman, resulting in a battle through the entire city.

In the end of the movie (although this is included in the extended cut), Lex is seen screaming in his cell about an upcoming threat. Although it is yet unknown what he means or how he obtained the knowledge, a deleted scene which is set shortly before Lex's arrest by a Metropolis SWAT team shows Lex inside the Kryptonian scout-ship in front of a holographic image of Steppenwolf holding three Mother Boxes in his hands.

After Luthor's Doomsday is defeated at the cost of Superman's life, Lex is arrested for the terrorist attack on the Capitol and the havoc wrought by it after Lois exposed him for his crimes. His head is shaved before he is imprisoned. In his cell, he seems to have a complete breakdown. Batman arrives and threatens Lex, telling him that he has contacts and is going to make sure Lex is transferred to Arkham Asylum. Lex tells Batman that the whole universe now knows that Superman is dead and that 'he' is hungry and is coming to Earth. Batman agrees before leaving his mark and disappearing. Lex proclaims and shouts that Darkseid is coming and will kill them all before repeatedly dinging.

Eventually, Luthor escapes from Arkham and leaves a double in his place. Thus, Luthor is long gone when the ruse is finally realized by the Arkham staff. Free again, Luthor boards a super yacht and invites the mercenary Deathstroke, to whom he reveals Batman's secret identity of Bruce Wayne to him so he can contract Slade Wilson to destroy The Bat.

Maria: It all started the day when I was attacked by a mutant bear.

Nico: That was fun.

Nico went over what happened on part one of Chapter 476

---

In the simulator Me and Nico were doing an exercise and Lincoln and Linka, Vince and Carol were in the Control Room. The

Simulator activated and we found ourselves in a prison hallway looking at a Lex Luthor that was ONE INSANE NUT! He was in a solitary confinement cell. He was being confronted by Batman.

Batman: Whatever you do, wherever you go, I will be watching you.

Lex: Oh, look at us. This is how it all caves in. Civilization on the Wayne Manor's out the window. But who would believe me? I… I. I'm insane. I'm not even fit to stand trial.

Batman: That's right. We have hospitals who treat the mentally ill with compassion. (Lex Chuckles Nervously) But that's not where you're going. I've arranged for you to get a transfer to Arkham Asylum in Gotham. I still have some friends there and they're expecting you.

Lex: But the bells already been rung.

In the halls we were waiting and I was loading a huge 50 caliber pistol.

Me: (whispering) Boy this Luthor is one seriously fucked up piece of shit.

Nico: (Whispering) Tell me about it. What are you gonna do to him?

Me: I have a special bullet with his name on it. It explodes on contact.

I pull out a 50 caliber bullet and carved on one side of the shell was his name Lex Luthor and the other side was B.I.H. and it had the star of Satan on it.

Me: This bullet has his name on one side and the other has B.I.H.

Nico: What does that stand for?

Me: It means Burn In Hell.

Nico: Nice.

Lex: And they've heard it. Out in the dark among the stars. Ding dong, the God is dead.

Batman punched the wall and burned a bat shape hole into it.

We go up to him.

Lex: The Bell cannot be un rung! He's hungry and he's found us and HE'S COMING!

Me: You would like that would you Lex?

Lex: Who are you?

Nico: You're executioners. And has anyone ever told you that you talk like Edward Nygma - the Riddler?

Me: We've come to kill you Lex.

Lex was laughing. I had my gun pointed right at his head in between his eyes and a laser was on him.

Lex: You can't kill me. I'm insane.

Me: You're worse than that Lex. You're one seriously fucked up piece of motherfucking shit. People like you deserve only one place and that's in the darkness of Hell, burning for all eternity. In my opinion, Arkham is too good for you and Eternal Damnation is what you deserve. Give my regards to the Devil when you see him and say hi to all the bad guys we killed.

I pulled the Trigger.

LOUD BANG!

The bullet blew his whole head right off his body and killed him instantly. Splattering his brain matter and blood all over the walls. His headless body fell to the floor and blood poured out of him.

Me: Burn in Hell you psychopathic motherfucking son of a bitch.

I pick up the shell casing and we teleport out of there before the guards arrived and Nicole sealed him into the Book of Vile

Darkness.

We left the Simulator and everyone cheered for us.

Lincoln: That was awesome J.D.!

Me: Thanks buddy.

Carol: That Lex Luthor was really screwed up.

Vince: No kidding but he deserved to be put out of his misery.

Me: He sure does.

Nico: You know J.D. it feels weird that we're defending Lex Luthor's image.

Me: It does but one Lex Luthor is plenty. The rest deserve to die.

Lincoln: You got that right. The Justice Lords Lex Luthor deserved to be killed.

Me: You said it buddy.

Nicole: He sure deserved it though.

Vince: Yep.

FLASHBACK ENDS

Maria: Yep.

Qin: That was so awesome!

Camie: Geez! This guy is a nasty piece of work.

Lola: Yeah.

Nico: And he turned General Zod into Doomsday.

Camie: Who is Doomsday?

Me: The monster that killed Superman.

I went over his history.

---

Doomsday is a destructive and primitive Kryptonian creature born from genetic experimentation that appears as the final antagonist of the 2016 DC Extended Universe film Batman v Superman: Dawn of Justice and as a flashback antagonist in 2021's Zack Snyder's Justice League.

There are in fact two Doomsdays; the original Doomsday bio-engineered by Bertron during the Last War at Krypton and recreated version of the beast by the criminal mastermind Lex Luthor in order to kill Superman inspired by the former.

He was voiced/portrayed by Robin Atkin Downes, who also voiced Abomination in Iron Man & Hulk: Heroes United, Deathstroke in Beware the Batman through motion capture, Travis Touchdown in the No More Heroes series and Medic in Team Fortress 2.

The original Doomsday, Bertron's Doomsday, was created by its namesake Kryptonian scientist in order to put an end to Last War, a conflict that took place long prior to Krypton's destruction. Bertron's Doomsday instead caused catastrophic damage and deaths that its creation would forever be deemed a curse to Kryptonian history. In fact, the monster managed to reduce one of Krypton's moons, Wegthor, into several huge chunks. Subsequently, the Council of Krypton managed to defeat Bertron's Doomsday somehow, though that might be not the end of it owing to its immense powers.

In the present day, however, a new Doomsday, Luthor's Doomsday, is created by Lex Luthor. After getting permission to access Zod's corpse, Luthor secretly cuts off one of Zod's fingerprints and uses it to activate the Kryptonian ship. There, he accesses the ship's database during which the criminal mastermind learns about the existence of the original Doomsday. Inspired to create one as the contingency plan for his goal of killing Superman if Batman is to fail, Luthor begins the forbidden Kryptonian genetic engineering technique by cutting his own hand and dripping the blood on Zod's corpse that has been inserted into the ship's surviving genesis chamber against the protests from the ship's service android.

Luthor's Doomsday is revealed by Luthor when he is confronted by Superman. Upon awakening, the new Doomsday tries punching his creator, but then Superman blocks the punch and their fight begins. Superman and Luthor's Doomsday engage in a fight, and Luthor's Doomsday quickly has the upper hand. The United States military fire missiles upon the monstrosity, who counter reacts by unleashing an electric blast to wipe them out. Superman then hurls Luthor's Doomsday up into outer space, where they are hit by a military-fired missile, to no avail. Batman intervenes using his Batwing and his FN MK 13 grenade launcher and plans to lure Luthor's Doomsday back to Gotham so he can kill it with his Kryptonite spear. Luthor's Doomsday shoots down the Batwing with his eye lasers and prepares to kill Batman until suddenly Wonder Woman shows up and uses her shield to deflect Luthor's Doomsday's heat blasts, just in time for Superman to return from space to hurl Luthor's Doomsday into explosives and therefore the three are united for battle.

Luthor's Doomsday quickly gained the upper hand on the three heroes but is finally destroyed when Superman sacrifices himself and impales a spear consisting of pure Kryptonite into Luthor's Doomsday. Desperate to get the spear out of his chest, Luthor's Doomsday impales Superman with one of his spikes in the chest. Despite this, Superman refuses to let Luthor's Doomsday kill any more innocent people and pulls upon another spike (which made the spike go deeper into his chest) so that he can fully push the Kryptonian spear into Luthor's Doomsday, and therefore Luthor's Doomsday was finally killed. Although Superman dies too, he was later revived by the Justice League with one of the Mother Boxes.

When I was done everyone was shocked!

Qin: Yeah he is that dangerous.

Nico: Yep.

Camie: Holy mackerel!

Qin: Yeah.

Maria: Eli, can you sense for Swartz's creations?

Eli: On it.

He concentrated.

Eli: There's two of them. Another Wildberry Princess and Another Bane.

Qin: Whoa we got a strong one and a fruity one.

Nico: Wow! This will be an interesting one.

Camie: Yep.

Me: First we need to destroy our megalomaniacal friend Lex Luthor.

Nico: They could be anywhere on this planet!

Me: On a planet this size they could be anywhere.

Suddenly, an insane figure came charging right at us, and with a gun in hand, but I kicked him away, and we saw who it was: it was the 2016 version of Lex Luthor, and then, we saw a massive figure approach us: it was 2016 Doomsday.

Nico: I knew we'd run into you yet again, you insane basket case, and you also brought your "pet" with you.

2016 Lex Luthor: To finally destroy you all, along with Superman and Batman.

Me: You are just as fucked up as ever Lex!

2016 Doomsday roared at Nico right at his face.

Nico: EW! You need a seriously bad breath mint.

POW!

Nico punched 2016 Doomsday in his face and knocked him down.

2016 Lex Luthor: YOU KILLED MY BY BLOWING MY HEAD OFF

J.D.!

Me: Because you deserved it. Batman sending you to Arkham was too lenient and that's why I had to kill you! You are too dangerous to be left alive!

Nico: That is for sure!

2016 Doomsday got up and roared right in Maria's face.

Maria: EW! You are disgusting!

She fired a blast of water and smashed him smashing down the ship!

Then Lex Luthor SNAPPED!

2016 Lex Luthor: KNUDSON, KNUDSON, KNUDSON, KNUDSON! The first thorn in my side was the Superman, the so-called god, and now it's his meddling helper friend J.D. Knudson! Why?! I hate you J.D. Knudson! I HATE YOU MORE THAN FUCKING LIFE ITSELF! I HATE YOU I HATE YOU I HATE YOU AND ALL YOUR FUCKING FAMILY! I never hated anyone or anything more than I hate you! Why is it always you, why must you stand in the way of my plans time after time, again and again?! I am getting so sick of Superman and your fucking family sticking their noses where they don't belong! If it hadn't been for the two of you, both the god and the so-called hero, then I would already be ruler of both the Earth and there would be no heroes! NO JUSTICE LEAGUE AND I WOULD REIGN SUPREME! YOU ALL SHOULD HAVE FUCKING MINDED YOUR OWN BUSINESS!

Our auras then exploded and flared up with incredibly explosive force and our power increased dramatically!

Me: You're fucking insane! Nico: SHUT YOUR FUCKING MOUTH! You're giving us fucking headaches!

2016 Doomsday got up and roared right in Kaito's face.

Kaito kicked him down.

I fired a blast of energy and smashed 2016 Doomsday down.

Sakura Knudson: You're never laying one hand on my brother or Nico ever again, you sick bastard.

Sakura Knudson has transformed into SUPER ANGEL UNIVERSAL ETERNAL CELESTIAL XELNAGA COSMIC ELEMENTAL FLOWER LOVE WOLF MOON PHOENIX ANGEL OF DIVINE ELEMENTAL FLOWER WOLF MOON PHOENIX JUSTICE AND DIVINE ELEMENTAL FLOWER WOLF MOON PHOENIX LOVE!

We were absolutely amazed by Sakura Knudson's Super Angel Universal Eternal Celestial Eternal Xelnaga transformation, but when 2016 Doomsday and 2016 Lex Luthor saw it, they both fell into homicidal and insane rages and 2016 Lex Luthor ordered his weapon to kill her and rip her head off, but Sakura Knudson fired powerful neon pink energy blasts with aura energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, and phoenixes at 2016 Doomsday and 2016 Lex Luthor and they exploded as they hit them, and it pushed them back, and that really pissed them off now.

Me: (Amazed) Holy… Guacamole!

Nico: (Amazed) Incredible, Sakura's transformed.

May: We're so filming this, wait 'til J.D.'s parents see this.

Sakura Knudson: (Divine Godly Elemental Cosmic Voice) Mom and Dad are so going to enjoy seeing how much I've grown.

Me: Let me join in as well, sis, I think it's time we got rid of those two for good.

I transformed into Super Angel Universal Eternal Celestial Xelnaga

Cosmic Elemental Wolf Moon Phoenix and I unholstered my J.D. Knudson's Universal Eternal Celestial Cosmic Elemental Wolf Moon Phoenix Greatsword of Universal Eternal Cosmic Elemental Wolf Moon Justice from my back.

Me: (Divine Godly Elemental Cosmic Voice) You two monsters have had this coming for a very, very long time, now it's time for you both to die and go to Hell once and for all!

Sakura Knudson and I went after 2016 Doomsday and 2016 Lex Luthor who were now completely consumed by revenge and hate for us all, and we fired extremely powerful blasts of rainbow energy, aura energy, ice blue energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at 2016 Lex Luthor and 2016 Doomsday, and they exploded with incredible power as they hit them, and we attacked 2016 Doomsday with their massive greatswords leaving scars on him.

Then, I scratched and slashed at 2016 Lex Luthor with my claws drawing more blood and leaving more scars on him, and he was being driven even more ballistic.

POW SMASH BLAM WHAM!

I punched and pulverized 2016 Lex Luthor all over!

2016 Doomsday got up and charged at us.

Nico went Super Saiyan 3 and kicked him down and blasted him all over with incredible lightning and smashed him down.

Qin and Eli fired blasts of fire and lightning at 2016 Lex Luthor and electrocuted and burned him!

Me: Your head being blasted off is not the least of your worries Lex.

POW! WHAM SMASH BAM BLAM!

I was punching and kicking 2016 Lex Luthor all over.

2016 Doomsday got up and leaped at us.

Nico jumped and smashed his ugly face in.

POW WHAM BLAM BASH BAM BAM WHAM WHAM WHAMWHAMWHAMWHAM!

I was smashing him all over and blood was dripping from his face and mouth.

2016 Lex Luthor was really mad now!

2016 Lex Luthor: You scared motherfucker? Well you should be because I'm a mad scientist and I'm about to kick your big fucking ass.

Me: I eat fucked up mad scientists like you for breakfast. And right now I'm (KICKS HIM IN THE FACE) REALLY Hungry!

I punched and smashed him all over.

2016 Lex Luthor: Fuck you asshole!

Me: Fuck YOU Asshole!

POW!

I punched him in his face and he spat out blood.

2016 Doomsday got up and roared in May's face.

She fired an ice blast into his mouth and froze it solid and kicked him in his face!

Lincoln: Whoa! This is really getting intense!

Nico: Those two really made a gigantic mistake in fighting The Cosmic God Siblings, now they're about to pay the ultimate price.

Then, we sent 2016 Doomsday into the air, and then, we prepared our combo to put an end to him.

Sakura Knudson and Me: DIVINE COSMIC ELEMENTAL WOLF MOON PHOENIX COSMIC GOD KAMEHAMEHA!

We fired two massive rainbow and neon pink energy Kamehameha waves with elemental forces, elemental dragons, elemental phoenixes, and elemental angels, and they hit 2016 Doomsday, and they explode with incredible power as they hit him, and he was obliterated. Then, when his spirit appeared, Sakura Knudson and I then drew the Judgement Kanji on his forehead, and he was erased by The Black Gates for his crimes. Then, we turned our attention to 2016 Lex Luthor, who's now gone full-blown ballistic as soon as he saw what we did, and he charged right at us to kill us. But, Sakura Knudson charged at 2016 Lex Luthor, and she punched him hard in the chest, and her hand went through his chest, and it caused blood to explode out from his back, and as she pulled her hand out from his chest, she drew the Judgement Kanji on his forehead, and he was erased forever by The Black Gates. We cheered as Sakura and I holstered our massive greatswords on our backs and powered down, and Sakura Knudson's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long neon pink wolf tails, and massive neon pink angel wings are permanent.

Me: That did it!

Qin: Good riddance!

Nico: Nice one!

Sakura Knudson: That was so awesome!

Nico: That wasn't the Doomsday from our Earth though.

Me: No thank goodness. But that version of Doomsday was destroyed forever.

Nico: What do you mean?

Me: I got a message from King Kai that he was banished to the Black Gates by an outside force.

Nico: Good. But who was it that did it?

Me: Good question.

Little did we know that someone was watching us from in a hatch behind us on the ship and it had glowing blue eyes.

It ducked and the hatch closed.

Nico: Well, no use wondering about it now.

Me: Yeah.

Eli: Lets face the Another Wildberry Princess and Another Bane now.

Laney: I'll face Another Wildberry Princess.

Xenia: Okay then.

Nico: There she is!

We saw a figure come out and it was a dark version of Wildberry Princess. It was ANOTHER WILDBERRY PRINCESS!

Me: Whoa this one is fruity.

Nico: It sure is.

Qin: Yep.

Nico: Yeah. And you are?

Another Wildberry Princess: (Australian Accent) I believe you know me Nico.

Nico: Wait. Reign McArthur!? Whoa!

She reverted back and was a girl with Aqua Blue Hair and aqua blue eyes and had aqua blue angel wings and aqua blue clothes.

Me: Another of the McArthur sisters!?

Qin: Wow!

Reign McArthur: That's right mate. I'm the gene-slammer for Regisky.

She turned into Regisky. It was the Flying Type Regi Pokemon.

Me: WHOA! So this one must be for wind.

Nico: Yep. That is cool!

She reverted back.

Reign McArthur: That's right mate. Regisky is the Wind Regi and it is amazing.

Me: All the Regi Pokemon are awesome. We're seeing some that we never saw before.

Nico: Were you the one who sent Prime Doomsday to the Black Gates? If so, thanks for that!

Reign McArthur: No that wasn't me. I don't have that kind of power.

Nico: Oh.

Reign McArthur: I wish it was. But no it's not me.

Nico: Oh okay then.

Reign McArthur: Yeah.

Laney: This is very fitting that we're up here and you are a flying Pokemon Gene-slammer.

Reign McArthur: It sure is.

Laney: Sorry we have to fight like this.

Reign McArthur: No worries.

Me: By the way is the Another Bane friendly or hostile?

Reign McArthur: Friendly and it's actually someone that both Bane and you know very well J.D.

Me: This will be interesting.

Bane: Is it someone from Gotham?

Reign McArthur: In a way.

Bane: Very interesting.

Laney: It sure is. Lets do it.

Reign McArthur: All right.

She turned into Another Wildberry Princess and Laney fired waves of leaves and fruit and smashed her down and she was back to normal and I caught the Wonder Ride Book. It was called The Girl from The Sky and the Princess of Fruit.

I went and brought her over.

Maria: Time for some backup.

She pulled out the M.O.E. Cannon!

Maria: (TURNS DIAL) BLACKWARGREYMON FORCE 6!

She summoned BlackWarGreymon, Heatstroke, Formica Regia, Dragonfly, Pirate Queen, and Geruge Doggler along with Piedmon, Puppetmon, Machinedramon, MetalSeadramon, Sagitarimon, Harpymon, Lucemon (Fusion) and MANY Digimon!

Nico: Now, we wait.

Me: We don't have to wait long.

We saw a dark figure come out and it was ANOTHER BANE! It looked like Bane but with a dark aura around it.

Qin: WHOA!

Bane: Ay caramba!

Qin: Wow this one is strong.

Lola: It sure is.

Another Bane: (In a girls voice) (Spanish Accent) This will be a fight that's especial.

Bane: That voice.

Me: Wow!

She reverted back and it was a girl that had a black shirt and black leather pants and had black hair and had green eyes and she had the same kind of Venom Pumper into her arm.

Me: Carmen Diego A.K.A. Lady Carnage!

Carmen Diego: Si J.D. and father you are looking good.

Bane: Carmen miha you're looking great too.

We were amazed. We had no idea that Bane was her father!

Me: Wow! Carmen we didn't know Bane was your father.

Carmen Diego: It's a long story.

Me: Were you put through the same supersoldier project like Bane was?

Carmen Diego: That's right. It was called Project Tomyris.

Me: Named after the Iranian Queen that defended the Achaemenid Empire from an Attack lead by Cyrus the Great in 530 B.C. And she is also the one that killed him back then.

Carmen Diego: That's right. She is the ultimate Female Warrior. It was a chemical plan to turn normal people into supersoldiers. It was a drug based on the Venom Steroid called Carnage.

Qin: WHOA!

Carmen Diego: I then went into business for myself as an assassin. But I got after the most dangerous of crime lords and criminals. I work as a freelance assassin for the government. Price per job is $10,000,000.00.

Me: Whoa! That's an impressive amount to put a hit on someone.

Nico: No kidding.

Carmen Diego: Yeah it sure is. Like my father I too have a photographic memory and I analyze my foes movements and I break them.

Nico: Great minds think alike.

Me: Like father like daughter as they say.

Kaito: (gets out Ryusoulger gear) Did Swartz promise you anything?

Zocks: (gets out Kiramager gear) Because we can grant it instead.

Carmen Diego: Just to go after this guy.

She showed a wanted poster of a man that I was after for years.

Me: (GASP) Frederico Giordano Corpalli, one of the most dangerous and most evil Sicilian Mafia Crime Lords in the world. I've been trying to capture that scumbag for years.

Nico: Wow!

Carmen Diego: That's right. I was offered $500,000,000,000 by the government and Interpol to destroy him. Double to capture.

Me: Wow! What a hit. But we will gladly help you with that.

Kaito got a Dino Fury Sword and Zocks got a Kiramai Sword.

Carmen Diego: Gracias J.D.

Another Bane: That is buena Laney.

Nico: (gets out Bane's Ridewatch) Your dad's been a great friend to us. And he was one of the first Masters of Evil members.

Me: He sure has and he is a very strong and very formidable foe for Batman.

Qin: Yeah.

Nico activated the ridewatch and he buffed up to amazing strength!

Nico: (Arnold Schwarzenegger accent) Get ready because I'm going to smash (Clap) you up!

He jumped her and smashed her down with a powerful punch!

Qin: Yeah!

Nico: (gets out Buff Frog's Ridewatch) Let's get froggy!

Nico activated it and jumped and smashed her down.

Qin: YEAH! SMASH!

May: Lets see what this does. (ACTIVATES SHIVARAKAH'S RIDEWATCH)

She fired waves of energy and blasted her down.

May: Now for this one. (ACTIVATES NINA WILLIAMS RIDEWATCHI)

She fired waves of energy and smashed her all over the place.

Nico: OH YEAH!

Maria: Time to see what this one does. (ACTIVATES DUCK KONG'S RIDEWATCH)

She grew giant and smashed Carmen all over.

Maria: I hope I didn't damage the ship at this size.

She shrunk down.

Maria: (Stomach Growls) Whoa I worked up an immense appetite.

Nico: You must be very hungry.

Maria: (gets out Two Headed Gorilla's Ridewatch) I'll worry about that later.

She activated it and then A SECOND HEAD POPPED OUT OF HER!? WHAT THE FUCK!

Me: WHAT THE FUCK!?

Maria: What the!? (SCREAMS) Who the fuck are you!?

Maria 2: I'm another you silly.

Maria: You're my silly side of me.

Maria 2: That's right.

They both fired waves of water and smashed her down.

Me: I've heard of Two Heads Being Better Than One but this is fucking ridiculous.

Nico: No shit!

Her silly head vanished.

Pyros and his team consisting of Boxcars, Gargantua Blarrg, Señor Cayenne, Vorash And Firebird (Godzilla of Hanna Barbera) then came.

Nico: Nice team, Pyros!

Pyros: Thanks Nico.

Me: Whew! Toasty and hot.

Qin: Yep.

Kara: Time for me. (ACTIVATES BUFF FROG'S RIDEWATCH)

She buffed up and jumped and smashed Another Bane down.

Qin: OH YEAH!

Maria: Where's the next Gene Slammer?

Me: I don't see anything. In a planet as big as this it could be anywhere.

Nico: Yeah.

But then a Staraptor flew in!

Me: Whoa a Staraptor!

Nico: Cool!

Staraptor: (In a girls voice) This is gonna be so awesome.

Nico: Amelia Earhart LI!? Whoa!

Me: Wait the 51st!? Whoa!

She reverted back and was a girl with orange hair and brown clothes and she had a red aviator scarf around her neck.

Amelia Earhart LI: It's shocking huh. But I am the direct descendant of Amelia Earhart.

Me: Wow!

Amelia Earhart LI: Yep. I came from the year 8212.

Me: WHOA!

Lola: Wow! That's the 83rd Century!

Me: That's 6,189 years from now! That is amazing!

Nico: It sure is!

Laney: Yeah!

Me: Taylor is going to flip hearing about this one.

Amelia Earhart LI: I know. I got this.

She fired a wave of wind and smashed Carmen down and I caught the ridewatch and purified it and I went and brought Carmen over.

Kara: What's your favorite memory of Nico?

Amelia Earhart LI: My favorite is when I showed Nico my favorite planes that I love flying all from the 20th to the 83rd centuries.

Me: Wow! That is so cool!

Eli: What is the 83rd Century like?

Amelia Earhart LI: Really advanced and technologically incredible.

Me: Wow!

Nico: Yep.

Nico and Amelia hugged.

Nico: I've really missed you.

Amelia Earhart LI: Me too Nico. Me too.

Me: Hey guys I noticed that Fluttershy is not with us. What's going on?

Twilight Sparkle: She said she has some things to take care of at her cottage.

Me: Odd. Not like her to miss a good rescue.

Qin: Very strange.

Camie: Yeah.

---

After Nico's rescue, Lincoln and his harem, Me and my harem,

Sakura Knudson, Stellar, Stardust, Ken Knudson, Nico and his harem, Clyde and his harem, Naruto and his harem, Ed Cowart and his harem, Ets and his harem, Gage the Hegehog, Sasuke, Itachi, and their family, Sakura and her family, Qin, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., Rita, Harriet Loud, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Yakko, Cherry Hunter, Cammy, Milan Flare, Yoko, Wakko, Poison, Pyrrha Alexandra, Alice, Mimi Kitagami, Dot, Haneru Tobitatsu, Sir William the Good, Lady Mary the Good, The Z-Fighters, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Baloo, Sora, Donald, Goofy, Roxas, Xion, Riku, Kairi, Lea, Elena, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, Juniper Lee, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, Anatankha, The Bakugan Battle Brawlers, The Power Rangers, The Kamen Riders, Izuku and his friends, The Goths of Darkness, Norbert and Daggett, Heathcliff, Riff-Raff, Hector, Wordsworth, Mungo, Cleo, Leroy, Timmy Turner, Cosmo, Wanda, Poof, Trixie Tang, Sapphire, Emerald, Chester, A.J., Sanjay, Elmer, Chloe Carmichael, Tootie, Universe 666 Lincoln, his good sisters, parents, harem, and Guardian Angels, Universe 666 Me, Universe 666 Varie, Layla Williams, Nathalie Sancoeur, Dark Spore Kids, Monarus, and Oberus are heading to Connecticut, and not only is Lincoln going to rescue the seven girls here, but we're going to deal with another old enemy of Becky Long and her sisters: a mad scientist named James Carver, an intelligent student and he was also in the same school as Lori and Becky Long. But, Becky Long knew of his true nature: he was really a mad scientist who wants nothing more than world domination, and he caused a lot of havoc and destruction with his creations: everything from gigantic robots to mutant monsters created by his brand of mad science. But, his last plot for world destruction was brought to an end by Becky Long and her sisters, and he was taken away by the cops and sentenced to Life In Prison without any possibility of parole. But, now years later, James Carver has broken out of prison, and he wants revenge on Becky Long and her sisters for ruining his plans for world domination long ago, and the person responsible for breaking him out was the deranged, evil, psychopathic, out-of-control, deranged lunatic and enemy of Buster Bunny and his friends from Acme Acres, Damian Constantine.

Lincoln: Ah, we're here in Connecticut, and I know what we're going to do here, not only am I going to rescue the seven girls here, but Becky, Elsa, Harley, Jolene, you girls aren't going to like this: another old enemy of yours has come back, this time, it's mad scientist James Carver, and he's broken out of prison.

Becky Long: What?! That mad scientist freak's broken out of prison!

Elsa Long: Ugh, that bastard just doesn't know when to quit.

Me: Great, another fucked-up mad scientist is on the loose again?!

Nico: Though I can't say I'm surprised though, Becky and her sisters do know a lot of mad scientist freaks who'd caused a shit ton of trouble, same with The Huntington Sisters. Lincoln, what can you tell us about this freak?

Lincoln: You're not going to like it. James Carver was an intelligent student and he was also in the same school as Lori and Becky Long. But, Becky Long knew of his true nature: he was really a mad scientist who wants nothing more than world domination, and J.D.'s right, that mad scientist caused a lot of havoc and destruction with his creations: everything from gigantic robots to mutant monsters created by his brand of mad science. But, his last plot for world destruction was brought to an end by Becky Long and her sisters, and he was taken away by the cops and sentenced to Life In Prison without any possibility of parole.

Becky Long: And now years later, James Carver has broken out of prison, and he wants revenge on me and my sisters for ruining his plans for world domination long ago.

Lincoln: And none of us are going to like this bit of news: the person responsible for breaking him out was the deranged, evil, psychopathic, out-of-control, deranged lunatic and enemy of Buster Bunny and his friends from Acme Acres, Damian Constantine.

Eli: Not again!

Sakura Knudson: He really is that desperate to kill us all before The Ridonculous Race. Although I'd like nothing more than to end him here and now, it would be a shame though, we won't get a chance to piss him off even more.

Lincoln: That's right, and I have a bad feeling we'll be running into that psychopath very soon, but we'll send him back to The Netherworld and with a curse that'll keep him there until the day of The Ridonculous Race, and I want to thank you and your team for joining us, Layla.

Layla Williams: You're welcome, Lincoln.

Suddenly, we saw B.E.S. Covered Core and Shugabush, Shugavox, Shugarock, Shugajo, Shugabass, Shugabuzz, and Shugabeats appear before us, and with them are the seven girls.

Nico: (Whistles) B.E.S. Covered Core and Shugabush, Shugavox, Shugarock, Shugajo, Shugabass, Shugabuzz, and Shugabeats from My Singing Monsters?! Wow!

Shugabush, Shugavox, Shugarock, Shugajo, Shugabass, Shugabuzz, and Shugabeats: (Girls' voices) (Irish Accent) That's right.

B.E.S. Covered Core: (Girl's voice) And we got the girls away from that mad scientist psychopath, James Carver, and I really pissed him off already for you, Becky, Elsa, Harley, and Jolene.

Lincoln: (Gasps) That voice from B.E.S. Covered Core, I knew it was you, Milan Long, and those voices from Shugabush, Shugavox, Shugarock, Shugajo, Shugabass, Shugabuzz, and Shugabeats, I knew we'd run into you, Angela Wei, Brianna Wei, Camille Wei, Daphne Wei, Flora Wei, Grace Wei, Helga Wei, and Iris Wei.

?: BECKY LONG, YOU AND YOUR FUCKING SISTERS WILL PAY FOR RUINING MY PLANS FOR WORLD DOMINATION!

We then saw our target: a young man with brown hair, red eyes filled with hate, and he had on an orange prison jumpsuit, it was former high school student now convicted world domination-crazed mad scientist, James Carver, and boy was he outright pissed off.

Max Goof: I'd save the catching up for later, guys, we got business to take care of.

Lincoln: Yeah. Time to send you back to prison for good, you mad scientist freak!

Then, Lincoln sprouted out a tentacle with a leech-like mouth on the tip, and as he latched it onto James Carver's head, Lincoln sucked out his mind and brain, and he gained a massive intelligence boost as he also gained James Carver's memories, and he saw every last one of his crimes in his plots to take over the world. When Lincoln was done sucking out all of James Carver's mind and brain, the tentacle removed itself and went back into Lincoln, and we saw that James Carver's mind was gone and he was now really dumb and brainless, and he was tied up with a rainbow energy straitjacket and beamed back to prison. We cheered as we holstered our weapons and powered down.

Lincoln: That'll teach you never to come after Becky and her sisters again, you mad scientist freak. (To Milan Long and Angela Wei, Brianna Wei, Camille Wei, Daphne Wei, Flora Wei, Grace Wei, Helga Wei, and Iris Wei) And it's so good to see you again, Milan Long and Angela Wei, Brianna Wei, Camille Wei, Daphne Wei, Flora Wei, Grace Wei, Helga Wei, and Iris Wei.

Milan Long reverted back to normal, and she's a beautiful girl with long brown hair, brown eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful brown angel wings, she's dressed in brown clothes that look like Becky Long's, and long white long-sleeved trenchcoat with earth and space ships on the coattails and on the back is B.E.S. Covered Core, and holstered on her back is a massive B.E.S. Covered Core-themed greatsword with embedded brown gems and B.E.S. Covered Core etched on the 7'0" massive, wide, double-edged brown blade, large B.E.S. Covered Core heads for the crossguard, large brown gems embedded in the hilt, longer midnight black handle, four large B.E.S. Covered Core heads and large brown gem on the bottom of the large B.E.S. Covered Core heads for the pommel.

And Angela Wei, Brianna Wei, Camille Wei, Daphne Wei, Flora Wei, Grace Wei, Helga Wei, and Iris Wei reverted back to normal, and they're eight beautiful girls with long green hair, green eyes, they were tall at 6'5" in height, they had the bodies of goddesses, they had massive and beautiful emerald green angel wings, they're dressed in emerald green clothes, and long white long-sleeved trenchcoats with shamrocks on the coattails and on the back are the shamrock-themed My Singing Monsters they got Gene-Slammed into: Shugabush, Shugavox, Shugarock, Shugajo, Shugabass, Shugabuzz, and Shugabeats, and holstered on their backs are massive Shugabush, Shugavox, Shugarock, Shugajo, Shugabass, Shugabuzz, and Shugabeats-themed greatswords with embedded green gems and Shugabush, Shugavox, Shugarock, Shugajo, Shugabass, Shugabuzz, and Shugabeats etched on the 7'0" massive, wide, double-edged emerald green blade, large Shugabush, Shugavox, Shugarock, Shugajo, Shugabass, Shugabuzz, and Shugabeats heads for the crossguard, large green gems embedded in the hilt, longer midnight black handle, four large Shugabush, Shugavox, Shugarock, Shugajo, Shugabass, Shugabuzz, and Shugabeats heads and large emerald green gem on the bottom of the large Shugabush, Shugavox, Shugarock, Shugajo, Shugabass, Shugabuzz, and Shugabeats heads for the pommels.

Milan Long: You too, Lincoln.

Angela Wei, Brianna Wei, Camille Wei, Daphne Wei, Flora Wei, Grace Wei, Helga Wei, and Iris Wei: (Irish Accent) Aye, it's been a long time.

Lincoln went up to Milan Long and Angela Wei, Brianna Wei, Camille Wei, Daphne Wei, Flora Wei, Grace Wei, Helga Wei, and Iris Wei and he hugged them, and Milan Long and Angela Wei, Brianna Wei, Camille Wei, Daphne Wei, Flora Wei, Grace Wei, Helga Wei, and Iris Wei are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you nine since you were seventeen, and as you can see, I really grew a lot since then.

Milan Long: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness.

Angela Wei: (Irish Accent) You've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we also met your familiars, and they are really awesome.

Nico: Whoa, Lincoln, you know these nine girls?

Lincoln: Indeed I do, Nico.

Becky Long: And so do we. The B.E.S. Covered Core Gene-Slammer is Milan Long and one of my sisters, she's Lincoln's Guardian Angel from Michigan, and like me, Milan Long is a very strong and powerful technomancer, and like Becky, she was pronounced braindead at age 4 and the doctors came up with a very risky and dangerous operation. They replaced her dead brain with an artificial Positronic Brain, and it gave her incredible powers of Technokinesis and it also turned her mind into a very incredible computer capable of storing an infinite amount of information and unleashing the full 100% of her brain power.

Nico: Whoa!

Becky Long: And when she got Gene-Slammed into B.E.S. Covered Core, she also gained powerful earth powers, and just like many of us, Milan is also in Lori's school and she's protected Lincoln from the worst of Lisa Loud's fury and almost got Lisa disowned and sent to a nuthouse in the federal prison system forever as well as have all of her science stuff confiscated by the scientific community forever.

Milan Long: I've hated that heartless emotionless mad scientist with a passion for what she did in subjecting her little brother and her family to her mad experiments.

Lincoln: Well, you're not going to like this bit of news, Milan: J.D. found out the person responsible for turning Lisa into the heartless, emotionless mad scientist, you, your eldest sister, and your other sisters have hated was none other than Killjoy Huggins.

Milan Long: (Gasps) What?!

Elsa Long: It's all true, Milan. Killjoy Huggins, the Dark Side of Principal Huggins, turned Lisa, Lori, Lynn, Lola, and Luan into those heartless monsters by injecting them with a Dark Side Creation Serum when Lincoln was in Third Grade, so he can get rid of Lincoln once and for all. He did this and right under our noses the whole time.

Lincoln: But, you don't have to worry, we removed that killjoy from Principal Huggins, and we dealt him a massive payback for all the crap he's done to me.

Harley Long: And Lincoln sent him to The Black Gates forever, thus ending the source of his pain and suffering for good.

Milan Long ran up to Lincoln and hugged him tight, and he hugged her as she cried hard into his bare chest.

Eli: Killjoy Huggins really did a lot of damage on that day.

Lincoln: Becky's sisters had no idea that miserable killjoy did all that under their noses, and all to kill me because he hated me. Now, I'm really glad I killed him, he's one person who deserved to die for everything he put me through.

Alaina Ceolrince: (Irish Accent) Aye, that's true. And the Shugabush, Shugavox, Shugarock, Shugajo, Shugabass, Shugabuzz, and Shugabeats Gene-Slammers are Angela Wei, Brianna Wei, Camille Wei, Daphne Wei, Flora Wei, Grace Wei, Helga Wei, and Iris Wei, known collectively as the Wei Sisters, these eight girls are Lincoln's Guardian Angels from Ireland and classmates in Gym and Music, and the last eight members of The Musical Athlete Gang. They practiced sports alongside Lynn and Luna, and they and Lincoln would love to swim as well. Surprisingly, they alongside Luna and Lynn secretly arranged a date between lincoln and Eva Wei at a swimming pool and that was before Ronnie Anne came to the picture.

Me: Wait, so this means…?!

Eva Wei: Yes, I lived in Royal Woods at the time before my family and I moved back to Japan, and I did meet Lincoln way before Ronnie Anne came in.

Ronnie Anne: They were really nice people, but then, we found out what happened to her Mom and her Dad becoming a cold heartless person only dedicated to his work, and that really hurt her bad.

Nico: Jeez.

Alaina Ceolrince: (Irish Accent) Yep, and Lincoln made the Wei sisters beautiful necklaces, and to show thanks, they each kissed Lincoln on the lips. And here's an added surprise, they're also the sisters of Lincoln's future wife, Eva Wei, and they hate the jerks with a passion, notably Flip, Lewis Travolta, The Wet Bandits, and even NO MA'AM.

Nico: Those jerks better not have done anything like what we heard from Chikara yesterday, we still couldn't get out that image of what Max did to Brad and Lewis Travolta.

Me: He actually focused more on Brad, as if finding out he was a low-life cheat and sore loser wasn't bad enough, but to find out he's also downgraded to a filthy pervert, he wound up getting blood on his hands when he brutally beat him down yesterday.

Eva Wei: If they so much as tried anything, I'm gonna… !

Angela Wei: (Irish Accent) Easy, sis, we'll worry about that later. (To Lincoln) Oh, Lincoln, there's something we also want to give you.

Lincoln: Let me guess, you, Brianna, Camille, Daphne, Flora, Grace, Helga, Iris, and Milan want to give me your blood, right, Angela?

Milan Long: How'd you guess what we were about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Angela Wei: (Irish Accent) Ooh, I knew it was a matter of time before you'd start marking your future wives.

Lincoln first went up to Milan Long, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Then, Lincoln went up to Angela Wei, Brianna Wei, Camille Wei, Daphne Wei, Flora Wei, Grace Wei, Helga Wei, and Iris Wei, and he hugged each of the Wei Sisters in his abnormally massive and powerful muscular arms, he slowly leaned his head down on their necks, and he slowly bit them and he fed on their blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Angela Wei: (Irish Accent) You're still just as gentle as ever when you feed on one of your Guardian Angels, Linky.

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Milan Long and Angela Wei, Brianna Wei, Camille Wei, Daphne Wei, Flora Wei, Grace Wei, Helga Wei, and Iris Wei with brown and emerald green gems on the gold lightning bolts and brown and emerald green crystal links from their merged Crystal Necklaces of The Buddha along with two Elemental Thunderbird Chokers of Eternal Love on their necks.

Milan Long: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Milan Long, Angela Wei, Brianna Wei, Camille Wei, Daphne Wei, Flora Wei, Grace Wei, Helga Wei, and Iris Wei.

Milan Long, Angela Wei, Brianna Wei, Camille Wei, Daphne Wei, Flora Wei, Grace Wei, Helga Wei, and Iris Wei had a smile on their faces and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around them, and he leans down to each of their face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the seven girls, and when Lincoln saw who they were, he immediately recognized them. The seven girls are Terra, Vega, Sirius, Sargas, Antares, Cu Sith, and Alpha Crucis from Starly Girls.

Lincoln: Oh wow, it's Terra, Vega, Sirius, Sargas, Antares, Cu Sith, and Alpha Crucis from Starly Girls.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Terra: Yes, we're okay, thanks to you.

Then, when Terra and the other six girls saw who it was that saved them from James Carver, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, his own version of He-Man's chest harness with colored gems on the orange straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted search Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made six clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Terra: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Terra, Vega, Sirius, Sargas, Antares, Cu Sith, and Alpha Crucis with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and they were shocked to find out the villain we went after was James Carver, once an intelligent high school student, but was exposed by Becky Long as a mad scientist who wanted nothing more than world domination, and he caused a lot of havoc and destruction with his creations: everything from gigantic robots to mutant monsters created by his brand of mad science for years. But, his last plot for world destruction was brought to an end by Becky Long and her sisters, and he was taken away by the cops and sentenced to Life In Prison without any possibility of parole. But, now years later, David Anthony broke out of prison with revenge on Becky Long and her sisters for ruining his plans for world domination on his mind, and the person responsible for breaking him out was the deranged, evil, psychopathic, out-of-control, deranged lunatic and enemy of Buster Bunny and his friends from Acme Acres, Damian Constantine.

But, when Lincoln showed everyone what we did in beating that mad scientist freak down and Lincoln finishing him off by sucking out his mind and brain and turning him into a brain-dead drool monkey and sent back to prison for good, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln, Milan Long, and the Wei Sisters have a lot of catching up to do, now that they're back in town.

Maria: That's one less fucked-up mad scientist and another enemy of The Long Sisters defeated for good.

Lincoln: You got that right, and like I did to David Anthony, I made James Carver a brainless drool-monkey when I sucked out his mind and brain.

Nico: Yeah, but from what we'd seen in your rescues, I thought it would be a pattern of former high school students who were exposed as mad scientists.

Lincoln: Normally, that would be true, but not on my rescue two days ago, because the villain we'd taken down was Avalon's former sister, Lisa, her ex-mom, and her ex-relatives on her ex-mom's side.

Me: You said it. But, if we do run into any more mad scientist fuckers, I think you know what you're going to do to them, Lincoln.

Lincoln: Yep, suck their minds and brains dry, and turn them into brainless drool monkeys and send them back to prison.

Suddenly, we heard a loud inhuman demonic scream of rage and fury, and we knew where and who it came from: Damian Constantine, and he was now really really pissed off now.

Lincoln: Nice try, you insane psycho, but it won't be long: come the day of The Ridonculous Race, your time will soon be up.

---

After taking down James Carver and sending him back to prison for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Milan Long and the Wei Sisters saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Milan Long: Whoa, I was right that Lincoln's really grown into a 17-year-old, 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Angela Wei: (Irish Accent) He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Brianna Wei: (Irish Accent) That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Milan Long: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Milan, Wei Sisters, what's the stories you have on why you hate Flip, Lewis Travolta, The Wet Bandits, and NO MA'AM with a blazing passion?

Angela Wei: (Irish Accent) I was hoping you would ask that, but here goes. You already know without a doubt that Flip, Lewis Travolta, The Wet Bandits, and NO MA'AM are absolute scum, but one day, we were all with Lincoln, and we were doing some shopping for Mrs. Loud, since Luna, Leni, Laney, Lana, Lucy, and Lily were with their friends, and Lori, Lynn, Lola, Lisa, and Luan were grounded for another attempt on Lincoln's life because of their dark sides. But, as we were getting ready to head back to The Loud House, Lincoln caught the stench of a bunch of unwashed pigs and smelly cheapskate, and we saw who it was coming after us: Flip, Lewis Travolta, The Wet Bandits, and NO MA'AM. We had absolutely had it with them, so we pounced on them and pummeled them into the dirt, and Lincoln tied them up with red energy ropes fired from his massive white angel wings, and we called the cops and they got taken away.

Nico: I expect this sort of thing from Flip and Lewis Travolta, but The Wet Bandits and NO MA'AM also joining in as well? Those guys are literally that stupid!

Milan Long: They sure are, and that's why Flip and Lewis Travolta are two of the biggest jerks that Royal Woods has ever had the displeasure of knowing. Okay, now for my story, I make it no surprise I've hated Lisa with a blazing passion, because of all the hell she put Lincoln through with her trying to kill him with her insane experiments. One day, Lincoln and I were busy doing some homework at our house, since The Loud House isn't a perfect place for our homework. But, then, we saw something crash into my room, it was a smoke bomb, we escaped from the room, and we heard the sound of insane laughter. We looked out the living room window, and we saw who it was that did the dirty deed: it was Lisa, and she had her army of robots with her again, and she was out to capture and kill me by removing my brain and kill Lincoln. We'd absolutely had it up to hear with that heartless monster, and I used my technomancy powers and destroyed every last one of Lisa's robots, and we tied Lisa up with energy ropes Lincoln fired from his angel wings, and we dragged Lisa back home, and after we told Mr. and Mrs. Loud of what Lisa tried to do to us, she was grounded for sixteen weeks and she was thrown in a metal cage and tied up in a straitjacket, and she was screaming bloody revenge on us, but Lily whacked the cage with a mallet and Lisa crashed onto the floor.

Nico: Jeez, this was just like Becky's ordeal with Lisa. But, it also had the same end result: Lisa got her comeuppance and she got grounded again.

Me: Yeah, Lisa really was insane before we got rid of her Dark Side.

Lincoln: And I warned her: if she ever tried that same stunt with Becky's sisters, I was going to make her pay for this in the worst way imaginable: I'll call the Scientist Committee and they'll confiscate all of Lisa's lab materials and chemicals, along with rewards and certificates, and she'll be declared an enemy of the state.

Luna: And he's serious about that. Becky has friends in the scientist committee and with one phone call, Lisa will lose everything, and she'll be on her way to the nuthouse for the rest of her life. But, Lisa didn't even listen again, and she was really playing with fire: and in this case, that fire is our bro.

We got a shower afterwards, and then, Lincoln, BanchoLillymon, Dianamon, Mervamon, Venusmon, Kuzuhamon, and Lotosmon are heading to Gelato Beach.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And BanchoLillymon, Dianamon, Mervamon, Venusmon, Kuzuhamon, and Lotosmon were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that BanchoLillymon, Dianamon, Mervamon, Venusmon, Kuzuhamon, and Lotosmon had feelings for Lincoln, and he had the very same feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant.

BanchoLillymon: Wow, so this is Gelato Beach, it sure is beautiful.

Lincoln: I've been here to Gelato Beach before, BanchoLillymon, and it's always beautiful, and it's perfect for our first date. Shall we?

Lincoln, BanchoLillymon, Dianamon, Mervamon, Venusmon, Kuzuhamon, and Lotosmon dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and BanchoLillymon, Dianamon, Mervamon, Venusmon, Kuzuhamon, and Lotosmon got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to BanchoLillymon, Dianamon, Mervamon, Venusmon, Kuzuhamon, and Lotosmon, and they hugged the girls in their abnormally massive and powerful muscular arms, and BanchoLillymon, Dianamon, Mervamon, Venusmon, Kuzuhamon, and Lotosmon placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Gelato Beach, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of BanchoLillymon, Dianamon, Mervamon, Venusmon, Kuzuhamon, and Lotosmon with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now BanchoLillymon, Dianamon, Mervamon, Venusmon, Kuzuhamon, and Lotosmon are now part of your harem.

Me: Whoa!

T.K.: Okay, just how many female Digimon had fallen in love with Lincoln, besides Ranamon and her sisters?

Haruki Kamiya: (Snickers) I don't think you want to know, T.K.

Nico: Yeah, if you or any of us ever found out, it would blow our minds. So, no one blab, and that means you too, Plucky.

Plucky Duck: What did I do?!

Lincoln: You do have a history of opening your big beak.

Ronnie Anne: And we'll also keep an eye on Abuelo so that way he doesn't blab as well, along with Sergio.

Maria Garcia: (Spanish Accent) We've got Sergio under control, and if he ever opens his big fat beak, he's a dead parrot.

We saw that Maria Garcia and the other Fabled Gene-Slammers have their imps trained to attack Sergio if he ever opens his big fat beak, and that made our troublemaking parrot gulp in fright.

---

Later it was time for Lewa's Ambassador Mission.

Me: I have a feeling we're going to meet the last of the Another Omnitrix Aliens this time.

Nico: Yeah me too!

William: Anyone else want to go with Lewa? Besides Charlie Brown, Snoopy, Andy, and Rodney?

Poromon: Me and Tsukasa will go!

Skipper: And me and the Penguins will go too.

Lincoln: And me and my siblings will go too.

Qin: Awesome.

Me: This is gonna be fun.

Nico: Yep. Lets go.

We were off to Normandy.

* * *

We later arrived.

Valiant: Hey guys!

Lewa: Valiant, meet Charlie Brown and Andy.

Charlie Brown: Awesome to meet you guys! I'm Charlie Brown.

Me: You may know him from the iconic shows and books and movies.

Valiant: Awesome! It's an honor to meet you Charlie.

Charlie Brown: Same here.

Andy: And my name is Andy.

Me: Andy was from Applejack's Ambassador missions last year.

Applejack: It's true.

Andy: Awesome to meet you guys.

Valiant: Same here.

Tsukasa: I'm Tsukasa and I'm the leader of the Decade Riders.

Me: Tsukasa's series Decade is to commemorate 10 years of Kamen Riders in the 21st Century.

Valiant: Wow! That is awesome!

Me: It sure is.

Poromon: I'm Poromon.

Nico: Poromon is my partner Digimon.

Poromon: It's an honor to meet a fellow bird.

Valiant: Same to you Poromon.

Skipper: We are the Penguin Troop. I'm Skipper and this is Private, Kowalski and Rico.

Kowalski: Pleasure to meet you.

Private: Same here.

Valiant: Awesome to meet you guys.

Lincoln: And I'm Lincoln and these are my siblings.

Lori: Literally awesome to meet you. I'm Lori, the Eldest.

Leni: I'm Leni.

Luna: Sup dudes. I'm Luna.

Luan: I'm Luan.

Lynn: I'm Lynn Jr.

Linka: I'm Linka.

Liberty: I'm Liberty.

Lyra: I'm Lyra.

Lee: I'm Lee.

Lucy Loud: I'm Lucy.

Lucille: (Scottish Accent) Hello I'm Lucille.

Laney: My name is Laney.

Lana: I'm Lana.

Lola: I'm Lola.

Lisa Loud: Greetings. I'm Lisa.

Lily: And I'm Lily. Awesome to meet you guys.

Valiant: Same here and wow that is a lot of kids.

Me: I know and their mom and dad all thought it would be cute if their names all started with the letter L.

Eli: Yep. Oh and this little guy is Leo.

Leo: Uwa.

Nico: He's the youngest.

Valiant: He's so cute.

Me: Yeah he sure is. (Whispers to Valiant) Their family has never been one that believes in condoms.

He snickered at that.

Valiant: Lincoln, you're not really going to abandon Gotham Royal York for the Ridonculous Race, are you?

Lincoln: Valiant do you know how many times the people that we protected with our lives ended up turning against us these last few years. First, they sided with Burns against us. And that led to the creation of several Terrorist groups out to kill us. Then, they sided with Team Buktu. And that led to me losing control over my emotions. Not to mention that we're sometimes pressured to go back in time to destroy. all evil. And the icing on the cake? Yesterday, Nico thought me, Laney, JD, Girl Jordan, Luan, Luna, Lily, and Lisa were making the Hitotsukis. After everything we've done for the Multiverse, we're rewarded with betrayal. And I've had enough of it to last an eternity. How many more times do we have to be punished because of our own fellow humans' mistakes before the war against evil is truly over?

Valiant: Well, that's the thing. The war against evil might not be truly over. There will always be 1 or 2 villains causing havoc. And what do you think being human means? That's what they do. They makes mistakes. I know I might not be human. But when I signed up for this army, that was probably a mistake. But from that mistake, I received the greatest treasure I could ever ask for. Bonds with my friends. What I'm trying to say is that we all make mistakes, Lincoln. But sometimes from those mistakes, come the greatest rewards. Sometimes you just need to have faith, in yourself and in others. Isn't that what you have for J.D., your sisters and the others? I'm not going to say that I've been with you guys since the beginning, or that I fully understand what you're going through. But I do know, that after seeing everything you guys have done for us, I still have faith in you. So even if you got no faith in us, I'm asking you to do what I do. I'm asking you to look at all the junk and see the treasure. All I'm asking is you to have a little faith in me and the rest of the Multiverse in who we can be.

Lincoln: Okay then.

Me: Good advice Valiant.

Valiant: Thanks.

Me: You're welcome.

Valiant: So what do you say? Up for giving your fellow humans another chance?

Lincoln: I sure am.

Me: Lincoln we will always be human whether you have powers or not you are still and always will be human. Never forget that.

Lincoln: I won't. Thank you.

Me: You're welcome.

Valiant: Awesome. Hey where's Fluttershy?

Me: Oh she is back at her cottage. I don't know what's up.

Twilight Sparkle: Something is really bothering her and we don't know what it is.

Lola: Yeah.

Valiant: I hope she's okay.

Gutsy: So even after what Valiant said, you're still going through with the Ridinculous Race?

Me: Yeah but it's mostly for fun and we love the thrill.

Nico: Besides our defense grid will take care of everything while we're gone.

Valiant: Oh right. I forgot about that.

Me: I know you guys are concerned about us.

Poromon: You know, you guys are pretty friendly. Unlike a pigeon I had to deal with.

Valiant: Really?

Poromon: Yeah. It's not a good sight.

Me: Yeah.

Nico: It's not a good thing we like talking about.

Valiant: Oh.

Nico: And we also have to deal with a certain bird Ronnie Anne's familiar with.

Me: Yep.

Lori: His name is Sergio and he is literally a party animal.

Skipper: Yeah he and Sancho are total party fiends.

Eli: They love to party all night.

Pinkie Pie: And not the kinds of parties that I enjoy.

Koealski: Sancho's actually your archenemy now. Here's his Rider Card

Me: And your legend items.

I gave them to him.

Valiant: Wow! That is cool! Thanks.

Me: Sancho is a pigeon. But he is deformed. He is missing some feathers and has one leg and has a bruised eye.

Nico: Yeah we don't know how that happened to him.

Twilight Sparkle: But he is one crazy party bird.

Laney: He doesn't drive Ronnie Anne and her family crazy though.

Me: Sergio does that.

Nico: At the end of this mission, we should give Von Talon a warning. We haven't done anything about him so far

Me: No but we will and end badly for him.

Lola: Yeah no kidding.

Nico: But we're ready for that falcon featherhead.

Me: We sure are.

Nico: Now, have you guys seen the last Omnitrix Aliens?

Valiant: Yeah one that looks like Mole-Stache and one that looks like Shadowman.

Me: Those must be the only two left.

Nico: Yep and then we'll have officially covered all the Omnitrix Aliens.

Eli: Yep. They are 32 klicks to the south.

Lewa: They were fun while they lasted. But we also Have the Another MOE members to worry about

Me: Yeah it was really fun. No reason we can still encounter gene-slammers for the predators that they have for them.

Nico: That's true. Lets head out.

We were off.

We were flying to the south.

Albedo turned into Negative Shadowman.

Negative Shadowman: Valiant, did you by any chance use the Black Gates on the Prime Version of Doomsday?

Valiant: No sorry.

Me: Boy this is a mystery.

Eli: It sure is.

Applejack: Boy howdy it sure is.

We were flying.

Lincoln was thinking about Fluttershy.

Lincoln: I'm really worried about Fluttershy guys.

Valiant: Lincoln, I'm sure Fluttershy's fine. She's probably just feeding Angel and the rest of her animals.

Lincoln: Yeah you're right.

Me: Lincoln's just looking out for all his future wives like many of us have to.

Nico: Yeah it's part of what we do.

Me: Yeah.

We arrived at the spot where they were last seen.

Me: Hmm.

Albedi turned into Negative Shadowman.

Negative Shadowman: Tomorrow, we should do something festive to celebrate the completion of the Another Omnitrix Aliens.

Me: That's a good idea.

Nico: I agree there.

Lincoln: Same here.

Laney: That's an awesome idea.

Me: And I got just the thing. We'll go to the annual Gotham Royal York Battle of the Bands and Dance Off.

Lola: Cool!

Twilight Sparkle: Awesome! The Rainbooms will love that one.

Rainbow Dash: That will be awesome!

Me: Yeah!

Nico: That will be the day after tomorrow.

Me: Okay then.

Laney: But it will still be fun.

Nico: Yep.

Lynn: Maybe Fluttershy's eating lunch alone? (eyes widen) And maybe the lunch she's eating is so good, she can't stop scarfing it down. And after praising the manager, she'll end up devouring everything on the menu. And then her swollen belly will collide with a woodpecker that flies in from out of nowhere!

Me: What?

Nico: That is crazy. A woodpecker wouldn't hurt her like that.

Me: Fluttershy is not that big of an eater Lynn. And she doesn't eat any meat at all. She is a total vegetarian. You know how she is with animals.

Lynn: Oh yeah.

Lori: Maybe she's secretly playing video games with other people.

Me: Hmm. Nah she only likes specific kinds of games. She likes the cute animal video games.

Sunset Shimmer: She showed them to me herself.

Me: Hmm.

Nico: Hmm.

Lola: I think all she's doing is taking a nap.

Me: That sounds logical. Under a tree with all her animal friends.

Nico: That would be something of awesome adorable nature.

Lincoln: Aww it sure would be awesome.

Twilight Sparkle: We'll have to find out later.

Me: Right now we need to focus but Lola's theory does sound very plausible.

Lola: Thanks.

Nico: I see the last two Another Omnitrix Aliens.

We saw 2 dark figures come out and they were ANOTHER MOLE-STACHE AND ANOTHER SHADOWMAN!

Lola: Wow!

Me: There they are.

Nico: Another Mole-Stache and Another Shadowman.

Tsukasa: I hope you 2 realize that you're the last of your kinds.

Me: Metaphorically speaking.

Another Mole-Stache: (In a girls voice) We kind of figured about that.

Me: (GASP) That voice. Sally Krenshaw!?

She reverted back and was a girl wearing a blue office dress and had blue hair and had blue eyes.

Sally Krenshaw: Awesome to see you again J.D.

Me: You too.

Nico: You know her?

Me: I sure do. Sally worked at LaughsCallerama. It was a Telemarketing Prank Calling Office Corporation. Made really good money.

Luan: Hey wow! That is my kind of company.

Sally Krenshaw: It sure is. You all would love it.

Me: We actually saw something like that a long time ago and it was funny.

Nico: Yeah and weird.

Charlie Brown: (gets out Grand Pumpkin's Rider Card) Hope you like pumpkins!

KAMEN RIDER! GRAND PUMPKIN!

He fired huge pumpkins and smashed her all over!

Luan: Boy that makes you the Pump-king! (LAUGHS)

We laughed at that one!

Me: (LAUGHS) That was a good one!

Nico: (LAUGHS) That was funny!

Another Mole-Stache: (LAUGHS) That was a good one!

Albedo turned into Negative Molestache.

He smashed her all over with his Mustache!

Laney: YEAH!

Andy: (gets out TTG Squirrel's Rider Card) It's squirrel time!

KAMEN RIDER! TTG SQUIRREL!

He fired an acorn machine gun.

Nico: YEAH!

Applejack: YEEHAW! Take that!

Me: That one drives you Nuts!

RIMSHOT!

We laughed at that one!

Luan: (LAUGHS) Good one J.D.

Me: Thanks.

Nico: (gets out Abomination and Bane's Ridewatches) Time for strength!

Nico activated them and bulked up and then he jumped and punched the ground and smashed her with a wave of rock!

Me: YEAH!

Nico: Take that!

Me: Now to wrap this up. Tsukasa you will love this. I invented these too.

I pulled out a bunch of Rider Equipment Cards.

Tsukasa: Wow!

Me: Kamen Rider Equipment Cards. Watch.

KAMEN RIDER! KINGDOM COME BATTLESHIP BACKPACK!

I got an awesome battleship backpack!

Nico: COOL!

Laney: That is awesome!

Me: And they pack a punch!

I fired a wave of energy from the cannons and they hit Another Mole-Stache and smashed her down!

Me: YEAH!

Nico: WHOA! That is powerful!

Me: Yep. I based them on us and many things we like.

Nico: Clever!

Me: I've been really on fire with inventing new things for all of us.

Nico: That is awesome!

Eli: Nice job bro!

Nico: (gets out Man Boy's Ridewatch) Now for this!

Nico activated it and grew a beard and it punched and smashed her!

Me: FIGHT MUSTACHE WITH BEARD!

Lincoln: YEAH! That was awesome! Lets see here. May I try that J.D.?

Me: Go for it Lincoln.

I gave him a card.

KAMEN RIDER! LIGHTNING VORTEX CANNON!

Lincoln got a massively powerful vortex cannon blaster on his arm.

Nico: Cool!

Lincoln: This is gonna be awesome!

He fired a massive concentrated lightning megablast from the cannon and it hit Another Mole-Stache and smashed her down!

Me: WHOA! That is awesome!

Lincoln: That was AWESOME!

Rainbow Dash: Yeah it was! Awesome!

Nico: (gets out Titanium Titan's Ridewatch) Let's keep it up!

Nico activated it and fired waves of energy and smashed her down.

Me: The next Gene-slammer might be here.

?: Someone call!?

An Empoleon came!

Me: Whoa an Empoleon!

Lana: Cool!

Empoleon: (In a girls voice) (Jamaican Accent) Looks like you guys are having a lot of fun mon.

Nico: Faith Monserrate! Wow!

She reverted back and was a girl with black hair and blue Tropical Clothes.

Faith Monserrate: This will be fun mon.

She fired waves of energy and blasted down Another Mole-Stache and I caught the Ridewatch and purified it.

I brought Sally over to us.

Then the Medical Hover Van came.

Varie, Maria Santiago and Robo-Lori came with a gurney and they loaded Leah on it.

Varie: You'll be all right Leah.

Valiant: What's your favorite memory of Nico?

Faith Monserrate: My favorite mon is where me and Nico caught a bunch of bad guys by distracting them with the Day-O song. It was a great song and the police busted the bad guys.

Nico: That was a funny time.

Me: Looks like Bastion Misawa isn't the only one that likes to make us laugh with the Day-O song.

Lincoln: Yeah.

Nico and Faith hugged.

Nico: I've really missed you.

Faith Monserrate: Me too mon. Me too.

Albedo: And now, let's close out the last of the Another Omnitrix Aliens with a threatening message to Von Talon.

Me: You got it.

Nico: Who wants to send it?

Lewa: I will

Me: Go for it.

Lewa concentrated.

In Germany, Von Talon was thinking up his next plan to destroy Valiant. But then the spirit of the mask of Lewa Nuva appeared.

Lewa: General Von Talon!

Von Talon: (German Accent) Mein gott! Who are you!?

Lewa: My name is Lewa Nuva the Toa of Air and member of Team Loud Phoenix Storm! I know you are after Valiant and his team in Normandy. Nothing you say or send against us will stop me or my team. I will make you suffer for all the pain and suffering you caused during World War II and you will pay for all the pain and suffering you did and it will be swift and painful justice as we fight! Be ready for us Von Talon. WE'RE COMING FOR YOU!

Lightning struck him and electrocuted Von Talon and he was going to be feeling that one.

Lewa vanished.

Valiant: I bet Von Talon thought he was safe!

Me: When Team Loud Phoenix Storm watching, NO BAD GUY is safe. Ever.

Lola: That's for sure.

Valiant: Lewa, ever since I met you, I've seen you as a big brother.

Lewa: Oh Valiant. That is awesome.

He and Valiant hugged.

Valiant: Kind of weird having a pigeon for a brother huh?

Lewa: I'll manage.

Nico: Awesome.

Me: We'll see you guys on April 28th.

Valiant: You got it.

He saluted us.

We saluted back.

---

We arrived back.

May: Hey guys. How did it go?

Me: Awesome.

We told everyone everything and it was crazy.

May: Whoa! That is awesome! So now we have all the Another Omnitrix Aliens covered.

Qin: We sure do.

Me: Yep.

May: Lyra, for your first mission, Sougo and 1 Rabbid should go with you.

Lyra Heartstrings: Awesome! The Noto's are going to think twice about messing with me and Taro.

Me: You got that right. And we have been preparing you for this ever since.

Lola: We sure have.

---

Lincoln was training hard in the training yards.

Lori then came and she had the phone with her.

Lori: Bro you have a phone call.

Lincoln: Oh thanks. (Takes the phone) Hello?

Anna Flores: Lincoln it's Anna Flores.

Lincoln: Anna Flores!? I haven't seen you since you were 17. How have you been?

Anna Flores: You got to help me out here! I'm in jail!

Lincoln: WHAT!? How come?

She revealed everything. A view of the entire planet was shown on the screen.

Lincoln: (ENRAGED SCREAMING) YOUR SISTER DID WHAT!?

UH OH!

Me and Nico came out and saw Lincoln flying off!

Me: Oh man!

We flew after him!

Me: Lincoln where are you going!?

Nico: What's the rush!?

Lincoln: WHEN I GET MY FUCKING HANDS ON THAT MONSTER THAT LOCKED HER SISTER UP I WILL DISEMBOWEL HER AND RIP HER HEART OUT AND BEAT THE LIVING FUCK OUT OF HER! (ROARS)

WHOA LINCOLN IS EXTREMELY PISSED!

Me: Jumping shithorses!

Nico: LINCOLN IS REALLY PISSED!

Me: I've never seen Lincoln so pissed! What has him so Level 500 Rage!?

Lincoln: IF YOU MUST KNOW, I'M GOING TO BUST ONE OF MY GUARDIAN ANGELS OUT OF PRISON! SHE WAS WRONGFULLY CONVICTED OF A CRIME HER SISTER LEA DID!

WE GASPED IN SHOCK!

Me: What did she do!?

Lincoln: ANNA'S SISTER LEA KILLED HER OWN MOTHER AND FRAMED ANNA FOR THE CRIME!

WE GASPED IN SHOCK SOME MORE!

Me: OH MAN!

I pulled out my phone and called all of Lincoln's guardian angels! I Told them it was a code Alpha Sigma Emergency!

Lincoln: I WILL KILL THAT MONSTER FOR THIS!

Me: WHOA MAN!

We arrived at the California prison and Anna Flores was crying in her cell. Then Lincoln appeared and teleported Anna out of prison and replaced her with the mangled up mutilated of her evil psychopathic sister Lea and left a note. She was still alive. The police saw t and read it. It showed that there was a terrible injustice. And showed that she did it and framed her own sister to get revenge on her for her not going to Disneyland for her 16th Birthday and she hated her mother and killed her by slashing her throat and then framed Anna for the crime and then she dismembered her mother and threw the pieces into the ocean and turned her into fish food. The police made a terrible mistake.

Anna was safe and back with us.

We arrived at Fluttershy's cottage in Ponyville.

Me: I hope Fluttershy is doing okay.

Qin: Yeah.

Maria was big and bloated and full.

Me: Boy Maria that Duck Kong Ridewatch gave you one enormous appetite. I can't believe you ordered 50 Ultimeatums and ate them all.

Carmen: Yeah sis you must've been really hungry.

Maria: (BELCH) Yeah I'm stuffed.

Nico: I would think so.

We got to the door and saw a stream of tears coming out of it.

Me: Uh oh.

We went in and saw Fluttershy crying her eyes out and crying waterfalls.

Me: Fluttershy?

Panda King: Are you okay, Fluttershy?

We went over.

Me: Fluttershy what's wrong?

Fluttershy: (WAILING UNCONTROLLABLY!)

Goatmon: Well, at least it's not Rarity this time.

Nico; Yeah.

Me: Fluttershy calm down. Just calm down.

I gave her a box of tissues.

Lincoln: That's right. Now tell us. Did a jerk hurt you this time?

Fluttershy: No Linky it's worse! I had a horrible nightmare!

Nico: Oh man. What was it about?

Natilee: I can answer that.

She showed a sketch and it was of The Thing and it was of the Kennel scene and it was a horrible and scary sight.

Me: Oh man! I remember that scene and it scared me shitless.

Qin: You saw the movie The Thing?

Fluttershy: (Sniffling) With Lincoln last night. It was horrible! (RESUMES CRYING)

Lincoln comforted her.

Sakura Knudson: Wow Natilee how did you draw this really good?

Natilee: I have a perfect photographic memory Aunt Sakura and you would be amazed at what I see in the dream world as well as help people in their dreams as a dreamwalker.

Sakura Knudson: Wow that is amazing. But that drawing is horrifying.

Natilee: It sure is.

Qin: Her drawings have shown us what everyone sees in the dream world and she helped us get over so many horrible nightmares.

Natilee: I may not be Dr. Sigmund Freud but it helps out a lot.

Soundwave: Reason for crying: Understandable.

Nico: Poor Fluttershy. That scene with the huskies scared her bad.

Me: Scared me bad too.

Kate Lloyd: Fluttershy I know how you feel. I too was scared bad from the Thing remember?

Fluttershy: (Sniffle) Yes I do.

I gave her a tissue and she blew her nose in it.

Me: But Fluttershy that was just a dream. It's not real. It may have happened with Kate and MacReady but it didn't happen in the dream world.

Lincoln: It's all over Fluttershy. It's gonna be okay.

Blaster: But were you still napping like Lola said?

Fluttershy: I tried to get some sleep but I couldn't. I'm so scared. I even have my friends to protect me but I can't sleep at all.

I saw the bags under her eyes and her eyes are bloodshot.

Me: What time did you go to sleep?

Fluttershy: At my normal time but I woke up around 3:00 and hadn't been able to sleep since.

Me: Oh boy.

We heard a knock

Me: Oh. Come in.

We saw the door open and in came a Bibarel.

Me: Hey a Bibarel.

Qin: Cool!

Leeli: Oh it's so cute.

Norbert: Looks like me and Daggy have a fellow beaver friend.

Daggett: We sure do.

Bibarel: (In a girls voice) (Canadian Accent) I'm glad you guys think so eh.

Nico: (GASP) Stella Beaverton.

Courtney: Wow.

She reverted back and it was a girl with brown hair and blue eyes and had a red shirt with a maple leaf on it and she had a Red Maple Leaf emblazoned in the middle of her forehead and had red pants.

Me: Awesome to meet one of our friends from Canada.

Gwen (TD): And a fellow Canadian.

Stella Beaverton: Same to you girls and it's awesome to see you again Nico. Been busy eh.

Nico: I sure have.

Maria: What's your favorite memory of Nico? (BELCH) Pardon me.

Stella Beaverton: When me and Nico built a huge wood cabin in Muskoka that kept an eye on Camp Wawanakwa. It was an undercover base we made called The McLean Spy Network.

Nico: What it did was monitor all of Billy McLean's activity and we would report it to Interpol.

Me: I didn't know there was a cabin there.

Nico: Yep. It's for making sure that Billy pays for everything he did.

Crystal McLean: I worked in that cabin when Nico and the team left before Team Loud Phoenix Storm formed.

Qin: Wow that is interesting.

Me: And now Billy McLean the jerkball is now is the humiliation roster being tortured by our jokes.

Stella Beaverton: Good riddance eh.

Nico and Stella hugged.

Nico: I've really missed you eh.

Stella Beaverton: Me too Nico.

Leeli: Maybe a song will cheer you up Fluttershy.

Fluttershy: Oh thank you Leeli.

(YURGEN'S TUNE PLAYS)

Leeli: (SINGING DIVINELY)

O holoré lay thee low

Holoél dark in the Deep.

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Spring abundant holoél

She had fireflies swirl around her and then life energy made everything all over the cottage bloom beautifully and it was so awesome.

Lola: Wow.

Fluttershy: So beautiful.

We arrived back at the estate.

Ulmar: Nico, which teams have you made this time?

Nico: TJ's team will include Supernova Zap, Shinnosuke, Sakura Adachi, Alisandra Lamhing and the Cetus Twins. Scott's team will include Firecracker Burst, Sougo, Jaime Marchesano, Akira Shinmei and Jolyne Cujoh.

Me: Awesome ideas.

Qin: Yeah!

Lola: And they are perfect too.

Celica Cetus: It's an honor to be in a team.

Celestia Huntington: We're honored too.

Lola: Yeah this will be fun.

The previous group came.

Mole Man: Can me, Dark Laser, Loki, Beautiful Gorgeous, Living Laser, Billy Numerous, Grizzly, Pinky & The Brain, Golden Glider, and Plastique go with you guys?

Peg Leg Pete: Me, Space Kook, Quakemon, Lipsyncher the Lipstick Monster, Raizen, Grand Duke's Minions, Grizzaka, Pink Ranger Slayer, Copper Cranium, and Evil Magma Man will come too.

Pinky: I hope you're okay, Fluttershy.

Fluttershy: Oh thank you and yes I'll be okay.

Pinky: Good.

Nico: And yes you all can come with us.

Suddenly, Jackie Wren heard the phone ring.

Jackie Wren: I'll get that.

She went to the phone and she answered.

Jackie Wren: Hello, Team Loud Phoenix Storm World Tree Estate, Jackie Wren speaking.

C.L.G.I.Q.B.S.M.G. Agent: Jackie, we'd gotten word the biggest Queen Bee bully in Sheltered Shrubs, Connecticut, is causing trouble again.

Jackie Wren: Not Miranda Killgallen again. Ugh, that heartless juvenile delinquent just doesn't know when to quit. Alright, we'll head down there and apprehend her, and be sure to get a black van ready at our location, we've got another one heading to The Charon Reform School.

Jackie Wren hung up the phone.

Lincoln: Jackie, was that…?

Jackie Wren: Yep, that's one of my agents at The Center for the Liberation of Government Institutions from Queen Bee Socialite Mean Girls, he called and told me that local Connecticut juvenile delinquent, Miranda Killgallen, is at it again.

Everyone else then came in.

Eli: Sounds like we got our next mission.

Jackie Wren: And it's also a personal one.

We gasped.

Nico: Jackie, can you tell us everything you know about Miranda Killgallen?

Jackie Wren: Certainly.

Jackie Wren proceeded to tell us everything about Miranda

Killgallen, and we weren't going to like her in the slightest.

---

Miranda Killgallen is one of the main antagonists of the series As Told By Ginger, along with her friend Mipsy.

She was voiced by Cree Summer.

Biography

Miranda Killgallen is Courtney Gripling's best friend, and her sheer meanness will make sure that no one else takes that position. Jealous of any attention that Courtney is paying to anyone else, Miranda is definitely not a big fan of Ginger Foutley. In fact, she tries her best to humiliate Ginger any chance she gets, laughing with her evil cackle at every one of Ginger's failures. Still, part of Miranda's icy cruelty can be traced back to her strict upbringing, and she has been known to do something nice on occasion, although she would go to great lengths to hide that fact.

Courtney's right-hand woman, Miranda Killgallen, is often Ginger's main opponent on the show. Apart from being totally different personalities, Miranda's dislike for Ginger mainly stems from her fear that 'Foutley' may replace her as Courtney's best friend. On top of that, both Miranda and Ginger have a romantic interest in Ian Richton. Miranda has thwarted Ginger by all means possible, including manipulation ("Dare I, Darren"), blackmail ("Cry Wolf"), false accusations ("I Spy A Witch", "Ginger The Juvey"), backstabbing ("Wicked Game") and bribery ("Far From Home"). At times, however, even 'tough girl' Miranda is shown to have her weak sides. On more than one occasion it's illustrated that she has a difficult relationship with her strict father and that she has very few actual friends. In "Trouble In Gal-Pal Land", she's left friendless after she and Courtney have a temporary falling out, Macie states that it is because nobody likes her. Apart from her viciousness, Miranda's trademark are her sniping, sarcastic and vituperative comments.

At the end of the series, Miranda and Courtney aren't seen during Ginger's bookreading, but a woman who appears identical to her is seen walking past the library as Ginger begins reading.

---

When Jackie Wren was finished, we were horrified.

Me: Jeez, she's a heartless, blackmailing, manipulative, lying, juvenile delinquent monster!

Jackie Wren: And she's one of the worst bullies I've ever had to deal with. I've been on that brat's tail for years and I'd also gathered hard evidence on her, now I intend to make sure she gets sent to a far away reform school on the other side of the world.

Lincoln: Or on the other side of the Solar System, she's going straight to The Charon Reform School after we take her down and get her expelled.

Me: Looks like we have a Queen Bee to take down.

Nico: Yep.

Dark Laser: Boy no kidding.

Maria burped.

Maria: Pardon me.

Living Laser: Boy Maria you are bloated.

Maria: Yeah a Ridewatch made me work up one hell of an appetite and I ate 50 Ultimeatum's.

Me: Maria used the Duck Kong ridewatch and man is she full.

Morton: Nico, which Gene Slammers do you think you'll meet next?

Nico: I'm going for a Kricketune And Luxray next.

Me: Ooh this will be cool.

Qin: Yep.

Lola: And I have a feeling the next Donbrothers monster is gonna be one that makes food tomorrow.

Nico: Yeah me too.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Buenttrada, another member of The Extraterrestrial Order of The Planets of Holy Ghidorah, and he's coming here to kill us all for ruining their plans. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Buenttrada of The Extraterrestrial Order of The Planets of Holy Ghidorah on the move?

Lincoln: You guessed it, Rayman, and he's coming here to kill us all for ruining their plans.

Nico: Just as we expected.

Me: but we're more than ready for Buenttrada, right, Kristjana?

Kristjana Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Icelandic Accent) Right, and just like what happened, he's going to transform by drinking that potion with 2018 King Ghidorah's blood, so Lincoln will separate him King Ghidorah Hybrid Monster form from his real form and absorb the King Ghidorah Hybrid Monster form while we destroy Buenttrada and give him The Black Gates.

Lincoln: You said it.

Buster Bunny: But, we also got to keep our heads up, we may have more uninvited guests who'll try to come after us for revenge.

Nico: We'll keep an eye out for them too, and we're not going to let any of those religious fanatics get away with any of their attempts to get revenge on us. Alright, gang, let's go, time to put an end to that evil heartless bully's reign of terror.

Lincoln: And get her expelled and sent to the Charon Reform

School, and once we get done with her, you better be ready to die, Buenttrada.

Kristjana Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Icelandic Accent) You better be ready to die, Buenttrada, because you're about to face the true wrath of White Night Dragon.

Jackie Wren: You better be saying your prayers, Miranda Killgallen, because I'm showing you none for everything that you've done to Ginger. The wrath of Grapha, Dragon Lord of Dark World is coming for your miserable hide!

Nico: Lets get over there guys.

We were off to Connecticut.

## SHELTERED SHRUBS, CONNECTICUT

We arrived at Sheltered Shrubs, Connecticut.

Loki: Here we are.

Quakemon: Who else lives here?

Me: We're about to find out.

Nico: But this is a nice place.

We went into the school and it was a cool place.

Me: Nice school.

We saw Ginger.

Me: Excuse me. Are you Ginger Foutley?

Ginger Foutley: Wow! Team Loud Phoenix Storm! It's an honor.

Me: Same here. Awesome to meet you.

Alucard: How's your day been?

Ginger Foutley: Horrible. I found out that Miranda is back and is making lots of us miserable.

Me: Looks like we got here just in time.

Ginger Foutley: Not only that but she is punching and hurting everyone and she is making it look like accidents.

Me: Man what a monster!

Qin: Yeah she is a heartless psychopath.

Xenia: No kidding.

Courtney Gripling then came and she had a really nasty black eye!

We gasped!

Me: (Whistle) Nice shiner.

Living Laser: You must be another one of Ginger's friends.

Raizen: 3 guesses as to who did that?

Me: Miranda no doubt.

Courtney Gripling: That's right. Courtney gripling. Awesome to meet you all.

Me: Same here. Miranda really has gone off the deep end.

Nico: She sure has.

Me: Her parents have made a monster and I think they were too terrified of her.

Ginger Foutley: Yeah Miranda's father is a police officer and her mother I'm not sure what she does.

Me: Hmm.

Mandy: Maybe we should do something fun before taking her down.

Me: The longer we wait the more kids are being hit here.

Nico: I agree with J.D. We got to take her down now.

Me: Well the principal can't do anything without proof.

Ginger Foutley: Good idea. We need to catch her in the act.

Me: We need concrete evidence.

Brain: Knowing her, we won't have to wait long.

Copper Cranium: Anyone got a video camera?

Me: Why use that when we have our phones.

Nico: Good. Lets find her and catch her.

Lincoln: Operation Red Handed Bully is a go.

Qin: Good name.

We went to find Miranda and we found her beating up a bunch of kids and we took a video of her doing it.

Miranda Killgallen: I rule this dump and you bastards obey me! You do what I say or I will kill all of you! I will burn this entire school down with all of you in it if I have to!

This girl was pure evil and a devil in human skin.

We saw her do all kinds of horrible crimes to the kids and we recorded her doing it all. She was punching and threatening their lives and was going to rip their throats open.

No way are we going to let her get away with this.

Me: This girl is pure evil incarnate.

Bubble Man: Let's get this to the Principal while she's not looking.

We nodded.

We ran to the principal's office and we showed him the tape.

Me: Principal Milty, Miranda is pure evil incarnate. She is bullying everyone here.

Principal Milty: Do you have any proof?

We showed it to him on the video.

Me: What do you say to that?

Principal Milty's reaction was one of horror and shock!

Me: This girl is a ticking time bomb and if we don't stop her this whole school will be in danger.

Nico: I agree there.

Eli: We need to stop her right now.

Plastique: I need you to keep her occupied while we spend time with Ginger.

Evil Magma: And by that, we need you to send some staff after her.

Principal Milty: Okay.

Qin: It's a big risk but we'll do it.

We nodded.

We went and put our plan into action.

We got to talking with Ginger.

Rothar: So, Ginger. What do you like to do for fun around here?

Ginger Foutley: I like to write and read books.

Twilight Sparkle: You and I have so much in common. I like to read books a lot.

Ginger Foutley: That is so cool.

Qin: It sure is.

Me: We have amazing skills in books and all that.

Nico: You would be amazed about what literature can do.

Golden Glider: What about your friends Darren Patterson, Deirdre Hortense "Dodie" Bishop, and Macie Lightfoot?

Pink Ranger Slayer: Are they here with you?

Ginger Foutley: They sure are. I'll have them come.

She called them and brought them over.

Darren Patterson: It's awesome seeing you all here.

Deirdre: It sure is.

Macie: Yeah.

Horsea: Maria, can I use some Moisturizer?

Squidward: Why do you need that?

Horsea: Because I like to moisturize.

Maria: Sure. (BURPS) Scuse me.

Courtney Gripling: You okay?

Maria: Just bloated.

Me: Long story on that.

Maria got out her moisturizer and gave it to Horsea for her.

Horsea: Thanks.

Horsea put it on.

Me: Sorry we have to come so urgently like this. But I think you already know what's going on here right?

Deirdre: Yeah we sure do.

Me: Sorry Miranda is causing you all so much grief.

Grizzly: Is there anything fun to do around here?

Grizzaka: Before we kick the bitch's ass?

Ginger Foutley: Well we just like to hang out and have some fun in the library. That's about it.

Me: I pretty much know the feeling myself.

Sakura Knudson: Yeah ever since my brother got his powers he was always studying hard trying to control them.

Me: It's not easy. But I did have a lot of good times with all my friends as I was doing so.

Ginger Foutley: I remember that too.

Moondancer: That is cool though. I was always studying too as well.

Commando Man: So do Laney and Twilight.

Laney: Yeah I have been known as a bookworm. But it's cool.

Twilight Sparkle: I learn a lot from books myself too.

Ginger Foutley: That is awesome.

Me: It sure is. Camie: Yep.

Billy Numerous: After this, we should take you to Twilight's library.

Grand Duke Minion: You'll like what you see.

Ginger Foutley: I would like that.

Me: She has an amazing selection of books and you can learn a lot about magic there.

Starlight Glimmer: It's true. Also you would be amazed at what we learned about friendship and more.

Me: Yeah.

Tyrone McGee: It got quiet all of a sudden. Maybe the bitch is subdued.

Me: Hmm. It might be the calm before the storm.

Qin: Maybe.

Eli: Bro is right. It's the calm before the storm.

Camie: Yeah.

Lipsyncher the Lipstick Monster: Guys, she isn't subdued.

Beautiful Gorgeous: It's the fucking opposite!

WE HEARD A SCREAM OF RAGE!

Me: Uh oh.

Nico: I think the staff added more fuel to the fire!

Me: Okay we got to get everyone out of here and then we can launch the battle!

Nico: Right!

We got everyone to safety.

Camie: Everyone is safe.

Eret: Entrance time!

Nico: Lets go!

Miranda is REALLY TEARING THE PLACE APART IN FURIOUS

RAGE!

Then the spirits of the schools of the world came and then they swirled around her and then converged and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted through the roof of the building and then a phoenix cry was heard and we landed.

Me: Miranda Killgallen you are under arrest!

Miranda Killgallen: On what charges?

Me: Oh I don't know. Assault and battery and blackmail and crimes too numerous to count!

Dark Laser: I hope you had fun assaulting the staff.

Space Kook: It'll be the last time you do so!

Miranda Killgallen: I will kill you for ruining me!

Qin: Bring it on bitch!

Nico: Yeah! You are a monster!

Nico: You guys wouldn't have happened to Black Gate the Prime Version of Doomsday, would you?

Brick: Nah, It wasn't me or my bros.

Gameface: Wasn't me either.

Count Nocturne: We'll just have to keep looking.

Kerbero Gangan: (to Nico): We heard you went to another planet.

Electropede: What was it?

J.D. 2: It was called Zymphoquora. It's a planet in the Unknown Zone.

He told everyone about it and it was awesome.

Electropede: Wow! That is amazing!

?: I'll say.

A figure came out and it was WEATHER MACHINE MONSTER from episode 5 of Operation Overdrive!

---

Moltor created a weather control device that began to malfunction when introduced to human technology without proper configuration and thus began to turn the entire area into a frozen wasteland.

The five main DriveMax Zords were buried in ice and snow and fell into a deep crevice when Mack ejected from the Zords and they were later salvaged by the Drill Driver.

Soon after, the malfunctioning Weather Machine transformed into a rogue robotic humanoid monster, which gave the Rangers a hard time, until it was destroyed by the DriveMax Megazord Drill Formation when it attacked its blowhole

---

Mack: Weather Machine Monster!

Weather Machine Monster: Been a while rangers.

Me: I remember you! You were made when Moltor made a weather control device and it malfuntioned and then it turned the area into a frozen wasteland.

Weather Machine Monster: That's right. Good memory.

Me: Yeah that was awesome though.

Connor McKnight: Aren't you based on the Blizzard Force Megazord?

Weather Machine Monster: The one that's only a toy? I am.

Me: That's right I remember that. That is cool.

Qin: It sure is awesome.

Camie: Yeah!

We got the battles underway.

---

Margo: Yeah they sure did and we found out something amazing about the Another Bane. We found out that she was really Carmen Diego, Bane's daughter.

Gameface: WOW! I didn't know Bane had a daughter.

Rainbow Dash: She is really awesome. She calls herself Lady Carnage and she went through the same sort of chemical project Bane went through.

Scootaloo: Except it's called Project Tomyrus, Named after the Queen of Iran that killed Cyrus the Great back in 530 B.C.

Gameface: Wow! That is amazing!

Marceline: It was really fun and amazing and we went there and stopped James Carver and it was awesome.

Princess Luna: It sure was a most amazing endeavor.

Moondust: We sucked his mind dry and sent him back to prison.

Snowdrop: That was awesome.

---

Gaz Membrane, Starlight Glimmer, Cozy Glow, Undead Skylanders, Archlord Zerato, Mandy and St. Patricia VS Kerbero Gangan - Meeting a Gene-slammer for B.E.S. Covered Core

---

Kerbero Gangan was next.

Kerbero Gangan (to Gaz): I heard you guys met a Gene-slammer for B.E.S. Covered Core. What's her name?

Gaz: Her name is Milan Long and she is a really amazing and skilled girl.

Starlight Glimmer: Boy she sure is and she has an amazing and powerful skill for technology.

Cozy Glow: And her story is cool too.

---

Nico: Yep. So, Milan, Wei Sisters, what's the stories you have on why you hate Flip, Lewis Travolta, The Wet Bandits, and NO MA'AM with a blazing passion?

Angela Wei: (Irish Accent) I was hoping you would ask that, but here goes. You already know without a doubt that Flip, Lewis Travolta, The Wet Bandits, and NO MA'AM are absolute scum, but one day, we were all with Lincoln, and we were doing some shopping for Mrs. Loud, since Luna, Leni, Laney, Lana, Lucy, and Lily were with their friends, and Lori, Lynn, Lola, Lisa, and Luan were grounded for another attempt on Lincoln's life because of their dark sides. But, as we were getting ready to head back to The Loud House, Lincoln caught the stench of a bunch of unwashed pigs and smelly cheapskate, and we saw who it was coming after us: Flip, Lewis Travolta, The Wet Bandits, and NO MA'AM. We had absolutely had it with them, so we pounced on them and pummeled them into the dirt, and Lincoln tied them up with red energy ropes fired from his massive white angel wings, and we called the cops and they got taken away.

Nico: I expect this sort of thing from Flip and Lewis Travolta, but The Wet Bandits and NO MA'AM also joining in as well? Those guys are literally that stupid!

Milan Long: They sure are, and that's why Flip and Lewis Travolta are two of the biggest jerks that Royal Woods has ever had the displeasure of knowing. Okay, now for my story, I make it no surprise I've hated Lisa with a blazing passion, because of all the hell she put Lincoln through with her trying to kill him with her insane experiments. One day, Lincoln and I were busy doing some homework at our house, since The Loud House isn't a perfect place for our homework. But, then, we saw something crash into my room, it was a smoke bomb, we escaped from the room, and we heard the sound of insane laughter. We looked out the living room window, and we saw who it was that did the dirty deed: it was Lisa, and she had her army of robots with her again, and she was out to capture and kill me by removing my brain and kill Lincoln. We'd absolutely had it up to hear with that heartless monster, and I used my technomancy powers and destroyed every last one of Lisa's robots, and we tied Lisa up with energy ropes Lincoln fired from his angel wings, and we dragged Lisa back home, and after we told Mr. and Mrs. Loud of what Lisa tried to do to us, she was grounded for sixteen weeks and she was thrown in a metal cage and tied up in a straitjacket, and she was screaming bloody revenge on us, but Lily whacked the cage with a mallet and Lisa crashed onto the floor.

Nico: Jeez, this was just like Becky's ordeal with Lisa. But, it also had the same end result: Lisa got her comeuppance and she got grounded again.

Me: Yeah, Lisa really was insane before we got rid of her Dark Side.

Lincoln: And I warned her: if she ever tried that same stunt with Becky's sisters, I was going to make her pay for this in the worst way imaginable: I'll call the Scientist Committee and they'll confiscate all of Lisa's lab materials and chemicals, along with rewards and certificates, and she'll be declared an enemy of the

state.

Luna: And he's serious about that. Becky has friends in the scientist committee and with one phone call, Lisa will lose everything, and she'll be on her way to the nuthouse for the rest of her life. But, Lisa didn't even listen again, and she was really playing with fire: and in this case, that fire is our bro.

FLASHBACK ENDS

Kerbero Gangan: Geez! Lisa really had a nasty habit of pissing people off there.

Me: (Divine Godly Elemental Cosmic Voice) Whoa, now this is really awesome, I've got a brand-new massive greatsword.

Suddenly, I felt a sharp pain on my head, and then, large rainbow wolf ears grew on my head, my rainbow-colored nails grew into claws, I had a Third Eye with rainbow iris open up on my forehead with the phoenix with the emblem of The Ebonwu Squadron emblazoned on my forehead, I was still tall at 7'9" in height, and I still had abnormally massive and powerful upper and lower body muscles and eight pack abs, I now have on gold weighted metal bands on my massive biceps and thighs, I now have ten planets and stars orbiting around my legs, and I also now have small planets orbiting around my fingers like rings, I have on phoenix earrings with rainbow gems for eyes and holding the Xelnaga, Eternity, Cosmos, and Universe Kanjis in its claws on my normal ears, I also had a phoenix and mermaid with rainbow gems for eyes and holding the Xelnaga, Eternity, Cosmos, and Universe Kanjis in its claws and hands for the pendant below my orange phoenix-shaped Element of Harmony with rainbow crystal links from my Crystal Necklace of The Buddha with rainbow gems embedded in the gold fire links of my Elemental Phoenix Necklace of Eternal Love.

Lincoln: Whoa, and you not only also got large rainbow wolf ears on your head and eleven massive and long rainbow wolf tails with rainbow markings and orange tips, J.D., but your whole wardrobe's gotten quite the upgrade.

Me: (Divine Godly Elemental Cosmic Voice) Now, this is really cool. Alright, you fanatical clod, it's time for you to pay for your crimes with your fucking blood!

Kristjana Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn and I went after Buenttrada who's now gone even more full-blown ballistic, and we fired extremely powerful blasts of rainbow energy, aura energy, ice blue energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Buenttrada and they exploded with incredible power as they hit him, and we attacked him with their massive greatswords leaving scars on him.

Then, I scratched and slashed at him with my claws drawing more blood and leaving more scars on him, and he was being driven even more ballistic. Suddenly, Buenttrada took out the vial of red liquid with a drop of 2018 King Ghidorah's blood, then he drank it. Suddenly, Buenttrada began changing as massive wings like King Ghidorah's grew and sprouted out from his back, his skin was covered in gold scales, and he'd grown King Ghidorah's tails.

Nico: Watch it, you guys, now Buenttrada has transformed into his King Ghidorah Hybrid Monster form.

Buenttrada fired a Gravity Lightning blast at Kristjana and I, and we dodged it.

Lincoln: Kristjana, J.D., hang on.

Suddenly, we heard the sound of demonic and insane out of control laughter in the air and everyone saw a figure charge at Kristjana and I with murder on his mind, but I grabbed him with one of my eleven massive and long rainbow wolf tails and tossed him away, and we saw who it was that tried to kill me and Kristjana: it was a 21-year-old man with long pitch black hair going down to his neck, deathly pale skin, red eyes filled with out-of-control insanity and the sclera of his eyes are dark red, he had a demonic smirk on his face and he has fangs, he was dressed in a long black coat, white dress shirt and necklace with red brooch, black pants, black knee-high boots, and in his right hand is a Chinese Dao with a 7'0" massive and long curved blade and three edges going down the blade from the main tip and yellow dragon etched on it, gold bar for the crossguard, red gem embedded in the hilt, longer brown handle, and large gold sphere with demonic eye etched on it for the pommel and tied to the pommel is a red tassel, it was Damian Constantine, the deranged, evil, psychopathic, out-of-control, deranged lunatic and enemy of Buster Bunny and his friends from Acme Acres.

When Buster Bunny and his friends saw their old enemy here, they did extreme wild takes.

Lincoln: So, we finally meet, Damian Constantine.

Damian Constantine: And now, I shall kill every last one of you. You won't have to worry about being in The Ridonculous Race… , 'CAUSE I WILL MAKE SURE THAT NONE OF YOU LIVE TO SEE THAT VERY DAY, AND SOON, I SHALL DESTROY ALL OF MANKIND AND EVERY LAST PATHETIC LIVING THING ON THIS PATHETIC PLANET! (CACKLING DEMONICALLY AND OUT-OF CONTROL)

WHAT A INFINITE-TIMES FUCKED-UP, DEMONIC, OUT-OF-CONTROL, PSYCHOPATHIC FUCK!

Suddenly, we saw Krillby and Yelmut appear before us and kick

Damian Constantine hard in the face.

Krillby: (Girl's voice) (British Accent) Don't worry about dealing with this undead monster, Lincoln. We got him, we'll send him running back to The Netherworld.

Yelmut: (Girl's voice) (British Accent) taking care of King Ghidorah Hybrid Monster Buenttrada.

Lincoln: Thanks, Mara and Mary Valentine. Make sure that psycho is beaten to an inch of his blood-crazed life.

Lincoln fired a rainbow energy blast which separated Buenttrada from his King Ghidorah Hybrid Monster form, and then, Lincoln went at King Ghidorah Hybrid Monster Buenttrada and he stabbed him in his chest with the tip of one of his eleven massive and long white wolf tails that turned into Cell's Stinger paralyzing him so he couldn't try to escape, and then, Lincoln began absorbing King Ghidorah Hybrid Monster Buenttrada's bio-energy and assimilated his powers and abilities until nothing was left of it. Then, the stinger changed back and Lincoln retracted the tail.

Me: (Divine Godly Elemental Cosmic Voice) Thanks for the save, Lincoln, and we finally meet the very psycho who's caused Buster and his friends from Acme Acres and The Z-Fighters a ton of trouble long ago. Now, Kristjana, shall we end this bastard for good?

Kristjana Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Divine Echoing Cosmic Voice of The Icelandic Arctic Snow White Night Dragon Angel and Divine Icelandic Arctic Ice Snow White Night Dragon Love) (Icelandic Accent) You got it, J.D.

Kristjana Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn and I sent Buenttrada flying into the air, and then, we prepared our combo to put an end to Buenttrada.

Kristjana Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn and Me: DIVINE COSMIC ELEMENTAL WOLF MOON PHOENIX

WHITE NIGHT DRAGON KAMEHAMEHA!

Kristjana Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn and I fired two massive rainbow and ice blue energy Kamehameha waves with ice, snow, elemental forces, elemental dragons, elemental phoenixes, elemental and ice angels, and they hit Buenttrada, and they explode with incredible power as they hit him, and he was obliterated. Then, when his spirit appeared, Kristjana and I drew the Judgement Kanji on his forehead, and he was erased by The Black Gates for his crimes. We cheered as Kristjana and I holstered our massive greatswords on our backs and powered down, and Kristjana Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long aqua blue wolf tails, and massive aqua blue angel wings are permanent, and my new body, clothes, weapons, jewelry, Third Eye, eleven massive and long rainbow wolf tails, rainbow wolf ears, and massive rainbow elemental angel wings are permanent.

Kristjana Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Icelandic Accent) That's one member of The Extraterrestrial Order of The Planets of Holy Ghidorah down and twenty members to go. Thanks for helping me destroy Buenttrada once and for all, J.D.

Me: (Smiles Warmly) You're welcome, Kristjana.

Suddenly, Kristjana Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn wrapped her arms around my wider and muscular back, as her chest pressed against my massive pecs and her stomach pressed against my eight-pack abs, which'd brought an atomic red blush to my face, and I wrapped my abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as I leaned down to Kristjana Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn's face, we kissed passionately as she moved her arms and placed her hands on my massive pecs, and behind them was a Phoenix, Angel, and White Night Dragon flying in the air, and everyone saw many animals running across the field, along with elemental forces behind us and everyone cheered wildly. Then, Kristjana and I absorbed the elements and we came back to everyone as the display and White Night Dragon vanished.

Nico: Oh man, oh man, Kristjana, J.D., that was one really awesome and epic battle you fought against that religious fanatic.

Me: Thanks, Nico.

Then, Mara and Mary Valentine were done beating up Damian Constantine, and Lincoln then drove his massive greatsword right through Damian Constantine's chest and as Lincoln removed his massive greatsword, Damian Constantine fell to the ground and he was in a pool of his own blood. Suddenly, we saw him rise up from the ground like a zombie, and the sword mark on his chest sealed up, but his blood didn't go back into his body, instead it burned to ashes in the sun.

Nico: Buster certainly wasn't kidding, you really can't die because of The Curse of Devil's Point, and you're like some kind of undead zombie.

Lincoln: You sure caused us some trouble, but let me make this clear to you, Damian Constantine, we had since been made aware of your return and we're more than ready for you. Come the day of The Ridonculous Race, you're going to pay for every last one of your crimes against mankind and all life on Earth with your own blood.

Me: That's for sure.

Damian Constantine: No, no! You will all die here, right here, RIGHT NOW!

Damian Constantine went even more insane and tried to attack us, but Lincoln fired a rainbow energy blast which hit Damian Constantine in the chest and it sent him into a portal that led straight to Hell, and it closed as soon as he fell inside.

Lincoln: That'll keep him out of our hair until the day of The

Ridonculous Race. (To Mara and Mary Valentine) And it's so good to see you again, Mara and Mary Valentine.

Mara Valentine reverted back to normal, and she's a beautiful girl with long blonde hair, purple eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful blonde angel wings, she's dressed in purple clothes, and long white long-sleeved trenchcoat with air, earth, water, fire, Harpie Lady Monsters, and cockatrice on the coattails and on the back is Krillby and the Harpie Lady Monsters, and holstered on her back is a massive Krillby-themed greatsword with embedded red gems and Krillby etched on the 7'0" massive, wide, double-edged purple blade, large Krillby heads for the crossguard, large dark red gems embedded in the hilt, longer midnight black handle, four large Krillby heads and large purple gem on the bottom of the large Krillby heads for the pommel.

Mara Valentine: You too, Lincoln.

Mary Valentine: It's been a long time.

Lincoln went up to Mara Valentine and Mary Valentine and he hugged them, and Mara Valentine and Mary Valentine are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Mara Valentine: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness.

Mary Valentine: You've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we also met your familiars, and they are really awesome.

Nico: Whoa, Lincoln, you know these two girls?

Lincoln: Indeed I do, Nico.

Nicholette Torrington: Oh man, and so do we. The Krillby Gene-

Slammer is Mara Valentine and the Yelmut Gene-Slammer is Mary Valentine, they're Lincoln's Guardian Angels from England and his classmates in French, and they're also members of The Duel Monsters Heroes. They're masters of The Harpie Deck, and are known as The Harpie Lady Duo. Lincoln made them Harpie Lady-themed bikinis, and to show thanks, they kissed Lincoln on the lips. Plus, they're also the twin sisters of Mai Valentine and they hate Al Bundy with a blazing passion.

We gasped in shock.

Nico: Whoa, I had no idea you had twin sisters, Mai.

Me: Same here.

Mai: I didn't get a chance to introduce you guys to them, and now, I know why: Team Rocket Gene-Slammed them. If I wasn't already that mad at Giovanni before, what he did to my twin sisters just absolutely riled me up.

Mara and Mary went up to Mai, and they hugged her, and she hugged them back.

Mara Valentine: I know, but it's so good to see you again, Mai.

Mary Valentine: Same here, big sis.

Mai: You too, girls. So, how'd you girls find out Damian finally came after us?

Mara Valentine: We followed the trail of blood he always leaves behind. I mean, seriously, why would someone even want to leave a trail of blood like that, he's just giving himself away.

Lincoln: For the person who calls himself "The Nightmare of Acme Acres and Plague of Mankind", he's an amateur. And now that you two are here.

Lincoln first went up to Mara Valentine, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Mara Valentine: You're still just as gentle as ever when you feed on one of your Guardian Angels, Linky.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Mara and Mary Valentine with purple gems on the gold lightning bolts and purple crystal links from their merged Crystal Necklaces of The Buddha along with two Elemental Thunderbird Chokers of Eternal Love on their necks.

Mara Valentine and Mary Valentine: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Mara Valentine and Mary Valentine.

Mara Valentine and Mary Valentine had a smile on their faces and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around them, and he leans down to each of their face and he kissed her passionately on the lips, and she also returned it, and we cheered for them.

Nico: Looks like we'll be running into more of your Guardian Angels during our fights against The Extraterrestrial Order of The Planets of Holy Ghidorah, and speaking of, tomorrow, the next member is Jaxuana, which means you and I are up next, Sonnya.

Sonnya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Icelandic Accent) Yes, we'll make Jaxuana pay with his life.

Nico: We sure will.

Lincoln: And we won't have anymore interruptions from Damian, that energy blast I hit him with had put a curse on him, and it'll keep him in Hell until the day of The Ridonculous Race.

Nico: Nice one. Say, Lincoln, which B.E.S. are you hoping to meet next on your rescue?

Lincoln: I already know who's next for tomorrow, Nico: Ramona Long, Gene-Slammer of B.E.S. Crystal Core.

Becky Long: We're so going to enjoy seeing Ramona once again, Lincoln. But, this also means we'll be running into another enemy of me and my sisters.

Lincoln: I know. But, we'll be ready for them.

Black Knight Ghost: That bitch got what was coming to her.

Stonedozer: Now she'll be in reform school for a long time.

Me: That's for sure!

Marionette Shadow: (to Ginger) Now, let's show you Twilight's library.

Manta Bayarsh: After we tuck Maria in.

Maria: (BELCH)

Ryugu Tamatebacco: She needs to feel less bloated.

Me: That ridewatch really did a number oon her.

Qin: No kidding.

Nico: But still great job today everyone.

Ginger Foutley: It was so awesome helping you guys.

Me: Glad you like it.

Twilight Sparkle: (To the viewers) Queen Bees better beware or we're going to come for you.

Me: Yeah you got that right.

We went back home and showed Ginger Twilight's Library and it was cool and awesome and Ginger was going to love it. We went back home and enjoyed the rest of the day and went to sleep.

For Lincoln's rescue tomorrow, Lincoln and his group are heading to

Tennessee, and we're going to deal with another old enemy of Becky Long and her sisters: a mad scientist named Nicholas Truett. Long ago, he was an intelligent student and he was also in the same school as Lori and Becky Long. But, Becky Long knew of his true nature: he was really a mad scientist who wants nothing more than world domination, and he caused a lot of havoc and destruction with his creations: everything from gigantic robots to mutant monsters created by his brand of mad science. But, his last plot for world destruction was brought to an end by Becky Long and her sisters, and he was taken away by the cops and sentenced to Life In Prison without any possibility of parole. But, now years later, Nicholas Truett has broken out of prison, and he wants revenge on Becky Long and her sisters for ruining his plans for world domination long ago. And for tomorrow, we're going to meet the next of the B.E.S. Gene-Slammers, this time, it's Ramona Long, Gene-Slammer of B.E.S. Crystal Core and one of the Long Sisters, she's Lincoln's Guardian Angel from Michigan, and like her eldest sister, Becky Long, and her other sisters, Ramona Long is a very strong and powerful technomancer, and like Becky, she was pronounced braindead at age 4 and the doctors came up with a very risky and dangerous operation. They replaced her dead brain with an artificial Positronic Brain, and it gave her incredible powers of Technokinesis and it also turned her mind into a very incredible computer capable of storing an infinite amount of information and unleashing the full 100% of her brain power, and when she got Gene-Slammed into B.E.S. Crystal Core, she also gained powerful water powers, and just like Becky and her sisters, Ramona is also in Lori's school and she's protected Lincoln from the worst of Lisa Loud's fury and almost got Lisa disowned and sent to a nuthouse in the federal prison system forever as well as have all of her science stuff confiscated by the scientific community forever. But, wait until she finds out that the person person responsible for turning her into the heartless, emotionless mad scientist she, her eldest sister, and her other sisters have hated was none other than Killjoy Huggins, and this happened under their noses when Lincoln was in Third Grade. Plus, during the Exercise Scene, we're going to learn a dark secret as to how Becky Long and her sisters wound up becoming braindead when they were four years old, and it's a dark family secret she and her sisters, along with their parents have kept hidden for all those years.

Get ready for a while undersea adventure as we head out to meet the awesome heroes of Shark Tale and we're going to battle the dark side of Lino and help Oscar and Lenny and friends take him down.

See you next time

All of us: (CLINKS GLASSES) CHEERS!

Nico: To the end of the Another Omnitrix Aliens.

We cheered!

Leeli: That was so fun!

Katara: Yeah it sure was!

Zhuqiaomon: We all had a lot of fun on those.

Qin: Yeah we sure did.

Lola: Yeah! That was awesome and epic.

Zhuqiaomon: We all had lots of fun on those.

Me: Boy did we ever.

Nico: Zhuqiaomon, I want to thank you, Pyros, and your teams for coming.

Zhuqiaomon: It's not a problem Nico. This is gonna be so awesome.

Me: It sure is. Especially with humiliating the jerks too.

I fired waves of energy and they formed into pie bombs and they hit the jerks and exploded!

MASSIVE FIERY EXPLOSION!

They were burned and huge clouds of coins exploded out.

Eli: Take that jerkwads!

Nico: Katara, how's it feel to be married to Aang?

Katara: It feels amazing Nico. Aang is a great man and is an amazing Avatar too.

Qin: He sure is. After everything you all went through together you deserve a happy ending.

Camie: I agree there too.

Twilight Sparkle: Yeah I agree there myself.

Rarity: Oh indeed there darlings. That is so amazing.

Me: Yeah it sure is.

Nico: Especially after all the people you lost.

Me: Yeah that was a horrible war. Countless people died and the Air Nomads were teetering on the razors edge of extinction.

Nico: No kidding.

Katara: That was awful. I can't believe that all that happened.

Xenia: None of us can.

Amity Blight: That is so awful that all that happened.

Me: I blame Ozai, Azulon and Sozin for it all. They deserved to be destroyed and sent to the black gates.

Laney: I agree there. Those three are pure evil incarnate.

Me: Yeah. If Azulon and Sozin return they are DEFINITELY getting the Black Gates. Sozin started the war and no way are we going to let his crimes go unpunished. But being trapped in Limbo like he is for all the atrocities he committed is in my opinion a fate worse than death.

Sakura Knudson: What happened to him?

Me: Look.

I showed a viewing window and we saw Sozin's mutilated soul. He looked like a mangled up and completely damaged mess.

Qin: Whoa.

Camie: That is horrible.

Sakura Knudson: What happened to him? Why does he look like that?

Me: Because of the sheer level of evil of the atrocities and war crimes he committed he damaged his soul beyond all forms of repair and he is now eternally trapped in Limbo as this damaged mess for all eternity and he will never cross over to the other side.

Qin: Yep.

Sakura Knudson: Geez!

Nico: That is what we call a fate worse than death.

Eli: Yeah.

Laney: Scary.

Wendy Sapphira: It sure is.

Me: Yeah. Yesterday's mission was awesome though.

Nico: Ginger's a nice girl.

Me: She sure is.

Aylene Carter: And we gave Miranda what was coming to her.

Lola: And that is a trip to reform school. A One Way Trip.

Nico: She caused a lot of damage.

Me: She sure did.

Eli: She deserves ever second she gets in prison.

Qin: That's for sure. Wonder how she is liking it.

In the Charon Prison, Miranda was screaming in rage as she was watching stupid pathetic TV Shows in her solitary confinement cell.

Miranda Killgallen: (SCREAMS IN RAGE) TURN IT OFF! (SMASHES HER HEAD AGAINST THE WALLS) I CAN'T STAND IT! TURN IT OFF!

Mr. Rogers: It's okay to feel sad sometimes.

Miranda Killgallen: TURN IT OFF! KILL ME! KILL ME!

She was completely miserable there!

But she had it coming.

Me: Well we'll never know then.

Nico: How are you feeling, Maria?

Maria: Much better. That Duck Kong Ridewatch made me really hungry.

Me: Must be an unexpected side effect of it's use. Plucky Duck did tell me he ate over 50 billion burgers at that size.

Nico: WHOA! That is intense!

Lola: I know.

Nico: That's true.

Maria: Boy that was a lot of burgers I ate though.

Me: Yeah you were hungry.

Xenia: Yeah.

Nico: This is to celebrate us FINALLY defeating all the Another Omnitrix Aliens.

Me: That was so fun though.

Nico: It sure was.

Sora Phaaze: You guys had a lot of fun with those.

Me: We sure did. We faced Another Aliens and predators.

Sougo: I wonder why Swartz didn't do all 10,000 of Ben 10,000's aliens?

Me: Probably too many of them all in one sitting.

Nico: Sure, we've had fun fighting them. But all good things must come to an end.

Me: Yeah that's true but it was still fun.

Qin: It sure was.

Nico: We had lots of fun on all of them.

Pyros: We still have the Another MOE members to deal with. Including the Another Me.

Qin: Yeah no kidding there.

Me: That one is gonna be a hot one.

Lola: It sure will.

Albedo: I'll still help you guys on rescues. After all, I've found them to be fun.

Me: Glad you think so Albedo. We all think they are.

Flip: Oh get a room all of you assholes1

Eli: (GROWLS IN EXPLOSIVE RAGE) SHUT UP FLIP!

Flip: MOMMY!

Eli jumped him and pulverized him brutally in a ferociously powerful fight cloud! ELI REALLY BEAT AND PULVERIZED THE LIVING SHIT OUT OF HIM!

Nico: HOLY TOLEDO!

Eli was REALLY OPENING UP A MASSIVE MAJOR CAN OF WHOOPASS ON FLIP!

Me: HOLY CRAP!

Nico: We still don't know who sent the Prime Doomsday to the Black Gates!

Me: (Feels a hand on my shoulder) Huh?

I looked and saw a human version of Nightmare Moon.

Me: Nightmare Moon!?

Universe 666 Nightmare Moon: Actually I'm the Universe 666 version of Nightmare Moon. I am the one that sent Prime Doomsday to the Black Gates.

Nico: Really? I hope he didn't injure you!

Universe 666 Nightmare Moon: Nope. I ripped his heart out from the inside as he went at me. I turned into smoke and went inside him and ripped him apart from the inside. I killed him that way.

Me: Whoa! That was genius!

Qin: No kidding!

Nico: Wow!

Universe 666 Nightmare Moon: Yeah. I was infuriated with the way Evil Nico was treating his teammates and I helped the rebels out by killing many of them.

Nico: Amazing!

Qin: That is a big help for us all.

Nico: Eli, please sense for Swartz's creations.

Eli was still beating up Flip.

Me: I'm afraid Eli is still preoccupied with beating up Flip there.

Eli then stopped 15 minutes later. Flip was brutally beaten up and mangled up beyond all forms of recognition.

But then a rumble was felt and then a massive geyser of gold and jewels exploded out of him and it went on for 45 minutes.

Me: WHOA!

Qin: Wow! No kidding.

Eli: That will teach him. Anyway lets see.

He concentrated.

Eli: We have 2 of them. Another Pyros and Another Emerald Princess.

Nico: Who wants to fight Another Emerald Princess?

Rarity: I will darlings. Since it's a princess for a jewel.

Qin: Good call there.

Me: I can't wait to see what we'll face on Lyra's first mission.

Twilight Sparkle: Lyra has been really excited for this one.

Me: I know. Nico I am willing to bet that the next Donbrothers monster we'll face is going to be for the Ohrangers next.

Nico: That's Chourikiki. And I have that feeling too.

Me: Care to place a wager if we're right?

Nico: You're on.

May: There she is!

We saw a dark figure come out and it was ANOTHER EMERALD PRINCESS! It was a black emerald version of her.

Me: Whoa! Black Emeralds are beautiful.

Nico: It sure is. Do Black Emeralds even exist?

Nicole: Well they do but they are much more rarer than green emeralds from Colombia.

Nico: That's amazing.

Maria: It sure is. And you are?

Another Emerald Princess: (Australian Accent) I believe that Nico knows me mates.

Nico: Rina McArthur!? Whoa!

She reverted back and was a girl with green hair and green eyes and green clothes.

Rina McArthur: Awesome to see you again Nico.

Nico: Same here.

Me: What Regi Pokemon are you for this time?

Rina McArthur: I am for Regigrass.

She turned into Regigrass. It was the Grass Type Regi.

Me: Cool! Gardenia, Erika and James would love this one.

Nico: Yeah!

She reverted back.

Rina McArthur: I know they would. And I heard you all have been finding my sisters mates.

Nico: We sure have.

Me: So far you are the 4th Regi Gene-slammer for a Pokemon we never saw before.

Rarity: Indeed. We are never seeing Pokemon like that before darlings.

Nico: And Rarity's facing you, by the way.

Rina McArthur: Right on mate. I love all of Rarity's fashions and she makes amazing clothes. I have a few of them back home.

Rarity: Oh I'm glad you love my clothes darling.

Rina McArthur: I sure do. They are all the hits over my favorite fashion magazine.

She pulled out a magazine called Fashion Jewel Love.

Leni: O.M. Gosh! That is totes one of my favorite magazines.

Qin: Awesome!

Rina McArthur: Yeah I get most of my favorite fashions from it.

Qin: That is cool.

Me: By the way Rina is the Another Pyros friendly or hostile.

Amy: I hope it's a hostile one that kills you all motherfuckers!

Me: Shut up Amy! No one asked for your answer!

Nico: Rude.

Rina McArthur: She needs to take a chill pill. But to answer your question she is friendly. You will be amazed by this one.

Me: I have a feeling we will.

Rarity: Come at me, darling!

Rina McArthur: With pleasure mate.

She turned into Another Emerald Princess and Rarity fired waves of jewels and blasted her down and she was back to normal and I caught the Wonder Ride Book. It was called The Outback

Adventurer Girl and The Emerald Crystal Forest. I brought her over as she was wobbling.

Rina McArthur: Crikey what a headache!

Maria: Time for some backup.

She pulled out the M.O.E. Cannon.

Maria: (TURNS DIAL) ILLUSION FLAME 6!

She summoned Mysterio, Tenaya 7, Shadow Mandy, Amadum, Tranceferer and Glori along with Zexion, Ghost of Merlin, Universe 666 Volpina and Chameleon (Marvel).

Nico: Awesome!

Chameleon (Marvel): (Russian Accent) This will be good. Nico I'm sorry I hit you over the head like that.

Nico: No worries Dimitri. It's all water under the bridge.

Chameleon: I honestly find this belt more easier to use then using masks.

Nico: It sure is a genius method.

Me: That was a really awesome way around the masks.

Xenia: It sure was.

Lola: Yeah.

Chameleon: Glad you think so comrades.

Varie: Yeah.

Nico: Now, we wait.

Amy: Wait for you to die!

Me: Shut up!

I fired my blaster and it hit Amy's head and blasted the top of her head clear off and exposed her brain!

Amy was drooling like a braindead monkey.

Sakura Knudson: Nice shot! I'm really sick of having to hear her voice.

Nico: Me too.

Pyros: I'm putting a gag on her.

Me: Okay.

Pyros did so.

Nico: That oughta shut her the fuck up.

Qin: Man she really is getting on our nerves.

Camie: No kidding.

Nico: NOW, we wait.

Nicole: If we're dealing with a titan made of pure lava then we need to go somewhere far more out into the open.

Me: Good idea.

We went outside into the stadium.

Nicole: Much better.

Then we felt an earthquake!

Me: WHOA! An earthquake!

Then we saw a mound appear out of the ground and then a new volcano bursted to life! Black Lava poured out of the volcano and it formed into a dark version of Pyros! It was ANOTHER PYROS!

Me: WHOA! That is an awesome entrance!

Qin: Hot too!

Lola: Extremely hot!

We were absorbing fire all over from it.

Me: WHEW! I'm sweating like a pig from that heat.

Nico: And you are?

Another Pyros: (In a girls voice) Sorry about that. I have a habit of making an entrance.

Me: (GASP) That voice.

She reverted back and she turned into a Lava Golem!

Me: Whoa a Lava Golem!

Nico: Wow!

She then turned into a girl with neon orange hair and had orange, red and brown clothes and had a Hellblade Sword and had lava angel wings.

Me: (GASP) Gianna Nicobar!

Gianna Nicobar: That's right. Awesome to see you again J.D.

Me: You too.

Nico: A Lava Golem Gene-slammer too? Wow!

Lincoln: Now me and J.D. both have gene-slammers for Lava Golem.

Nico: You sure do.

Pyros: That is awesome.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Geiz: (gets out Geiz Majesty Ridewatch) Because we can grant it instead.

Majesty Time! G3, Knight, Kaixa, Garren, Ibuki, Gattack~! Zeronos, Ixa, Diend, Accel~! Birth, Meteor, Beast, Baron! Mach, Specter, Bra~ve! Cro~ss-Z! Kamen Rider~! GeizMaje~sty!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Gianna Nicobar: No he didn't promise me anything. I released a powerful fire explosion that burned him and his lab and got out of there.

Me: Very clever.

Qin: Too hot to handle.

Kaito and Zocks: Zenkaiju Gear!

They donned their Zenkaiju Armor.

Qin: Oh yeah!

Me: Sorry we have to fight light this Gianna but it's the only way to save you.

Gianna Nicobar: I know. Do what you have to do.

She turned into Another Pyros!

Nico: (gets out Pyros' Ridewatch) Let's heat things up!

Nico activated it.

Nico: MELT ZEUS!

He fired waves of lava and drenched her all over.

Nico: (gets out Boxcars' Ridewatch) Now for this!

Nico activated it and fired globs of oil and splattered her all over as she was lit on fire.

Qin: Nice one.

Me: Yeah!

Nico: That one only added fuel.

May: (gets out Thraxx's Ridewatch) My turn!

She activated it and sent clouds of acid rain and burned her all over.

Qin: NICE!

Laney: That must've hurt.

Nico: Yeah.

May: (gets out Señor Cayenne'a Ridewatch) Time for things to get spicy!

She activated it and fired waves of fire and blasted her all over.

Nico: Oh yeah!

Me: El fuego!

Maria: (gets out Arachne's Ridewatch) Spider time!

She activated it and fired web blasts and smashed her down!

Me: YEAH!

Maria: And this.

She activated Firebird's ridewatch and fired massive blasts of fire and smashed her down!

Katara used her Waterbending and drenched her and cooled Another Pyros down. Then she used Boxcars's ridewatch and fired globs of oil and smashed her down!

Magma and his team consisting of Luna Ghost Draknarok, Vividria, Machine Gun Gamma and Darth Vader then came.

Nico: Nice team, Magma.

Magma: Thanks Nico.

Qin: This is gonna be awesome.

Maria: Where's the Next Gene Slammer?

Then a Luxray came out!

Me: Whoa a Luxray.

Qin: Awesome!

Luxray: (In a girls voice) (Egyptian Accent) This is gonna be so fun.

Qin: Nefertiri Anck-Su-Namun!? Whoa!

Nico: Cool!

Nicole: Wow! Are you directly?

Luxray: That's right. Anck-Su-Namun was my ancestor.

Me: That was my past life's mistress back over 3,000 years ago.

Luxray: That's right. Mistress of Pharaoh Seti I.

She reverted back and was a girl with black hair and had blue and yellow clothes on.

Nefertiri Anck-Su-Namun: This will be fun.

She fired waves of energy and lightning and blasted her down and I caught the ridewatch and purified it but then I dropped it because it was too hot!

Me: YEOWCH! Red hot!

I went and brought Gianna over.

Sakura Knudson: What did you mean by that J.D.?

Me: I found out that I am also the reincarnation of Pharaoh Seti I, the ruler of Egypt from back in 13th Century B.C. and he was killed by Imhotep and Anck-Su-Namun.

Nefertiri Anck-Su-Namun: That's right. My ancestor was a monster.

Qin: She was.

Sakura Knudson: Wow! That is so cool!

Qin: Ir sure is.

Katara: What's your favorite memory of Nico?

Nefertiri Anck-Su-Namun: When me and Nico were over in Egypt to learn more about my ancestral heritage and it was amazing.

Nico: That was awesome seeing it.

Me: Learning a lot about history in Egypt is awesome.

Nicole: It sure is.

Nico and Nefertiri hugged.

Nico: I've missed you.

Nefertiri Anck-Su-Namun: Me too Nico. Me too.

Nico: Let's go home

We paid for the food and went back home.

Long ago, he was an intelligent student and he was also in the same school as Lori and Becky Long. But, Becky Long knew of his true nature: he was really a mad scientist who wants nothing more than world domination, and he caused a lot of havoc and destruction with his creations: everything from gigantic robots to mutant monsters created by his brand of mad science. But, his last plot for world destruction was brought to an end by Becky Long and her sisters, and he was taken away by the cops and sentenced to Life In Prison without any possibility of parole. But, now years later, Nicholas Truett has broken out of prison, and he wants revenge on Becky Long and her sisters for ruining his plans for world domination long ago.

Lincoln: Ah, we're here in Tennessee, and I know what we're going to do here, not only am I going to rescue the six girls here, but Becky, Elsa, Harley, Jolene, Milan, you girls aren't going to like this: another old enemy of yours has come back, this time, it's mad scientist Nicholas Truett, and he's broken out of prison.

Becky Long: What?! That mad scientist freak's broken out of prison!

Elsa Long: Ugh, that bastard just doesn't know when to quit.

Me: Great, another fucked-up mad scientist is on the loose again?!

Nico: Though I can't say I'm surprised though, Becky and her sisters do know a lot of mad scientist freaks who'd caused a shit ton of trouble, same with The Huntington Sisters. Lincoln, what can you tell us about this freak?

Lincoln: You're not going to like it. Nicholas Truett was an intelligent student and he was also in the same school as Lori and Becky Long. But, Becky Long knew of his true nature: he was really a mad scientist who wants nothing more than world domination, and he caused a lot of havoc and destruction with his creations: everything from gigantic robots to mutant monsters created by his brand of mad science. But, his last plot for world destruction was brought to an end by Becky Long and her sisters, and he was taken away by the cops and sentenced to Life In Prison without any possibility of parole.

Becky Long: And now years later, Nicholas Truett has broken out of prison, and he wants revenge on me and my sisters for ruining his plans for world domination long ago.

Lincoln: Someone other than Damian has to be responsible for breaking Nicholas Truett out, since I'd sent that psycho to Hell and that curse I put on him yesterday will make sure he stays there until The Ridonculous Race. So, we need to find out who it was that did the dirty deed by sucking out Nicholas Truett's mind and brain, and I want to thank you and your team for joining us, Ebonwumon.

Ebonwumon: You're welcome, Lincoln. Plus, Anna Flores is really happy you saved her yesterday, I can't believe her heartless sister, Lea, would do something like that.

Lincoln: She murdered her own mother and framed her mainly out of hatred, that was just absolutely sick, and I was literally that pissed off in every way.

Nico: (Gulps) We saw it for ourselves, and I thought Lori, Lynn, and Lola were scary when they get really mad. (Shudders)

Suddenly, we saw B.E.S. Crystal Core appear before us, and with it are the six girls.

Nico: (Whistles) So, that's B.E.S. Crystal Core, awesome.

B.E.S. Crystal Core: (Girl's voice) That's right, and I got the six girls away from that mad scientist psychopath, Nicholas Truett, and I really pissed him off already for you, Becky, Elsa, Harley, Jolene, and Milan.

Lincoln: (Gasps) That voice, I knew it was you, Ramona Long.

?: BECKY LONG, YOU AND YOUR FUCKING SISTERS WILL PAY FOR RUINING MY PLANS FOR WORLD DOMINATION!

We then saw our target: a young man with brown hair, red eyes filled with hate, and he had on an orange prison jumpsuit, it was former high school student now convicted world domination-crazed mad scientist, Nicholas Truett, and boy was he outright pissed off.

Max Goof: I'd save the catching up for later, guys, we got business to take care of.

Lincoln: Yeah. Time to send you back to prison for good, you mad scientist freak!

Then, Lincoln sprouted out a tentacle with a leech-like mouth on the tip, and as he latched it onto Nicholas Truett's head, Lincoln sucked out his mind and brain, and he gained a massive intelligence boost as he also gained Nicholas Truett's memories, and he saw every last one of his crimes in his plots to take over the world, and he saw who it was that broke him out: it was the jealous murderous ex-older brother of Becky Long, Elsa Long, Harley Long, Jolene Long, Milan Long, Ramona Long, and Daphne Long, Ryan Long. When Lincoln was done sucking out all of Nicholas Truett's mind and brain, the tentacle removed itself and went back into Lincoln, and we saw that Nicholas Truett's mind was gone and he was now really dumb and brainless, and he was tied up with a rainbow energy straitjacket and beamed back to prison. We cheered as we holstered our weapons and powered down.

Lincoln: That'll teach you never to come after Becky and her sisters again, you mad scientist freak, and Becky, you, Elsa, Harley, Jolene, Milan, and Ramona aren't going to like who it was that freed that mad scientist freak, it was your jealous ex-older brother, Ryan Long.

Becky, Elsa, Harley, Jolene, Milan, and Ramona gasped in shock.

Becky Long: Ryan was the one who broke that mad scientist out?! Of all the dirty, stupid things he has ever done!

Lincoln: And it gets worse, it turns out he was also the one who orchestrated the break outs of Lisa Cadieux, Catherine Cadieux, and the former relatives of Avalon's ex-mom's side, James Carver, and David Anthony, and also, bringing Xavier Andrews back from the dead.

WE GASPED IN EVEN MORE SHOCK!

Me: So, that means…?!

Nico: He forced that psychopath, Damian Constantine, to do his dirty work. He really is nothing more than pure fucking evil.

Lori: Why, that dirty, rotten, stupid thug! He literally has gone too far!

Me: And it sounds like Becky and her sisters really hate this bastard.

Lincoln: Plus, you're going to hear the full story very soon. (To Ramona Long) And it's so good to see you again, Ramona Long.

Ramona Long reverted back to normal, and she's a beautiful girl with long aqua blue hair, aqua blue eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful aqua blue angel wings, she's dressed in brown clothes that look like Becky Long's, and long white long-sleeved trenchcoat with water, ocean waves, and space ships on the coattails and on the back is B.E.S. Crystal Core, and holstered on her back is a massive B.E.S. Crystal Core-themed greatsword with embedded aqua blue gems and B.E.S. Crystal Core etched on the 7'0" massive, wide, double-edged aqua blue blade, large B.E.S. Crystal Core heads for the crossguard, large aqua blue gems embedded in the hilt, longer midnight black handle, four large B.E.S. Crystal Core heads and large aqua blue gem on the bottom of the large B.E.S. Crystal Core heads for the pommel.

Ramona Long: You too, Lincoln, it's been a long time.

Lincoln went up to Ramona Long and he hugged her, and Ramona Long is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Ramona Long: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: Whoa, Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Becky Long: And so do we. The B.E.S. Crystal Core Gene-Slammer is Ramona Long and one of my sisters, she's Lincoln's Guardian Angel from Michigan, and like us, Ramona Long is a very strong and powerful technomancer, and like all of us, she was pronounced braindead at age 4 and the doctors came up with a very risky and dangerous operation. They replaced her dead brain with an artificial Positronic Brain, and it gave her incredible powers of Technokinesis and it also turned her mind into a very incredible computer capable of storing an infinite amount of information and unleashing the full 100% of her brain power.

Nico: Way cool.

Becky Long: And when she got Gene-Slammed into B.E.S. Crystal Core, she also gained powerful water powers, and just like all of us, Ramona is also in Lori's school and she's protected Lincoln from the worst of Lisa Loud's fury and almost got Lisa disowned and sent to a nuthouse in the federal prison system forever as well as have all of her science stuff confiscated by the scientific community forever. But, wait until she finds out that the person person responsible for turning her into the heartless, emotionless mad scientist she, her eldest sister, and her other sisters have hated was none other than Killjoy Huggins, and this happened under their noses when Lincoln was in Third Grade.

Ramona Long: I've hated that heartless emotionless mad scientist with a passion for what she did in subjecting her little brother and her family to her mad experiments.

Lincoln: Well, you're not going to like this bit of news, Ramona: J.D. found out the person responsible for turning Lisa into the heartless, emotionless mad scientist, you, your eldest sister, and your other sisters have hated was none other than Killjoy Huggins.

Ramona Long: (Gasps) What?!

Elsa Long: It's all true, Ramona. Killjoy Huggins, the Dark Side of Principal Huggins, turned Lisa, Lori, Lynn, Lola, and Luan into those heartless monsters by injecting them with a Dark Side Creation Serum when Lincoln was in Third Grade, so he can get rid of Lincoln once and for all. He did this and right under our noses the whole time.

Lincoln: But, you don't have to worry, we removed that killjoy from Principal Huggins, and we dealt him a massive payback for all the crap he's done to me.

Harley Long: And Lincoln sent him to The Black Gates forever, thus ending the source of his pain and suffering for good.

Ramona Long ran up to Lincoln and hugged him tight, and he hugged her as she cried hard into his bare chest.

Eli: Killjoy Huggins really did a lot of damage on that day.

Lincoln: Becky's sisters had no idea that miserable killjoy did all that under their noses, and all to kill me because he hated me. Now, I'm really glad I killed him, he's one person who deserved to die for everything he put me through.

Ramona Long: That bastard really is a jerk. (To Lincoln) Oh, Lincoln, there's something we also want to give you.

Lincoln: Let me guess, you want to give me your blood, right, Ramona?

Ramona Long: How'd you guess what we were about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Ramona Long: Ooh, I knew it was a matter of time before you'd start marking your future wives.

Lincoln went up to Ramona Long, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Ramona Long: You're still just as gentle as ever when you feed on one of your Guardian Angels, Linky.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Ramona Long's neck with aqua blue gems on the gold lightning bolts and aqua blue crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Ramona Long: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Ramona Long.

Ramona Long had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw who they were, he immediately recognized them. The six girls are Sakura Suenaga, Manami Kanaya, Miu Sukita, Natsumi Kuwasaka, Shinonome Midou, and Yui Sukita from Iris.

Lincoln: Oh wow, it's Sakura Suenaga, Manami Kanaya, Miu Sukita, Natsumi Kuwasaka, Shinonome Midou, and Yui Sukita from Iris.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Sakura Suenaga: Yes, we're okay, thanks to you.

Then, when Sakura Suenaga and the other five girls saw who it was that saved them from Nathaniel Truett, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, his own version of He-Man's chest harness with colored gems on the orange straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted search Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, Defender of His Many Guardian Angels, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, his male white Rabbit Familiar, Alistair, his white Vampire Bat Familiar, Artemis, and his white Wolf Familiar, search Seiko, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

Sakura Suenaga: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Sakura Suenaga: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Sakura Suenaga, Manami Kanaya, Miu Sukita, Natsumi Kuwasaka, Shinonome Midou, and Yui Sukita with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and they were shocked to find out the villain we went after was Nathaniel Truett, once an intelligent high school student, but was exposed by Becky Long as a mad scientist who wanted nothing more than world domination, and he caused a lot of havoc and destruction with his creations: everything from gigantic robots to mutant monsters created by his brand of mad science for years. But, his last plot for world destruction was brought to an end by Becky Long and her sisters, and he was taken away by the cops and sentenced to Life In Prison without any possibility of parole. But, now years later, Nathaniel Truett broke out of prison with revenge on Becky Long and her sisters for ruining his plans for world domination on his mind.

But, when Lincoln showed everyone what we did in beating that mad scientist freak down and Lincoln finishing him off by sucking out his mind and brain and turning him into a brain-dead drool monkey and sent back to prison for good, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln and Ramona Long have a lot of catching up to do, now that they're back in town.

Maria: That's one less fucked-up mad scientist and another enemy of The Long Sisters defeated for good.

Lincoln: You got that right, and like I did to David Anthony, James Carver, and Lisa Cadieux, I made Nathaniel Truett a brainless drool-monkey when I sucked out his mind and brain.

Nico: And we found out that Ryan Long, the ex-older brother of Becky Long, Elsa Long, Harley Long, Jolene Long, Milan Long, Ramona Long, and Daphne Long, was the one behind the breakouts of Avalon's ex-sister, ex-mom, and former relatives on her ex-mom's side, the breakouts of mad scientists James Carver, David Anthony, and the resurrection of mad scientist Xavier Andrews.

Everyone who wasn't with Lincoln during his rescue gasped in horror.

Maria: So, that means…?!

William: Damian Constantine wasn't the one who was responsible for the breakouts of James Carver, David Anthony, Avalon's ex-sister, ex-mom, and former relatives on her ex-mom's side, and the resurrection of mad scientist Xavier Andrews, the real mastermind was Ryan Long.

Lincoln: And like I said, you guys are going to hear the full story about him and his toxic antagonism towards Becky Long and her sisters.

---

After taking down Nathaniel Truett and sending him back to prison for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Ramona Long saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Ramona Long: Whoa, I was right that Lincoln's really grown into a 17-year-old, 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Ramona, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Ramona Long: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Ramona Long: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Becky, Elsa, Harley, Jolene, Milan, Ramona, what's the story behind the antagonism that your ex-older brother, Ryan Long, had against you all?

Becky Long: I knew this would one day get out, and it's something we, along with our parents, have kept hidden for years. You already know how me and my sisters at age 4 had been pronounced brain-dead and we'd gotten our dead brains replaced with artificial positronic brains, and it led to all of us gaining incredible Technokinesis and turned our minds into incredible computers capable of storing an infinite amount of information and unleashed the full 100% of our brain-power. Well, one day, we had decided to do some investigating in this matter, and we soon found out that when we were four, Ryan poisoned us with a lethal drug that caused us to be declared brain-dead.

We gasped in shock.

Nico: WHAT?!

Elsa Long: Yep, it's true, and that lethal drug he got was from a gang of drug dealers that were in the Royal Woods area. He wanted to kill us, because he was not only jealous of us, but he absolutely hated us since the day we were born.

Me: (GROWLS) Why, that fucking sicko, I ought to rip his heart out and eat it right in front of his dumb face!

Lincoln: I was absolutely disgusted by that jealous asshole as well, and they decided to get revenge on him. So, they gathered the evidence of Ryan's crimes and they even captured the gang of drug dealers who sold that lethal drug to Ryan, and once handed to the cops, they sang like canaries and they told them Ryan was the one who wanted them dead. Then, hours later, the cops came and they arrested Ryan for attempted murder, and they also found out he had a litany of other crimes as well: destruction of property, brutal assault, aiding and abetting wanted criminals such as mad scientists Xavier Andrews, James Carver, David Anthony, and Nathaniel

Truett, embezzlement, kidnapping, attempted murder, and many other charges. At the trial, Becky and her sisters provided all of the testimony and evidence to the prosecutor, and by the end of the trial, Ryan Long was found guilty on all charges, and because he was seventeen at the time of his crimes, he was sent to juvie for a year, and when he turned eighteen a month later, he was then transferred to the Ionia Correctional Facility where he would spend the rest of his life.

Nico: What a fucking piece of trash, I can't believe he would do something like this.

Me: This is sibling rivalry gone very wrong, and it escalated into attempted murder plots.

Lincoln: And unlike Becky and her sisters who were intelligent geniuses, Ryan's not a genius, he was a thug who used violence, brute force, and intimidation and he tortured anyone who got in his way, and to find out what he tried to do to my Guardian Angels when they were four, if he ever escapes and tries to go after them, I'll do to him what I did to Eva yesterday.

Anna Flores: We may get that chance tomorrow, since we're going to meet the last of Becky's sisters, Daphne Long.

Lincoln: That could be a perfect rescue tomorrow, Anna.

We got a shower afterwards, and then, Lincoln, Trixie, Liza, Rochelle, and Aya are heading to Whimsical Waters.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Trixie, Liza, Rochelle, and Aya were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Trixie, Liza, Rochelle, and Aya had feelings for Lincoln, and he had the very same feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant.

Trixie: Wow, so this is Whimsical Waters, it sure is beautiful.

Lincoln: I've been here to Whimsical Waters before, Trixie, and it's always beautiful, and it's perfect for our first date. Shall we?

Lincoln, Trixie, Liza, Rochelle, and Aya dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Trixie, Liza, Rochelle, and Aya got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Trixie, Liza, Rochelle, and Aya, and they hugged the girls in their abnormally massive and powerful muscular arms, and Trixie, Liza, Rochelle, and Aya placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Gelato Beach, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Trixie, Liza, Rochelle, and Aya with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Trixie, Liza, Rochelle, and Aya are now part of your harem.

Dawn (Pokemon): That's so awesome!

May: Oh man, and there's no way to keep count of how many of our old friends had fallen in love with Lincoln.

Anna Flores: We do have Bayonetta's book, and we've kept the names of all those in his harem, including me.

We saw that Anna Flores had an Elemental Thunderbird Necklace of Eternal Love with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha and an Elemental Thunderbird Choker of Eternal Love on her neck, and we also saw that she has a bite mark on her neck, no doubt Lincoln fed on her and marked her.

May: We should also get a book like that to keep track of the girls in Nico's harem.

Qin: Good idea.

---

Later Tommy was getting ready for lunch.

Tommy Oliver: I'm heading out to get some lunch. You guys wanna come?

CC: We sure would!

Me: Sure Tommy. We got nothing else to do.

Tommy Oliver: Awesome.

We went with Tommy.

---

We saw an Onigiri stand.

Kuzco: There's someone selling Onigiri over there.

Me: Boy I haven't had Japanese Rice Balls in like forever.

Takeru: You know some of our food?

Me: Been to Japan numerous times. So awesome.

Nico: It sure is.

We went up to him and the man running the stand was very familiar.

Me: (In my head) Wait a second. I've seen him before. That's Yukio Mizuno. And I have a strong feeling that he is the next Donbrothers monster.

Yukio Mizuno: Here you go. Some of my best Onigiri.

Me: Arigato.

We got to eating.

Me: Mmm! (Eating) Delicious. Perfectly well made.

Yukio Mizuno: Arigato.

Nico: (Eating) Mmm! Delicious.

Sakura Knudson: Man J.D. you went all over the planet haven't you?

Me: I sure have sis. When you travel all over the universe and the world you go see many places you've never seen and many people you never met before. It's so awesome to learn from.

Nico: It's really fun.

Lori: It sure is.

Me: (Telepathically to Nico) Be ready for anything Nico.

Nico: (Telepathically to me) Right I know.

Tommy Oliver: This is actually pretty good!

Yukio Mizuno: It is, isn't it?

Me: It sure is.

Tommy Oliver: All it needs is some salt.

Yukio Mizuno: What?! No. It needs to be perfect. It doesn't need salt!

Me: Uh oh.

Tommy Oliver: Hey, calm down. No one's perfect. Everyone makes mistakes.

Yukio Mizuno: YOU SHUT UP! I need more… More and more onigiri! Tell me… WHAT DO I HAVE TO DO SO MY ONIGIRI IS PERFECT!

With that, he was surrounded by an energy circle with the Ohranger logo. Then, he turned into CHOURIKIKI FROM EPISODE 4 OF DONBROTHERS!

---

At Rolling Onigiri, Tsuyoshi and Taro meets Mr. Mizuno, and prepares to hand him a business card and formally introduce himself, but Taro is more direct and insists that they eat the food to discover the problem while looking inside the shop. Inside, Taro and Tsuyoshi try Mr. Mizuno's onigiri. Tsuyoshi thinks it is just okay but Taro thinks it is wonderful, its preparation is good by using just enough air to mold the rice and the umeboshi is well flavored. But, he interjects when thanked for his compliment that the onigiri is not enough to emotionally move people to love the product. Taro suggests sampling his competitors to get a feel for the local flavor while also reassuring Mr. Mizuno he almost has an excellent onigiri. Excited, Mr. Mizuno takes Taro's advice and leaves the shop to sample onigiri.

While Mr. Mizuno is sampling more onigiri, his desire for making the perfect onigiri has led him to a downward spiral of gluttony, causing the Chourikiki's Aura to materialize behind him.

Mr. Mizuno then stumbles into the restaurant in exhaustion, believing he has mastered the secret to onigiri. He prepares some and serves it to Taro, who says it is fantastic and the second best in Japan, giving it a 99% out of 100%. While everyone else is happy and cheering for Mr. Mizuno, Taro's usual blunt honesty affects him and he angrily wonders what he did wrong. Taro shows off his technique for making onigiri and offers one to Mr. Mizuno, who is moved to near tears by its flavor and texture and believes it to be onigiri made from the heavens. Taro is reminded how Mr. Mizuno once talked about the food his grandma made for him as a child. For Taro, he would always make onigiri as a kid for his father Jin as he headed off to work. The difference in quality is from someone who just is serving and someone who serves others selflessly.

Mr. Mizuno resents Taro and gets a massive headache, stumbling outside and desiring more onigiri as he thinks his are not good enough, transforming into Chourikiki and bombarding onigiri into people's mouths. The onigiri has an effect of sealing a target's mouth shut so that they cannot remove it. Chourikiki demands to know how his onigiri tastes as he rampages. Tsuyoshi tries to stop Mr. Mizuno, changing into Kiji Brother and fighting the Anoni that appear to assist Chorikiki.

Oni Sister, Saru Brother and Inu Brother appeared and Avatar Changes into Lupin Blue, Lupin Yellow, Ryusoul Pink and Ryusoul Black and battle the Anoni until Sonoza interferes the battle. Sonoza goes towards Chourikiki and Tsuyoshi worries as he does not know what to do as he pleads for Mr. Mizuno to run since the Anoni prevent him from reaching him in time.

Sonoza is about to go in for the kill, when Don Momotaro in his Alter form blocks Sonoza's spear and the ToQger Alter rams him, then the two combine and crush Sonoza's foot with its pincers. The two mecha vanish and Don Momotaro makes his grandstanding entrance, much to Haruka's dismay. Don Momotaro keeps Sonoza away from Chourikiki, even pushing the monster through a door to keep out of harm's way. Don Momotaro uses the Sharp Acute Slash attack to weaken Sonoza, who decides to retreat in annoyance.

Don Momotaro then turns his attention to Chourikiki, promising Mr. Mizuno that his onigiri will make people happy and he will save him. The other Rangers finish up destroying the Anoni and on Don Momotaro's command, execute the Momotaro Slash. Chourikiki is destroyed and Mr. Mizuno is back to normal. The purified OhRanger Avataro Gear materializes in Cafe Donbura, with Kaito examining it.

Sometime later, Rolling Onigiri is now a booming business thanks to Tsuyoshi and Taro's help. Mr. Mizuno is making delicious onigiri and Tsuyoshi stops by for lunch to enjoy some. Mr. Mizuno wants to thank the both of them but wonders where Taro is. Tsuyoshi says he suddenly quit Pheasant Consultant as he has not been around the office or shown up for work.

Me: Chourikiki! I knew it! I remember this guy!

Nico: Boy me too!

Me: He was really pissed at Taro for dissing his Onigiri and he went ballistic and turned into him!

Nico: WHOA!

Lyra: Now we're talking!

Me: Eli get everyone to safety!

Eli: Right!

Eli went and did so!

Me: Lets dance!

Lyra: Time to kick some Hitotsuki butt!

Me: Brutally and painfully!

Tommy Oliver: It's Morphin Time!

He used his Zeo Powers!

Tommy Olivers: ZEO RANGER V! RED!

He turned into his Zeo Red Form!

Qin: OH YEAH!

Me and Lyra jumped and punched and kicked Chourikiki and blasted him all over the place and smashed and blasted him!

Me: Take this!

I fired energy blasts and they hit him and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMM
KRABBBBBBBBBBOOOOOOOOOOOOOOOOOMMMMMM!
KRABBBBBBBBBBOOOOOOOOOOOOOOOOOMMMMM!

He was blasted down. But he got back up!

Chourikiki: You all taste my onigiri. I dare you to say it isn't perfect!

Chourikiki fired several Onigiri at us but we dodged it. Instead, they went into the mouths of several civilians. The onigiri sealed their mouths shut so that they couldn't remove it.

Me: What the fuck! I remember seeing that!

I snapped my fingers and undid his spell.

Me: Time for some of our home cooking!

Chase (Fighting Foodons): Right!

He made his Shrimp Daddy, Dim-Sumthin' Special, Fruit Turtle, and Feastivus

Me: Oh yeah! Now for some nuclear spice.

I pulled out a nuclear hot Ultimeatum. It was called THE ULTI-SPICEUM!

I put a meal ticket on it and it turned into SPICEDAR!

Me: Meat Spicedar!

Spicedar looked like a Burger Dragon version of Olympius in his Super Demon Form!

Nico: WHOA!

Qin: That is cool!

Chase: Nice job J.D.!

Me: Thanks. Spicedar attack! INFERNO SPICE WAVE!

He fired a blast of fire from his mouth and burned Chourikiki and blasted him down all over in powerful fiery explosions!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMM
KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOMMMMMM!
KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMM
KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOMMMMMM!
KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOMMMMM!

He was blasted all over and he got back up.

Chourikiki summoned pyramids.

Cybertron Ransack: (laughs) That's it?!

Me: We're just getting started.

The pyramids then came to life and started attacking us.

I slashed and blasted the pyramids all over and blew them apart!

Then Anoni's came.

Me: Nice!

I fired waves of energy and lasers and blasted them all over!

Lyra slashed and blasted Chourikiki all over the place and teleported and kicked him in the back and knocked him down!

Lyra flipped and jumped back.

Lyra: WIND STYLE NINJA ART: TRIPLE X-RASENSHURIKEN!

She threw three X-Bladed Rasenshuriken and they all hit Chourikiki and exploded with incredible power!

EXTREMELY MASSIVE AND POWERFUL EXPLOSION!

Me: WHOA!

Naruto: WOW! That was awesome!

Nico: Well done!

He got up.

Chourikiki Ran fast at us. Tommy Oliver charged at him and I followed.

Me and Tommy then rammed him and a massive fiery explosion blasted out with incredible power!

THHHHOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

He was REALLY BURNED ON THAT ONE!

Chourikiki got up and he was REALLY MAD!

Chourikiki: YOU DO NOT GET TO INSULT MY ONIGIRI!

Tommy Oliver: All because I said it needed salt?!

Me: Geez! How pathetic can you get!

I fired waves of energy and blasted him all over!

Lyra fired waves of energy and blasted him all over.

Me: Maybe you should try other things besides Onigiri like Burgers!

EXCALIBURGER AND LITTLE BLUE BOMB MAGISWORDS!

Me: SOLO TEAMWORK COMBO: AERIAL BURGER BOMB BARRAGE!

I fired waves of burger bombs and they hit Chourikiki and exploded!

FIERY INCREDIBLE EXPLOSIONS!

Qin: Nice one!

Lyra jumped through the explosion as he was getting up and she slashed him all over.

Nico: Just calm down and we can talk about this!

Chourikiki: The only thing we'll talk about is you trying my Onigiri and saying it's perfect!

Me: Do us all a favor and SHUT THE FUCK UP!

I teleported and kicked him in his face and smashed Chourikiki down.

Me: Tommy lets blast him with the Zeo Cannon.

Tommy Oliver: You got it!

I summoned the Zeo Cannon.

Me and Tommy charged it up.

Me: Ready?

Tommy Oliver: Aim…

Me and Tommy: FIRE!

We fired a massive blast of rainbow energy and it hit Chourikiki in the back and exploded!

KRABBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOO

Me: YEAH!

But he wasn't done yet.

Me: That was awesome though!

Skids: The Zeo Cannon hit him and he's still moving?!

Me: Got it admire how tough he is.

Qin: Me too.

Then a Kricketune came!

Me: Cool a Kricketune!

Nico: Awesome!

Kricketune: (In a girls voice) Let me get some shots in on him.

Nico: Zoe Monserrate! Wow!

She slashed and blasted Chourikiki all over.

Kricketune: We can talk later Nico. Right now you guys have your hands full.

Nico: We sure do.

Lyra slashed Chourikiki all over.

Edzilla: ED SMASH PYRAMID HEAD!

He smashed and pulverized him all over the place.

Me: Lets see. I know.

I used the ToQger gear I got.

Me: Time to see the Sparkle Shine Bright!

I used the Rainbow ToQ Ich Gear and I glowed in an intensely bright rainbow aura!

Me: WHOA!

Supernova Zap: Wow! Emperor Z would love seeing this one!

Nico: He sure would! J.D. got the awesome sparkle of Right Suzuki!

Right Suzuki: That is awesome!

Me: This is intense! FULL SPEED AHEAD!

I went at Chourikiki and smashed him down with the force of a Bullet train into a pile of garbage!

Nico: I swear, when we make food, we won't freak out like this.

Qin: I know that Nico.

Eli: If I remember correctly, Yukio had a really nasty short fuse.

Camie: He sure did.

Nico: That is true.

Me: Taste this!

KAMEN RIDER! EVIL GHOR!

I fired his plasma beam and it hit Chorikiki and exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Qin: YEAH!

Nicole: Nice one dad!

Nico: Awesome!

Me: Nico feel free to join the battle if you want?

Nico: My pleasure!

Nico ran in and kicked Chourikiki in the face.

Me: Tommy try this.

I gave him an Evil Star Kamen Rider Equipment Card.

Tommy Oliver: Lets see what this does.

KAMEN RIDER! EVIL STAR MAGNETIC SCEPTER!

He got a star scepter imbued with Evil Star's powers and Tommy fired it and blasted Chourikiki down!

Me: WHOA!

Xenia: That was awesome!

Laney: Clever thinking there!

Tommy Oliver: I honestly didn't see that coming!

Me: I made these cards for us Tommy. They are really handy.

Nico: Yep they sure are.

Me: I tested one out on Lewa's final ambassador mission and they pack an amazing punch.

Lewa: It's true Tommy. They sure do.

Tommy Oliver: Wow! That is so cool!

Me: If Nico can make awesome Zenkaiger gears then I can make legend items for us too.

Nico: You are one smart guy J.D.

Me: I found out that the Dark Orb Contamination was hindering some of my smarts too.

Nico: Whoa I see.

Me: Yeah.

Chourikiki got up.

Chourikiki: YOU WILL LIKE MY ONIGIRI!

Maria: Is this really worth freaking out over?!

Nico: This is getting dull!

Lyra: I agree. Time to end this.

Me: I agree there. Tommy lets deliver an awesome combo!

Tommy Oliver: You got it!

Me and Tommy grabbed our hands and we jumped and did an awesome spinning kick!

Me and Tommy: SPINNING PHOENIX ZEO KICK!

We spun fast with incredible energy and smashed into him with devastating force and Lyra slashed him with an incredible slash and then….

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He exploded! Chourikiki was dead and Yukio was back to normal!

I caught the Red OhRanger gear.

Me: Cool! Chourikiki you have failed this city!

Nico: Yeah he has!

Lyra Heartstrings: All's Well That Ends Well.

Nico: YEAH!

Yukio then vanished.

Me: Looks like it's back to Japan for him.

Qin: He's gonna have one helluva headache from that one.

Me: Yeah no kidding. Sonoshi is going to be pissed from that one.

And sure enough, HE WAS!

He punched an air conditioning unit on a building he was watching the battle from and it exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I saw it and I smirked.

Me: (SMIRKS)

Zoe Monserrate Reverted back and she was a girl with black hair and had red clothes.

Zoe Monserrate: That was so awesome though!

Tommy Oliver: What's your favorite memory of Nico?

Zoe Monserrate: My favorite is when me and Nico went into a haunted house and we found a treasure there and we busted the Ghost of Bigfoot.

Shaggy: Like I remember that! Laurel and Hardy were with us on that one.

Me: That's impossible! Laurel and Hardy the famous comedy duo have both been dead for over 60 years.

Shaggy: Like yeah we know. But it was awesome.

Nico: I remember that though. It was fun.

Qin: That was Jonathan Crabtree no doubt. He was running a stolen car and smuggling operation and he dressed up as the ghost of Bigfoot to prevent his operation from being seen.

Shaggy: Like yeah. I remember that.

Me: That was awesome and I bet he was a repeat offender too.

Nico: He was.

Nico and Zoe hugged.

Nico: I've really missed you.

Zoe Monserrate: Me too Nico. Me too.

Me: By the way Nico pay up.

Nico: Oh right. We had a bet. Drat!

Nico gave me $100,000.00.

Qin: Sorry about that.

We went back home.

Thorn: Nico, which teams have you made this time?

Nico: Yusuke's team will include Harold, Takeru, Yura, Huntington Twins and Alexis Kim. Keiko's team will include Honoka, Emu, Bianca Mantodea, Margaret Gilroy and Erin Fay.

Yura: Ooh I'm looking forward to this one.

Celestia Huntington: Yeah this is gonna be so awesome and fun!

Erin Fay: It sure will be fun!

Qin: Yeah!

The Previous group then came.

Manta Bayarah: Can me, Rowdyruff Boys, Gameface, Electropede, Ryugu Tamatebacco, Count Nocturne, Black Knight Ghost, Stonedozer, Marionette Shadow, and Kerbero Gangan go with you guys?

Yost Executioner: Me, Evil Vespa Woman, Evil Desert Man, Evil Bubble Man, Bond Man, Millipede Pete, Yost Molten Man, Ghost of Merlin, Mortimer Mouse, and Two Face will come too.

Boomer: And that Rider Equipment rocks!

Me: Thanks.

Nico: Glad you think so. And yes you all can come with. And I have just the mission for all of us. We're going to the world of Shark Tale.

Me: Cool! About time we covered that one.

Qin: I love Shark Tale!

Xenia: Awesome movie!

Lola: Yeah!

Nico: Yep. First we'll watch the movie and then we'll head out.

Drillhorn: Nico, which Gene Slammers do you think you'll meet next?

Butch: There's going to be 3, right?

Nico: Yes there will be three of them. Roserade, Rampardos and Bastiodon next.

Me: Ooh! Got some good ones next.

Qin: Yeah.

Nico: Lets get to watching the movie.

Brick: I'll get the popcorn.

He went and did so.

We got to watching the movie.

---

In the Southside Reef, a lowly Bluestreak cleaner wrasse named Oscar fantasizes about being rich and famous, but owes money to his boss, a pufferfish named Sykes. His best friend, an angelfish named Angie, offers him a pearl that was a gift from her grandmother to pawn and pay his debt. Meanwhile, Don Lino, the boss of a mob gang of sharks, orcas, swordfish, and octopuses, dislikes that his son Lenny is a vegetarian, and orders his eldest son, Frankie, to mentor Lenny.

Oscar brings the money from the pearl to a seahorse race to meet Sykes, but hears that the race is rigged and bets it all on a seahorse named "Lucky Day". A lion fish gold digger named Lola sees this and flagrantly seduces Oscar. Sykes is annoyed that Oscar bet the money, but he hopes that Oscar might win. Lucky Day eventually takes the lead, only to trip and lose short of the finish line. Sykes loses his temper and orders his two Jamaican jellyfish enforcers, Ernie and Bernie, to deal with Oscar. While the two shock a tied-up

Oscar, Frankie sees them and urges Lenny to eat Oscar, but Lenny instead frees Oscar and tells him to escape. Furious and fed up with his brother's tenderness, Frankie charges at Oscar, but is suddenly crushed to death by an anchor from the surface. Devastated and blaming himself for his brother's demise, Lenny leaves. With no other witnesses, Oscar takes credit for killing Frankie and quickly rises in fame as the "Sharkslayer".

Sykes becomes Oscar's manager and forgives his debt, and Oscar moves to the "top of the reef" to live in luxury. At the same time, Lino has everyone search for Lenny and the "Sharkslayer". Oscar encounters Lenny who, aware of Oscar's lie, begs Oscar to let him stay at his place to avoid returning to his father. Angie soon finds out about Oscar's lie and threatens to tell everyone, but he and Lenny convince her to be quiet. The next day, Oscar and Lenny stage a battle involving Oscar "fighting" off Lenny, thus cementing Oscar's popularity and making the sharks believe that Lenny has been killed too, infuriating Lino. Lola kisses Oscar on camera, making Angie jealous. That night, as Lenny disguises himself for his new life as a dolphin, Oscar and Angie get into a heated argument, where she reveals that she had feelings for Oscar even before he became the "Sharkslayer". Oscar reflects on his selfishness and dumps Lola, who beats him up in anger.

Oscar buys some gifts for Angie, only to discover that Lino has kidnapped her to stage a meeting, which Lola is also attending in revenge for being dumped. Lino threatens to eat Angie if Oscar does not surrender, but Lenny "eats" Angie to save her. He soon regurgitates her, and Lino realizes the "dolphin" is Lenny. Enraged, Lino chases Oscar through the reef. Oscar flees to the Whale Wash, accidentally trapping Lenny in the machinery before also trapping Lino. Everyone cheers for Oscar, but he finally confesses the truth behind Frankie's death while urging Lino to respect Lenny's lifestyle. Lino reconciles with Lenny and accepts him, and states that he and his gang bear the city no ill will. Oscar forsakes all the wealth he has acquired, becomes co-owner of the Whale Wash (which is now frequented by the gang members), and begins a romantic relationship with Angie. Meanwhile, a remorseful Lola goes to Oscar's old penthouse hoping to make amends, only to encounter hermit crab Crazy Joe instead.

We were laughing and some of us were even dancing to the Carwash Song. When the movie was done we were cheering wildly.

Qin: (LAUGHS) So awesome!

Xenia: Yeah! That was great!

Me: Yep. So we're going after Lino's Dark Side.

Nico: Yep. And I love that gangster talk he did. Suddenly, Lincoln's deep sapphire eyes glowed and turned into rainbow colors and the rainbow iris of his Third Eye glowed, and he had a vision of what's happening: it appears that Lino's Dark Side has been causing Lino trouble, and he's struggling with trying to get it out of him.

Lily the Mermaid: Linky, what's wrong?

Nico: We saw your deep sapphire eyes glow and turn into rainbow colors and the rainbow iris of your Third Eye glow, something big is happening, right?

Lincoln: Yep, and it's trouble: it appears that Lino's Dark Side has been causing Lino trouble, and he's struggling with trying to get it out of him.

Me: From Shark Tale. Oh man, and you just found our next mission, Lincoln. And are you now doing okay, after your talk with Valiant yesterday?

Lincoln: Yeah, I am, that talk with him has given me the courage to not give up on everyone around me. But, this still gives me the extra push to see to it that the terrorist groups that'd formed thanks to Burns' manipulative nature are destroyed for good and his influence wiped from the face of the Earth.

Nico: Our satellites are already making sure of that, along with our Defense Grid. But, we haven't heard from anything from our satellites for a long while.

Me: Do you think they're planning something big, and could it involve getting Ryan out of prison to get revenge?

Lincoln: That could be, since that jealous asshole absolutely hates everything and everyone, and like I said, if that scum-sucking buttface dumbass breaks out tomorrow to get revenge, I'm going to smash his dumb face in.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Jaxuana, another member of The Extraterrestrial Order of The Planets of Holy Ghidorah, and he's coming here to kill us all for ruining their plans. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Jaxuana of The Extraterrestrial Order of The Planets of Holy Ghidorah on the move?

Lincoln: You guessed it, Rayman, and he's coming here to kill us all for ruining their plans.

Nico: Just as we expected, but we're more than ready for Jaxuana, right, Sonnya?

Sonnya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Icelandic Accent) Right, and just like what happened, he's going to transform by drinking that potion with 2018 King Ghidorah's blood, so Lincoln will separate him King Ghidorah Hybrid Monster form from his real form and absorb the King Ghidorah Hybrid Monster form while we destroy Jaxuana and give him The Black Gates.

Lincoln: You said it, and with Damian Constantine still trapped in the depths of Hell, he won't be able to cause us any trouble until the day of The Ridonculous Race.

Nico: I can't wait for that day to come, I want to smash his evil face in. Alright, gang, let's go, time to free Lino's dark side and take him

down.

Lincoln: Lino doesn't deserve to have that Dark Side of his inside him, who's causing trouble for him and his son, Lenny. We'll have that overgrown shark gangster vacuum-packed inside a can of tuna with nothing but the smell of Mayonnaise to keep him company while he's in prison, and once we get down with Lino's dark side, you better be ready to die, Jaxuana.

Sonnya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Icelandic Accent) You better be ready to die, Jaxuana, because you're about to face the true wrath of White Night Dragon.

Brick: Good thing we can breathe underwater.

Evil Vespa Woman: The aquatic mascots will feel right at home

Manaphy: We sure will.

Sakura Knudson: This is the first time I've ever been on a mission underwater. I'm not sure I can breathe underwater.

Me: We'll find out when we go.

Nico: Yep. Lets go!

We were off to the ocean.

---

We dove into the ocean and we arrived at the Southside Reef.

Me: Wow!

Sakura Knudson: (Breathes) Hey I CAN breathe underwater.

Me: You sure can sis. Awesome!

Nico: Yep.

Moosk: (Russian Accent) This reminds Moosk of Bikini Bottom.

Me: It does remind us of that.

SpongeBob: (LAUGHS) It sure does remind me of home.

Manaphy: This is so awesome being here!

Horsea: I agree there.

Me: Look at all the pretty fish.

Qin: They sure are gorgeous.

Xenia: Yeah they sure are.

Electropede: Look at all these fish.

Millipede Pete: Except they don't walk like us on land.

Qin: No they sure don't.

Nico: So many different kinds.

Varie: Yeah. It's awesome.

Me: One of these days we need to do an adventure with Nemo and his friends.

Lola: Yeah that's a good idea.

Disk Wars Mandarin: There's Oscar right there.

We saw him.

Oscar was a Bluestreak cleaner wrasse.

Nico: Wow.

Oscar swam up to us.

Oscar: Wow Team Loud Phoenix Storm an honor to meet you guys.

Me: You too Oscar and this must be Lenny and this must be Angie.

Lenny the Shark: I sure am and it's awesome to meet you all.

Angie the Pink Angelfish: It's so awesome to meet you all too.

Me: Same to you.

Lenny the shark: We love all your adventures. News about them spread all over the sea.

Varie: Ever heard of the Krabby Patty Zombie Invasion?

Oscar: We sure have and that was the story that spread all over the oceans.

Me: Cool!

Varie: That was the adventure that lead me to form the Neptune Crusaders.

Stonedozer: Good thing that was contained to Bikini Bottom.

Mortimer Mouse: Otherwise, they would've spread to other oceans. Including here.

Me: We would not want that to happen.

Varie: The antidote turned out to be chum.

Plankton: Boy that was crazy hearing about that one.

Qin: It sure was.

Angie the Pink Angelfish: Yeah no kidding there.

Camie: Can you tell us what happened in that one?

Varie: I sure can.

Varie went over what happened in chapter 594 and it was a crazy and scary adventure.

When she was done everyone that hadn't heard about it was in awe and shock.

Me: We were shocked ourselves but those zombie apocalypse survival skills they learned from Shawn really came in handy.

Shawn (Total Drama): They sure did.

Sandy Cheeks: And I learned a huge lesson that day too.

Oscar: Boy that must've been rough for some of you.

Me: It sure was.

Mevya: Hello, fellow fish!

Agitos: Oh, this is Mevya. He's one of the mascots.

Oscar: Awesome to meet you Mevya.

Lola the Lionfish came.

Me: Ooh Lola the Lionfish. She is beautiful.

Lola the Lionfish: I sure am.

Me: Lionfish are one of my favorite fish because they are so beautiful.

Nico: They sure are pretty.

Oscar: (gets serious) Lola.

Lola the Lionfish: Can't an old friend say hello?

Lenny: You attended Pops' meeting just to get revenge for being dumped! Give me one reason why I don't eat you!

Kerbero Gangan: Because she DID look remorseful for everything she did.

Bond Man: Besides, everyone made up with each other at the end.

Me: That's true they did. Also Lola can't you and Oscar make up and be good friends?

Qin: Yeah. Besides. Lola has learned a big lesson too. Just like so many of us.

Me: And Lenny you can't eat lionfish anyway. They are poisonous.

Lenny: Oh yeah. Sorry. But thank you.

Me: No problem.

Family Guy Penelope: Can we talk more at your place?

Oscar: Sure.

We followed Oscar to his place and went in.

Lily: Want some Krabby Patties guys?

Oscar: Sure thing.

Lily made us a bunch of Krabby Patties for us and we ate them.

Oscar: Okay. I bet you want to know how things got started for me.

Poliwag: Yes, we do.

Oscar: Well, it all started when I lost a bet for a race.

Me: Oh that sucks.

Oscar: Yeah.

He told us everything that happened like with what we saw in the movie.

Me: Oh man. So a fib got out of hand like that.

Qin: Oh boy.

Marionette Shadow: No one is to blame for Frankie's death, you understand us?

Two Face: It was a stray anchor.

Sandy Cheeks: Yeah that was an unexpected accident.

Oscar: It was.

Qin: Poor Frankie.

Lenny: Yeah sorry Oscar.

Me: That was all an unexpected accident.

Horsea: I thought you liked being famous.

Oscar: Yeah. I did. But I'm not like Albedo's so called teammates. I realized that fame almost cost me what I truly had.

Me: Fame does do that to people. Once the fame bug bites you it never lets go.

Qin: And it goes to your head.

Lola: Yeah it's not pretty.

Nico: Look what it did to so many people we know and love.

Smithers: But everything worked out in the end.

Lenny: Except, Pops has been blacking out at night.

Me: Blacking out at night? What do you mean?

Lola: Like he goes on a rampage?

Lenny: That's right.

Me: Hmm. We have seen this before. He has dark side problems.

Black Knight Ghost: Has he caused any property damage during his rampages?

Yost Molten Man: Or killed anyone?

Lenny: Not that I know of. Property damage yes but no deaths.

Me: Good. But we're going to eat his dark side for dinner after sending his spirit to the Black Gates.

Qin: That will be awesome.

RD Girl Jordan: One last thing. Are there any clownfish around here?

Oscar: Lots of them.

Me: The Great Barrier Reef is loaded with them.

Xenia: Yep it sure is.

Lola: Yeah.

Ryugu Tamatebacco: Honestly, I feel right at home here.

Ghost of Merlin: You are based on a fish after all.

Me: An Oarfish to be specific.

Ryugu Tamatebacco: That's right.

Nico: They are really beautiful fish too.

Lola: Yep.

Lenny: I hope my dad is all right.

RD Lucy: Where is he right now?

CRASH!

We heard a nose and saw Lenny's father Lino sleepwalking and he was glowing in a dark aura and he was causing destruction all over!

Nico: There he is!

Qin: He's sleepwalking!?

Nico: Whoa!

Varie: We got to stop him!

Dukey: No! You must never wake up a sleepwalking person. It will cause brain damage!

Me: Dukey that was proven to be just a myth!

Count Nocturne: Besides, when do you think is the right time to intervene?

Evil Bubble Man: When he's destroyed half the city?!

Nico: Lets go guys! Entrance time!

We went at him.

Lino was sleeping and destroying stuff. But then the spirits of all the fish in the world appeared and swirled around him and they converged and then a mermaid song choir appeared

and they sang a beautiful song and then a giant clam appeared and popped open and out came us.

Me: Now that is a singing entrance.

We landed in front of him.

Me: Easy Lino. Easy.

He was snoring.

Me: He is sleepwalking. I got this.

I fired a wave of light and it hit him and out came a blob of darkness and it formed into DARK LINO! He looked like Lino but with piercing red eyes!

Major Dr. Ghastly: Are you okay?

Don Lino: (Groans) What hit me? I feel like I was sent through a chum factory.

Me: Well blame him!

I pointed to his dark side!

Dark Lino: YOU WILL PAY FOR THIS!

Don Lino: What the!?

Me: Time to make this shark into fish stew!

Gameface: Game's on, fishface!

Evil Desert Man: Which is bad news for you!

Me: And it will hurt bad!

Qin: Big time!

Then Ben Ravencroft, Goro, Dodgeball Wizard, Zavok, Bizarro, Deadwood, Black Lance, Magma, Oculous, Dumbeltron, Heart, Ghost of Jeremiah Pratt, Hot Rodney, Axel, Evil Solar Man, Emil Eagle, Major Mucus, Allomere, Luna Ghost, and Laughing Ghosts appeared

Nico: Ben Ravencroft, Goro, Dodgeball Wizard, Zavok, Bizarro, Deadwood, Black Lance, Magma, Oculous, Dumbeltron, Heart, Ghost of Jeremiah Pratt, Hot Rodney, Axel, Evil Solar Man, Emil Eagle, Major Mucus, Allomere, Luna Ghost, and Laughing Ghosts.

Me: Some of you aren't used to fighting us underwater yet.

Luna Ghost: We sure get that a lot.

Ben Ravencroft: How did it feel to be the sharkslayer?

Oscar: It felt good for a while. But it wasn't all that it was cracked up to be.

Goro: Good call.

Me: I agree.

Dodgeball Wizard: Good thing the rest of the sharks aren't here to see this.

Zavok: (to Nico) We heard you celebrated the completion of the Another Omnitrix Aliens.

Nico: We sure did.

Bizarro: Did you have a bad time?

Nico: We did not.

?: That opposite talk is very confusing for me.

A figure came out and it was SNAPPER!

* * *

Scrapper was the Phantom Beast who used the battle style of the Snapping Turtle. During the first Beast War, Snapper fought against the Pai Zhuq Academy and Dai Shi Clan. He, along with the other Phantom Beasts, was defeated and destroyed. However, the Crystal Eyes are left behind and they possess the power to resurrect them.

After the death of Grizzaka, Jellica flees from Dai Shi with the Crystal Eyes, from which she resurrects Scorch, Whiger, and Snapper with the goal to destroy Dai Shi for her. However, they betray and destroyed her before summoning their Phantom Beast Warriors and swearing allegiance to Dai Shi despite his new humanity in order to win the Beast Wars.

After Whiger is stripped of his rank and destroyed, Scorch starts to doubt Dai Shi's ability to suppress his human host due to Camille so he and Snapper begin plotting against her.

Scorch and Snapper send Sonimax, Osiris, and Lepus to assassinate Camille in the woods under the pretense of a direct order and then deny knowing where she is when confronted by their master. However, knowing of their hatred for Camille, Dai Shi goes to save her and destroys Sonimax and Lepus. Scorch and Snapper later intervene during a fight between Lepus and Casey (the latter having been on a run in the woods when he found Jarrod and Camille) and tosses him down. Lepus calls them out for tricking her and her friends but they decide to leave this for later whilst they eliminate Casey only for the other Jungle Fury Rangers to arrive and summon the Spirit Rangers. Scorch and Snapper fight the Spirit Rangers so the Rangers combine their finishers which causes a big blast but neither Phantom Beast General is fazed and Scorch blasts them down. However, the Jungle Fury Rangers easily manage to destroy Lepus so they withdraw.

Later, when Jarrod breaks free of Dai Shi and escapes with help from Casey, Snapper aids Scorch in hunting down him and Camille only to battle the Rangers, Jarrod, and Camille. Snapper is eventually destroyed by Camille using a massive drill-like attack and the other Rangers while Casey and Jarrod fight and defeat Scorch.

Snapper was revived by Dai Shi for the Final Beast War but is finally destroyed for good by the 7 Pai Zhuq Masters.

Casey Rhodes: Snapper!

Me: The Snapping Turtle Rinshi! I remember you! You're one of the Phantom Beasts.

Nico: Awesome!

Snapper: Yep.

Me: You destroyed Jellica and went to serve Dai Shi and you were destroyed by Camille.

Snapper: That's right. Good memory.

Me: Yep.

Snapper: Am I really the last one you need to face for an Animal Spirit?

William: Unfortunately, yes.

Me: I'm sure there are others we can learn about.

Qin: I agree. Vypra can use the power of imagination to make new ones for us.

Me: That's not a bad idea.

Nico: I agree there. She did it before with the Hummingbird Rinshi.

Ace Bunny: Her name is Ramona Long and she is a really awesome and amazing technomancer too.

Fluttershy: But we found out some really scary things about her.

Tornado Bolt: We found out how Becky Long and her sisters all got their positronic brains and how they ended up that way.

---

Nico: Yep. So, Becky, Elsa, Harley, Jolene, Milan, Ramona, what's the story behind the antagonism that your ex-older brother, Ryan Long, had against you all?

Becky Long: I knew this would one day get out, and it's something we, along with our parents, have kept hidden for years. You already know how me and my sisters at age 4 had been pronounced brain-dead and we'd gotten our dead brains replaced with artificial positronic brains, and it led to all of us gaining incredible Technokinesis and turned our minds into incredible computers capable of storing an infinite amount of information and unleashed the full 100% of our brain-power. Well, one day, we had decided to do some investigating in this matter, and we soon found out that when we were four, Ryan poisoned us with a lethal drug that caused us to be declared brain-dead.

We gasped in shock.

Nico: WHAT?!

Elsa Long: Yep, it's true, and that lethal drug he got was from a gang of drug dealers that were in the Royal Woods area. He wanted to kill us, because he was not only jealous of us, but he absolutely hated us since the day we were born.

Me: (GROWLS) Why, that fucking sicko, I ought to rip his heart out and eat it right in front of his dumb face!

Lincoln: I was absolutely disgusted by that jealous asshole as well, and they decided to get revenge on him. So, they gathered the evidence of Ryan's crimes and they even captured the gang of drug dealers who sold that lethal drug to Ryan, and once handed to the cops, they sang like canaries and they told them Ryan was the one who wanted them dead. Then, hours later, the cops came and they arrested Ryan for attempted murder, and they also found out he had a litany of other crimes as well: destruction of property, brutal assault, aiding and abetting wanted criminals such as mad scientists Xavier Andrews, James Carver, David Anthony, and Nathaniel Truett, embezzlement, kidnapping, attempted murder, and many other charges. At the trial, Becky and her sisters provided all of the testimony and evidence to the prosecutor, and by the end of the trial, Ryan Long was found guilty on all charges, and because he was seventeen at the time of his crimes, he was sent to juvie for a year, and when he turned eighteen a month later, he was then transferred to the Ionia Correctional Facility where he would spend the rest of his life.

Nico: What a fucking piece of trash, I can't believe he would do something like this.

Me: This is sibling rivalry gone very wrong, and it escalated into attempted murder plots.

Lincoln: And unlike Becky and her sisters who were intelligent geniuses, Ryan's not a genius, he was a thug who used violence, brute force, and intimidation and he tortured anyone who got in his way, and to find out what he tried to do to my Guardian Angels when they were four, if he ever escapes and tries to go after them, I'll do to him what I did to Eva yesterday.

Anna Flores: We may get that chance tomorrow, since we're going to meet the last of Becky's sisters, Daphne Long.

Lincoln: That could be a perfect rescue tomorrow, Anna.

Then, as the vortex faded, Sonnya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn emerged, but she was changed forever.

(ICELANDIC MUSIC PLAYS)

Sonnya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn grew to 7'4" in height, she has the body of a goddess, she has blue highlights in the bangs of her long ice blue hair, she has neon ice blue eyes and an ice blue energy aura with ice, snow, dragons, phoenixes, and ice angels surrounding her, she has White Night Dragon emblazoned on her forehead and Third Eye with ice blue iris, she has on dragon earrings with ice blue gems for eyes and holding the Ice and Eternity Kanjis in its claws, she also has White Night Dragon with ice blue gems for eyes and holding the Ice and Eternity Kanjis in its hands on the bottom of her ice blue phoenix-shaped Element of Harmony, along with the gold Dragon pendant of her Elemental Dragon Necklace of Eternal Love necklace with ice blue crystal links from her merged Crystal Necklace of the Buddha and ice blue gems on the gold flame links. Sonnya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn has on a sleeveless ice blue crop top, long light blue skirt with jewels encrusted around the waist, light blue pants, marine blue legwarmers, marine blue heeled sneakers, and long sleeveless white trenchcoat with snow, ice, dragons, phoenixes, and ice angels on the coattails, and on the back is White Night Dragon surrounded by ice and snow. Suddenly, Sonnya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn felt a sharp pain on her back, and then, her massive marine blue angel wings with light blue tips on the marine aqua blue feathers, grew much bigger for her new body and she now has eleven massive and long ice blue wolf tails with blue tips. Sonnya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn has on her Ring of the Phoenix with large marine blue gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Sonnya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn's massive White Night Dragon-themed greatsword and all the greatswords she'd gotten began merging together and they're surrounded by a kaleidoscope of ice blue energy, snow, ice, dragons, phoenixes, and ice angels with every step, and when it emerged, it transformed into White Night Dragon's Arctic White Night Draconic Phoenix Icelandic Arctic Greatsword of White Night Dragon Justice, it's a brand-new massive greatsword with embedded ice blue gems and White Night Dragon etched on the 7'0" massive, wide, double-edged marine blue blade, large marine blue dragon heads for the crossguard, large ice blue gems embedded in the hilt, longer midnight black handle, four large marine blue phoenix heads with ice blue gems for eyes and large ice blue gem on the bottom of the marine blue phoenix heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with marine blue gems on her wrists, her large gold Belt of Elemental Bravery with a gold version of White Night Dragon's head with marine blue gems for eyes and a large ice blue gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a marine blue kanji below White Night Dragon that said, "Sonnya

Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn, Gene-Slammer of White Night Dragon, Master of Icelandic Snow and Ice, Loving Younger Sister of Kristjana, Laniya, Zeniya, Qiniya, and Veronica Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn, Loving Future Wife of Nico Chan, Archenemy of Evil Keito, Destroyer of Jaxuana of The Extraterrestrial Order of The Planets of Holy Ghidorah, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Ice, Snow, Dragons, Phoenixes, and The White Night"

Sonnya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn has transformed into SUPER ANGEL-WHITE NIGHT DRAGON-DRAGON-PHOENIX-HARMONY CELESTIAL ETERNAL XELNAGA ICELANDIC SNOW ICE WHITE NIGHT DRAGON ANGEL OF DIVINE ICELANDIC SNOW ICE WHITE NIGHT DRAGON JUSTICE AND DIVINE ICELANDIC SNOW ICE WHITE NIGHT DRAGON LOVE!

We were amazed by Sonnya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn's Super Angel-White Night Dragon-Dragon-Phoenix-Harmony Celestial Eternal Xelnaga transformation, and when Nico saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Jaxuana saw it, he fell into an infernal rage and he got out his blaster to blast her, but Sonnya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn fired a powerful marine blue energy blast with ice, snow, dragons, phoenixes, and water angels at Jaxuana, which hit him and pushed him back and he also felt the cold chill of death on him, but this really pissed him off now.

Kristjana Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Icelandic Accent) That's so incredible, Sonnya's transformed.

Laniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Icelandic Accent) And she'd given that monster, Buenttrada, a taste of what's to come.

Me: And that's ice cold death.

Sonnya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Divine Echoing Cosmic Voice of The Icelandic Arctic Snow White Night Dragon Angel and Divine Icelandic Arctic Ice Snow White Night Dragon Love) (Icelandic Accent) And now, you are about to feel the full fury of the White Night Dragon, Jaxuana.

Nico: Let's get him, Sonnya, this asshole doesn't deserve to live a single second further.

Nico transformed into Super Saiyan Rainbow Infinity and unholsters his massive Nico's Universal Elemental Greatsword of Saiyan Pride and Phoenix Justice from his wider and muscular back and joined Sonnya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn.

Nico: (Divine Echoing Voice of Rainbow Redemption) Alright, you fanatical clod, it's time for you to pay for your crimes with your blood!

Sonnya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn and Nico went after Jaxuana who's now gone even more full-blown ballistic, and they fired extremely powerful blasts of rainbow energy, aura energy, ice blue energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Jaxuana and they exploded with incredible power as they hit him, and we attacked him with their massive greatswords leaving scars on him.

Nico turned his fingernails into claws and he slashed at Jaxuana, drawing more blood and leaving more scars on him, and he was being driven even more ballistic. Suddenly, Jaxuana took out the vial of red liquid with a drop of 2018 King Ghidorah's blood, then he drank it. Suddenly, Jaxuana began changing as massive wings like King Ghidorah's grew and sprouted out from his back, his skin was covered in gold scales, and he'd grown King Ghidorah's tails.

Me: Watch it, you guys, now Jaxuana has transformed into his King Ghidorah Hybrid Monster form.

Jaxuana fired a Gravity Lightning blast at Sonnya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn and Nico, who dodged it.

Lincoln: Sonnya, Nico, hang on.

Lincoln fired a rainbow energy blast which separated Jaxuana from his King Ghidorah Hybrid Monster form, and then, Lincoln went at King Ghidorah Hybrid Monster Jaxuana and he stabbed him in his chest with the tip of one of his eleven massive and long white wolf tails that turned into Cell's Stinger paralyzing him so he couldn't try to escape, and then, Lincoln began absorbing King Ghidorah Hybrid Monster Jaxuana's bio-energy and assimilated his powers and abilities until nothing was left of it. Then, the stinger changed back and Lincoln retracted the tail.

Nico: (Divine Echoing Voice of Rainbow Redemption) Thanks for the save, Lincoln. Now, Sonnya, shall we end this bastard for good?

Sonnya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Divine Echoing Cosmic Voice of The Icelandic Arctic Snow White Night Dragon Angel and Divine Icelandic Arctic Ice Snow White Night Dragon Love) (Icelandic Accent) You got it, Nico.

Sonnya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn and Nico sent Jaxuana flying into the air, and then, they prepared their combo to put an end to Jaxuana.

Sonnya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn and Nico: DIVINE COSMIC ELEMENTAL WHITE NIGHT DRAGON KAMEHAMEHA!

Sonnya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn and Nico fired two massive rainbow and ice blue energy Kamehameha waves with ice, snow, elemental forces, elemental dragons, elemental phoenixes, elemental and ice angels, and they hit Jaxuana, and they explode with incredible power as they hit him, and he was obliterated. Then, when his spirit appeared, Sonnya and Nico drew the Judgement Kanji on his forehead, and he was erased by The Black Gates for his crimes. We cheered as Sonnya and Nico holstered their massive greatswords on their backs and powered down, and Sonnya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long ice blue wolf tails, and massive ice blue angel wings are permanent.

Sonnya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Icelandic Accent) That's one member of The Extraterrestrial Order of The Planets of Holy Ghidorah down and twenty members to go. Thanks for helping me destroy Jaxuana once and for all, Nico.

Nico: (Smiles Warmly) You're welcome, Sonnya.

Suddenly, Sonnya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn wrapped her arms around Nico's wider and muscular back, as her chest pressed against his massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to his face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Nico leaned down to Sonnya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn's face, they kissed passionately as she moved her arms and placed her hands on his massive pecs, and behind them was a Dragon, Phoenix, Angel, and White Night Dragon flying in the air, and we saw many animals running across the field, along with elemental forces and snow falling down around and everyone cheered wildly. Then, Sonnya and Nico absorbed the snow and they came back to us as the display and White Night Dragon vanished.

Me: Oh man, now that's what another cult fanatic has been put down. Awesome job out there, Nico and Sonnya.

Nico: Thanks, J.D. And with no trouble from anymore uninvited guests, now we can declare this Mission: Accomplished.

Lincoln: You said it, and for tomorrow, the next member of The Extraterrestrial Order of The Planets of Holy Ghidorah to show up is Alessnna.

Nico: Which means, you and I are up next, Lanaiya.

Lanaiya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Icelandic Accent) Yes, we'll make Alessnna pay with her life.

Nico: We sure will. And we already know who we're meeting tomorrow on your rescue, right, Lincoln?

Lincoln: Yeah, Daphne Long, Gene-Slammer of B.E.S. Tetran.

Becky Long: And if that miserable good-for-nothing heartless slob, Ryan Long, shows up on your rescue tomorrow, he's going to pay with his miserable life!

Lincoln: Save it for when we confront him, Becky, he's tried to get away with numerous attempts on the lives of you, Elsa, Harley, Jolene, Milan, Ramona, and Daphne for years, and now, payback's finally coming for that bastard.

Anna Flores: You got that right, Lincoln, and I can't wait to see the Long Sisters finally together once again.

Nico: Plus, she's going to find out tomorrow as to who was the reason why Lisa was the heartless and emotionless mad scientist that she was before Dark Lisa got removed.

Lincoln: And it'll shock Daphne to her core. And you better be ready, Ryan Long, (Deep Sapphire Eyes Turn Blood Red), 'cause the second you break out tomorrow, we're coming for you, and you will pay for trying to end Becky's life along with Elsa, Harley, Jolene, Milan, Ramona, and Daphne's lives.

Becky Long: For too many years, you've hated us so much that you've tried numerous attempts to kill us, but what you did in using that lethal drug on us when we were four crossed it, and now, we're going to see to it that you pay for your crimes in the most gruesome way possible.

Elsa Long: You will never hurt us ever again, you jealous, heartless thug, and you will pay dearly for your crimes with your own blood.

We went up to Don Lino.

Deadwood: Are you okay?

Don Lino: I am. Thanks.

Black Lance: Don't mention it.

Me: No problem.

Magma: The important thing is that we're all okay.

Me: Yep.

Oculous: And Frankie's grave wasn't destroyed.

Dumbeltron: You don't mind if we celebrate here, do you?

Oscar: Not at all.

Me: Awesome.

Nico: Great job today everyone. That's another victory for the books.

Lola Loud: Yep.

Oscar: (To the viewers) This was an awesome and epic adventure. Hope you all liked this undersea adventure.

Me: I know we did.

We had a great lunch with Krabby Patties and then we went back home and had an awesome shark dinner with soup and gumbo and later we enjoyed the rest of the day and went to sleep.

# Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn, Gene-Slammer of White Night Queen and Nico VS Alessnna

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Jerusalem, and we're not only going to see the Holy City and its legendary sights itself, but our satellites have picked up that a massive organization of terrorist groups that're out to kill us have been sighted, they are The Lords of Anarchy, The Fires of Destruction, The Kings of Chaos, The Twelve Lords of Death, The Seven Deadly Sins, The Order of Mayhem, The Harbingers of Hatred, The Devil's Army of Hellish Chaos, The Killers of Harmony, The Murderers of Peace, The Slaughterers of Hope, The Emissaries of Disharmony, The Destroyers of Universal Peace, The Destroyers of Courage, The Killers of Love, The Destroyers of All Innocence, and the most dangerous terrorist group of all: Burns' Avengers of Hatred and Destruction, they're the main terrorist organization and they're especially the most dangerous of all the terrorist groups because they formed after Burns came back during The 20 Days of Darkness, but after he got The Black Gates last year along with Crocker, they'd been out for our heads, and they're also the ones who issued the forming of more terrorist groups. Plus, not only are we going to destroy those terrorist groups and erase the entirety of Burns' existence and influence from the face of the Earth, but we're also going to put an end to the one person responsible for Becky Long, Elsa Long, Harley Long, Jolene Long, Milan Long, Ramona Long, and Daphne Long getting pronounced braindead when they were four years old, but got artificial Positronic Brains put into their heads after replacing their dead brains and causing their transformation into the powerful Technomancers of Lincoln's Guardian Angels: their jealous-crazed, evil heartless thug of an ex-older brother, Ryan Long, who's been busted out by Burns' Avengers of Hatred and Destruction, and he gathered all the other terrorist groups together to destroy us all, fat chance of that happening, because thanks to our satellites, we found not only more terrorist groups, but we found the main terrorist organization that was formed after Burns' return and attempt to turn the planet against us during The 20 Days of Darkness years ago. Now, we're going to destroy all the terrorist groups, along with the main terrorist organization, and not only are we going to wipe Burns' influence and presence from the face of the Earth, but we're also going to destroy

Ryan Long for what he tried to do to Becky and her sisters and end that asshole thug for good. And we're going to meet the last of The B.E.S. Gene-Slammers, this time, it's Daphne Long, Gene-Slammer of B.E.S. Tetran and one of the Long Sisters, she's Lincoln's Guardian Angel from Michigan, and like her eldest sister, Becky Long, and her other sisters, Ramona Long is a very strong and powerful technomancer, and like Becky and the other Long Sisters, she was pronounced braindead at age 4 and the doctors came up with a very risky and dangerous operation. They replaced her dead brain with an artificial Positronic Brain, and it gave her incredible powers of Technokinesis and it also turned her mind into a very incredible computer capable of storing an infinite amount of information and unleashing the full 100% of her brain power, and when she got Gene-Slammed into B.E.S. Tetran, she also gained powerful wind powers, and just like Becky and the other sisters, Daphne is also in Lori's school and she's protected Lincoln from the worst of Lisa Loud's fury and almost got Lisa disowned and sent to a nuthouse in the federal prison system forever as well as have all of her science stuff confiscated by the scientific community forever. But, wait until she finds out that the person person responsible for turning her into the heartless, emotionless mad scientist she, her eldest sister, and her other sisters have hated was none other than Killjoy Huggins, and this happened under their noses when Lincoln was in Third Grade.

Get ready for an awesome non-combat adventure as we enter the Gotham Royal York Dance Off and Battle of The Bands competition and the prize is an awesome new sailboat yacht.

see you next time.

Flying through the endless voids of space to a new food planet was Nico, The Ripping Friends, Ellie Singh, Evelyn Burmingham, Jen Tennyson, Eddy, Yugi, Tea, Jaden, Jesse Anderson, Allenby Beardsley Knudson, The Hernandez Sisters, Yost Magma, Rin Nohara, Woz, Bai Tza, Sabrina Lorelai the Despair from The Dark Gene-Slammer, Albedo, The 1983 D&D Gang, Irina Krafla the Granity Gene-slammer, Kora Lexxington, Olivia Houou, Nataša Marečková, Nalanie Nanthavong The Vorash Gene-Slammer, Brynja, Sissi Delmas, Anna Anyanova the Destiny HERO Dark Angel Gene-slammer, Daring Do, Lizzie Strong the Great Blue Windrunner Gene-slammer, Emam Reynolds the Living Tsunami Gene-slammer, Wendy Sapphira, Reggie Hjorleifsstræti the Five Headed Dragon Gene-Slammer, Qin, Miku Yuuki, Granity, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Hibiki Riders, Kabuto Riders, Den-O, Kiva, Decade, W, OOO, Fourze, Wizard Riders, Blade Riders, Gaim Riders, Drive Riders, Ghost Riders, Ex-Aid Riders, Build Riders, Zi-O Riders, Zero-One Riders, Saber Riders, Granity, Samurai Jack, Ashi and her sisters, Changeman, Jetman, Dairangers, Zenkaigers, Chloe Bourgeois, Shanan, Rita Loud, The Goths of Darkness, Zarya Moonwolf, Applejack, Apple Bloom, Twilight Sparkle & Friends, Sunny Starscout, Izzy Moonbow, Hitch Trailblazer, Pipp Petals, Zipp Storm, Misty Brightdawn, Rachel Stavenport, Kate Lloyd, Carol Pusateri, Hailey Helios, Kia, Jenna, Lina, May, Maria, Danica Metrois, Kaalia of The Vast, Varie, Sakura Valencia, Xenia the Xerneas, Bhavna Radhakrishnan the Xerneas Gene-Slammer, Bridgette, Eli, me, Sakura Knudson, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Spiderman, Kaina Tsutsumi, Nick Logan, Sh'Lainn Blaze, Camie, Kaoruku Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Luz, Amity, Gus, Willow, Hunter, Felicia Wittebane, Carly Atlas, Misty Tredwell, Zuria, Tony Jones, Edyn, Strag, Momo, Girl Jordan, Leeli, Sora Phaaze, Earth, Vinyl Scratch, Airazor, Rhinox, Cheetor, Rattrap, Tigatron, Janeen Aran, Lincoln, Leni, Laney, Lana, Lola, Lisa and Lily Along with Koji, Ziggy Grover, Takayuki Hiba, Rachel Ridley, Estella Rockell and Sophia Nurenberg Along with Magma, Luna Ghost, Draknarok, Vividria, Machine Gun Gamma and Darth Vader and we got word that it was a candy planet.

Me: This is gonna be so awesome! I have a feeling this will be a good candy planet.

Nico: Me too.

Qin: This will be so awesome.

Lola: It sure will.

Camie: You would have to be crazy not to like any kind of candy!

Qin: That is for sure!

Koji: I'm really excited for this one though.

Estella Rockell: Me too guys! This is gonna be so fun.

Koji: You got that right.

Nico: Koji, I want to thank you, Magma, and your teams for coming today.

Koji: No problem Nico. This is gonna be so awesome and fun.

Qin: It sure is!

Ziggy: I'm excited for this too.

Lola: Yeah me too Ziggy!

Nico: Ziggy, remember when we first met you and your team?

Ziggy: I sure do. Your ship came to our world and brought Corinth to your world and you also blew up Venjix's factory.

Nico: That's right.

Me: We were horrified by all the devastation caused by Venjix. It's just like what happened with SKYNET.

Nico: Yeah no kidding. That was horrible!

Xenia: No kidding.

Ziggy: We all thought Venjix was killed the first time. But he hid in Scott's Morpher the entire time!

Me: And that signaled the upcoming shocking revelation that Venjix returned as Evox!

Qin: That was massively shocking!

Lola: Yeah we were blown away by that!

Nico: That was a massive shock.

Me: Dr. K should have done a thorough check and make sure that no trace of Venjix was around still but she overlooked that Venjix was hiding in Scott's morpher the entire time!

Xenia: Yeah no kidding there!

Camie: Then all the could have been avoided.

Nico: At least she made up for it by helping the Beast Morphers and giving Nate that pep talk.

Me: That's for sure. That was great! And we gave Venjix the Black Gates.

Nico: Good riddance.

Qin: Thank goodness there. We gave many of the Power Rangers enemies the Black Gates and they had it coming.

Xenia: That is for sure and that was so awesome!

Lola: You got that right..

Camie: Yep.

Lincoln: That was so awesome.

Me: Yep. Yesterday's mission was really awesome though.

Nico: Oscar's city was just like Bikini Bottom.

Me: Except with many more kinds of different fish.

Qin: That was still so awesome though.

Lily: It sure was and Oscar and his friends are all really beautiful fish.

Nico: They sure are. And that is amazing that news of the Neptune Crusaders achievements reached them.

Varie: That was so awesome.

Nico: I'm glad Oscar got out of his Sharkslayer phase.

Eli: Me too. But that mission was still fun though. Lenny is an awesome vegetarian.

Nico: He sure is.

Me: He and Jared get along great. They are like brothers and eat as much salad and vegetables together.

We laughed!

Fluttershy: (LAUGHS) That is really amazing.

Me: It sure is.

Nico: Can you believe one little lie got out of control like that?

Lincoln: I know that feeling myself and it was crazy.

Me: Long ugly story there. It was a crazy adventure Lincoln went through.

I went over what happened in chapter 4 and it was nuts.

Nico: WHOA! That was an accident though.

Me: It was.

Laney: It was cool though.

Maria: We're here.

We saw that we were at a rainbow color planet.

Qin: Wow it looks like a flower planet from up here.

Me: It sure does.

Xenia: Yeah.

We then went down to the planet and we landed and saw that the planet was made entirely out of PILES AND PILES AND PILES of Jellybeans! They were jellybeans of every flavor under the rainbow!

Qin: WHOA! Jellybeans!

Nico: Let's dig in!

We got to eating and they were sweet, fruity and awesome.

Laney: MMM! These are yummy.

Brittney: I especially like the black licorice jellybeans. Especially through a straw.

She sucked them up through it.

Maria was eating jellybeans.

Maria: Man these are yummy! I love the Blueberry ones.

Estella Rockell: Me too sis!

Nico: Mmm! Watermelon is my favorite.

May was eating some too.

May: MMM! Banana and Strawberry!

Xenia: Yummy! I like the Orange and Raspberry.

Me: These are Jellybelly Jellybeans. My favorite.

Camie: These are so good.

Lola: Yeah they sure are!

Nico: Let's pack some for the mascots.

Me: Good idea! They will love that!

Nico took a container and filled it up with many flavors of them.

Nico: There.

Lola: Boy this is so amazing that there is a planet made of jellybeans.

Darth Vader: It sure is an amazing thing.

Nico: Eli, sense for Swartz's creations.

Eli: On it!

Eli concentrated.

Eli: There's 3 of them. 2 are Swartz's creations and the other is a monster Scooby and the gang faced!

Qin: Uh oh!

Eli: It's the 2,000,000 Year Old Caveman! He is here and he is mad and wants to bash our brains out!

Nico: Son of a-

BLAM!

Nico got bashed in his head by a club and it was wielded by none other than THE CAVEMAN!

We saw him roaring and he went at us in rage!

I went at him and bashed him on his face!

Me: Take that you Neanderthal!

He got up and I ducked under a swipe from his club and I kicked him in the stomach and sent him crashing into a pile of jellybeans!

The Caveman got up, grabbed Nico, and started slamming him to the ground repeatedly.

SMASH WHAM SMASH WHAM SMASH WHAM SMASH WHAM!

May: NO ONE DOES THAT TO MY MAN!

May went at the Caveman and bashed him in his face and kicked him in his stomach and then May pulled out an anchor and smashed the caveman on his head with devastating force!

KRABLANG!

May smashed him down!

Me: Good grief!

We went to Nico and looked him over.

Me: Nico are you okay?

The Caveman got up, grabbed Juran, and started slamming him to the ground repeatedly.

SMASH! SMASH SMASH SMASH!

Juran: That all you got tough guy!?

Juran got up and smashed the Caveman all over the place with incredible fury!

Nico got up.

(JELLYBEAN BIRDS TWEETING)

The Caveman got up, grabbed Gaon, and started slamming him to the ground repeatedly.

Magine smashed the caveman on his head with washtubs.

WHAM WHAM WHAM WHAM!

The Caveman was wobbling all over.

Qin: He is really gonna be feeling that!

The Caveman fell and he was knocked out.

Qin: That was brutal!

Vroon: Once again, I'm saved from being beaten up.

Me: But Nico took most of the beating.

Nico was REALLY MANGLED UP!

Me: Nico say something!

SLAP SLAP SLAP SLAP!

May slapped him all over.

Nico: I'm okay!

May: Good.

Me: Boy that caveman really did a number on us.

Qin: It sure did.

Nico: No shit!

Nico had a REALLY NASTY LUMP on his head.

Nico: At least these aren't serious injuries.

Lana put a block of ice on his forehead.

Lana: There you go Nico.

Me: Boy no kidding.

But then we saw the caveman vanish and it left behind a Wonder Ride Book.

Me: What the?

I went over and picked it up. It was an Aqua Blue book called Mystery Inc. And the Rampage of the 2,000,000 Year Old Caveman of The Aquarium.

Me: Wow. A Mystery Inc. Book.

Xenia: That is cool!

Nico: What does that mean?

Me: I think we have Another versions of all the Scooby Doo monsters. But they are Wonder Ride Book Embodiments. Instead of people being turned into them they are the monsters themselves.

Nico: How weird but interesting.

Xenia: Yeah.

Qin: It sure is. I think this is amazing.

Eli: I do too.

Nico: At least this one is. I can't speak for the others.

Me: Well we'll find out more about them soon.

Xenia: Yep.

Eli: Lets face the others now.

Me: Right. Lets see. Another Muscle Princess next.

Qin: This one is gonna be strong.

Varie: Yeah.

Nico: Who faces that one?

Applejack: I will face this one. I have been known as one of the strongest of the Guardians of Harmony.

Nico: Yeah!

Me: Go get her Applejack.

Apple Bloom: Yeah sis!

Varie: Yeah!

Nico: There she is!

We saw a huge figure come and it was a dark version of Muscle Princess! It was ANOTHER MUSCLE PRINCESS!

Me: Whoa! Another Muscle Princess!

Qin: This is gonna be a strong one!

Lola: Yeah!

Another Muscle Princess: (Australian Accent) It will be fun to show my strength mates.

Nico: Rosemary McArthur!? Whoa!

She reverted back and was a girl with brown hair and brown clothes and brown eyes and brown angel wings.

Rosemary McArthur: Jumping Kangaroos! Nico what happened to you?

Nico: Beaten to a bloody pulp by a caveman.

Me: No kidding. He was already taken care of though. What Regi Pokemon can you turn into?

Rosemary McArthur: I'm for Regiground.

She turned into the Regi Pokemon for Ground. It was Regiground!

Qin: Wow! This is interesting.

She reverted back.

Nico: That is cool.

Me: You are the 5th Regi Pokemon Gene-slammer for one we never saw before.

Applejack: How strong are you?

Rosemary McArthur: Strength of 1,000 men. I was a really strong girl growing up mate. I lived on an Apple Orchard down in Melbourne and I have the strength to lift up a whole dead apple tree by pulling it out of the ground.

Me: Wow! That is strong!

Nico: No kidding there!

Xenia: Yeah!

Rosemary McArthur: It is impressive mate.

Me: I'll say. By the way is the Another Magma with you friendly or hostile?

Rosemary McArthur: Friendly and this one you will be interesting mate.

Qin: Cool.

Me: This is gonna be awesome.

Applejack: Let's rumble!

Rosemary McArthur: Righto mate.

She turned into Another Muscle Princess and Applejack used superhuman strength to throw a huge Jellybean and it smashed her down! I caught the Wonder Ride Book and it was called The Arnold

Schwarzenegger Princess of The Muscle Kingdom.

Me: Cool!

I went and brought her over.

Nico: Yeah! That was a muscle battle!

Xenia: It sure was.

Maria: Time for backup!

Maria pulled out the M.O.E. Cannon.

Maria: (TURNS DIAL) SMASHING BANE 6!

She summoned Bane, Buff Frog, Shivarakah, Two Headed Gorilla, Nina Williams, and Duck Kong along with Abomination, Crimson Dynamo, Titanium Man, Cyclops (Hercules), Amygdala, Arnold the Pit Bull, Bi-Beast, Juggernaut, Hunk Hardbody, Man Boy and Boxing World!

Me: YEAH!

Qin: This is gonna be awesome!

Nico: Muscle Power!

May: Now, we wait

Me: We don't have to wait long.

We saw a figure come out and it was ANOTHER MAGMA! It was a dark version of Magma!

Me: WHOA! This one is hot.

Qin: Yeah.

Nico: And you are?

Another Magma: (SPEAKING IN KRONOS LANGUAGE)

Me: What the!? Is that the language of Kronos!?

Nico: Uh oh!

It fired numerous fireballs at us and massive fiery explosions blasted off all over the place around us.

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOMMMMMMM!
KRABBBBBBBBBOOOOOOOOOOOOOOOOMMMMMMM!
KRABBBBBBOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBOOOOOOOOOOOOOOOMMMM!

We absorbed fire all over the place.

Qin: WHOA! This one is explosively hot!

Voice: HELP ME J.D.!

Me: That voice!

Nico: You know her?!

Me: Kallia Kronos! She is the Daughter of the Titan Kronos!

We gasped in shock!

Me: Kronos was a very formidable foe. I think Swartz made a terrible mistake on this one!

Nico: I agree there. Swartz did not know how powerful Kronos really was.

Me: He was that strong and immensely powerful.

Nico: Yeah.

Eli: And we destroyed him twice from what I recall.

Xenia: Yeah. When we met Percy Jackson and when we redeemed Cozy Glow.

Me: Yeah and it took everything we got in terms of power to destroy him.

Sougo: (gets out Grand Zi O Ridewatch) Swartz definitely didn't promise her anything

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Geiz: (gets out Geiz Majesty Ridewatch) Because Kronos and any of his relatives would never work with Swartz.

Majesty Time! G3, Knight, Kaixa, Garren, Ibuki, Gattack~! Zeronos, Ixa, Diend, Accel~! Birth, Meteor, Beast, Baron! Mach, Specter, Bra~ve! Cro~ss-Z! Kamen Rider~! GeizMaje~sty!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Me: That is for sure. Kronos never answers to ANYONE but himself.

Nico: That's right.

Me: Don't worry Kallia. We'll save you from this!

I fired a massive energy blast and smashed her down in a powerful fiery explosion!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was down but not out!

Kaito and Zocks: Zenkaiju Gear!

They donned their Zenkaiju Armor)

Another Magma: (Speaking in Language of Kronos)

She threw a massive wave of lava and I formed a Force Field and I blocked it and a massive wall of fire exploded out.

I fired waves of energy and blasted her all over!

Qin: Boy she is strong and powerful and infernal!

Eli: No kidding!

Nico: (gets out Magma's Ridewatch) Time to fight fire with fire!

Nico activated it and fired globs of lava and they hit Another Magma and exploded all over the place!

Qin: YEAH!

Qin fired waves of fire and blasted her all over!

I fired waves of energy and fired and blasted her all over!

MASSIVE NUMBERS OF FIERY EXPLOSIONS!

Xenia: WHOA!

Camie: That was awesome!

Nico: Now this one! (ACTIVATES LUNA GHOST'S RIDEWATCH)

He fired a blast of fire that blasted her down!

May: OH YEAH! How about this too? (ACTIVATES DRAKNAROK'S RIDEWATCH)

She fired a blast of fire and smashed her down!

May: And this! (ACTIVATES VIVIDRIA'S RIDEWATCH)

She formed a paintbrush and used it to form a massive shower of fireballs and they hit Another Magma and smashed her all over!

Maria: (gets out Machine Gamma's Ridewatch) Time for machine guns!

She activated it and fired waves of machine gun blasts and they blasted and smashed her all over!

Qin: Take that!

Maria: The Force is With you young Kronos. (ACTIVATES DARTH VADER'S RIDEWATCH)

She got a red bladed lightsaber and fired waves of jellybeans and smashed and pulverized her all over and then slashed her club in two!

Tar Pit and his team consisting of Sir Toasty, Tarmack (Static Shock), Tar Monster (Scooby Doo), Old King Coal (Simpsons) and Hades (Disney) Then came.

Qin: Awesome!

Nico: Nice team, Tar Pit!

Tar Pit: Thanks Nico. This is gonna be awesome.

Xenia: It sure will.

Ziggy: My turn!

He activated Luna Ghost's ridewatch and fired waves of energy and smashed her down.

Xenia: Take that!

Hades: I knew I'd get in eventually.

Me: You sure did and that is awesome!

Nico: Yep.

Qin: I agree.

Maria: Where's the next Gene Slammer?

Then we saw something coming.

We saw a Bastiodon!

Me: Whoa a Bastiodon!

Qin: Wow!

Nico: This one is strong.

It ran and smashed down the Another Magma Down with devastating force and then I caught the ridewatch. Kallia was a girl with neon red hair and had red clothes and had wings made of pure lava.

I went and brother her over.

Bastiodon: (In a girls voice) That was so awesome.

Nico: Cera Genova!? Whoa!

She reverted back and was a girl with golden yellow hair and had orange and brown clothes.

Cera Genova: That was so fun.

Ziggy: What's your favorite memory of Nico?

Cera Genova: My favorite is when me and Nico did an awesome demolition job and we blasted and bashed down an office building that was abandoned.

Nico: That was so fun.

Me: Wow! That is cool!

Lola: Yeah!

Nico and Cera hugged.

Nico: I've really missed you.

Cera Genova: Me too Nico. Me too.

We went over to Kallia.

Nico: You okay?

Kallia groaned.

Kallia: (Groans) (Tired) Just really tired.

Varie: She'll be like this for a while. But she'll be fine.

We went back home.

Lincoln: Whoa, we're here in Jerusalem, the holy city of the three major Abrahamic religions: Judaism, Christianity, and Islam, and I know what we're going to do here, not only am I going to rescue the girls here, but in addition to seeing the Holy City and its legendary sights itself, but our satellites have picked up that a massive organization of terrorist groups that're out to kill us have been sighted, they are The Lords of Anarchy, The Fires of Destruction, The Kings of Chaos, The Twelve Lords of Death, The Seven Deadly Sins, The Order of Mayhem, The Harbingers of Hatred, The Devil's Army of Hellish Chaos, The Killers of Harmony, The Murderers of

Nico: Holy crap, that's a lot of terrorist groups, and we found the main terrorist organization that'd formed when Burns came back during The 20 Days of Darkness: Burns' Avengers of Hatred and Destruction.

Me: We've finally found them at long last.

Lincoln: Yeah, plus, not only are we going to destroy those terrorist groups and erase the entirety of Burns' existence and influence from the face of the Earth, but we're also going to put an end to the one person responsible for Becky Long, Elsa Long, Harley Long, Jolene Long, Milan Long, Ramona Long, and Daphne Long getting pronounced braindead when they were four years old, but got artificial Positronic Brains put into their heads after replacing their dead brains and causing their transformation into the powerful Technomancers of my Guardian Angels: their jealous-crazed, evil heartless thug of an ex-older brother, Ryan Long.

Becky Long: So, that bastard was busted out by Burns' Avengers of Hatred and Destruction, and he gathered all the other terrorist groups together to finally destroy us all, fat chance of that happening, because thanks to our satellites, we've found not only more terrorist groups, but we found the main terrorist organization that was formed after Burns' return and attempt to turn the planet against us during The 20 Days of Darkness years ago. Lincoln: He doesn't deserve to live a single second further, Becky, and I want to thank your team for joining us, Fabia.

Fabia: You're welcome, Lincoln.

We proceeded onwards, and we saw many of the temples of Jerusalem. But, then, we saw the first terrorist group heading for us: The Lords of Anarchy, and boy were they pissed. But, we were ready for them, but as they headed right for us in full force, Lincoln made a huge dome which trapped all the members of The Lords of Anarchy and it drained all of them of their life-forces and all the drained life-force went into Lincoln and he gained a massive power boost.

Nico: Whoa, that was…?!

Lincoln: King Ghidorah's dome ability from Rebirth of Mothra III, he can create a dome that slowly drains the life-force of living beings and all their drained life-force is transferred to him. Which shows that I can also use the powers of the Godzilla Kaiju monsters. Now, to get after the other terrorist groups, and then, we get after Ryan Long.

We proceeded onwards, but then, we saw the next terrorist group heading right for us: The Fires of Destruction, and boy were they pissed. But, we were ready for them, but as they headed right for us in full force, Lincoln made a huge dome which trapped all of the members of The Fires of Destruction and it drained all of them of their life-forces and all the drained life-force was absorbed by Lincoln and he gained a massive power boost.

Then, we saw the next terrorist group heading right for us: The Kings of Chaos, and boy were they pissed. But, we were ready for them, but as they headed right for us in full force, Lincoln made a huge dome which trapped all of the members of The Fires of Destruction and it drained all of them of their life-forces and all the drained life-force was absorbed by Lincoln and he gained a massive power boost.

Then, we saw the next terrorist group heading right for us: The Twelve Lords of Death, and boy were they pissed. But, we were ready for them, but as they headed right for us in full force, Lincoln made a huge dome which trapped all of the members of The Twelve Lords of Death and it drained all of them of their life-forces and all the drained life-force was absorbed by Lincoln and he gained a massive power boost.

Then, we saw the next terrorist group heading right for us: The Seven Deadly Sins, and boy were they pissed. But, we were ready for them, but as they headed right for us in full force, Lincoln made a huge dome which trapped all of the members of The Seven Deadly Sins and it drained all of them of their life-forces and all the drained life-force was absorbed by Lincoln and he gained a massive power boost.

Then, we saw the next terrorist group heading right for us: The Order of Mayhem, and boy were they pissed. But, we were ready for them, but as they headed right for us in full force, Lincoln made a huge dome which trapped all of the members of The Order of Mayhem and it drained all of them of their life-forces and all the drained life-force was absorbed by Lincoln and he gained a massive power boost.

Then, we saw the next terrorist group heading right for us: The Harbingers of Hatred, and boy were they pissed. But, we were ready for them, but as they headed right for us in full force, Lincoln made a huge dome which trapped all of the members of The Harbingers of Hatred and it drained all of them of their life-forces and all the drained life-force was absorbed by Lincoln and he gained a massive power boost.

Then, we saw the next terrorist group heading right for us: The Devil's Army of Hellish Chaos, and boy were they pissed. But, we were ready for them, but as they headed right for us in full force, Lincoln made a huge dome which trapped all of the members of The Devil's Army of Hellish Chaos and it drained all of them of their life-forces and all the drained life-force was absorbed by Lincoln and he gained a massive power boost.

Then, we saw the next terrorist group heading right for us: The Harbingers of Hatred, and boy were they pissed. But, we were ready for them, but as they headed right for us in full force, Lincoln made a huge dome which trapped all of the members of The Harbingers of Hatred and it drained all of them of their life-forces and all the drained life-force was absorbed by Lincoln and he gained a massive power boost.

Then, we saw the next terrorist group heading right for us: The Killers of Harmony, and boy were they pissed. But, we were ready for them, but as they headed right for us in full force, Lincoln made a huge dome which trapped all of the members of The Killers of Harmony and it drained all of them of their life-forces and all the drained life-force was absorbed by Lincoln and he gained a massive power boost.

Then, we saw the next terrorist groups that were heading right for us: The Murderers of Peace, The Slaughterers of Hope, The Emissaries of Disharmony, The Destroyers of Universal Peace, The Destroyers of Courage, The Killers of Love, and The Destroyers of All Innocence, and boy were they pissed. But, we were ready for them, but as they headed right for us in full force, Lincoln made a huge dome which trapped all of the members and it drained all of them of their life-forces and all the drained life-force was absorbed by Lincoln and he gained a massive power boost.

Finally, we saw the most dangerous terrorist group of all heading right for us: it was Burns' Avengers of Hatred and Destruction, the main terrorist organization, and boy were they pissed. But, we were ready for them.

Burns' Avenger of Hatred and Destruction Leader: You will all pay for what you did to Mr. Burns, Team Loud Phoenix Storm, all he wants is to destroy the world and everything on it, but you… ! You stupid heroes had to ruin everything, we will destroy you all and destroy everything in this pathetic planet!

Lincoln: You can all join Burns in Hell for all I fucking care!

Then, Burns' Avengers of Hatred and Destruction headed for us in full force, Lincoln made a real huge dome which trapped all the members and it drained all of Burns' Avengers of Hatred and Destruction of their life-forces and all the drained life-force was absorbed by Lincoln and he gained a massive power boost. Then, Lincoln sent all of their wretched black souls to The Black Gates once and for all.

Suddenly, we saw B.E.S. Tetran appear before us, and with it are the nine girls.

Nico: Wow, so that's B.E.S. Tetran.

B.E.S. Tetran: (Girl's voice) That's right, and I got the girls away from that bastard, Ryan Long, and I really pissed him off, Becky, Elsa, Harley, Jolene, Milan, and Ramona.

Lincoln: (Gasps) That voice, I knew it was you, Daphne Long.

?: BECKY LONG, YOU AND YOUR FUCKING SISTERS WILL PAY TO FINALLY KILL YOU AND THE REST OF YOU FUCKING BITCHES, ALONG WITH YOU, TEAM LOUD PHOENIX STORM!

We then saw our target: a young man with brown hair, red eyes filled with hate, and he had on an orange prison jumpsuit, it was Ryan Long, the jealous-crazed, evil, heartless thug and the pathetic excuse of an ex-older brother of Becky Long and her sisters, and he was beyond pissed off.

Lincoln: Ryan Long. You've finally shown yourself at long last, you thought you could hide behind the terrorist organizations that formed to kill us because of Burns' manipulative nature. Too bad you made the big mistake in underestimating us, now it's your turn, and I'm personally going to make you pay for what you did in trying to kill Becky, Elsa, Harley, Jolene, Milan, Ramona, and Daphne long ago, you good-for-nothing heartless asshole.

Then, Lincoln fired blades of rainbow energy, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, and Aurora right at Ryan Long, and he was immediately cut to shreds, and Lincoln drove his massive greatsword right into Ryan Long's chest and as it pierced his black heart, all of his blood, energy, and life-force was sucked out of him and he was left as a desiccated corpse and his spirit was sent to The Black Gates. We cheered as we holster our weapons and powered down.

Lincoln: Now, there's only one thing left to do. Girl Jordan, Leeli, shall we?

Girl Jordan: Of course, Linky.

Leeli: Let's do it.

Lincoln, Girl Jordan, and Leeli proceeded to sing Yurgen's Tune.

Lincoln, Girl Jordan, and Leeli: (Singing Divinely)

O holoré lay thee low

Holoél dark in the Deep.

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Spring abundant holoél

Suddenly, the song began to be heard all over the planet, and then, a sudden explosion of life energy erupted, and it released a powerful wave of light and life energy, and then, it hit more and more of the members of Burns' Avengers of Hatred and Destruction who came out of the shadows to kill us all and they began dying one by one as they burst into flames and were reduced to ashes, and we saw multitudes of dark auras being released and they all formed into the shadow of the bitter old vulture who started this crap: Burns, and the wave of light and life energy that was released by their song hit him, and he let out a really nasty scream of pain and agony as he exploded into nothing, and all the darkness left by his manipulative influence was suddenly purged, and just like with Kuyo, the last bit of Burns' influence was sent to The Black Gates for good, along with all those who supported his evil ways.

As Lincoln, Girl Jordan, and Leeli's song came to an end, we felt the last bit of that manipulative old vulture's influence was finally purged from the world for good. Charles Montgomery Burns, the most hated bastard in Springfield and the entire world, has finally become nothing more than a forgotten memory, and the scars he's left behind can finally heal for good.

Lincoln: Good riddance for good, you bitter old vulture, along with you, Ryan, you sorry excuse for a human being. (To Daphne Long) And it's so good to see you again, Daphne Long.

Daphne Long reverted back to normal, and she's a beautiful girl with long sky blue hair, sky blue eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful sky blue angel wings, she's dressed in brown clothes that look like Becky Long's, and long white long-sleeved trenchcoat with winds and space ships on the coattails and on the back is B.E.S. Tetran, and holstered on her back is a massive B.E.S. Tetran-themed greatsword with embedded sky blue gems and B.E.S. Tetran etched on the 7'0" massive, wide, double-edged sky blue blade, large B.E.S. Tetran heads for the crossguard, large sky blue gems embedded in the hilt, longer midnight black handle, four large B.E.S. Tetran heads and large sky blue gem on the bottom of the large B.E.S. Tetran heads for the pommel.

Daphne Long: You too, Lincoln, it's been such a long time, and you, Girl Jordan, and Leeli sang really beautifully, I still haven't forgotten you had the voice of an angel.

Lincoln went up to Daphne Long and he hugged her, and Daphne Long is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Daphne Long: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: Whoa, Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Becky Long: And so do we. The B.E.S. Tetran Gene-Slammer is Daphne Long and the last of my sisters, she's Lincoln's Guardian Angel from Michigan, and like us, Daphne Long is a very strong and powerful technomancer, and like us, she was pronounced braindead at age 4 and the doctors came up with a very risky and dangerous operation. They replaced her dead brain with an artificial Positronic Brain, and it gave her incredible powers of Technokinesis and it also turned her mind into a very incredible computer capable of storing an infinite amount of information and unleashing the full 100% of her brain power.

Nico: Awesome.

Becky Long: And when she got Gene-Slammed into B.E.S. Tetran, she also gained powerful wind powers, and just like us, Daphne is also in Lori's school and she's protected Lincoln from the worst of Lisa Loud's fury and almost got Lisa disowned and sent to a nuthouse in the federal prison system forever as well as have all of her science stuff confiscated by the scientific community forever.

Daphne Long: I've hated that heartless emotionless mad scientist with a passion for what she did in subjecting her little brother and her family to her mad experiments.

Lincoln: Well, you're not going to like this bit of news, Daphne: J.D. found out the person responsible for turning Lisa into the heartless, emotionless mad scientist, you, your eldest sister, and your other sisters have hated was none other than Killjoy Huggins.

Daphne Long: (Gasps) What?!

Elsa Long: It's all true, Daphne. Killjoy Huggins, the Dark Side of Principal Huggins, turned Lisa, Lori, Lynn, Lola, and Luan into those heartless monsters by injecting them with a Dark Side Creation Serum when Lincoln was in Third Grade, so he can get rid of Lincoln once and for all. He did this and right under our noses the whole time.

Lincoln: But, you don't have to worry, we removed that killjoy from Principal Huggins, and we dealt him a massive payback for all the crap he's done to me.

Harley Long: And Lincoln sent him to The Black Gates forever, thus ending the source of his pain and suffering for good.

Daphne Long ran up to Lincoln and hugged him tight, and he hugged her as she cried hard into his bare chest.

Eli: Killjoy Huggins really did a lot of damage on that day.

Lincoln: Becky's sisters had no idea that miserable killjoy did all that under their noses, and all to kill me because he hated me. Now, I'm really glad I killed him, he's one person who deserved to die for everything he put me through.

Daphne Long: That bastard really is a jerk. (To Lincoln) Oh, Lincoln, there's something we also want to give you.

Lincoln: Let me guess, you want to give me your blood, right, Ramona?

Daphne Long: How'd you guess what we were about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Daphne Long: Ooh, I knew it was a matter of time before you'd start marking your future wives.

Lincoln went up to Daphne Long, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Daphne Long: You're still just as gentle as ever when you feed on one of your Guardian Angels, Linky.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love

appeared on Daphne Long's neck with sky blue gems on the gold lightning bolts and sky blue crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Daphne Long: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Daphne Long.

Daphne Long had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the nine girls, and when Lincoln saw who they were, he immediately recognized them. The nine girls are Anna, Gena, Lolo, Milly, Pieda, Queen Corellia, Savyna, Trill, and Xelha from Baten Kaitos.

Lincoln: Oh wow, it's Anna, Gena, Lolo, Milly, Pieda, Queen Corellia, Savyna, Trill, and Xelha from Baten Kaitos.

Lincoln: Are you girls okay?

Queen Corellia: Yes, we're okay, thanks to you.

Then, when Queen Corellia and the other eight girls saw who it was that saved them all from The Lords of Anarchy, The Fires of Destruction, The Kings of Chaos, The Twelve Lords of Death, The Seven Deadly Sins, The Order of Mayhem, The Harbingers of Hatred, The Devil's Army of Hellish Chaos, The Killers of Harmony, The Murderers of Peace, The Slaughterers of Hope, The Emissaries of Disharmony, The Destroyers of Universal Peace, The Destroyers of Courage, The Killers of Love, The Destroyers of All Innocence, and the most dangerous terrorist organization: Burns' Avengers of Hatred and Destruction along with Ryan Long, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, his own version of He-Man's chest harness with colored gems on the orange straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted search Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family,

Anna: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made eight clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Queen Corellia: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Anna, Gena, Lolo, Milly, Pieda, Queen Corellia, Savyna, Trill, and Xelha with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and they were shocked to find out the villains we went after were the terrorist groups, The Lords of Anarchy, The Fires of Destruction, The Kings of Chaos, The Twelve Lords of Death, The Seven Deadly Sins, The Order of Mayhem, The Harbingers of Hatred, The Devil's Army of Hellish Chaos, The Killers of Harmony, The Murderers of Peace, The Slaughterers of Hope, The Emissaries of Disharmony, The Destroyers of Universal Peace, The Destroyers of Courage, The Killers of Love, The Destroyers of All Innocence, and the most dangerous terrorist organization: Burns' Avengers of Hatred and Destruction, along with Ryan Long, the heartless ex-brother of The Long Sisters and who also broke out of prison with help from Burns' Avengers of Hatred and Destruction.

But, when Lincoln showed what happened, such as him using King Ghidorah's life-force draining dome on the members of The Lords of Anarchy, The Fires of Destruction, The Kings of Chaos, The Twelve Lords of Death, The Seven Deadly Sins, The Order of Mayhem, The Harbingers of Hatred, The Devil's Army of Hellish Chaos, The Killers of Harmony, The Murderers of Peace, The Slaughterers of Hope, The Emissaries of Disharmony, The Destroyers of Universal Peace, The Destroyers of Courage, The Killers of Love, The Destroyers of All Innocence, and some of the members of Burns' Avengers of Hatred and Destruction, and all of us beating down Ryan Long and Lincoln finishing Ryan Long off by tearing him to shreds and sending him to The Black Gates, and Lincoln, Girl Jordan, and Leeli finally performing Yurgen's Tune which not only killed more members of Burns' Avengers of Hatred and Destruction and sent them to The Black Gates for good, but it also purged the Earth finally of Burns' manipulative influence and sent it to The Black Gates forever, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln and Daphne Long have a lot of catching up to do, now that they're back in town.

Maria: Not only did you all get rid of Ryan Long, but you also got rid of the terrorist groups, The Lords of Anarchy, The Fires of Destruction, The Kings of Chaos, The Twelve Lords of Death, The Seven Deadly Sins, The Order of Mayhem, The Harbingers of Hatred, The Devil's Army of Hellish Chaos, The Killers of Harmony, The Murderers of Peace, The Slaughterers of Hope, The Emissaries of Disharmony, The Destroyers of Universal Peace, The Destroyers of Courage, The Killers of Love, The Destroyers of All Innocence, and the most dangerous terrorist organization: Burns' Avengers of Hatred and Destruction, awesome!

Lincoln: We sure did.

William: And we heard you three sing Yurgen's Tune all the way from The World Tree Estate, that was really incredible.

Nico: And it got rid of Burns' manipulative influence for good, just like what happened with Kuyo's remaining darkness, even after he was sent to The Black Gates.

Me: But, now we're finally rid of Charles Montgomery Burns for good, and now, he's gone for good.

Lincoln also told The President of what happened at Jerusalem, and he congratulated everyone with what they did: this was one huge task Lincoln took up, but it was truly worth it. Not only did we get rid of Ryan Long, but we got rid of the terrorist groups that were there, along with the main terrorist organization that formed due to their fanatical worship of Burns' evil ways, but now, they're gone for good, and Charles Montgomery Burns is now at long last a forgotten memory for good, and now, the Earth can finally heal from the damage he'd done.

---

After destroying Ryan Long, along with the many terrorist groups: The Lords of Anarchy, The Fires of Destruction, The Kings of Chaos, The Twelve Lords of Death, The Seven Deadly Sins, The Order of Mayhem, The Harbingers of Hatred, The Devil's Army of Hellish Chaos, The Killers of Harmony, The Murderers of Peace, The Slaughterers of Hope, The Emissaries of Disharmony, The

Destroyers of Universal Peace, The Destroyers of Courage, The Killers of Love, The Destroyers of All Innocence, along with the most dangerous terrorist group of all: Burns' Avengers of Hatred and Destruction, and getting rid of the last of Burns' manipulative lies once and for all, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Daphne Long saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Daphne Long: Whoa, I was right that Lincoln's really grown into a 17-year-old, 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful

teachers, J.D. and Nico included, Daphne, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Daphne Long: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Daphne Long: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Daphne, what's the story behind your hatred for Lisa?

Daphne Long: I was hoping you'd ask that, and it's the same as Becky, Elsa, Harley, Jolene, Milan, and Ramona's story with their confrontations with Lisa. I make it no surprise I've hated Lisa with a blazing passion, because of all the hell she put Lincoln through with her trying to kill him with her insane experiments. One day, Lincoln and I were busy doing some homework at our house, since The Loud House isn't a perfect place for our homework. But, then, we saw something crash into my room, it was a smoke bomb, we escaped from the room, and we heard the sound of insane laughter. We looked out the living room window, and we saw who it was that did the dirty deed: it was Lisa, and she had her army of robots with her again, and she was out to capture and kill me by removing my brain and kill Lincoln. We'd absolutely had it up to hear with that heartless monster, and I used my technomancy powers and destroyed every last one of Lisa's robots, and we tied Lisa up with energy ropes Lincoln fired from his angel wings, and we dragged Lisa back home, and after we told Mr. and Mrs. Loud of what Lisa tried to do to us, she was grounded for sixteen weeks and she was thrown in a metal cage and tied up in a straitjacket, and she was screaming bloody revenge on us, but Lily whacked the cage with a mallet and Lisa crashed onto the floor.

Nico: Jeez, this was just like your sisters' ordeals with Lisa. But, it also had the same end result: Lisa got her comeuppance and she got grounded again.

Me: Yeah, Lisa really was insane before we got rid of her Dark Side.

Lincoln: And I warned her: if she ever tried that same stunt with Becky's sisters, I was going to make her pay for this in the worst way imaginable: I'll call the Scientist Committee and they'll confiscate all of Lisa's lab materials and chemicals, along with rewards and certificates, and she'll be declared an enemy of the state.

Luna: And he's serious about that. Becky has friends in the scientist committee and with one phone call, Lisa will lose everything, and she'll be on her way to the nuthouse for the rest of her life. But, Lisa didn't even listen again, and she was really playing with fire: and in this case, that fire is our bro.

We got a shower afterwards, and then, Lincoln, Majorette, Nancy, Krystal, Tinkermon, Sistermon Blanc, Sistermon Noir, and Sistermon Ciel are heading to Waikiki Beach in Hawaii.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Majorette, Nancy, Krystal, Tinkermon, Sistermon Blanc, Sistermon Noir, and Sistermon Ciel were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Majorette, Nancy, Krystal, Tinkermon, Sistermon Blanc, Sistermon Noir, and Sistermon Ciel had feelings for Lincoln, and he had the very same feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant.

Majorette: Wow, so this is Waikiki Beach, it sure is beautiful.

Lincoln: I've been here to Waikiki Beach before, Majorette, and it's always beautiful, and it's perfect for our first date. Shall we?

Lincoln, Majorette, Nancy, Krystal, Tinkermon, Sistermon Blanc, Sistermon Noir, and Sistermon Ciel dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Majorette, Nancy, Krystal, Tinkermon, Sistermon Blanc, Sistermon Noir, and Sistermon Ciel got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Majorette, Nancy, Krystal, Tinkermon, Sistermon Blanc, Sistermon Noir, and Sistermon Ciel, and they hugged the girls in their abnormally massive and powerful muscular arms, and Majorette, Nancy, Krystal, Tinkermon, Sistermon Blanc, Sistermon Noir, and Sistermon Ciel placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Waikiki Beach, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Majorette, Nancy, Krystal, Tinkermon, Sistermon Blanc, Sistermon Noir, and Sistermon Ciel with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Majorette, Nancy, Krystal, Tinkermon, Sistermon Blanc, Sistermon Noir, and Sistermon Ciel are now part of your harem.

Ranamon: Wow, that's really amazing that Tinkermon, Sistermon Blanc, Sistermon Noir, and Sistermon Ciel are now part of your harem, Linky.

Twilight Sparkle: Along with Majorette, Nancy, and Krystal. I always knew more of our friends had also fallen in love at first sight with Lincoln.

Nico: Yeah. Honestly, how many girls have fallen in love at first sight with you, Lincoln?

Luna: Dude, we've lost track long ago, the only one keeping count is Bayonetta in her book.

May: Dang it, next time, we're so getting a book to keep count of the girls Nico has in his harem.

Varie: Same with J.D.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Alessnna, another member of The Extraterrestrial Order of The Planets of Holy Ghidorah, and she's coming here to kill us all for ruining their plans. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Alessnna of The Extraterrestrial Order of The Planets of Holy Ghidorah on the move?

Lincoln: You guessed it, Rayman, and she's coming here to kill us all for ruining their plans.

Nico: Just as we expected, but we're more than ready for Alessnna, right, Lanaiya?

Lanaiya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Icelandic Accent) Right, and just like what happened, he's going to transform by drinking that potion with 2018 King Ghidorah's blood, so Lincoln will separate him King Ghidorah Hybrid Monster form from his real form and absorb the King Ghidorah Hybrid Monster form while we destroy Jaxuana and give him The Black Gates.

Lincoln: You said it, and with Damian Constantine still trapped in the depths of Hell, he won't be able to cause us any trouble until the day of The Ridonculous Race.

Nico: I can't wait for that day to come, I want to smash his evil face in. Alright, gang, let's go, we may not have a main mission, but we still need to hunt down and destroy Alessnna.

Lincoln: Yeah, we can't have that religious fanatic still running about, let's get rid of her once and for all.

Lanaiya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Icelandic Accent) You better be ready to die, Alessnna, because you're about to face the true wrath of White Night Queen.

We arrived at the park to hunt down Alessnna of The Extraterrestrial Order of The Planets of Holy Ghidorah.

?: I will make every last one of you pay for what you did in destroying our Lord Ghidorah, Team Loud Phoenix Storm!

Suddenly, the eight large planets and stars orbing around my legs, the nine large multi-colored orbs orbiting around Lincoln's legs, the eight large orange orbs orbiting Linka, TLPS Ms. Tarantula's, and Duke Lincoln's legs, the eight large dark blue orbs orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the nine large crimson red orbs orbiting
